Fat Cat is the main antagonist of the Disney animated series Chip 'n' Dale: Rescue Rangers, and a minor character in its 2022 Chip 'n' Dale: Rescue Rangers.

He is a relentless criminal mastermind and the self-proclaimed ruler of the animal underworld, continuously engaging in various schemes to increase his own power and wealth. He is the Rescue Rangers' archenemy and most reoccurring foe, and the boss of Wart, Mole, Mepps, and Snout.

He was voiced by Jim Cummings, who also voiced Professor Norton Nimnul in the same series, as well as Peg Leg Pete in the Mickey Mouse franchise, Don Karnage in TaleSpin, NegaDuck in Darkwing

Duck, Steele in Balto, Fuzzy Lumpkins in The PowerPuff Girls, Long John Silver in The Pagemaster, Wart in Rescue Rangers, Ed in The Lion King, Jacques in Scooby-Doo on Zombie Island, Nessus in Disney's Hercules, Dennis in Disney's Tarzan, Hernán Cortés in El Dorado, the Medicine Man in Young Pocahontas, Razoul in Aladdin, Doctor Robotnik in Sonic SatAM, Lord Boxman in OK K.O.! Let's Be Heroes, and Hadrian in Minecraft: Story Mode.

In the 5-part episode pilot "To The Rescue", Fat Cat is the henchman of Aldrin Klordane. He incriminates the detective and Plato in stealing a jewel. Fat Cat then steals the ruby from Klordane himself, just to show up in his own casino and attract the outlaws to himself. However, he was followed by Chip and Dale who stole the ruby, only for it to be returned to Fat Cat and Chip and Dale.

Afterwards, he traveled to Chinatown to the Siam Twins for buying a kung-fu fish. As he pays it, Chip and Dale arrived and messed the whole place up, giving Fat Cat time to escape to the dock, where he took a ship full of fish for himself, however, removing Monterey Jack and Zipper's house in the process. Chip, Dale, Monterey, and Zipper beat Fat Cat and his gang, forcing Fat Cat to retreat and then panic, because it was the sunrise, and Klordane would find up the vanishing of the ruby. Luckily, he returned it in time.

With Klordane gone, Fat Cat carries on as an independent villain, with his minions Wart, Mole, Mepps, and Snout all present and accounted for.

Fat Cat makes a cameo appearance in the Darkwing Duck episode "In Like Blunt," along with the villains, and decides to join with the Commands for the secret S.H.U.S.H. agent list.

In the NES game of the TV series, he acts as the final boss of the game and attacks the player with smoke from his cigar.

When I was done everyone was shocked!

Camie: Oh man! So he is a cat crime lord.

Cat: Like Mr. Tinkles and many cat villains.

T-Bone: I was just about to say the same thing.

Razor: If anyone deserves to spend all their 9 lives in prison he does.

Battletrap: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Kingler next.

Luan: Ooh that one is gonna be Crabby! (LAUGHS TO RIMSHOT) Get it?

We laughed at her joke.

Eddy: (LAUGHS) That was a good one!

Me: (LAUGHS) That was funny! But yeah that one will be interesting.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than an old enemy of Alex, Marty, Melman, Gloria, The Penguins, and the Lemurs from Madagascar, King Fossa, and he's back to get his revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Alex, you and the others aren't going to like it one bit: the dark energy signal I sensed belongs to your old enemy from Madagascar, King Fossa, and he's come back to get his revenge on you guys.

Alex the Lion: Oh man, not him, I thought I put a stop to that mangy animal, and we tied him up and gave him to the Penguins.

Skipper: We did, but it looks like that animal's broken loose, and now, he wants revenge.

Sophia Kennedy: Well, now we're going to hunt him down and put him out of his misery.

Lincoln: Yeah, and if he wants to fight us, I'll even out the playing field by transforming into Lincoln the Nocturnal.

Nico: Whoa, so it'll be beast-to-beast.

Me: And I've seen many nature shows on those types of fights, Nico, and they get pretty bloody in a few seconds.

Nico: And the one who's going to be spilling King Fossa's blood is Lincoln. Alright, gang, let's go, we got an emergency from Chip and Dale.

Lincoln: Oh man, I hope those guys, along with Monterrey Jack, Gadget, and Zipper are okay, but once we help them with the emergency, you're next, King Fossa.

Saix: Let's get going.

Psyphon: This is probably our first time meeting Chip and Dale in person.

Butch: You said it.

Me: Yeah.

We were off. The location: Nova Scotia, Canada.

---

NOVA SCOTIA, CANADA

---

We arrived in Nova Scotia, Canada.

Gwen: Didn't expect them to be here.

Me: Same here.

Lola: This will be so cool.

Nico: Now we got to find them.

Sora: It'll be awesome to see Chip and Dale again.

Kairi: It sure will. So this is what they do as well other than managing the Gummi Ship.

Eli: This will be awesome.

Lugnutz: They're Chipmunks, right?

Nico: Yep and Sora, Donald, Goofy, King Mickey and everyone know them. They are also the managers of the Gummi Ship.

Sora: They have been a really massive and big help on our adventures.

Xenia: That is right I remember that.

Lola: Yeah it sure is awesome.

Lana: They never told us any of our adventures as Rescue Rangers during the 20 Days of Darkness. But it will be awesome helping them out.

Applejack: It will be interesting to hear about them.

Wallflower Blush: I'm looking forward to it.

Evil Xion: Where's their base?

Ghost: Is it near?

Eli: It's right there.

It was at a tool shop.

Me: That's convenient.

We went over to it. Chip and Dale were putting together a special radar system and Dale was lifting a heavy wrench.

Chip: Just about got it.

Dale: (GROANS) It's so heavy.

Gadget: We're almost finished guys.

Then Dale lost his balance and he was about to fall.

Me: Whoa!

I caught him just in time.

Me: You guys all right?

Dale: Hey J.D. Thanks.

Me: No problem.

Nico: We got your message.

Gadget: I'm glad you all sure did.

Zipper: We could use your help to bring down Fat Cat once and for all.

Monterey Jack: Yeah no kidding.

Me: We'll gladly help you guys.

Carnivac: It's nice to meet you guys

Chip: Same here guys. Many of you we haven't met yet. We know you guys have been busy.

Misty Brightdawn: But I'm glad we're meeting you now.

Dale: Same here.

Zipper: I'm glad you guys are here though. The hostage that Fat Cat has is a Sailor Soldier.

He showed us a picture of her and it was a girl with aqua blue hair and she had dark blue and greet clothes.

Me: (GASP) That's Catherine Kylmyys A.K.A. Sailor Kylmyys!

Nico: Kylmyys's Sailor Soldier? Wow.

Eli: So she was supposed to be the next Undead Zodiarts that was supposed to come next?

Me: Yeah.

Nico: How do you know her?

Me: Catherine is one of my friends from Arctic Research Science Class and she knows so much about the ice. She and I went down to Antarctica and did a lot of science there in frigid cold. She was born on the planet Kylmyys and she is impervious to the brutal cold of any cold ice planet.

Varie: Wow that is cool.

Whiteout: So, that's her name.

Evil Rainbow Man: What does her Zodiarts form look like?

I saw a mark on her right arm and it was for Pegasus the Flying Horse.

Me: There's her mark. It's for Pegasus the Flying Horse.

Evil Rainbow Man: Interesting.

Gadget: We were told about what you guys were facing and we don't really know.

Zipper: I do.

He flew and drew a picture and it looked like a mixture of Polluticorn, Unidoom, Brightstar and Unicorn Minosaur!

Me: Whoa! That is quite a fusion.

Nico: Darn shame there are no Pegasus Monsters though.

Me: I know.

Chameleon: He reminds me of Snaptrap.

Pete: He does?

Chameleon: Yeah he was a crime lord.

Me: Except Fat Cat is not hellbent on World Domination. He is more like a mafia cat.

T-Bone: Yeah he reminds us more of the Metallikats.

Me: Mack & Molly Mange were those kinds of figures.

Camie: Yeah.

Aylene C.: But I believe that Al-Kat-Traz prison is perfect for them.

Nico: I agree too Aylene.

Chan Lee: How did he capture Catherine?

Fourtress: She's too powerful for him!

Chip: We don't know ourselves. But we think it might be that she got kidnapped by Fat Cat when she was busting bad guys.

Me: Hmm.

Qin: Strange.

Me: One person can't take on someone like Fat Cat but THOUSANDS of people? That's a whole different matter.

Brick: Knockout gas, maybe?

Evil Vespa Woman: Or she was worn down.

Me: 2 possible factors. But the first one sounds more plausible.

Qin: Yeah.

Me: But nonetheless we got to save her.

Chip: I agree.

Motormaster: I'll drive around to see what I can find

Nico: Okay.

He transformed and drove around.

Nico: Now we wait.

King Mickey: You two I'm really amazed and impressed that you guys go on amazing and daring rescues to find and save people that need help.

Eli: That sure is awesome.

Chip: Thanks your majesty and it's a great adventure every day when we're not working in the Gummi Garage.

Sora: It sure is cool.

Qin: Yeah.

Metal Sonic: I'm just glad your world wasn't destroyed by the Heartless.

Francisco: At least the first time.

Chip: So are we.

Me: Yeah no kidding. But we are really proud of you guys.

Nico: Same here.

Dale: Thanks. It's a great adventure.

Izzy Moonbow: And Gadget you and I have so much in common.

We are great tinkerers.

Gadget: That is so cool Izzy!

Me: It sure is.

Misty Tredwell: All of us are happy for you guys.

Misty Brightdawn: Nico I have a feeling that the next rescue for you tomorrow will be at the ruins of Opaline's castle.

Nico: I'm looking forward to that one.

Blot: Thanks for the heads up.

Me: It'll be interesting to see what we can find there.

Chip: Boy we heard about that massive battle. That was intense.

Gadget: Yeah that one really shook the planet.

Fievel: It sure did.

Me: Yeah no kidding.

Wiggum: We had to fight through 24 floors of enemies.

Proper Patrol Leader: It wasn't easy.

Me: Yeah and many of those enemies were some of our major enemies that we faced last year. And also a couple of them we never faced before.

Qin: Yeah that was both so much fun and so awesome.

Me: 12 of them we gave the Black Gates. The rest was sent to prison.

Lola: Yeah.

Dale: Wow that is amazing.

Denise Wendoll: Wow you guys have been really busy.

Camie: All that and more Denise.

Gadget: Wow. That is cool.

Me: Yep. Her castle was located on the Kamchatka Peninsula in Russia. That was a devastating battle. We launched an all out full scale ambush on her.

Mollie: We sure did and it was epic.

Me: Also a few of the enemies she had were some enemies that we faced prior to last year.

Gadget: Wow! That is incredible!

Qin: I know. It was awesome.

Motormaster came back.

Lena Isis: Did you find her?

Phosphos: Please say yes!

Motormaster: I sure did! She is in the basement of that lighthouse over there.

I looked and saw that he was pointing to the abandoned Devil's Island Lighthouse.

Me: That's Devil's Island Lighthouse.

Courtney: Whoa. No one has been in there for years.

Me: That is very old lighthouse. Hasn't been used since it shut down in 1978.

Qin: Boy it looks like no one has been there since.

Nico: It sure looks like it. Hasn't been used for 44 years.

Atomic Skull: Which makes it the perfect hiding spot.

Evil Skull Man: Not for long!

Me: And it's very fitting because it's called Devil's Island Lighthouse.

Qin: Yep.

Nico: Lets go!

We were off.

We flew over to the island. I used my X-Ray vision and scanned the island.

Me: Hmm.

I saw a huge room underneath the island over a mile and a half down into the island.

Me: Whoa! Their hideout is over 8,000 feet down under the island and I see Fat Cat and a human lifeform in it.

Nico: That's them!

Cindersaur: Entrance time!

We flew into the lighthouse and found a door. And it was a cat size door.

Me: We can't get through there.

Camie: Hmm.

Eli: Leave this to me.

He ignited his lightsaber and stabbed the door and melted it open.

Me: Genius bro.

Nico: Yeah.

We went down a huge staircase and found a huge door.

Me: Now we can do the entrance.

We went at the door.

Fat Cat: Soon my dear the world will know the name Fat Cat.

Sailor Kylmyys was tied up and gagged.

But then the spirits of rodents appeared and swirled around them and then they converged and then NUMEROUS CANS OF FISH AND TUNA EXPLODED OUT and then all the cans popped open and then out came us.

Me: Now THAT was a FISHY entrance!

Chip: It's over Fat Cat! You're under arrest!

Fat Cat: I see you have the famous Team Loud Phoenix Storm with you rangers.

Me: And we're sending you to prison!

Nico: I called Commander Feral and the Enforcers. They'll be here any minute.

Qin: Okay.

I went over to Sailor Kylmyys and untied her.

Me: Are you all right Catherine?

Sailor Kylmyys: Thanks to all of you guys!

Me: Glad you're safe.

Sailor Kylmyys: They jumped me and knocked me out as I was about to expose their operation and take them down.

Nico: What were they planning to do?

Sailor Kylmyys: Use a deadly catnip ray gun to make all the people around the world crazy.

Nico: Looks like we got here Just in time.

Me: Yeah.

Femme Fetale: (to Sailor Kylmyys) Tell you what.

Evil Flare Woman: During the usual battles, one of us can face you!

Wheeler: I'll face her this time.

Me: Okay.

We regrouped.

Me: You're going down Fat Cat.

Chip: You have eluded us for far too long!

Then Melter, Mole Man, LaGrange, Pinky & The Brain, Onyx, Jet, Box Ghost, Trickster, Magneto, Cluemaster, Yost Viper, Peg Lep Pete, Live Action Thrust, Copper Cranium, Brutus, Walter Wolf, Superfriends Scarecrow, Katty Kattswell, Libra Zodiarts, and Bradford Buzzard appeared.

Nico: Melter, Mole Man, LaGrange, Pinky & The Brain, Onyx, Jet, Box Ghost, Trickster, Magneto, Cluemaster, Yost Viper, Peg Lep Pete, Live Action Thrust, Copper Cranium, Brutus, Walter Wolf, Superfriends Scarecrow, Katty Kattswell, Libra Zodiarts, and Bradford Buzzard.

Melter: Usually, you face the Undead Zodiarts on your rescue.

Nico: That rule gets ignored just for today.

Mole Man: I guess that's fair.

Me: Yeah.

Brain: It's something none of us expected.

Me: But at least Catherine is safe.

Onyx: (To Nico) We heard you dissed Goodbling again.

Nico: We sure did.

Jet: (laughs) That never gets old!

Me: It was awesome and fun.

?: It sure is!

Then a figure came out and it was TRAPPERTRON from episode 24 of Beast Morphers!

---

Scrozzle created Trappertron by infecting a bird cage with the Evox virus. Scrozzle then sent Trappertron to Earth, where he ambushed Zoey, Blaze and Roxy outside of the Collins Institute. He first trapped Blaze and Roxy in a cage, then blasted Zoey to the ground. The other Rangers arrived before he could finish her off, with Steel wiping him out with a blast from his Striker Morpher. While Nate tried to free Blaze and Roxy from the cage, the others morphed and battled Trappertron, who summoned a squad of Tronics to aid him. After the Tronics were defeated, Trappertron fled the scene. While Ravi went to help Nate free Blaze and Roxy, Devon, Zoey, and Steel chased Trappertron. Trappertron tried to imprison the three Rangers in another cage, but they used their Beast-X Sabers to destroy it. He summoned more cage walls, but the Rangers easily destroyed them as well. Finally, Devon destroyed Trappertron with a single powerful slash from his Saber.

Although Trappertron failed to defeat the Rangers, he distracted them long enough for Scrozzle to scan Blaze and Roxy's DNA. Scrozzle used this data to revive Cybervillain Blaze and Cybervillain Roxy as robots

---

Zoey Reeves: Trappertron!

Trappertron: Been a while rangers.

Me: I remember you! You were sent to trap the rangers and then steal Morph X. But you seriously hurt Zoey.

Trappertron: I know. Big battle.

Me: Yeah that was intense.

Trappertron: It sure was.

Nico: Yep.

Trappertron: Did I mention that my cages are so big?

Fred Jones: You gotta teach me how to make those!

We laughed!

Me: (LAUGHS) Yeah that's gonna be awesome.

Lola: Perfect for trapmaster Fred Jones..

We got the battles underway.

Then, a large feline figure came out, and it was none other than King Fossa.

Alex the Lion: Oh great, I knew he'd be here.

King Fossa roared with rage at us.

Sophia Kennedy: Oh, roar yourself, you overgrown sack of kitty litter!

Suddenly, Sophia Kennedy's emerald green eyes turned neon emerald green and she was surrounded by an emerald green energy aura with emerald green fire, emerald green gems, water, and tortoises, she unholstered her massive Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise-themed greatsword from her back, and as she approached King Fossa, she left emerald green energy, emerald green fire, emerald green gems, and tortoises with every step.

Sophia Kennedy: You just don't even know when to give up, King Fossa, no matter how many times Alex and his friends beat you, you just won't quit. That's it, this time, I'm putting you down once and for all, and you're never going to hurt another animal ever again.

Suddenly, Sophia Kennedy was surrounded by a massive vortex of emerald green energy with emerald green gems, emerald green fire, and water surrounding the vortex, there are tortoises and Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise flying around the vortex, and in the vortex is a green phoenix. Then, as the vortex faded, Sophia Kennedy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sophia Kennedy grew from 6'5" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long emerald green hair, she has neon emerald green eyes and an emerald green energy aura with emerald green fire, emerald green gems, and tortoises surrounding her, she has both Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise surrounding the embedded emerald gem on her forehead emblazoned on her forehead and Third Eye with emerald green iris, she has on tortoise earrings with amber gems for eyes and holding the Fire and Eternity Kanjis in its legs, she also has Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise with emerald green gems for the eyes and holding the Fire and Eternity Kanjis in their legs on the bottom of her emerald green tortoise-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with emerald green crystal links from her merged Crystal Necklace of the Buddha and emerald green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Sophia Kennedy's massive Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of emerald green energy, emerald green fire, emerald green gems, and tortoises, and when it emerged, it was transformed into Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise's Emerald Green Greatsword of Emerald Green Firestorm Justice, it's a brand-new massive greatsword with embedded emerald green gems and Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise etched on the 7'0" massive, wide, double-edged emerald green blade, large tortoise heads for the crossguard, large emerald green gem embedded in the rainguard, longer midnight black handle, four large tortoise heads with emerald green gems for eyes and a large emerald green gem below the tortoise heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with emerald green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Crystal Beast Emerald Tortoise's head with red gems for eyes and a large emerald green gem inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman

Sophia Kennedy has transformed into SUPER ANGEL-EMERALD TORTOISE-HARMONY CELESTIAL ETERNAL XELNAGA GREEN EMERALD FIRESTORM TORTOISE ANGEL OF DIVINE GREEN EMERALD FIRESTORM JUSTICE AND DIVINE GREEN EMERALD FIRESTORM LOVE!

We were amazed by Sophia Kennedy's Super Angel-Emerald Tortoise-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when King Fossa saw it, he roared with rage and he rushed at her to kill her, but Sophia Kennedy fired a powerful emerald green energy blast with emerald green gems, emerald green fire, and tortoises and it hits him and he flew back first onto the pavement, he got back up, but now, he was really mad now.

Serenity Lexington: Whoa, Sophia Kennedy's transformed, awesome!

Lincoln: And she counterattacked that mangy Fossa who tried to kill her, now he's got a major league problem, and Sophia, you look beautiful, how do you feel?

Sophia Kennedy: (Divine Echoing Cosmic Voice of The Green Emerald Firestorm Tortoise and Divine Green Emerald Firestorm Love) I feel incredible, Linky. Now, shall we put an end to this rampaging animal once and for all?

Lincoln: (Smiles) With pleasure, Sophia.

Lincoln let out a growl as white fur began growing on his abnormally massive and powerful muscular body with white fur growing on his massive and wide muscular pecs and eight pack abs and wolf muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, along with the white wolf ears on his head, massive white angel wings with aurora and orange tips and his eleven massive and long and powerful white wolf tails with markings, and he let out a powerful howl as he transforms into Lincoln the Nocturnal, and he unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sophia Kennedy.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, King Fossa, and now, it's time to put you down!

Sophia Kennedy and Lincoln went after King Fossa, who tried to slash at them with his claws, but they dodged them, and they fired extremely powerful blasts of rainbow energy, orange energy, orange fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at King Fossa and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off King Fossa now.

Suddenly, King Fossa pounced and tried to attack Lincoln, but Lincoln grabbed him by the neck, and he choke-slammed him hard into the ground and he kicked him away, that really angered King Fossa now, and Lincoln roared ferociously at him.

Me: Man, this is turning into one wild battle between beasts.

Nico: But, a big mistake since Lincoln's an alpha, and he doesn't like it when some other animal tries to invade his territory to cause trouble and havoc.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sophia Kennedy, her hand-cannon Blaster is known as Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise's Emerald Green Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's emerald green with green flames on the blaster and with a Phoenix, Angel, and Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise surrounded by green etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sophia Kennedy fired blasts of rainbow energy, emerald green energy, and elemental forces at King Fossa and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln ran at King Fossa, and with his claws, he slashed at King Fossa leaving claw marks on him, and he also tore out King Fossa's heart and ate it in front of him, and he also absorbed King

Fossa's body into his, and he roared loudly and ferociously. Then, Lincoln sent his soul to The Black Gates for good, we cheered as Sophia Kennedy and Lincoln holstered their massive greatswords on their backs and powered down and Lincoln changed back, and Sophia Kennedy's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green wolf tails, and massive emerald green angel wings are permanent.

Sophia Kennedy: That'll teach you, you mangy Fossa. Thanks for helping me take down King Fossa for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sophia.

Suddenly, Sophia Kennedy wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sophia Kennedy's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, emerald green gems falling, and green fire raging around them and we cheered wildly. Then, Lincoln and Sophia Kennedy absorbed the fire and they came back to us as the display and Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald Tortoise vanished.

Nico: Whoa, Lincoln, you really showed that animal no mercy whatsoever, and what you did in tearing out his heart and eating it in front of him, that's what I call a savage kill.

Lincoln: Thanks, Nico.

Me: And I got the whole thing on camera, that was really awesome and wild.

Sophia Kennedy: That's what happens when you mess with Lincoln the Nocturnal. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Sophia, hmm. Oh, I know, how about Gene-Slammers for White Aura Bihamut, White Aura Dolphin, White Aura Monoceros, and White Aura Whale.

Nicholette Torrington: That's an excellent idea, Lincoln, and we know four girls who would be Gene-Slammed into the four White Aura monsters.

Lincoln: Hannah Knightley, Gene-Slammer of White Aura Bihamut, Eliana Robinson, Gene-Slammer of White Aura Dolphin, Naomi McKenzie, Gene-Slammer of White Aura Monoceros, and Maya Beckett, Gene-Slammer of White Aura Whale.

Nico: Wow, but how do we know which is which?

Lincoln: That's right, it won't be easy though, they all have white hair and aqua blue eyes, but they're easy to identify: Hannah Knightley will have a Bahamut emblazoned on her forehead, Eliana Robinson will have a dolphin emblazoned on her forehead, Naomi McKenzie will have a narwhal emblazoned on her forehead, and Maya Beckett will have a whale emblazoned on her forehead.

Riley Mackenzie: Which means tomorrow, we'll run into Hannah Knightley, Gene-Slammer of White Aura Bihamut for Day 2 of the treasure hunt.

TLPS Mr. Snake: Along with the next villain to kill: Cell from our universe.

Lincoln: We'll be ready for him.

TLPS Mr. Wolf: And we've already angered Marmalade as soon as word of Frieza's death reached him, so now, he's already losing it big time. It won't be long before we finally put an end to his revenge once and for all.

Me: Yep, but for now, we just have to be patient by taking down Cell from our universe, King Cold, Dr. Wrecker, and Garlic Jr. in the days to come.

Nico: That's right.

The battle was won and then the Enforcers all busted in!

Commander Feral: The Enforcers are here.

Me: Perfect timing Commander Feral. They are all yours.

Commander Feral: Thanks guys. We've been after Fat Cat and his mafia gang for years.

Qin: Great. Now the world is safe from him and his plans.

Commander Feral: He'll be perfect for Al-Kat-Trax prison. He deserves to spend all nine of his lives there.

Me: Even thought that's just a myth he will be perfect for it.

Qin: Yep.

They took him to the Brick Litter Box.

LaGrange: That's it for Fat Cat.

Box Ghost: And we finally got to face Catherine.

Trickster: We sure did.

Me: Yep.

Magneto: I just hope Nico's next rescue really is in Opaline's former castle.

Cluemaster: All evidence seems to prove it.

Me: It'll be interesting to see what secrets she has other than just imprisoning all of the elements of harmony.

Nico: Yep. But great job today everyone.

Chip: Thanks.

Dale: This was fun. (To the viewers) Crime will never pay ever.

Me: No it sure won't.

We later went back home and enjoyed the rest of the day and went to sleep.

THE END

Nico: Just like we predicted yesterday.

Me: It's just amazing that we were here earlier last month on Thanksgiving Week and we were here for one of the most devastating battles in all of the world.

Qin: Yeah no kidding. We destroyed Queen Opaline and saved the world from her reign of evil and terror.

Camie: We sure did and that was one of the most amazing and awesome battles ever.

Lola: It sure was. We faced 24 of the meanest villains we faced over the course of 3 years.

Qin: And even a couple of them we never faced before.

Eli: That was so awesome and cool.

Nico: Yeah it sure was.

Nicole: We sure had an awesome time on that one.

Me: And we banished 12 of them to the Black Gates and threw the rest in prison.

Rhinox: That is for sure. That was really awesome and cool.

Varie: It sure was. We had a big battle that day too.

Kaoruku: No kidding.

Me: I'm amazed that Opaline was able to summon many of our most dangerous enemies that we faced over the last 3 years.

Nicole: No kidding dad. That was crazy that she was able to do that. But it's wise that she didn't summon some of the most evil and treacherous of them.

Laney: Yeah no kidding there.

Nico: I'm glad she didn't. That would not be fun if our enemies killed her before we could.

Camie: Yeah no kidding there.

Me: But in all honesty I did not expect Opaline to trap the future versions of the Guardians of Harmony inside a mirror like that.

Misty Brightdawn: Yeah that is crazy.

Sunny Starscout: We never even knew about all that before. That was awful she did all that.

Nico: No kidding. Nicole, I want to thank you, Control Freak, and your teams for coming.

Nicole: It's no problem Nico. Even though you always have me with you guys, it's still going to be so fun.

Control Freak: It sure will be awesome.

Nicole: Yeah.

Red Tornado: It was a most amazing battle that we had here back then.

Me: It sure was Red Tornado.

Camie: Are there any other members of your family that we haven't met yet?

Red Tornado: You are referring to my family consisting of Red

Torpedo and Red Inferno.

Me: Red Tornado and his family are androids made by Professor T.O. Morrow and they are all inhabited by the elemental forces of nature.

Eli: That's right. Tornado has wind, Torpedo has water and Inferno has fire.

Nico: And Volcano has Earth and he is in the M.O.E.

Lincoln: That's right.

Me: Yep.

Nico: Red Tornado, I'm sorry you can't feel emotions like the rest of us.

Red Tornado: Your concern for me is most understandable Nico.

Nico: Thank you.

Me: Come to think of it Red Tornado we haven't met Inferno or Torpedo yet have we?

Red Tornado: Negative. But someday you all will.

Lola: We're looking forward to that.

Lincoln: And Sombra Faiadoragon already has Red Volcano in the Masters of Evil as her archenemy. That is so awesome.

Red Tornado: Indeed it is.

May: I thought there was Tornado Tyrant at one point

Me: Actually there is. But that is an evil giant version of Red Tornado.

I showed a picture of him and went over his history.

---

The Tornado Tyrant originally used his powers to conquer worlds, until an encounter with Adam Strange, and the Justice League left him to contemplate using his powers for good. In the process, he split himself into two, the Tornado Champion (his good self) and the Tornado Tyrant (his evil self).

In the parallel universe of Earth-One, the being known as the Tornado Tyrant (proper) began his existence on Rann. His evil nature was dominant. The Tornado Tyrant had watched the earth adventurer Adam Strange, the protector and champion of the planet Rann. He plotted to take Strange's place as protector and champion of Rann - in his own warped way! The Tornado Tyrant disguises himself as Ulthoon of Xalthor, intercepts Strange on his way to Rann via a Zeta Beam, warns him of Rann's impending doom and then strands Strange on Xalthor. Strange escapes and heads to Rann. He arrives to find Rann being terrorized by Ulthoon, who is in a tiny ship projecting a deadly tornado down to the surface. Or so it appears. In reality, it is the Tornado Tyrant who is project the image of Ulthoon. Adam eventually deduced that Ulthoon and his flier were only illusions; it was the tornado itself that was a sentient creature. It was brought down by Rannian weapons. The Tornado Tyrant was now defeated and in the battle he was almost destroyed. It was in this defeat that he learned a valuable lesson. He learned that good is stronger than evil and that good must always triumph. So, he decided to emulate the heroics of Adam Strange. As he followed Strange, he encountered the Justice League. They had teamed up with Strange to battle the villainous Kanjar Ro. He knew in that moment, the JLA were the examples of heroics he was looking to achieve. As he ventured into deep space, he created his own planet where he could 'play out' the confrontation between 'good and evil.' He envisioned a scenario where good in the form of the Tornado Champion (a mental-projection of his good side) fights the Tornado Tyrant (a mental-projection of his evil side) and on the replicated Earth, the battle would unfold. The Tornado Champion solicits the help of the Justice League (also a mental-projection) to aid in the defeat of his evil half. After a long battle, he is able to triumph over evil and banish his evil side - and thus ultimately decided that 'good' was the 'superior force'. The ethereal Tornado Champion eventually wandered, seeking purpose and perhaps heroics on Earth-Two, where he would be unrecognized. He happened upon the laboratory of Thomas Oscar (T.O.) Morrow who was creating a 'super-android' called the Red Tornado. The Champion decided to enter the android form and take control of the Red Tornado. However, the Champion entering the Red Tornado caused a short-circuit in the computer that was controlling the creation of the android. The short-circuit caused a feedback in the Red Tornado that destroyed the Tornado Champion's memory. Initially, Morrow used the Red Tornado in an attempt to infiltrate the Justice Society of America, but was defeated by the JLA of Earth-One and the Red Tornado. A few years later, the Red Tornado joined the JSA and then eventually joined the JLA when he moved to Earth-One. He remained a regular member of the JLA roster for years. Years later, Morrow is back on earth, has captured and dismantled the Red Tornado in an attempt to learn the secret of the Red Tornado's sentient life. As Morrow dismantled the Red Tornado, the Tornado Tyrant and the Tornado Champion were released from his android form. The Tornado Tyrant attacked Morrow and members of the JLA (who were on scene to rescue the Red Tornado). It is Firestorm who ends up being the last conscious member. As he is poised to valiantly attack the Tornado Tyrant, the Tornado Champion appears and reveals the truth about itself, the Tornado Tyrant and the Red Tornado to him. About how he journeyed to Earth-Two and happened upon Morrow who was building the Red Tornado and how he decided to inhabit the inert form of the Red Tornado, and thus losing all memory of itself. Amazed to hear that the Red Tornado is partially a 'living-being', he offers to use his molecular powers to reassemble the Red Tornado. This resulted in the Tornado Tyrant and the Tornado Champion to be re-absorbed into the android form of the Red Tornado. When the Red Tornado recovers, he has no memory of what had just happened. Firestorm decides not to tell him what happened.

---

When I was done everyone was shocked and amazed.

Qin: Whoa! That is incredible!

Red Tornado: Yes that is correct. Tornado Tyrant is essentially me gone rogue.

Me: Very dangerous.

Nico: Yeah. Yesterday's mission was awesome though.

Maria: I loved seeing Chip and Dale's other jobs yesterday.

Me: It sure was. And we had fun on that one.

Cassie Excelsion: We sure did.

Me: And We saved Sailor Kylmyys too.

Qin: We had fun on that. And we were amazed that Chip and Dale have rescue adventures too.

Lily: That is so awesome.

Rainbow Dash: It sure is.

Nico: That's what they do while Sora, Donald, and Goofy fought Heartless.

Me: Yep. And that is very heroic and adventurous too.

Varie: I'm proud of them.

Aylene C.: Same here.

Tsuyu: Boy that was so fun. And their base is right here on Earth in Nova Scotia, Canada.

Xenia: Yeah it sure is.

Lola: At least we didn't have to go far to meet them.

Brynja: (Icelandic Accent) That is true guys.

Lana: Yeah.

Nico: So far, we've met Sailor Soldiers based on planets of Ben's aliens.

Me: And some on the Star Trek Planets and the Star Wars Planets.

Nico: But it would be so awesome if we met Sailor Soldiers on many of the worlds we visited.

Qin: That would be so cool.

Xenia: Yep.

Me: It's possible that there might me many more of them out there.

Laney: Well with countlessly infinite numbers of planets out there in the universe it's very possible.

Lily: Yep.

Nicole: I have a feeling it will be awesome to see them all.

We arrived inside the ruined castle and it was all really gone.

Me: Boy we sure ruined this entire place.

Misty Brightdawn: Yeah you all sure did.

Nico: I wonder what Opaline had hidden here.

Misty Brightdawn: I know of one thing. Follow me.

She lead us to a trap door and opened it and it was a hidden staircase. We followed her down it.

Nico: Is it booby trapped?

Misty Brightdawn: No thank goodness.

We got to a door and she opened it and it had a room that was a massive laboratory!

Me: Whoa!

Nico: Look at this.

Brittney: Wow what a laboratory.

It was filled with books, spellbooks, scrolls, magical artifacts, machines and more.

Eli: Wow lets see what we got here.

We got to looking around.

Maria: She's gotta have something useful down here.

Nico: It's amazing how she had all this here.

Brittney: Boy there are more spellbooks and dark magic artifacts in here than the Church of Necrom and Grogar's lair. It's amazing she had all this in here.

Twilight Sparkle: Princess Celestia would really be upset seeing all this in here.

Laney: Hey look at this. It's a logbook.

Nico: What does it say?

Laney: Lets see. "I found the answer to restoring my power. After that wretched Princess of Magic and her Stupid Guardians of Friendship took all my power from me, I found that the answer to restoring all my power and taking back what is rightfully mine lies in the power of Dragon Fire. With the power of Dragon Fire, I can regain my power and take all the magic in Equestria all for myself and my reign can truly begin."

Me: She was pure evil.

Camie: No kidding. She caused all this so she can get all the magic for herself.

Nico: And then, she recruited 24 of our most dangerous enemies over the course of 3 years to help her.

Me: And we ended up destroying 12 of them and banishing them and her to the Black Gates. And throwing the rest in prison.

Zarya: Including Necrafa. Hard to imagine she would recruit her.

Me: No kidding there. That was horrible. But she totally underestimated our power. She had no idea that she was up against the most powerful force in the entire universe.

Xenia: Yeah no kidding and with each battle we got stronger and stronger.

Nico: That's true. Lets gather what we can and bring it back to the estate to lock up.

Eli: Maybe Grim can lock some of this up in his trunk for safe keeping.

Varie: Good idea.

We got to sealing much of the stuff all in scrolls.

We sealed all of it in scrolls and Brittney called Grim and he summoned his trunk and we put much of the artifacts in it.

Grim: (Jamaican Accent) That is good thinking to put much of this in my trunk mon.

Nico: Thanks Grim. I hope Billy doesn't use any of this stuff to cause trouble.

Grim: Don't worry mon. He won't.

Me: Lets hope not.

We were done with all the artifacts.

Me: There.

We got out of the lab and into the ruins.

Me: Whew.

Nico: We're still not done here

Me: Nope.

Then my Kyutama for Centaurus the Centaur started glowing.

Me: The Kyutama for Centaurus the Centaur is glowing.

Nico: That means the next one is for Centaurus.

Eli: But I'm sensing that this one is not a Sailor Soldier.

Qin: Wow.

Nico: Who's next?

Xenia: I'll go next.

Me: Okay.

Then a figure came out and it was ANOTHER CENTAURUS UNDEAD ZODIARTS! It looked like a mixture of Motaro, Evil Centaur Man, Elephant Orphnoch and Heat Dopant.

Me: Whoa what a combination!

Qin: Yeah!

Lola: Cool though.

Maria: And you are?

Another Centaurus Undead Zodiarts: (In a girls voice) I believe that J.D. knows who I am.

Me: (GASP) That voice.

She reverted back and it was a Centaurette from the Fantasia world. It was a girl with blond hair and had a green horse body and had a a flower in her hair.

Me: (GASP) Zinniya.

Nico: One of the Fantasia Centaurettes. I did not expect this.

Lola: Wow!

Zinniya: It's good to see you again J.D.

Me: Same here Zinniya. I can't believe this happened to you.

Zinniya: i know. But was not expecting to become one of the Undead Zodiarts.

Qin: No kidding there.

Maria: Girl Centaurs aren't uncommon.

Me: Nope. But you remember Zinniya right Nico?

Nico: I sure do but remind me just in case.

Me: I saved her from being hit by a thunderbolt from Zeus as he was playing darts with Bacchus when we were there during the Fantasia adventures during the 13 days Leading up to the War with Xehanort.

Nico: Right! I remember that!

Qin: That was crazy. But awesome.

Zinniya: Yeah it sure was.

Lola: But that was awesome though.

Me: Yeah. Are there anymore opponents with you though?

Zinniya: Yes there are. Another version of him.

She pointed to Control Freak.

Control Freak: Cool! Another version of me.

Nicole: This is gonna be interesting. Friendly or hostile?

Zinniya: Friendly. And she is awesome with video games like you Nicole.

Nicole: I got to see this.

Xenia: Yeah. Sorry we have to fight like this.

Zinniya: No worries.

She turned into Another Centaurus Undead Zodiarts and Xenia fired an arrow and it hit her and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to normal.

She was dizzy and I helped her and I caught the rouse card and Zodiarts switch and purified them and the Rouse card had a picture of the stars and symbol of Centaurus and a picture of a centaur on it.

Me: Cool.

The Zodiarts Switch turned into armbands for those marked with Centaurus the Centaur.

I brought her over.

Zinniya: (Groans) What a headache.

Varie: You'll be all right though.

Nico: One down.

Me: Yep. First time we've faced an Undead Zodiarts as a Centaurette though.

Maria: No kidding.

Then we saw a figure come out and it a dark version of Control Freak!

Qin: Whoa! Another Control Freak!

Xenia: Awesome!

Me: Cool!

Nicole: This one is more right up my ally.

Another Control Freak: (In a girls voice) I sure am.

Me: (GASP) Calico Han!

Another Control Freak: It's good to see you again J.D.

Me: You too. I had a feeling this one would fit you well.

Nic: You know her?

Me: I sure do. Calico Han is a massively awesome and great video gamer and everyone said that she was destined to become a great video gaming goddess like Nicole. She mastered many video games and beat many of them in minutes.

Nicole: Wow! She and I have so much in common. I can beat any game in minutes too.

Me: Yep. We met at a video gaming convention and she beat so many great video games in minutes and sometimes seconds.

Lana: That is so cool!

Kaito: (gets out Zi O gear) Did Swartz promise you anything?

Zocks: (gets out Zero One Gear) Because we can grant it instead.

Another Control Freak: Just to be as great and awesome as Nicole. She is my idol, hero and awesome inspiration to become the greatest.

Nicole: I'm truly honored that you want to become just like me and I am more than willing to teach you how to become a Video gaming goddess.

Lily: Just like me. I'm one of Nicole's protégés.

Nicole: I've got many students with me and I'm more than happy to help you too.

Another Control Freak: Thank you Nicole. But first help me get back to normal.

Me: You got it. Sorry we have to fight like this.

Emu: But we'll get you through this without using continues.

Kaito got a Zi-O Sword and Zocks got a Zero One Sword.

Seashell: But this is gonna be so fun!

Peach Fizz: Yeah!

Pipp Petals: Lets do it Pipsqueaks!

Nico: Yeah!

Nicole: Lets add this to the mix too.

Nicole summoned the Naraka Class Imperial Battleship from Panzer Dragoon!

Sougo: (gets out Zi O II Gear) Can you summon any video game monsters?

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Vulcan Ridewatch) No one's forcing you though.

Sougo became Zi O II while Geiz got VulcanArmor.

Another Control Freak: I've always wanted to try this.

She summoned MARC ANTONY FROM DANTE'S INFERNO!

Me: WHOA! Marc Antony!

Nicole: An awesome choice.

Another Control Freak: Thanks.

I unsheathed my sword and we clashed.

CLANG CLANG CLANG CLANG!

I kicked him back.

Me: You know for someone over 2,100 years old Marc Antony you sure pack a great wallop.

Marc Antony: I'm glad you think so J.D.

I fired a wave of energy and blasted him down.

Nico: Nice!

Qin: Yeah!

Nico: (gets out Control Freak's Ridewatch) You're not the only one who can do that!

Nico activated it and summoned KRACKO FROM KIRBY!

Nicole: Kracko from Kirby! Awesome choice!

Kracko fired waves of lightning and electrocuted Another Control Freak!

Me: Kracko has always been one of my favorite bosses from Kirby.

Nico: That was awesome though.

Qin: Yep.

Nico: (gets out Wolvertoon's Ridewatch) Now, for this!

Me: Lets make it a double date. (ACTIVATES LENA HYENA'S RIDEWATCH)

Nico activated Wolvertoon's Ridewatch and me and Nico fired waves of energy and crazy idiotic faces formed and they hit Another Control Freak and smashed her down!

Qin: That was funny and goofy!

Xenia: Yeah it sure was!

Camie: I'll say!

May: (gets out 9-Tailed Kitsune's Ridewatch) My turn!

Eli: Let me help with that too. GOING 9-TAILS!

Eli then had a red chakra aura bubble out and it had 3 tails and its power was intense!

Me: WHOA! I forgot about that. Eli has the power of the 10 Tailed Wolf and that makes him a master of all 10 Tailed Beasts.

Nico: Wow!

May: Lets do it.

May activated the Ridewatch and She and Eli fired waves of fire and energy and blasted her down.

Nico: Whoa! That was powerful!

Me: Yeah!

Eli reverted back.

Me: Nice one guys!

May: (gets out Negatron's Ridewatch) Time for some insults!

May activated it.

May: You have an ugly face that can crack a sink and I've seen uglier people worse than you!

Another Control Freak: Oh yeah? Well you look like something that cows have thrown up!

Qin: OOH HARSH!

Nico: Yikes!

May fired lightning blasts from her wings and smashed her all over.

Mw: Nice one May!

Maria: (gets out Lepidopterra Queen's Ridewatch) I'm hoping this isn't to be confused with Stinkfly's kind.

She activated it and grew beautiful blue butterfly wings and fired waves of energy from them and smashed her all over.

Qin: Whoa nice one!

Maria: (gets out King Hippo's Ridewatch) Fear the Hippo!

She activated it and turned into a HUGE STAMPEDE OF HIPPOS WITH HER WATER POWERS AND TRAMPLED ANOTHER CONTROL FREAK!

Nico: OOH! OUCH!

Xenia: YIKES!

Me: That had to hurt!

Then my geiger counter started clicking like mad and then out came Atomic Skull and his team! He had Evil Skull Man, Universe 666 Erigor, Flame Chomp, Bazooker Doomlander And Universe 666 Maleficent 1959.

Nico: Nice team, Atomic Skull!

Atomic Skull: Thanks! It's awesome.

Nico: It sure is!

Red Tornado: I believe I shall have some action.

He activated Wolvertoon's Ridewatch and fired waves of energy and smashed her down.

Laney: Nice one!

Nico: Take that!

?: Allow me to finish this.

Then a Kingler came.

Me: Whoa a Kingler.

Nico: Wow!

Qin: Yeah!

Kingler: (In a girls voice) I got this.

Nico: Connie Dennison! Wow!

Qin: Hey the Burger Master Sailor!

Kingler: (LAUGHS) That's right! Good to see you guys again. I got this.

She fired a Bubble Beam blast and it hit Another Control Freak and knocked her down and I caught the ridewatch and purified it and I went over to Calico Han and she was a girl with black hair and had a black coat and a green shirt that had video game aliens on it and had black pants.

I picked her up.

Calico Han: (Groans) What a headache.

Me: You're back to normal now.

Nico: You still put up a good fight.

Calico Han: Yeah I sure did.

Nicole: But it was awesome facing you.

Calico Han: It sure was.

Kingler: It sure was.

Red Tornado: What is your favorite memory of Nico.

Kingler: I have a lot of them. But my favorite is when I cook everyone in our entire school, Ultimeatum burgers and more.

Qin: Boy those were REALLY Tasty and delicious. But Connie made them with really awesome varieties of sauces.

Me: We'll have to taste some of them.

Kingler: You will love them. I am ready to revert back now but I'm naked.

Me: Oh boy.

Nicole: No peeking or else.

I put on my blind man glasses and snapped my fingers and the boys covered their eyes as Connie was reverting back.

Connie moaned as she saw her claws turn back into hands and started wiggling them.

She was back to normal and was naked and the Fashion Brigade gave her new blue plaid clothes and she had a sailor hat on.

Her shirt had a crab pictured on it. She got up.

Connie Dennison: (GROANS) Whoa!

Nico caught her.

Connie Dennison: Whoa. Not used to this but thanks. And man I look great.

Rarity: You most certainly do darling.

Nico: I'll say.

Connie Dennison: I need to get used to walking on 2 legs again.

Nico and Connie hugged.

Nico: I've really missed you.

Connie Dennison: Me too Nico. Me too.

Maria: You okay?

Connie Dennison: Just need to get adjusted. But yeah I'm fine.

Qin: Boy this was awesome though.

Me: It sure was.

Nico: Yeah. Lets head home.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Shanan, Fu, Emily Yumiko, Gloria Tricksenstein, Abigail Minuette, and Kita Schroedinger are heading back to Los Angeles for Day 2 of the treasure hunt, and not only is Lincoln going to rescue the seven girls here, but TLPS Mr. Snake is going to get a powerful treasure there: a powerful greatsword known as The Darkness Shadow Snake Greatsword of Quetzalcoatl.

And we're going to destroy the next villain waiting for us there: Cell from our universe, and as always Lincoln had X-Squad Cell and The Ginyu Force called in.

Lincoln: Wow, we're back in Los Angeles for Day 2 of the treasure hunt, and I know what we're going to do here, not only am I going to rescue the seven girls here, but TLPS Mr. Snake is going to get a powerful treasure there: a powerful greatsword known as The Darkness Shadow Snake Greatsword of Quetzalcoatl.

TLPS Mr. Wolf: And we're going to destroy the next villain waiting for us there: Cell from our universe. Now, that Frieza has been taken care of yesterday, he, along with King Cold, Dr. Wrecker, and Garlic Jr. are going to up the mayhem and chaos, but we're severing that mayhem and chaos one at a time.

TLPS Mr. Snake: Now, it's the turn of our universe's Cell, and he's going to pay, and since he's one of Dr. Gero's creations, won't he have any Red Ribbon grunts with him?

Lincoln: I don't know if that's a possibility, because J.D. got rid of the Red Ribbon soldiers on one of his rescues last year on his rescue when Tex Avery McWolf was kidnapping girls for J.D. to rescue for his harem. But, with that Dark Orb that Professor Marmalade embedded in Cell, he probably brought them back from the dead, and now, they're out for blood.

TLPS Mr. Wolf: All the more reason to kill them before they also cause havoc.

Lincoln: For this one, I'm going to use Cell's absorption technique on them and we'll also find out as to how Einon came back from the dead, and we'll see if Marmalade was the one who did it or if there was another outside force, and I want to thank you and your team for joining us, Shanan.

Shanan: You're welcome, Lincoln.

Nicole: It's always awesome to have another member of our family as part of the rescue. Now, let's get The Darkness Shadow Snake Greatsword of Quetzalcoatl and get after our universe's Cell.

We arrived at a yellow-colored shrine with snake statues, and we entered the shrine, and we all saw a powerful greatsword with light shining down on it: The Darkness Shadow Snake Greatsword of Quetzalcoatl, a massive greatsword with embedded yellow gems on the 7'0" massive, wide, double-edged blade, large snake heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, and four large snakes heads for the pommel.

TLPS Mr. Snake: Ooh, so that's The Darkness Shadow Snake

Greatsword of Quetzalcoatl, nice.

Suddenly, we saw White Aura Bihamut appear before us, and with it are the seven girls.

Nico: Wow, that's White Aura Bihamut.

White Aura Bihamut: (Girl's voice) That's right, and I got the girls away from Cell from our universe.

Lincoln: (Gasps) That voice, Hannah Knightley, I knew it was you, it's awesome to see you again, but we'll talk later. Let's get after our universe's Cell and make him pay.

TLPS Mr. Snake went up and grabbed The Darkness Shadow Snake Greatsword of Quetzalcoatl and we left the shrine to hunt down our universe's Cell. As we travelled, we encountered a very massive army of Red Ribbon Army grunts scattered all over the city and they were out for blood. But, Lincoln turned the tips of his eleven massive and long white wolf tails into Cell's stingers, and as he stabbed them into one group of Red Ribbon Army grunts, he began absorbing them into his body, and as we travelled through Los Angeles, Lincoln absorbed the remaining groups of Red Ribbon Army grunts into him and he gained a massive energy and power boost, and he also found out how Einon was brought back from the dead: the person who did this wasn't Professor Marmalade, but it was Shan Yu, who'd also come back from the dead wanting revenge on us. Then, as soon as Lincoln was done, he sent all of their souls to The Black Gates.

TLPS Mr. Wolf: Nice one, Lincoln. Now, to hunt down Cell from our universe and obliterate him once and for all.

Lincoln: Yeah. Plus, I also found out who brought Einon back from the dead: it wasn't Marmalade as many of us would like to believe. No, the person who brought him back was our old enemy, Shan Yu, the leader of the Hun Army, and he's come back from the dead wanting revenge on us.

We gasped.

Sora: Shan Yu really crossed the line this time. When he makes his move, he's going to die horribly.

Lincoln: Big time, after what he's done, he and the Hun army don't deserve to live a single second further.

Suddenly, we sensed a massive energy signal heading straight for us, and we all knew who it was: it was Cell from our universe and he was heading right for us, and he was pissed.

TLPS Mr. Wolf: Right on time, Cell.

Then, TLPS Mr. Wolf snapped his fingers, and we took the battle to Glaren, so that no one would get hurt by Cell.

Me and Nico: Cell.

TLPS Mr. Snake: I should've known you'd be the next to show us. Plus, that was a big mistake bringing back that massive army of Red Ribbon grunts to come after us.

Cell (TLPS): We'll see how long that big mouth of yours lasts when I destroy every last one of you, along with the entire Earth!

Suddenly, something within TLPS Mr. Snake's mind snapped as memories of what Cell had done had rushed through his head, and his yellow eyes turned neon yellow and he was surrounded by a rainbow energy aura with snakes, shadows and darkness, he unholstered his massive Quetzalcoatl's Dark Sword of The Shadow Snake from his back, and as he approached Cell, he left rainbow energy, snakes, shadows, and darkness with every slither.

TLPS Mr. Snake: I will never ever forgive you for everything that you'd done over the years, Cell, you callously took the lives of so many innocent people in your rampage to achieve your Perfect Form, and on top of that, you had an utter disregard for life. (SUDDENLY GETTING EXTREMELY AND REALLY PISSED OFF) Everything that you did and all for the revenge of that psychopathic mad scientist, Dr. Gero… , YOU'VE CROSSED ONE DAMN LINE TOO MANY, YOU WORTHLESS, EVIL, SADISTIC MONSTER, AND FOR ALL THOSE LIVES THAT YOU'VE TAKEN OVER THE

YEARS, I WILL MAKE YOU SUFFER ALL OF THE CONSEQUENCES FOR EVERY LAST ONE OF YOUR BLOODSTAINED MISDEEDS IN FULL BEFORE I PUT A PERMANENT END TO YOUR WORTHLESS MISERABLE LIFE!

We gasped at the sheer and unimaginable extent of TLPS Mr. Snake's rage: payback and retribution was now coming fast for Cell.

Nico: Tell me that I didn't just hear what I think I heard?!

Me: We all heard it, his rage has been unleashed.

TLPS Mr. Wolf: And that rage has now been aimed right at Cell for everything that he's done in the past. STAND YOUR GROUND, GUYS! HE'S GOING TO BLOW!

We stood our ground as TLPS Mr. Snake screamed like a madman and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion erupted out of him and he was suddenly surrounded by a massive vortex of rainbow energy with shadows and darkness surrounding it, there's a pack of snakes running around the vortex, and in the vortex is a yellow phoenix. Then, as the vortex faded, TLPS Mr. Snake emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

We were amazed by TLPS Mr. Snake's Super Angel-Snake-Harmony Celestial Eternal Xelnaga transformation, but when Cell from our universe saw it, he tried to fire a Death Beam at him to kill him, but TLPS Mr. Snake fired a powerful rainbow energy blast with darkness, shadows, dark fire, and snakes at Cell, and it exploded with incredible power as it hits him, and it removed The Dark Orb, which Lincoln sent to The Warp, Cell got up, but now, he was beyond enraged.

TLPS Mr. Snake: (Divine Echoing Cosmic Voice of The Aztec Shadow Darkness Feathered Serpent and Divine Aztec Shadow Snake Justice) Don't you dare glare at me like that, Cell, you've had this coming for a very long time! Now, it's time for you to pay!

TLPS Mr. Snake went after Cell, who tried to blast him with more Death Beams, but he deflected all of them, and he fired powerful blasts of rainbow energy, shadows, darkness, dark fire, and snakes at our universe's Cell, and they exploded with incredible power as they hit him, and he also attacked our universe's Cell with his massive greatsword, leaving scars and spilling his blood all over the planet.

Nico: He's really tearing Cell to shreds!

Lincoln: We shouldn't be left out though, come on, gang, let's give TLPS Mr. Snake a hand and tear our universe's Cell down for good.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf unholstered his massive Fenrir's Nordic Lunar Eternal Full Moon Wolf Greatsword of Lunar Moon Justice from his wider and muscular back and transformed into Super Angel-Wolf-Harmony Celestial Eternal Xelnaga Nordic Midnight Moonlight Firestorm Wolf Moon Angel of Divine Nordic Lunar Wolf Moon Justice and Divine Nordic Wolf Moon Life, the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Shanan and her team, X-Squad Cell, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Cell, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, TLPS Mr. Snake broke TLPS Cell's left arm with a brutal kick and he then sent him flying with another, and that allowed Lincoln to have him chained with red energy chains and a magic circle that appeared under his feet, and he charged out, and with his massive greatsword, he violently slashed and cut down Cell, and he fired a massive black energy blast which completely obliterated him and nothing was left, and because it had the energy of The Black Gates, TLPS Cell was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down, and TLPS Mr. Snake's new body, clothes, weapons, jewelry, Third Eye, and massive yellow angel wings are permanent, and we were also back on Earth.

TLPS Mr. Snake: Good riddance, you heartless thrill-seeking monster, and don't you dare come back.

Lincoln: The Black Gates made sure of that, TLPS Mr. Snake, and now, we've finally got rid of another part of Dr. Gero's maniacal revenge. (To Hannah Knightley) And it's so good to see you again, Hannah Knightley.

Hannah Knightley reverted back to normal, and she was a beautiful girl with long flowing white hair and aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has Bahamut emblazoned on her forehead, massive and beautiful white angel wings, and a white aura as she reigned in the power of White Aura Bihamut and she was dressed in an sleeveless aqua blue open blouse, sleeveless aqua blue midriff top, aqua blue shorts, aqua blue sneakers, and long white sleeveless trenchcoat with ocean waves and dragons and on the back is White Aura Bihamut, and holstered on her back is a White Aura Bihamut-themed greatsword with White Aura Bihamut etched on the 7'0" massive, wide, double-edged aqua blue blade, white dragon heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large white dragon heads with blue gems for eyes and a large aqua blue gem below the white dragons for the pommel.

Hannah Knightley: You too, Lincoln, it's been a long time.

Lincoln went up to Hannah Knightley and he hugged her, and Hannah Knightley is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Hannah Knightley: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Hannah Knightley, she's my Guardian Angel from Michigan and classmate in Biology, but she's also an expert swimmer and an expert on identifying the different types of marine life and she has knows a lot about the marine ecosystem. She and I would spend time in the ocean learning much about the different marine life that live in the ocean, and we also would do their part to keep the oceans clean of any litter that people carelessly throw into the ocean as it's dangerous to the marine life.

Me: Wow, that's really awesome, you guys are both learning about the marine ecosystem and marine life while cleaning up the trash that people carelessly throw into the ocean.

Lincoln: That's right, and this one time, while observing the marine life, she and I kissed underwater, and she hates Lori with a burning passion.

TLPS Mr. Wolf: Oh no, what did she do?

Hannah Knightley: You're not going to like hearing it. (To Lincoln) And Lincoln, there's something I want to give you, I wish to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Hannah, are you absolutely sure about this?

Hannah Knightley: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Hannah Knightley, and he saw that she's really serious, and he smiled as he walks over to Hannah Knightley, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Hannah Knightley's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Hannah Knightley's neck with aqua blue gems on the gold lightning bolts and white crystal links from her merged Crystal Necklaces of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Hannah Knightley: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Hannah.

Hannah Knightley had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Rafinha Bilford, Inclis Eucus, Ripple, Sistia Rouge, Eris, Liselotte Arcia, and Leone Olfa from Reborn to Master the Blade: From Hero-King to Extraordinary Squire.

Lincoln: Oh wow, it's Rafinha Bilford, Inclis Eucus, Ripple, Sistia Rouge, Eris, Liselotte Arcia, and Leone Olfa from Reborn to Master the Blade: From Hero-King to Extraordinary Squire.

Nicole: Awesome.

Lincoln: Are you girls okay?

Rafinha Bilford: Yes, we're okay, thanks to you.

Then, when Rafinha Bilford and the other six girls saw who it was that saved them from Cell, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke

Rafinha Bilford: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Rafinha Bilford: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rafinha Bilford, Inclis Eucus, Ripple, Sistia Rouge, Eris, Liselotte Arcia, and Leone Olfa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told them that TLPS Mr. Snake had gotten The Darkness Shadow Snake Greatsword of Quetzalcoatl, and they were shocked when they found out the villain we went after was Cell from our universe.

But, when Lincoln showed what happened such as TLPS Mr. Snake transforming into his Super Angel-Snake-Harmony Celestial Eternal Xelnaga form and he and all of us laying a brutal beatdown on him and Lincoln finishing Cell off by violently slashing all over the place and firing a massive black energy blast which obliterated and sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Hannah Knightley have a lot of catching up to do, now that she's back in town, and we got rid of Cell from our universe for good, and he's never coming back.

Maria: Two down, three to go.

Lincoln: Yep, and there's no doubt the next villain waiting for us tomorrow is King Cold, who'll be wanting revenge for what we did to Frieza.

Trunks: But, he'll be completely blinded by anger and revenge, which'll be the perfect opportunity to strike him down for good.

TLPS Mr. Wolf: Not after one of my crew beats him down first, and we all join in.

Nico: That's right, and after everything King Cold has done, he deserves the cruelest and painful death for his crimes.

Lincoln: If he also has his men with him, all I have to do is use their greedy desires against them by granting them their wish, and I collect their souls. (Takes out his Stone of The Sacred Fire)

Eli: Using their own greedy desires against them, now that's what I call a strategic move.

Vegeta: And once they've made their wish and their desires turn into their worst nightmares, Lincoln will then collect their souls, just like what he did to Einon's men in Loch Loud.

Duke Lincoln: (Scottish Accent) Aye, and after he absorbs their energy, it's off to The Black Gates.

Me: Yep.

Nico: I'm hoping Lincoln uses their greedy desires against them, and he turns them into their worst nightmares.

Lincoln: That'll happen tomorrow, Nico, we just be patient, and that opportunity will arrive.

---

After finally getting rid of Cell from our universe and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Hannah Knightley saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Hannah Knightley: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hannah, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hannah Knightley: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Hannah, why did you hate Lori with a burning passion?

Hannah Knightley: You're not going to like it one bit. One day, as

Lincoln and I were underwater, we were doing an observation of some of the sea life there in Lake Huron. But, then, we saw trash being callously dumped into the ocean, and we rushed in and cleaned it all up. We got out of the water to see Lori callously dumping trash into the ocean and she was laughing cruelly at us, the cold-hearted bitch. I'd had enough of Lori, and the same went with Lincoln, we fired blasts of water at her, and it messed up her make-up, and she absolutely lost it big time and threatened to turn us into human pretzels, but before she could attack me, Lincoln grabbed Lori by her shirt and slammed her onto the sand. I was really stunned with awe at how quick Lincoln was to save me and I was blushing madly at how dominant he was when he slammed Lori into the sand. After I recovered from the display from Lincoln, we tied Lori up with neon energy ropes Lincoln fired from his massive white angel wings, and he called his parents, who came to Lake Huron. Lincoln told everyone of what Lori did, and they were extremely furious at her, in the end, Lori got her gassy butt grounded for fifteen weeks, and she had to spend all that time in cleaning up all of the trash she callously dumped into Lake Huron. And I also kissed Lincoln and he returned it, and Lori watched in anger.

We cheered.

Eli: Wow, you guys really saved all that marine life and the oceans from Lori's heartless act.

Nico: Yeah, you guys made Lake Huron safer, and when you and Lincoln kissed and right in front of Lori, I can guess she was pissed off big time.

Me: You bet she was, but I made sure she didn't do anything else to Lincoln or his Guardian Angels, or she was going to be in a ton of trouble even worse than she was in at that time.

Lincoln: Lori's stunt crossed a line for those who care about the environment, mainly my Guardian Angels who have the powers of water, and they swore if Lori did that again, they were going to kick her butt hard.

We got a shower afterwards, and then, Lincoln, Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil

Neapolitan, Alix Kubdel, and Aurore Beauréal are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal each have feelings for Lincoln, and he also had feelings for them as well, plus, he saved them when Flip broke out to kill them for revenge again, but Lincoln saved them, and he smashed that stupid mutant cheapskate into the dirt before he tied him up again.

Rosalina: So, our date's here at Sirena Beach, where another of Mario's journey took place.

Lincoln: Yeah, and it's perfect for our first date, Rosalina. Shall we?

Lincoln, Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made eight clones of himself and he and his clones went up to Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal and they hugged the girls in their abnormally massive and powerful muscular arms and Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rosalina, Alya Césaire, Zoé Lee, Vivica, Fei Wu, Jessica Keynes, Masters of Evil Neapolitan, Alix Kubdel, and Aurore Beauréal with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Marinette: And I'm so glad you, Zoe, Vivica, Fei Wu, Jessica, Alix, and Aurore are also now part of Lincoln's harem, Alya.

Alya Césaire: Thanks, Marinette, and the same went with Neapolitan who's in The Masters of Evil and Rosalina.

Jessica Haynes: And Lincoln saved us from Flip, that mutant just doesn't know when to quit.

Lincoln: He knows I'll kick his three-cheeked butt the next time he does that again.

Nico: He's too stupid to realize that, Lincoln. I think you should hit him on the head with a baseball bat.

Lynn: Preferably a wooden baseball bat, and I got plenty of them, in case you need one, Lincoln.

Lincoln: Thanks, Lynn.

At a new bakery we were looking and trying numerous new and awesome delicious desserts and treats.

Gulper: Aww. There's no soda in a bakery!

Nico: I know but look at all this.

Laney: (Eating some delicious blueberry pie) Delicious pie.

Hector Con Carne: Glad you like not just my pies but all our delicious foods.

Baker Smurf: It sure is awesome and delicious too.

Leni: It's all totes amazing.

Camie: (Eating Banana Cream Pie) Yummy.

Hector Con Carne: Wait, what? Boskov, those are for the customers!

He was eating some honey cakes.

Me: Oh let him have a little snack.

Qin: Yeah even villains have to eat.

Hector Con Carne: That's true.

Lola: Also it's all delicious.

Hector's Stomach: Honey is always good.

Flurry Heart: It sure is. I'm so sorry that your body was blown up like that.

Hector Con Carne: Oh thank you Flurry Heart.

Slugfest: How about we get some of these?

Nico: Good idea.

We got lots of cakes and honey cakes.

Nico: Boy they are so good.

Xenia: They sure are.

Rarity: But these cakes are all simply amazing darlings.

Moonracer: Who's gonna carry all these?

Me: I got this.

I used my octopus tentacles and tails to do it and they were carrying all the bags of treats and more.

Me: When you have this many tails and arms you don't need to carry all the bags all by yourself with just two arms.

Nico: Very clever.

Moonracer: That os clever.

Lola: It sure is.

Hector Con Carne: Thanks again guys. Have a good happy new year.

Me: You too Hector. By Boskov.

Boskov: (Roars to say good bye)

We arrived back at the estate.

Me: Man that was fun.

Lola: It sure was.

I put the treats on the table and we put them away.

I sat down.

Me: Lets see what's on TV.

I turned it on and so far there was nothing.

Me: Hmm.

Then I suddenly started sweating hard.

Me: WHEW! Man is it hot in here.

Nico: Huh? It's not that hot.

Me: Well then how come I am sweating so hard?

Eli: (GASP) I think it's because of her.

I looked and saw CAROL AND SHE WAS MADE OF PURE LAVA!

Lava Carol: Hello.

Me: (GASP) Carol!?

Carol Pusateri: Whoa is that me!?

Me: Wait a second. You're from the L-Ementals universe but you are made of pure lava.

Lava Carol: I know. But it's not just me.

Ink Stella: Yeah but I stain everything I touch.

Me: We'll fix that.

Eddy: It took the rest of you guys this long to show up?

Lava Carol: We couldn't find where everyone was.

Rust Margo: Yeah sorry about that.

Vypra then appeared.

Vypra: I see you guys met more L-Emental members. Also their enemies the Hell-Ementals are now in the M.O.E.

Nico: Boy no kidding.

Lisa Loud: This is a very interesting development too.

Vypra: Don't worry. We'll keep them under close watch but we'll find good archenemies for them.

Me: Okay then.

Maria: What about that version of Taylor?

Vypra: That version is a bully but we have her under our watch.

Taylor: Me being made of blood sounds scary.

Me: Yeah. But this will be interesting to see.

Camie: No kidding.

Rust Margo: I know.

Poison Ronnie Anne: Yeah it sure will be awesome helping you guys out though.

Bridget Branley: Welcome to the Elemental Force Brigade.

Twilight Sparkle: The Pillars of Equestria are perfect for teams Nico.

Pipp Petals: O.M. Glitter! My Pipsqueaks are going to be perfect for a team.

Seashell: YEAH! This is gonna be so fun!

Glory: It sure is! I'm so excited!

Peach Fizz: Me too!

Rockhoof: (Scottish Accent) I'm really excited about all this.

Somnambula: (Egyptian Accent) I am looking forward to this too.

Me: And I'm happy for you too Master Goku.

Goku: Thanks J.D.

Nico: You'll do great in Haiku's team Kakarot.

Then the previous group came.

Box Ghost: Can me, Melter, Mole Man, LaGrange, Pinky & The Brain, Onyx, Jet, Box Ghost, Trickster, Magneto, Cluemaster,

Superfriends Scarecrow: Me, Yost Viper, Peg Lep Pete, Live Action Thrust, Copper Cranium, Brutus, Walter Wolf, Katty Kattswell, Libra Zodiarts, and Bradford Buzzard will come too.

Pinky: Did you save some cake for us?

Me: Plenty.

CLANG!

A huge anvil hit Walter Wolf on his head.

Walter Wolf: (Stupid Talk) Who loves a stupid guy?

Slappy Squirrel: Funny.

Nico: And yes you all can come with us.

Box Ghost: Cool!

Kitten: Nico, which Gene Slammer do you think you'll meet next?

Nico: Electrode next.

Qin: Ooh a shocking one.

Xenia: Yeah.

Me: That will be a shocker.

Luan: One that SHOCKS you to the core! (LAUGHS TO RIMSHOT)

We laughed at her joke.

Eddy: (LAUGHS) That was a good one!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Shan Yu, leader of the Huns, and he's come back from the dead to get revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit: the dark energy signal that we just sensed belongs to our old enemy, Shan Yu, leader of the Huns, and he's come back from the dead to get revenge on us.

Maria: Shan Yu's returned. Wait, didn't you guys say that you also found out who it was that brought Einon back from the dead?

Nico: We did, Lincoln absorbed the Red Ribbon grunts in Los Angeles, and he found out that the one who brought Einon back from the dead two days ago wasn't Marmalade as much as we wanted to believe. It was Shan Yu, who also came back from the dead two days ago.

Mulan: That monster.

Mushu: Oh, I'll set off more fireworks on that good-for-nothing Hun, and torch him until he's nothing but ash!

Anna Cameron: No, Mushu, there's only one punishment for him: The Black Gates, that's the one and only punishment for his attempts to pillage and conquer China.

Lincoln: That's right, and we defeated Shan Yu once, we can do so again, this time however, we'll make absolutely sure there's no chance of him ever returning from the dead again.

Nico: Shan Yu has caused enough suffering for the last time, and now, his fate will forever be sealed. Alright, gang, let's go, we got word that another old enemy of The Kids Next Door is causing trouble, and it's linked to The Delightful Children From Down The Lane.

Lincoln: A contingency plan in case those Delightful Dorks have been defeated?! Whatever they have unleashed, it needs to be stopped, and once we get through with that, you're next, Shan Yu, and this time, we're going to make sure you never rise again.

Melter: Let's get going.

Yost Viper: Right behind you.

Me: And I know where we're going too.

I put a blindfold on Nico and May.

Me: Trust me guys. This will be fun and a great surprise.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Me: Team Loud Phoenix Storm Log, Stardate 7199.2: The U.S.S. Valorous Phoenix is en route to a planet we went to before for one of our races and we are going to battle an enemy that the Delightful Children have brought back as a contingency plan. Our mission is to destroy it.

Nico: So where are we going? The Apple Cider planet?

Me: Nope.

May: The Cookie planet?

Me: Nope. Try again.

Nico: The pie planet?

Me: Even better. You'll see when we get there.

Sabrina: You know what? I'm not gonna spoil it.

Me: Yep.

Qin: This is gonna be awesome guys.

Lisa Loud: We have arrived at our destination.

Me: On screen.

We arrived at the planet and it was the cake planet.

We got to landing and we landed and got out.

Nico: So are we here?

Me: Yep.

I took off their blindfolds.

Me: TADAH! Welcome to the cake planet guys!

LaGrange: You two were absent when we had the race here.

Live Action Thrust: This time, you're not missing out.

Me: Yep.

Nico: CAKE! CAKE CAKE CAKE CAKE CAKE CAKE CAKE CAKE CAKE!

May: GIMME SOME AWESOME CAKE!

They went into a cookies and cream cake mountain and ate it.

Pounce: There's butter cake here as well.

Me: Many more kinds of cakes!

Qin: Let them eat what they like.

Nico and May were eating the cakes all over like pigs.

May: (EATING VANILLA CARAMEL CAKE) LOVE A GOOD CAKE!

Brutus: We're not gonna let them hog all of it, will we?

Onyx: No, we won't!

Me: Go for it guys! Plenty for everyone.

We ate and ate and ate and ate and ate and ate.

Mary had her aura flared up explosively from the cake.

Mary Knudson: Ahh! So good!

Slugfest: These are so good!

Me: (eating Banana Cake) Mmm! Yep.

Lola: Last time we were here Nico got sick and had to watch us race.

Nico: (Eating cake) I know. What rotten luck there.

May: But it was a good time in bed for me and Nico.

Lola: Yeah but it was still a good fun race.

Xenia: It sure was.

Pinkie Pie: It was the best race ever!

Magneto: You ARE aware you could've snapped Nico back to full health, correct?

Libra Zodiarts: That way, he wouldn't have missed anything.

Me: Guys there's nothing that can be done when it comes to being sick except let the virus run its course.

Nico: He's right on that. No cure for the common cold.

Me: Besides Nico was cured with May's love.

Lori: That was so awesome.

Lola: Yeah.

May: It sure was awesome.

Me: Like Common Cold said, there is no cure for the common cold.

Hotlink: Although you two do have a point.

Nico: Yeah.

Libra Zodiarts: Just saying.

Me: I know. I should have thought of that sooner. I just forgot about it.

Xenia: No worries.

Lola: Yeah.

Me: But cut me some slack. I'm only human.

Cluemaster: Wait look here.

Bradford Buzzard: What is it, Cluemaster?

Cluemaster: I see some weird footprints on the ground.

We saw that they looked like scorch mark footprints.

Me: Scorch mark footprints.

Nico: Weird.

King Kai: (Telepathically to Nico and us) Nico, Everyone can you hear me!?

Nico: King Kai, yes we hear you. Is something wrong?

King Kai: I'm afraid I have really bad news for you guys. Your old enemy Father is back!

We gasped!

Nico: Are you serious King Kai!?

King Kai: I sure am and this time he has the Pound Cake with him. He kidnapped numerous kids from Sector V for a birthday and is going to feed them to that Pound Cake that the Kids

Next Door beat before.

We gasped!

Laney: Not him again!

Camie: Who is Father?

Me: You would hate this guy to the core Camie. He is a genocidal monster that wants to wipe out all the kids in the world so adults can rule. But he is also going to exterminate the entire human race.

I went over his history.

---

Benedict "Father" Wigglestein is the archnemesis of the KND and the main antagonist of the series. His ultimate goal is to destroy the Kids Next Door so that adults can rule the world unopposed.

Father resides at the Delightful Mansion From Down The Lane with his brainwashed children, the Delightful Children From Down the Lane. Father usually sends other villains to carry out his work and rarely attacks the KND himself, and is thus much less often seen than the Delightful Children, though he appears in a few episodes without the Delightful Children appearing. He was first seen in Operation: G.R.O.W.-U.P., the Season 1 finale and the first 30 minute episode of the series.

It is revealed in Operation: Z.E.R.O. that Father's true identity is Benedict (also called Ben for short), the brother of Monty Uno and thus the uncle of Numbuh 1.

As a child in Great Britain, Benedict was terrified of his own father, being extremely obedient despite his dislike for the man. When Monty Uno decided to rebel against Grandfather, Benedict insisted that they would stand no chance against him, and, as a result of his cowardice, he did not join Monty in the uprising, which ultimately did prove successful.

Sometime between this incident and the present day of the series, Benedict took up his father's mantle as the king of evil and ultimate oppressor of children, became a demonic being similar to Grandfather, and vowed to destroy the Kids Next Door. He also moved to the United States.

## Ultimate Evil

At one point, Father used the Delightfulization Chamber, a device designed to turn any kid into a mindlessly obedient and perfectly behaved child (most likely as a precaution for what happened between Monty and Grandfather, from happening to him). The first working Delightfulization Chamber was used on Sector Z. During the Delightfulization Process, the machine blew a fuse for reasons unknown, caused it to explode, and amplified its effects "eleventy billion-fold", which created the Delightful Children From Down The Lane, who from then on, would be Father's "children" and most powerful allies.

Other notable minions of Father include the Ice Cream Men, Six-Gum Gang and the Teen Ninjas, including his apprentice, Cree Lincoln and his captain, Chad Dickson. Father does not directly control the majority of the KND's rogues gallery, but frequently employs the services of other villains who, while otherwise operating independently, are readily willing to serve him.

Even the Delightful Children frequently appear without Father. Father is occasionally seen attending the villain meetings of Mr. Boss, who regularly functions as a leader of the series' lesser villains or as a second-in-command. In *Operation: C.A.K.E.D.-F.O.U.R.* and the comic story *Operation: H.I.S.T.O.R.I.E.*, Father is said to be the head of a company called "Evil Adult Industries Inc."

It is also implied that Father employs several children similar to the DCFDTL throughout the world, as shown in the Interesting Twins From Beneath the Mountain and Rowdy Hooligans From Across the Square.

## Battling the Kids Next Door

Father is mentioned for the first time by name only in *Operation: C.A.N.N.O.N.*

Father was first encountered by Sector V in *Operation: G.R.O.W.-U.P.*, in which he admonishes the DCFDTL for their repeated failures against the KND. He allows his children to use the "Really Really Incredibly Destructive Machine" to destroy the Sector V Treehouse; in the process, the Delightful Children also manage to transform Numbuh 1 into an adult with the Age Cigar. The remaining members of Sector V infiltrate the Delightful Mansion From Down The Lane to retrieve the cigar, with Numbuh 1 (now "Mr. Uno" the ice cream man) joining them to defeat the Delightful Children.

Sarcastically applauding Uno's success at defeating "a bunch of children," Father attacked with his fire powers, but Sector V was able to triumph by covering him with all the ice cream in Mr. Uno's truck. As Numbuh 1 de-aged himself back to his old self and escaped with his team, Father could only lie on the floor, weakly ordering the DCFDTL to get his sweater.

His second major appearance was in *Operation: G.R.A.D.U.A.T.E.S.*, the culmination of a story arc consisting of several loosely-related episodes. Here, he activates a device which creates a rapidly-expanding energy field that turns all KND operatives caught in it into animals. However, the field's reliance on the KND Code Module for its targets backfires when Tommy Gilligan decommissions himself, gaining immunity to the energy field. He proceeds to upload the DNA of the DCFDTL - and Father himself - into the KND Code Module, making them viable targets for their own weapon. Transformed into a panther, Father was locked in his own mansion's cages, allowing Tommy to free his trapped comrades and destroy the device producing the energy field. With the energy field gone, Father returned to normal, but the KND were long gone by the time he escaped his own prison.

Although Tommy's actions defeated him at the time, Father's failed scheme would bear surprising fruit in *Operation: I.T.* With his DNA in the Code Module, he was technically a KND operative; thus, he was able to infiltrate their Moon Base. Coincidentally, he arrived during the annual competition for leadership (a worldwide game of Tag, since nobody actually wanted the job), and Numbuh 2 was using the Code Module to track his fellow operatives. Currently "It", with ten seconds left to get rid of the status, Numbuh 2 threw open a door and blindly tagged the person behind it - unfortunately for him, Father was that person. As the villain gloated, the clock struck noon, officially making Father the Supreme Leader of the KND.

Convening the irate Operatives in the KND Super Convention Center, Father explained how his DNA was loaded into the Code Module by Tommy, thereby making him a member despite his age and decidedly anti-kid sympathies. Numbuh 86 and her team attempted to decommission him on the spot, but Father invented a new rule on the spot that prevented her from doing so. After the Decommissioning Squad stood down, Father claimed that he had turned over a new leaf; thus, he declared his intent to destroy all broccoli in the world. This action won most of the Operatives' trust, allowing him to dismiss them to their treehouses with minimal resistance. However, it was a ploy to put his foes in the way of his real aim: by infecting the KND Treehouse Central Root System with a "patent pending broccoli virus", Father planned to transform all treehouses into broccoli farms, thereby weakening the KND Operatives and providing enough broccoli to feed every kid in the world.

Numbuh 1 and Numbuh 362 attempted to trick Father into making them Supreme Leader - by complimenting him and offering advice on being Supreme Leader, respectively - but the villain was not fooled, that is, until he bragged about how he was carelessly tagged by Numbuh 2 and demonstrated on Numbuh 362, at which point 362 panicked and tagged the DCFDTL, who then panicked and tagged Father again, but in the process successfully started another game of tag. Father then created an army of clones to attack and confuse them until his status became permanent at noon.

However, his statement that *no one* liked broccoli proved to be his undoing: no happier about Father's plan than the KND, the Delightful Children returned the Code Module to the Operatives, who used it to track the real Father and eliminate his clones. For his last defense, Father attempted to protect himself with a solid wall of broccoli, only for Numbuh 362 to heroically chew through the mass, pin down Father, and threaten him with a piece of broccoli unless he relinquished his authority by tagging her. After Father and the Delightful Children were removed from the base, their DNA was extracted from the Code Module to prevent a repeat of the incident.

## Grandfather Reborn

As the secondary antagonist in *Operation: Z.E.R.O.*, Father employs the help of nearly every villain in the universe and organizes a massive attack on the Kids Next Door Seriously Cool Museum of Artifacts and Stuff, which appears to be a diversion for Stickybeard's armada to attack the Moon Base. However, the museum is Father's true target; more specifically, the seemingly-broken Recommissioning Module.

Back at the Convention Center, Father reveals that the Module is actually fully functional (having been repaired by Numbuh 86 to restore the memories of Sector V in the aftermath of *Operation: E.N.D.* ), but requires the DNA of a current KND Operative to activate. Fortunately, Numbuh 1 arrives to reclaim the device, allowing Father to extract one of his boogers after Cree immobilizes

him. As another Teen Ninja traps the rest of Sector V, Father taunts Numbuh 1 with the fact that he was counting on his attempt to retrieve the module, gleefully declaring that his failure will spell the end of the Kids Next Door.

With the Recommissioning Module activated, Father uses it to restore the Grandfather's memories, intending to rule the world alongside him. Instead, Grandfather calls his son a failure and orders him to leave, correctly pointing out that Father only restored him because he couldn't beat the KND himself. Dejected, Father tosses the Recommissioning Module in the trash and heads back home to wallow in self-loathing. Consequently, he is not transformed into a Senior Citizombie, and his home becomes one of the only places in the world left unchanged by Grandfather's powers.

Towards the end of the movie, the newly-reawakened Numbuh 0 goes to his brother for help and offers him a second chance to stand up to their father alongside him. Father ultimately accepts the offer, and during the confrontation with Grandfather, goes into a violent rage against his abusive father, only to immediately and abruptly abandon the fight due to a lack of willpower, saying that he no longer cares about anyone or anything else in the world at this point. At the end of the film, after the Kids Next Door Moonbase is launched at Grandfather, Father is seen in the kitchen of his partially-destroyed mansion. Looking over his shoulder at the carnage, the villain declares that he hates everyone, before returning his attention to his table.

## Later Confrontations

In *Operation: M.U.N.C.H.I.E.S.*, Father appears as one of the many villains shopping at the Supervillains Supermarket & Deli. He is the first character to claim the last box of Rainbow Munchies, only to be interrupted by Mr. Boss, Count Spankulot, and Sector V in rapid succession. This leads to a massive free-for-all as everyone in the store scrambles to buy the cereal, with Father being taken out early on when the kids trap him in a barbecue. However, Father frees himself in time to cut off the kids' escape, incinerating their ship (stolen from Stickybeard). After being briefly distracted by a sea of popcorn - popped by proximity to his flames - Father demanded the cereal from Numbuh 5, only to realize that Knightbrace had purchased it in the confusion. He insisted that Knightbrace share the Rainbow Munchies with him, only to learn that the dental-themed fiend actually planned to destroy the cereal. Infuriated at this callous disregard for Rainbow Munchies, Father formed a brief truce with Sector V and the other villains in order to beat up Knightbrace; afterwards, he was seen contentedly eating a bowl of Rainbow Munchies with the other characters.

Father was also involved in some of the later and more elaborate " *C.A.K.E.D.* " episodes, namely *Operation: C.A.K.E.D.-F.O.U.R.* and *Operation: C.A.K.E.D.-F.I.V.E.* . In the latter, his ancestors, the Annoyingly Cute Triplets Who Lived Upon the Hill and their mother, who is Father's great-grandmother, are mentioned.

In *Operation: I.N.T.E.R.V.I.E.W.S.* (the series finale), Father turns into a Dragon after losing his pipe during the episode's climax. At the end of the story, it is revealed that he is the person interviewing the now-grown up members of Sector V in the present day, but it's revealed that Numbuhs 2 thru 5 had simply tricked Father into thinking that Numbuh 1 was still off in outer space somewhere as part of the Galactic KND, because through a phone call between Numbuhs 5 and 1 reveals that by this point, Numbuh 1 (now an adult) has returned to Earth, and was implied to be waiting for his old teammates on the KND-Moonbase. The whole setup was done most likely to get rid of Father by having go into space after his nephew to finally get revenge and retrieve his missing pipe after all these years.

When I was done everyone was shocked!

Camie: He's a monster!

Jared: I have HAD IT!

Nico: I've had enough of that monster to last an eternity!

Eli: Me too!

Jared: You guys take down the Pound Cake and I will face Father.

It's time I give that monster what for and make sure he never returns again.

Luxord: (shows holodisc) I also found this on the ground.

Luxord activated the holodisc, revealing Father's hologram.

Father: (smugly) Hey there, Team Loud Phoenix Storm. If you're watching this, that means I'm probably dead thanks to you jerks. If that IS the case, you also probably stumbled onto my last plot against you brats. I always liked how my Delightful Children made that cake monster so terrifying. So, I thought for this last plot, I could use it against you all. (me and Lincoln growl as the rest of us back away slowly) The icing on the cake, pun intended of course, is that you can't use your transformations against it or you'll risk hurting the kids being held hostage. The joke's on you, suckers. Looks like I get the last laugh after all! (laughs evilly)

Luxord: (to me and Lincoln) I hope you'll let me put down the holodisc before you two destroy it.

Katty Katswell: That doesn't make any sense. Father isn't dead at the moment. King Kai says that he's alive right now.

Trickster: Maybe he was trying to fool us.

Me: That's exactly what it is.

Lincoln: (sighs) If we don't stop Father and the Cake Monster, those kids are toast. But we'll end up harming them if we power up against it.

Numbuh 4: Why don't we teleport the battle near the Treehouse? We stopped the cake monster once with our 2x4 Technology. We can do it again!

Lincoln: (sarcastically) Good idea, Wally. Yeah, let's take the battle there so MORE INNOCENTS CAN BE CAUGHT IN THE CROSSFIRE! (smacks him on the head) Idiot!

Numbuh 4: That was kinda harsh.

Me: But Lincoln is right. We can't do that.

Lincoln: Kuki, any ideas?

Numbuh 3: How about taking the battle to Rainbow Monkey Island? I know lots of Rainbow Monkeys that can help us there!

Me: Uhh no.

Nico: But Father is not going to give up that easily.

Me: I hate that guy. And he is a big fat liar.

Jared: Leave this to me.

Jared teleported all the kids away from the area they were held hostage out.

Jared: Nice try Father. Come on guys! It's time to make that honorless monster pay!

Nico: What did you?

Jared: I replaced all the kids bodies with sacks of potatoes and put illusions on them to make them look like kids.

Nico: Nice Jared.

Guyhawk: Let's use parts of those ideas. Wally, you and the others go get the gear you used last time against the Cake Monster. But we're not going to Rainbow Monkey Island. The inhabitants of Rainbow Monkey Island are coming to us.

Me: Wait. Nigel how did you guys defeat this cake monster before?

Numbuh 1: Well it wasn't all of us that did it. It was Lizzie.

He told us about it.

---

Pound Cake is a minor antagonist in Kids Next Door. It is a gigantic monstrous cake created by the Delightful Children From Down the

Lane to fight against Sector V of the KND (Kids Next Door).

Pound Cake is giant towering five-tiered cake resembling somewhat a scorpion with visible black eyes with red pupils and also shown to have a mouth, it is covered with white icing while it's eyebrows and teeth are made of light purple icing. It has two-pair of pincers which are actually two cakes with missing slices, while it's body is support with a pink table which functions as it's legs. It also has three candles on ease side and a flaming candle on top of it's tower which acts as a tail.

In the episode "Operation: C.A.K.E.D.-T.W.O.", the Pound Cake was created by the Delightful Children From Down the Lane to destroy the Kids Next Door, namely Sector V. When they had invited other kids to come to the stadium to watch them eat their cake for themselves to spite other kids in the stadium for not getting a slice. However, Sector V finally found the stadium and confront the Delightful Children From the Lane to make sure everyone in the stadium with get a slice. Much to Sector V's surprise, the cake transforms into a monstrous scorpion and knocks out Numbuh 2, 3, 4 and 5, and ready to destroy Numbuh 1. However, Lizzie Devine in a gazebo came to his rescue and crashes into the cake monster, causing it to explode and frosting flew over the stadium, giving everyone a taste of it and the Delightful Children From Down the Lane begun crying over their destroyed cake.

---

When he was done we were amazed and in awe.

Me: Wow! A Kamikaze attack by Lizzie.

Nico: No kidding. Well done to her.

Lola: Nice.

Nico: Okay Numbuh 3 summon the Rainbow.

She did so and then we saw RAINBOW GORILLAS! They were gorillas that changed colors like that of a rainbow!

Jet: Those aren't Rainbow Monkeys!

Live Action Thrust: Those are Rainbow Gorillas!

Me: These are awesome.

Eli: Wow!

Fluttershy: Oh they are so pretty and amazing.

Rainbow Dash: This is awesome! Rainbow Gorillas are amazing.

Lola: Yeah.

Me: Boy they are gorillas that have the colors of a rainbow prism.

Razorclaw: Hi there. Listen, this bad man is trying to hurt some kids. Wanna help us stop him?

Fluttershy: Let me talk to them.

She talked to them and they understood her and they agreed.

Fluttershy: They will gladly help us out.

Razorclaw: Wow.

Me: Awesome.

Jared: Great.

Eli: He's over that way. There's a stadium that was built here 75 klicks to the west.

Nico: Then lets get moving.

Brain: Those are probably the same size as the cake monster.

Copper Cranium: I hope so.

Nico: Lets get moving guys.

We were off.

Jared: You guys face the cake monster, I will face Father. I will show

Father what being a true loving father is all about.

Me: Go get him son!

Jared: With pleasure dad.

We saw the stadium.

Me: Wow amazing how he has a stadium here.

Ghuul: Entrance time!

We went at it.

Father: Soon all you stupid inconsiderate brats will be dinner for my Pound Cake!

But then the spirits of cakes and the fireworks of the New Year came and then they swirled around him and then converged and went underground and then…

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion and it blasted Father away and then a phoenix cry was heard and then we came out!

Jared: Time to die Father!

Father: You stupid kids will..

POW!

Jared punched Father in the face and sent him crashing into the wall!

Jared: You shut up Father! All you are is nothing but talk!

Yuko dashed and punched him in the stomach and kicked him in the face with devastating force and he crashed into a big wall. Then he got out and flew towards us and fired a huge blast of fire in a ballistic rage and Yuko fired a huge blast of fire and the blasts collided and they exploded.

KRABBBOOOOOOOOOMMMM!

Lincoln fired a blast of lightning and electrocuted him and Yuko elbowed him in the stomach and kneed him in the face and kicked him in the back of the head with devastating force.

Yuko backed off and Father was getting madder and madder by the second. His fire aura exploded out with such an explosively powerful intensity and the lightning in the clouds of the planet had gotten stronger.

Father: (ENRAGED SCREAMING) HOW DARE YOU ALL ASSAULT ME!? I HATE YOU ALL!

Our auras all flared up with incredible force and power!

Me: Thanks for the Power Boost.

Father: (to Stickybeard) You really thought you could assault me the day when Lola Loud showed up?!

Mole Man: Say what?

Stickybeard: Oh yeah. After Lola revealed the truth to me, I tricked taking Father out myself. But I lost.

Peg Leg Pete: Well, you're about to get your payback!

Father: I'd like to see you try!

I fired waves of energy and fire and smashed him all over. But then, he whimpered in fear as the Rainbow Gorillas growled at him.

Maria: Sic em, boys!

The Rainbow Gorillas hooted and screeched and roared and then they went at him and smashed him and pulverized him all over the place with incredible force and fury!

Jared: All right take five guys. I got this.

Jared went Super Angel Phoenix Xelnaga!

Father: YOU FOOL! You hurt these kids!

Jared: (Divine Firebird Voice) Wrong. Look again.

He saw that all the "Kids" were actually all bags of roasted potatoes!

Jared: Now you pay for your crimes!

Jared went at him and punched and pulverized him all over.

Father screamed in excruciating pain as he was blasted everywhere and he then gathered up all of his power and Jared did as well and they both fired enormous blasts of intense fire simultaneously. The blasts collided and a powerful struggle began. Suddenly the blast exploded with incredible power and the entirety of the planet shook to the very core with devastating power.

EXTREMELY MASSIVE AND UNBELIEVABLY INTENSE FIERY EXPLOSION!

When the Jared and Father flew out and blasted and smashed each other all over and Father was being completely overwhelmed by him!

Eli: WHOA! Jared is REALLY destroying him!

Xenia: Boy no kidding!

Allenby: Yeah he has Father totally outclassed.

Madame Masque: But at least it'll be worth the wait.

Me: Yeah it sure will be.

Black Spider: (to Nico) We heard you raided Opaline's hideout.

Nico: We sure did.

Multiplex: What did you find?

Me: Tons and tons of stuff. Dark Magic artifacts and spell books and more.

?: Wow.

Then a figure came out and it was HUNTER from Dino Charge!

---

Hunter is seen in a cell watching Scrapper trying to escape.

Hunter was seen in a cell in The Royal Rangers along with several of his inmates reaching out of their cells trying to attack. Fury.

Hunter can be seen in a cell in True Black.

Hunter is seen in a cell in No Matter How You Slice It.

Hunter later appeared in a cell cowering in fear that Heckyl was being released from Solitary Confinement and then later tries to escape when Heckyl used his powers to open up all the prison cell bars, but was forced back in his cell by two Spikeballs in Wishing for a Hero.

Hunter is seen being released by Heckyl along with his inmates in When Evil Stirs.

Hunter volunteers to help Singe and is partnered with Ninja to hunt Tyler after his compatriot used a virus to turn him completely feral. He and Ninja fight the Dino Charge Rangers and gain the upper-hand until Tyler and James Navarro arrive, causing Hunter to retreat. Before Heckyl can kill Hunter for cowardice and allowing Ninja's death, Singe tells Heckyl to spare him, stating that he still needs Hunter as bait for his next plan.

Singe uses Hunter as bait to lure the Power Rangers out to the open, so he may neutralize their powers by placing the Zotak Rings on their Energems. Doing so will render them unable to morph and powerless which will make them easy to destroy and thus will be able to get thier Energems. Although Hunter does his role perfectly, Fury interferes with the plan and thus forcing Singe to weaken him with two of his Zotak rings so that he can no longer interfere. Despite the disadvantage of having to fight the incapacitated Rangers in a five-on-one battle, Hunter is successful at besting them while Singe deals with the other four heroes. However, once Tyler destroys Singe's control, the five Rangers fighting him recover their energy and work together to destroy the outlaw permanently. They do so by combining thier Dino Morpher Blasts into a cloud of energy and then have Ivan (performing his Gold Ptera Sabre's Ptera Sabre Final Strike) fly through it before energy slashing Hunter. Hunter can only bemoan being unable to complete his mission before being blown apart.

The ghosts of Hunter and Ninja are summoned to the Halloween Intergalactic Court by Scumlaw where they tell their side of their fight with the Rangers.

Hunter is among the monsters revived by Wrench as part of Doomwing's plot to divert the Rangers while going after Zenowing again. Due to the revival being sped up, Hunter is rendered unable to speak and is significantly weaker. He and the other monsters are destroyed by the Victory Maximum Final Strike.

---

Tyler Navarro: Hunter!

Dino Charge Hunter: Been a while rangers.

Me: I remember you! You were sent to place Zotak Rings on the Energems to neutralize the Rangers powers and take them.

Dino Charge Hunter: That's right J.D.

Me: Yep.

Hunter: You met my pal Ninja, right?

Nico: We sure did. Back in 2020.

Me: Yeah we sure did.

Qin: That was awesome.

Hunter: Cool.

We got the usual battles underway.

Jenny Wakeman, Pinkie Pie, Maud Pie, Featherweight, Superman, Pounce and Wingspan VS Eric Needham A.K.A. Black Spider - Meeting a White Aura Bihamut Gene-slammer

* * *

Black Spider was next.

Black Spider: (to Jenny) I heard you guys met a White Aura Bihamut Gene-slammer. No Sailor soldier on Lincoln's rescue this time?

Jenny Wakeman: Not this time. But the White Aura Bihamut Gene-slammer is Hannah Knightly and she is a really awesome guardian angel for Lincoln.

Pinkie Pie: Oooh she sure is! And she has an amazing story.

Maud Pie: (monotonously) She sure does and it was amazing.

* * *

Hannah Knightley: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Hannah, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Hannah Knightley: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling

and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Hannah, why did you hate Lori with a burning passion?

Hannah Knightley: You're not going to like it one bit. One day, as Lincoln and I were underwater, we were doing an observation of some of the sea life there in Lake Huron. But, then, we saw trash being callously dumped into the ocean, and we rushed in and cleaned it all up. We got out of the water to see Lori callously dumping trash into the ocean and she was laughing cruelly at us, the cold-hearted bitch. I'd had enough of Lori, and the same went with Lincoln, we fired blasts of water at her, and it messed up her make-up, and she absolutely lost it big time and threatened to turn us into human pretzels, but before she could attack me, Lincoln grabbed Lori by her shirt and slammed her onto the sand. I was really stunned with awe at how quick Lincoln was to save me and I was blushing madly at how dominant he was when he slammed Lori into the sand. After I recovered from the display from Lincoln, we tied Lori up with neon energy ropes Lincoln fired from his massive white angel wings, and he called his parents, who came to Lake Huron. Lincoln told everyone of what Lori did, and they were extremely furious at her, in the end, Lori got her gassy butt grounded for fifteen weeks, and she had to spend all that time in cleaning up all of the trash she callously dumped into Lake Huron. And I also kissed Lincoln and he returned it, and Lori watched in anger.

We cheered.

Eli: Wow, you guys really saved all that marine life and the oceans from Lori's heartless act.

Nico: Yeah, you guys made Lake Huron safer, and when you and Lincoln kissed and right in front of Lori, I can guess she was pissed off big time.

Me: You bet she was, but I made sure she didn't do anything else to

Lincoln or his Guardian Angels, or she was going to be in a ton of trouble even worse than she was in at that time.

Lincoln: Lori's stunt crossed a line for those who care about the environment, mainly my Guardian Angels who have the powers of water, and they swore if Lori did that again, they were going to kick her butt hard.

FLASHBACK ENDS

Black Spider: My goodness! Lori's dark side made her dump all that garbage into the lake!? That is cruel!

Featherweight: Yeah it sure was. What a heartless fiend.

Sprocket: She not only had no love for her brother but no love for the environment and all that.

Superman: Now I'm really glad those dark sides of theirs are all gone.

Black Spider: Same here. Lets do it!

Jenny used her Legend Items and got a gear sword surging with lightning and they fired waves of metal, gears, lightning and energy and smashed him down.

A figure came out, and it was none other than our old enemy, Shan Yu, leader of the Huns, and with him were the Hun army who were also brought back from the dead.

Me: Shan Yu. I always knew you wouldn't stay dead for long, and you had some nerve to bring back Einon to come after us.

Shan Yu: I always knew he was weak, now, I'll have to do the job myself and kill every last one of you.

Anna Cameron: That's never happening, you bloodthirsty barbarian, and now, your life is finished.

Suddenly, Anna Cameron's cobalt blue eyes turned neon cobalt blue, and she was surrounded by a cobalt blue energy aura with cobalt blue gems, cobalt blue fire, and eagles, she unholstered her massive Crystal Beast Cobalt Eagle and Advanced Crystal Beast

Cobalt Eagle-themed greatsword from her back, and as she approached Shan Yu, she left cobalt blue energy, cobalt blue gems, cobalt blue fire, and eagles with every step.

Anna Cameron: I will never ever forgive you for the crimes you've committed against all of China, Shan Yu, so many innocent people have been murdered because of your sick ambitions to conquer China, and for that, I'll see to it that you and the Hun army die here and now.

Suddenly, Anna Cameron was surrounded by a massive vortex of cobalt blue energy with cobalt blue gems and cobalt blue fire surrounding the vortex, there's a flock of eagles and Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle flying around the vortex, and in the vortex is a cobalt blue phoenix. Then, as the vortex faded, Anna Cameron emerged, but she was changed forever.

Suddenly, Anna Cameron's massive Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of cobalt blue energy, cobalt blue gems, cobalt blue fire, and eagles, and when it emerged, it was transformed into Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle's Cobalt Blue Greatsword of Cobalt Blue Firestorm Justice, it's a brand-new massive greatsword with embedded cobalt blue gems and Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle etched on the 7'0" massive, wide, double-edged cobalt blue blade, large eagle heads for the crossguard, large cobalt blue gem embedded in the rainguard, longer midnight black handle, four large eagle heads with blue gems for eyes and a large cobalt blue gem below the eagle heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with cobalt blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Crystal Beast Cobalt Eagle's head with red gems for eyes and a large cobalt blue gem inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Anna Cameron has transformed into SUPER ANGEL-COBALT EAGLE-HARMONY CELESTIAL ETERNAL XELNAGA BLUE COBALT FIRESTORM EAGLE ANGEL OF DIVINE BLUE COBALT FIRESTORM JUSTICE AND DIVINE BLUE COBALT FIRESTORM LOVE!

We were amazed by Anna Cameron's Super Angel-Cobalt Eagle-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Shan Yu saw it, he ordered his Huns to kill her, but she fired powerful blasts of indigo fire at them, and they were turned into stars for her wings and made them her prisoners forever, and this angered Shan Yu, but she fired a powerful cobalt blue energy blast with cobalt blue fire, cobalt blue gems, and eagles at Shan Yu, and it exploded as it hit him, he got back up, but now, he was beyond mega pissed off now.

Serenity Lexington: Whoa, Anna Cameron's transformed, awesome!

Lincoln: And she used her indigo fire blasts and turned Shan Yu's Hun army into stars and are now her prisoners forever, now only Shan Yu is left, and Anna, you look beautiful, how do you feel?

Anna Cameron: (Divine Echoing Cosmic Voice of The Blue Cobalt Firestorm Eagle and Divine Blue Cobalt Firestorm Love) I feel incredible, Linky. Now, shall we put an end to this rampaging savage once and for all?

Lincoln: (Smiles) With pleasure, Anna.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Anna Cameron.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Shan Yu, now it's time for you to pay the price.

Anna Cameron and Lincoln went after Shan Yu, who tried to attack them with his sword, but they blocked his attacks, and they fired extremely powerful blasts of rainbow energy, cobalt blue energy, cobalt blue fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Shan Yu and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off Shan Yu now.

Shan Yu tried to run at Lincoln and cut him down, but Lincoln disarmed Shan Yu of his sword with one swift swing of his massive greatsword, and he slashed at Shan Yu's chest, leaving a bloody gash.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Anna Cameron, her hand-cannon Blaster is known as Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle's Cobalt Blue Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's cobalt blue with indigo flames on the blaster and with a Phoenix, Angel, and Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle surrounded by green etched on the sides, and a cobalt blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Anna Cameron fired blasts of rainbow energy, cobalt blue energy, and elemental forces at Shan Yu and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln swung his massive greatsword down on Shan Yu's neck and beheaded him, and then, Lincoln gave him The Black Gates. We cheered as Anna Cameron and Lincoln holstered their massive greatswords on their backs and powered down, and Anna Cameron's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long cobalt blue wolf tails, and massive cobalt blue angel wings are permanent.

Anna Cameron: Rot in The Black Gates forever, you savage warlord. Thanks for helping me destroy Shan Yu for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Anna.

Suddenly, Anna Cameron wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Anna Cameron's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, cobalt gems falling, and cobalt fire raging around them and we cheered wildly. Then, Lincoln and Anna Cameron absorbed the fire and they came back to us as the display and Crystal Beast Cobalt Eagle and Advanced Crystal Beast Cobalt Eagle vanished.

Nico: Guys, that was one awesome battle you fought against Shan Yu, awesome job.

Lincoln: Thanks, Nico. Plus, Anna really turned the tables on Shan Yu when she fired her indigo fire blasts at his army and they got turned into stars for her angel wings and are now her prisoners forever.

Anna Cameron: I knew he'd send his army of Huns to kill me, but they made a mistake.

Me: Yep, and now, they're your prisoners forever. Plus, we know who we're meeting tomorrow for your rescue, right, Lincoln?

Lincoln: Eliana Robinson, Gene-Slammer of White Aura Dolphin for Day 3 of the Treasure Hunt, and there's no doubt the next villain we'll face there tomorrow is King Cold, and he now wants revenge for the death of Frieza.

TLPS Mr. Wolf: At this point, I don't care about what that tyrant desires, Frieza got what he deserved, and now, so will his father.

Nico: You got that right, he's just as evil as his son, the universe will be glad to be rid of that monster for all eternity.

Me: You said it.

Lincoln: And there's no doubt he'll have his men with him tomorrow, so I'll use the same strategy I'd used on Einon's men in Loch Loud: using their own greedy desires against them, and turn them into nightmares, before I collect their souls and send them to The Black Gates.

TLPS Mr. Shark: This is going to be one messy battle tomorrow.

TLPS Mr. Piranha: But, we'll be rid of the last traces of Frieza for good when we kill King Cold.

Jack O Lantern: This was an awesome way to end the year.

Eccentro: It sure was.

Goro: And tomorrow, we discuss the highlights of 2022.

Ssserpent: We sure will.

Mysterio: Come on, guys. Let's go home.

Nico: Good idea. Great job today everyone.

Numbuh 1: (To the viewers) Now we have seen the last of Father and destroyed his evil goals.

Me: We sure have.

Qin: Yep.

We went back to the ship and went back home and enjoyed the rest of the day and went to sleep.

We got word that Batman's enemies Bullwhip, Kneejerk, Knux and Terrapin are at it again and causing trouble and it's up to all of us to stop them.

Camie: Wow! This is amazing that Gotham had turned into this.

Me: This Gotham City is from the year 2039 and we helped Terry battle many of his most dangerous enemies in this part before and after the team was formed. And this is also the very part of the city that made Gotham Royal York into what it is today.

Nico: Wow! So that's how it became the city it is now.

Xenia: Amazing.

Lola: Yep.

Varie: That was so fun and awesome.

Somnambula: (Egyptian Accent) I think it's so amazing that this city became what it is.

Me: It sure is. Gotham City became like this very fast and quickly in such a short amount of time.

Maggie: It sure is amazing and all this happened just after your worldwide vacation.

Haiku: That was so awesome and fun.

Girl Jordan: Yeah it sure was.

Nico: Maggie, I want to thank you, Atomic Skull, and your teams for coming.

Maggie: No problem at all Nico. It's gonna be so fun helping you guys.

Atomic Skull: It sure will be cool.

Me: Yep.

Camie: So who are these cybernetic jerks anyway?

Me: Their names are Bullwhip, Kneejerk, Knux and Terrapin and they are cybernetically enhanced kids that cause trouble.

I went over their history.

---

Bullwhip

Bullwhip got these powers by enlisting the aid of Dr. Corso whom he met when getting a wrist replacement. He suggested to the doctor that he could get rich by using his prosthetics to make people faster and stronger. The doctor refused, saying he had all he wanted. So he and his gang kidnapped Dr. Corso's wife April and blackmailed him into making upgrades to his wrists. However, Batman got involved and the gang overpowered him the first time. After stalking them to their hideout, Batman and Dr. Corso found out that April wasn't kidnapped, but there willingly and was having an affair with Bullwhip. Dr. Corso panicked and fled. Bullwhip then briefly clashed with Batman only to have his cybernetic wrist to be severally damaged.

After Batman disabled all his teammates, Bullwhip returned to Dr. Corso, saying that if he repaired him and made even stronger, he would get April back. Corso, realizing he had total power over Bullwhip while he was under anesthesia, is heavily implied to have killed him with his drill instead.

Knux

Knux was the newest member of the gang. Dr. Corso installed hammers that could extend from his forearms.

When Batman tracked the gang to their hideout, Knux was handily beating on Batman until Batman spoke the secret word that triggered a fail-safe and destroyed Knux's cybernetics.

Terrapin

Though already strong himself, the enhancements Dr. Corso gave Terrapin made him almost unstoppable. With his full body armor, he served as the gang's muscle. His armor did have down sides: it restricted his mobility, agility and sight. Batman made good use of that in their final fight: when Terrapin ran at him, Batman triggered the override. Now without protection, Terrapin charged into a wall headfirst and knocked himself unconscious.

Kneejerk

When his friend Harold blackmailed Dr. Corso into using his weapons expertise on his gang, "Kneejerk" was outfitted with cybernetic limbs, which enhanced his reflexes to superhuman levels. Additionally, his new limbs were equipped with chainsaws capable of cutting through solid steel, which could be deployed from his wrists and knees. With these gadgets, Kneejerk could open safe doors, or create escape routes for his team. However, the chainsaw blades impaired his balance. During a fight with Batman, he fell, causing the saws on his knees to jam into the ground and break off. The piston he left behind brought Batman to Dr. Corso.

When Batman traced the gang back to their hideout, Kneejerk was the first member to be subdued once Batman had determined the self-destruct code for their cybernetic systems. When Kneejerk cornered Batman, the latter spoke the phrase "April Moon," causing the former's forearms and lower legs to self-destruct. Once his prosthetic limbs were destroyed, Kneejerk fell helplessly to the ground, unable to get up.

When I was done everyone that hadn't heard about it was shocked!

Camie: Whoa man! These guys are dangerous!

Lola: Yeah no kidding!

Me: Yeah they are tough too.

Kimimarō: This will be really interesting to see.

Nico: Kimimarō, are you happy you ditched Snake Face?

Kimimarō: Yes I sure am Nico and I'm glad to be part of the team now. I am forever indebted to all of you for curing me.

Me: I'm glad we did. That was no disease you had. That was a poison that was slowly destroying you.

Nico: Yep.

Eli: That was awful that it was killing you like that.

Camie: No kidding there.

Kimimarō: But I'm glad that it's cured now.

Qin: So am I. At least we can now restore the Kaguya Clan.

Kimimarō: That is true and I'm glad we can.

Maria: Disease. Poison. What's the difference?

Me: Disease can look like poisons Maria.

Maria: Oh.

Me: Yeah.

Varie: But I'm glad Kimimarō got cured nonetheless.

Lincoln: Me too.

Nicole: Yeah we all are glad.

Me: You guys should have seen what the New Years Celebrations were like last night. It was amazing.

Camie: Yeah it sure was! Everyone celebrated like there was no tomorrow till 3:00 in the morning.

Xenia: Boy no kidding there. That was an awesome celebration.

Nico: Yeah no kidding. Wow.

Me: But also yesterday's mission was awesome.

Nico: We ate lots of the cake monster yesterday.

Me: We sure did and it was absolutely delicious. Coconut Vanilla Meringue. The Delightful Children's Cake was one of the most awesome ever. And they had really awesome and amazing taste in cakes.

Nico: They sure did.

Lola: Thank goodness we didn't give any to Numbuh 4 or you know what would have happened.

Nico: Yeah. Thank goodness we didn't.

Xenia: Yeah but it was still a good cake.

Nico: All of that planet was. At least me and May made up for it by going to the planet.

May: It was an awesome surprise.

Zocks: Why is it a good thing we didn't get any for Numbuh 4?

Me: He is allergic to coconut. Whenever he eats coconut his lips get all big and swollen and cover his face.

Zocks: Oh I'm sorry I asked.

Lola: Yeah it's a nasty allergic reaction. Also those Kids Next Door Scientists mistook it for cooties a while back.

Me: Yeah that was stupid.

Lola: No kidding there.

Vroon: Are cooties even a thing?

Me: Hell no! It's just some stupid childhood disease some dumb kid made up during World War I to get us boys to be afraid of girls.

Nico: Yeah no kidding! It's really stupid.

Camie: Yeah there's no such thing as cooties!

Xenia: Yeah no kidding there. Cooties are a stupid dumb disease.

Laney: No kidding there.

Camie: How did you guys have an encounter with Cooties like this?

Me: It was during Vince's birthday back 3 years ago.

I went over what happened during the events of chapter 1163.

At the estate we were having an awesome birthday party for Vince. It was August 25th and it was his 25th Birthday and 1st ever Wedding Anniversary. The Masters of Evil were with us to celebrate.

Manaphy, Poromon, Horsea and Poliwag: (Blows Party Blowers) HAPPY BIRTHDAY VINCE!

Me: Happy Birthday/1st Wedding Anniversary Partner.

Vypra: How does it feel to be 25?

Vince: It's amazing. Thank you so much guys.

Me: You're welcome buddy.

Laney: I'm so happy for you and Carol, Vince.

Nico: Me too.

Saïx: I'm happy for you too Carol.

Carol: Thanks guys.

Carla, Evelyn and Pearl came out with a magnificently made birthday cake that they made and it had 25 candles on it.

Carla, Evelyn and Pearl: HAPPY BIRTHDAY DADDY!

Vince: Oh wow! What an awesome cake.

Me: That is a beautiful cake girls.

They put it on the table and Vince made a wish and blew out the candles and we cheered for him.

Lana: Happy Birthday Vince.

Vince: Thank you so much guys!

Nico: No problem Vince.

Marinette: Glad you had fun.

We had an awesome party for Vince and he got lots of great presents.

---

Later we were over in the world of the famous Hundred Acre Wood, the World of Winnie the Pooh.

---

The Hundred Acre Wood is the name of the forest in which most, if not all of the Winnie-the-Pooh stories take place. It's location is still uncertain, as is its size, though one could assume that the Wood is so-named because it is about 100 acres in size, which would be equivalent to 0.4 square kilometers or 0.16 square miles.

The landscape of the Wood seems to vary based on the particular Pooh production - for example, the layout of the Wood in Kingdom Hearts II is radically different from that of its appearance in the original Kingdom Hearts.

In the original Winnie-the-Pooh books by A. A. Milne, the name "Hundred Acre Wood" is used only to refer to the parts of the forest surrounding Owl's house, with the other characters residing outside of it. Nowadays, however, and especially in the Disney adaptations of the franchise, the name is usually used to refer to the whole forest, as Milne's books provided no better alternative for it. Thus, using the broader definition, the Hundred Acre Wood includes such locations as Owl's House, Pooh's house, Piglet's house, the Pooh Corner (renamed Pooh & Piglet Corner in Piglet's Big Movie), the Poohsticks Bridge, Rabbit's house and Tigger's house. What follows is a list of locations mentioned in the book and shown in the Wood's map:

Pooh Bear's House

Kanga's House

The Sandy Pit Where Roo Plays

The Nice Place for Piknicks

The Bee Tree

The Way to the North Pole

The Area of Big Stones and Rocks

Rabbit's House

The Area of Rabbit's Friends-and-Raletions

Christopher Robin's House

The Area of Six Pine Trees

The Area of the Pooh Trap for Heffalumps

Piglet's House

The Area Where the Woozle Wasn't

The Floody Place

Owl's House

Eeyore's Gloomy Place

Most of these places' names are references to events described in the books Winnie-the-Pooh and The House at Pooh Corner. Additional places mentioned in the books but not shown in the map include:

The House at Pooh Corner

The Poohsticks Bridge

The Stepping Stones

The Area of the Gravel Pit

Pooh's Thoughtful Spot

The Galleons Lap

Locations featured only in Disney stories include Gopher's tunnels, the Scary Woods and the Heffalump Hollow.

Locality

As stated above, the exact locality of the Hundred Acre Wood is uncertain. It is generally believed to be in the United Kingdom, as it is based on a real British forest (see below). However, this possibility is problematic due to the fact that there are no bears living in the British Isles in real life (a fact that may also apply to Tigger, although within the Winnie-the-Pooh universe he is actually a member of the fictional "Tigger" species, not a tiger, as generally believed). In Disney adaptations of the stories, it is likely that the Wood is in North America, which could explain away not only Pooh but also Gopher, a character not present in the original books, and whose species is indigenous to North America.

However, it is the presence of Kanga and Roo that becomes problematic with this assumption, as there is a population of wild kangaroos living on the UK (an invasive species), but not in the USA. This could be explained away by the fact that, both in the books and cartoons, it is believed that Kanga and Roo have moved from Australia. However, this means that Gopher has probably moved from America. In the episode "The Piglet Who Would Be King", from The New Adventures of Winnie the Pooh, Piglet, Tigger and Rabbit travel to a place called the Land of Milk and Honey, located in a jungle, under a volcano. While it is unclear how far they traveled to get there, the presence of a jungle even moderately near the Hundred Acre Wood pretty much puts the last nail in the coffin of the idea that the Wood is in England as far as Disney adaptations go, even though there is no jungle in the USA.

## Behind the scenes

The Hundred Acre Wood is based on an actual place called the Five Hundred Acre Wood, situated in the Ashdown Forest, in East Sussex, England, where A. A. Milne was living when he wrote the books. Today, areas of this wood have been named after locations seen or mentioned in Milne's Pooh books, as a tribute to the author, including a bridge identified as the Poohsticks Bridge, and an area designed as the Enchanted Place. There is also a memorial plaque dedicated to both Milne and Ernest H. Shepard, who illustrated the classic books.

## Inhabitants

The Hundred Acre Wood is inhabited by the following animals (those marked with an asterisk have been featured in Disney adaptations only):

Winnie-the-Pooh

Piglet

Rabbit

Eeyore

Tigger (probably not native moved from India)

Owl

Kanga and Roo (not native, moved from Australia)

Christopher Robin

Gophers (one of them is at the end of a classic book)

Heffalumps

Woozles

Jagulars

Squirrels

Beavers *

Turtles *

Frogs *

Pack Rats *

Mice

Otters

Hedgehogs

Insects

Me: Wow! So this is the 100 Acre Wood.

Volcana: This is the first time we've ever been to the Hundred Acre Wood.

Nico: It's beautiful.

Laney: It sure is.

Lana: It's amazing.

Sora: You guys will love this place. I know a lot of people here.

We followed Sora and he showed us Pooh's house. He was sitting on his log thinking.

Pooh: Oh Sora! Welcome back!

Sora: Hey Pooh!

He hugged Sora.

Sora: Good to see you again.

Pooh: Same to you. Who are all your friends?

Me: We are Team Loud Phoenix Storm. It's a pleasure to meet you Pooh.

Pooh: Same to you. We have heard so much about you. You are heroes and very brave at what you all do.

Nico: We don't like to brag.

Wreck Gar: It's nice to meet you at last, Pooh Bear!

Pooh: Same to you and just Pooh is fine.

Wreck Gar: Sorry.

Vince: You have been very popular since the 1960's.

Me: He was first made in 1921 by A. A. Milne and Disney bought his rights in the 1960s.

Vince: Wow. So 99 years ago.

Me: Yep. And in 2021 it'll mark his 100th Anniversary.

Lori: Huge milestone.

Pooh: Very big.

Sora: Lets show you all around.

We looked around the 100 Acre Wood and we saw a lot of magnificent places. We saw Rabbit's House and his garden was amazing as we saw Rabbit picking a lot of vegetables.

Sora: Hello Rabbit.

Rabbit: Well hello Sora.

Nico: Wow. Your garden is incredible.

Rabbit: Why thank you. Wow. Team Loud Phoenix Storm. It's an honor to meet all of you.

Me: Same to you Rabbit.

Sam Manson: Rabbit, I just want to say that I really like your garden.

Rabbit: Thank you Sam.

Jared: Lots of delicious vegetables.

But then I got bounced by none other than Tigger!

Me: OOF!

Tigger: Oh hello there! (Purrs) I'm Tigger. T-I Double G Er. That spells Tigger.

Me: Tigger wow! (Laughs) I haven't been bounce like that in a long time. But wow.

Tigger: Oh wow! Team Loud Phoenix Storm. It's an honor to meet you. You have saved a lot of people over the years.

Me: (Gets up) Yeah we don't like to brag.

Nico: Yeah.

We met all of Pooh's friends and it was awesome.

Cybertron Crumplezone: There might not be any villains here. But how would you guys like to help us when we need it?

Pooh: That would be awesome.

Nico: Cool.

We had new allies in the Hundred Acre Wood and the story for the Hundred Acre Wood is in our bookcase.

---

Later in the estate, we were watching TV. Suddenly, Numbuh 74.239 of the KND Underwater Research Facility came in and he had a look of panic on his face!

Numbuh 1: Numbuh 74.239? What's wrong?

Numbuh 74.239: The Research facility has been attacked by a rogue teen ninja and in the attack he released a terrible disease.

Me: A disease? What kind of disease?

Numbuh 74.239: It's a disease called Coogitisnal Octo-Oogie Tetra-Infecto Epi-Stractococcus!

Me: What the fuck is that?

Numbuh 74.239: It's a disease that is carried by an infected and highly contagious specimen codenamed Patient C.

Me: We better go check this out. I have a plan to draw this specimen out.

I revealed my plan and we went to the S.H.I.E.L.D. Prison to get RD Lincoln.

We went into his Cell.

RD Lincoln: You gonna kill me this time? Or are you just going to waste your effort on humiliating me?

Papillon: Neither. There's one use for a tyrant like you.

RD Lincoln: What's that?

Maria: Live bait!

We tied him up and carried him with us.

We then took our submarine down to the bottom of the Caribbean Sea and with us were the Kids Next Door in their awesome Whale Size Submarine, the B.L.U.B.B.E.R. and we then saw the treehouse that was home to the KND Underwater Research Facility. It was in shambles and ruins and we saw that it was sitting on the edge of a cliff next to the 2nd Deepest place on the planet: The Puerto Rico Trench. At 27,493 feet deep, it's the second deepest place in the world next to the Mariana Trench at 36,000 feet deep.

Me: Whoa. What happened to that Treehouse?

Nico: Looks like a torpedo destroyed it.

Vince: No this is something else. This was the work of Rogue Teens.

Cree: Ugly.

Me: Lets head in guys.

We went into the treehouse and it was a total mess.

Me: What a mess.

Laney: This whole place is in shambles.

Prism Break: What do you think caused this?

Me: Lets go in a find out.

We got to swimming and we made it inside.

Me: Nigel we're in.

Numbuh 1: Copy J.D. Have you made contact with the Specimen yet?

Me: Negative. This whole treehouse is in shambles. It could be anywhere.

Lana: Yeah.

Numbuh 4: So what is all this about Numbuh 1?

Numbuh 74.239: That treehouse is infected with Coogitisnal Octo-Oogie Tetra-Infecto Epi-Stractococcus!

Numbuh 4: That'd better mean there's seafood in here Professor Dorkenstein!

Numbuh 74.239: DORKENSTEIN!? Listen you little trapezoidal crustaceous membrane! I'd like to…

Me: Quiet! Both of you.

Numbuh 1: Thank you J.D. But what Numbuh 74.239 is trying to say is that because of an attack by a bunch of Rogue Teen Ninjas still at large, they released a highly contagious specimen codenamed Patient C. Our mission is to find this specimen and contain it so the scientists can all safely return to the lab.

Laney: And what is this Patient C?

Lola: That's what I would like to know.

Numbuh 74.239: You'll find out when you see it. But be careful guys.

Me: Right. Lets go.

We went into the treehouse and we put RD Lincoln on the floor of the lower levels.

RD Lincoln: You can't be serious. What makes you think the so called Patient C is going after me?

Bright Man: (smirks) Well, when it sees you, it'll want a nice big hug!

Me: Our bait is set. Lets go hide.

We went and hid in the walls and then we saw a little girl dressed in a pink dress and she had blond hair and blue eyes and a Pink hair bow and white shoes appear behind the Royal Defenders Lincoln. That little girl was PATIENT C!

Patient C: Hello.

RD Lincoln: Whoa! Oh. Hello there little one. What are you doing all the way down here?

Patient C: I was put here. And you are funny. (Giggles)

RD Lincoln: Well I do have a sense of humor.

Patient C: Will you be my boyfriend?

RD Lincoln: I think I'm a little too old for you.

She then gave RD Lincoln a hug.

Me: Now!

We jumped and Aqua got the girl.

Aqua: Are you Patient C?

Me: You got to be kidding. She's just a cute little girl.

Nico: She sure is adorable.

Laney: She sure is.

Me: (Realizes something) Wait a second. **C** oogitisnal **O** cto- **O** ogie **T** etra- **I** nfecto **E** pi- **S** tractococcus… Oh (Facepalms) for fucks sake!

Nico: What is it?

Me: We were dragged into this mission for a very stupid reason. This whole thing is about cooties.

Numbuh 5: Have those scientists gone crazy!? This whole thing has been about cooties!?

Laney: There's no such thing as cooties!

Me: Yeah that is some stupid fictitious childhood disease some dumb kid invented during World War I to help get us to hate and fear girls. Whoever invented that disease had to have been the biggest idiot in the history of humanity.

Numbuh 2: Whoever that kid is was a loser.

Lana: Yeah.

Me: We're gonna have a very serious talk with those KND Scientists when we're done here.

Yuko: Yeah. But wait.

Yuko went up to the girl.

Yuko: Are you the little sister of Numbuh 59?

Patient C: That's right. He's my brother and he's in the Kids Next Door.

Yuko: Your brother is one of the Prisoner Transport Pilots for the KND.

Patient C: Wow.

Yuko: He has a big job.

?: And it will be the last!

We turned and we saw THE TOILETNATOR!

---

The Toiletnator (real name: Lou Pottingsworth III) is a recurring joke character from Codename: Kids Next Door. He is obviously a toilet-themed supervillain, a motif that has unclear justifications even compared to the show's other villains. He is seen as a non-threat by KND operatives everywhere and shunned by other villains to the point that they take deliberate measures to keep him away from their villainous meetings. Despite all of this, he is incredibly enthusiastic and jubilant about being a villain and completely oblivious to the fact that no one wants him. His "powers" include several toilet-related abilities such as shooting toilet paper from his arms.

He was voiced by Dee Bradley Baker.

In the episode "Operation: F.L.U.S.H.", Toiletnator decides to prove himself worthy to the other villains by defeating the KND in their treehouse. However, because the members of Sector V were away at the time, the other villains had already taken over the treehouse without resistance and as a result the empowered Toiletnator defeats his own allies, mistaking them for the kids, who arrive right afterwards just when his sudden burst of competence wears off.

In the comic story "Operation: H.I.S.T.O.R.I.E.", Toiletnator's origin is revealed: he'd once been Lou Pottingsworth III, an executive for Evil Adult Industries, before he was assigned by Father himself to become part of the company's operation to mass-produce their new vegitable: "asparigross". But when the Kids Next Door attacked the factory building site, Lou hid in a porti-potty and was trapped in there for several days when it was knocked under a large mass of rubble, forced to eat nothing but urinal cakes. There, he was visited by "The Almighty Protector of Potty" (some form of toilet god), who'd chosen him to be its knight (the only reason being that he'd been the only one to use the bathroom in a while) and bestowed him with toilet-based powers, which he used to punish kids who wrote on the bathroom walls, missused toilet paper, and forgot to flush. The comic also revealed that the Toiletnator is actually Numbuh 4's uncle and Mr. Beetles long lost twin brother.

---

Me: Lou Pottingsworth III A.K.A. the Toiletnator. We were just about to go out and get you.

The Toiletnator: You were?

Nico: Yeah. We have some things we need to tell you.

The Toiletnator: YOU ALL ARE GONNA TELL ME AFTER I FLUSH YOU ALL! (EVIL LAUGHTER)

Numbuh 362: Toiletnator, please calm down.

Toiletnator: Oh, I'll calm down. WHEN YOU'RE ALL DEAD!

Lizzie: Suddenly, Toiletnator's looking a lot less lame.

Power Girl: (to Numbuh 4) Wally, you and your team created a monster!

Numbuh 4: What did we do?

William: If you guys hadn't treated Toiletnator like a joke, he wouldn't be out for our blood.

Me: Lou lets talk about this!

But then Ghost, Cheese Shogun Roquefort and Saïx appeared.

Me: Cheese Shogun Roquefort, Saïx and Ghost.

Ghost: It's my first time fighting you guys.

Ariel: This is gonna be a good one.

Laney: It sure will be.

Cheese Shogun Roquefort: What happened here?

Me: It's a pretty weird and stupid story.

I went over everything that happened and they were shocked.

Cheese Shogun Roquefort: Cooties!? You got to be kidding me.

Me: Yeah even the Kids Next Door scientists are scared of Cooties. How stupid can some people get?

Numbuh 2: Tell me about it.

We saw RD Lincoln about to get away but Gia grabbed him.

Gia: (to RD Lincoln) You stay right where you are, asshole!

RD Lincoln: Like I'm gonna listen to you!

Megaforce Rangers: (ignoring RD Lincoln) Legendary Ranger Mode: Lightmask Squad!

The Megaforce Rangers turned into the Maskman Rangers.

But then RD Lincoln jumped away and grabbed Carmen!

RD Lincoln: (holding Carmen hostage) I knew that battle would tire you all out. Now, you guys are going to give me my powers back and then you're going to free my sisters from SHIELD prison. Or the fiery brat gets it!

Carmen then kicked RD Lincoln in the crotch and grabbed his head and flipped him over and then grabbed his arm and bent it and broke it! The bone was sticking out and the Lynn punched the RD Lincoln in the face and sent him crashing into the wall. He was knocked out with a nasty concussion.

Me: Nice work Carmen.

Lori, Lynn and Lola tied up the RD Lincoln.

Me: Good work girls.

?: That was a good punch.

A figure came out and it was GAME MACHINE MAN!

Game Machine Man is one of the Seven Shadows. He appeared in Sailor Moon Episode 21, Jupiter Comes Thundering In.

After he was imprisoned in the earth's atmosphere, he was reborn inside Game Machine Joe, one of the rainbow crystal carriers. Joe was Zoycite's first target. After extracting the crystal inside him, Zoycite turned Joe into Game Machine Man. He attacked Sailor Moon with a hammer, until Lita threw him (at that moment, the Jupiter sign appeared on her forehead). He then attacked Sailor Moon with wires, but when Lita transformed into Sailor Jupiter, she used Jupiter Thunder Crash to stop him. As he was about to attack again, Luna gave Sailor Moon the Crescent Moon Wand, and she used it to heal Joe with Moon Healing Activation, killing Game Machine Man.

---

Game Machine Man: I'm Game Machine Man, champion of the Negaverse!… Time to play, Team Loud Phoenix Storm! The game's about to start!

Nico: Judging by your name, I can guess that you like to play games.

Game Machine Man: That's right. And this game's gonna be one to remember!

Shanan: I didn't expect Queen Beryl to have an Arcadisapien in her forces.

Qin: What are Arcadisapiens?

Shanan: They are known as the great video game warriors of the galaxy. They come from the planet Arcadius Prime, It's a huge city planet that serves as their ultimate video game playground.

Nicole: Sounds like my kind of people.

Game Machine Man: I'm impressed you know about my kind Shanan and you must be the famous Nicole Knudson, Goddess of Video Gaming.

Nicole showed her tattoo.

Game Machine Man: So the legend is true. I have been wanting to meet you and do battle with you Nicole.

Nicole: Nice to know that I made an impression.

Me: But we can't fight in here. Otherwise we would destroy the whole treehouse and sending it falling into the Puerto Rico Trench.

Patient C: Um… I'm still here, you know.

Ghost: We know. Please head to somewhere safe.

Roquefort: But first, we're about to make a little trip.

Aqua: I'll look after Patient C for you.

Numbuh 4: Thanks Aqua.

Aqua went over to her and Ghost snapped her fingers and we saw that we were on a scary wooded planet with trees that looked like creepy stalagmites. We were on the moon of Anur Transyl: LUNA LOBO!

---

Luna Lobo is a lush, forest-covered moon - one of the few "beautiful" places in the whole Anur System.

A wooded moon, Luna Lobo's landscape is prowled with a race of cunning wolf-beasts with a thirst of blood. While these feral creatures mostly hunt in packs, it is a lone wolf beast that often proves to be the most savage of all.

Luna Lobo was once warped into the Null Void for a few years due to a major teleportation accident.[

---

Me: WHOA! Look at this planet.

Ghost: It's not a planet. It's the planet Anur Transyl's moon Luna Lobo.

Me: WHOA! So this is Luna Lobo.

Ben: I always wondered what the home planet of the Loboans was like.

Nico: It sure is a creepy place.

Riley: No kidding.

Julie Yamamoto: It sure is creepy.

Chione: But it's really cool.

We heard wolf howls and they gave us the creeps.

Me: Ooh. The Loboans are on the hunt.

Laney: Yeah.

Lola: Scary.

Me: Lets power up and calm the Toiletnator down.

We did so and went at them.

---

Battle 1: Saïx

---

Carol, Sinestro and Power Girl were facing Saïx.

Saïx: Glad Vince had an awesome birthday.

Carol: I am too Saïx.

Sinestro: Shall we dance?

Power Girl: Yeah.

Saïx: Lets dance.

He sent out his Pokemon and they went at him and Carol kicked him in the face and fired a wave of atomic energy and blasted him all over the place with incredible fiery explosions.

KRABBBBBOOOOOMMM! KRABBBOOOOOOMMM! KRABBBBOOOOOMMM! KRABBBBOOOOOOOOOOOMMMM!

Power Girl fired laser vision blasts and Sinestro fired waves of yellow energy and the blasts hit Saïx and his Pokemon and exploded. Knocking them out.

Nico: (Drooling) Give me some cheese.

Bright Man: Someone sure is hungry.

Raven: Nico likes cheese and he can't get enough of it.

Shade Man: (Transylvanian Accent) He loves his cheese.

They laughed.

Cheese Shogun Roquefort: He's a growing boy.

Roquefort sent out his Cheese Ninjas and his Pokemon. He had an Tsareena and a Steenee. They went at them and Nico punched and kicked and ate all of his Cheese Ninjas and Bright Man, Shade Man and Raven blasted Roquefort and his Pokemon and knocked them out.

Nico: (MONSTROUS BELCH)

They laughed.

---

---

Ariel: This is your first battle with us.

Papillon: We'll try to go easy on you.

Ghost: I have a lot of experience. So no need.

Randy: Okay then.

She called out her Pokemon and she had a Mega Gengar and a Mega Zoroark.

Randy: Mega Gengar and Mega Zoroark. Good choices.

Ghost: Thank you.

Ariel summoned her Keyblade.

Ariel: Lets dance.

They went at Ghost and Ariel slashed her all over with her Keyblade and blasted her with light beams and water blasts and Papillon blasted her Pokemon with light beams and Randy went invisible and bit Ghost in her butt and Ariel kicked her and knocked her out.

Ariel: Good fight.

---

Battle 4: Game Machine Man

---

Nicole was facing Game Machine Man.

Nicole: The Goddess of Video Games is always ready for a challenge.

Game Machine Man: I'm glad. Lets dance.

Nicole fired a wave of energy and the blast hit him and exploded and Nicole punched and kicked him all over the place and knocked him around. Nicole then fired a wave of energy and obliterated him into nothing.

Nicole: Good game.

---

Battle 5: Toiletnator

---

We regrouped and we were facing the Toiletnator.

Me: Lou let us talk to you!

Toiletnator: There is nothing to talk about!

He then summoned numerous sludge hulks and toilet paper mummies.

Nico: Toilet Paper Mummies and Sludge Hulks?

Naruto: That is sick!

Me: No kidding.

I fired a massive wave of fire and it slammed into the mummies and hulks and incinerated them.

Me: Now lets take him down.

We went at the Toiletnator and I punched him in the face and kicked him in the stomach and Numbuh 4 punched and kicked him all over with powerful punches and kicks and Lola and Yuko punched and smashed him all over the place and more and Viqtarr and Riggan smashed and blasted him all over the place. Nico punched him in the face and knocked him around all over and Lincoln fired waves of lightning and electrocuted him all over. The Megaforce Rangers were blasting him all over the place.

Me: Lets see if your nose and toilet paper can handle this foul stench. JUNGLE STYLE NINJA ART: STENCH OF GEORGE OF THE JUNGLE!

I entrapped Toiletnator in vines and then I farted in his face!

FFFFAAAAAAAAAAAAAAAAAAAAAARRRRRRRRRRRRTTTTTTTTTTTTT

The stench was that of George when he hasn't taken a bath in 10 years and it smelled so horrible that it made all of his Toilet Paper burst into flames and burn and he hurled his guts out.

Nico: Nice one!

Me: Time for some teamwork!

Volcana: Lets do it!

Cybertron Crumplezone: Yeah!

The blasts all combined and they hit Toiletnator all at once and exploded with incredible power!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Time for some final smash power!

Numbuh 4: Bring it Toilet Breath!

Numbuh 4, Numbuh 5, Numbuh 3 and Numbuh 362: KIDS NEXT DOOR SEWAGE WAVE SMASH!

They fired waves of raw sewage and they slammed into the Toiletnator and knocked him down! He was defeated.

We were back in the Underwater Treehouse.

Me: Now Numbuh 4 has something to tell you Lou.

Numbuh 4: That's right. I found this out in this comic book.

He pulled out a comic book for Codename: Kids Next Door called Operation: H.I.S.T.O.R.I.E. and he showed it to the Toiletnator and he read his biography and what he saw was shocking!

Toiletnator: (to Numbuh 4) Wait. You're my nephew?!

Numbuh 4: That's right. You're my uncle. I know it's shocking but long ago, dad and you got separated and we didn't know about you until I read about you in that comic.

The Masters of Evil heard about that and they were surprised.

Ghost: Whoa. That is a shock.

Saïx: Who knew?

Toiletnator broke down crying.

Numbuh 4 comforted him.

Ghost: You know, Toiletnator, you're always welcome to join the Masters of Evil.

Roquefort: That's right. We'll treat you way better than Father ever did.

Toiletnator: (smiles) Thanks. I'll join up when I'm ready. But right now, I need to sort things out with myself.

Saix: (smiles back) We understand. Take all the time you need.

Numbuh 1: Toiletnator, you know we can't just let you walk out of here.

Toiletnator: (smirks) Don't you have to check up on Patient C?

Numbuh 2: He's got a point.

Me: Okay.

Aqua: She's okay.

Me: Good.

Me: Lou wait. We can take you to meet your brother.

Toiletnator: You can?

Me: We sure can. You two need some time to catch up like family.

Toiletnator: You're right. I haven't even met my brother in like ever.

Me: I know. But first we got to have a talk with those Kids Next Door scientists about believing all that bullshit about Cooties. After we drop off a little someone back to prison.

We went up to RD Lincoln.

RD Lincoln: (to Lori, Lynn, and Lola) I'm surprised you ugly girls are sending me back to jail with how violent you three are. (smirks) You three can kill me for that insult now.

Me: Shut up!

I punched him in the face and knocked him out. We sent him back to prison.

We went back to our submarine and talked to the KND Scientists and gave them a good scolding and told them about there being no such thing as cooties and how they are just being stupid and dumb and that Cooties are a bunch of stupid fairy tales. Later we went to the house of Mr. Beatles.

We arrived at the house and knocked on the door. With us were Dr. Light, Mr. Boss, the Common Cold and the Box Ghost. Answering the Door was Mr. Sydney Beatles.

Mr. Beatles: (Australian Accent) Well if it isn't Team Loud Phoenix Storm.

Me: Hello Mr. Beatles. How have you been?

Mr. Beatles: Good thank you.

Numbuh 4: Hiya dad. We came to talk to you about something.

We went into the house and we got to talking about his brother.

Me: So you see Mr. Beatles, we found your long-lost brother Lou. But he was under the guise of The Toiletnator.

Numbuh 1: That's right. He was one of my sectors enemies and we thought he wasn't that big of a villain.

Mr. Boss: Man Lou we didn't know you were Sydney's long lost twin brother.

Toiletnator: I didn't even know I had a brother.

Common Cold: That's all right.

Box Ghost: But I know just how you feel Toiletnator. I know how hard it is to be treated like a joke. It's not pleasant.

Me: Yeah. Lots of villains have been treated like dirt because most superheroes treated them like they were not much of a threat and more like comic relief.

Robin: It's true.

Mr. Beatles: I had no idea. But how did you guys find out about the Toiletnator being my brother?

Numbuh 4: J.D. showed me about him being your brother in this comic book he showed me.

He showed Mr. Beatles the comic and he read it and more and it just confirmed it.

Mr. Beatles: It's all true.

They went and hugged.

Me: I'm glad you're all reunited.

Numbuh 4: I've got a lot of catching up to do with my uncle.

Me: As long as he doesn't end up becoming like Benedict Uno.

Numbuh 4: Yeah. (To the viewers) This was an awesome adventure. But look for family you haven't even known about and look for more relatives you don't know.

Me: Good thinking.

We had a good time talking.

---

When I was done everyone that hadn't heard about it was amazed.

Camie: Wow! But that is amazing that you guys reunited Numbuh 4 with his uncle who is also the Toiletnator.

Xenia: Yeah that was awesome.

Nico: If I were 4 dirtbags, where would I hide?

Then we heard screaming and then we saw people running for their lives from a bank!

Me: Uh oh! Looks like we got a 2-11 in Progress!

Nico: Lets go!

We flew into the bank and we saw Bullwhip and his gang stealing numerous amounts of money!

Nico: Drop the money now!

Bullwhip: Team Loud Phoenix Storm! KILL THEM!

Kneejerk went at me and had his chainsaw hand ready and I unsheathed my sword and blocked his strike and sparks flew out from my blade and set much of the bank on fire!

Eli: Taste this!

Eli fired waves of Force Lightning and electrocuted Bullwhip.

Nico: I won't tell you guys again!

Bullwhip: You can take the money over our dead bodies!

Nico: That can be arranged!

Bullwhip sent his metal whip and Nico grabbed it.

Nico: DRAGON THUNDER!

Nico channeled tremendously powerful lightning with Omega Shenron's power through the metal whip and it electrocuted Bullwhip with billions of intense volts of electricity turned him into a skeleton and his cybernetic components were all that were left.

Nico: That was pathetic.

Xenia: Yeah.

Terrapin went at Applejack and she punched him with her incredible strength and smashed ALL OF HIS ARMOR OFF HIM with a massively powerful punch and sent him crashing into a metal wall and knocked him out!

Nico: WHOA! Nice one Applejack!

May: Two to go!

I clashed with Kneejerk and more sparks flew everywhere!

Me: April Moon!

AUDIO CODE ACCEPTED - AUTO DESTRUCT!

Then Kneejerk's limbs all exploded off him and he screamed in pain as he fell apart leaving only stubs of his arms and legs.

Nico: Nice one.

Eli: He fell to pieces on that one!

Knux came at Rarity and she took out her rapier and slashed him all over and his metal components and arms were slashed to ribbons and then he hit the wall and knocked himself out.

Nico: Ouch.

We got the money back and they were stealing over $500,000,000,000,000,000.00.

Eli used the Force and analyzed their minds.

Eli: They were stealing this money all for themselves.

Qin: No work for an outside force?

Eli: None.

Me: Well now they will have all the time in the world to think about that.

Batman 2039 came just as we finished loading them up into the paddy wagons.

Batman 2039: Looks like you guys beat me to the punch.

Me: Sorry about that Terry. But we were just in the area.

Batman 2039: That was great that you guys got them.

Me: Yep. They will be good members of the M.O.E. We just have to find out who will be perfect for them.

Batman 2039: What Happened to Bullwhip?

Nico: Dead. Electrocuted by lightning.

Batman 2039: Good. Never liked the guy.

Me: Me neither.

Nico: We're not done yet.

Rita Loud: But we're ready… (WINCES)

Her mark for Monoceros the Unicorn started glowing.

Rita Loud: My mark for Monoceros the Unicorn is glowing.

Me: The Next Undead Zodiarts is for Monoceros the Unicorn.

Nico: You can still help us here, Terry.

Batman 2039: I would like that.

Then a figure came out and it was ANOTHER MONOCEROS UNDEAD ZODIARTS! And it had the same monsters mixed in with it as Sailor Kylmyys did for when she was Another Pegasus Undead Zodiarts! But this time she had the stars of the constellation of Monoceros the Unicorn on her.

Me: Whoa! Another Monoceros Undead Zodiarts!

Qin: For Monoceros the Unicorn in the Northern Hemisphere.

Nicole: That's right.

Nico: And you are?

Another Monoceros Undead Zodiarts: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and was a Sailor Soldier and she had black hair and blue clothes.

Me: (GASP) Natasha Zvezda A.K.A. Sailor Zvezda!

Nico: WHOA! The Home planet of the Celestialsapiens!

Xenia: Wow! I didn't know that Zvezda had a Sailor Soldier.

Sailor Zvezda: Yeah it's complicated.

Nico: Do you have split personalities too?

Sailor Zvezda: No I don't thank goodness.

Me: Celestialsapiens are also the most powerful beings in the entire universe and are said to be the very beings that made the entire universe into what it is over the last 13.7 billion years.

Sailor Zvezda: That's right. And like them I am the most powerful Sailor Soldier in the entire universe and I am just as strong as them.

Me: Wow!

Qin: That is amazing.

Nico: But how do you know her J.D.?

Me: Me and Natasha went to space camp together and she knows so much about the stars and the night sky and we even went to many other planets and brought to justice many criminals for the Plumbers and the Green Lantern Corps and all that.

Qin: That is incredible.

Sailor Zvezda: It sure is. And also the Celestialsapiens are still peeved at Professor Paradox for what he did.

Nico: What did he do?

Me: Not really sure myself. But Ben told me that he is not allowed to go within 500 lightyears of ANY Celestialsapien for some reason.

Albedo: I asked Ben myself. And he said that some things are best left unsaid.

Me: Oh. I think I understand.

Qin: Yeah.

Me: But also Natasha have you heard about what Aggregor was going to do there?

Sailor Zvezda: I sure did and that was awful. But before I got turned into this Undead Zodiarts form I used my powers and stripped him of his powers. He is now as powerless as a normal human being.

Me: Good. That will make him easier to take out in the future.

Brittney: And I'll use a spell on him that will make sure no Dark Orbs, Number Cards or any Ridewatches for Another of Anything get to him.

Nico: Good.

Me: Before we fight are there any other opponents with you?

Sailor Zvezda: Yes there are. Another version of him.

She pointed to Atomic Skull.

Atomic Skull: Another me!? Wow!

Me: This will be interesting. Friendly or hostile?

Sailor Zvezda: Friendly. And she knows you really well J.D.

Me: Cool.

Nico: In my opinion, the rest of them should be friendly.

Me: Agreed.

Sailor Zvezda: Just a heads up though, she doesn't speak English. But I do understand her.

Me: Got it.

Rita: Shall we get started?

Sailor Zvezda: We shall.

She turned into Another Monoceros Undead Zodiarts and Rita fired a blast of lightning and and it hit her and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the Rouse Card and Zodiarts switch and purified it and the Rouse Card had a picture of the stars and symbol of Monoceros the Unicorn on it as well as a picture of a unicorn.

Me: Cool.

The Zodiarts Switch glowed and turned into armbands for those marked with Monoceros the Unicorn.

I went and picked up Sailor Zvezda and brought her over.

Varie: She'll be all right.

Nico: We're not done yet.

Then my geiger counter started to click like mad.

Me: Uh oh. Radiation!

Xenia: It's close.

Then a figure came out and it was a dark version of ATOMIC SKULL!

Me: Whoa! Another Atomic Skull!

Xenia: Wow This one is intensely radioactive.

Lola: Yep.

Another Atomic Skull: (In a girls voice) (Speaking Ukrainian) I добре бачити вас знову, Джеймс Надсон. (And it is good to see you again James Knudson.)

Me: (GASP) That voice. (Speaking in Ukrainian) Соня Шевченко, дуже приємно знову тебе бачити, і ти чудово виглядаєш у ролі ще одного атомного черепа. (Sonnya Shevchenko it's really good to see you again and you look amazingly well as Another Atomic Skull.)

Another Atomic Skull: Дякую. (Thank you)

Me: Guys this is Sonnya Shevchenko. She's from the Ukraine and she worked in a nuclear power plant. She got exposed to nuclear radiation and has intensely strong fire powers as well as angel wings.

Nico: Wow!

Zuria: Boy J.D. sure knows how to speak in all sorts of languages.

Camie: He sure does.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Me: Соня, що тобі обіцяв Шварц, якщо він тобі взагалі щось обіцяв? (Sonnya what did Swartz promise you if he promised you anything at all?)

Another Atomic Skull: Він пообіцяв допомогти мені стати великим фізиком-ядерником і працювати над пошуком ліків, щоб позбутися мого стану. Мої сили повільно руйнують мою атомарну структуру ДНК, і я не маю багато часу, перш ніж стати небезпечним психотом. (He promised to help me become a great nuclear physicist and work to find a cure to get rid of my condition. My powers are slowly disintegrating my atomic DNA structure and I don't have much time before I become dangerously psychotic.)

We gasped!

Me: О, чоловіче! Це схоже на те, що сталося з Хіміко та «Приголомшливим тріо». Гамма-випромінювання зробило ваші сили небезпечно нестабільними, і незабаром воно вас знищить. Але ми маємо силу допомогти вам стати краще. Після того, як ми врятуємо вас від цього, ми використаємо наші сили, щоб допомогти вам. (Oh man! That is like what was happening with Himiko and the Terrific Trio. The gamma radiation made your powers dangerously unstable and it will destroy you soon. But we have the power to help you get better. After we save you from this we'll use our powers to help you out.)

Another Atomic Skull: Будь ласка поспішіть! Я не маю багато часу. Я використовую всю свою силу волі, щоб залишатися здоровим. (Please hurry! I don't have much time. I am using every ounce of will power I have to stay sane.)

Me: Гаразд. (Okay!) Come on guys! We have to hurry!

Nico: Right!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Me: How about this? (ACTIVATES ATOMIC SKULL'S VISTAMP)

ATOMIC SKULL!

I fired a blast of Atomic fire and it hit Another Atomic Skull and smashed her down!

Nico: Nice one!

Qin: That was awesome!

Himiko: That is very similar to what happened with me. Expect I didn't get an unstable mind from gamma radiation. It was my quirk.

Qin: Yeah no kidding.

Nico: (gets out Atomic Skull's Ridewatch) Relax. Our power make us completely immune to radiation.

Himiko: I know that and you guys saved me from myself.

Qin: But we will save her.

Nico activated his ridewatch and fired waves of energy and smashed her down.

Nico: By the way J.D. how do you know Sonnya?

Me: I met her in a foreign exchange program and she shared with us everything that happened to her home country. She also shared much of her food and it was awesome.

Nico: That's cool.

Me: Yep.

Nico: (gets out Evil Skull Man's Ridewatch) Time to knock some skulls!

Kimimarō: Awaiting your orders Nico. (Gets out Evil Skull Man's ridewatch)

Nico: Lets use a combo on him.

Kimimarō: Lets do it.

Nico and Kimimarō: CLEMATUS SKULL VINE WHIPS!

Nico and Kimimaro activated their ridewatches and used the Dead Bone Pulse power and formed a razor sharp vine from their spines and smashed her down.

Lola: YIKES!

Qin: Man doesn't that hurt you Kimimarō?

Kimimarō: No the Kaguya clan has been widely known for using their bones as weapons. We form weapons from own bones and we regenerate them.

Me: It's true. I saw this power in action myself in 150,000 years and I was grossed out by it at first but I was amazed that they can do that.

Qin: Wow.

Lincoln: Guys, maybe you didn't hear J.D.

May: (gets out Universe 666 Erigor's Ridewatch) Lincoln, we're going as fast as we can!

Me: Wait! Соня, як ти думаєш, скільки часу тобі залишилося? (Sonnya how much time do you think you have left?)

Another Atomic Skull: З огляду на те, як я йду, я б сказав, що менше ніж півтори години. (From the way I am going I would say about less than an hour and a half.)

Me: We have plenty of time.

Nico: Good.

Lincoln: An hour and a half.

Nico: Yep.

May activated Universe 666 Erigor's ridewatch and got his scythe and fired waves of blades of energy and smashed her down.

May: (gets out Flame Chomp's Ridewatch) Chomping time!

May activated it and fired waves of fire from her mouth and blasted down Another Atomic Skull.

Nico: Fiona, Marie, Nicole, Natasha, stand ready when she is back to normal.

Qin: Oh I get it. You're going to use the same power you used on Himiko.

Fiona Hernandez: That's right. If it worked on Himiko it can work on her.

Nico: Go for it.

Maria: (gets out Bazooker Doomlander's Ridewatch) But when we give the signal.

They nodded.

Maria: Nothing better than The Pancake House! (Activates Bazooker Doomlander's Ridewatch)

She got his Bazooka.

Nico: Boy that is a cheesy catchphrase.

Bazooker Doomlander: Yeah Lord Kaos gave me a catchphrase that didn't make a lot of sense.

Me: I think it's really funny and cool.

Bazooker Doomlander: I'm glad you think so.

Maria fired waves of rockets and smashed down Another Atomic Skull.

Maria: (gets out Universe 666 Maleficent 1959's Ridewatch) Feel the powers of Hell!

She activated it and got her staff and fired massive blasts of green fire and blasted down Another Atomic Skull!

Me: YEAH! That was infernal!

Xenia: Awesome too!

Then Tala and her team consisting of Virgo Zodiarts, Bubbles (Kirby), Grady Twins, Anti-Sora and Mama Cosma came.

Me: Nice team, Tala!

Tala: Thanks Nico.

Me: And the Grady Twins are with you? Wow!

Alexie Grady: It's good to see you again J.D. We thank you for helping us.

Me: It was my pleasure.

Nico: How do you know the Grady Twins?

Me: Remember during one of my rescues we went to the Stanley Hotel and I helped them cross over?

Nico: Oh right! Yeah you told me about that. That was amazing.

Me: Yep. And Mama Cosma, Cosmo told me so much about you.

Mama Cosma: Oh it's a pleasure to finally meet you in person J.D. As long as you're helping to keep my Cosmo-lolo away from that Wanda girl!

Me: You really hate Wanda don't you?

Mama Cosma: Oh goodness no. I dislike anyone that takes him away.

Me: Sheesh.

Nico: We'll talk about that later.

Eli: Yeah.

Kimimarō: I think it's time for some skulls to fly. (ACTIVATES EVIL SKULL MAN'S RIDEWATCH)

He fired waves of skulls and smashed Another Atomic Skull down.

Nico: Get ready, girls!

Me: Wait for the Gene-slammer.

Then we saw an Electrode roll in.

Me: An Electrode. Uh oh! I hope this one doesn't explode!

Electrode: (In a girls voice) (Japanese accent) Don't worry I won't.

Nico: (Gasp) Sakura Taiyouhime! Wow!

Electrode: I got this.

She fired a wave of lightning and knocked down Another Atomic Skull and I caught the ridewatch and purified it. Sonnya was a girl with blond hair and had glowing red angel wings and she had red clothes.

Nico: Now!

The Hernandez Sisters got into formation.

Fiona, Marie, Nicole and Natasha : Our Father, who art in heaven, hallowed be thy name; thy kingdom come; thy will be done on earth as it is in heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen. HOLY PURIFYING SOUL ANTIDOTE FORMATION!

They stood in a square formation and enveloped Sonnya in a blinding light and it got rid of the radiation that was destroying her and cured her and even fixed her DNA. Her powers remained but they were fully stable.

When it was done she got up and was weak and I caught her.

Sonnya Shevchenko: (GROANS) Що мене вдарило? Я відчуваю себе так, ніби мене збив потяг з тоннами плутонію. (What hit me? I feel like I was hit by a train carrying tons of plutonium.)

Me: Сестри Ернандес врятували вас і зробили краще. Ти вилікувана Соня. (The Hernandez Sisters saved you and made you better. You are cured Sonnya.)

She then hugged me.

Qin: Wow that was awesome!

I brought Sonnya over.

Nico: Great job girls!

Batman 2039: That was really awesome.

Maria: Now, if only we can help you speak English.

Nico: We can teach her.

Kimimarō: Yes.

Electrode: That was really fun though.

Me: It sure was and I see what your last name means. Taiyouhime means Sun Princess and that is very cool.

Rarity: I think it's really amazing.

Nico: Yep.

Kimimarō: What's your favorite memory of Nico?

Electrode: My favorite is when me and Nico busted one of Japan's most dangerous and most nefarious Yakuza family's and we gave them all the death sentence.

Me: Wait you mean the Getsumoto Raid was done by you two?

Nico: Yep.

Me: Wow that was so cool!

Eli: It sure is.

Nico: Yep.

Me: Lets get you back to normal.

Electrode: Just so you know I'm naked.

Nicole: Uh oh. No peeking guys or else!

I put on my blind man glasses and snapped my fingers and everyone covered their eyes.

Sakura regained her limbs and had her golden hair and eyes and was back to normal and then the fashion brigade moved in and gave her an awesome and beautiful golden yellow kimono.

She got up.

Sakura Taiyouhime: Oh wow.

Nico helped her up.

Sakura Taiyouhime: I look amazing.

Nico: You sure do.

Nico and Sakura hugged.

Nico: I've missed you my Sun Princess.

Sakura Taiyouhime: And I missed you too Nico.

Sakura regained her limbs and had her golden hair and eyes and was back to normal and then the fashion brigade moved in and gave her an awesome and beautiful golden yellow kimono.

She got up.

Sakura Taiyouhime: Oh wow.

Nico helped her up.

Sakura Taiyouhime: I look amazing.

Nico: You sure do.

Nico and Sakura hugged.

Nico: I've missed you my Sun Princess.

Sakura Taiyouhime: And I missed you too Nico.

And we're going to destroy the next villain waiting for us there: King Cold, Frieza's father, and he wants revenge on us for what we did in killing his son, Frieza.

Lincoln: Wow, we're back in Los Angeles for Day 3 of the treasure hunt, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but TLPS Mr. Shark is going to get a powerful treasure there: a powerful greatsword known as The Ocean Maelstrom Shark Fang Greatsword of Poseidon.

TLPS Mr. Wolf: And we're going to destroy the next villain waiting for us there: King Cold, Frieza's father, and he wants revenge on us for what we did in killing his son, Frieza.

Nico: I always knew we'd go after the father of that stain who drove my people down that path into darkness, now, we got the chance to finally end this nightmare once and for all.

Me: That's right.

Lincoln: And we got reports that his entire army is here, about 1,600 soldiers, and they're all out for one thing: revenge on us for killing Frieza. But, just like with Einon's army, I'll use The Djinn's powers to turn their greedy desires into their worst nightmares, and finally, claim their souls, and I want to thank you, Mage Meadowbrook, Mistmane, Flash Magnus, and Stygian for joining us, Haiku.

Haiku: You're welcome, Lincoln. So, what's the plan first?

Lincoln: First, we get The Ocean Maelstrom Shark Fang Greatsword of Poseidon, and then, we go after King Cold's army, and finally, we take down the king himself.

Goku: And you've heard that Nico's taking a break on the rescues, right, Lincoln?

Lincoln: That's right, Master Goku, and I'm also going to take a break on the rescues: a four-day break for this, but to make sure Dr. Wrecker, Garlic Jr., and Marmalade don't get any funny ideas.

Lincoln fired three blood red energy blasts, and they trapped Dr. Wrecker, Garlic Jr., and Marmalade in three blood red energy fields, which have frozen them in place.

Lincoln: There, those energy blasts I fired trapped Dr. Wrecker, Garlic Jr., and Marmalade in three blood red energy fields, which have frozen them in place. Now, we can have a four-day break from the rescues, and those three won't have any funny ideas. Now, to get The Ocean Maelstrom Shark Fang Greatsword of Poseidon.

We arrived at a ocean blue-colored shrine with shark statues, and we entered the shrine, and we saw a powerful greatsword with light shining down on it: The Ocean Maelstrom Shark Fang Greatsword of Poseidon, a massive greatsword with embedded ocean blue gems on the 7'0" massive, wide, double-edged blade, large shark heads for the crossguard, large ocean blue gem embedded in the rainguard, longer midnight black handle, and four large shark heads for the pommel.

TLPS Mr. Shark: Wow, so that's The Ocean Maelstrom Shark Fang Greatsword of Poseidon, incredible.

Suddenly, we saw White Aura Dolphin appear before us, and with it are the twelve girls.

Nico: Wow, that's White Aura Dolphin.

White Aura Dolphin: (Girl's voice) That's right, and I got the girls away from that vengeful father of Frieza.

Lincoln: (Gasps) That voice, Eliana Robinson, I knew it was you, it's awesome to see you again, but we'll talk later. Let's get after King Cold's men and unleash Hell on them, and finally, we get after the king himself.

TLPS Mr. Shark went up and grabbed The Ocean Maelstrom Shark Fang Greatsword of Poseidon and we left the shrine to hunt down King Cold's army, and then, the king himself. Suddenly, we saw many energy signals heading straight for us: it was King Cold's army and they were all out for blood.

Lincoln: (Deep Sapphire Eyes and Rainbow Iris of Third Eye turns demonic red) Right on time.

Lincoln went up to the army of 1,600 of King Cold's soldiers

Lincoln: What would all of you desire, instead of following King Cold's orders?

The soldiers tried to fight it, but Lincoln got the better of them as he relied on their desires and their greed.

Soldier: We desire to destroy all those who dare to oppose our king.

Lincoln: (Smirks) As you wish.

Suddenly, the army of 1,600 soldiers in King Cold's army began attacking each other in a brutal and very bloody fashion, and we all saw it for ourselves, then, Lincoln chained every last one of them up in energy chains and Lincoln's demonic red eyes change back to deep sapphire blue and the demonic red iris of his Third Eye changed back to rainbow colors.

Lincoln: That'll take care of the soldiers. Now, to get after King Cold himself.

Suddenly, we sensed a massive energy signal heading straight for us, and we all knew who it was: it was King Cold, and he was heading right for us, and he was pissed.

TLPS Mr. Wolf: Right on time, King Cold.

Then, TLPS Mr. Wolf snapped his fingers, and we took the battle to Glaren, so that no one would get hurt by King Cold.

TLPS Mr. Shark: I should've known you'd be the next to show up, King Cold, looks like you're still angry for what we did to Frieza.

King Cold: Indeed I am, and for that, I will destroy every last one of you, along with the entire Earth for what you did to my son.

Suddenly, something within TLPS Mr. Shark's mind snapped as memories of what King Cold had done had rushed through his head, and his yellow eyes turned neon yellow and he was surrounded by a rainbow energy aura with sharks, ocean waves, and water, he unholstered his massive Poseidon's Shark Sword of The Seas from his back, and as he approached King Cold, he left rainbow energy, sharks, ocean waves, and water with every step.

TLPS Mr. Shark: I will never ever forgive you for everything that you'd done over the years, King Cold, you and your despotic son, Frieza, you callously took the lives of so many innocent people just because they "got in your way", and on top of that, you had nothing more than an utter disregard for life. (SUDDENLY GETTING EXTREMELY AND REALLY PISSED OFF) But, what your sadistic son did in destroying Planet Vegeta and causing the genocide of The Saiyans after you lied and manipulated them and turned them into being ruthless and evil, and all for your dirty work… , YOU'VE CROSSED ONE DAMN LINE TOO MANY, YOU WORTHLESS, EVIL, CONNIVING, SELF-SERVING BASTARD, AND FOR ALL THOSE LIVES THAT YOU AND YOUR MINIONS HAVE TAKEN OVER THE YEARS, I WILL MAKE YOU SUFFER ALL OF THE CONSEQUENCES FOR EVERY LAST ONE OF YOUR BLOODSTAINED MISDEEDS IN FULL BEFORE I PUT A PERMANENT END TO YOUR WORTHLESS MISERABLE LIFE, JUST LIKE WHAT MR. WOLF DID TO FRIEZA!

We gasped at the sheer unimaginable extent of TLPS Mr. Shark's rage, and payback and retribution was now coming fast to King Cold.

Nico: Tell me that I didn't just hear what I think I heard?!

Me: We all heard it, his rage has been unleashed.

TLPS Mr. Wolf: And that rage has now been aimed right at the father of Frieza for everything that he's done in the past. STAND YOUR GROUND! HE'S GOING TO BLOW!

We stood our ground as TLPS Mr. Shark screamed like a madman and he was suddenly surrounded by a massive vortex of rainbow energy with water and ocean waves surrounding it, there's a pack of sharks swimming around the vortex, and in the vortex is an ocean blue phoenix. Then, as the vortex faded, TLPS Mr. Shark emerged, but he was changed forever.

TLPS Mr. Shark grew from 7'4" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight pack abs, his tail's gotten longer for his new body, he has neon yellow eyes and a rainbow energy aura with sharks, water, and ocean waves surrounding him, he has a shark emblazoned on his forehead and Third Eye with aqua blue iris, he has on a Crystal Necklace of the Buddha with yellow gems on the gold water drop links and aqua blue crystal links and aqua blue shark-shaped Element of Harmony and below the Element of Harmony is a shark with aqua blue gems for eyes and the Water and Eternity Kanjis in its fins for the pendant, he now has on large gold metal bands on his massive biceps and thighs, and he now has nine large aqua blue orbs orbiting around his legs. TLPS Mr. Shark has on a sleeveless red tank top that outlines his eight-pack abs and massive pecs and it has a aqua blue phoenix on it and shark on it, long black leather pants with ocean waves on them, black leather knee-high combat boots with shark heads for the buckles, and a long white sleeveless trenchcoat with sharks, ocean waves, and water on the coattails and on the back is a shark surrounded by water. Suddenly, TLPS Mr. Shark felt a pain on his now wider and more muscular back, and then, his massive aqua blue angel wings with blue tips on the large blue feathers grew bigger for his new body, he has on his Ring of The Phoenix with large aqua blue gem and heart-shaped gem embedded in it on his right ring finger and a Green Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, TLPS Mr. Shark's massive Poseidon's Shark Sword of The Seas and The Ocean Maelstrom Shark Fang Greatsword of Poseidon and all the swords he'd gotten began merging together and they're surrounded by a kaleidoscope of rainbow energy, sharks, ocean waves, and water, and when it emerged, it was transformed into Poseidon's Greek Ocean Maelstrom Shark Fang Greatsword of Water Shark Justice, it's a brand-new massive greatsword with embedded aqua blue gems and the Greek God of the Sea, Poseidon, etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue shark heads for the crossguard, large aqua blue gem for the rainguard, longer midnight black handle, four large aqua blue shark heads with blue gems for eyes and a large aqua blue gem on the bottom of the shark heads for the pommel, TLPS Mr. Shark has on his large gold cuff Bracelets of the Champions of The Universe with aqua blue gems on his wrists, gold Belt of Elemental Bravery with gold shark head with blue gems for eyes and a large aqua blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver. There's an aqua blue kanji below the shark that said, "Team Loud Phoenix Storm Mr. Shark, Awesome Member of The Bad Guys

Gang, Awesome Master of Disguise, Awesome and Hilarious Member of Team Loud Phoenix Storm, Foiler of Professor Marmalade's Schemes, Archenemy of Burter, Ender of The Vampire-Lycan War, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Snakes and Warrior of Darkness, Emissary of Poseidon, Defender of Sharks and Warrior of the Seas, and Master of Water and Sharks"

We were amazed by TLPS Mr. Shark's Super Angel-Shark-Harmony Celestial Eternal Xelnaga transformation, but when King Cold saw it, he tried to fire a Death Beam at him to kill him, but TLPS Mr. Shark fired a powerful rainbow energy blast with ocean waves, water, and sharks at King Cold, and it exploded with incredible power as it hits him, and it removed The Dark Orb, which Lincoln sent to The Warp, King Cold got up, but now, he was beyond enraged.

TLPS Mr. Shark: (Divine Echoing Cosmic Voice of The Greek Water Oceanic Maelstrom Shark and Divine Greek Water Shark Justice) Don't you dare glare at me like that, King Cold, you've had this coming for a very long time! Now, it's time for you to pay!

TLPS Mr. Shark went after King Cold, who tried to blast him with more Death Beams, but he deflected all of them, and he fired powerful blasts of rainbow energy, water, ocean waves, and sharks at King Cold, and they exploded with incredible power as they hit him, and he also attacked King Cold with his massive greatsword, leaving scars and spilling his blood all over the planet.

Nico: He's really tearing King Cold to shreds!

Lincoln: We shouldn't be left out though, come on, gang, let's give TLPS Mr. Shark a hand and tear down King Cold for good, and end the last remnant of Frieza for good.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf unholstered his massive Fenrir's Nordic Lunar Eternal Full Moon Wolf Greatsword of Lunar Moon Justice from his wider and muscular back and transformed into Super Angel-Wolf-Harmony Celestial Eternal Xelnaga Nordic Midnight Moonlight Firestorm Wolf Moon Angel of Divine Nordic Lunar Wolf Moon Justice and Divine Nordic Wolf Moon Life, the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Haiku and her team, X-Squad Cell, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after King Cold, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, TLPS Mr. Shark broke King Cold's left arm with a brutal kick and he then sent him flying with another, and that allowed Lincoln to to turn the tip of one of his eleven massive and long white wolf tails into Cell's stinger, and as he stabbed it into Frieza, Lincoln began absorbing King Cold and he was also assimilating his powers and abilities. Then, as soon as he was done absorbing King Cold, the stinger changed back, and he gave King Cold The Black Gates as an energy card with his soul appeared from a blast fired by Lincoln's massive greatsword. We cheered as we holstered our weapons and powered down, and TLPS Mr. Shark's new body, clothes, weapons, jewelry, Third Eye, and massive aqua blue angel wings are permanent, and we were also back on Earth.

TLPS Mr. Shark: Good riddance, you heartless self-serving bastard, and don't you dare come back.

Lincoln: The Black Gates made sure of that, TLPS Mr. Shark, and now, we've gotten rid of King Cold for good and wiped out the last remnant of Frieza for good. Now, to take care of his army who are still under the effect of their wishes.

Lincoln took out his Stone of The Secret Fire and it was already glowing red, and the skies turned red like seas of blood.

Lincoln: I claim that which is owed.

Suddenly, King Cold's army of 1,600 men convulsed even more in pain, and then, their souls were pulled out of their bodies and Lincoln's Stone of The Sacred Fire absorbed them, and as soon as Lincoln was done, he absorbed all of the energy from the army of soldiers and he sent their souls to The Black Gates forever.

Lincoln: There, now we're finally rid of King Cold for good. (To Eliana Robinson) And it's so good to see you again, Eliana Robinson.

Eliana Robinson reverted back to normal, and she was a beautiful girl with long flowing white hair and aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a dolphin emblazoned on her forehead, massive and beautiful white angel wings, and a white aura as she reigned in the power of White Aura Dolphin and she was dressed in an sleeveless aqua blue open blouse, sleeveless aqua blue midriff top, aqua blue shorts, aqua blue sneakers, and long white sleeveless trenchcoat with ocean waves and dolphins and on the back is White Aura Dolphin, and holstered on her back is a White Aura Dolphin-themed greatsword with White Aura Dolphin etched on the 7'0" massive, wide, double-edged aqua blue blade, white dolphin heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large white dolphin heads with blue gems for eyes and a large aqua blue gem below the white dolphin heads for the pommel.

Eliana Robinson: You too, Lincoln, it's been a long time.

Lincoln went up to Eliana Robinson and he hugged her, and Eliana Robinson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Eliana Robinson: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Eliana Robinson, she's my Guardian Angel from Michigan and classmate in Biology, but she's also an expert swimmer and an expert on identifying the different types of marine life and she has knows a lot about the marine ecosystem. She and I would spend time in the ocean learning much about the different marine life that live in the ocean, and we also would do their part to keep the oceans clean of any litter that people carelessly throw into the ocean as it's dangerous to the marine life.

Me: Wow, that's really awesome, you guys are both learning about the marine ecosystem and marine life while cleaning up the trash that people carelessly throw into the ocean.

Lincoln: That's right, and this one time, while observing the marine life, she and I kissed underwater, and she hates Lynn with a burning passion.

Nico: Uh oh, what did she do to earn her hatred?

Eliana Robinson: You're not going to like hearing it. (To Lincoln) And Lincoln, there's something I want to give you, I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Eliana, are you absolutely sure about this?

Eliana Robinson: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Eliana Robinson, and he saw that she's really serious, and he smiled as he walks over to Eliana Robinson, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Eliana Robinson's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Eliana Robinson's neck with aqua blue gems on the gold lightning bolts and white crystal links from her merged Crystal Necklaces of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Eliana Robinson: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Eliana.

Eliana Robinson had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he recognized them immediately. The twelve girls are Kurumi, Saki, Karinka, and Kaori from Steel Angel Kurumi, Mizuno Aomiya, Mika Yamabuki, Chisaki Sakurama, and Shinozaki Sakurama from Kemono Tamashii Sentai Juusoruja, and Jo King Diamonds XVII, Sunday King Spades XVII, Coco Hearts XVIII, and Casa Clover 17th from Wild Cardz.

Lincoln: Are you girls okay?

Kurumi: Yes, we're okay, thanks to you.

Kurumi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kurumi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kurumi, Saki, Karinka, Kaori, Mizuno Aomiya, Mika Yamabuki, Chisaki Sakurama, Shinozaki Sakurama, Jo King Diamonds XVII, Sunday King Spades XVII, Coco Hearts XVIII, and Casa Clover with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told them that TLPS Mr. Shark had gotten The Ocean Maelstrom Shark Fang Greatsword of Poseidon, and they were shocked when they found out the villain we went after was King Cold, Frieza's father, who wanted revenge on us for what we did to his son.

But, when Lincoln showed what happened such as TLPS Mr. Shark transforming into his Super Angel-Shark-Harmony Celestial Eternal Xelnaga form and he and all of us laying a brutal beatdown on him and Lincoln finishing King Cold off by using Cell's absorption technique and sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Eliana Robinson have a lot of catching up to do, now that she's back in town. Plus, Lincoln also showed what he did to King Cold's army and what he did in freezing Dr. Wrecker, Garlic Jr., and Marmalade by firing blood red energy blasts, which trapped them in energy fields and froze them.

Maria: Oh man, I certainly wasn't expecting Frieza's father to be there, but he was pretty pissed off at what you guys did to Frieza.

Lincoln: Yep, but we put an end to him for good, and I used my strategy from when we went after Einon's army, and they were done in by their greedy desires.

Nico: It was really brutal, they started beating each other into a bloody pulp, it was nuts. But, Lincoln restrained them long enough for us to kill King Cold.

Me: And then, he used his Stone of The Sacred Fire and collected their souls and absorbed all of their energy and sent them to The Black Gates forever.

Lincoln: Yep, and we gave ourselves a four-day break from our rescues, but when the rescues start back, Dr. Wrecker's the next one to die.

---

After finally getting rid of King Cold and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Eliana Robinson saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Eliana Robinson: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Eliana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Eliana Robinson: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Eliana, why did you hate Lori with a burning passion?

Eliana Robinson: You're not going to like it one bit. One day, as Lincoln and I were underwater, we were doing an observation of some of the sea life there in Lake Erie. But, then, we saw empty protein bars and protein powder jars being callously dumped into the ocean, and we rushed in and cleaned it all up. We got out of the water to see Lynn callously dumping empty protein bars and protein powder jars into the ocean and she was laughing cruelly at us, the bull-headed bitch. I'd had enough of Lynn, and the same went with Lincoln, we fired blasts of water at her, and she absolutely lost it big time and threatened to kill us, but before she could attack me, Lincoln grabbed Lynn by her shirt and slammed her onto the sand. I was really stunned with awe at how quick Lincoln was to save me and I was blushing madly at how dominant he was when he slammed Lynn into the sand. After I recovered from the display from Lincoln, we tied Lynn up with neon energy ropes Lincoln fired from his massive white angel wings, and he called his parents, who came to Lake Erie. Lincoln told everyone of what Lynn did, and they were extremely furious at her, in the end, Lynn got her smelly butt grounded for fifteen weeks, and she had to spend all that time in cleaning up all of the trash she callously dumped into Lake Erie. And I also kissed Lincoln and he returned it, and Lynn watched in anger.

We cheered.

Eli: Wow, you guys really saved all that marine life and the oceans from Lynn's heartless act.

Nico: Yeah, you guys made Lake Erie safer, and when you and Lincoln kissed and right in front of Lori, I can guess she was pissed off big time.

Me: You bet she was, but I made sure she didn't do anything else to Lincoln or his Guardian Angels, or she was going to be in a ton of trouble even worse than she was in at that time.

Lincoln: Lynn's stunt crossed a line for those who care about the environment, mainly my Guardian Angels who have the powers of water, and they swore if Lori did that again, they were going to kick her butt hard.

We got a shower afterwards, and then, Clyde, Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon are heading to Green Hill Zone.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", and extremely muscular man was dressed in large blue swim trunks with the phoenix and a clock surrounded by stars on them and silver flames coming off the swim trunks, blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon each had feelings for Clyde and Clyde also had those same feelings, and Clyde saved them from an attack by Trina Riffins who busted out to kill them for another time to get revenge, but Clyde saved them and he gave Trina Riffins another beatdown and chained her up again.

Apple Bloom: Wow, so this is Green Hill Zone, amazing.

Clyde: Yep, and it's perfect for our first date, Apple Bloom. Shall we?

Clyde, Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells Clyde summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to the Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon and they hugged the girls in their abnormally massive and powerful muscular arms and Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss.

Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: (Snickers) Looks like someone had a good time at Green Hill Zone, eh, Clyde?

Clyde: (In Heaven) It was awesome!

Rarity: And we're so glad our little sisters are now part of Clyde's harem.

Lincoln: Clyde will take good care of them, Diamond Tiara, and Silver Spoon, Rarity, and you're right, it's really great that Apple Bloom, Scootaloo, Sweetie Belle, Diamond Tiara, and Silver Spoon are now part of Clyde's harem.

Me: Yeah, it's awesome.

Nico: Just like how Rainbow Dash, Rarity, and Applejack are part of your harem, Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Pinhead, the Hell Priest and leader of The Cenobites, and he's returned from the dead to get revenge on us for destroying him last year. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit: the dark energy signal that we just sensed belongs to our old enemy, Pinhead, the Hell Priest and leader of The Cenobites, and he's returned from the dead to get revenge on us for destroying him last year.

We gasped.

Nico: No wonder we didn't see him when we met Jeanne Xennoxia, but now, we're going to see to it that he never returns to hurt anyone ever again.

Luna Spencer: That's right. Plus, since The Lament Configuration was destroyed, there's only one way he could've come back: a Dark Orb.

Lincoln: Since that's the case, we'll remove it and send it to The Warp by fighting Pinhead, and we're going to see to it that he never hurts another innocent soul ever again.

Nico: That's right. Now, today, we've got a party planned at Lynn's Table to recap the events of 2022 and The Masters of Evil are waiting for us there, but first things first, we got hunt down Pinhead and send him to The Black Gates forever. Let's go, gang, we've got a final showdown with the Hell Priest and leader of The Cenobites.

Lincoln: This time, he's never going to hurt another soul ever again.

We flew out of the World Tree Estate to hunt down and destroy Pinhead, and this time, he's never coming back to hurt anyone ever again.

We arrived at the park.

Me: I always knew there's no mistaking that voice from anywhere. You can come out now, Pinhead.

A figure came out, and it was none other than Pinhead, the Hell Priest and leader of The Cenobites.

Nico: I never thought we'd have to deal with you once again, but this is the absolute last time we ever have to deal with you, Pinhead.

Pinhead: We shall see, and now, we'll tear your souls apart!

Luna Spencer: You shall not hurt another soul ever again, demon!

Suddenly, Luna Spencer's sapphire blue eyes turned sapphire blue and she was surrounded by a sapphire blue energy aura with sapphire blue fire, sapphire blue gems, and Pegasi, she unholstered her massive Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Crystal Pegasus-themed greatsword from her back, and as she approached Pinhead, she left sapphire blue energy, sapphire blue fire, sapphire blue gems, and Pegasi with every step.

Luna Spencer: I will never ever forgive you for the crimes you've committed against humanity, Pinhead, so many lives had been lost because of you and your Cenobite minions, and now, you shall pay the price for your blood-stained crimes in full.

Suddenly, Luna Spencer was surrounded by a massive vortex of sapphire blue energy with sapphire blue gems and sapphire blue fire surrounding the vortex, there are Pegasi, Crystal Beast Sapphire Pegasus, and Advanced Crystal Beast Sapphire Pegasus flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Luna Spencer emerged, but she was changed forever.

Suddenly, Luna Spencer felt a sharp pain on her back, and then, her massive sapphire blue angel wings with sapphire blue gems and blue tips on the feathers on the feathers grew much bigger for her new body, and she now has eleven massive and long sapphire blue wolf tails, she has on a Ring of The Phoenix with sapphire blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Luna Spencer has transformed into SUPER ANGEL-SAPPHIRE PEGASUS-HARMONY CELESTIAL ETERNAL XELNAGA BLUE SAPPHIRE FIRESTORM PEGASUS ANGEL OF DIVINE BLUE SAPPHIRE FIRESTORM JUSTICE AND DIVINE BLUE SAPPHIRE FIRESTORM LOVE!

We were amazed by Luna Spencer's Super Angel-Sapphire Pegasus-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Pinhead saw it, he sent chains with metal hooks to kill her, but Luna Spencer slashed all of the chains to pieces and she fired a powerful sapphire blue energy blast with sapphire blue gems, sapphire blue fire, and Pegasi at the Cenobite, and it hit him and he went back flying a bit, he got back up, but now, he was really annoyed.

Serenity Lexington: Whoa, Luna Spencer's transformed, awesome!

Lincoln: And she slashed all of Pinhead's chains that he sent after her and she blasted him, and Luna, you look beautiful, how do you feel?

Luna Spencer: (Divine Echoing Cosmic Voice of The Blue Sapphire Firestorm Pegasus and Divine Blue Sapphire Firestorm Love) I feel incredible, Linky. Now, shall we put an end to this interdimensional demon once and for all?

Lincoln: (Smiles) With pleasure, Luna.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Luna Spencer.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Pinhead, now it's time for you to pay the price.

Luna Spencer and Lincoln went after Pinhead, who tried to attack them with more chains with metal hooks, but they slashed all the chains to pieces, and they fired extremely powerful blasts of rainbow energy, sapphire blue energy, sapphire blue fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Pinhead and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off Pinhead now.

Pinhead tried to run at Lincoln and cut him down with his knife, but Lincoln disarmed Pinhead of his sword with one swift swing of his massive greatsword, and he slashed at Pinhead's chest, leaving a bloody gash, and he also fired a magnetic blast, which removed all the pins from his head.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Luna Spencer, her hand-cannon Blaster is known as Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus' Sapphire Blue Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's sapphire blue with blue flames on the blaster and with a Phoenix, Angel, and Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus surrounded by blue gems etched on the sides, and a sapphire blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Luna Spencer fired blasts of rainbow energy, sapphire blue energy, and elemental forces at Pinhead and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln swung his massive greatsword down on Pinhead's neck and beheaded him, and then, Lincoln gave him The Black

Gates. We cheered as Luna Spencer and Lincoln holstered their massive greatswords on their backs and powered down, and Luna Spencer's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long sapphire blue wolf tails, and massive sapphire blue angel wings are permanent.

Luna Spencer: Rot in The Black Gates forever, you sadistic monster. Thanks for helping me destroy Pinhead for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Luna.

Suddenly, Luna Spencer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Luna Spencer's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, sapphire gems falling, and sapphire blue fire raging around them and we cheered wildly. Then, Lincoln and Luna Spencer absorbed the fire and they came back to us as the display and Crystal Beast Sapphire Pegasus and Advanced Crystal Beast Sapphire Pegasus vanished.

Nico: Guys, that was one awesome battle you fought against Pinhead, awesome job.

Lincoln: Thanks, Nico. And we saw to it that he paid for all of his crimes in full, and now, he's never coming back.

Me: Thank goodness. Now, let's head down to Lynn's Table.

We headed down to Lynn's Table, and The Masters of Evil were there.

Vypra: Hey, guys, what happened?

Lincoln: The Cenobite leader, Pinhead, came back from the dead, and he wanted revenge on us.

The Masters of Evil gasped.

Dark Spicer: But, how?! I thought The Lament Configuration was destroyed last year.

Nico: It was, but a Dark Orb brought Pinhead back. Luna Spencer and Lincoln removed The Dark Orb and they destroyed him, and Lincoln sent him to The Black Gates for good.

Electro: Good riddance.

Eli: Yeah, he was a danger to everyone in his path, and now, he's gone forever.

---

Later it was time for Kita's 3rd Ambassador Mission to start off the new year.

Me: Boy this is gonna be so awesome.

Lola: Yeah!

William: Anyone else want to go with Kita? Besides Jayden and Randy?

Kita: The rest of the Underground girls can come as well.

Nico: Lincoln and his siblings can come with.

Lincoln: Good idea!

Qin: You guys are gonna love this.

Me: Yep.

Nico: Lets head out.

We were off to Japan.

We then arrived and saw the Revice team fighting the Planarian Deadman.

Me: There they are and they are fighting the Planarian Deadman. I remember him.

Sydney: Ugly turd.

Me: Yep.

We went at them.

Ikki: This guy is ugly.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion that blasted out and then a phoenix cry was heard and we came out.

Me: Starting the fun without us? How rude.

Sakura Igarashi: You made it just in time!

I fired an energy blast and destroyed the Planarian Deadman and purified the Planarian Vistamp.

Me: There.

Kita: Ikki, meet Randy Cunningham and Jayden Shiba.

Randy Cunningham: Awesome to meet you guys.

Jayden Shiba: Same here.

Me: You may know the Japanese version of the Samurai Rangers called the Shinkengers.

Ikki Igarashi: Awesome!

Me: And these are the Loud Siblings.

Lori Loud: It's literally awesome to meet you.

They introduced themselves.

Daiji: Wow that's a lot of kids!

Nico: It sure is.

Me: Yes and their mom and dad all thought it would be cute if all their names started with the letter L.

Nico: Yep.

Me: (Whispers to Ikki) Their family has never been one to believe in using condoms.

Ikki snickers.

Kita: And these are my fellow Underground girls.

They introduced themselves too.

Daiji: Wow it's an honor to meet you guys.

Rice Fitzgerald: Same here guys.

Nico: Also, Happy New Year!

Sakura Igarashi: Same to you guys.

Me: Goodbye 2022 and hello 2023.

Lily: No kidding there.

Lola: Yeah.

We went to the Happy Spa.

Nico: So, what's been new with you guys?

Ikki: Big trouble guys. A Dark version of George Karizaki is running around and causing trouble. He is Kamen Rider Juuga.

Sydney Burlington: Oh man.

Kita: Not good.

Georgina: This guy must be bad news.

Me: I remember Juuga. He was rotten to the core and was extremely fucked up to the brink. He was going to wipe out all the Kamen Riders and rid the planet of every last one of them.

Eli: How fucked up is that?

Hana Natsumi: Very fucked up.

Laney: No kidding there.

Karizaki: I still kept the Juuga transformation device from my… less then proud moment. So, let's call this one Dark Juuga.

Me: Good call. But we're going to destroy that one.

Eli: At least that one is not the main target.

Lana: Yeah: Yeah no kidding there.

Me: But either way we're not letting that one get away with everything he did.

Irena Malloy: I agree too.

Nico: Yep.

Eli: Yeah.

Nico: And there's bound to be some other Deadman too.

Me: But we're read for them all.

Hana Natsumi: Good. We all are too.

Nanette: We won't let them get away with everything they did.

Lucy Loud: We won't ever.

Nico: We just need to wait for them to make their move.

Eli: They will.

Nico: Yeah.

Georgina: We'll be ready for them.

Daiji: We sure will.

Vice: What do you guys wanna do while waiting?

We got to thinking.

Me: How about some board games?

Kita: Me and the others will get changed into jumpsuits.

Ikki: What for?

Me: They too are like Kita.

Nico: You'll see shortly.

Eli: Yeah.

They changed into their jumpsuits.

Ikki: Kita, can you describe what your transformation into your Flekmornikan Merfolk form feels like?

Kita: I can try. It felt like I was being torn apart and then put back together into something else.

Nico: Yeah.

Ikki: Ouch.

Me: Yeah. But she got used to it over time. They all did.

Eli: They sure did.

Vice: Is it possible to interact with your other half like me and Ikki do

it?

Me: Not really sure.

Nico: We never thought about that.

Eli: Yeah.

Me: I don't know if we can.

Vice: It was worth a shot anyway.

Me: Well we'll think of something for that later.

Nico: Yeah.

Eli: Yep.

The girls all came out and they had really awesome jumpsuits on. They had Jumpsuits of their signature colors on.

Nico: Let's get out there and search for Dark Juuga.

Eli: I'll find him.

Eli used the force and concentrated and then he found him.

Eli: Found him. He and the Deadmen on top of Tokyo Tower!

Me: Then lets head over there.

Nico: Right!

We were off.

We arrived at the Tokyo Tower View Platform.

Me: Here we are.

Randy: Look at the view from up here!

Me: It's amazing isn't it.

Sydney: It sure is.

Sheila Loud: I think it's awesome.

Then we heard screaming.

Me: Uh oh.

We saw DARK KARIZAKI AND the SPIDER, LION, KANGAROO AND CHEETAH DEADMAN!

Me: There he is and he has the Spider, Lion, Kangaroo and Cheetah Deadman!

Nico: Whoa! Ugly freaks.

Me: You will pay for everything you did Dark Karizaki!

Dark Karizaki: We'll see about that!

I went Super Angel Wolf Moon Xelnaga!

Jayden: Go go Samurai!

Ikki and Vice: Henshin!

Daiji: HENSHIN!

Sakura Igarashi: HENSHIN!

Hana Natsumi: HENSHIN!

They transformed!

Dark Karizaki: Hen-Shin!

He turned into KAMEN RIDER JUUGA!

Me: (Divine Wolf Moon Voice) **WHOA! Nice look for you!**

Dark Karizaki: Don't you see what is happening!? These WRETCHED Kamen Riders are the caused of everything that has been happening! IT'S ALL BECAUSE OF THEM THAT OUR

PLANET AND UNIVERSE ARE IN DANGER! I VOWED THAT I WOULD DESTROY ALL RIDERS FOR THE SAFETY OF EARTH!

Me: **What kind of fucked up deluded world do you live in!**

I fired waves of blue fire and energy and blasted Juuga all over the place.

Me: **The Kamen Riders are just as important as all of Team Loud Phoenix Storm is you delusional fuckwad! With them we would all be dead! Just like everyone on Earth would be without us!**

Eli: That's right you jerkass!

Ikki: Let's go at once!

Me: **Lets kill them all!**

We fired waves of energy and elements and blasted them all over the place.

I slashed Juuga with my scythe and cut him down and then kicked him in his face plate and shattered it and revealed his evil red eyes.

Me: **Chew on this!** (ACTIVATES FISSION METROID'S VISTAMP)

He activated it!

SILVER SAMURAI!

He got his sword and slashed the Cheetah Deadman and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

Nico caught the Cheetah Vistamp and purified it.

Nico: One down.

Kita: Showtime girls!

The Underground Girls groaned as their jumpsuits got tight.

And they ripped and they all transformed into their monster forms!

Lola: Oh yeah!

Lincoln: This will be awesome!

Kita: So here is my Flekmornikan Merfolk form. What do you think?

Sakura Igarashi: That is amazing!

Nico: It sure is.

Luna fired a wave of water and put her in a floating ball of water.

Kita: Thanks Luna.

Luna: No problem dudes.

Me: **Try this on!** (ACTIVATES COSMIC MORGA'S VISTAMP)

COSMIC MORGA!

I had my hands turn into stars and I fired waves of stars and blasted Juuga all over the place with incredible power all over.

The match-up scene is for Sienna "Amethyst Cat" Dawson, Fusion Gene-Slammer of Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat, and she and Lincoln are going to destroy Demon King Piccolo. Plus, I've got a surprise.

When the rescues start back up in Chapter 1979, Lincoln and his group are heading to Los Angeles for Day 3 of the treasure hunt, and TLPS Mr. Piranha is going to get a powerful treasure there: a powerful greatsword known as The Ocean Maelstrom Piranha Fang Greatsword of Poseidon, and we're going to destroy the next villain waiting for us there: Dr. Wrecker, Gumball Watterson's old enemy. And we're going to meet a Gene-Slammer for White Aura Monoceros named Naomi McKenzie,, she's Lincoln's Guardian Angel from Michigan and classmate in Biology, but she's also an expert swimmer and an expert on identifying the different types of marine life and she has knows a lot about the marine ecosystem. She and Lincoln would spend time in the ocean learning much about the different marine life that live in the ocean, and they also would do their part to keep the oceans clean of any litter that people carelessly throw into the ocean as it's dangerous to the marine life. This one time, while observing the marine life, she and Lincoln kissed underwater, and she hates Lola with a burning passion.

And in place of the rescues, Guest Reviewer is still going to do the gym work-out scenes and second scenes, along with the match-up scenes. Here's the line-up:

Chapter 1974: Gym Workout Scene: Hearing The Origin of Lincoln's Guardian Angels and How They Came to Be Lincoln's Guardian Angels and The Second Scene: The First Dodgeball Game of The New Year, and Sienna "Amethyst Cat" Dawson, Fusion Gene-Slammer of Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat and Lincoln VS Demon King Piccolo

Chapter 1975: Gym Workout Scene: Hearing how Lincoln came to be The Defender and Protector of His Guardian Angels and The Second Scene: Lincoln Beach Date Scene, and Match-Up Scene: Abigail Nightingale, Gene-Slammer of Night Wing Sorceress and Lincoln VS Mercenary Tao

Chapter 1976: Gym Workout Scene: Hearing the origin of the hatred Lincoln's Guardian Angels had harbored against Chandler, his goons, Pablo, Anderson, Flip, Scoots, Hawk, Hank, Lori, Lynn, Lola, Lisa, and Luan and The Second Scene: Nico Beach Date Scene, and Match-Up Scene: Tora Kemono, Gene-Slammer of Guardian Chimera and Lincoln VS Deep Sea King (One Punch Man)

Chapter 1977: Gym Workout Scene: Hearing How The Guardian Angels Trained Lincoln to become an emerging hero way before he became a member and one of the four founders of Team Loud Phoenix Storm and The Second Scene: J.D. Beach Date Scene, and Match-Up Scene: Anna Anyanova, Gene-Slammer of Destiny HERO Dark Angel and Lincoln VS Drago Bludvist

And Chapter 1978: Gym Workout Scene: Hearing the results of Lincoln's training with his Guardian Angels through an ambush caused by Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, his goons, Flip, Scoots, Pablo, Anderson, Hawk, and Hank and The Second Scene: Lincoln Beach Date Scene, and Match-Up Scene: Becky Long, Gene-Slammer of B.E.S. Big Core and Lincoln VS Hobgoblin (Marvel)

There's going to be lots of action on the next series of missions from January 2nd thru 7th during our break. No rescues till the 7th of January. # EXTREME GHOSTBUSTERS EXORCISM

It's action time to start the new year!

---

January 2nd.

---

It was the first day of our break And we were heading out.

Nico: Alright, guys. We're gonna be out for most of the day.

Poromon: Okay Nico.

Me: But NO Parties this time guys!

May: And we mean it!

Manaphy: We are not gonna do that.

Me: Oh you better.

Eli: Or we'll know.

Ninetales: We're not going to have a party guys. You just go and have fun.

Me: Okay.

Poromon: Also, which teams have you made?

Nico: Jason's team will include Indigo Zap, Ellie Singh, Emily Lenior Tzeentch, Mary Garcia, and Victorica Meadows. Timmy's team will include Emma (ELGVTWD), Emily Tamaki, Wind Dancer, Amaterasu & Tsukuyomi Marris, and Layla Ratigan.

Me: I like it!

Nico: Thanks.

Me: But we haven't met Wind Dancer yet.

Nico: Not yet but soon we will.

Lola: But it will be awesome.

Emily Tamaki: It will be an honor to be in a team though.

Maria: Be good, guys.

Poromon: We will.

Me: And don't cross your fingers behind your backs.

Qin: Yeah.

Eli: (Gives the I'm Watching You Finger gesture)

Poromon: What fingers?

Edd: An Omen I'm sure.

Me: Be good guys.

We left.

Poromon: So, what do you guys want to do the whole day?

Manaphy: How about some fun in the snow?

Poliwag: Good idea!

Poromon: Lets go have fun!

They went out into the snow.

They got to playing in the snow!

(SPONGEBOB SQUAREPANTS WONDERLAND OF SNOW PLAYS)

They were doing it all in the snow: Snowball fights, snowmen building, snow angels, igloos and so much more.

Poromon threw a snowball at Poliwag.

SPLAT!

Poliwag: OH YEAH!?

He threw one back with his tail and it hit him!

SPLAT!

They laughed.

Manaphy threw a snowball at Horsea.

SPLAT!

Horsea: YEAH! (LAUGHS)

They were having lots of fun.

Snowy - Lillie's Alolan Vulpix was building an awesome snow mansion.

Snowy: I'm proud of what I'm making.

Ninetales: You sure are.

Eevee: Boy we are having a lot of fun.

May's Glaceon was building a Snow Castle and it was beautiful.

Tentacool was building a snowgirl.

Tentacool: Check out my snowgirl.

Emolga: Beautiful work Tentacool.

Bellossom was ice skating on a frozen lake and she was so graceful.

Bellossom: I missed spending quality time with you, Poromon.

Poromon: Me too!

Manaphy: We all did.

Jirachi: Boy this is so awesome and fun!

Manaphy: (glares at Bellossom) But just remember that Poromon is MY boyfriend!

Bellossom: I know Manaphy. Calm down. We're just good friends.

Manaphy: Good. Just want to be clear.

Bellossom: Good.

They got back to having fun. But then…

?: Mind if I have some fun too.

Then they saw an Exeggutor!

Horsea: It's the Abominble Exeggutor!

Exeggutor: No it's just someone that missed you and Poromon, Poliwag.

Poliwag: (GASP) Maria!

Exeggutor: Yep. Awesome to see you guys.

Manaphy: Wow! The Exeggutor Gene-slammer is here!

Poliwag: Guys meet Maria Keihanaikukauakahihuliheekahaunaele. She is our friend from Hawaii.

Snowy: Wow!

Tentacool: By that logic, Nico knows her too.

Exeggutor: He sure does.

Poromon: Nico is gonna be happy to have you back.

Emolga: He sure is.

Eevee: This is gonna be awesome!

Shaymin: I'll say!

Poliwag: But can you wait until he gets back to revert back to normal?

Exeggutor: I sure can.

Poliwag: Great!

Poromon threw a snowball at her.

SPLAT!

Exeggutor: HEY! (LAUGHS) I would throw some but I don't have any hands.

Poliwag: I hope more people join us.

Poromon: One can hope.

But they were just having lots and lots of fun.

---

French Narrator: (French Accent) 4 Hours Later

---

The mascots and Exeggutor were sitting by the fire in the estate and having hot cocoa.

Horsea: I love hot chocolate.

Exeggutor: Same here.

?: Room for 5 more?

They turned and saw THE GORENGERS from 1975!

Poromon: Whoa the Gorengers!

Tsuyoshi Kaijo: It's an honor to see you all again after the battle with Thanos.

Poliwag: It's great you all are here.

Poromon: J.D. restored you guys to your young ages, didn't he?

Peggy Matsuyama: He sure did and we have our youth back after 45 Years.

Akira Shinmei: And it's going to be so awesome helping you guys out.

Poliwag: Yeah it sure will be!

Then we came back.

Luan: Alright, Danny. Check to see if any Dark Orbs are in us right now.

Danny: You got it.

He did so and came back clean.

Danny Phantom: Nope. You're clean.

Me: Great.

Nico: Hey guys.

Poromon: Hey guys you're all home.

Me: Have a lot of fun in the snow I see.

Poliwag: Yep.

Me: And I see you guys met the Gorengers.

Poromon: Yep.

Eli: Wow it's truly an honor.

Peggy Matsuyama: You too Eli.

Exeggutor: Hey Nico it's been a while.

Nico: (GASP) Maria! Wow!

Kaito: (to the Gorengers) I just want to say that it's an honor to have you guys in the team. My Zenkaiger form is based on you guys.

Tsuyoshi Kaijou: I'm truly honored and it's an honor to be part of the team.

Me: And it's an honor to have the very first Super Sentai Team with us.

Lola: It sure is.

Nico: Maria it's awesome to see you again.

Exeggutor: It sure is Nico.

May: What's your favorite memory of Nico?

Exeggutor: I have a lot of them but my favorite was making Nico an all you can eat Hawaiian chicken buffet for him. I'm a Hawaiian Chef at a luau.

Me: I love Hawaiian Luau's. They are so awesome and festive.

Lori: They sure are.

Me: I have a feeling I know what's coming next.

I put on my blind man glasses.

Exeggutor: Yeah I'm naked.

Nicole: Oh boy. Looks like dad knows the drill. No peaking guys! Or else!

I snapped my fingers and Maria was reverting back and everyone covered their eyes.

Maria shrank in size.

And arms grew and her three coconut heads merged into one. She got her black hair and normal body back and she was naked and the fashion brigade and gave her an awesome Hawaiian Luau style outfit.

Horsea: How do you feel?

Maria K.: Better than ever. Wow.

Nico: But it's awesome you're here.

Nico and Maria hugged.

Nico: I've really missed you.

Maria K.: Me too Nico. Me too.

On the first day of our five-day break, we were training intensely in the World Tree Estate gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lincoln's harem saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Girl Jordan: Even on a five-day break, Lincoln's still working out hard, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he still looks even more ripped than ever, and he's still been bodybuilding and working out after the last six and a half years.

Lily the Mermaid: Indeed, he's really grown a lot from the 11-year-old little boy into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, and we're so happy to see it for ourselves.

Lincoln: Aw, thanks, girls.

Nico: All of you girls really are an awesome match for Lincoln. But, there's one thing we wanted to know, Lincoln. Can you tell us the full story about your Guardian Angels and how they came to be?

Me: Yeah, when you told us, you did say that one day, Heaven didn't like the fact that you've been going through a lot of pain and suffering at the hands of Chandler, his goons, Pablo, and Anderson at school, Flip, Scoots, Hawk, and Hank outside Michigan, and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home. Now, we're really wanting to know the full story.

Lincoln: I thought you guys would never ask. Okay, here goes. As you guys have guessed, I'd been forced to endure a lot of pain and suffering at the hands of Chandler, his goons, Pablo, and Anderson at school, Flip, Scoots, Hawk, and Hank outside Michigan, and the out-of-control wrath of Lori, Lynn, Lola, Lisa, and Luan at home. I've gone to Mom and Dad for help, but Lori, Lynn, Lola, and Lisa had threatened that if they ever dared to help me, they would kill them in cold blood, and she, Lynn, Lola, and Lisa roped Leni, Luna, Laney, Lucy, and Lana into helping them through blackmail, intimidation, and violence, and not even my friends could help out that much because of the violent reputations of them. Because of those five cold-hearted, unfeeling, jealous spoiled brats, I was all alone and with no one to help me. I cried in so much pain and despair, and I did one thing that could help me, I began to pray to God for help to help me through this. But, what I didn't know was that Heaven was also watching everything that happened to me, all because of

Chandler, his goons, Pablo, and Anderson at school, Flip, Scoots, Hawk, and Hank outside Michigan, and Lori, Lynn, Lola, Lisa, and Luan at home. Heaven had seen enough of this, and God had a plan. Suddenly, I looked out my window, and I saw thousands and thousands of stars descending from the skies, I thought it was a meteor shower, but it wasn't. Then, when I met up with Helena McTroy and Hailey Schroedder, they took me to Helena's house, and right there, I met so many girls that gathered there, and they had pure angel wings, and I also saw that Helena and Hailey also had pure white angel wings as well. They told me everything: God heard my prayers, and he sent them all from Heaven to become my Guardian Angels. They told me that God had seen all of the pain and suffering that I had to go through because of Chandler, his goons, Pablo, and Anderson at school, Flip, Scoots, Hawk, and Hank outside Michigan, and Lori, Lynn, Lola, Lisa, and Luan at home, and they also said that God and all of Heaven has basically had enough of their cruelty, mistreatment, and envy and jealousy. I was literally so happy beyond belief, I literally broke down with tears of happiness, and they began hugging me tightly, and they swore right then and there, that they would protect me and love me with all their hearts, and all of a sudden, the dark clouds that hung over my heart and mind because of Lori, Lynn, Lola, Lisa, Luan, Flip, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, and his goons began to clear away for good, and I was brought out of my depression and sadness.

When Lincoln was done, there was literally not a dry eye among any of us: that was the most heart-breaking and heartwarming story we'd ever heard in our lives.

Me: (Sniffles) My God, I… I had no idea that… !

Nico: (Sniffles) Me too. The cruel actions of Lori, Lynn, Lola, Lisa, Luan, Flip, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, and his goons really went way too far, and that caused Lincoln to become so depressed, and even worse, Lori, Lynn, Lola, Lisa, and Luan threatened to end Mr. Lynn and Ms. Rita's lives, and they also forced Leni, Luna, Laney, Lucy, and Lana to join their stupid Hive Mind.

Lily: (Sniffles) I was only a little baby when this happened, but this…

! This is just too much. Lincoln, I'm so sorry.

Lincoln put down the weights, and he went up to Lily and he hugged her, and Lily hugged her brother and she really cried into his chest. But, we also put down the weights and we also ran up to Lincoln and we also hugged him tightly as we also cried. After a few minutes, we went back to working out.

Naruto: Lincoln… , what you went through, that was really awful. Now that I think about it, what you went through, it was completely similar to what I had to go through in the village, minus having a Tailed Beast sealed into me.

Sakura: But, all too similar. The origin of how Lincoln's Guardian Angels came to be, this is just like all of the revelations we'd heard about Lori, Lynn, Lola, Lisa, Luan, Flip, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, and his goons wrapped up into one, but it was full of heartbreak, sadness, and despair, but it would lead to an intervention from Heaven and God himself, and it would lead to him meeting the future Guardian Angels and who'd also become his future wives, along with the girls he's met.

Lara Xīnxiàngmi: Especially those who happen to be related to members of the team and those who are in Lincoln's harem, Sakura.

Selene Emperyous: That story is still something that we will always remember forever, and tomorrow, you're going to hear from Lincoln about another story.

Lincoln: Yeah, this next story I'm going to tell you all tomorrow is how I came to be the protector and defender of my Guardian Angels, and trust me, Nico, you'll see for yourself how I can easily go from the polite rule-following gentle young man.

Rudina Adalwulf: To a bad-ass defender and hero of his Guardian Angels who wasn't going to take all of the crap and bullshit from Lori, Lynn, Lola, Lisa, Luan, Flip, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, and his goons.

Nico: Oh, now this tale we're really going to enjoy hearing for ourselves.

Me: Same here. Oh, and today, we're having our first dodgeball game for the new year. This is going to be awesome.

Eli: But, if Maria gets hit, this is going to get ugly.

Lincoln: No, it won't, Eli, because, Girl Jordan, J.D., and I are going to counter that jerk if he dares to issue a bombardment. Mess with The Dodgeball Champion of Colorado and The Dodgeball Angel King and Queens of Gotham Royal York, and you're in for a world of pain.

Nico: Oh yeah, that's right. Brunhilde is also one of the Dodgeball Angel Queens of Gotham Royal York.

Brunhilde Ildsverd: (Norwegian Accent) Along with Sophia Presley.

Sophia Presley: This is going to be so awesome, and they're going to see I haven't lost my touch.

Lincoln: That's right, Sophia.

We then got a shower and we headed down to the gym for the first dodgeball game of the new year.

We arrived at the gym and we were there for the first dodgeball game of the new year, and when the whistle sounded, we began throwing dodgeballs and the action was starting.

Lincoln did some Parkour by doing a wall run and Precision Jump, along with many other Parkour moves and using his flexibility to dodge any incoming dodgeballs. I also did the same thing as Lincoln as well, along with Brunhilde Ildsverd, Girl Jordan, Mollie, and Sophia Presley.

Sophia Presley: Whoa, you guys weren't kidding: the dodgeball games you have are really intense, plus, Lincoln still knows his Parkour techniques, awesome.

Lincoln: And all that working out in the gym for six and a half years has really built up my strength, speed, and agility, plus, I've also worked on my flexibility to dodge incoming dodgeballs even faster than ever.

Girl Jordan: And seeing those muscles really working whenever he's doing Parkour and working out, that's proof-positive of what hard work can achieve.

Mollie: Seeing those muscles hard at work and really sweating, that's further proof of how manly our man truly is.

Coach Krupt: BOMBARDMENT!

Coach Krupt on the side of The Masters of Evil issued a bombardment and the dodgeballs almost hit Maria, but Lincoln, Girl Jordan, Brunhilde Ildsverd, Sophia Presley, Mollie, and I snatched the dodgeballs with our eleven massive and long wolf tails, and we were already glaring at Coach Krupt.

Lincoln: I warned you about issuing a bombardment, but it looks like you refuse to learn your lesson.

Girl Jordan: Now, you're going to pay for it.

Brunhilde Ildsverd: (Norwegian Accent) Messing with The Dodgeball Champion of Colorado and The Dodgeball Angel King and Queens of Gotham Royal York is indeed a fatal mistake.

Sophia Presley: And it's a mistake you're going to pay for.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged out even more as veins started forming, and we knew he's really about to go full Beast Mode on The Masters of Evil.

Winter Icyin: (British Accent) Uh oh, he did it now. LINCOLN'S GONE FULL BEAST MODE!

Nicholette Torrington: Oh, shit!

Nico: Girls, want to explain?

Winter Icyin: (British Accent) When Lincoln goes full Beast Mode especially in dodgeball, they unleash a wild untamed beast who shows no mercy in dodgeball.

Nicholette Torrington: The usual victims of Lincoln in Full Beast mode are that dumbass, Lynn, those butt-faced heartless psychos, Pablo and Anderson, and that sewage rat asshole, Chandler, and his two goons, Artie and Trent. Lincoln, Brunhilde, Girl Jordan, Mollie, and Sophia Presley left their marks on them more than once, and it always ends painfully for those dumbasses.

Then, he proceeded to throw some of the dodgeballs which hit Ebon, Coach Krupt, Shiv, and Vexen, and they were out.

Electro: What did you just unleash, Krupt?!

Nico: I'll tell you what he unleashed: he just unleashed the beast inside Lincoln, mess with him when he goes full Beast Mode, and it's going to get ugly.

Lincoln: Girl Jordan, Brunhilde, Sophia, J.D., Mollie, let's show Coach Krupt the consequences of taking on six of the top dodgeball champions in Colorado and Michigan.

Me: (Smirks) You got it, Lincoln.

Girl Jordan: Let's take him and the others down with a dodgeball combo.

Mollie: You guys are in big trouble now.

Brunhilde Ildsverd: (Norwegian Accent) Trying to bombard Maria again, you're just asking for trouble.

Sophia Presley: We'll show you what happens when you bombard one of our teammates with dodgeballs, dumbass.

Lori: Uh oh.

Luna: Now, Krupt has really done it now. HIT THE DECK, DUDES, THEY'RE GOING TO BLAST THEM!

Lincoln, me, Girl Jordan, Mollie, Brunhilde Ildsverd, and Sophia Presley: ELEMENTAL DODGEBALL BARRAGE FURY BLAST!

Lincoln, me, Girl Jordan, Mollie, Brunhilde Ildsverd, and Sophia

Presley covered the dodgeballs in elemental forces and we threw them right at The Masters of Evil with really incredible superhuman strength and speed.

Electro: Oh… ! SHIT!

The dodgeballs hit The Masters of Evil and there was a loud explosion and The Masters of Evil were knocked down on the floor and really dazed from the combo.

Scrappy Doo: Team Loud Phoenix Storm wins!

Everyone cheered. Then, Girl Jordan, Brunhilde Ildsverd, Mollie, and Sophia Presley went up to Lincoln who made three clones of himself and he and his clones hugged them in their abnormally massive and powerful muscular arms, and he and his clones then leaned their heads down to their faces and they kissed passionately as the girls placed their hands on their massive pecs and returned the kisses with equal passion.

Nico: Oh man, now that's what I call awesome! Plus, this is the first time you guys used a combo in a dodgeball game, wicked!

Lincoln: It's something we'd been planning: just to welcome the new year with a bang!

Me: And that's what we did.

Girl Jordan: And I saw the shocked look on Electro's face when we used that combo.

Sophia Presley: Along with the other shocked looks on the faces of The Masters of Evil.

Electro: That's one way to get some payback on Coach Krupt for the bombardments, but it's better than having Maria dish out her brand of pain.

Maria: Yep, but still, that was awesome, and thanks for saving me, guys.

Sophia Presley: You're welcome, Maria. Besides, you know what'll happen if William saw that you got hit with another bombardment.

William: She's right, if I saw yet another dodgeball hit you in the face, babe, I was going to kick that guy's ass hard.

Lincoln: We already did that for you, William, but if he does it again, there's a dodgeball with his name on it, and it's going to hit him hard on his butt.

Nico: Or in the crotch, that'll make it even more painful for him.

Me: Even better.

Lincoln, Girl Jordan, Mollie, Brunhilde Ildsverd, Sophia Presley, and I were given awesome trophies, and we also got our photos taken.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than King Piccolo, and he's come back from the dead wanting revenge on Goku. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Master Goku, you and the other Z-Fighters aren't going to like it one bit: the dark energy signal that we just sensed belongs to King Piccolo, and he's come back from the dead wanting revenge on you.

Everyone gasped in shock and horror.

Me and Nico: What, but how on…?!

King Kai: (Telepathically) I'm afraid Lincoln's right. King Piccolo has come back for revenge, but the good news is that Dark Side Eternal Purification link Lincoln used to permanently sever the links he and his sisters had with their Dark Sides has also severed Piccolo from his father.

Piccolo: Which means we don't have to hold back.

Vypra: That's right, now we can end that son of a bitch once and for all.

Sienna Dawson: Leave your former father to me and Lincoln, Master Piccolo. We intend to make him pay for everything he's done in the past, and I have a special kind of punishment in store for him to endure before Lincoln kills him.

Goku: Whatever you and Lincoln have planned for him, Sienna, I hope you make him feel all of the pain and suffering he's inflicted on so many innocent people years ago.

Lincoln: We will, Master Goku. He deserves to feel every last bit of pain and suffering that he inflicted on the innocent years ago, and the punishment we have for him will make The Penance Stare feel like a sharp glare.

Nico: (Gasps) A punishment that'll make The Penance Stare feel like a sharp glare?! Oh, now this we got to get front row seats for. Alright, gang, let's go hunt down King Piccolo.

Lincoln: And make him pay for everything that he's done.

We left the gym to hunt down and destroy King Piccolo, and this time, he's never coming back to hurt anyone ever again.

We arrived at the park, and suddenly, we sensed a massive energy signal.

?: I shall have my revenge on you for what you did in killing me, Goku!

Me: I knew there's no mistaking that voice from anywhere. You can come out now, King Piccolo.

A figure came out, and it was none other than King Piccolo.

Goku: Never thought I'd run into you again, I made sure you died long ago, King Piccolo.

King Piccolo tried to fire an energy blast at Goku, only for it to be blocked by an amethyst crystal shield put up around him by Sienna Dawson, and she was already pissed off.

Sienna Dawson: Don't you dare think about firing another energy blast at one of my teachers again, because you just sealed your own doom!

Suddenly, Sienna Dawson's purple eyes turned neon purple and she was surrounded by a purple energy aura with amethyst gems, purple fire, and cats, she unholstered her massive Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat-themed greatsword from her back, and as she approached King Piccolo, she left purple energy, purple fire, amethyst gems, and cats with every step.

Sienna Dawson: I will never ever forgive you for the crimes you've committed against the people of Earth, King Piccolo. Years ago, too many innocent lives had been lost because of your attempts to conquer the Earth, and now, you shall pay the price for your blood-stained crimes in full.

Suddenly, Sienna Dawson was surrounded by a massive vortex of purple energy with amethyst gems and purple fire surrounding the vortex, there are cats and Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Sienna Dawson emerged, but she was changed forever.

Sienna Dawson has transformed into SUPER ANGEL-AMETHYST

CAT-HARMONY CELESTIAL ETERNAL XELNAGA PURPLE AMETHYST FIRESTORM CAT ANGEL OF DIVINE PURPLE AMETHYST FIRESTORM JUSTICE AND DIVINE PURPLE AMETHYST FIRESTORM LOVE!

We were amazed by Sienna Dawson's Super Angel-Amethyst Cat-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when King Piccolo saw it, he fell into another black rage and fired yet another energy blast at her to kill her, but Sienna Dawson blocked it with an amethyst crystal cluster that popped up, and then as it disappeared, Sienna Dawson fired a powerful purple energy blast with amethyst gems, purple fire, and cats at King Piccolo and it exploded and sent him back a bit, but he was pissed off now.

Serenity Lexington: Wow, Sienna Dawson, the last of The Crystal Beasts Fusion Gene-Slammers has transformed, incredible!

Lincoln: And she's really angered King Piccolo with what she did, and Sienna, you look beautiful, how do you feel?

Sienna Dawson: (Divine Echoing Cosmic Voice of The Purple Amethyst Firestorm Cat and Divine Purple Amethyst Firestorm Love) **I feel incredible, Linky. Now, shall we put an end to this heartless tyrant once and for all?**

Lincoln: (Smiles) With pleasure, Sienna.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sienna Dawson.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running loose, King Piccolo, and don't think you can try and talk your way out of this, my Dark Side Eternal Purification technique freed your former son from your psychic link. And now, it's time for you to pay the price.**

Sienna Dawson and Lincoln went after King Piccolo, who continued firing energy blasts at them, but they deflected them all by sending them into the air which exploded into space, and then, they fired extremely powerful blasts of rainbow energy, amethyst purple energy, purple fire, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at King Piccolo and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off King Piccolo now.

Sienna Dawson and Lincoln: **Now, feel the pain and suffering of all those who died at your hands! HELL'S TORTURE ILLUSION!**

Sienna Dawson and Lincoln fired two blasts of crimson red fire at King Piccolo, and when he was hit, he was suddenly subjected to seeing illusions of all those who died at his hand, and they howled and screamed at him with one thing on their minds: blood vengeance! This caused King Piccolo to clench his head in pain and he screamed in excruciating pain.

Krillin: Wasn't that…?!

Laney Emperyous: My Hell's Torture Illusion. So, that's what Sienna and Lincoln had planned to use on King Piccolo.

Goku: You used it once to reprimand Lynn when she attacked Lincoln, Laney. And now, Sienna and Lincoln are using your technique on the very monster who'd caused a lot of pain and suffering to so many innocent people many years ago.

Nico: You weren't kidding when you said The Hell's Torture Illusion will make them scared out of their minds, yikes!

Me: That kind of technique would be perfect for interrogation, but to those truly irredeemable, it'll lead to their own deaths.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sienna Dawson, her hand-cannon Blaster is known as Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat's Amethyst Purple Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's purple with purple flames on the blaster and with a Phoenix, Angel, and Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat surrounded by purple gems etched on the sides, and an amethyst purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sienna Dawson fired blasts of rainbow energy, amethyst purple energy, and elemental forces at King Piccolo and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln fired a barrage of neon red energy blasts at King Piccolo, and they literally surrounded him on all sides: and we knew what technique he was using.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **This is the end for you, King Piccolo. HELLZONE GRENADE!**

Lincoln commanded the neon red energy spheres to attack King Piccolo as they rapidly spin around him and inevitably rain down on them with a vicious onslaught from every direction, filling the sky with a blinding light and inflicting a massive amount of damage on him. When the smoke cleared, King Piccolo was badly damaged by the attack.

Lincoln then turned he tip of one of his eleven massive and long white wolf tails into Cell's stinger, and as he stabbed it into Frieza, Lincoln began absorbing King Piccolo and he was also assimilating his powers and abilities. Then, as soon as he was done absorbing King Piccolo, the stinger changed back, and he gave King Piccolo The Black Gates as an energy card with his soul appeared from a blast fired by Lincoln's massive greatsword. We cheered as Sienna Dawson and Lincoln holstered their massive greatswords on their backs and powered down, and Sienna Dawson's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long amethyst purple wolf tails, and massive amethyst purple angel wings are permanent.

Sienna Dawson: Rot in The Black Gates forever, you sadistic monster. Thanks for helping me destroy King Piccolo for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sienna.

Suddenly, Sienna Dawson wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sienna Dawson's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, amethyst gems falling, and amethyst purple fire raging around them and we cheered wildly. Then, Lincoln and Sienna Dawson absorbed the fire and they came back to us as the display and Crystal Beast Amethyst Cat and Advanced Crystal Beast Amethyst Cat vanished.

Nico: Guys, that was one awesome battle you fought against King Piccolo, awesome job.

Lincoln: Thanks, Nico. And we saw to it that he paid for all of his crimes in full, and now, he's never coming back.

Me: Thank goodness.

January 3rd

---

It was the 2nd day of our break.

Nico: I'm impressed. Yesterday, I expected Poromon and the others to have another party.

Me: Me too man.

Nico: Yep.

Me: Oh Nico I have to go talk to Hay Lin's grandmother. It involves a dream I had last night.

Nico: Okay. It must be for a good reason.

Me: I'll be right back.

I went to go talk to Yan Lin.

Yan Lin: Ah J.D. glad you could visit.

Me: Glad I could come.

Yan Lin: Honestly, did Nico really think Poromon and the other mascots would throw another party behind our backs?

Me: No he didn't. Not after what they did the last time.

Yan Lin: True. So what did you want to talk about?

Me: Well I had this really unusual dream. I saw into the past 5 guardians. They had elemental powers that were much more powerful than that of Will and her friends and they battled Phobos and brutally overwhelmed him. They had him up against the ropes but just as victory was close, he pulled a fast one and sucked them all into a portal. Then he just laughed malevolently.

Yan Lin gasped.

Yan Lin: You saw the predecessor guardians after me and my friends.

Me: Do you know who they were?

Yan Lin: Yes I do. You see after Nerissa went rogue and me and my friends disbanded as the Guardians, there was a previous group before Will and her friends.

She showed me a picture and it was of Hay Lin and her family. But there was also a girl with aqua blue hair and she had little Hay Lin in her arms.

Me: Who is that girl with you?

Yan Lin: That is Xenia Lin. She is Hay Lin's older sister. She disappeared when Hay Lin was just only 3 years old.

Me: That was back 12 years before Hay Lin joined the team right?

Yan Lin: Yes that is right. 12 years ago Xenia and her friends were all Will, Irma, Taranee and Cornelia's sisters. They were Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale and Xenia Lin. They went by P.H.E.N.X. They were the most powerful out of all of the guardians of Candrakar and they were the strongest ever known. They were said to be the ones that were chosen to defeat Phobos and all his minions. But on the day that they were supposed to destroy him, he got the drop on them and sucked them into a portal that took them into a dimension beyond the reach of time and space.

Me: (GASP) So they were taken to Limbo.

Yan Lin: That's right. And only when Phobos is destroyed will they be returned.

Me: We already did then when Elyon destroyed him.

Yan Lin: Yes.

Me: Oh man.

Yan Lin: But don't think for a second that Will and her friends becoming Guardians was a mistake because of this!

Me: No I can tell that their legacy passed on to them. Like their sisters they were chosen to help finish what they started and thanks to all of us they succeeded. Thank you for telling me this Yan Lin.

Yan Lin: You're welcome J.D. and I have a feeling that you will organize a search party.

Me: That's right. And the best place to start is where they fought Phobos.

I went to Nico and told him everything.

Nico: So they were their sisters! Wow that is amazing.

Me: It sure is.

Nico: You realize that if Will and her friends didn't become Guardians, Eiji, Snake, Jak, Zayto, and Yost Peter wouldn't have become siblings to them and Yost Peter's name wouldn't have been cleared.

Me: I know. That's why with your permission Nico, I would like to organize a search party to find Phoebe, Hayley, Emma, Nicole and Xenia. W.I.T.C.H. Needs not just their predecessor guardians back but also their family too.

Nico: All right. It shall be granted. Eli, Megan, Lincoln, Lucy, Laney, Lana, Lola, Lisa and Lily are all going with you. Be careful.

Me: Yes sir!

Nico: And so will Eiji, Snake, Jak, Daxter, Zayto, and Yost Spiderman.

Me: Affirmative.

Nico: It will be an awesome surprise. I'll have the parents of the Guardians over after Will and her friends are done with school.

Me: Great.

Nico: Good luck J.D.

Me: Not that I'll need it but thank you.

I got ready and gathered the team for the search party.

Nico: And let me know if the next Gene Slammer appears.

Me: Got it.

I left.

I gathered everyone and me and the team were off to Meridian.

---

## MERIDIAN

---

We arrived.

Me: Here we are.

Eli: So we're trying to find the long lost sisters of Will and her friends?

Me: That's right. 12 years ago they were the predecessor guardians before Will and her friends were chosen. Phobos sent them into limbo and trapped them in a dimension beyond space and time and they have been stuck there ever since.

Lincoln: And the only way to free them is to destroy Phobos.

Me: That's right and we gave Phobos the Black Gates and he is gone for good.

Lily: Thank goodness.

Eiji: I didn't know that Will or her friends had older sisters.

Yost Spiderman: Me neither.

Me: It's a new revelation for all of us.

Laney: Wow. Things have changed so much for them since then.

Eiji: Better get out game faces on just in case. Henshin!

Eiji transformed.

Zayto: IT'S MORPHIN TIME! LINK TO MORPHIN GRID!

He turned into Dino Fury Red!

Me: Better do the same.

Me and Megan went Guardian!

Me: (LIGHTNING STRIKES) LIGHTNING!

Megan: (STARS SHIMMER) SPACE!

We were ready!

Lincoln: Where do we start?

Me: We start with the Castle.

We went to the Castle of Meridian.

In the castle we got to searching.

Yost Spiderman: The castle of Meridian sure has lightened up since Elyon took the throne.

Me: Yeah and Phobos is now a forgotten memory.

Lincoln: Yeah. But who are the predecessor Guardians of Candrakar?

Me: Their names are Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale and Xenia Lin.

Lincoln gasped when he heard those names!

Lincoln: They are also 5 of my guardian angels!

Megan: Are they really Lincoln?

Lincoln: Yes and they defended me from the worst of Huggins' rules and even made sure he would never give me any bad punishments.

Me: Whoa!

Laney: Boy that killjoy really enjoyed seeing you suffer.

Lincoln: No kidding.

Me: That is so cool Lincoln that you have the Predecessor Guardians of Candrakar as your guardian angels and that they are W.I.T.C.H.'s older sisters to boot.

Eiji: That is awesome.

Eli: It sure is.

Snake: Yeah no kidding there.

Yost Spiderman: Should we tell them that Huggins is a changed man?

Me: Lets keep that option available. But for now we got to find them.

Yost Spiderman: Okay.

We got to the main ball room.

Me: Wow so this is the main ballroom.

Eli: It's amazing.

Lily: Was this where the battle with them and Phobos took place?

Me: This is exactly where I saw it happen in my dream.

Lana: Wow.

Snake: Back then, this room was probably a lot darker

Me: Yes that's right and that was before I formed the team or when Will and her friends all joined us.

Lincoln: Wow.

Lola: Wait what's that?

We saw a strange lightning hole 10 feet above us.

Me: What is that?

I went over to it and it looked like a small hole in the fabric of time and space.

Me: It's a sliver rift.

Eli: It's trying to open up. But I'm picking up 5 energy signals through it.

Me: They're trying to get through.

Then the portal reacted and then it opened.

Me: WHOA!

Eli: Wow!

Snake: Incredible!

Eli: I sense 5 figures coming!

Me: I see them! CANDY STYLE NINJA ART: COTTON CANDY PILLOW PAD!

I formed a pillow made of cotton candy and then 5 figures landed on it. It was Phoebe Vandom who was a girl with pink hair and pink angel wings and had the symbol of the Heart in the middle of her forehead.

Hayley was a blue hair girl and had blue angel wings and had the symbol of Water in the middle of her forehead.

Emma had red hair and had orange angel wings and had the symbol of Fire in the middle of her forehead.

Nicole had green hair and green angel wings and the symbol of Earth in the middle of her forehead.

And Xenia had Aqua Blue braid hair and sky blue angel wings and had the symbol of Air in the middle of her forehead.

Me: There they are.

Eli: Wow!

We went over and picked them up.

They groaned and were awake and they opened their eyes and saw us.

Me: Are you girls okay?

Phoebe Vandom: Yeah. What happened?

Me: Well it's a really long story.

Phoebe Vandom: (to Yost Spiderman) Spider-Man?

Yost Spiderman: Yep. But not the one you know. But I'm just as handsome.

Phoebe Vandom: Wait. Lincoln? Is that really you?

Lincoln: It sure is.

Hayley Lair: Wait you were just a little guy before.

Emma Cook: What happened?

Me: Well 12 years have passed. You were locked in Limbo for over 12 years.

Laney: Phobos got the drop on you and trapped you in Limbo ever since.

Megan: But he is dead now. Phobos is gone forever and given the Black Gates.

Me: Oh we should introduce ourselves. I'm J.D. Knudson, 2nd in Command of Team Loud Phoenix Storm and Guardian of Lightning.

Megan: I'm Megan McCallister, Guardian of Space.

Eli: I'm Eli Winston Bullock, J.D.'s little brother.

Lincoln: And these are my little sisters Lucy, Laney, Lana, Lola, Lisa and Lily.

Lana: Awesome to meet you girls.

Lola: Same here.

Eiji: I'm Eiji Hino, leader of the OOO Kamen Riders.

Snake: I'm Snake, you might have seen me from the Metal Gear Solid games.

Jak: I'm Jak.

Zayto: And I'm Zayto, leader of the Dino Fury Power Rangers.

Me: And you met Yost Spiderman. He comes from another universe.

Yost Spiderman: It's true.

Phoebe Vandom: Wow. This is such a huge shock.

Hayley Lair: But it's so awesome to meet you guys.

Emma Cook: What happened?

Me: We got 12 years of events to catch you up on. Your sisters have all come a long way Ever since you were gone.

Emma Cook: What year is it?

Me: 2023.

Yost Spiderman: I'm also Peter Parker.

Hayley Lair: You know you just gave away your secret identity, right?

Yost Spiderman: No point in that since I revealed to my whole world who I really am last year.

Me: Everyone knows who every hero and villain is now. It's a long story.

Phoebe Vandom: But what happened to Will and our sisters?

Me: Well they are now your successor guardians of Candrakar and they done so much not just for Candrakar but also the entirety of Team Loud Phoenix Storm.

Laney: They went on so many awesome and incredible adventures with us.

Megan: I was filling the team on everything that they were doing ever since I joined them and also so much has happened.

Me: We got one helluva story to tell you all and it's all incredible.

I went over everything that happened from chapter 575 on up Starting with the battle with Nerissa and more and how they changed so much. When I was done they were amazed and weeping tears of joy for their sisters over how much they have accomplished over the years.

Yost Spiderman: And it's thanks to Hay Lin and the others that my name got cleared.

Me: Yep and so much more.

I told them about Irma's missions, Will's missions, Taranee's missions, Hay Lin's missions and lastly Cornelia's missions and how far they have come. When I was done they were shocked and more.

Phoebe Vandom: (Weeping) My little sister. I'm so proud of her.

Hayley Lair: (Weeping) Our sisters have done so much for everyone and accomplished what we could not.

Emma Cook: (Weeping) I'm so proud of Taranee and all of our sisters.

Eli: We all are.

Me: And Cornelia has an amazing boyfriend here. Caleb. He is the leader of the rebels that were fighting against Phobos before.

Nicole Hale: That is amazing. And Lillian has grown so much too.

Me: Yeah. She wasn't born when you disappeared. But she would be really proud of you Nicole.

Nicole Hale: I know she would.

Xenia Lin: And I'm proud of Hay Lin too. And you guys changed Nerissa and resurrected Cassidy. All of you have done so much.

Me: Not just here in Candrakar but all over the entire universe.

Laney: Yeah no kidding there.

Yost Spiderman: Though Hay Lin's missions were first.

Me: Yeah.

Xenia Lin: Nonetheless though I'm so proud of her.

Megan: We all are. We're proud of all the guardians.

?: I would be too.

We saw a Marowak.

Me: Whoa a Marowak!

Eli: Wow!

Marowak: (In a girls voice) (Latvian Accent) Sorry to drop in like this but my name is Zuzana Berzins. I'm Nico's friend from Latvia and I taught him all about how to dance in my country.

Me: Wow pleasure to meet you.

Marowak: Same here J.D.

Me: Nico will be happy to see you again.

Phoebe Vandom: Wow. Pokemon that talk?

Me: Long story on that. Gene-slammers.

Eli: Yeah we'll explain everything.

Me: Lets get you guys home.

Phoebe Vandom: It'll be great to see our parents again.

Hayley Lair: Yeah.

Me: Here we go.

I opened a portal.

Zayto: After you girls.

They went through it and we followed.

Back at the estate Nico and everyone had the parents of Will and her friends and all of C.H.Y.K.N. Gathered As well as W.I.T.C.H.

Nico: Now the reason I have you all here is because J.D. found out something you all are going to be amazed to hear about.

WHOOSH!

Nico: Oh you'll see now.

A portal opened up and then out came P.H.E.N.X. And all of us.

Me: We're back. Mission accomplished.

Susan and the parents gasped!

Susan Vandom: Phoebe? Is that you?

Phoebe Vandom: Hey mom. I'm back.

Phoebe and Susan hugged for the first time in 12 years.

Hayley Lair: Hey dad.

Yost Spidey: We found them in Meridian

Will Vandom: What's going on?

Me: Will, girls, these 5 are your older sisters.

Eli: We know this is a big shock for you all but they disappeared 12 years ago.

Yost Spiderman: Yeah they fought Phobos before and disappeared.

Me: Like you girls, your sisters are Guardians of Candrakar and they are the strongest ever known.

I told them everything and it was so amazing.

Will Vandom: Oh wow.

Nico: You too Zuzana.

May: Wow.

Cassidy: Boy this is an awesome day for us.

Me: It sure is Cassidy.

May: What's your favorite memory of Nico, Zuzana?

Marowak: My favorite is when me and Nico did all these amazing dances that I showed him at a dancing contest and me and Nico won first prize for it.

Qin: Boy I remember that. That was so awesome.

Lana: Wow.

Nico: Ready to revert back?

Marowak: I sure am but I'm naked.

Nicole: Oh boy.

I put on my blind man glasses.

Me: No peaking boys or else!

Nicole: Aw dad I was gonna say that!

Me: Sorry Nicole.

The boys covered their eyes and I snapped my fingers and she was reverting back.

Zuzana's bone vanished.

And so did her skull helmet and she reverted back to human and was a girl with brown hair and brown eyes and was naked and then Rarity, Maria, Varie and Teresa gave her an awesome outfit. She had a brown shirt and brown pants and had brown boots and had a brown Latvian Fur Hat on her head.

Zuzana: (Groan) That was bad but I look great.

Rarity: Oh you sure do darling.

Me: Latvia has always been an amazing country for me to learn about.

Nico: Yep.

Nico and Zuzana hugged.

Nico: I've missed you.

Zuzana: Me too Nico. Me too.

Maria: Nico, which teams have you made this time?

Nico: Earth's team will include Sea, Marina "Mermaid" Reagan, Callie Connellia - Sailor Cholganna, Jacqueline Tefnut, and Sirena Cammecola. Kole's team will include Lola Ferrington, Dora Santiago, Serenity Lexington, Chloe Bailey, and Eliza Taylor.

Goro Sakurai: Yeah we sure do.

---

On the second day of our five-day break, we were training intensely in the World Tree Estate gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lincoln's harem saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Girl Jordan: Even on a five-day break, Lincoln's still working out hard, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he still looks even more ripped than ever, and he's still been bodybuilding and working out after the last six and a half years.

Lily the Mermaid: Indeed, he's really grown a lot from the 11-year-old little boy into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, and we're so happy to see it for ourselves.

Lincoln: Aw, thanks, girls.

Nico: All of you girls really are an awesome match for Lincoln. But, there's one thing we wanted to know, Lincoln. Can you tell us the full story about how you became the protector of your Guardian Angels?

Lincoln: I thought you guys would never ask. Okay, here goes. As you guys have guessed, I've had a reputation for fiercely protecting and defending my Guardian Angels whenever Lori, Lynn, Lola, Lisa, and Luan step out of line and do something to harm them, and the same went with Chandler, his two goons, Pablo, Anderson, Flip, Scoots, Hawk, and Hank. One day, I was with my Guardian Angels and we were sitting in the living room at home and we were watching AARGH! But, then, Lori, Lynn, Lola, Lisa, and Luan came in and they demanded that we get out of the living room and surrender the remote, but I told them no and they also said the same thing. But, that made Lori, Lynn, Lola, Lisa, and Luan really angry, and they went way too far when Lynn grabbed an empty snack bowl and she threw it which hit Kira Gutierrez in the head, and Lori, Lynn, Lola, and Lisa also grabbed the other empty snack bowls and threw them right at the heads of my other Guardian Angels. That was the last straw, and I fired five balls of dark energy at Lori, Lynn, Lola, Lisa, and Luan and they were trapped in them, and here's what I said to those five.

Lincoln pulled up a clip of that incident, and we were about to hear what he was about to say to Lori, Lynn, Lola, Lisa, and Luan.

Past Lincoln: You five can beat me up, you can take the TV remote away from me whenever I'm watching AARGH!, you can humiliate me all you want, and you can try and kill me! (SUDDENLY GETTING EXTREMELY PISSED OFF AT LORI, LYNN, LOLA, LISA, AND LUAN) But, what you five did just now in attacking my Guardian Angels like that,… ! (SCREAMING ANGRILY) I WILL NOT TOLERATE THAT KIND OF VIOLENCE AND BRUTAL BEHAVIOR FROM YOU FIVE ROTTEN, BLACKHEARTED, EVIL TYRANTS ANY LONGER!

The Guardian Angels felt the extent of Lincoln's anger: the defensive rage has awakened inside him, and that also caused Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita to come out of their rooms.

Past Luna: Dude, what's with the explosive anger?

Past Lincoln: Those five threw empty snack bowls right at the heads of my Guardian Angels, and they set me off!

Past Luna: (GASPS) (Glares angrily at Lori, Lynn, Lola, Lisa, and Luan) YOU FIVE DID WHAT?!

Past Leni: That was, like, so mean of them!

Past Lucy: You've basically doomed yourselves.

Past Lana: You're sleeping on the couch tonight for that one, Princess!

Past Lily: (Angrily) Poo poo!

Past Lori: Oh shut up, the lot of you!

Past Rita: Lori Marie Loud, we will not tolerate that kind of behavior from you, Lynn, Lola, Lisa, or Luan! When Lincoln sets you five free, I expect you five to apologize to his Guardian Angels right this second.

Past Lynn: I'd rather lick the bathroom floor or wrestle with Lana's snake than apologize to Stinkoln's "Loser Angels"!

Past Lola: They should crawl into a hole and die for all I care!

Past Luan: They're ruining our chance to be rid of Lincoln once and for all!

That really set Lincoln off! He turned their dark energy ball prisons into dark energy ropes that tied them up. But, it wasn't going to save them from him.

Past Lincoln: Why, you heartless, insufferable… !

Lincoln was about to attack them, but suddenly, Abigail Nightingale placed a gentle hand on Lincoln's shoulder and it seemed to calm his raging anger, but this caused him to break down and cry, and his Guardian Angels hugged him, and he was joined by Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita.

Past Lincoln: (Voice Breaking) How can you five say something that cruel…?! Are… are you even the sisters I knew since birth, Lori, Lynn, Luan?!

This really got to the other Louds, and they were really horrified. This also shocked Lori, Lynn, and Luan, and it brought back memories of the past.

Past Rita: (Tightly hugs Lincoln) Shh, it's okay, sweetie, it's okay. Kira, everyone, why don't you take Lincoln to Gus' Games and Grub to cheer him up? We need to have a word with our five daughters.

Kira Gutierrez: Okay, Mrs. Loud.

Nicholette Torrington: Better watch over your shoulder at school tomorrow, Lori, payback's coming for you!

Lincoln left with his Guardian Angels, and they left Lori, Lynn, Lola, Lisa, and Luan to face Leni, Luna, Laney, Lucy, Lana, Lily, Lynn Sr., and Rita, and they were now mega pissed.

After some time in Gus' Games and Grub, Lincoln began to feel better, but then, he turned to all his Guardian Angels.

Past Lincoln: Girls… , I know how much you've defended from the five mean sisters, the bullies at the school, and the jerks outside Royal Woods, but now, it's my turn.

Hayley Gutierrez: What do you mean?

Past Lincoln: What I mean is, Hayley, I'm not letting you all get hurt ever again. You've been doing your job in protecting and defending me, but now, it's my turn to protect and defend you. We know how violent Lori, Lynn, Lola, Lisa, and Luan can get, and it'll get worse if they wind up turning to murder, someone needs to put them back in their place, so from this day onwards, I will forever be your Protector and Defender, you all defended me, now it's my turn to defend and protect you all.

This caused the Guardian Angels to tear up and they also had smiles on their faces, and they hugged Lincoln, and he returned it.

When Lincoln was done, along with the video, there was literally not a dry eye among any of us: that was the most heart-breaking and heartwarming story we'd ever heard in our lives.

Me: (Sniffles) My God, I… !

Nico: (Sniffles) Me too. The cruel actions of Lori, Lynn, Lola, Lisa, and Luan that day led to Lincoln's transformation into the protector and defender of his Guardian Angels.

Lincoln: They did so much in defending me from the bullies at school, the jerks in and outside Royal Woods, and Lori, Lynn, Lola, Lisa, and Luan at home, now it's my turn to protect and defend them, and Lori, Lynn, Lola, Lisa, and Luan's violent action did just that. And in case you guys were about to ask what happened to them, we then came back to see Lori, Lynn, Lola, Lisa, and Luan tied up by Leni, Luna, Laney, Lucy, and Lana, and were escorted into an isolation cube in the basement. Then, we find out from Mom and Dad that for their violent attack on my Guardian Angels, Lori, Lynn, Lola, Lisa, and Luan got themselves grounded for seventeen weeks.

Maria: That should serve them right!

Ronnie Anne: And Bobby cancelled his date with Lori when he heard about what happened from Mom.

Rita: And I also called Coach Keck to keep Lynn benched for that same amount of time. Plus, Lincoln made sure to tell Margo, Paula, and Polly about what she did, and they kept a close eye on her, and if she stepped out of line, they'd tell him and he'd call me or his Dad for help.

Nico: And what about Lori and Luan?

Luna: Obviously, I couldn't let Lori and Luan face retribution from Lincoln's Guardian Angels since they also went to school with us, and I had to be very careful with Nicholette Torrington, she did say payback was coming for Lori and that meant she and the other Dark World Goths were going to make her pay, and the same went with Luan. We had Lori and Luan under strict supervision and they can't get away, but I also kept an eye on Lincoln's Guardian Angels since they were out for their heads.

Leni: Yeah, Nicholette was totes peeved, and so were her club and the others who really hated Lori and Luan.

Me: Eventually, they did earn Lincoln's forgiveness, and that dulled out the threats from the Guardian Angels, but Nicholette issued a warning: if Lori and the other four demon Louds did this to Lincoln yet again, she would unleash the depths of Hell on her, and she meant it.

Nico: Knowing how serious Lincoln's Guardian Angels can get, I don't blame them.

We got a shower afterwards, and then, Lincoln and his harem are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble.

Girl Jordan: Ah, Seaside Hill, perfect.

Lincoln: Yep, and it's perfect for our beach date, Girl Jordan. Shall we?

Lincoln and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and the girls in his harem got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls in his harem placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Girl Jordan: It's always awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Mercenary Tao, and he's come back from the dead wanting revenge on us for killing him. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like it one bit: the dark energy signal we just sensed belongs to our old enemy, Mercenary Tao, and he's come back from the dead wanting revenge on us for killing him.

We gasped.

Nico: Ugh, not him again!

Me: He just doesn't know when to quit. That's it, I'm going to turn that stupid cyborg into scrap metal and guts!

Lincoln: Wait, J.D., I have a better idea: instead of killing Mercenary Tao yet again and sending him to The Black Gates, we're going to send him to The Masters of Evil's prison, but not after we give him a nasty beating for everything he did in the past.

Goku: That's a good idea, Lincoln.

Krillin: Now, the question is who's going to face him?

Abigail Nightingale: That'll be me and Lincoln. If that cyborg thinks he can get away with this, he's got another thing coming. I will unleash the true powers of darkness upon him for everything that he's done. And I'm going to need Max Goof for this one as well, now that he's become the champion of the Archangel Gabriel, Laniya Emperyous has been teaching him some spells in Enochian and he also knows how to use the Deadly Sin ritual from Bayonetta and Lincoln.

Nico: So, we got a three-against-one battle, eh? But, I thought Max's elemental power was Light.

Max Goof: It's not just light, but I can also use darkness. Riku also taught me how to use darkness along with light as a weapon, and Bayonetta and Lincoln taught me about how to summon the Infernal Demons and Lincoln's variant of The Deadly Sin Ritual.

Me: Awesome.

Nico: Ooh, now this should be good. Alright, gang, let's go hunt down Mercenary Tao.

Lincoln: And apprehend that cyborg assassin and send him straight to The Masters of Evil's prison.

Max Goof put a protective light energy field to protect the kids as we left The World Tree Estate to hunt down Mercenary Tao.

We arrived at the park, and suddenly, we sensed a massive energy signal.

?: I shall have my revenge on you for what you did in killing me, Team Loud Phoenix Storm!

Me: I knew there's no mistaking that voice from anywhere. You can come out now, Mercenary Tao.

A figure came out, and it was none other than our old enemy, Mercenary Tao, and man, he was pissed off.

Goku: Never thought we'd run into you again, Tao. You really are persistent, aren't you?

Mercenary Tao tried to fire an energy blast from his visor, only to get foiled by Max Goof firing a beam of light from his Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade and it disabled his visor.

Abigail Nightingale: Nice shot. But, for that attack, you just made things a lot worse for yourself.

Suddenly, Abigail Nightingale's pink eyes turned neon pink and she was surrounded by a black and purple energy aura with darkness, dark magic, shadows, and dark angels, she unholstered her massive Night Wing Sorceress-themed greatsword from her back, and as she approached Mercenary Tao, she left black and purple energy, darkness, dark magic, shadows, and dark angels with every step.

Abigail Nightingale: I will never forgive you for what you've done for your crimes, Mercenary Tao, you have killed so many people and all for your greedy monetary gain, and for that, you will suffer the full wrath of the powers of darkness.

Suddenly, Abigail Nightingale was surrounded by a massive vortex of black and purple energy with darkness, dark magic, and shadows surrounding the vortex, there are dark angels and Night Wing Sorceress flying around the vortex, and in the vortex is a pink phoenix. Then, as the vortex faded, Abigail Nightingale emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Abigail Nightingale grew from 6'5" to 7'4" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long braided purple hair, she has neon pink eyes and a black and purple energy aura with darkness, dark magic, shadows, and dark angels surrounding her, she has Night Wing Sorceress emblazoned on her forehead and Third Eye with purple iris, she has on dark angel earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in its hands, she also has Night Wing Sorceress with purple gems for the eyes and holding the Dark and Eternity Kanjis in her hands on the bottom of her purple angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Abigail Nightingale felt a sharp pain on her back, and then, her massive midnight black and dark purple angel wings with purple tips on the feathers grew much bigger for her new body, and she now has eleven massive and long light purple wolf tails, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star

Suddenly, Abigail Nightingale's massive Night Wing Sorceress-themed greatsword and all the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and purple energy, darkness, dark magic, shadows, and dark angels, and when it emerged, it was transformed into Night Wing Sorceress' Midnight Dark Magic Night Wing Angel Greatsword of Night Wing Darkness Magic Justice, it's a brand-new massive greatsword with embedded dark purple gem and Night Wing Sorceress etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large dark purple gem embedded in the rainguard, longer midnight black handle, four large angel heads with purple gems for eyes and a large dark purple gem on the bottom of the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Night Wing Sorceress' head with purple gems for eyes and a large purple gem inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Abigail Nightingale has transformed into SUPER ANGEL-NIGHT WING-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS SHADOW NIGHT WING DARK ANGEL OF DIVINE DARKNESS NIGHT WING DARK MAGIC JUSTICE AND DIVINE DARKNESS NIGHT WING DARK MAGIC LOVE!

We were amazed by Abigail Nightingale's Super Angel-Night Wing-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mercenary Tao saw it, he fell into another black rage and tried to fire another energy blast to kill her, but Abigail Nightingale fired a powerful black and purple energy blast with darkness, shadows, dark magic, and dark angels at Mercenary Tao and it exploded and sent him back a bit, but he was pissed off now.

Nico: Whoa, Abigail Nightingale's transformed, now the forces of darkness are about to be unleashed.

Lincoln: Mercenary Tao has no chance now, and Abigail, you look beautiful, how do you feel?

Abigail Nightingale: (Divine Echoing Cosmic Voice of The Darkness Magic Night Wing Dark Angel and Divine Darkness Night Wing Dark Magic Love) **I feel incredible, Linky. Now, shall we put a stop to this dishonorable assassin once and for all?**

Lincoln: (Smiles) With pleasure, Abigail.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super

Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Abigail Nightingale.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running loose, Mercenary Tao, now we're sending you to prison for good.**

Max Goof transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice and he unholstered his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and joins Lincoln and Abigail Nightingale.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) **I'm all ready to put a stop to this guy once and for all, and put him in chains.**

Abigail Nightingale, Lincoln, and Max Goof went after Mercenary Tao, who tried to blast them with his visor and attack them with his sword hand, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, black and purple energy, white and red energy, lights, swords, Keyblades, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mercenary Tao and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off him off now.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) **You've had this coming for a very long time, you greedy mercenary.**

Suddenly, the skies turned black and red and Max Goof's neon deep sapphire blue eyes turned neon demonic red.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) (Speaking in Ancient Enochian) **DO O IA MAXIMILLIAN. MALPRG ROR MICAOLI IALPON ILS.** (Clenches his hand hard and causes blood to come out) **FAFEN NIIS!**

Suddenly, we saw the fire spider demon, Phantasmaraneae, Twister of Flame, appear from a portal, and when a drop of Max Goof's blood was anointed on Phantasmaraneae, it'd evolved into it's true form, The Phantom, Igniter of Creation. Then, it attacked Mercenary Tao and when the fight was done, The Phantom exploded, and Mercenary Tao was really beaten up badly, but he still wasn't out.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) **Damn, he's tough. But, he's been badly damaged by The Phantom. Guys, it's up to you.**

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Abigail Nightingale, her hand-cannon Blaster is known as Night Wing Sorceress' Night Wing Dark Magic Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with purple flames on the blaster and with a Phoenix, Angel, and Night Wing Sorceress surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Abigail Nightingale fired blasts of rainbow energy, black and purple energy, and elemental forces at Mercenary Tao and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln tied Mercenary Tao up with rainbow energy chains and beamed him to The Masters of Evil's prison. We cheered as Abigail Nightingale and Lincoln holstered their massive greatswords on their backs and powered down, and Abigail Nightingale's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light purple wolf tails, and massive black and dark purple angel wings are permanent. Max Goof holstered his Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade and powered down.

Abigail Nightingale: That'll teach you, you greedy assassin. I want to thank you and Max for helping me take down Mercenary Tao, Linky.

Lincoln: (Smiles Warmly) You're welcome, Abigail.

Max Goof: It was really fun taking down another villain.

Suddenly, Abigail Nightingale wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Abigail Nightingale's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Night Wing Sorceress flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Abigail Nightingale absorbed the darkness and they came back to us as the display and Night Wing Sorceress vanished.

Nico: Guys, that was one awesome battle you fought against Mercenary Tao, awesome job.

Lincoln: Thanks, Nico. And we saw to it that he paid for all of his crimes in full, and now, he's in The Masters of Evil's prison.

Abigail Nightingale: He'll be learning his lesson there until further notice.

Max Goof: He won't be causing any trouble there, because the second he does, I think some "friends" will be there to teach him a lesson.

The wounds on Max Goof's left hand healed.

Nico: Uh oh, I'm going to guess you summoned something to keep Mercenary Tao occupied.

Max Goof: More like well-behaved until Vypra can decide what to do with him.

January 4th

The third day of our break begins at Patrick's rock. Patrick, who is incredibly smelly and dirty, yawns and wakes up from his slumber. He takes a sniff of his odor and almost gags. Patrick falls off from the rock as a fancy lady passes by with her worms.

GEEZ! THAT STINKS AND SMELLS LIKE SHIT ON A STICK!

Lady: [sniffs Patrick's stench and coughs] How unsavory. [grabs her worms and clogs her nose with them]

[The lady leaves and Patrick's rock falls flat. But the smelly odor from Patrick melts the rock. Patrick heads over to the Krusty Krab where his stench melts the sign. He enters the restaurant and his stench causes Squidward and the customers to run out while covering their noses. SpongeBob and Lily are minding their own business flipping Krabby Patties on the grill. But Patrick's disgusting smell attracts their attention.]

SpongeBob: [sniffs Patrick's odor and it slaps him] Ow! [turns around and sees a smelly and filthy Patrick in the kitchen; he sniffs him again and gags; he pulls off his nose]

Lily: OH GOOD GOD! PATRICK YOU SMELL SO HORRIBLE! I THINK I'M GONNA THROW UP! (VOMITS)

SpongeBob: Patrick, when was the last time you took a bath?

Patrick: Uh. I can't think that far behind.

Lily: YOU SMELL HORRIBLE! (VOMITS) AND I THOUGHT LANA AND ED SMELLED HORRIBLE!

SpongeBob: That is the smelliest smell I have ever smelled. It's actually quite impressive.

Patrick: Why thank you!

Lily: To you maybe but not me!

SpongeBob: Do you, uh, mind if I take another whiff?

Patrick: [lifts his armpit up] Take a crack at it. [SpongeBob sniffs his armpit and his eyes explode] Uh, uh-huh.

[Meanwhile, in Mr. Krabs' office, Mr. Krabs is adding money in his fake bank. He puts a coin on the fake bank and a smaller version of himself takes the coin. Mr. Krabs laughs until he sniffs Patrick's stench.]

Mr. Krabs: Huh? [sniffs Patrick's stench and gags; he sniffs his armpit] Phew. Nope. [opens his fake bank, takes out his small version of himself and sniffs his armpit] Nope. Hmm. [peeks into the bathroom and sniffs over a customer's stall] Nope. [leaves]

Administrator Flotsam: Huh. Can't please everyone.

Mr. Krabs: Huh. [sees the fumes from Patrick's stench from the kitchen door] Huh? What in Sulfur City? [enters the kitchen] Ah-ha! [grabs Patrick and kicks him out of the restaurant] And don't come back until you've cleaned up your act! [goes back in]

Patrick: Oh, yeah? Well, what if I don't clean up my act, huh? I'm revolting! [his stench wilts some flowers; takes out a roll of toilet paper] I proclam a declamation of stink-dependence! [his stench fumes form into trumpets and they blow musical notes; he pouts] Hmph! [the jellyfish above him falls after smelling his stench as he leaves]

[The scene changes to Patrick swimming in sewage. Patrick then jumps into several garbage cans and playing in the garbage. Then Patrick rolls around in smelly laundry in a men's locker room. Then, later at night, a stinky and filthy Patrick walks past the dump. He takes notice of the filthy stench from the dump and sniffs it. He sighs happily as the gates open and Patrick enters the dump.]

French Narrator: The next… [coughs and gags] The next morning…

[The next day, a filthy and smelly creature covered in muck and sludge wakes up from its slumber. The creature's shape looks ironically similar to Patrick Star. The creature slithers down from the garbage and spreads its smelly stench to Bikini Bottom Park. Joggers run from the creature while covering their noses.]

Man: [passing by and smells the creature's stench] Good Neptune!

Norma Rechid: Oh! [covers her nose]

Tyler: I can't breathe! [Norma puts a gas mask on her son's face] Thank you, Mother.

Rube: Amazing! [snaps a picture of the disgusting creature]

Morty: [holds up a newspaper entitled, "Filthy Muck Spotted"] Extra, extra! Filthy Muck spotted in town! Mysterious smelly figure terrorizes Bikini Bottom's noses!

Big nose fish: [after reading the newspaper] Jumpin' Jehoshaphat! [takes out a large clothes pin and puts it on his nose]

[The scene changes to customers eating at a nearby café.]

Clay: I don't-I don't really watch, though.

[Suddenly, Filthy Muck's stench rolls in and everyone except Old Man Jenkins runs away covering their noses. Filthy Muck eats Old Man Jenkins' sandwich.]

Old Man Jenkins: Eh, Filthy Muck. You don't scare me. I can't smell. [Filthy Muck belches in his face and leaves] My nose ain't work since the great Sulfur War of '09! Humph! [throws the table over]

What are you looking at?!

[Meanwhile, back at the Krusty Krab, SpongeBob is reading the newspaper with Filthy Muck's picture on it.]

SpongeBob: Oh, I know him! It's Patrick.

Lily: It sure looks like it.

SpongeBob: Filthy Muck is Patrick. [the customer closes the newspaper] Oh, that poor repulsive pile of sludge. All alone without a friend. I gotta find him. I gotta help him. I gotta love him.

Lily: Lets do it together.

[The customers look at SpongeBob and Lily with strange expressions on their faces. But they eventually cheered for both of their friendship for Patrick. SpongeBob removes his nose and puts a collar and leash on it like a dog with Lily following him.]

SpongeBob: [takes out Patrick's shorts] Shablam!

[The nose smells Patrick's shorts and picks up the starfish's smelly scent. The nose pulls SpongeBob out through the front doors and leads him to with his "friend" is.]

Frank: See? I told you this town was pet-friendly.

Debbie Rechid: Walkies?

Frank: [puts on a collar and gives Debbie a leash] Oh, boy. [walks and pants like a dog]

[SpongeBob's nose continues to track down Patrick's scent where it leads them to the dump where Patrick was last seen. SpongeBob puts his nose back on his face. The smelly fumes from the dump nearly gags him and Lily. They both enter the dump while SpongeBob is holding nose closed.]

SpongeBob: Patrick, are you in there?

Lily: I'm used to this stink.

[SpongeBob hears laughter nearby and they both see Filthy Muck rolling around in the garbage. And since Filthy Muck is shaped like a starfish, SpongeBob mistakens the disgusting creature as Patrick.]

Filthy Muck: Yummy.

Lily: Wow.

SpongeBob: Oh, Patrick! [goes to hug Filthy Muck as it gets up, but he's too smelly and disgusting] It's like you've got a force-field of stink around you. I can't penetrate it. [the stench pushes SpongeBob back] Hmm. [scoops up some sludge] Hey, maybe a little trash-stachio will neutralize the smell and get m sniffer used to it. [smears the sludge on his and starts to become smelly; he sniffs] Mm-hmm. [gets closer to Filthy Muck] It's working. Should I call you "Patrick" or "Filthy Muck?" [laughs] I'm gonna call you Filthy Muck. [laughs as he hops in Filthy Muck's arms] Mm-hmm. [grabs some sludge from Filthy Muck's head and spreads it on his head] And you can call me "Little Yuck." [he and Filthy Muck laugh]

Lily: And call me. (POURS GARBAGE ON HERSELF) Little Yuckette.

[The scene changes into a montage of SpongeBob, Lily and Filthy Muck playing around in sewage, garbage cans, and dirty laundry just like Patrick did earlier. During the montage, the song, "The Ballad of Filthy Muck Song" is played.]

Lead Singer: If you ever smell the stink of an unwashed dog, or inhaled the fumes of a gassy bog. If a whiff of rancid rubbish make your tonsils clench, Well, friend, that's just a hint of Filthy Muck stench! Filthy Muck!

Chorus: Filthy Muck!

Lead Singer: Filthy Muck!

Chorus: Filthy Muck!

Lead Singer: And his nauseating buddies Little Yuck.

Chorus: Pee-yew!

Lead Singer: They roam with sweaty socks and musky boots, they frolic with the belches and the putrid poots. Living by the code of the stink-filled snoots, They love every aroma just as long as it pollutes! Filthy Muck!

Chorus: Filthy Muck!

Lead Singer: Filthy Muck!

Chorus: Filthy Muck!

Lead Singer: There's no stink that ever stank so rank. No stagnant mildew half as dank. As the stinky stank of Filthy Muck…

Lead Singer and Chorus: And his buddie Little Yuck!

[Rube snaps a picture of SpongeBob, aka Little Yuck, Lily, aka Little Yuckette, and Filthy Muck as the song ends. The scene changes to Morty holding a newspaper entitled, "Filthy Muck Finds Playmate."]

Morty: Extra, extra! Read all about it! Filthy Muck finds playmates! Noses on high alert!

Big nose fish: [reads newspaper and his nose glows red] My schnozzola!

[The scene changes to customers running out of a Bistro restaurant. SpongeBob, Lily and Filthy Muck are eating the gourmet foods inside.]

SpongeBob: People left their food behind. [eats some food with Filthy Muck] Shouldn't go to waste.

Old Man Jenkins: I don't care how many of you there are, you don't scare me! I can't smell! [coughs]

Lily: Go suck a doorknob Jenkins.

[The scene changes to SpongeBob, Lily and Filthy Muck scaring people away with their stench at an outdoor theater. SpongeBob, Lily and Filthy Muck climb on the stage.]

SpongeBob: Huh, people left their instruments behind. Shouldn't go to waste. [plays music with Filthy Muck]

Lily was playing awesomely.

Old Man Jenkins: Boo! I can't smell, but you two stink! [laughs]

POW!

Lily punched him in the face.

[The scene changes to Glove World!. The amusement park is completely deserted mostly due to SpongeBob and Filthy Muck's foul stench. SpongeBob, Lily and Filthy Muck are seen riding on the roller coaster. The ride reaches back to the boarding station.]

SpongeBob: Wow, I never knew how great smelling bad can be. There are no lines for anything. How you doing back there, Old Man Jenkins?

Old Man Jenkins: [removes the sludge from his face] I'm not-

SpongeBob: Yeah we know. "Not scared 'cause you can't smell." [laughs] We love you, man.

Lily: I don't.

[cuts back to the dump where SpongeBob and Filthy Muck are lying down looking at the starry sky; sighs]

SpongeBob: Today was a beautiful day, Patrick. Oops, I mean Filthy Muck. [laughs] Ah, just look at the beautiful stars in the sky. [sees something bellow] And look at the stars down there on the ground. [the "stars" turn out to be an angry mob] Oh, they're not stars. They're flames on sticks.

Lily: Uh those are torches. It's an Angry Mob!

SpongeBob: Hi, everybody. [slides down the sludge and Filthy Muck follows] We having a luau?

Con man: Luau nothing! We're running you and your stinky friend out of town!

[The mob shouts in agreement.]

SpongeBob: But it's me, SpongeBob! [wipes the sludge clean off his body, puts on his Krusty Krab work hat, and holds up a spatula] Bikini Bottom's favorite fry cook?

Lily: And Lily Loud! (Wipes off the sludge) Member of Team Loud Phoenix Storm's Neptune Crusaders?

[The mob utters while thinking it over and remember SpongeBob and Lily.]

Con man: All right, well you can stay if you clean up both of your acts. But he's gotta go!

SpongeBob: [tries to protect Filthy Muck] No please! I'll clean him up! I promise! [grabs Filthy Muck and runs away]

Lily: Lets go!

[The angry mob chases SpongeBob, Lily and Filthy Muck. The chase goes to the Boat Wash, where a clean boat comes out. SpongeBob and Lily tries to clean Filthy Muck in the Boat Wash, but nothing helps.]

SpongeBob: Nope, still filthy. [runs away]

Lily: WHEW! And stinky!

[The angry mob runs through the Boat Wash, but the water inside puts out the torches.]

Frankie Billy: Did you bring any matches?

Henry-Bart: Nah, I didn't bring any matches.

Frankie Billy: To the flame store!

[The angry mob goes to relight their torches. SpongeBob and Lily is at the dry cleaning place where he tries to dry clean Filthy Muck. But when the clerk returns him to SpongeBob, nothing helped.]

Dry cleaning clerk: We couldn't get the stain out.

Lily: Oh well.

SpongeBob: Uh, thanks anyway! [runs off as the angry mob bursts through the window and continues to chase them; SpongeBob and Lily tries to wash the sludge off of Filthy Muck with the hose, but nothing is working] Huh? [the angry mob closes in on them and are about to destroy Filthy Muck] No! Patrick's my best friend! Please, put down your torches and pick up mops and soap! We can clean him. That would solve everything.

Con man: Can I rub real hard to express my anger?! [pants]

SpongeBob: Yeah I guess so.

Lily: Go for it.

Con man: [growls] Good!

Angry mob: [calms down as they put down their torches and pitchforks and hold up mops, brooms, brushes and buckets of soap and water] Yeah!

[SpongeBob, Lily and the mob rub and scrub the muck and sludge off of Filthy Muck. But once they were finished, Filthy Muck was gone. Everyone gasps in surprise.]

Lily: What the!?

SpongeBob: [looks through the remains] Where'd he go? There's nothing there! He was the muck! Oh, Patrick!

Patrick: [suddenly appears all cleaned up] That's my name.

SpongeBob: Huh? [the mob gasps in shock] Ooh!

Patrick: At least, I think it's my name.

Lily: Patrick!

SpongeBob: [hugs Patrick] That wasn't you under all that muck?

Patrick: Uh, I don't think so. I went home and took a bath after I realized that I'd never be allowed in the Krusty Krab again.

SpongeBob: But if that was-then who was-?

Old Man Jenkins: [screams as he covers his eyes] Now I'm scared! I'm really scared! [whimpers] I can't take it!

SpongeBob: Hey I thought you said you had no sense of smell.

Old Man Jenkins: I don't, but I can see!

[Old Man Jenkins points to Patrick's buttocks being shown. The scene pulls out to reveal that Patrick is naked after he dropped his towel. Everyone except Squidward and Old Man Jenkins laugh at Patrick's nakedness. While everyone is enjoying their humorous occasion, the wind blows the remains of Filthy Muck. They morph together to bring Filthy Muck back to life. Filthy Muck waves good-bye down to SpongeBob and silently thanks him for the fun he had.]

Lead Singer: There's no stink that ever stank so rank. No stagnant mildew half as dank. As the stinky stank of Filthy Muck…

Lead Singer and Chorus: And his buddy Little Yuck!

Rube: Amazing! [snaps a picture of himself with Filthy Muck]

Lily came home and MAN DID SHE SMELL LIKE GARBAGE!

Me: Geez Lily what the hell were you rubbing yourself with!?

Nico: YEAH LILY! You smell like raw sewage!

Lana: I like it.

We were washing Lily off in the estate park.

Lily: I was having fun in garbage thinking I was playing with Patrick.

She told us everything.

Nico: Boy that Filthy Muck must be a stinky version of bigfoot.

Ed: That sounds like a crazy version of him.

Lily: He was.

We were really scrubbing her.

Me: And I have some very special guests joining us too.

I snapped my fingers and then 5 lights appeared and it was THE BATTLE FEVER J team from 1979!

Nico: WHOA! The Battle Fever J team!

Masao Den: Been a while Nico.

Nico: It sure has Masao.

Me: I brought back their Youth and their powers that they had over 40 years ago.

Laney: Awesome! It's great having you guys with us.

Diane Martin: Same here Laney.

Makoto Jin: We're really honored to be part of the team now.

?: Mind if we help out too?

We saw a Hitmonlee and Hitmonchan.

Me: Wow Hitmonlee and Hitmonchan!

Hitmonlee: (In a girls voice) Sorry to drop in like this.

Hitmonchan: (In a girls voice) Yeah we were in the area. We are the Whoopass Twins.

Me: The most deadliest female duo of fighters in all of women's fighting!? Whoa!

Lily: Wow it's truly an honor to have you girls with us!

Nico: Wow it's awesome to see you girls again!

Hitmonlee: Same to you Nico. Sorry J.D. My name is Hayley.

Hitmonchan: And I'm Holly.

Me: Awesome to meet you girls.

Lily: What are your favorite memories of Nico?

Hitmonlee: We have a lot of them. But our favorite is when we beat the living shit out of a bully and sent him back to his home in a body cast.

Hitmonchan: We sent him home with every single bone in his body completely broken!

Me: WHOA! You girls are no pushovers.

Hitmonlee and Hitmonchan: We are not called the Whoopass Twins for nothing.

They laughed.

We laughed with them.

Lily: That is so awesome.

Rarity: It sure is darlings.

Me: Yep. Ready to revert back to normal?

Hitmonlee: We sure are.

Hitmonchan: But we're naked.

Me: Oh boy.

I put on my blind man glasses and Nico and the boys covered their eyes and I snapped my fingers and they reverted back to normal. They were girls that had blue and red hair and red and blue eyes. Hayley had blue hair and Holly had red hair. They were back to normal and Rarity gave them awesome clothes that matched their colors. They stood up.

Hayley Whoopass: Wow that was rough.

Holly Whoopass: It sure was.

Nico: Yeah.

Nico hugged them.

Nico: I missed you girls.

Whoopass Twins: We missed you too Nico.

---

On the third day of our five-day break, we were training intensely in the World Tree Estate gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lincoln's harem saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Girl Jordan: Even on a five-day break, Lincoln's still working out hard, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he still looks even more ripped than ever, and he's still been bodybuilding and working out after the last six and a half years.

Lily the Mermaid: Indeed, he's really grown a lot from the 11-year-old little boy into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, and we're so happy to see it for ourselves.

Lincoln: Aw, thanks, girls.

Nico: All of you girls really are an awesome match for Lincoln. But, there's one thing we wanted to know, Lincoln. Can you tell us the full story about the origin of the hatred your Guardian Angels harbored against Chandler, his goons, Pablo, Anderson, Flip, Scoots, Hawk, Hank, Lori, Lynn, Lola, Lisa, and Luan?

Lincoln: I was hoping you would ask that, Nico, but brace yourselves, everyone, the origin story will topple all of the nasty revelations you've heard about Chandler, his goons, Pablo, Anderson, Flip, Scoots, Hawk, Hank, Lori, Lynn, Lola, Lisa, and Luan. As pointed out in the story of the origin of my Guardian Angels, God and all of Heaven has basically had enough of their cruelty, mistreatment, and envy and jealousy. Their cruelty, mistreatment, envy, jealousy, and hatred for me began so long ago when Lori turned sixteen, and over time, Lori, Lynn, Lola, Lisa, and Luan had beaten me up numerous times and they've tried on numerous occasions to kill me, but throughout those times, my Guardian Angels had saved me, and Varya Pohzar, Adriana Ardelean Dracula, and Rudina Adalwulf saved me from death when they donated their blood to save my life. But, no matter how many times those five have tried to kill me, they're still my sisters, and my love for them will never die, however, I've had to keep on my guard, because I knew they were capable of lying to others and trying to turn everyone against me for their own sick amusement, and I also asked all of my Guardian Angels to help me with this. They agreed, and from then on, all of us were on guard, and if Lori, Lynn, Lola, Lisa, and Luan crossed that line, they were in gigantic trouble, same with Chandler, his goons, Pablo, Anderson, Flip, Scoots, Hawk, Hank, and Huggins.

When Lincoln was done, we were absolutely horrified.

Me: Oh man, this… this is way darker than all the revelations we'd heard!

Nico: You said it, and like Lincoln said, it went back to the day God and all of Heaven had enough of the cruelty, mistreatment, envy, jealousy, and hatred Lincoln had to endure at the hands of Chandler, his goons, Pablo, Anderson, Flip, Scoots, Hawk, Hank, Lori, Lynn, Lola, Lisa, and Luan.

Nicholette Torrington: That's right, and I think I know why Lincoln also included Killjoy Huggins. Well, it's because of the fact that Lincoln's Guardian Angel, Shayla Sigma, hated Huggins with a vengeance and wants nothing more than to make sure that Huggins gets fired and sent to a nuthouse forever for his crimes.

We gasped.

Nico: Whoa, she hated that killjoy with a vengeance, so much that she wanted nothing more than to make sure he gets fired and sent to a nuthouse forever for his crimes?!

Lincoln: Yep, among all of my Guardian Angels, Shayla hated that grumpy killjoy with a vengeance, and when she looked at that book on Huggins' crimes that Mom still kept in her room, her blood was literally burning with rage and hatred towards him. We'll be meeting her in the near future.

We got a shower afterwards, and then, Nico and his harem are heading to Bubblaine.

Nico snapped his fingers, and the dark blue-haired, 7'5", handsome and extremely muscular man was dressed in a large dark blue speedo with a Dragon and a flame surrounded by elemental forces and stars on it and dark blue flames coming off the speedo, dark blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble.

May: Ah, I always love coming here to Bubblaine.

Nico: Me too, May. Shall we?

Nico and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and the girls in his harem got a massive and extreme deep atomic red blush on their faces when they saw Nico lift fourteen 900,000,000,000,000-lb barbells Nico summoned in his large and strong hands, Saiyan tail, and thirteen massive and long dark blue wolf tails, then they had some lunch, then, as the sun was about to set, Nico made clones of himself and he and his clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls in his harem placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln and I also saw Nico had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Me: (Snickers) Looks like someone had a good time at Bubblaine, eh, Nico?

Nico: (In Heaven) It was awesome!

May: It's always awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Deep Sea King, and he's here to cause havoc. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Tatsumaki, you're not going to like it one bit: the dark energy signal we just sensed belongs to Deep Sea King, and he's here to cause havoc.

Tatsumaki: That's not good, and is he anywhere near any of the lakes in Michigan, that's where he'll take on his true form?

Lincoln: No, thank goodness. But, still, we need to keep him away from the water at all cost.

Tora Kemono: That's what we're going to do to that overgrown fish stick, Linky.

Lincoln: Yeah. Plus, we can also show the rest of the team the training we did in Rindo-Kan Karate, Bōjutsu, Capoeira, and Jeet Kune Do.

Me: That's right, this should be interesting to see.

Nico: Same here.

Tora Kemono: Plus, Lincoln, I think you should also summon the Infernal Demons for when we kill him.

Lincoln: That's an excellent idea, Tora.

Nico: (Gasps) A demonic finale for the battle?! (Smirk) Nice call. Alright, gang, let's go hunt down that overgrown fish stick.

Lincoln: And have him fileted.

Max Goof put a protective light energy field to protect the kids as we left The World Tree Estate to hunt down Deep Sea King.

We arrived at the park.

?: I will destroy every last human in this pathetic world if it's the last thing I ever do!

Suddenly, the eight large planets and stars orbiting around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka, TLPS Ms. Tarantula's, and

Tatsumaki: I always knew there's no mistaking that voice from anywhere, you can come out now, Deep Sea King.

A figure came out, and it was none other than Deep Sea King.

Tatsumaki: I always knew you'd show up again.

Tora Kemono: But, this'll be the last time.

Suddenly, Tora Kemono's purple eyes turned neon purple and she was surrounded by a dark blue and purple energy aura with darkness, dark fire, and chimeras, she unholstered her massive Guardian Chimera-themed greatsword from her back, and as she approached Deep Sea King, she left dark blue and purple energy, darkness, dark fire, and chimeras with every step.

Tora Kemono: I will never forgive you for your crimes against mankind, Deep Sea King, your hatred for humanity has crossed too many lines for the last time, and for that, you shall pay the price for your crimes.

Suddenly, Tora Kemono was surrounded by a massive vortex of dark blue and purple energy with dark fire and darkness surrounding the vortex, there are chimeras and Guardian Chimera flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Tora Kemono emerged, but she was changed forever.

Tora Kemono grew from 6'5" to 7'4" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long dark blue hair, she has neon dark purple eyes and a dark blue and purple energy aura with darkness, dark fire, and chimeras surrounding her, she has Guardian Chimera emblazoned on her forehead and Third Eye with dark blue iris, she has on chimera earrings with purple gems for eyes and holding the Dark and Eternity Kanjis in its paws, she also has Guardian Chimera with purple gems for the eyes and holding the Dark and Eternity Kanjis in its paws on the bottom of her dark blue chimera-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark blue crystal links from her merged Crystal Necklace of the Buddha and dark blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Tora Kemono felt a sharp pain on her back, and then, her massive dark blue angel wings with purple tips on the feathers grew much bigger for her new body, and she now has eleven massive and long dark blue wolf tails, she has on a Ring of The Phoenix with dark blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Tora Kemono's massive Guardian Chimera-themed greatsword and all the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of dark blue and purple energy, darkness, dark fire, and chimeras, and when it emerged, it was transformed into Guardian Chimera's Dark Fire Chimera Angel Greatsword of Dark Firestorm Chimera Justice, it's a brand-new massive greatsword with embedded dark purple gems and Guardian Chimera etched on the 7'0" massive, wide, double-edged dark blue blade, large lion heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large lion heads with purple gems for eyes and a large dark purple gem on the bottom of the lion heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with dark blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Guardian Chimera's head with dark blue gems for eyes and a large dark purple gem inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below Guardian Chimera that said, "Tora Kemono, Gene-Slammer of Guardian Chimera, Cousin of Makoto from Street Fighter, Powerful Master of Rindo-Kan Karate, Bōjutsu, Capoeira, and Jeet Kune Do, Lover of Bruce Lee Movies, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Smasher of Dark Lynn, Dark Chandler and His Goons, Pablo, and Anderson, Archenemy of Melody Carnival, Parody Flash and Harmony Glee, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Fire, and Chimeras"

Tora Kemono has transformed into SUPER ANGEL-GUARDIAN CHIMERA-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS DARK FIRE KARATE GUARDIAN CHIMERA ANGEL OF DIVINE DARKNESS FIRESTORM JUSTICE AND DIVINE DARKNESS FIRESTORM LOVE!

We were amazed by Tora Kemono's Super Angel-Guardian Chimera-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Deep Sea King saw it, he fell into another black rage and rushed at her to kill her, but Tora Kemono fired a powerful dark blue and purple energy blast with darkness, dark fire, and chimeras at Deep Sea King and it exploded and sent him back a bit, but he was pissed off now.

Makoto (Street Fighter): Wow, Tora's transformed, so awesome!

Lincoln: And she also blasted that overgrown fish stick away before he tried to kill her, now he's got a big problem, and Tora, you look beautiful, how do you feel?

Tora Kemono: (Divine Echoing Cosmic Voice of The Darkness Firestorm Guardian Chimera and Divine Dark Firestorm Chimera Love) **I feel incredible, Linky. Now, shall we put an end to Deep Sea King once and for all?**

Lincoln: (Smiles) With pleasure, Tora.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Tora Kemono.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running loose, Deep Sea King, and now, it's time for you to die.**

Deep Sea King: Don't think it'll be that easy. ARISE, MY PEOPLE, AND ATTACK!

Deep Sea King summoned his people, the Seafolk, to attack, but Max Goof transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice and he unholstered his massive Gabriel's

Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) **I'll handle the massive army of Seafolk. You and Tora filet that overgrown fish stick!**

Lincoln nodded, and he and Tora Kemono went after Deep Sea King, and they fired extremely powerful blasts of rainbow energy, dark blue and purple energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Deep Sea King and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off him off now.

Then, they attacked him with blows from their training in Rindo-Kan Karate, Bōjutsu, Capoeira, and Jeet Kune Do. Meanwhile, Max Goof was attacking the Seafolk with powerful blasts of white and red energy, swords, lights, Keyblades, angels, and darkness, and they exploded with incredible power as they hit them, and he also attacked them with his massive Archangel Keyblade.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) **You Seafolk have had this coming for a long time.**

Suddenly, the skies turned black and red and Max Goof's neon deep sapphire blue eyes turned neon demonic red.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly

Archangel and Divine Heavenly Light Archangel Hope) (Speaking in Ancient Enochian) **DO O IA MAXIMILLIAN.** (Clenches his left hand hard and causes blood to come out) **CNILA D COMSELHA ODO ANANAEL. IPAMIS NONCP FAFEN NIIS.** (Drops of blood hit the ground) **AVAVAGO TLIOB VRAN!**

Suddenly, the symbol of The Umbra Witches appeared below Max Goof's feet, and a portal opened up as pitch-black darkness began swirling around and it forms into a massive Godzilla-like creature, and Nicole saw who it was: it was Sin Gomorrah, The Font of Destruction, and the completely uninhibited form of Gomorrah, The Devourer of The Divine, and it let out a massive elephant roar. Eli snapped his fingers and we were on Glaren.

Nicole: Holy crap, that's the second of the Deadly Sin evolved Infernal Demons: Sin Gomorrah, The Font of Destruction. This is going to get ugly!

Nico: Big time ugly. And look!

Suddenly, we saw Max Goof's outfit change colors: his white tank-top turned blood red, his long dark blue jeans turned midnight black, his black knee-high leather combat boots and white gloves remain the same, but, his long long-sleeved deep red trenchcoat with angels, light, and Keyblades on the coattails turned midnight black with demons, darkness, and crescent moons on the coattails, and the

Angel with a Keyblade in its right hand surrounded by Keyblades and on top is a Hidden Mickey icon, Crown pendant, Keyblade, and the symbol of Kingdom Hearts on the back turned into the symbol of The Umbra Witches.

Me: What the?!

Nico: I never knew his clothes can change colors whenever he uses the Deadly Sin ritual. I wonder if the same thing will happen to Lincoln.

Sin Gomorrah roared, and it sent the Seafolk flying into the air with a tail whip, and then, it fired a massive Atomic Beam and it hit the

Seafolk and all of them were obliterated and sent to The Black Gates. Sin Gomorrah disappeared through the portal and Max Goof's Umbra Witch-themed clothes had changed back to their original colors and his demon red eyes turned back to neon deep blue and the wound on his hand healed.

Max Goof: (Divine Echoing Cosmic Angelic Voice of The Heavenly Archangel and Divine Heavenly Light Archangel Hope) **That takes care of The Seafolk.** (Walks back to us) **Now, it's all up to Lincoln and Tora to kill their king and dethrone him.**

When Deep Sea King saw what Max Goof did to his people, he fell into a blacker rage and he tried to kill him, but Lincoln and Tora kicked him hard in the chest. Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Tora Kemono, her hand-cannon Blaster is known as Guardian Chimera's Darkness Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark blue with purple flames on the blaster and with a Phoenix, Angel, and Guardian Chimera surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Tora Kemono fired blasts of rainbow energy, dark blue and purple energy, and elemental forces at Deep Sea King and as they hit him, they exploded with incredible power, and he was knocked down.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You've done well, Max. Now, it's our turn.** (Speaking in Ancient Enochian) **SUNDENNA!**

Lincoln summoned Diomedes, Severer of the Dark, a demonic fanged horse, with a gigantic red blade on its forehead similar to a unicorn, it used its gigantic red blade and launched Deep Sea King into the air and it slashed at him wildly and he was cut into pieces, and his soul was devoured by the demons. We cheered as Tora Kemono and Lincoln holstered their massive greatswords on their backs and powered down, and Tora Kemono's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long dark blue wolf tails, and massive dark blue angel wings are permanent. Max Goof holstered his Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade and powered down, and Diomedes vanished.

Tora Kemono: Have fun getting devoured by The Infernal Demons. Thanks for helping me destroy Deep Sea King, Linky.

Lincoln: (Smiles Warmly) You're welcome, Tora.

Suddenly, Tora Kemono wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Tora Kemono's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Guardian Chimera flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Tora Kemono absorbed the darkness and they came back to us as the display and Guardian Chimera vanished.

Nico: Guys, that was one awesome battle you fought against Deep Sea King, awesome, and I didn't expect that overgrown fish stick to bring his army here.

Lincoln: He always brings his army with him wherever he goes, but Max did an awesome job when he fought them, and he summoned Sin Gomorrah.

Me: Plus, when we saw your clothes change colors and it had the theme of the Umbra Witches, just what was that, a new form?

Max Goof: Yeah, that's right. When I use the Deadly Sin ritual, not only do my eyes change from deep blue to demon red, but my clothes change colors and gain the theme of the Umbra Witches, that form you guys saw is a form that I call Umbra Dark Angel.

We gasped.

Me: Is that even possible?!

Lincoln: It is, J.D., Max wasn't the only one who has an Umbra Dark Angel form, I do as well.

Bayonetta: (British Accent) I've seen it for myself, and in his Umbra Dark Angel form, Lincoln's hair changed from white to midnight black, his deep sapphire blue eyes and the rainbow iris of his Third Eye turned demonic red, and his clothes turn black and red, and the Umbra Witch mark on the tattoo on his back also starts to glow.

Nico: Whoa!

Lincoln: That's right.

Me and Pinkie Pie were in the kitchen making cookies.

Pinkie Pie: Cup of sugar.

Me: Check.

I poured in the sugar.

Pinkie Pie: Tablespoon of Baking Powder.

Me: Check.

I poured in the baking powder.

Pinkie Pie: Dash of vanilla.

She poured it in.

Me: Check.

Pinkie Pie: Pinch of salt. And for our final ingredient 2 Tank Kisses.

She kissed Tank two times and made two hearts appear and it made awesome cotton candy cookies dough.

Me: Boy these are gonna be delicious Pinkie.

Pinkie Pie: They sure are. Now for the not so secret ingredient: CHOCOLATE!

She pulled out a bowl of chocolate from her head and man was it awesome.

We made awesome awesome chocolate vanilla cotton candy cookies.

Nico: Oh boy those look delicious!

Qin: Boy they sure do.

Me: Me and Pinkie Pie made them.

We tried them.

Me: (Eats one) Mmm! Delicious.

Nico: So good!

Me: Now here is some awesome special guests.

I snapped my fingers and then in flashes of light came THE DENZIMAN from 1981!

Nico: Cool the Denziman!

Ippei: Awesome to see you all again after so long.

Qin: It sure has been a while.

Akira Momoi: But it's awesome that we're going to join you guys now.

Me: We owe you guys big time for helping us back in the Battle with Thanos.

Ippei: That was awesome though.

Nico: It sure was.

Eli: Great to have you all with us.

Then as I was carrying a bunch of cookies, I stepped on some water and slipped and Pinkie Pie caught the cookies and I slipped!

Me: WHOA!

CRASH!

Me: OUCH! What the? Where did all this come from.

I saw that the water was more stickier than normal.

Me: Wait this isn't water. It's drool! Who is drooling more than normal!?

Billy: It's not me!

Then…

SPLAT!

I got licked by a huge tongue and slathered in drool and covered in spit!

Me: YUCK! OH DISGUSTING!

?: Sorry about that.

Then we saw a Lickitung!

Me: Whoa a Lickitung!

Nico: Whoa this one is quite the drooler.

Lickitung: (In a girls voice) Yeah I can't help it. I'm a really nasty drooler.

Nico: Carrie "Spitshot" Lexington! Wow!

Lickitung: Good to see you again Nico. Sorry about all that mess.

Me: No worries. How come they call you Spitshot?

Lickitung: It's a name I got for using my spit to hurt bullies and save people.

Eli: That is cool. Like a spitball gun without the paper.

Lickitung: Yep.

Pinkie Pie: What is your favorite memory of Nico?

Lickitung: My favorite is where me and Nico were going to class and I invented a way to turn all my excess drool into water pure enough to drink. You see I have this really nasty condition where I drool uncontrollably and I can't control it.

Me: That's okay. But that is really awesome and ingenious.

Lickitung: Thanks.

Nico: Yep. Ready to revert back to normal?

Lickitung: I sure am. But I'm naked.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and she reverted back. Her tongue went back to normal size and she was a girl with pink hair and pink eyes and then she stood up and the fashion brigade moved in and gave her pink waterproof clothes.

Carrie Lexington: Wow. But man I look awesome.

Nico: You sure do.

Nico and Carrie hugged.

Nico: I've missed you.

Carrie Lexington: Me too Nico. Me too.

On the fourth day of our five-day break, we were training intensely in the World Tree Estate gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lincoln's harem saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Girl Jordan: Even on a five-day break, Lincoln's still working out hard, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he still looks even more ripped than ever, and he's still been bodybuilding and working out after the last six and a half years.

Lily the Mermaid: Indeed, he's really grown a lot from the 11-year-old little boy into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, and we're so happy to see it for ourselves.

Lincoln: Aw, thanks, girls.

Nico: All of you girls really are an awesome match for Lincoln. But, there's one thing we wanted to know, Lincoln. Can you tell us the full story about how your Guardian Angels trained you constantly to become an emerging hero way before you became a member and one of the four founders of Team Loud Phoenix Storm?

Lincoln: I thought you'd never ask, Nico. After I got my powers from Hinon and became a vampire-werewolf hybrid and began acquiring powers through the feeding on the blood of my many Guardian Angels, they began to train me constantly: as I stated before, we started going to the gym, and I had started working out even more, and I also had a diet plan set up by my Guardian Angels, and it's not long until Leni, Luna, Laney, Lucy, Lana, Lily, Mom, Dad, J.D., Varie, and the others, except for Lori, Lynn, Lola, Lisa, and Luan began to get involved. As the years passed, I was suddenly growing much in height and muscle mass. Then, as I started going through puberty, suddenly, the Guardian Angels began to see some extremely bigger changes in me: Becky Long then did an examination of me and they saw my growth hormones went into overdrive, and all the hormones that would've been wasted on acne led to an acceleration of more desirable traits - a "hyperpuberty", as she called it. Because of it, I began to grow even taller in height and my muscle mass and testosterone practically exploded, and I gained the physique of a heavyweight bodybuilder and a God and my body became extremely muscular, and the structure of my face also changed, it was another sign that I went from a boy to a manly hunk.

Nico: (Whistles) And you said Leni, Luna, Laney, Lucy, Lana, Lily, and your parents knew about this?

Luna: You bet we did, dude. When we saw what happened to our bro, we were absolutely stunned like crazy: he became a manly and extremely muscular hunk, and judging from the wild nosebleeds we'd seen from The Guardian Angels, we knew Lincoln had a way of attracting many ladies, but now that he's really changed physically, we knew it's going to get really wild if he decided to get a harem.

Laney: Plus, if Lori, Lynn, Lola, Lisa, and Luan found out, they'd try anything to kill him. But, because of how much bigger, taller, stronger, and more imposing Lincoln's become, if they tried anything to kill him or his Guardian Angels, Lori was going to get turned into a human pretzel, Lynn was going to get beaten to a bloody pulp, Lola's going to lose a few teeth, Lisa was going to get her glasses smashed, and Luan was going to get her braces smashed.

Leni: But, Lincoln was still the same gentle person he's always been. So, we decided to leave that to the Guardian Angels to put them in their place.

Lincoln: That's right, and like I said, J.D. was also involved as well, along with Varie.

Nicole: Whoa, so you and Mom also knew about it, Dad?

Me: Yeah, and we swore to keep it a secret, because if Lori, Lynn, Lola, Lisa, or Luan found out, they would let their Dark Sides out and they'd go on the war path seeking revenge on Lincoln's Guardian Angels.

Nicole: Greedy, good-for-nothing, vengeful, jealous brats, that's what they are.

Nicholette Torrington: We also called them that as well, but we also used some profanity for that one, since we knew just how toxic and evil they were.

Nicole: And you girls also track his progress?

Becky Long: We did once, but at the rate of Lincoln's rapidly accelerating growth, we couldn't keep any track of it at all, and since that hyperpuberty hit him like ten thousand incoming freight trains, there's no way he wouldn't be able to keep himself from making out with us, his hormones would be kicked into overdrive.

May: (Whistles) Dang, Lincoln, you sure are a ladies man to the infinite power!

Maria: Just how many good girls did you tend to attract, you white-haired Romeo?

Some of the girls snickered.

Lincoln: To be honest, I lost track.

Luna: Yeah, but honestly, the way girls are attracted to him, it's no surprise, he was so cute when he was little, and since he's grown into a man, he's also been getting even more attention from the ladies.

Nicholette Torrington: But, we're keeping an eye out, if any of those girls are anything like that evil, heartless slut, Audrey Madison, that insane pyromaniacal bitch, Mia, Emily's bloodthirsty ex-sister, Amy, that psychopathic, sadistic bitch, Clarissa Mallory, or the dark sides of Lori, Lynn, Lola, Lisa, or Luan, they will die a horrible bloody death!

Clara St. Clarice: We'll unleash Hell on those kinds of girls!

Anna Anyanova: And if they're anything like my insane ex-sister, Tanya, we'll personally break every last bone in their bodies!

Maria: Looks like Lincoln's got himself an Anti-Evil Girl patrol, and whose goal it is to beat down any evil girl who tries to take advantage of Lincoln for their own selfish gains or humiliate and kill him for their own sick twisted amusement.

Nicole: For the pure evil girls who want to kill him for their own sick twisted amusement and who're truly irredeemable, their sentence is death, and for those who take advantage of his kind nature for their own selfish gains along with trying to humiliate him, they're in for a lifetime of suffering.

Nicholette Torrington: A lifetime of suffering while alive, karmic justice in a sense, and they'll never be able to get out of it, that's the ultimate punishment.

We got a shower afterwards, and then, me and my harem are heading to Bubblaine.

I snapped my fingers, and I was dressed in a large white speedo with an orange phoenix and flame surrounded by elemental forces and stars on it and white flames coming off the speedo, red sandals, my jewelry and accessories, gold metal bands on my massive biceps and thighs, and I had my weapons holstered in case of trouble.

And my harem were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble.

Varie: Ah, I always love coming here to Bubblaine.

Me: Me too, Varie. Shall we?

My harem and I dived into the waters and we had fun swimming in the waters and we also had a swimming race and had a lot of fun and we saw the sea life that live in there, and we went back to the beach and we also had a game of volleyball, and the girls in my harem got a massive and extreme deep atomic red blush on their faces when they saw me lift thirteen 900,000,000,000,000-lb barbells I summoned in my large and strong hands and thirteen massive and long white wolf tails, then we had some lunch, then, as the sun was about to set, I made clones of himself and me and my clones went up to the girls in my harem and we hugged the girls in our abnormally massive and powerful muscular arms and the girls in his harem placed their hands on the massive pecs of me and my clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln and Nico also saw I had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Bubblaine, eh, J.D.?

Me: (In Heaven) It was awesome!

Camie: It's always awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Drago Bludvist, and he's come back from the dead seeking revenge on us for destroying him. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit, especially you and your friends, Hiccup: the dark energy signal we just sensed belongs to our old enemy, Drago Bludvist, and he's come back from the dead seeking revenge on us for destroying him.

Everyone gasped, especially Hiccup and his friends.

Hiccup: I thought we were finally rid of him for good, but it looks like he doesn't know when to quit.

Astrid: Afraid not. So, it looks like we're going to resort to more stronger measures: as in The Black Gates.

Nico: Right, Astrid. Now, the question is who'll face him?

Anna Anyanova: We will. Time to show him what happens when he tries to take Berk's dragons and use them to conquer the world.

Lincoln: He doesn't have that Bewilderbeast with him, I wonder why?

Max Goof: Actually, I can answer that.

Max Goof summoned a cage and inside it was Drago Bludvist's Bewilderbeast.

Hiccup: The Bewilderbeast! But, it's not going to… !

Max Goof: It's not, I made sure of it.

Lincoln: Whoa, and I'm sensing a lot of bad memories, he's gone through a lot, that barbarian abused him for his own selfish needs, and all he wants is to die and be free from his suffering.

Nico: You read his thoughts, didn't you?

Lincoln: Yeah. Just how can Drago Bludvist do something that cruel and evil?

Hiccup: He's just born evil, Lincoln. So, what do we do the Bewilderbeast?

Suddenly, it looked at Lincoln with a silent gaze, and it asked him something.

Lincoln: I just had a conversation with it, and it wants me to end his life in a merciless manner, and it also told me in doing so, I can also gain its powers by feeding on its blood. It must've known about the time I fed on Malcho and on Baran the fallen Dragon Knight. (To the Bewilderbeast) Okay, I will do so.

Lincoln went up to The Bewilderbeast as Max Goof disabled the cage. Then, Lincoln sank his fangs into The Bewilderbeast and he began sucking out all of its blood and he was also assimilating all of his powers and abilities, and as soon as Lincoln was done, The Bewilderbeast died as it was put out of its misery.

Lincoln: Thank you, Bewilderbeast, now you can rest in peace.

The Bewilderbeast suddenly faded away.

Lincoln: Drago Bludvist, you just gave us yet another reason to make you suffer the cruelest and truly horrific death ever, you sorry excuse for a human being!

Nico: What he's done can never be forgiven, and now, we'll make sure that death claims his wretched life once again. Alright, guys, let's go hunt down that barbarian and make him pay!

Lincoln: With every last bit of his wretched and miserable life.

Max Goof put a protective light energy field to protect the kids as we left The World Tree Estate to hunt down Drago Bludvist.

We arrived at Berk.

?: I will have my revenge on all of you for ruining my plans to conquer all of Berk and the world, Team Loud Phoenix Storm!

Suddenly, the eight large planets and stars orbiting around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the

Me: I always knew there's no mistaking that voice from anywhere. You can come out now, Drago Bludvist.

A figure came out, and it was none other than our old enemy, Drago Bludvist.

Nico: (Growls) I always knew you'd one day come back, you heartless barbarian.

Anna Anyanova: But, this shall be the last time.

Suddenly, Anna Anyanova's purple eyes turned neon purple and she was surrounded by a black and purple energy aura with light, darkness, music notes, angels, and dark angels, she unholstered her massive Destiny HERO Dark Angel-themed greatsword from her back, and as she approached Drago Bludvist, she left black and purple energy, light, darkness, music notes, angels, and dark angels with every step.

Anna Anyanova: I will never ever forgive you for the crimes you've committed, Drago Bludvist, your selfish ambitions of wanting to conquer Berk and the world has led to so much pain and suffering to one too many innocent souls, and for that, you will die a horrible death for your crimes.

Suddenly, Anna Anyanova was surrounded by a massive vortex of black and purple energy with light, darkness, and music notes surrounding the vortex, there are angels, dark angels, and Destiny HERO Dark Angel flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Anna Anyanova emerged, but she was changed forever.

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS AT 6:02 TO 7:14)

Anna Anyanova grew from 6'5" to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long midnight black hair, she has neon purple eyes and a black and purple energy aura with light, darkness, music notes, angels, and dark angels surrounding her, she has Destiny HERO Dark Angel emblazoned on her forehead and Third Eye with purple iris, she has on angel earrings with purple gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Destiny HERO Dark Angel with purple gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her purple angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Anna Anyanova has on a sleeveless pink shirt, purple skirt, jeans, purple socks with white stars, purple sneakers, and long white sleeveless trenchcoat with light, darkness, music notes, angels, and dark angels on the coattails, and on the back is Destiny HERO Dark Angel and it's surrounded by light and darkness. Suddenly, Anna Anyanova felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the feathers grew much bigger for her new body, and she now has eleven massive and long black wolf tails, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Anna Anyanova's massive Destiny HERO Dark Angel-themed greatsword and all the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and purple energy, light, darkness, music notes, angels, and dark angels, and when it emerged, it was transformed into Destiny HERO Dark Angel's Twilight Musical Dark Angel Greatsword of Twilight Light and Dark Musical Justice, it's a brand-new massive greatsword with embedded purple gems and Destiny HERO Dark Angel etched on the 7'0" massive, wide, double-edged black blade, large angel heads for the crossguard, large white angel face embedded in the rainguard with large purple gem embedded on the forehead, longer midnight black handle, four large white heads with purple gems for eyes and a large dark purple gem on the bottom of the white angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Destiny HERO Dark Angel's head with purple gems for eyes and a large dark purple gem inside its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Anna Anyanova has transformed into SUPER ANGEL-DESTINY HERO-HARMONY CELESTIAL ETERNAL XELNAGA TWILIGHT MUSICAL DESTINY HERO ANGEL OF DIVINE TWILIGHT MUSICAL DESTINY HERO LIGHT AND DARKNESS JUSTICE

AND DIVINE TWILIGHT MUSICAL DESTINY HERO LIGHT AND DARK LOVE!

We were amazed by Anna Anyanova's Super Angel-Destiny Hero-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Drago Bludvist saw it, he fell into another black rage and rushed at her to kill her, but Anna Anyanova fired a powerful black and purple energy blast with light, darkness, music notes, angels, and dark angels at Drago Bludvist and it exploded and sent him back a bit, but he was pissed off now.

Lori: Wow, Anna's literally transformed, incredible!

Lincoln: And she sent that bloodthirsty savage back with that energy blast of hers before he tried to kill her, now he's got a big problem, and Anna, you look beautiful, how do you feel?

Anna Anyanova: (Divine Echoing Cosmic Voice of The Twilight Musical Destiny HERO Dark Angel and Divine Twilight Musical Destiny HERO Love) **I feel incredible, Linky. Now, shall we bring the curtain down on this miserable demon?**

Lincoln: (Smiles) With pleasure, Anna.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Anna Anyanova.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're**

**done running loose, Drago Bludvist, and now, it's time for you to die once again, and this time, stay dead!**

Anna Anyanova and Lincoln went after Drago Bludvist, who tried to skewer them with his spear, but they parried his attacks, and they fired extremely powerful blasts of rainbow energy, black and purple energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Drago Bludvist and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off him off now.

Then, they attacked him by singing, and as they sang, their songs fired powerful energy blasts which hits Drago Bludvist all over the place, and their attacks also destroyed his spear.

Nico: Whoa!

Lori: I always knew Anna and Lincoln had the voices of angels, and their angelic singing is literally doing a lot of damage to Drago Bludvist. If they used that on that hack, Tanya, she'd really be in a ton of pain.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Anna Anyanova, her hand-cannon Blaster is known as Destiny HERO Dark Angel's Twilight Musical Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black with purple flames on the blaster and with a Phoenix, Angel, and Destiny HERO Dark Angel surrounded by light and darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Anna Anyanova fired blasts of rainbow energy, black and purple energy, and elemental forces at Drago Bludvist and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln fired a powerful ice breath blast which hits Drago Bludvist and he was frozen inside of a block of ice, and then, Lincoln fired blasts of lightning which destroyed the ice block and not only did it shatter into a million pieces, but Drago Bludvist also shattered into a million pieces and his spirit is sent to The Black Gates forever. We cheered as Anna Anyanova and Lincoln holstered their massive greatswords and powered down, and Anna Anyanova's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Anna Anyanova: Never again will you plague Berk and all of its inhabitants, you heartless savage. Thanks for helping me destroy Drago Bludvist once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Anna.

Suddenly, Anna Anyanova wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Anna Anyanova's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Destiny HERO Dark Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, light, and darkness behind them and we cheered wildly. Then, Lincoln and Anna Anyanova absorbed the light and darkness and they came back to us as the display and Destiny HERO Dark Angel vanished.

Nico: Guys, that was one awesome battle you fought against Drago Bludvist, awesome job, and now, we're finally rid of him for good.

Lori: Plus, you two literally sang divinely and you really damaged that heartless savage.

Lincoln: Thanks, Lori.

Anna Anyanova: The last time we sang like that was when we sent that brat, Tanya, straight to Hell. But, she eventually came back on Halloween after we got rid of Angela Franklin.

Lincoln: Yep, and she also brought Mia with her as well, but in the end, I turned your former sister into a gold statue and sent her back to prison for good, and Mia was given The Black Gates for good.

Me: That's right.

Nico: That talentless hack was never a good singer, she deserved to be humiliated like that.

Lincoln: And she made the big mistake in making Lori angry, Anna knew of Lori's reputation for really getting angry quickly, but Tanya didn't care, she was too blinded by fame and it made her crazy and she turned against her family.

Anna Anyanova: It sure did. I can never forgive Tanya for everything she did, and she deserved this long ago for her bad deeds. She got away with her crimes for so long, but in the end, karma bit her hard in the butt.

January 6th

Me and the Rabbids were staring at each other.

Me: Okay Rabbids. Top this.

LOUD FART TOOT!

I farted like Garby!

Nico and Eli gagged and coughed.

Me: Good thing I had only one bowl this time.

The Rabbids laughed and then they farted a bagpipe song and the airvents blew the stench out into space.

Me: That is funny.

LOUD FART TOOT!

I farted into the Rabbids faces. They fainted from the stench.

Me: Looks like my stench is worse.

Nico: Boy Garby's farts and your farts are just as bad together.

Me: No kidding there.

Nico: And here are more special guests before we start farting ourselves to death.

I snapped my fingers and then in flashes of light came the SUN VULCAN TEAM from 1981!

Takayuki Hiba: Wow Team Loud Phoenix Storm. It's good to see you guys again.

Me: Same here, Takayuki.

Nico: You too guys.

Asao: Glad you all can join us.

Takayuki: Yeah.

It was gonna be awesome having them with us.

But then…

LOUD FART TOOT!

Nico: J.D.!

Me: That wasn't me!

?: It was me this time.

Then we saw a Weezing and a Rhydon!

Nico: Whoa a Weezing and a Rhydon!

LOUD FART TOOT!

Weezing: (In a girls voice) Sorry about that. I can't control it.

LOUD FART TOOT!

Nico: (COUGHS) Nikki Clemmington! Boy no mistaking that stench anywhere.

LOUD FART TOOT!

Weezing: I know.

LOUD FART TOOT!

Weezing: Sorry.

Omaima Lexington: Geez! And I thought I was the only one that had a nasty fart problem.

LOUD FART!

Omaima Lexington: Sorry.

May: What are your favorite memories?

LOUD FART TOOT!

May: Besides farting in peoples faces.

Weezing: Sorry. Nasty condition that came with the Gene-slammer form. My favorite is when me and Nico where at school and a bully was hurting a kid and I kicked his butt all over and then farted in his face with a nasty Dutch Oven and made him throw up all over the place.

Me: Wow! You are amazing and gifted.

Weezing: We sure are.

LOUD FART TOOT!

Weezing: Sorry.

Me: Would you like to be reverted back?

Weezing: I sure would. But I'm naked.

Me: Oh boy.

I put on my blind man glasses.

The boys covered their eyes.

I snapped my fingers and they reverted back and got their bodies and Nikki was a girl with purple hair and had purple eyes.

The fashion brigade gave them awesome clothes.

They got up.

Nikki C.: That was awesome.

Nico hugged her

LOUD FART TOOT!

Nikki C.: Sorry.

Nico: I missed you.

Nikki C.: I missed you too Nico.

Later I was watching Kamen Rider Faiz and I saw the horrible atrocities of Masato and it was terrible!

---

When I finished watching Faiz, I WAS INFURIATED!

Me: Guys please excuse me.

I went out to the training grounds and then I WENT BALLISTIC! I SCREAMED IN INCREDIBLE RAGE AND FURY AND RELEASED A MASSIVE EXPLOSION OF POWER AND ENERGY AND IT WAS SO INTENSE THAT EVERYONE AND EVERYTHING ALL OVER THE UNIVERSE FELT IT!

Me: (ENRAGED SCREAMING) MASATO YOU MONSTER! I WILL MAKE SURE YOU PAY FOR EVERYTHING YOU DID! I WILL NOT LET YOU GET AWAY WITH EVERYTHING YOU DID!

Nico and everyone saw me and then I flew off to Japan.

---

On the fifth and final day of our five-day break, we were training intensely in the World Tree Estate gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lincoln's harem saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Girl Jordan: Even on a five-day break, Lincoln's still working out hard, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he still looks even more ripped than ever, and he's still been bodybuilding and working out after the last six and a half years.

Lily the Mermaid: Indeed, he's really grown a lot from the 11-year-old little boy into a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, and we're so happy to see it for ourselves.

Lincoln: Aw, thanks, girls.

Nico: All of you girls really are an awesome match for Lincoln. But, there's one thing we wanted to know, Lincoln. Can you tell us the full story about the results of your training with your Guardian Angels?

Lincoln: I thought you'd never ask, Nico. As you've heard in the story yesterday, my Guardian Angels had trained me constantly, and you've heard all the other stuff as well, along with Leni, Luna, Laney, Lucy, Lana, Lily, Mom, Dad, J.D., Varie, and the others getting involved in my training. The results I'd gotten were indeed incredible, but then, we sensed five energy signals, I fired five blasts of lightning at a nearby bush, and it forced out five figures: and to our surprise and my Guardian Angels' disgust, it was Lori, Lynn, Lola, Lisa, and Luan, and they were mega pissed off. They saw what became of me that I was now bigger, taller, stronger, and more imposing, and it drove them completely insane with rage and murderous insanity, they ran at me with knives to finally kill me and everyone involved with helping me: their Dark Sides have finally taken over and they were driven into this. But, I was ready for them, I grabbed Lori's arm and twisted it and that caused her to drop the knife, and I grabbed and tossed her right at Lola with unbelievable strength and it knocked them both out. This drove Lynn really mad and she ran at me on all fours like an animal and she threw a punch at my abs, but the bad news for her: she badly injured her hand when she did that, and I grabbed her by her jersey and I tossed her right at Lori and knocked them both out. Then, Lisa tried to attack me with a scalpel, but I dodged it, grabbed her by her shirt, and sent her flying with one throw and she wound up inside a trash can. Finally, Luan sent her boxing glove jack-in-the-boxes at me and she was laughing insanely, but I dodged them all, and I grabbed Luan and had her put into a sleeper hold until she was knocked out. I then tied them up with energy ropes, and my Guardian Angels were so proud of me, they all ran up to me and they kissed me all over the place. Everyone also ran over and hugged me and they were so proud of me. Then, after that was done, we dragged Lori, Lynn, Lola, Lisa, and Luan home, and Mom and Dad were extremely furious at those five. Lori tried to lie, but we saw it for ourselves: they planned this, and as a result, Lori, Lynn, Lola, Lisa, and Luan were grounded for sixteen weeks, but not before Leni hit Lori with a sandal, Luna smashed her cymbals in Luan's ears, Lana threw mud at Lola, Laney sprayed Lynn with water, and Lily threw a dirty diaper at Lisa, and they got sent to the isolation cube.

Nico: Oh man, so when Lori, Lynn, Lola, Lisa, and Luan found out about what happened to you, they let their hatred and rage take over and they tried to kill you guys?!

Me: And lay waste to everyone in Michigan. But, Lincoln took all five of them down, and they had no chance against him.

Luna: Lori and the four other bad sisters were asking for it big time, dude, and there was no way I was going to forgive that psychotic insane joker for what she tried to do to my bro.

Laney: Same with that walking, superstitious, smelly gym bag.

Lily: Same with that heartless, emotionless, evil mad scientist.

Lana: Along with that bad-tempered, conniving pink-wearing demon.

Leni: And that bossy, two-faced, short-tempered control freak!

Lincoln: They were really angry at Lori, Lynn, Lola, Lisa, and Luan for their stunt, but eventually, they would earn our forgiveness.

Me: Yep, and I heard what Leni, Luna, Laney, Lucy, Lana, and Lily called the five bad sisters, and they were really angry at what those Dark Sides forced the five of them to do to Lincoln and all of us.

We got a shower afterwards, and then, Lincoln and his harem are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble.

Girl Jordan: Ah, I always love coming here to Bubblaine.

Lincoln: Me too, Girl Jordan. Shall we?

Lincoln and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and the girls in his harem got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls in his harem placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Girl Jordan: It's always awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Hobgoblin, and he's come back from the dead seeking revenge on us for destroying him. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit, especially you and your friends, Peter: the dark energy signal we just sensed belongs to our old enemy, Hobgoblin, and he's come back from the dead seeking revenge on us for destroying him.

We gasped.

Spiderman: Oh boy.

Me: That son of a bitch just doesn't even know when to quit, does he?

Nico: He sure doesn't.

Lincoln: Yeah, but just like with Mercenary Tao, he's going straight to The Masters of Evil's prison, but not before we pummel him.

Becky Long: And if he's also on that glider of his, I can cause a little bit of "technological damage" to it and have him crash down to Earth, and malfunction his Pumpkin Bombs.

Lincoln: Good idea, Becky.

Nico: It sure is, anyone who dares to mess with a powerful technomancer and there's bound to be some technological consequences. Alright, gang, let's head out and hunt down Hobgoblin.

Lincoln: And take him down and throw him in prison.

Max Goof put a protective light energy field to protect the kids as we left The World Tree Estate to hunt down Hobgoblin.

We arrived at the park.

?: I will have my revenge on all of you for destroying me, Team Loud Phoenix Storm!

Me: I always knew there's no mistaking that voice from anywhere. You can come out now, Hobgoblin.

A figure came out on his glider, and it was none other than our old enemy, Hobgoblin. He threw some Pumpkin Bombs at us, but Becky Long used her technomancy powers to overload his Pumpkin Bombs and she also overloaded his glider which caused him to fall off, and she gave it to Lincoln who used his tech absorption powers and he absorbed it.

Becky Long: Nice try, you psycho, but now, you have no way to even fight back.

Suddenly, Becky Long's light blue eyes turned neon light blue and she was surrounded by a light blue energy aura with technology, spaceships, stars, darkness, and cyber angels, she unholstered her massive B.E.S. Big Core-themed greatsword from her back, and as she approached Hobgoblin, she left light blue energy, technology, spaceships, stars, darkness, and cyber angels with every step.

Becky Long: I will never forgive you for every last one of your crimes, Hobgoblin, you've done enough damage to too many people for the last time, and now, you're going back to prison for good.

Suddenly, Becky Long was surrounded by a massive vortex of light blue energy with technology, stars, and darkness surrounding the vortex, there are spaceships, cyber angels, and B.E.S. Big Core flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Becky Long emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Becky Long grew from 6'5" to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long midnight light blue hair, she has neon light blue eyes and a light blue energy aura with technology, spaceships, stars, darkness, and cyber angels surrounding her, she has B.E.S. Big Core emblazoned on her forehead and Third Eye with light blue iris, she has on angel earrings with light blue gems for eyes and holding the Light, Tech, and Eternity Kanjis in its hands, she also has B.E.S. Big Core with purple gems for windows and holding the Light, Tech, and Eternity Kanjis in its turrets on the bottom of her light blue spaceship-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with light blue crystal links from her merged Crystal Necklace of the Buddha and light blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Big Core and it's surrounded by technology. Suddenly, Becky Long felt a sharp pain on her back, and then, her massive light blue angel wings with blue tips on the feathers grew much bigger for her new body, and she now has eleven massive and long light blue wolf tails, she has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Becky Long's massive B.E.S. Big Core-themed greatsword and all the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of light blue energy, technology, spaceships, stars, and cyber angels, and when it emerged, it was transformed into B.E.S. Big Core's Technology Starship Star Greatsword of Technology Star Justice, it's a brand-new massive greatsword with embedded light blue gems and B.E.S. Big Core etched on the 7'0" massive, wide, double-edged light blue blade, large angel heads for the crossguard, large white angel face embedded in the rainguard with large light blue gem embedded on the forehead, longer midnight black handle, four large white heads with light blue gems for eyes and a large light blue gem on the bottom of the white angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with light blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of B.E.S. There's a light blue kanji below B.E.S. Big Core that said, "Becky Long, Gene-Slammer of Bacterian Empire Ship Big Core, Powerful Technomancer and Computer Smart Super Genius With A Positronic Brain, Powerful Master of Technology and Technomancy, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lisa, Archenemy of Auta Magetta, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Technology, Stars, Spaceships, and Darkness"

Becky Long has transformed into SUPER ANGEL-BACTERIAN EMPIRE SHIP BIG CORE-HARMONY CELESTIAL ETERNAL

XELNAGA TECHNOMANCY STARSHIP DARKNESS STAR ANGEL OF DIVINE TECHNOMANCY STARSHIP DARKNESS STAR JUSTICE AND DIVINE TECHNOMANCY STARSHIP DARKNESS STAR LOVE!

We were amazed by Becky Long's Super Angel-Bacterian Empire Ship Big Core-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Hobgoblin saw it, he went insane and he fired more Pumpkin Bombs at her to kill her and he was laughing insanely, but Becky Long used her technomancy powers to turn the Pumpkin Bombs against Hobgoblin and she threw them back at him which exploded, and she fired a powerful light blue energy blast with starships, technology, stars, and darkness at Hobgoblin and it exploded and sent him back a bit, but he was pissed off now.

Nicholette Torrington: Whoa, Becky Long's transformed, so awesome.

Lincoln: And she used her technomancy powers to override his glider which I absorbed and turned his Pumpkin Bombs against him, which was a nice touch, and Becky, you look beautiful, how do you feel?

Becky Long: (Divine Echoing Cosmic Voice of The Darkness Starship Big Core Cyber Tech Angel and Divine Starship Darkness Star Love) **I feel quite incredible thanks to my transformation, Linky, now then, shall we deal with this deranged monster?**

Lincoln: (Smiles) With pleasure, Becky.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Becky Long.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running loose, Hobgoblin, and now, we're taking you down and sending you straight back to prison.**

Becky Long and Lincoln went after Hobgoblin, and they fired extremely powerful blasts of rainbow energy, light blue energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Hobgoblin and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really pissing off him off now.

Then, they formed blasters with their technomancy powers and fired at Hobgoblin, which destroyed his supply of Pumpkin Bombs.

Nico: Nice shooting, you two.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Becky Long, her hand-cannon Blaster is known as B.E.S. Big Core's Darkness Technological Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's light blue with blue flames on the blaster and with a Phoenix, Angel, and B.E.S. Big Core surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Becky Long fired blasts of rainbow energy, light blue energy, and elemental forces at Hobgoblin and as they hit him, they exploded with incredible power, and he was knocked down.

Then, Lincoln fired a rainbow energy blast which transformed into a rainbow energy straitjacket and rainbow energy chains and they wrapped around Hobgoblin and tied him up, and Lincoln beamed him to The Masters of Evil's prison where he'll remain there for a long time. We cheered wildly as Becky Long and Lincoln holstered their massive greatswords and powered down, and Becky Long's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light blue wolf tails, and massive light blue angel wings are permanent.

Becky Long: Your days of causing havoc have been brought to an end. Thanks for helping me take down Hobgoblin, Linky.

Lincoln: (Smiles Warmly) You're welcome, Becky.

Suddenly, Becky Long wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Becky Long's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and B.E.S. Big Core flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces, light, and darkness behind them and we cheered wildly. Then, Lincoln and Becky Long absorbed the darkness and they came back to us as the display and B.E.S. Big Core vanished.

Nico: Guys, that was one awesome battle you fought against Hobgoblin, and Becky, that was a nice touch using your technomancy powers to override his glider and knock him off and onto the ground.

Me: And turning his Pumpkin Bombs against him.

Becky Long: Thank you, and it was also a nice touch that Lincoln absorbed his glider, now he won't be causing any mayhem ever again.

Lincoln: He sure won't. And you all know what tomorrow is, right?

Moondancer: My big mission with The Extreme Ghostbusters, and our big mission against The Vathek.

Nico: Those monsters' Judgement Day is coming tomorrow, and we'll make them pay for all of their crimes.

Lincoln: And we still got the guards watching Lila Rossi, when The Cutie Mark Crusaders' big mission starts, they'll alert us of that conniving little monster's escape, and soon, we'll finally be rid of her for good.

Winter Icyin: (British Accent) I would've wanted to be rid of her for good when Marinette transformed and she beat her down, but it's important to be patient.

Nico: You really hate Lila that much, Winter. But, we don't blame you, after all the crap she's done to Marinette and her friends, along with the mayhem she's caused in Paris, she's nothing more than a plague that needs to be erased. Plus, when tomorrow comes, your rescues start again, Lincoln, and we're facing the next villain tomorrow.

Lincoln: Dr. Wrecker. Then, all that's left is Garlic Jr., and Professor Marmalade is going to pay.

TLPS Mr. Wolf: He sure will, as if his crimes in Los Angeles weren't bad enough, what he also did after he broke out in bringing Frieza, our universe's Cell, King Cold, Dr. Wrecker, and Garlic Jr. crossed a big line. But, we got rid of Frieza, our universe's Cell, and King Cold, now all that's left is to get rid of Dr. Wrecker and Garlic Jr., and then, that pouchy-faced rat is next.

TLPS Mr. Piranha: Yeah!

Diane Foxington: Bringing back four of The Z-Fighters' most dangerous villains and a big time danger from Elmore, he's looking at getting sent to one of the space prisons for this.

Lincoln: He betrayed Los Angeles, so he's getting sent to The Neptune Prison for Traitors, but I've got a special animal section for him when we capture him.

Nico: Nice.

January 7th

---

In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw six figure who was hiding out and living in the streets of Ireland, Dublin. But, they were no ordinary six figure, their were, Love Charm, daughter of Lincoln's future wife, Rosalina. Dr. Ciel Ratchet, daughter of Lincoln's future wife, Dr. Ciel. Rango Clay, the cowboy chameleon. Tinker Sparks, Love Charm's Fairy Dragon. Omega, Dr. Ciel Ratchet's Mechanical Dragon, and Grassblade, Rango Clay's Serpentine Dragon. Lincoln woke up from the dream, but he wasn't the only one, Rosalina, The Lumas, Dr. Ciel, Phyllis the Florauna, Dagger Blade, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: We sure did, bro.

Rosalina: And not only that, it also means that we found out where are kids are at.

Dr. Ciel: Along with a chameleon-like cowboy, a fairy dragon, a mechanical dragon, and a serpentine dragon.

Phyllis the Florauna: And the question is, Where?

Me: they're at Ireland, Dublin.

Nico: Oh no, that's not good. Out on the streets in Ireland, Dublin, it is not for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Rosalina, The Lumas, Dr. Ciel, Phyllis the Florauna, Dagger Blade, Me, and Nico were heading to Ireland, Dublin. Then, Lincoln saw a 13-year-old girl who has fair skin with a slender build, a small waistline, and long legs. She also has long black hair in a low ponytail, and light purple and pinkish eyes, along with purple lipstick and two medium-length eyelashes on each side of her eyes. She wears a purplish-pink headband, a pink sleeveless backless dress with white trim, khaki pants, and purple boots with a white stripe down the center, white cuffs and gray soles. She wields her Love Love Hammer and her Magical Love-Charm Bag around her waist. A 12-year-old Techno-Organic girl who has pale skin, bright green eyes with glasses, long thick blonde hair with three angular bangs, usually tied into a ponytail. She wears a pink hoodie with a red first aid symbol on the back, as well as red stripes on the sleeves, with a black collared-lime green t-shirt underneath. purple skirt, pink high-knee socks, and black mary jane flats. A big and tough 14-year-old Chameleon/Human boy who has green scaly skin, short blond hair with bangs that cover either both or one of his eyes, and blue eyes. He wears a brown cowboy hat, white shirt, brown pants, brown boots, dark brown waistcoat and his silver sheriff badge. A short fairy-like dragon with light blue skin. She has purple fairy-like wings, pink spots and blonde hair that sticks straight up. She wears a green dress-like outfit with black zigzags. Her hands have four claws with white fingerless gloves on them and her feet have three toe-like claws. Her eyes are green with feminine eyelines and has pink markings on her cheeks and chin. A big and muscular red and black mechanical humanoid dragon with an astronaut-like helmet, a mechanical jets and various guns. A short serpentine-like dragon with mainly a green body, tan stomach and lower head, with the end of its tail being shaped like a leaf as large as her head. Her eyes are surrounded by a yellow marking and are usually half closed. her arms are quite plant-like, ending in four prongs that act like claws. Lincoln saw who they are, they were Love Charm, Dr. Ciel Ratchet, Rango Clay, Tinker Sparks, Omega and Glassblade.

Lincoln: Excuse me, are you Love Charm and Dr. Ciel Ratchet?

Love Charm: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is

my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Rosalina and Dr. Ciel came out, and when Love Charm and Dr. Ciel Ratchet saw them, they was stunned.

Dr. Ciel Ratchet: Mom, is that you?

Dr. Ciel: Yes, sweetie pie, it's me.

Love Charm and Dr. Ciel Ratchet ran up to Rosalina and Dr. Ciel, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, The Lumas, Phyllis the Florauna, and Dagger Blade.

Lincoln: And there's something you should know, Rosalina, Dr. Ciel, your mothers are one of my many future wives.

Love Charm and Dr. Ciel Ratchet: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Love Charm and Dr. Ciel Ratchet Rush with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Rango Clay, Tinker Sparks, Omega, and Grassblade join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Love Charm and Dr. Ciel Ratchet to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Rosalina and Dr. Ciel with their daughters, and they now has a loving, strong, brave, and caring father in their life.

With us was Shen-Li Min A.K.A. Swift and she is an angel hero.

Qin: I always love going to the Spaghetti planet.

Me: Me too. It's all so saucy and tasty.

Nico: It sure is and I love it.

Swift: (German Accent) But it's an honor to be with you all and I'm truly honored to be part of the group.

Me: You'll love it Shen and it's awesome having you with us too.

Laney: Same here and your wings are really beautiful.

Swift: Thank you Laney.

Harry Potter: (British Accent) It's awesome that we're all part of the group too.

Ron Weasley: (British Accent) It sure is fun.

Nico: Harry, I want to thank you, Tala, and your teams for coming.

Harry Potter: It's my pleasure Nico.

Tala: It's gonna be so awesome helping you all out.

Alexa Grady: And it'll be awesome to help out too.

Alexie Grady: We are really honored to help out. Especially after how J.D. helped us on his rescue.

Xenia: That was an awesome rescue for J.D.

Qin: Yeah it sure was.

Lola: Yeah we all thought so.

Nico: Indeed. Songbird, is it true that you were Screaming Mimi before?

Songbird: Yeah it is true. I was originally a supervillain but then I started my new life as Songbird after the Thunderbolts became outlaw superheroes.

Maria: So that makes you also a member of the Redemption Squad.

Songbird: It sure does. And I'm happy to be on the side of good too.

Qin: Good for you Melissa.

Nico: Except for Zemo, your fellow Thunderbolts are part of the Masters of Evil. In their original identities.

Songbird: That's right they sure are.

Me: And they are some awesome frenemies.

Qin: Yeah they sure are.

Nico: Yeah that is for sure.

Varie: Yeah.

Me: Boy we had a great week didn't we?

Nico: We sure did.

Eli: And it was so much fun.

Nico: I'm just glad the mascots didn't throw a party while we were gone.

Me: Thank goodness.

May: Yeah no kidding. But they did have a lot of fun in the snow.

Me: And we have some of the Sentai Teams from the late 70's to Early 80's with us now.

Nico: We sure do.

Laney: Yeah but the most amazing one is that we have Will and her friends sisters all with us.

Nico: That was awesome and fun.

Moondancer: Boy it sure was! That was an awesome bonus to the 2nd day of our break.

Maria: Honestly, Nico, what did you think would happen while we were away?

Nico: Um… the mascots smoking crack or weed?

Me: That's the last thing that I would want to have happen.

Qin: No kidding there.

Songbird: Yeah. Roger would love that one with the Crack.

Lola: No kidding there.

Nico: Thank goodness it didn't though.

Camie: No kidding.

Zuria: It's just hard to imagine that the mascots had a party behind your back though.

Me: Yeah but at least nothing got destroyed so that's good. Just a door that needed to be replaced.

Nico: And all that happened to that door was someone writing "Buzz Rules" in permanent marker.

Qin: Yeah. But at least we put a new one back on.

Lola: Yeah. We had lots of spare doors thank goodness.

Me: Always have to have backups for everything just in case.

Nico: That was smart thinking there.

Lincoln: I agree there.

Me: Yep.

Nico: Also, when the Next Gene Slammer shows up, I have a leotard for her.

Me: Which one are you hoping for next?

Nico: Chansey next.

Me: Ooh! All the Nurse Joy's would love to see that one.

Nico: Wouldn't it be funny if the Chansey Gene-slammer was a Nurse Joy?

We laughed.

Me: That would be very coincidentally cool and awesome since Chansey is the common Pokemon that all the Nurse Joys all use now these days.

Nico: Yeah.

Zuria: But that would be awesome.

Lola: Yeah.

Nico: Now, let's keep an eye out for any trouble.

Me: Right. We are already here.

We arrived at the planet and went down to the surface and it was as amazing and saucy and fully of noodle goodness as it was when we arrived the first time.

Me: Wow!

Nico: Just as awesome and saucy as ever.

Lola: Yeah I'll saw!

Izzy Moonbow was slurping up lots of noodles covered in spaghetti sauce.

Izzy Moonbow: (SLURPS) Mmm! Just as delicious and tasty as ever.

Nico: You sure love spaghetti don't you Izzy?

Izzy Moonbow: I sure do.

Nico: You know what? When it's time for the Anniversary of the 20 Days of Darkness again, we'll leave Buzz, Poromon, and Poliwag alone again. But also leave Horsea, Kirby, and Manaphy with them so they don't throw another wild party!

Me: Just as long as Kimi Lao can keep a close hawkeye watch on them.

Nico: Fair enough.

Lola: Good. (Slurps noodles) Mmm!

Lana: (Slurps Noodles) Mmm! So delicious.

Me: (Slurps noodles) Mmm! Delicious!

Maria: Kimi Lao watching them won't be needed. Manaphy, Horsea, and Kirby will make sure the three of them don't cause any trouble behind our backs.

Me: Okay then.

Qin: Kimi did a great job before. But okay then.

Me: Yeah.

Eli: (Slurps noodles) Mmm! It's always still fun coming to food planets though.

Nico: It sure is.

Zuria: (Slurps Noodles) Mmm! Boy this is amazing that you guys came to a planet like this.

Qin: Yeah we went to so many planets like this.

Nico: Let me try some.

Me: Now now Nico there's plenty.

Nico (SLURPS NOODLES) MMM! So delicious!

Laney: (Slurps noodles) MMM! I'll say!

Moondancer: (SLURPS NOODLES) So delicious!

Nico: Moondancer, you know what today is, right?

Moondancer: I sure do. It's my big day mission and I'm so looking forward to it.

Me: First Big Day mission of the year. This is gonna be so awesome.

Qin: Yeah it sure will be.

Camie: I'm really looking forward to this one.

Xenia: Me too.

Nico: Same here. It's gonna be so awesome battling ghosts with the Ghostbusters. Just like back in 1986.

Lola: Yeah this will be fun!

Nico: Don't forget these are their successors.

Me: That's right. After over 37 years.

Qin: That is a long time.

Xenia: It sure is. Ghostbusters first came out in 1986 and they did awesome back then.

Me: Yeah they sure did.

Nico: And Walter Peck is still a Pencil Dickless Motherfucker.

We laughed at that one.

Me: Yeah he will always be a pencil dickless motherfucker.

Nico: Poor Garret has to use a wheelchair though.

Me: I know. But he doesn't mind it. Luckily I have just the thing for him. Lisa and I made an awesome hover wheelchair for him that has all sorts of weapons and stuff for him.

Lisa Loud: You'll see it in action shortly.

Qin: Looking forward to it.

Nico: Yep. But it's awesome that Garret and Stefie are back together too.

Me: Yeah and we also brought down those Nazis trying to deface that synagogue.

Lola: Yeah who did those jerks think they are!?

Nico: Though, being in a wheelchair isn't all bad. Look at Joe. He managed to kick all sorts of ass during Stewie's battle against Bertram.

Me: That's true. I agree there.

Qin: Yeah if Joe can kick butt in a wheelchair then so can Garret.

Lola: Yeah.

Zuria: That is for sure.

Moondancer: I have a feeling that this is gonna be so awesome and fun and cool.

Me: You'll love it Moondancer.

Twilight Sparkle: And you will do so great.

Moondancer: Thanks guys. I've been looking forward to this ever since we helped them out.

Me: And also we owe them big time for helping us out during the battle with Team Loud Evil Storm.

Nico: We sure do.

Xenia: Yeah that was awesome they helped us.

Eli: It sure was.

Nico: Specifically against Evil Danny.

Me: That is for sure.

Moondancer: But it's still awesome to hunt ghosts like that.

Lola: It sure is.

Varie: Yeah.

Me: But Nico when we meet the Faiz team later on I have this feeling that we're going to meet and battle the Prime universe version of Masato and when that happens, let me face him. I want to make that monster motherfucker coward pay for everything he did and make him feel the worst kind of pain imaginable.

Nico: Agreed. He gives all Kamen Riders and Secondary Riders everywhere a really bad name.

Eli: His rider form deserves someone better like Yuji Kiba.

Qin: I agree too.

Nico: The Universe 666 Masato can come too if you want.

Me: Sure.

Qin: I agree.

Me: I'm sorry Nico. Yesterday was simply too much for me. I had no idea that Kamen Rider Faiz had a nasty story like that. Especially with Masato and our main target. I was so pissed off that I wasn't thinking right.

Nico: (Pats my back) It's not your fault J.D. Believe me I hate our universes version of Masato just as much as you do. What he did is beyond unforgivable. He deserves to be destroyed. Your reasons for wanting him dead is totally justified.

Qin: Yeah he is a monster.

Me: I want to do more than just snap his neck. I want to obliterate him from existence forever.

Nico: I know.

Me: (GROWL) I'M SO ANGRY! I hate our universes Masato with EVERY FIBER of my entire being! What he did was horrible! HOW CAN HE BE SO CRUEL AND HEARTLESS!? He did it all only for himself and doesn't give a flying fuck about anyone! He killed innocent people and raped people too! (GROWLS) (PUNCHES THE GROUND)

SPLAT!

Me: (ENRAGED GROWLING) WHAT KIND OF A HORRIBLE HUMAN BEING DOES THAT!?

Nico: J.D. calm down. Calm down.

Eli: Believe me bro I want him dead too. He deserves the black gates.

Maria: Although with Teruo Suzuki, he probably isn't aware of what his… other side causes.

Me: I know that he is our main target. So when we face him on March 19th, we're going to separate his other side from him and destroy it.

Nico: With him, he probably has a Jekyll and Hyde situation.

Me: That's exactly what it is. Under that sweet kid side of him is the evil of a monster that can come out at any time and we have to destroy that. It may be against our code to destroy kids. But it's not against our code to destroy the monsters they have in them.

Nico: That is true!

Qin: Yeah! So we'll save him from that monster he became.

Nico: He died thanks to his other side before. But that's not gonna happen again!

Me: Not this time!

Qin: Yeah.

Me: We are not going to let that happen again. This time we end that.

Nico: Yeah but not until March 19th.

Qin. Yeah.

Me: I can wait. I'll have to blow off some steam when I get home. But Nico, I don't know how we're going to tell Masato's sister Mari when we see her. She needs to know the kind of monster her brother is.

May: Um… Mari isn't Masato's sister. She's the one he always lusts after.

Me: Oh. My mistake. But I still don't know how we're going to tell her.

Eli: Me neither.

May: We'll think of something.

Me: Hmm. (Gets an idea) I got it. Lets have Mari put into the Estate for her protection and we'll tell her everything about what Masato is doing and more and help show Masato's true colors to her and then keep her in our protection till he is dead.

Nico: We'll do that on the first Faiz mission.

Me: Great. Mari is not going to be safe with Masato around.

Qin: Yeah.

Nico: Nonetheless he will pay for his crimes.

Me: I agree there. What he did makes him a monster. He is not fit to be Kamen Rider Kaixa.

Lola: I agree too.

Qin: Same here.

Swift: Yeah he is a monster.

Nico: Well, no sign of any bad guys here. Wanna find the next Gene Slammer and Another MOE member and call it a rescue?

Me: Sure.

Eli: I have a feeling the next bad guy is closer than you think.

Me: Yeah. I do too.

Qin: But we'll be ready for them.

Camie: Yeah we sure will.

Nico: By the way J.D. did you see Masato?

Me: I did.

Nico: He's back!?

Me: Yep. And when he saw me he was infuriated.

---

Masato was standing on a building looking over all of Tokyo from the roof.

I landed on the building he was on.

Me: Masato Kusaka A.K.A. Kamen Rider Kaixa.

Masato Kusaka: Who is asking?

Me: J.D. Knudson, 2nd in Command of Team Loud Phoenix Storm that's who you son of a fucking bitch!

He looked at me with rage.

Me: You make me sick Masato! I got word of all your deeds that you did and everything that you have done in your sick vendetta against all of the Orphnoch.

Masato Kusaka: You should be proud of me for it.

Me: Oh I'm not proud of it at all. In fact I hate your fucking guts with every fiber of my being! So many innocent people died all because of you!

Masato looked at me with a face of pure hatred.

Me: You are not the first person I killed to rule the universe with a sword of injustice. They all failed and so will you!

I looked at him with eyes glowing red with pure righteous justice.

The skies then darkened with storm clouds and rainbow lightning struck all over the place.

* * *

Lightning struck all over the place and swirls of fire enveloped the building I was on with him.

Me: Looking back on all the things you have done you are nothing but a heartless monster and a merciless criminal. But I have spent eons preparing for the day when I face the most powerful evil foes in the universe. I've come a long way Masato.

He looked at me with a smirk on his face.

Me: You better be ready to fight me with everything you got because when I face you, I am not going to hold back.

THUNDERCLAP!

Nico and everyone felt the enormous extent of my power.

Eli: Whoa! Feel that energy?

Nico: That is all from J.D.!? What happened to him?

Varie: Wow! His power is not the same as it was before.

I was looking at Masato with incredible fury.

Me: In the next couple of weeks you better be ready for me and members of my team. Because when we fight, you have better be ready for me with everything you got. So don't kill anymore Orphnochs until then. Agreed?

Masato just looked at me.

Me: You will pay for your crimes. When we fight, going to kill you. You don't deserve to be a Kamen Rider. As for Mari, She doesn't deserve someone like you.

I teleported away as he was about to spout out something.

FLASHBACK ENDS

Nico: Whoa!

Me: Yeah no kidding. Just like how I warned Nerissa and how Master Goku did with Cell.

Qin: Whoa. You really mean business.

Lola: Yeah no kidding.

Me: Yep.

Nico: At least Universe 666 Masato isn't like that. As we know, he's one of Universe 666 Luthor's most trusted friends.

Me: Masato is gonna wish he was never born.

Nico: He didn't say much.

Me: Because he knows that I am coming for him.

Qin: Yeah.

Camie: He knows that J.D. means business and he is going to pound his ass into the dirt.

Xenia: That's for sure.

Harry Potter: He had it coming.

Maria: You really expect him not to kill anymore Orphnochs until then?

Me: Not in the least. He will kill Orphnochs left and right. But knowing him, he will do it.

Varie: Yeah. But J.D. what happened to you? Your power is not the same as it was when you transformed against those jerks in New York trying to deface that synagogue.

Me: Lets just say that the hatred and anger I've developed against our universes version of Masato and Hiroshi Tennoji has awokened another far great and unbelievably more powerful level of strength and power.

Nico: Wow.

Nico: There's more of it!

We saw a trail of it.

Me: It's a trail. Wait a second. Could it be?

King Kai: Nico, everyone can you hear me?

Nico: King Kai is something wrong?

King Kai: I'm afraid I have bad news guys! Walter Peck has escaped from the Neptune Prison and is out for revenge on J.D. and he has an evil version of the Stay Puft Marshmallow Man with him and he is coming for you guys!

We gasped!

Nico: Well, finding our favorite Marshmallow Man shouldn't be that hard.

Me: Why, that stupid pencil dick asshole, I ought to… !

Moondancer: No, J.D., leave him to me.

Lincoln: And me as well, J.D. You guys deal with The Stay Puft Marshmallow Man, we'll deal with that prick.

Me: You got it, Lincoln.

Twilight Sparkle: This isn't going to be her most powerful form, is it?

Lincoln: No, it's her 2nd most powerful form, she's saving the first one for when we get after The Valtek. Now, let's get after The Stay Puft Marshmallow Man and hunt down that asshole, Walter Peck.

Nico: Photon Packs at the ready, gang!

We advanced through the Spaghetti Planet, and we saw our target, The Stay Puft Marshmallow Man.

Me: The Stay Puft Marshmallow Man, just as expected.

Suddenly, a figure came charging right at me filled with fury and tried to stab me, but Lincoln grabs the figure and tossed him away, and we saw who it was: it was Walter Peck, and boy, was he really, really, really pissed off at me!

Me: Just the dickless asshole we've been looking for.

Walter Peck: You stupid asshole, YOU'RE GOING TO PAY FOR WHAT YOU'VE DONE TO ME, AND THEN, I'M GOING TO KILL THOSE GHOSTBUSTERS AND PROVE THAT GHOSTS DON'T EXIST!

Me: You don't get to say another word, pencil dick!

Walter Peck: WHAT DID YOU CALL ME?!

Lincoln: You heard the man, or has your brain completely rotted from all the hate you harbor towards him and all of us?

Me: Yeah Pencil Dickless Motherfucking Asswipe!

Walter Peck: WHY YOU… !

Walter Peck charged at Lincoln with murder on his rotten brain until

Moondancer kicked Walter Peck in the crotch, and he covered his crotch in pain.

We winced!

Moondancer: You dare to lay one mangy paw on my future husband, you're going to pay!

Me: With your life! But you are not worth killing! We're just going to kick your dickless fucking ass!

Suddenly, Moondancer's light violet eyes turned neon light violet, and she was surrounded by a red and purple energy aura with Alicorns, moonlight, stars, and magic, she unholstered her massive Moondancer's Moonlight Friendship Greatsword of Magical Miracles and Lunar Alicorn Justice from her back, and as she approached Walter Peck, she left red and purple energy, stars, magic, moonlight, and Alicorns with every step.

Moondancer: That's it, I've had it up to hear with you and your ugly attitude, Walter Peck, you're so stupid, arrogant, and high and mighty, you think you know everything. But, you don't, if it hadn't been for The Ghostbusters, the city of New York would've been destroyed by ghosts, but since you refuse to see the truth, you've left me no other choice but to kick your ugly butt back to prison where you belong.

Suddenly, Moondancer was surrounded by a massive vortex of red and purple energy with stars, moonlight and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Moondancer emerged, but she was changed forever.

(SIREN'S CALL BY GABRIEL R. SHADID PLAYS AT 0:29 TO 1:24)

Moondancer grew from 6'11" to 7'1" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing reddish-pink hair, she has neon light violet eyes and a red and purple energy aura with Alicorns, moonlight, stars, and magic surrounding her, she has an Alicorn along with her cutie mark on its horn emblazoned on her forehead and Third Eye with light violet iris, she has on Alicorn earrings with light violet gems for eyes and the Miracle and Eternity Kanjis in its hooves, she also has an Alicorn with light violet gems for eyes and holding the Miracle and Eternity Kanjis in its hooves on the bottom of her light violet Alicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with light violet crystal links from her merged Crystal Necklace of the Buddha and light violet gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Moondancer felt a sharp pain on her back, and then, her massive reddish-pink angel wings with purple tips on the large reddish-pink feathers, grew much bigger for her new body and her red and violet streaked tail grew longer. Moondancer has on her Ring of the Phoenix with large reddish-pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Moondancer's massive Moondancer's Moonlight Friendship Greatsword of Magical Miracles and Lunar Alicorn Justice and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of reddish-pink energy, stars, moonlight, magic, and Alicorns, and when it emerged, the sword is transformed into Moondancer's Moonlight Fire Friendship Greatsword of True Magical Miracles and Lunar Alicorn Justice, it's a brand-new massive greatsword with her cutie mark etched on the 7'0" massive, wide, double-edged reddish-pink blade, large gold Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with purple gems for eyes and a large reddish-pink gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with reddish-pink gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and purple gems for the eyes and a large reddish-pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious

Moondancer has transformed into SUPER ANGEL-ALICORN XELNAGA ETERNITY INFINITY MOONLIGHT MIRACLE ALICORN ANGEL OF DIVINE COSMIC MOONLIGHT MIRACLES AND DIVINE MOON MIRACLE LOVE!

We were amazed by Moondancer's Super Angel-Alicorn Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Walter Peck saw it, he went absolutely ballistic and rushed at her to kill her with a knife, but Moondancer fired a powerful reddish-pink energy blast with stars, moonlight, magic, and Alicorns, and it hits Walter Peck and it exploded and sent him back a bit, but he was pissed off now.

Me: You are in a shitload of trouble now!

Qin: Yeah you sure are.

Twilight Sparkle: Wow, Moondancer's transformed into her 2nd most powerful form, awesome.

Lincoln: Now, Walter Peck's in big trouble now, and Moondancer, you look beautiful, how do you feel?

Moondancer: (Divine Echoing Cosmic Voice of The Moonlight Fire Miracle Alicorn and Divine Moonlight Fire Miracle Alicorn Love) **I feel incredible, Linky. Now, shall we take down that dickless asshole, Walter Peck, and throw him back in prison?**

Lincoln: (Smiles) With pleasure, Moondancer.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Moondancer.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Hope you've enjoyed your moment of freedom, pencil dick, because you're heading right back to prison for good.**

Moondancer and Lincoln went after Walter Peck, and they fired extremely powerful blasts of rainbow energy, red and purple energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises,

Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Walter Peck and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Moondancer kicked him in his face and punched him in his stomach and punched him in his jaw and knocked out some of his teeth and kicked him in his face and broke his nose!

Moondancer: **Had enough asswipe?**

Walter Peck: You all don't get it! You think you all do, but you don't. You all might have fallen for the Ghostbusters' heroic act - and I'm beginning to think you all might even be in on it - but I haven't. Let me tell you something about them. Those charlatans are frauds, has-beens, failures, and this time they might have been lucky, but someday - someday I bet real soon - they'll fuck up so bad they'll bring what's left of the Multiverse crashing down around us. And then you'll be sorry for ever trusting them, you'll all be sorry for trusting them!

Me: What kind of fucked up deluded world do you live in?

Nico grabbed him by the shirt.

Nico: You listen to me you sorry excuse of a fucked up dickless pissant! GHOSTS! ARE! REAL! And there are some that pose a serious threat to you and all of us! The Ghostbusters are there to help save you including assholes like you! If anyone is a total charlatan around here it's YOU!

Nico punched him in his face and punched him in his stomach 5 times and punched him in his face twice!

He threw him to Moondancer and she punched him in his face and knocked out all of his teeth!

Then, they fired powerful beams of magic and moonlight fire at Walter Peck, which exploded and he got burned badly. Then, Lincoln fired a rainbow energy blast which transformed into a rainbow energy straitjacket and rainbow energy chains and they wrapped around Walter Peck and tied him up, and he was chained to the ground.

Walter Peck: LET ME OUT OF THIS RIGHT NOW!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **J.D., would you guys do the honors and cross the beams? And don't worry, we got that dickless asshole tied up and watching.**

Me: You got it, Linc.

Maria: We've got Stay Puft!

Me: Lets do it!

Nico: CROSS THE BEAMS!

We crossed the beams and The Stay Puft Marshmallow Man exploded.

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blew him into fiery pieces in a huge and massive inferno blast and Lincoln put up a massive rainbow energy field protecting us, except for Walter Peck, as the marshmallow cream splattered all over the place.

KRASPLAT!

And it also splattered all over Walter Peck. EW! Then, we caught the spirit and we sent him to The Black Gates.

Lincoln deactivated the field and we walked up to Walter Peck, and he was all covered in marshmallow cream. But, before he could scream at me again, I beamed him right back to his prison cell in The Neptune Prison, but this time, Walter Peck was sent to The Maximum Security Solitary Confinement Wing and he was chained to the wall of his doorless windowless cell with rainbow energy-lined Neutronium Chains.

Nico: See ya never, Pencil Dick asshole!

Me: In another eternity pencil dickless motherfucking asswipe.

We laughed.

Me: That was awesome!

Suddenly, Moondancer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Moondancer's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and moonlight shining down on them and we cheered wildly. Then, the display vanished.

Twilight Sparkle: (Smiles) This is just too precious.

Fluttershy: It sure is, and now, Moondancer's part of Lincoln's harem, along with some of your other friends from Canterlot, Twilight.

Applejack: And they also had feelings for Linky when he helped them with The Doomsday 23.

Rarity: Indeed, and he too also had feelings for them, and they came true when he saved them from our resident jerks.

Lincoln: That's right, Rares.

Moondancer: Yep.

Me: We're not done yet though.

Maria: I always love marshmallows!

Me: Me too. When we get home after Moondancer's big day mission lets go camping and have s'mores.

Rarity: Oh that's an amazing idea darling.

Me: Thanks.

Then I saw my Gaia Memories for Heat, Cyclone, Metal, Luna and Trigger glowing!

Me: Whoa! This is unusual! The Gaia Memories for Heat, Cyclone, Metal, Luna and Trigger are reacting to something.

Lola: What does it mean?

Me: I think it means that the next Another monster we're about to face is Another Dopant.

Nico: Whoa! That's interesting.

May: Anyone up next?

Me: Not me.

Lincoln: I'll do it. Usually this would be for 5 of my Elemental Angels.

Me: Yeah because their archenemies are those Dopants.

Eli: Uhh guys! Look what's coming!

We saw 5 GIANT KAIJU SIZE DOPANTS! The Another Heat Dopant Looked like Burning Godzilla from 1996, Another Cyclone looked like Megaguirus from 2000, Another Trigger looked like Jet Jaguar from 1973, Another Luna looked like King Ghidorah from 1964 and Another Metal looked like Mecha Godzilla from 1974!

Me: WHOA! They are 5 Kaiju Size Dopants!

Qin: WHOA!

Maria: I did NOT See this coming!

Me: No shit! This is incredible! We never saw Kaiju Size Dopants before!

Philip: Me neither!

Shotaro: This is incredible!

They stopped in front of us and they saw us.

Another Heat Dopant: (In a girls voice) (Russian Accent) Looks like the fun already started.

Another Cyclone Dopant: (In a girls voice) Aw man. And I was looking forward to some fun.

Another Trigger Dopant: (In a girls voice) Me too.

Another Luna Dopant: (In a girls voice) Same here. It would have been fun.

Another Metal Dopant: (In a girls voice) Yeah it sure would have.

Me: (GASP) Those voices!

They reverted back and we saw that they were five sailor soldiers!

Me: (GASP!) Charlotte Romanov A.K.A. Sailor Prypiatos, Veronica Kiusana A.K.A. Sailor Kiusana, Penelope Aldabra A.K.A. Sailor Aldabra, Andrea Poiana Luncas A.K.A. Sailor Poiana Luncas and Lola Amperi A.K.A. Sailor Tesslos!

Sailor Tesslos: That's right.

Sailor Prypiatos: It's good to see you again J.D.

Me: You too girls.

Nico: Wow! The sailor soldiers of the Andromeda 5's home planets! This is amazing!

Eli: Wow!

Qin: Amazing!

Nico: You girls can grow giant?!

Sailor Tesslos: Well it came with the new forms.

Sailor Poiana Luncas: Yeah we also looked like Kaiju there.

Sailor Aldabra: We were turned into those awesome monsters by Swartz.

Me: So he did all those forms for you as a test. I did read in his notes that he was working on Another Dopants.

Qin: Yeah but we never expected them to be kaiju size.

Sailor Kiusana: No kidding. But I'm glad we found you guys. You can help us.

Sailor Prypiatos: Yeah we don't want to be like this.

Me: Well we'll do what we can. Oh guys, The Sailors of the Andromeda 5 all went to Science and Zoology classes with me.

Nico: Cool!

Me: One last thing girls. Are there any other opponents with you?

Sailor Tesslos: Just one. Another version of her.

She pointed to Tala.

Tala: Another version of me? This will be interesting.

Me: It sure will. Friendly or hostile?

Sailor Aldabra: Friendly.

Me: Great.

Sailor Kiusana: She knows you really well J.D. and also she said that she is a gene-slammer.

Me: Really? This will be interesting.

Maria: I'm telling you guys. The rest of them should be friendly from here on out.

Me: We know Maria.

Lincoln: I'll face you girls.

Sailor Aldabra: Okay.

They changed back into their Kaiju Sized Another Dopant Forms!

Lincoln used Goliath's Ridewatch and grew to their size and fired waves of lightning and it hit them and smashed them down and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were down and back to normal!

I caught their Gaia Memories and purified them and they were for the Heat, Metal, Cyclone, Luna and Trigger Dopant's archenemies and I went and picked them up.

Me: Boy that was awesome.

Varie: Yeah!

Varie looked them over.

Varie: They'll be okay.

Me: Yep. We're not done yet though.

Nico: Get ready.

Then a figure came out and it was DUNAMES DARK WITCH!

Me: Whoa Dunames Dark Witch!

Nico: Wow!

Dunames Dark Witch: (In a girls voice) And it looks like the fun starts.

Me: (GASP) Serenity Dunames! So you are also Another Tala?

She reverted back and turned into Another Tala! It was a dark version of her.

Nico: WHOA!

Another Tala: That's a shocker huh?

Me: I'll say.

Nico: You know her?

Me: I sure do. She is a goth girl that I know and is a true master of dark magic and knows all about how to use dark magic for good.

Nico: Wow!

Tala: That is just like me.

Me: Very much like you Tala.

Nico: Yeah.

Kaito: (gets out Drive gear) Did Swartz promise you anything?

Zocks: (gets out Ghost Gear) Because we can grant it instead.

Another Tala: Just to be a great dark magic user.

Nico: We can easily do that.

Felicia Wittebane: I am a master of dark magic myself and I know all about that.

Brittney: Same here. You would make an awesome addition to the Goths of Darkness.

Another Tala: I can tell.

Me: Sorry we have to fight like this Serenity.

Another Tala: No worries. Come at me and don't hold back.

Me: We won't.

Kaito got a Shift Car Sword and Zocks got a Ghost Sword.

Me: This will be cool. (ACTIVATES CAJUN FOX'S RIDEWATCH)

Qin: YEAH!

Nico: WOW! That was awesome guys!

Xenia: YEAH IT WAS!

Me: Here's what I would do to Masato. (ACTIVATES UNIVERSE 666 MASATO'S RIDEWATCH)

(SHE'S GOT THE POWER BY STAN BUSH PLAYS)

Me: (SINGING DIVINELY AS RAINBOW ENERGY SWIRLED AROUND ME)

Oh, oh!

A crash of thunder

A brilliant flash of light

A battle has begun

And only one will win the fight

Danger in the air

Destroying everything in sight

The time has come to right the wrong

With Prism Power might!

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

She's got the power

Oh, she's got the power

She's got the power

Oh, she's got the power!

A desperate struggle

The strongest takes it all

The battle rages on

Until the weakest finally fall

A vision fills her heart

And gives her strength that's pure and true

And when it seems that all is lost

She knows what she must do

She's got the power

Oh, She's got the power

She's got the power

Yeah, She's got the power

She's got the power

Oh, She's got the power

She's got the power

Oh, She's got the power!

Power, power!

Oh, oh!

Power, power!

She's got the power!

Oh, oh!

She's got the power

Oh, she's got the power…

I flew at Another Tala and smashed and pulverized her all over and blasted and smashed her all over with intense fury!

Nico: WHOA!

Qin: OH YEAH!

KRASPLAT!

I smashed Another Tala into the Spaghetti.

Sougo: (takes out Drive Ridewatch) Time for speed!

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz: (gets out Ghost Ridewatch) This is fitting for today.

Armor Time! (Upbeat music) Kaigan! Ghost!

Sougo got DriveArmor while Geiz got GhostArmor

Me: YEAH!

Nico: TAKE THAT!

Nico: (gets out Tala's Ridewatch) Ready for some magic lessons?

He activated it.

(IN A BIG COUNTRY BY BIG COUNTRY PLAYS)

Nico: (SINGING DIVINELY AS MAGIC SWIRLED AROUND HIM)

I've never seen you look like this without a reason

Another promise fallen through

Another season passes by you

I never took the smile away from anybody's face

And that's a desperate way to look

For someone who is still a child

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive, here we go

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

So take that look out of here it doesn't fit you

Because it's happened doesn't mean you've been discarded

Pull up your head off the floor, come up screaming

Cry out for everything you ever might have wanted

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered, see ya

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

Ha, ha

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

He floated and fired waves of magic and smashed her down!

Qin: OH YEAH!

Xenia: Boy this is gonna be really messy too!

Me: It sure is.

Nico: Now for this. (ACTIVATES VIRGO ZODIARTS RIDEWATCH)

(SHATTERED DREAMS BY JOHNNY HATES JAZZ PLAYS)

Nico: (SINGING DIVINELY AS THE STARS OF VIRGO SWIRLED BEHIND HIM)

So much for your promises

They died the day you let me go

Caught up in a web of lies

But it was just too late to know

I thought it was you

Who would stand by my side

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You said you'd die for me

Woke up to reality

And found the future not so bright

I dreamt the impossible

That maybe things could work out right

I thought it was you

Who would do me no wrong

But now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

From this empty heart

I thought it was you

Who said they'd die for love

And now you've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

You've given me, given me

Nothing but shattered dreams, shattered dreams

Feel like I could run away, run away

From this empty heart

Oh, no, no, no

You said you'd die for me

Oh, for

Die for me

So much for your promises

So much for your promises

He floated in the air and fired waves of energy and smashed her down.

May: OH YEAH! Now for this one! (ACTIVATES BUBBLES RIDEWATCH)

She curled up and turned into a ball.

(I JUST DIED IN YOUR ARMS TONIGHT BY THE CUTTING

CREW PLAYS)

May: (SINGING DIVINELY AS SHE FLOATS AND BOUNCES)

Oh I, I just died in your arms tonight

It must have been something you said

I just died in your arms tonight

I keep lookin' for somethin' I can't get

Broken hearts lie all around me

And I don't see an easy way to get out of this

Her diary, it sits by the bedside table

The curtains are closed, the cats in the cradle

Who would've thought that a boy like me could come to this

Oh I, I just died in your arms tonight

It must've been something you said

I just died in your arms tonight

Oh I, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away

I should've walked away

Is there any just cause for feelin' like this?

On the surface, I'm a name on a list

I try to be discreet, but then blow it again

I've lost and found, it's my final mistake

She's loving by proxy, no give and all take

'Cause I've been thrilled to fantasy one too many times

Oh I, I just died in your arms tonight

It must've been something you said

I just died in your arms tonight

Oh I, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away

I should've walked away

It was a long hot night

She made it easy, she made it feel right

But now it's over, the moment has gone

I followed my hands not my head, I know I was wrong

Oh I, I just died in your arms tonight

It must've been something you said

I just died in your arms tonight

I, I just died in your arms tonight

It must've been some kind of kiss

I should've walked away

I should've walked away

She bounced and smashed Another Tala all over.

Me: AWESOME! Love that song!

May: (gets out Grady Twins' Ridewatch) There's more!

(BROKEN WINGS BY MR. MISTER PLAYS)

May: (SPREADS WINGS OF LIGHT AND SINGING DIVINELY AS LIGHT SWIRLED AROUND HER)

Baby, I don't understand

Why we can't just hold on

To each other's hands

This time might be the last

I fear, unless I make it all too clear

I need you so, oh

… Take these broken wings

And learn to fly again

Learn to live so free

When we hear the voices sing

The book of love will open up

And let us in

Take these broken wings

… Baby, I think tonight

We can take what was wrong

And make it right

Baby, it's all I know

That you're half of the flesh

And blood makes me whole

I need you so

… So take these broken wings

And learn to fly again

Learn to live so free

And when we hear the voices sing

The book of love will open up

And let us in

… Take these broken wings

You've got to learn to fly, learn to live, love so free

And when we hear the voices sing

The book of love will open up and let us in yeah, yeah

… Let us in

Let us in

… Baby, it's all I know

That you're half of the flesh

And blood that makes me whole

Yeah, yeah, yeah

Yeah, yeah

… So take these broken wings

And learn to fly again, learn to live so free

And when we hear the voices sing

The book of love will open up and let us in

… Take these broken wings

You got to learn to fly, learn to live and love so free

And when we hear the voices sing

The book of love will open up for us and let us in

Yeah, yeah

Yeah, yeah

Alexa Grady: That was awesome May!

May: Thanks.

Maria: My turn now! (ACTIVATES ANTI-SORA'S RIDEWATCH)

(OWNER OF A LONELY HEART BY YES PLAYS)

Maria: (SINGING DIVINELY AS WATER AND DARKNESS SWIRLED AROUND HER)

Move yourself

You always live your life

Never thinking of the future

Prove yourself

You are the move you make
Take your chances, win or loser
See yourself
You are the steps you take
You and you, and that's the only way
Shake, shake yourself
You're every move you make
So the story goes
Owner of a lonely heart
Owner of a lonely heart
(Much better than a)
Owner of a broken heart
Owner of a lonely heart
Say, you don't want to chance it
You've been hurt so before
Watch it now
The eagle in the sky
How he dancin' one and only
You, lose yourself
No not for pity's sake
There's no real reason to be lonely
Be yourself

Give your free will a chance
You've got to want to succeed
Owner of a lonely heart
Owner of a lonely heart
(Much better than a)
Owner of a broken heart
Owner of a lonely heart
Owner of a lonely heart
After my own indecision
They confused me so
Owner of a lonely heart
My love said never question your will at all
In the end you've got to go
Look before you leap
Owner of a lonely heart
And don't you hesitate at all, no no
Yow!
Owner of a lonely heart
Owner of a lonely heart
(Much better than a)
Owner of a broken heart
Owner of a lonely heart

Owner of a lonely heart

Owner of a lonely heart

(Much better than a)

Owner of a broken heart

Owner of a lonely heart

Owner of a lonely heart

Sooner or later each conclusion

Will decide the lonely heart

Owner of a lonely heart

It will excite, it will delight

It will give a better start

Owner of a lonely heart

Don't deceive your free will at all

Don't deceive your free will at all

Owner of a lonely heart

Don't deceive your free will at all

Just receive it

Just receive it

(Owner of a lonely heart)

She danced and fired waves of water and smashed her down!

Qin: OH YEAH!

Me: Rock on Maria!

Xenia: YEAH!

Maria: Thanks guys. Now for this one. (ACTIVATES MAMA COSMA'S RIDEWATCH)

(NIGHTS IN WHITE SATIN BY THE MOODY BLUES PLAYS)

Maria: (SINGING DIVINELY AS MAGIC SWIRLED AROUND HER)

Nights in white satin

Never reaching the end

Letters I've written

Never meaning to send

Beauty I'd always missed

With these eyes before

Just what the truth is

I can't say anymore

'Cause I love you

Yes I love you

Oh, how I love you

Gazing at people

Some hand in hand

Just what I'm going through

They can't understand

Some try to tell me

Thoughts they cannot defend

Just what you want to be

You will be in the end

And I love you

Yes I love you

Oh, how I love you

Oh, how I love you

Nights in white satin

Never reaching the end

Letters I've written

Never meaning to send

Beauty I'd always missed

With these eyes before

Just what the truth is

I can't say anymore

Yes I love you

Oh, how I love you

Oh, how I love you

Yes I love you

Yes I love you

Oh, how I love you

Oh, how I love you

Breathe deep the gathering gloom

Watch lights fade from every room

Bed sitter people look back and lament

Another days useless energy spent

Impassioned lovers wrestle as one

Lonely man cries for love and has none

New mother picks up and suckles her son

Senior citizens wish they were young

Cold hearted orb that rules the night

Removes the colors from our sight

Red is gray and yellow white

But we decide which is right

And which is an illusion

She floated and fired waves of magic and smashed her down!

Qin: YEAH!

Me: Love the Moody Blues!

Then Evil Lyn and her team had Mouth of Sauron, Thunderbird (Kyurangers), Pharaoh (Miraculous Ladybbug), Dragoneel And Dark Angel (DC) in it.

Nico: Nice team, Evil Lyn!

Evil Lyn: Thanks Nico.

Nicole: And it has the Dragoneel from Super Mario in it. Good choice.

Evil Lyn: Thanks Nicole. I thought so too.

Nico: And you have Jalil Kubdel's Akuma Form too. Awesome.

Evil Lyn: It sure is awesome.

Me: Yep. Lets keep going guys.

We fired more waves of energy and smashed Another Tala all over.

Songbird: (SPREADS WINGS AND SINGS DIVINELY AS FIRE AND ENERGY SWIRLED AROUND HER)

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

So we're different colours and we're different creeds

And different people have different needs

It's obvious you hate me though I've done nothing wrong

I've never even met you, so what could I have done

I can't understand

What makes a man

Hate another man

Help me understand

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

And now you're punching and you're kicking and you're shouting at me

I'm relying on your common decency

So far, it hasn't surfaced but I'm sure it exists

It just take a while to travel from your head to your fist

I can't understand

What makes a man

Hate another man

Help me understand

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

She danced and fired waves of energy and smashed her down!

Qin: OH YEAH!

Me: Love Depeche Mode! Now watch this one. (ACTIVATES UNIVERSE 666 STORIOUS'S RIDEWATCH)

(LINDSEY STIRLING'S BEYOND THE VEIL PLAYS)

I spread my wings as waves of water and energy swirled around me and I fired waves of energy and water and smashed her down.

Nico: WHOA!

Laney: WOW! I heard a lot about Lindsey Stirling! She is an amazing Hip Hop Violinist.

Qin: She is amazing and she rocks!

Xenia: Boy she sure does!

Maria: I hope the next Gene Slammer is near.

Then vines tied up Another Tala!

Me: What the!

Laney: That's not from me!

Then Tangela appeared!

Qin: Cool a Tangela!

Tangela: (In a girls voice) Looks like the fun has started.

Nico: Lola Francois! Awesome!

Me: Wow!

Tangela: It's great to see you again Nico. Let me handle it,

She fired waves of leaves and smashed down Another Tala and I caught the ridewatch and purified it.

I went over to her and Serenity was a girl with black hair and black clothes.

I picked her up.

Serenity Dunames: (Groans) What a headache.

Me: But you're back to normal.

I brought her over.

Me: Boy she is gonna be covered in spaghetti sauce.

Qin: Yeah.

Songbird: What's your favorite memory of Nico?

Tangela: I have a lot of them but my favorite is when me and Nico grew lots of awesome fruit trees in my family's greenhouse and we made all kinds of awesome fruit trees like Cherry Berry, Goldenberry and more.

Me: Like the Froot Loops cereals.

Nico: Yum.

Camie: Awesome.

Tangela: Yep. Now time to revert back but I'm naked.

Me: Oh boy.

I put on my blind man glasses and I snapped my fingers and the boys covered their eyes as she was reverting back.

Lola's vines disappeared

She turned back to human and she had aqua green hair and had green eyes and the fashion brigade moved in and Nico gave them a new green leotard and put it on her.

Lola Francois got up.

Lola Francois: (GROANS) Wow. But at least I can use arms again.

Nico: That's good.

Nico and Lola hugged.

Nico: I've really missed you.

Lola Francois: Me too Nico. Me too.

We went back home.

And we're going to destroy the next villain waiting for us there: Dr. Wrecker, Gumball Watterson's old enemy.

Lincoln: Wow, we're back in Los Angeles for Day 3 of the treasure hunt, and I know what we're going to do here, not only am I going to rescue the thirty-two girls here, but TLPS Mr. Piranha is going to get a powerful treasure there: a powerful greatsword known as The Ocean Maelstrom Piranha Fang Greatsword of Poseidon.

TLPS Mr. Wolf: And we're going to destroy the next villain waiting for us there: Dr. Wrecker, Gumball Watterson's old enemy.

Nico: That lunatic has got to be out of his mind if he thinks he can take us on.

Me: He sure is.

Lincoln: Plus, Gumball told me of what he did long ago: using a remote to wipe his family out, and that was just pure evil.

Lincoln took out the remote Gumball spoke about, and then, he destroyed it forever.

Varie: Using that remote to wipe out his family long ago?! Now, he really crossed a big line, so now, that warrants The Black Gates.

Lincoln: That's right, Varie, it does, and I want to thank you and your team for joining us, Timmy.

Timmy: You're welcome, Lincoln. Plus, unlike with Frieza, Cell in his Semi-Perfect form, and King Cold, Dr. Wrecker is weak and since you destroyed that remote Gumball spoke about, now he has no way of trying to fight back, and we can give him The Black Gates.

Nico: That one-eyed freak deserves to be wiped out for good.

We arrived at a ocean blue-colored shrine with piranha statues, and we entered the shrine, and we saw a powerful greatsword with light shining down on it: The Ocean Maelstrom Piranha Fang Greatsword of Poseidon, a massive greatsword with embedded ocean blue gems on the 7'0" massive, wide, double-edged blade, large piranha heads for the crossguard, large ocean blue gem embedded in the rainguard, longer midnight black handle, and four large piranha heads for the pommel.

TLPS Mr. Piranha: Whoa, so that's The Ocean Maelstrom Piranha Fang Greatsword of Poseidon, nice.

Suddenly, we saw White Aura Monoceros appear before us, and with it are the thirty-two girls.

Nico: Whoa, that's White Aura Monoceros.

White Aura Monoceros: (Girl's voice) That's right, and I also got the thirty-two girls away from Dr. Wrecker.

Lincoln: (Gasps) That voice, Naomi McKenzie, I knew it was you, it's awesome to see you again, but we'll talk later.

Phoebe Vandom: He's right, let's get after Dr. Wrecker and end him, and then, we can talk.

TLPS Mr. Piranha went up and grabbed The Ocean Maelstrom Piranha Fang Greatsword of Poseidon and we left the shrine to hunt down Dr. Wrecker. But, we wouldn't have to take long to find him.

?: TEAM LOUD PHOENIX STORM, I WILL DESTROY YOU ALL FOR RUINING MY REVENGE AGAINST GUMBALL WATTERSON!

Suddenly, we saw a figure rushing towards us with anger on his mind and hate in his single eye: it was Dr. Wrecker.

TLPS Mr. Wolf: Right on time, Dr. Wrecker. Mr. Piranha, mind giving him an explosive welcome back from the dead?

TLPS Mr. Piranha: You got it, boss.

TLPS Mr. Piranha threw several bundles of dynamite which hit Dr. Wrecker and exploded and it caused him to skid out of control and land right in front of us, and he was beyond pissed. Then, TLPS Mr. Wolf snapped his fingers and he took the battle to Glaren, so no one would get hurt by Dr. Wrecker, and we knew this was going to be one wild and explosive battle.

TLPS Mr. Piranha: I should've known you'd be the next to show up, Dr. Wrecker, you seriously don't even know when to quit, do you?

Dr. Wrecker: Not until I finally destroy you all, and then, I destroy Gumball Watterson and the entire world!

Suddenly, something within TLPS Mr. Piranha's mind snapped as memories of what Dr. Wrecker had done had rushed through his head, and his blue eyes turned neon blue and he was surrounded by a rainbow energy aura with piranhas, ocean waves, and water, he unholstered his massive Poseidon's Piranha Sword of The Seas from his back, and as he approached Dr. Wrecker, he left rainbow energy, piranhas, ocean waves, and water with every step.

TLPS Mr. Piranha: You absolutely make sick to no end, Dr. Wrecker, it's bad enough that you hated Gumball, but you tried to kill him in cold blood, seriously, he was just a kid. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you did long ago when you acquired that stupid remote and used it to destroy his family right before his eyes… , YOU'VE CROSSED ONE LINE FAR TOO MANY, YOU STUPID, REVENGE-CRAZED, ONE-EYED MORON, AND FOR THAT, I'M GOING TO TEAR YOU APART LIMB FROM LIMB AND I'LL SEE YOU BEGGING FOR MERCY BEFORE YOU TAKE YOUR LAST BREATH!

We gasped at the sheer unimaginable extent of TLPS Mr. Piranha's rage, and payback was coming for Dr. Wrecker.

Nico: Ooh boy, this is going to get explosive!

Me: Big time.

TLPS Mr. Wolf: Mr. Piranha was always known for having a short fuse and shorter temper, and now, that his rage has been unleashed, Dr. Wrecker's final moments are about to be up. STAND YOUR GROUND! HE'S GOING TO BLOW!

We stood our ground as TLPS Mr. Piranha screamed like a madman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

There was a massive explosion of energy and he was suddenly surrounded by a massive vortex of rainbow energy with water and ocean waves surrounding it, there's a pack of piranhas swimming around the vortex, and in the vortex is an ocean blue phoenix. Then, as the vortex faded, TLPS Mr. Piranha emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

TLPS Mr. Piranha grew from 7'4" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight pack abs, his tail's gotten longer for his new body, he has neon blue eyes and a rainbow energy aura with piranhas, water, and ocean waves surrounding him, he has a piranha emblazoned on his forehead and Third Eye with aqua blue iris, he has on a Crystal Necklace of the Buddha with green gems on the gold water drop links and green crystal links and green piranha-shaped Element of Harmony and below the Element of Harmony is a piranha with aqua blue gems for eyes and the Water and Eternity Kanjis in its fins for the pendant, he now has on large gold metal bands on his massive biceps and thighs, and he now has nine large algae green orbs orbiting around his legs. TLPS Mr. Piranha has on a short-sleeved buttoned up shirt that outlines his eight-pack abs and massive pecs and it has a aqua blue phoenix on it and piranha on it, long black leather pants with ocean waves on them, black leather knee-high combat boots with piranha heads for the buckles, and a long white sleeveless trenchcoat with piranhas, ocean waves, and water on the coattails and on the back is a piranha surrounded by water. Suddenly, TLPS Mr. Piranha felt a pain on his now wider and more muscular back, and then, his massive green angel wings with blue tips on the large blue feathers grew bigger for his new body, he has on his Ring of The Phoenix with large green gem and heart-shaped gem embedded in it on his right ring finger and a Red Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, TLPS Mr. Piranha's massive Poseidon's Piranha Sword of The Seas and The Ocean Maelstrom Piranha Fang Greatsword of Poseidon and all the swords he'd gotten began merging together and they're surrounded by a kaleidoscope of rainbow energy, piranhas, ocean waves, and water, and when it emerged, it was transformed into Poseidon's Greek Ocean Maelstrom Piranha Fang Greatsword of Water Piranha Justice, it's a brand-new massive greatsword with embedded green gems and the Greek God of the Sea, Poseidon, etched on the 7'0" massive, wide, double-edged green blade, large green piranha heads for the crossguard, large aqua blue gem for the rainguard, longer midnight black handle, four large green piranha heads with blue gems for eyes and a large aqua blue gem on the bottom of the piranha heads for the pommel, TLPS Mr. Piranha has on his large gold cuff Bracelets of the Champions of The Universe with green gems on his wrists, gold Belt of Elemental Bravery with gold piranha head with blue gems for eyes and a large green blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver. There's a green kanji below the piranha that said, "Team Loud Phoenix Storm Mr. Piranha, Awesome Member of The Bad Guys Gang, Awesome Explosives Master, Awesome and Hilarious Member of Team Loud Phoenix Storm, Foiler of Professor Marmalade's Schemes, Archenemy of Guldo, Ender of The Vampire-Lycan War, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Piranhas and Warrior of Water, Emissary of Poseidon, and Master of Water and Piranhas"

We were amazed by TLPS Mr. Piranha's Super Angel-Piranha-Harmony Celestial Eternal Xelnaga transformation, but when Dr. Wrecker saw it, he fell into a black rage and ran at TLPS Mr. Piranha to kill him, but TLPS Mr. Piranha fired a powerful rainbow energy blast with piranhas, ocean waves, and water at Dr. Wrecker and it exploded with incredible power as it hits him, and it removed The Dark Orb, which Lincoln sent to The Warp, Dr. Wrecker got up, but now, he was beyond enraged.

TLPS Mr. Piranha: (Divine Echoing Cosmic Voice of The Greek Water Oceanic Maelstrom Piranha and Divine Greek Water Piranha Justice) Don't you dare glare at me like that, Dr. Wrecker, you've had this coming for a very long time! Now, it's time for you to pay!

TLPS Mr. Piranha went after Dr. Wrecker, and he fired powerful blasts of rainbow energy, water, ocean waves, and piranhas at Dr. Wrecker, and they exploded with incredible power as they hit him, and he also attacked Dr. Wrecker with his massive greatsword, leaving scars and spilling his blood all over the planet, and he even threw more sticks of dynamite which exploded as they hit him.

Nico: He's really tearing Dr. Wrecker apart.

Lincoln: And it's a good thing TLPS Mr. Wolf took the fight to Glaren, he knew Mr. Piranha was going to use his explosives again for this fight. Come on, gang, let's give TLPS Mr. Piranha a hand and tear down Dr. Wrecker for good.

We cheered as we holstered our weapons and powered down, and TLPS Mr. Piranha's new body, clothes, weapons, jewelry, Third Eye, and massive aqua blue angel wings are permanent, and we were also back on Earth.

TLPS Mr. Shark: Good riddance, you heartless, revenge-crazed lunatic.

Lincoln: Now, Elmore is free from Dr. Wrecker forever, and this time, he's never coming back. (To Naomi McKenzie) And it's so good to see you again, Naomi McKenzie.

Naomi McKenzie reverted back to normal, and she was a beautiful girl with long flowing white hair and aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a narwhal emblazoned on her forehead, massive and beautiful white angel wings, and a white aura as she reigned in the power of White Aura Monoceros and she was dressed in an sleeveless aqua blue open blouse, sleeveless aqua blue midriff top, aqua blue shorts, aqua blue sneakers, and long white sleeveless trenchcoat with ocean waves and narwhals and on the back is White Aura Monoceros, and holstered on her back is a White Aura Monoceros-themed greatsword with White Aura Monoceros etched on the 7'0" massive, wide, double-edged aqua blue blade, white narwhal heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large white narwhal heads with blue gems for eyes and a large aqua blue gem below the white narwhal heads for the pommel.

Naomi McKenzie: You too, Lincoln, it's been a long time.

Lincoln went up to Naomi McKenzie and he hugged her, and Naomi McKenzie is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Naomi McKenzie: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Naomi McKenzie, she's my Guardian Angel from Michigan and classmate in Biology, but she's also an expert swimmer and an expert on identifying the different types of marine life and she has knows a lot about the marine ecosystem. She and I would spend time in the ocean learning much about the different marine life that live in the ocean, and we also would do their part to keep the oceans clean of any litter that people carelessly throw into the ocean as it's dangerous to the marine life.

Me: Wow, that's really awesome, you guys are both learning about the marine ecosystem and marine life while cleaning up the trash that people carelessly throw into the ocean.

Lincoln: That's right, and this one time, while observing the marine life, she and I kissed underwater, and she hates Lola with a burning passion.

Nico: Uh oh, what did she do to earn her hatred?

Naomi McKenzie: You're not going to like hearing it. (To Lincoln) And Lincoln, there's something I want to give you, I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Naomi, are you absolutely sure about this?

Naomi McKenzie: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Naomi McKenzie, and he saw that she's really serious, and he smiled as he walks over to Naomi McKenzie, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Naomi McKenzie's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Naomi McKenzie's neck with aqua blue gems on the gold lightning bolts and white crystal links from her merged Crystal Necklaces of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Naomi McKenzie: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Naomi.

Naomi McKenzie had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirty-two girls, and when Lincoln saw them, he recognized them immediately. We returned home to the World Tree Estate, and we told them that TLPS Mr. Piranha had gotten The Ocean Maelstrom Piranha Fang Greatsword of Poseidon, and they were shocked when they found out the villain we went after was Dr. Wrecker.

But, when Lincoln showed what happened, such as TLPS Mr. Piranha transforming into his Super Angel-Piranha-Harmony Celestial Eternal Xelnaga form and he and all of us laying a brutal beatdown on him and Lincoln finishing him off by throwing an energy ring which cut him to pieces and he sent his soul to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Naomi McKenzie have a lot of catching up to do, now that she's back in town.

Maria: Now, we've finally gotten rid of Dr. Wrecker once and for all, and now, only one remains.

Lincoln: Garlic Jr., and finally, we get after Professor Marmalade and make him pay for everything he has done.

TLPS Mr. Wolf: Diane's going to do a news report about this, and this'll get everyone really pissed off at Marmalade.

Me: You bet it will.

---

After finally getting rid of Dr. Wrecker and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Naomi McKenzie saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Naomi McKenzie: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Naomi, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Eliana Robinson: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Naomi McKenzie: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Naomi, what's the reason on why you hate Lola with a burning passion?

Naomi McKenzie: You're not going to like it one bit. One day, as Lincoln and I were underwater, we were doing an observation of some of the sea life there in Lake Superior. But, then, we saw empty glitter jars being callously dumped into the ocean, and we rushed in and cleaned it all up. We got out of the water to see Lola callously dumping empty glitter jars into the ocean and she was laughing cruelly at us, the pink-wearing demon. I'd had enough of Lola, and the same went with Lincoln, we fired blasts of water at her, and she absolutely lost it big time and threatened to kill us, but before she could attack me, Lincoln grabbed Lola by her dress and glared at her, which caused her to get scared. I was really stunned with awe at how quick Lincoln was to save me and I was blushing madly at how dominant he was when he glared at Lola. After I recovered from the display from Lincoln, we tied Lola up with neon energy ropes Lincoln fired from his massive white angel wings, and he called his parents, who came to Lake Superior. Lincoln told everyone of what Lola did, and they were extremely furious at her, in the end, Lola got her mean butt grounded for fifteen weeks, and she had to spend all that time in cleaning up all of the trash she callously dumped into Lake Superior. And I also kissed Lincoln and he returned it, and Lola watched in anger.

We cheered.

Eli: Wow, you guys really saved all that marine life and the oceans from Lynn's heartless act.

Nico: Yeah, you guys made Lake Superior safer, and when you and Lincoln kissed and right in front of Lola, I can guess she was pissed off big time.

Me: You bet she was, and she swore revenge, but I made sure she didn't do anything else to Lincoln or his Guardian Angels, or she was going to be in a ton of trouble even worse than she was in at that time.

Lincoln: Lola's stunt crossed a line for those who care about the environment, mainly my Guardian Angels who have the powers of water, and they swore if Lola did that again, they were going to kick her butt hard.

We got a shower afterwards, and then, Lincoln, Sailor Venus, Britney (Totally Spies), Ophanimon, Sailor Saturn, Kunoichi (Samurai Warriors), Vignette Valencia, Gloriosa Daisy, Lagss, and Mizore Shirayuki from the real world are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

Plus, he saved them when Flip broke out to kill them for revenge again, but Lincoln saved them, and he smashed that stupid mutant cheapskate into the dirt before he tied him up again.

Britney (Totally Spies): Wow, so this is Seaside Hill, it's beautiful.

Lincoln: I've been here before, and it's always beautiful, and it's perfect for our first date, Britney. Shall we?

Lincoln, Sailor Venus, Britney (Totally Spies), Ophanimon, Sailor Saturn, Kunoichi (Samurai Warriors), Vignette Valencia, Gloriosa Daisy, Lagss, and Mizore Shirayuki dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Sailor Venus, Britney (Totally Spies), Ophanimon, Sailor Saturn, Kunoichi (Samurai Warriors), Vignette Valencia, Gloriosa Daisy, Lagss, and Mizore Shirayuki got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made eight clones of himself and he and his clones went up to Sailor Venus, Britney (Totally Spies), Ophanimon, Sailor Saturn, Kunoichi (Samurai Warriors), Vignette Valencia, Gloriosa Daisy, Lagss, and Mizore Shirayuki and they hugged the girls in their abnormally massive and powerful muscular arms and Sailor Venus, Britney (Totally Spies), Ophanimon, Sailor Saturn, Kunoichi

(Samurai Warriors), Vignette Valencia, Gloriosa Daisy, Lagss, and Mizore Shirayuki placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sailor Venus, Britney (Totally Spies), Ophanimon, Sailor Saturn, Kunoichi (Samurai Warriors), Vignette Valencia, Gloriosa Daisy, Lagss, and Mizore Shirayuki with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Sailor Mars: And I'm so glad you and Hotaru are also now part of Lincoln's harem, Mina.

Sailor Venus: Thanks, Rei.

Britney (Totally Spies): And I'm so glad Sam, Clover, and Alex introduced me to Lincoln.

Sam Simpson: And it was so cute that you fell in love with him, it truly was love at first sight.

Kunoichi (Samurai Warriors): And I also did confess my feelings for Lincoln, and I did get found out by Lords Nobuyuki and Yukimura.

Nobuyuki Sanada: And we know Lincoln will take good care of you, the same with Ina and the others.

Mizore Shiryauki: And Lincoln saved us all from Flip, that mutant just doesn't know when to quit.

Lincoln: He knows I'll kick his three-cheeked butt the next time he does that again.

Mizore Shirayuki 2: You should freeze his butt off next time.

Mizore Shirayuki: Nah, he'll probably get used to it, thanks to him being a mutant.

Lincoln: There's no need, if he puts one mutant toe out of line, I'll drop a ton of heavy objects on him and he'll be seeing birds circling around his head for weeks.

Me: (Snickers) Now, that's a good one.

Nico: I'll break out a camera in case he starts chirping like a bird.

Later it was time for Kita's final ambassador mission.

We were off!

We arrived in Tokyo.

We arrived and we saw them fighting Universe 666's version of Sora Takigawa the Gremlin Phantom!

Gremlin: Come on!

Ikki: This guy is tough!

Me: Looks like they met Universe 666's Version of Sora Takigawa the Gremlin Phantom.

Tsukuyomi: Lets give them a surprise.

We flew in.

Sakura Igarashi: HEY!

Then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out.

Me: I see you guys met the Universe 666 version of our old friend Sora Takigawa the Gremlin Phantom.

Ikki: So he is one of the Universe 666 versions.

Me: Yep. And he just joined our frenemies in the Masters of Evil.

Sora Takigawa: Yeah sorry about that. Wanted to keep the Revice team entertained till you all got here.

Me: No worries Sora.

He teleported back.

Kita: Guys, meet Rango and Kermit

Rango: Pleasure to meet you. Sheriff Rango of Dirt.

Sakura Igarashi: And Kermit the Frog!? Oh wow!

Kermit: It's awesome to be here guys.

Hana Natsumi: And Akiko, Rinko, Kanon, Poppy, Sawa, Tsukuyomi, Is, and Reika! It's awesome to see you all again!

Rinko: You too Hana and you as well Sakura.

Kanon: You are looking great.

Sakura Igarashi: We sure are.

Ikki: Did I miss something?

Me: We should explain back at the Happy Spa.

We arrived back at the Happy Spa and sat down.

Vice: Did something happen with you girls that we didn't know about?

Sakura Igarashi: Well it's a really strange story. Me, Hana and the Female Kamen Riders of Ex-Aid, Build, Wizard, Zi-O, Zero One and Saber united and we took down the evil terrorist organization Black Satan.

Me: They were a terrorist organization that was going to take over the world.

I went over what happened.

---

Black Satan (ブラックサタン) is a terrorist organization formed as a restoration of Shocker and the main antagonists for the first half of Kamen Rider Stronger. Like their predecessor they desire world conquest, but what makes them unique from other past organizations are their Satan Bugs, which can posses and manipulate others. Their Kikaijin can also turn into Satan Bugs.

Kamen Rider Stronger

After his friend was killed by Black Satan, Shigeru Jo joined the organization and volunteered for an experimental procedure to be converted into the electrokinetic cyborg Kamen Rider Stronger, secretly planning to use the powers he received to fight against Black Satan and avenge his friend. After becoming Stronger, Shigeru Jo escaped and along the way rescued Yuriko Misaki, another subject of Black Satan who had been made into a cyborg known as Electro Wave Human Tackle. Together, the two fought against Black Satan and defeated its high-ranking member Mr. Titan. Stronger eventually defeated its Great Leader and brought about its downfall.

Following Black Satan's destruction, the Delza Army led by former Black Satan executive General Shadow succeeded Black Satan in fighting Stronger.

Kamen Rider Revice

Despite their apparent destruction, Black Satan resurfaced in 2022 under the command of a female version of Mr. Titan. They sought to convince Hana Natsuki to join them.

* * *

When I was done they were amazed and shocked.

Daiji: Wow! That is amazing.

Eli: It sure was.

Is: It most certainly was.

Me: Yoko here wasn't with the team back then well she was dead. She died in battle when Yggdrasill was terrorizing everything.

Nico: It's true.

Yoko Minato: Yeah that's right.

Akiko: The reason I couldn't get any of the OOO, Fourze, Gaim, and

Drive girls is because I ran out of invitations.

Me: That sucks. But Girl Power is the most powerful form of fury there is.

Nico: Yeah girls can be just as strong as men can.

Ikki: That is for sure.

Sakura Igarashi: Yeah I agree there. That was awesome though.

Kita: It sure was.

Then a cobra stuffed toy creature came out.

Nico: Aww. Look at the plush toy.

Sakura Igarashi: Oh, that's Lovekov.

Me: Oh I remember her. She is awesome.

Eli: Yeah.

Lovekov: Yeah but it's awesome to meet you all.

Me: Same here.

Ikki: I felt a massive surge of power yesterday. I saw you on the roof of a building facing an angry looking man.

Me: That was Masato Kusaka, he's from the Faiz Kamen Rider Team and we meet them in just a couple of weeks. I have a nasty hatred towards him.

Nico: What's you're about to hear is not pretty.

I went over Masato's history.

---

Masato Kusaka is the primary user of the Kaixa Gear to become Kamen Rider Kaixa and the villainous tritagonist of Kamen Rider 555. Despite being one of the main characters, Kusaka frequently comes into conflict with the heroes due to his manipulative and sociopathic tendencies, as well as his hatred of all Orphnochs, and is only allied with the other protagonists due to their shared opposition to Smart Brain.

He was portrayed by Kohei Murakami, who later portrayed Bud/ Zyuoh Bird in Doubutsu Sentai Zyuohger.

## Kamen Rider 555

Masato Kusaka grew up as one of the orphans in the Ryusei School fostered by Hanagata, the former head of Smart Brain. Kusaka was among the children implanted with Orphnoch DNA to grant them use of the Kaixa Gear though Kusaka was implanted with a great deal more DNA than the others, allowing him to transform and use the Kaixa Gear without dying afterwards.

Growing up, Kusaka's only friend was Mari Sonoda, leading to him forming an unhealthy attachment to her and eventually coming to see her as his possession. After the massacre at the Ryusei School reunion was instigated by the Dragon Orphnoch, Kusaka came to see all Orphnochs as monsters and vowed to wipe the all out.

Showing up to claim the Kaixa Gear, Kusaka becomes its primary user after he is the only one to survive transforming with it. Though he gets along well with Mari and Keitaro, Kusaka does not get along at all with Takumi, who is the only one who can see him for the manipulative sociopath he really is.

Eventually, Kusaka's Orphnoch DNA starts to run out and he dies after Yuji Kiba steals the Kaixa Gear from him and snaps his neck, disintegrating once all his Orphnoch DNA disappears and leaving behind his picture of a young Mari for her and Takumi to find.

## Kamen Rider 555: Paradise Lost

In the alternate reality movie Kamen Rider 555: Paradise Lost, Kusaka was killed by Leo during the Riotrooper raid on the human sanctuary "Paradise". His Kaixa Gear was later used by Keitaro after he drank a transformation elixir allowing him to use it. The Gear disintegrated once the elixir ran out.

## Kamen Rider 555: Grotesque Flowers

In the non-canon novel adaption Grotesque Flowers, Kusaka is the main antagonist, and the one responsible for killing Yuka Osada, a peaceful Orphnoch, driving Yuji Kiba to hate the human race. He later rapes Mari, causing her to become hopeless and depressed, and in response has his limbs ripped off by a disgusted Kiba. He is later taken in by his own admirer, Saya Kimura, before resurfacing to try and ruin Mari's life. He finally meets his end when he is killed by Takumi Inui.

## OOO, Den-O, All Riders: Let's Go Kamen Riders

Kamen Rider Kaixa was part of a group of secondary riders led by Akira Date/Kamen Rider Birth who arrived to reinforce the primary riders in their fight against the Rock Great Leader. The Great Leader is finally defeated when all the Kamen Riders got on their bikes and performed the "All Rider Break" attack to destroy the Great Leader.

## Heisei Rider v. Showa Rider: Kamen Rider Taisen feat. Super Sentai

Takumi is shown to have become depressed following Masato's death, which in the film is revised so Takumi witnessed him dying while fighting the Arch Orphnoch. His spirit later appears when the Badan Empire opens up the gate between the mortal world and underworld to taunt Takumi, getting him to go after Kamen Riders Wizard and X. However, the two Riders convince him to move on as Kusaka's spirit disappears once Badan's plans are foiled.

## Kamen Rider Zi-O

Kusaka is somehow revived, alongside his rival Takumi as a result of a time paradox caused by the creation of Another Faiz.

Unlike his previous incarnations, Kusaka does much greater good, such as repaying someone who are related to Ryusei School and similar suffering as Masato was and risk his life to do this deadly task no matter what.

When I was finished everyone was shocked and horrified!

Ikki: He's a monster!

Daiji: What kind of monster does that!?

Me: Someone who doesn't care about anyone but himself.

Sakura Igarashi: But didn't the Faiz team do their adventures already?

Me: Yes it was 20 years ago in 2003.

Kita: That's right.

Is: At least Gai and Utsumi have changed their ways.

Sawa: And don't commit the crimes Masato did.

Me: That's true.

Tsukuyomi: Yeah no kidding there.

Me: I'm glad they did.

Vice: J.D., you should do everyone a favor and RUN THAT ASSHOLE OVER WITH A TRUCK!

Me: Oh I plan to do more than just that. I'm going to blow him to pieces and splatter all of his blackhearted blood and guts all over the entire city of Tokyo.

Vice: Nice!

Me: Then I'm going to send him to the Black Gates.

Nico: Yeah. But thank goodness the one from Universe 666 is not like the Prime Universe version.

Me: This is the Prime universe version of Masato that I'm going to tear apart. The one we met from Universe 666 is the polar opposite version of him.

Ikki: Oh I get it. So he is good whereas the prime universe version is bad.

Akiko: That's right.

Me: It's a very complicated story.

Nico: You know, Akiko, you, Rinko, and Sawa should get Kamen Rider transformations of your own so you don't feel left out.

Me: That's a good idea.

Akiko: I agree there.

Me: Hmm. (Gets an idea) I got something!

I used my powers and then I made a neon pink Kamen Rider Gaia Belt with a rainbow Gaia Memory for Akiko. For Rinko I made a Yellow Wizard Drive Belt with a Nature Ring and for Sawa I made a Neon Red Fullbottle Drive Belt.

Me: Tadah!

Akiko: Wow!

Me: This is the Rainbow Gaia Memory. Akiko you are going to be Kamen Rider Iridescent.

Nico: Ooh good name.

Me: Thanks. Rinko you are Kamen Rider Dryad.

Rinko: I like it.

Me: Yep and Sawa you are going to be Kamen Rider Nebulous.

Sawa: Wow! I like it!

Kanon: I am not getting left out this time.

Me: No you won't Kanon. Oh Ikki are there any new developments?

Ikki: You won't like this one. Kamen Rider Veil is back.

We gasped!

Me: Oh man! That monster that made your father do all those horrible things against his will?

Nico: Not good!

Eli: I hate this guy.

Me: Me too. He is like a malignant entity.

I went over his history for those that hadn't heard about him.

---

Vail is the secondary antagonist of Kamen Rider Revice. He is a demon who was originally tied to Genta Igarashi before it came to inhabit the Demons Driver, the transformation belt used to transform into Kamen Rider Demons. The Demons Driver was initially used by Fenix Squad Leader Hiromi Kadota, who was unaware it housed a demon and Vail that was feeding on his life force every time he transformed. He is also Vice's arch-enemy.

Vail would later exit the Demons Driver and return to its original host of Genta Igarashi, using him and the Vail Driver to transform into Kamen Rider Vail.

He is voiced by Kenjiro Tsuda, who previously voiced Redyue in Kamen Rider Gaim and also voiced Seto Kaiba in Yu-Gi-Oh. Past

Vail's birth came about when NOAH scientist Masumi Karizaki was delivered a man who had been fatally injured. To heal him, Masumi performed an experimental treatment by infusing his patient with cells he had extracted from Giff's casket, resulting in Vail being born. Vail was then awakened by Agariyama and used to kill Junpei's parents, to give Junpei hatred to motivate him so NOAH could use him as an "exterminator" for their failed experiments. Vail coaxed Junpei into using the Vail Driver, resulting in him gradually losing his memories from the strain of using the Driver. Junpei later escaped and was found by Yukimi, who gave him the name "Genta". Genta was soon recaptured by NOAH along with Yukimi, but now desired to leave NOAH and be with Yukimi and escaped again. However, Vail was able to trick Genta into setting him free, revealing his true form to Genta and that he was the demon who killed his parents. Vail possessed Genta to make him become Kamen Rider Vail again and go on a rampage, but Yukimi was able to reach out to Genta and get him to resist Vail. After killing Agariyama, Vail fought Genta, who became Kamen Rider Vail again and vowed to kill Vail even though that would result in him dying as well. Genta was able to defeat Vail, but before Vail died he was sealed in the Demons Driver by Masumi, allowing Genta to live.

Genta Igarashi would go on to marry Yukimi and have three children, all of whom inherited Giff's cells and developed their own inner demons as a result of Vail's ties to Genta. While Yukimi was still pregnant with her and Genta's third child, Vail possessed Genta and used him to set fire to the Igarashi family bathhouse in an attempt to kill them all. It was at that moment that Vice manifested from within a young Ikki and formed a contract with him to protect his family, with Vice wiping his memories of the incident in the process. Genta was then able to resist Vail and save everyone, but kept the true circumstances of the incident a secret from his children.

At some point, Vail met George Karizaki and was inserted by him into the Demons Driver he had been developing, which would allow any human to become a Kamen Rider regardless of if they had an inner demon or not.

The Demons Driver was given to Hiromi by George Karizaki, who did not tell him it carried a demon within it. Hiromi initially used the belt to transform into Demons to fight Kagero, but he was unable to use the belt's full power as would feed on his life force every time he transformed. The effects of the Demons Driver became apparent when Hiromi was examined by Fenix medical officer Akemi Mikoshiba and discovered to have the physicality of an 80 year old man, despite being in his twenties. At the same time, George and Hideo Akaishi observed that the demon inside was about to awaken from Giff's pulsations.

Soon after, the Demons Driver would speak to Hiromi for the first time and reveal itself as a sentient demon that was feeding on his life force. This prompted Hiromi to confront George Karizaki on the effects of the Driver, to which George nonchalantly mocked Hiromi's catchphrase of laying down his life to save the world.

The Demons Driver was later stolen by Olteca during his escape from Fenix Skybase, who used it to transform to fight Kamen Rider Live. Upon his transformation, Olteca was acknowledged by the Driver as being a fellow demon. Unlike Hiromi, Olteca was able to draw out the full power of the Driver as Kamen Rider Demons, effortlessly defeating Kamen Riders Live, Revi, Vice and Jeanne.

Olteca would later use the Demons Driver again to fight Jack Revice and Jeanne. During the fight, Olteca attempted to use three Remixes but was blocked by the Driver. After being defeated and fleeing, Olteca angrily demanded to know why the Demons Driver hadn't let him use three Remixes, believing Karizaki had tricked him. However, the demon within the Demons Driver then spoke to him and revealed it was the one who had blocked him, before leaving the Driver to "return home".

Vail then possessed the new Driver Masumi Karizaki had been working on and used it to speak to him. Masumi warned Vail not to touch his son, but Vail asked why he should take orders from him and remarked that Karizaki was his one and only partner before leaving. He later possessed Genta Igarashi to intervene in the fight between the Deadmans and the Kamen Riders. Showing up right after the Queen Bee Deadmanhad blown the Riders out of their transformations, Vail used his own Driver to transform into Kamen Rider Vail and easily swatted the Queen Bee Deadman aside, knocking Aguilera out of her transformation. An awed Olteca sent more Gifftarians, to which Vail destroyed them both and allowed Giff to absorb their energy. Vail then turned to the Igarashi siblings and attempted to kill them, but Genta was able to resist Vail and cancel their transformation before collapsing to the ground.

Following Giff's reawakening, Vail would approached Hideo Akaishi and ask him why he hadn't made a move yet despite Giff returning, to which Akaishi answered that human society comes with its own set of "processes".

Vail later met with Akaishi again after he captured Akemi. Akaishi opened a portal to Giff, who bestowed onto Vail a physical body.

After remarking that the air tasted better than he expected, Vail left to go hunt for Genta. Vail approached Ikki while he was watching his sister play with Aguilera at an amusement park. He demanded Ikki tell him where his father was, but Ikki refused, leading Vail to declare he would beat him to a pulp and get his sister to tell him instead. Ikki and Vice transformed into Kamen Riders Revi and Vice to fight Vail, who battled them with his physical form. After going through several forms, Ikki and Vice merged together into Revice and performed their finisher on Vail, pushing him back. Vail then declared that they both had a long way to go to get stronger before teleporting away.

Vail would then attempt to attack Yukimi as she was shopping, but Vice, who had gone with her to protect her, fought Vail to protect her. As the two demons faced off against each other, Vail claimed to Vice that Ikki would at some point abandon him and that it was the destiny for all humans to eventually leave their demons. As they were fighting, Yukimi called Ikki and asked him to come help. Ikki soon arrived and transformed both himself and Vice into their Kamen Rider forms before fighting Vail. During their fight, Vice hesitated, allowing Vail to overpower both him and Ikki. After forcing both of them out of their transformations, Vail told Vice to think on what he had said before choosing to exit the scene rather than finish either of them off. Vail would later appear as the Kamen Riders were attempting to defeat Hideo Akaishi to fight the Riders alongside the True Gifftarians.

While Vail had the Riders at his mercy, he soon began to run out of power. It was at this point that, Akaishi closed the portal to Giff and teleported himself, along with Vail, Giffdemos and all of the True Gifftarians, away. Akaishi later met with Vail and stamped him with several Vistamps to power him up, but told him not to kill any of the Igarashi siblings. Vail asked what would happen if he did, to which Akaishi answered that their arrangement would come to an end. Vail then agreed not to kill them and stated he would beat them within an inch of death instead before teleporting away. When Daiji Igarashi and his siblings crashed a Fenix press conference in an attempt to kill Akaishi, Vail and several True Gifftarians appeared to fight them. Aided by Giffdemos, Vail was able to decisively defeat the Riders, but before he could finish them off, Hikaru Ushijima appeared, transformed into Kamen Rider Over Demons and rescued the

Igarashi siblings before exiting the scene with them.

Vail would later confront Sakura again to get her to divulge her father's location to him, but Sakura refused and became Kamen Rider Jeanne to fight him. Vail beat her down, prompting Hana to intervene and try shooting Vail. Vail turned his attention to her, but Tamaki suddenly threw himself in the way to defend Hana. Vail decided to capture him instead and leave, so he could use him as a hostage to get Genta to reveal himself. Vail exited the scene and brought Tamaki to his hideout, where he tied him up and interrogated him as to where Genta was, but Tamaki claimed not to know. Sakura then showed up to rescue Tamaki and hand him the Week Endriver to transform with. Before Tamaki could insert his Vistamp into the Driver however, Vail swiped it and stamped it on himself. It was then however that Hana appeared and swiped the Driver before using it to transform into Kamen Rider Aguilera. In her new Kamen Rider form, Hana was able to beat down Vail and force him to retreat.

Vail would later intervene in a battle between Weekend and Fenix's demon forces, prompting Revi and Vice to show up to oppose him. Vail fought the two, but during the fight his body began to deteriorate, causing him to retreat. Vail returned to the ARARAT HQ, where he accused Akaishi of lying to him for saying Giff's grace would make him immortal. Akaishi simply stated that Vail should have known he was living on borrowed time when Akaishi found him 25 years ago and that his body was only temporary. With a limited amount of time in his lifespan, Vail resolved to use it to finally settle his grudge against Genta by killing him and joined the Fenix forces in another attack on Weekend. Akaishi accompanied them this time and transformed into his Giffdemos form to do battle. Vail and Akaishi fought Vice and Revi respectively and were beaten back by them. Although Akaishi broke away from the fight, Vail stayed behind to fight both Kamen Riders, even as his body began to wear out again. Despite this, Ikki did not want to kill him as doing so would also kill his father. It was then that Masumi Karizaki appeared with a WeekenDriver equipped and a Tricera Vistamp in hand, declaring he would settle his old sins.

Vail then swiped the Vistamp and stamped it on himself so he could continue fighting Revice, only to suddenly be teleported away to a parking garage. It was there that Masumi approached him again and offered him the Crimson Vail Vistamp. Vail at first refused it, believing it to be another trap, but Masumi told him it would be the only way he could fight Junpei again and convinced him to accept it. Vail then went to confront Genta to finally settle his score with him. Daiji and Akaishi both showed up to intervene in the fight, but Ikki and Sakura transformed into their Rider forms to hold them off while Genta and Vail faced each other. Vail asked if Genta worried at all about his family, but Genta responded that he didn't anymore and that his children had become far stronger than he ever was. Vail and Genta then transformed into Crimson Vail and Kamen Rider Destream respectively and duked it out. Destream managed to defeat Crimson Vail, but before Vail could disappear, Destream grabbed the Crimson Vail Vistamp and used it to seal Vail within him. Vail then spoke to Genta, who offered him a chance at a new life. Vail asked if Genta would truly allow him to do that given everything he'd done, to which Genta told Vail he would happily forgive him. Vail however told Genta he still hadn't forgiven him before dissipating into Genta's body, no longer at the stage where he could be a threat.

Yoko blasted Vail all over with arrows of energy.

Vail: I will not be defeated by weak girls, a lizard, and a frog!

Me: **HEY! What am I chopped liver?**

Vail: NO! NO! DAMN YOU J.D. KNUDSON! DAMN YOU IGARASHI FAMILY!

He was sucked in and was gone for good.

Nico: Good riddance.

We powered down and reverted back.

Me: That's it for Vail. That was awesome!

Nico: Whoever the Gene Slammer is now, you can come out. I know you were watching.

Then a Chansey came out.

Me: Wow a Chansey!

Eli: Awesome.

Chansey: (In a girls voice) That was an awesome fight!

Nico: Gisella LeRouch! Wow!

Me: You know her Nico?

Nico: I sure do. We went to French Cooking classes together.

Chansey: Yep. Good to see you again Nico.

Nico: You too.

Kita: What's your favorite memory of Nico?

Chansey: When me and Nico made awesome ratatouille together and we brought back one of our friends favorite childhood foods.

Me: That's just like how Remy did that with Ego.

Nico: Yep.

Kita: That is cool.

Me: Shall we revert you back?

Chansey: Yeah but I'm naked.

Me: Oh boy. The fashion brigade is not here with us so all I have is this towel.

I pulled out a pink towel.

I put on my blind man glasses. I gave her the towel and I snapped my fingers and she was reverting back.

The boys covered their eyes and she was reverting back.

Nico: Forget that. I got this leotard for her

Me: Even better.

I gave that to her.

She was back to normal and she had pink hair and pink eyes and she put on the pink leotard.

Gisella: Wow. This is much better.

Nico and Gisella hugged.

Nico: I've really missed you.

Gisella: Me too mon chere.

Me: But that's another one of Revice's enemies destroyed. Ikki, guys, if you see huge explosions coming in the next couple of weeks, that's my battle with Masato.

Ikki: Thanks for the heads up.

Me: You're welcome.

Nico: But this was awesome though.

Kita: Boy it sure was.

Vice: I'll say!

Nico: We actually thought you would be a Nurse Joy.

Me: Yeah Chansey is the Pokemon commonly under the employ of all the Nurse Joy's of the Pokemon Regions.

Gisella: I know. But that is funny.

Me: It sure is.

Eli: Yeah.

Ikki: Kita, I have something to say.

Kita: What is it?

Ikki: Ever since I've met you and all of Team Loud Phoenix Storm, we feel that you should be part of our family as another awesome sister for us.

Sakura Igarashi: Yeah I've always wanted another sister.

Daiji: Same here.

Kita: Aw guys!

She hugged all three of them.

Nico: That will be cool.

Me: I hope I won't scare you too much with that.

Sakura Igarashi: You won't. Also how come your eyes glowed red like that?

Me: It's called my Justice Glare. Whenever I get overflowing with justice in bringing down a bad guy, it makes my eyes glow red. Only the leader or highest powered members of the team can do it. Sounds intimidating but it means that we mean business.

Sakura Igarashi: That is cool.

Me: Yep. But this is not going to be goodbye forever. It's just see you later. February 28th.

Ikki: See ya man.

We shook hands.

We later went back home.

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told everyone everything and it was awesome.

Lincoln: WOW!

Laney: That's awesome that you guys destroyed Kamen Rider Vail.

Me: It sure was awesome.

May: Now it's Vinyl Scratch's missions next.

Vinyl Scratch: Rock on!

May: Vinyl, for your first mission, Wataru should come with you.

Vinyl Scratch: Awesome! Looking forward to this one.

Me: You sure will.

---

Later we were at Lynn's Table having a good lunch.

Me: A toast to Moondancer's big day mission.

All of us: HERE HERE!

We clinked our glasses.

Moondancer: This is gonna be so awesome guys.

Nico: Yep.

Me: You guys will love this.

I pulled out a can.

Catzi: Hey, J.D. What's in that can?

Me: Watch this.

I went over to the jerks and I pointed it in Flip's face and opened it and then…

POW POW POW POW POW POW POW POW POW POW!

FLIP WAS GETTING THE LIVING SHIT BEATEN OUT OF HIM BY A FIST FROM THE CAN THAT WAS PULVERIZING HIM ALL OVER AND BEATING HIM!

Nico: WHOA!

Hayley Whoopass: Oh it's a Can of Whoopass! Nice!

Pig Pen: Where'd you get that?!

Me: I bought it at a novelty store. Makes really good jokes that do real stuff.

Nico: That is cool!

Qin: Boy look at that really sock it to him.

Me: Yeah!

POW POW POW POW POW POW!

Razorclaw: As long as it doesn't hit us.

Me: Don't worry it's resealable.

I sealed it back up.

Me: There.

A massive explosion of gold bricks and bars popped out of Flip.

Phoebe Vandom: Whoa! What was that?

Lincoln: It's part of my new Gessius Flores Vengeance Curse.

Me: Lincoln knows magic and he invented all sorts of awesome curses for us and they have been really handy.

Nicole Hale: Wow that is so cool!

Cornelia: It sure is sis.

Xenia Lin: Yeah it sure is.

Razorclaw: Boy no kidding. You should have seen what he did to Anya's sister.

Grimlock: Him Flip deserve can of whoop ass!

Me: This is really potent though.

Nico: Yeah.

Brian: Boy Peter got the shit beaten out of him with something like that.

Lola: Did he really Brian?

Brian: Yeah he sure did.

Joe Swanson: Yeah Peter said it was the dumbest thing he ever did.

Qin: Wow. No kidding.

Me: Geez. We'll only use the can of whoopass for humiliation purposes.

Nico: Good idea. We should get some of that.

Me: It lasts forever.

Nico: Cool.

Then a Rhydon came.

Poromon: Hello, Mr. Rhydon!

Me: Whoa a Rhydon!

Nico: Whoa!

Rhydon: (In a girls voice) Looks like you socked it to that jerk.

Nico: Rhonda Trenton!? Whoa!

Qin: Whoa awesome seeing you here!

Rhydon: Awesome to see you guys.

Poliwag: Wanna have a shot at humiliating Flip?

Rhydon: You bet I do!

She went over to Flip and then charged up an Iron Fist and then…

KRASMASH!

She hit him square in the face with the force of a meteor impact and really smashed his face in! Then a massive eruption of coins, jewels, gold and gold bars bursted out of him.

Rhydon: WHOA! That was cool!

Nico: Nice shot!

Lola: I'll say!

She came back.

Maria: What's your favorite memory of Nico?

Rhydon: My favorite is when me and Nico went down into a mine and then we found a huge vein full of gold and he gave it to me and it made me and my family rich.

Nico: Yep.

Me: Cool!

Rhydon: Yeah I'm a miner girl and I dig for gold and jewels. Mostly jewels.

Snow White: Like the Seven Dwarves do. That is amazing.

Rhydon: It sure is.

Me: Would you like to revert back?

Rhydon: I sure would but I'm naked.

Me: How about we have you do so in the bathroom? There are kids here.

Rhydon: Good idea.

We took her to the bathroom and Nico gave her a leotard. She went in and I snapped my fingers and she was reverting back.

She came out in her leotard.

It was orange and she had brown hair and green eyes.

Nico: Wow.

Rhonda Trenton: Man it feels great to be human again.

Nico: It sure does.

Nico and Rhonda hugged.

Nico: I've missed you.

Rhonda Trenton: Me too Nico. Me too.

Skylanders Bombshell: (British Accent) Nico, which teams have you made so far?

Nico: Cornelia's team will include Genkai, Carlota Santiago, Nicole Hale, Juvia Lockser, and Android 18. Stella's team will include Bonnie Terrez, Laura Wynn, The L-Emental Loud Family, Limestone Pie, and Mariposa Diaz,

Marco: Awesome! Looks like my little sister is getting a shot!

Pinkie Pie: And Limestone is getting a shot too!

Limestone Pie: (Disgruntled voice) Yeah I'm thrilled too.

Juvia: This is gonna be so fun!

Nicole Hale: Me and sister are hanging out!

Cornelia: We sure are!

Nico: Yep.

Then the Previous group came.

Madame Masque: Can me, Felix Faust, Dark Laser, Black Spider, Multiplex, Jack O Lantern, Eccentro, Goro, Ssserpent, and Mysterio go with you guys?

Jellax: Me, Ozzie Ostrich, Space Kook, Ghost of Elias Kingston, Count Marzo, Rishu, Red Guy, Ghost of Jeremiah Pratt, Madame Snake, and Tenaya 7 will come as well.

Nico: Yes you guys can come with.

Me: First big day mission of the year guys.

Qin: Yep.

Felix Faust: This is gonna be awesome.

Me: Yep.

Felix Faust: Wow you guys have been busy. You found more and more recruits.

Me: Yeah no kidding.

Laney: Yep. These last six days have been very fruitful.

Xenia: Yep. They sure have been.

Felix Faust: Boy no kidding.

Gluko: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm hoping for Kangaskhan and Seadra next.

Maria: Wow! Horsea will love that one.

Lola: Yeah.

Me: And Kangaskhan is a tough one too.

Lola: Yep.

Qin: This is gonna be fun.

Moondancer: I'm so ready for this guys.

Nico: Awesome! Lets head out guys!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than Balder, the last of The Lumen Sages and Bayonetta's father, and he's come back from the dead still corrupted by Loptr's influence. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Bayonetta, you're not going to like it: the dark energy signal we just sensed belongs to your father, Balder, he's come back from the dead, but he's still corrupted by Loptr's influence.

We gasped.

Bayonetta: (British Accent) Daddy's come back, but he's still corrupted by Loptr's influence?

Nico: This is serious. Nicole, can you tell us who Loptr is?

Nicole: Loptr is the evil half of Aesir, The God of Chaos and a God Wannabe, and he was also the one responsible for the murder of Rosa, Bayonetta's mother and Balder's wife, and he's responsible for the Witch Hunts in Vigrid over 500 years ago, which led to the near extinction of The Umbra Witches, save for two: Bayonetta, the holder of The Left Eye of Darkness and Jeanne, her old friend from those times, and The Lumen Sages, except for one: Balder.

Me: That monster.

Bayonetta: (British Accent) We stopped Loptr long ago when Daddy from 500 years ago and I teamed up to stop him, but Loptr tried to shed his body and return to The Spirit World, but he trapped him in his body, and Loki warned him that this was pure evil he would be dealing with: a poison that'll live in him forever, but Daddy swore that Loptr will never see another era trapped in him before he returns to his time, but it led to him being corrupted by Loptr's influence. But, before he returned to his time, he found out who I was, and before he left, he wanted me to call him Daddy one last time.

Nicole: Bayonetta was born from the union of a Lumen Sage and Umbra Witch, which violated an ancient law that said, "The intersection of light and dark would bring calamity to this earth".

Lincoln: Which led to The Clan Wars 500 years ago, and the destruction of both clans.

Bayonetta: (British Accent) Lincoln, if you don't mind me asking this.

Lincoln: Say no more, Bayonetta. After what you just told us, I'm not going to let your father die yet again, Moondancer and I are going to remove Loptr's influence from him and send it to The Black Gates forever. He will never return to bring calamity and death to humanity ever again.

Moondancer: That's right.

Lincoln: But, we also got to be careful: Balder is an extremely powerful Lumen Sage, and his skills rivaled those of Bayonetta herself in the present time and when she faced his younger self from 500 years ago, he's also a master of The Light Arts, which are the counterpart of The Dark Arts of The Umbra Witches, and as a Lumen Sage, he's capable of summoning and commanding Laguna at his beckoning, summoning either using the peacock feathers in his wings as a conduit or with a snap of a finger, specifically, he's skilled in summoning the Cardinal Virtues. Bayonetta told me all about him.

Nico: She knew him on a personal level, and adding on to the fact that she's his daughter. Alright, gang, let's go, it's time to meet Garrett and the Extreme Ghostbusters and deal with the Vathek.

Lincoln: Those monsters deserve to be destroyed forever for their crimes, and once we get done with them, we're coming to save you from Loptr, Balder.

Moondancer: We're not letting the last of The Lumen Sages die again. This time, Loptr's fate will be sealed for good.

We were off to New York City.

---

## NEW YORK CITY, NEW YORK - THE CITY THAT NEVER SLEEPS

---

We arrived in New York City, New York.

Ozzie Ostrich: Here we are.

Felix Faust: Doesn't this bring back memories, Egon?

Egon: It always does. And I heard you guys faced Dickless.

Me: We sure did and Moondancer transformed and kicked his ass to the curb.

Nico: Yep.

Moondancer: It was so awesome and fun and cool.

Egon: Glad you socked it to him.

Nicole Hale: I can't wait to start shopping here. New York City has everything!

Me: They have everything in New York City.

Lola: They sure do.

We arrived at the Ghostbusters HQ.

Me: Here we are.

Egon: Feels good to be back.

We went in.

Me: Hello?

Nico: Anyone here?

Kylie then came out and she was really tired and in her pajamas.

Kylie: (GASP) Moondancer!

Moondancer: Kylie!

They went and hugged.

Kylie: Awesome to see you!

Me: Sorry were we interrupting your beauty sleep?

Kylie: Actually you did. I didn't know it was the big day already.

Me: Time sure flies when you're bored out of your skull.

Kylie: Wow Moondancer you have gotten taller. What happened?

Moondancer: I've had a huge transformation. I faced Walter Peck and transformed and let him have it.

Me: You should have seen what happened.

Lincoln: Yeah she really let him have it.

Dominique: Okay, do you want us to wait until it's morning?

Me: Dominique it's 3:35 PM.

Dominique: Oh sorry.

Kylie: I always have a mid afternoon nap.

Me: No worries. Sorry if we are bothering you. But where are the others?

Kylie: Down watching TV.

We went down to see them

Me: Hey guys.

Eduardo: Hey guys welcome!

Garret: Glad you all could make it.

Stefie: You sure have a habit of showing up at the right time.

Me: Yeah no kidding there.

Multiplex: Sorry if you guys were sleeping.

Count Marzo: We probably would've come a few hours later.

Garret: Nah we were just enjoying some time off. Things have been really quiet.

Me: Well until the Vathek make their move.

Eli: Yeah.

Nico: We owe you guys big time for helping us out during the battle with Team Loud Evil Storm.

Roland: Yeah that was awesome and cool.

Me: Yeah it sure was.

Garret: That was crazy seeing all that on that version of Earth.

Nico: No kidding there.

Kylie: No kidding.

Moondancer: But it's going to be awesome helping you guys out now.

Syren: We're glad you are Moondancer.

Egon: I'll say. It's gonna be a busy day for us.

Lync Volan: Oh, and we faced an evil version of Stay Puft.

Moondancer: We sure did.

Eduardo: Wow that is awesome. You look great Moondancer. You got so tall.

Moondancer: Yeah my transformation I got gave me a growth spurt. But me and Lincoln kicked Walter Peck's butt to the curb and he got splattered all over in a massive and sloppy mess of marshmallow creme.

Me: Yeah it's funny seeing him get inundated in Marshmallow slop.

We laughed.

Varie: That always makes me laugh every time.

Me: Yeah after 37 years that still never gets old.

Eduardo: Yeah no kidding.

Me: We crossed the beams and blew that Marshmallow puff to slop.

Nico: It was on a planet made of spaghetti.

Eduardo: Wow sounds amazing.

Lola: It was.

Nico: You should have heard him talk earlier. He still is so delusional that ghosts are not real.

Qin: Man that guy has lots of problems up here in his head.

Varie: No kidding.

Kylie: That guy has tons of problems.

Eli: That's putting it mildly.

Eccentro: By any chance, did you ever fight a ghost of a black knight before?

Red Guy: Not to be confused with the Black Knight Ghost of our team.

Kylie: I don't think we ever did.

Me: That would be cool if you did. By the way Kylie how did you like using your Eyecon the first time?

Kylie: It was really awesome.

Me: Glad you liked it.

Camie: The Eyecons are so awesome to use during our adventures.

Takeru: You got that right.

Nico: Yeah.

Eduardo: By the way J.D. we saw a massive stream of energy going up from your huge tree. Are you alright?

Me: Yeah I'm alright. I was just releasing a massive explosion of rage and power after finding out about one of the Kamen Riders being an absolute disgrace.

Kylie: One of the Faiz riders right? Masato?

Me: Yeah how did you know?

She showed a bracelet that said Death to Masato Kusaka.

Me: You hate Masato too Kylie?

Kylie: I sure do. Massive fan of all Kamen Riders but Masato.

Me: Welcome to the anti-Masato Bandwagon.

Lynn: This is usually the part where Poromon offers beer.

Lola: But I don't see him.

Lori: Well, maybe he literally got the hint that he shouldn't-

Poromon came out in a fairy costume carrying one bottle of beer.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon: (to the Extreme Ghostbusters) Hello there! I'm the beer fairy! Come to give you guys one bottle of beer!

Octane: Oh, what Fresh Hell is this?

Me: (LAUGHS) That is so cute!

Nico: (LAUGHS) So cute.

Me: Yeah.

Kylie: Digimon and Pokemon that drink beer?

Me: Don't fucking ask.

Nico: Yeah. We have had a lot of crazy shenanigans happen with alcohol.

Madame Snake: So that's the costume Barbossa saw you working on!

Roland: Um… Egon, there's a Digimon in a fairy costume offering a beer bottle to us. What should be our response to that?

Ssserpent: How do you think you should respond?!

Egon: Um yes I think it's cute. But we don't drink beer unfortunately.

Poromon: Oh. Oh well.

Me: I thought it was really cute.

Nico: Me too.

Xenia: Adorable too. Beer Fairy.

Me: Perfect for Saint Patricks Day.

Poromon: I'm keeping the costume though!

Needlenose: That's perfectly fine.

Me: It's really adorable Poromon.

Manaphy: I agree. It's cute.

Poromon: Aww thanks guys.

Lola: Yeah.

Poromon: Man I missed doing that. Not since the Dino Fury Mission.

Me: (Laughs) So awesome.

Garret: Yeah.

Me: Did you guys have an awesome New Year?

Eduardo: We sure did.

Nico: And did you see them drop the ball in Time Square?

Kylie: Yeah we stayed up till 3 in the morning and partied.

Me: Boy you guys have been busy.

Lola: No kidding. We were recapping our adventures from last year. They were fun.

Me: 2022 was really awesome and eventful.

Nico: It sure was.

Garret: Hope you guys have just as fun a year in 2023.

Me: I know we will.

Mysterio: Sorry you have to be in a wheelchair, Garret.

Garret: No worries. I don't mind it.

Tenaya 7: Joe's in a wheelchair too. And he still finds ways to be awesome.

Joe Swanson: I agree. It's always awesome.

Garret: Thanks Joe.

Joe Swanson: You're welcome.

Me: Now lets get down to business. We're here to deal with the Vathek.

Wild rider: What can you tell us about the Vathek fuckers?

Eduardo: Well they are not at all good guys. They are the henchmen of J.N. Kline.

He told us all about them.

---

After getting his start from the horror magazine Hair Raising Tales, J.N. Kline became a literary success. At some point, he agreed to an alliance with a trio of Vathek and through their ideas, Kline crafted the wildly popular Gore Series. Kline agreed only because the Vathek promised no people would be harmed. They manipulated him into writing them into existence. After "Guts & Blood" came out, Kline wasn't seen in months. Many speculated he had retired or simply went into an unannounced seclusion to write his next book. In reality, Kline became a prisoner of his own mansion and was forced to type his masterpiece. The force of the Vathek's voices in his head were so strong, Kline couldn't resist and complied.

Crainiac is a terrifying interdimensional entity that forged an alliance with the writer named J.N. Kline. He and his henchmen Corpuscle and Gristle use their tools to transform regular humans into monsters called Vathek.

Crainiac is the leader of a trio of bipedal interdimensional corporeal entities. They made a pact with a human named J.N. Kline in the physical plane. Through some means of telepathy, they spoke to Kline and he wrote a series of successful novels based on the entities. Crainiac was often the main monster villain of the books. He was depicted as a demented butcher who saw his inhuman creations as an art form. However, the deal was a ploy to write them into existence as immortal beings. After manifesting in the physical plane, Crainiac and the others bound Kline to his typewriter.

While Kline typed more stories, they carried out their twisted ritual acts and mutated their victims. First, Jimmy from a nearby diner was turned. Then they kidnapped patrons at Tuck's Inn Bed and Breakfast, half a mile up the road. The Ghostbusters confronted them at Tuck's then at Kline's Mansion. Eduardo Rivera shot Kline's typewriter with the Particle Thrower. The fire encircling Kline turned into a vortex and sucked Crainiac, Corpuscle, and Gristle into it. They were transported back to their dimension and sealed for good.

The Extreme Ghostbusters found Kline but Garrett Miller was unable to rewrite the manuscript effectively. Eduardo Rivera destroyed Kline's typewriter, sending the Vathek back to their own dimension. Kline was freed. Out of gratitude, the Extreme Ghostbusters were written into his next book "More Guts More Blood." Though Garrett was annoyed he was only referred to as "the loud-mouthed guy in the wheelchair."

---

When he was done we were shocked!

Me: Yeah we were shocked ourselves.

Nico: The Vathek have Kline under their control.

Me: So we're going to banish the Vathek to the Black Gates and destroy them all.

Qin: Yeah they are ugly monsters.

Lola: Yeah.

Ghost of Jeremiah Pratt: I get the feeling Kline didn't mean for people to be harmed.

Goro: The Vathek are the true villains.

Me: That's right. Kline is just a disposable pawn in a grander scheme.

Qin: No way in hell are we going to let the Vathek get away with this.

Camie: I agree there. But to avoid causing damage to the city we should take the battle to another planet.

Me: Agreed.

Nico: And I know just the planet.

Sailor Valmorg: My planet?

Nico: Yep.

Deadpool: (to Garret) Maybe this time, you'll get proper recognition in Kline's new book. And if the creepy fucks want to attack us with writing, our Ride Books can play their game right back at them!

Garret: Uhh what?

Jamesdean5842: He means that you might get some good recognition by being put into one of Kline's books. He might put the Ghostbusters in a book.

Daring Do: Just like how I put Rainbow Dash and Team Loud Phoenix Storm in my books.

Me: Yeah they are awesome.

Garret: Oh I get it. That is cool!

Me: Yeah you would love it.

Kylie: I got a better planet in mind.

Jack O Lantern: And that is?

Kylie: Good Egg Galaxy.

Rishu: That's also not a bad idea.

Nicole: Hey I like the way you think Kylie. That was where Dino Piranha and King Kaliente were fought by Mario.

Kylie: That's right.

Nicole: Yeah that was cool.

Qin: It sure was.

Fellbat: We're not kidding about our Ride Books though.

Me: He's right on that. Kylie, would you guys like to see a demonstration?

Kylie: Sure.

Me: Well this is gonna be fun.

I pulled out my Wonder Ride Book.

Me: (Reads verse) "As the darkness shrouded the lands over the city, there was this massive bright light that shined down from the heavens and it brought with it the beauty and joy of love and good and made everyone that saw it happy and loving. A rainbow shined around it as it granted their most happiest desires and brought their wishes to life."

Then everything I said happened and it was amazing!

Roland: Wow! That was incredible!

Xenia: Yeah the Wonder Ride Books have the power to do anything through the power of the imagination.

Me: Endless and infinite possibilities through the power of literature.

Lana: Yeah it's amazing.

Rainbow Dash: It sure is awesome.

Ghost of Elias Kingston: Amazing, isn't it?

Black Spider: Think we can use them to free Kline?

Eduardo: That would work big time.

Me: Awesome.

Xenia: Yep.

Me: Now we got to show you guys our power in the usual battles.

Qin: Yep.

We went to the roof.

Me: You guys are in for a show.

Maria: Yep.

Maria called it in.

Nico: Mumbo Jumbo, Skulker, Patty and Selma, Golden Glider, Professor XXXL, Grizzly, Zzzax, Toad, BlackWarGreymon, Salami Swami, Sheep Mage, Live Action Bonecrusher, Mr. Fibb and Mr. Wink, Pink Ranger Slayer, Bird Brain, Grizzaka, Dragon Jellyfish, Evil Yamato Man, Heatstroke, Stacey, Barbed Wire Org, Jean Jacket, Tri Klops, Katty Katswell, Master Zik, and Evil Butane Man.

Me: Good to be back in action huh guys?

Grizzaka: Yeah you said it.

Mumbo Jumbo: Can I see that can of whoop ass?

Maria: You crazy?! It'll beat you up!

Skulker: Good point.

Patty: It was worth a shot anyway.

Me: Yeah.

Golden Glider: (to Nico) We heard you went to a spaghetti planet.

Nico: We sure did.

Professor XXXL: Did you save some for us?

Me: Plenty for you.

Nico: And Moondancer beat the living crap out of Walter Peck.

Me: Yep.

?: Wow that is awesome.

He exploded! He was dead!

I snapped my fingers and then in flashes of light came the Goggle V Sentai from 1982!

Kenichi Akama: Hey guys been a while!

Dark Laser: Nice! You brought back the Goggle V team!

Spooky Space Kook: Just in time too!

Miki Momozono: We're glad we can come and it's awesome that we are now part of the team.

Nico: Yep. You guys will love it. Come on guys. (Eyes glow red) It's time for some ghosts to be destroyed!

We were off to face the Vathek.

Dr. Screwloose arrived.

Dr. Screwloose: Looks like I made it just in time.

Maria: You sure did doctor.

Me: Yep.

We saw the building the Vathek were in and it was an abandoned warehouse.

Me: They are definitely in there.

Eli: I sense it.

Then a whale moan was heard and then a rumble and then out came THE GHOST WHALE, LOTAN!

Me: WHOA!

Kylie: Lotan!

Maria: That's the ghost whale you guys fought, right?

Kylie: That's him!

Me: He's as big as a whale!

Just then, we heard the sounds of vehicles.

Me: Wait I know those vehicles anywhere!

We turned and we saw ULTROX AND HIS RACERS!

She went and helped him.

We went into the warehouse.

Nico: Thanks for coming, Dr. Screwloose.

Dr. Screwloose: No problem Nico. I wouldn't miss this for anything.

Timon: As long is we can take down these mooks.

Qin: And we will.

We got behind a crate and we saw THE VATHEK.

Me: Ugly freaks.

Dr. Screwloose went over to them.

Crainiac: So, you are the one called Dr. Screwloose.

Dr. Screwloose: That's me. I bet you have Kline hidden out of plain sight. But we'll still find him!

Crainiac: Who is we?

Then the spirits of the ghosts of the past appeared and swirled around them and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and then we came out and the area turned into the Good Egg Galaxy! We were ready for action!

Me: It's time for you bad ghosts to die!

Crainiac: Team Loud Phoenix Storm!?

Me: That's right you fiends!

Crainiac: Do not even try to destroy us.

Corpuscle: If it is not written…

Gristle: It cannot be done.

Me: We'll see about that.

Maria: I guess we'll just have to make sure we write ways to kick your asses then!

Nico: That's right.

Eduardo: We kicked your butts before and we can do it again!

Crainiac: Moebas, come forth.

The Vathek used the Type Writer to write several Moebas into existence.

Me: Moebas!

Qin: Now you're talking!

Yamato: So it's our turn to shine.

Me: Yep.

I fired waves of energy and blasted the Moebas all over in fiery explosions!

KRABBBBBOOOOOOOOOOOOOOOOMMM!
KRABBBBBBBBOOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOMMMM!

I fired waves of energy and blasted them all over the place.

We went at the Moebas and blasted and smashed them everywhere.

Then the Moebas jumped the Ghostbusters and The Extreme Ghostbusters lay defeated at the hands of the Moebas.

Crainiac: A valient effort. But all in vain.

Corpuscle: Soon we will do what no other ghost could and destroy you Ghostbusters.

Gristle: And then, perhaps we'll write back into existence all the victims of the Black Gates.

Takeru: (punches a Moeba) We can't let that happen! But what do we do?

Me: And that is impossible. The Black Gates made sure they were erased forever.

Moondancer got an idea.

Moondancer: (to everyone watching) Everyone out there! Lend the Ghostbusters your strength! They get stronger with your support! When I go "Who you gonna call", shout "Ghostbusters"! Okay? Who you gonna call?

All: GHOSTBUSTERS!

Moondancer: One more time! Who you gonna call?

All: GHOSTBUSTERS!

Moondancer: Louder! Who you gonna call?

All: GHOSTBUSTERS!

Jamesdean5842: GHOSTBUSTERS!

At this, Kylie found the strength to get up!

Kylie: Everyone's counting on us, guys! We can't let them down.

Kylie then grabbed a Moeba and threw it to the ground.

SMASH!

Crainiac: WHAT!?

I fired waves of energy and smashed them down.

Kylie: Thanks for having our backs, guys.

Eduardo: Damn, I didn't think we'd be this popular!

Roland: Well, we ARE Ghostbusters. What did you expect?

Garret: And we're their successors.

Stefie: I'm just glad I get to fight alongside you guys.

Me: That's right!

Egon: What do you say, team. Wanna bust these ghosts?

Nico: Lets do it!

Kylie: Yeah!

Moondancer: Let me transform with you guys!

Yamato: Go for it, Moondancer.

Zyuohgers: WILD INSTINCT AWAKEN!

AAAAHHAAAHHAHAH WOOOWOOOWOWO!

With that, a strange structure forms on Takeru's waist, what looks like a small one-eyed ghost, complete with stereotypical sheet look, with a handle on the side of it. As the ghost-like device settles into form, Takeru pulls out what looks like a small eye, and presses a button on the side of it, before forcing the sheet portion of the ghost-like device forward and placing the eye in it before slamming it shut.

Ghost Driver: Eye! Batchirimina! Batchirimina!

Takeru: Henshin!

As the phrase "Batchirimina" repeats, a black and orange parka looking ghost emerges from the belt, while Takeru is covered by a majority black suit with orange lines crisscrossing it and a blank silver face. After a few seconds, Takeru pulls out the handle and pushes it back in, causing the ghost-like device to blink, shifting the eye-like device to a new screen, one that is primarily orange with two black spots looking like eyes.

Ghost Driver: Kaigan! Ore! Let's Go! Kakugo! Gho-Gho-Gho-Ghost! Go! Go! Go! Go!

With that action, the parka looking ghost drapes itself over Takeru, allowing his true face to rise, matching the symbol on the eye, but adding a small silver and blue horn to the forehead. And as the transformation finishes, Takeru flips down his hood that was the parka looking ghost's head

With that, Alain throws on a wrist-mounted device that looks like an eye-dropper turned sideways as Makoto summons a Ghost Driver. With their transformation devices armed, both pull out eye looking devices, but Alain's is a lot wider. Both press a button on the side of their devices and slot them into their transformation devices, Makoto using the same method as Takeru, while Alain slots his into a large gap in the eye-dropper device.

Necrom Eyecon: Standby. (As it is slotted into the eye-dropper device) Yes, Sir!

Ghost Driver: Eye! Batchirimiro! Batchirimiro!

While the Specter's Ghost Driver begins it's chant, Alain flips his eye dropper device straight up, and presses a button on the side

Mega Uloader: Loading!

With these actions, two parka like ghosts start flying around. One looking like Ghost's, only blue, and the other only vaguely resembling those two, being solid black save some green lines and two green and silver shoulder bits.

Makoto and Alain: Henshin!

With their battle cry known, Makoto pulls the lever on his Ghost Driver out then pushes it back in while Alain pushes a small button the actual dropper part of the Mega Uloader.

Ghost Driver: Kaigan! Specter! Ready Go! Kakugo! Doki Doki Ghost!

Mega Uloader: Tengan: Necrom! Mega Uload! (Heavy guitar rock) Crush the Invader!

As these battle cries are made known, Makoto is covered in a suit similar to Takeru's, but the orange lines are blue, while Alain is given a white and green suit with black details, and a face plate that more resembles an actual eye. As the parka looking ghosts settle in, Makoto's face reveals two horns similar to Takeru's one and a face of more angular black sections on a blue backdrop. Meanwhile, Alain has what looks like a large green cylindrical eye sticking forward on his suit, with a green and silver horn going straight up from that. And to complete the transformation, both flip their hoods down.

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Sela: MONARCH OF THE OPEN SEAS! ZYUOH SHARK!

Leo: MONARCH OF THE SAVANNA! ZYUOH LION!

Tusk: MONARCH OF THE DEEP FOREST! ZYUOH ELEPHANT!

Amu: MONARCH OF THE SNOW FIELDS! ZYUOH TIGER!

Misao: MONARCH OF THE WORLD! ZYUOH WORLD!

Bud: MONARCH OF THE BLUE SKIES! ZYUOH BIRD!

All: DOBUTSU SENTAI ZYUOHGER!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Makoto: We will show you… our way of life!

Takeru: Our lives are burning bright!

Yamato: Don't Underestimate our Planet!

Orion: Or you're gonna regret it!

Tsukasa: Big time!

Kamen Ride: Ghost!

Kamen Ride: Specter!

Kamen Ride: Necrom!

Megaforce Rangers: LEGENDARY RIDER MODE! GHOST FORCE!

The Megaforce Rangers turned into the Ghost Riders, Tsukasa turned into Ghost and Daiki summoned clones of the Ghost team!

Moondancer has transformed into SUPER ANGEL-ALICORN XELNAGA ETERNITY INFINITY MOONLIGHT MIRACLE ALICORN ANGEL OF DIVINE COSMIC MOONLIGHT MIRACLES AND DIVINE MOON MIRACLE LOVE!

We were amazed by Moondancer's Super Angel-Alicorn Xelnaga Eternity Infinity transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Vathek saw it, they went ballistic and fired blasts of dark energy to kill her, but Moondancer dodged the blasts, and she fired powerful blasts of reddish-pink energy with stars, moonlight, magic, and Alicorns, and it hits The Vathek and it exploded and sent them back a bit, but they were pissed off now.

Garrett: Whoa, so that's…?!

Lincoln: Yep, that's her most powerful form, but she's got another transformation in store for later, and it's against the father of one of my many future wives, Bayonetta.

Moondancer: (Divine Echoing Cosmic Voice of The Moonlight Fire Miracle Alicorn and Divine Moonlight Fire Miracle Alicorn Love) **That's right. Now, then, let's mop up these Vathek scum and send them all to The Black Gates.**

We went at them and pulverized and beat the living shit out of them.

The Vathek used their Type Writer to drop anvils on us but we avoided all of them.

Maria: (reads from her Ride Book) "The Brave Heroes avoided the attacks of the enemy as said enemies became vulnerable to damage."

We dodged the anvils and I used the Force and threw them back and smashed the Vathek all over with them!

Takeru: (gets out Jean Jacket's Eyecon) Time to start things off! (ACTIVATES IT)

LUKE HOWARD!

May: Wow he discovered what kinds of clouds there are.

Takeru: Yep.

He fired waves of energy and blasted the Moebas all over.

May: (reads from her Ride Book) "Kline knew he couldn't let what he unknowingly created harm others. So, he managed to get out of his prison.

He was freed and brought to us.

Eduardo: (gets out Planet Gamma's Eyecon) Keep at it, May. I got ya covered!

He activated his Eyecon.

He fired waves of energy and blasted numerous Moebas all over.

Jessie Knudson: The man that invented Baseball! Good choice!

Yost Flash: Thanks.

Garret blasted many Moebas with his Proton Pack.

Garret: THIS IS MY WHEELCHAIR! THERE ARE MANY LIKE IT, BUT THIS ONE IS MINE! WITHOUT ME, MY WHEELCHAIR IS USELESS! WITHOUT MY WHEELCHAIR, *I* AM USELESS!

Joe Swanson: (laughs) I taught him those lines!

Yamato: Hey, don't hog all the fun! Monarch of the Jungle! Zyuoh Gorilla!

We punched and smashed and pulverized the Moebas and blasted them all over and then we went at the Vatheks and bashed and smashed and pulverized them.

Yamato: Monarch among Monarchs! Zyuoh Whale!

Takeru: (Pulling out an Eyecon with what looks like infinity on a stick on it.) Nice as always, Yamato!

Makoto: (Pulling out the most evil looking Eyecon in existence) Now, it's our turn to power up!

Their gear ready, Takeru and Makoto activate their new Eyecons before removing their personal Eyecons from their Ghost Drivers, with Takeru's creating some sort of angelic choir effect as it is activated, before both place their new Eyecons into their Ghost

Drivers

Deep Specter Eyecon: Dive Too Deep!

Takeru's Ghost Driver: Mugen Shinka! Eye! (In a choral fashion) Batchirimina! Batchrimina!

Makoto's Ghost Driver: Eye! Girroto Miro! Girroto Miro!

Just as with previous transformations, two parka like ghosts emerge from the Ghost Drivers while these chants begin. One white and long with shoulder pads, the other purple and dark looking with spikes projecting at key points. As well, Takeru and Makoto's default states have changed, Ghost takes on a white armor with almost rainbow like bits on the arms and legs, while Makoto's is silver and pointier. And just as before, the Riders activate their transformations with a quick pull and push of the lever on the sides of their drivers

Takeru's Ghost Driver: Chou Kaigan Mugen! Keep Going! Go, Go, Go! Go, Go, Go! Go, Go, Go! Got to Ghost!

Makoto's Ghost Driver: Gen Kaigan! Deep Specter! Get! Go! Kakugo! Giza Giza Ghost!

With these invocations, the parka like ghosts settle onto their respective Riders, with Takeru gaining the white cloak and a glittering helm with a rainbow horn atop orange eyes, while

Makoto's face remains almost unchanged, despite the black eye patterns now being on silver with two massive branching horns on his forehead and similar structures attached to his shoulders.

We blasted and smashed and massacred the Vatheks all over.

We were really going at them.

Iflar, Topar, and Fivarth blasted and smashed them all over.

Qin: Yeah!

Craniac: Do you truly believe it is over?

Corpuscle: Our type writer may have lost the ability to write anything into existence.

Then the Kamen Riders got that power and then the Ghost team formed an awesome new Megazord for them! It was made of all the spirits and powers of all the most famous people in history! It was called THE HISTORY EYECON RIDERZORD!

Bayonetta: (British Accent) I always knew there's no mistaking that voice from anywhere, and I have not forgotten what you did in corrupting my Daddy, Loptr.

A figure came out, and it was none other than Balder in his outfit from Bayonetta, and when he was still corrupted by Loptr's evil influence.

Bayonetta: (British Accent) Never thought you'd come back, Loptr, Daddy made sure that he took you with him after he died, but it looks like you refused to stay dead.

Balder: And now, you will pay for ruining my plans to rule this world, Umbra Witch!

Moondancer: Not happening, Balder, and we're going to save you from the very evil poisoning you.

Suddenly, Moondancer's light violet eyes turned neon light violet, and she was surrounded by a red and purple energy aura with Alicorns, moonlight, stars, and magic, she unholstered her massive Moondancer's Moonlight Friendship Greatsword of Magical Miracles and Lunar Alicorn Justice from her back, and as she approached Balder, she left red and purple energy, stars, magic, moonlight, and Alicorns with every step.

Moondancer: Balder, what you did in containing Loptr's evil influence may have worked in some way, it ended with Loptr corrupting you and turning you evil, and you swore to Bayonetta if you strayed from your path, she would be the one to end you. You died once by her hand, but, you're not going to die again, this time, we're going to save you.

Suddenly, Moondancer was surrounded by a massive vortex of red and purple energy with stars, moonlight and magic surrounding it, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix. Then, as the vortex faded, Moondancer emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Moondancer grew from 7'1" to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing reddish-pink hair, she has neon light violet eyes and a red and purple energy aura with Alicorns, moonlight, stars, and magic surrounding her, she has an Alicorn along with her cutie mark on its horn emblazoned on her forehead and Third Eye with light violet iris, she has on Alicorn earrings with light violet gems for eyes and the Miracle and Eternity Kanjis in its hooves, she also has an Alicorn with light violet gems for eyes and holding the Miracle and Eternity Kanjis in its hooves on the bottom of her light violet Alicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with light violet crystal links from her merged Crystal Necklace of the Buddha and light violet gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Moondancer has on a sleeveless open black vest, sleeveless pink sparkling top, sparkling pink and black skirt, dark blue pants, pink knee-high boots, and long sleeveless black trenchcoat with stars and moons on the coattails, and an Alicorn on the back surrounded by stars and on top of its horn is the full moon. Suddenly, Moondancer felt a sharp pain on her back, and then, her massive reddish-pink angel wings with purple tips on the large reddish-pink feathers, grew much bigger for her new body and her red and violet streaked tail grew longer. Moondancer has on her Ring of the Phoenix with large reddish-pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Suddenly, Moondancer's Moonlight Fire Friendship Greatsword of True Magical Miracles and Lunar Alicorn Justice and Lunar Alicorn Justice and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of reddish-pink energy, stars, moonlight, magic, and Alicorns, and when it emerged, the sword is transformed into Moondancer's Moonlight Fire Friendship Greatsword of True Magical Moon Miracles and Lunar Magic Alicorn Justice, it's a brand-new massive greatsword with embedded reddish-pink gems and her cutie mark etched on the 7'0" massive, wide, double-edged gold blade, large gold Alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, and large gold Alicorn heads with purple gems for eyes and a large reddish-pink gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with reddish-pink gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and purple gems for the eyes and a large reddish-pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The

Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Moondancer, Alicorn Princess of Miracles, One of Twilight Sparkle's Many Friends from Canterlot, Loving Future Wife of Lincoln Loud, Destroyer of The Doomsday Twenty-Three, Member of The Canterlot Five, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Loving Sister of Garrett and the Extreme Ghostbusters, Destroyer of The Vathek, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of The Moon and Miracles"

Moondancer has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA MOONLIGHT MIRACLE FIRESTORM ALICORN ANGEL OF DIVINE COSMIC MOONLIGHT MIRACLE FIRE JUSTICE AND DIVINE EQUESTRIAN MOON MIRACLE ALICORN LOVE!

We were amazed by Moondancer's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Balder saw it, he summoned Fortitudo, Temperantia, and Sapientia to kill her, but Moondancer fired three powerful reddish-pink energy blasts with stars, moonlight, magic, and Alicorns, and it hits the Cardinal Virtues and they exploded killing them, and she fired another reddish-pink energy blast at Balder, which hits him, and it caused him to enter into his battle form as his peacock wings and tail feathers sprouted out on the backside of his robes.

Twilight Sparkle: Wow, now Moondancer's transformed into her Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga form, incredible.

Lincoln: Now, the battle to free Balder from Loptr's evil influence has truly begun, and Moondancer, you look beautiful, how do you feel?

Moondancer: (Divine Echoing Cosmic Voice of The Moonlight Fire Miracle Alicorn and Divine Moonlight Fire Miracle Alicorn Love) **I feel incredible, Linky. Now, shall we take down Balder and free him from Loptr's evil influence?**

Lincoln: (Smiles) With pleasure, Moondancer.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Moondancer.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You've crossed one line too many in your quest for power, Loptr, and now, you've got 500 years of payback coming at you for murdering Rosa and starting The Clan Wars and The Witch Hunts.**

Moondancer and Lincoln went after Balder who was possessed by Loptr, who fired peacock feathers at them, but they dodged them all, and they fired extremely powerful blasts of rainbow energy, red and purple energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Balder and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, they fired powerful beams of magic and moonlight fire at the possessed Balder, and they both exploded as they hit the corrupted Lumen Sage.

Nico: Whoa, this is really getting intense!

Bayonetta: (British Accent) I agree, and it truly is exciting.

Then, Lincoln fired an energy card from his massive greatsword which removed Loptr's evil influence from Balder, and forced him out of the Lumen Sage and freed Balder, and he got the Lumen Sage to safety with us.

Nicole: So, that's what Lincoln had planned to save Balder from Loptr, nice.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Moondancer, her hand-cannon Blaster is known as Moondancer's Moonlight Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's reddish-pink with purple flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by stars etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Moondancer aimed their hand-cannon blasters at Loptr.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) You made a big mistake when you fucked with The Umbra Witches and The Lumen Sages 500 years ago, Loptr. So, consider this your long overdue punishment, goodbye and good riddance.

Then, Moondancer and Lincoln fired blasts of rainbow energy, reddish-pink energy, and elemental forces at Loptr and as they hit him, they exploded with incredible power, and he was destroyed for good. Then, as they holster their hand-cannon blasters, Loptr's soul appeared, but was then chained to the floor by spirit chains, and Lincoln fired a blast from his Eater of Sins blaster which was infused with Black Gates energy, and when it hit Loptr in the forehead, the Judgement Kanji appeared and he was sent to The Black Gates forever. We cheered as Moondancer and Lincoln holstered their massive greatswords on their backs and powered down, and Moondancer's new body, clothes, weapons, jewelry, Third Eye, longer tail, and massive reddish-pink angel wings are permanent.

Moondancer: That'll teach you, you evil God Wannabe. Thanks for helping me free Balder from Loptr and send the evil half of Aesir to The Black Gates forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Moondancer.

Suddenly, Moondancer wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Moondancer's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and moonlight shining down on them and we cheered wildly. Then, Lincoln and Moondancer came back to us as the display vanished.

Nico: Oh man, guys, that was one wildly intense battle, you faced off against the last of the Lumen Sages who was corrupted by Loptr's evil influence, and you freed Balder and gave Loptr The Black Gates, awesome!

Lincoln: Thanks, Nico. Is Balder…?

Nicole: He's okay. But, he needs to get some rest, Loptr really messed him up badly.

Bayonetta: (British Accent) He sure did.

Suddenly, Bayonetta wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Bayonetta's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs. Then, they separated.

Bayonetta: (British Accent) That's what I call only part 1 of your reward for saving my Daddy, Lincoln. (Seductively and rubs her right hand on Lincoln's massive right pec) You'll be getting part 2 of your reward when we head back home.

Lincoln's face turned atomic red.

Nico: (Sly Smirk) Uh oh.

Me: Oh boy.

Nicole: He fulfilled his promise to Bayonetta to save her Daddy from Loptr's influence, and now, he's about to get his reward. Plus, you know what's happening tomorrow, right, Lincoln?

Lincoln: The final day of The Los Angeles Treasure Hunt, where we'll face Garlic Jr. and destroy him for good, and we're also meeting Maya Beckett, Gene-Slammer of White Aura Whale.

TLPS Mr. Wolf: Then, after Garlic Jr.'s dealt with, we can then broadcast what Marmalade had done in bringing Frieza, Semi-Perfect Cell, King Cold, Dr. Wrecker, and Garlic Jr. back from the dead, and that will lead to them wanting his head.

Nico: And us hunting him down like the criminal he is.

Back on Earth Ultrox, Halinor and team were blasting the whale ghost all over.

Ultrox: That all you got, whale ghost?!

Halinor: Yeah!

They fired waves of fire and energy and then banished it back into the Ghost Zone!

Halinor: Oh yeah!

Ultrox: Now, what to do while waiting?

Halinor: I brought some cards for us.

She pulled out a playing card deck.

Ultrox: Cool.

They got to playing go fish.

We later came back.

We arrived back on Earth.

Qin: WOW! That was EPIC!

Janine came.

Janine: Egon, me and Slimer saw everything! Are you alright?!

Egon: Yeah we're okay and the Vathek are gone forever.

Me: Yeah. We all destroyed them and Kline is free.

Qin: Yeah that was awesome!

Syren: It sure was!

Xenia: What an awesome way to kick off the new year!

Garret: Oh man. I hope this time, Kline doesn't describe as the The Loud Mouth Guy in the Wheelchair!

Me: Don't worry we won't let that happen.

Camie: Yeah.

Kline came and he was grateful to us for saving him and more and he was gonna make some changes to Garret's character.

Woz: REJOICE! The Teams are all back in action and have made an amazing start to the new year! May this mission bring light and love to the new recruits that have joined.

Me: It sure will Woz.

Grizzly: Well, did Kline write anything good about you?

Garret: He said I was the passionate Ghostbuster in the wheelchair.

Zzzax: Now, that's an improvement.

Me: Now that is more like it! I like it.

Toad: The Vathek are never gonna be haunting anyone again.

Nico: That's for sure.

BlackWarGreymon: (to the Alien Racers) You guys helped too.

Ultrox: We sure did.

Me: We owe you big time Ultrox.

Kylie: We'll see you guys in 7 days.

Ultrox held out his fist and Kylie slapped it gently.

Salami Swami: Now, who wants salami to celebrate?

Me: How about we go get some New York Style Pizza?

Eduardo: Now we're talking!

Nico: Yeah! But great job today everyone! And Moondancer you did a great job on your big day mission.

Twilight Sparkle: I'm so proud of you Moondancer.

Moondancer: Thanks guys. This was so fun!

Qin: It sure was.

Egon: It was an awesome adventure 39 years in the making. (To the viewers) This was an awesome ghost hunting adventure. But just remember, When there are ghosts running around, who you gonna call?

All of us: GHOSTBUSTERS!

We cheered!

We went to a pizza restaurant and then had a great meal and then we went back home and got the Extreme Ghostbusters settled in and then we enjoyed the rest of the day and went

to sleep.

GET READY TO SEE THE TRUE FACE OF EVIL IN MAGNACAT FROM MONSTER ALLERGY

AAAACHOO!

In the early morning hours at 3:53 AM, Lincoln had a dream, and she saw eight figures who was hiding out and living in the streets of Hokkaido, Japan. But, they were no ordinary eight figures, their were Shy Crystal, daughter of Lincoln's future wife, Toph Beifong. Royal Solflare, daughter of Lincoln's future wife, Sun Shang Xiang. Manta Stingray, daughter of Lincoln's future wife, Ranamon. Terror-Bite, Nightscream's Vampire brother. Trihorn, Shy Crystal's Earth Dragon. Boomer Bang, Royal Solflare's Fire Dragon. Nova Lisa, Manta Stingray's Mermaid Dragon. and Phantom, Terror-Bite's Ghoulish Dragon. Lincoln woke up from the dream, but he wasn't the only one, Toph Beifong, Sun Shang Xiang, Ranamon, Phyllis the Florauna, Dagger Blade, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, the same dream as me?

Lori: We sure did, bro.

Toph Beifong: And it also means that we found out where are daughters are.

Sun Shang Xiang: Along with a Vampire boy, a Triceratops-like dragon, a short wingless dragon.

Ranamon: A Mermaid dragon, and a Ghoulish-like dragon.

Phyllis The Florauna: But the question is, Where?

Me: they're at Hokkaido, Japan.

Nico: Oh no, that's not good. It's the same place when we found The Color Strike, And it is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Toph Beifong, Sun Shang Xiang, Ranamon, Phyllis the Florauna, Dagger Blade, Me, and Nico were heading to Hokkaido, Japan. Then, Lincoln saw a 13-year-old girl who has white pale skin with durable pale green crystallized arms, white eyes without pupils that makes her completely blind, long grey hair combed over her right eye with black and blond streaks. She wears a black and purple sleeveless dress with a Earth Element symbol on it. black gloves, black leg wraps, and black & purple sandals. A 13-year-old Japanese girl who has reddish skin, medium-length black hair which is tied back in a ponytail, and blue eyes. She wears a red tailcoat with rose trim at the bottom, a gold collar with ruby gem, white leggings, and rose high-heeled boots. A 10-year-old Japanese girl who has sky blue skin, messy chin-length dark blue hair with bangs covering her red eyes. she also has blue Manta Ray-like fin wings on her back, and manta ray tail behind her. She wears a periwinkle ballerina dress with a sheer frost-blue knee-length skirt, and light blue ballet flats with ribbons. A 13-year-old Bat/Human boy who has pale skin, black spiked hair with the green stripes, blue eyes, and sharp vampire fangs. He also has bat-like ears and long black and red bat-like wings. He wears a black coat with a Undead Element on the back, red shirt with a black bat on it, black pants, and black boots. A bulky and muscular gray triceratops-like Dragon with three horns, huge wings, spikes on his back and long tail with a mace. A wingless yet short crimson dragon with v-shaped horns-like and short tail. He wields a sharp spear. A light blue scrawny and skinny but muscular sea water dragon with thin wings, yellow saw-like spikes, and a long tail. She wears dragon-themed armor, and wields a water saber. And a large and purplish ghoul-like dragon with purple fire hair, wings and long tail. he wore black dragon-themed armor and dragon-like gauntlets. Lincoln saw who they are, they were Shy Crysta;, Royal Solflare, Manta Stingray, Terror-Bite, Trihorn, Boomer Bang, Nova Lisa, and Phantom.

Lincoln: Excuse me, are you Shy Crystal, Royal Solflare and Manta Stingray?

Shy Crystal: Hello? Is someone there? I am afraid I cannot see you.

Royal Solflare: [Sigh] Sorry about Shy Crystal, She's blind. And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Toph Beifong, Sun Shang Xiang, and Ranamon, came out, and when Royal Solflare and Manta Stingray saw her, they was stunned. especially Shy Crystal who may not see Toph Beifong, but she can hear her.

Manta Stingray: Mother, is that you?

Ranamon: Yes, sugar, it's me.

Shy Crystal, Royal Solflare and Manta Stingray ran up to Toph Beifong, Sun Shang Xiang, and Ranamon, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, Phyllis the Florauna, and Dagger Blade.

Lincoln: And there's something you should know, Toph, Sun Shang, Ranamon, your mothers are one of my many future wives.

Shy Crystal, Royal Solflare and Manta Stingray: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Shy Crystal, Royal Solflare, and Manta Stingray with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes. and Terror-Bite, Trihorn, Boomer Bang, Nova Lisa, and Phantom join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Shy Crystal, Royal Solflare and Manta Stingray to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Toph Beifong, Sun Shang Xiang, and Ranamon with their daughters, and Shy Crystal, Royal Solflare and Manta Stingray now has a loving, strong, brave, and caring father in their life.

I was on my Rapidash and everyone else was flying.

Me: YEEHAW!

Applejack: YEEHAW! Way to ride J.D.!

Me: Thanks Applejack!

Xenia: YEAH!

Nico: Its been a long time since we were over at Lara's ranch.

Eli: Boy it sure has been a while.

Girl Jordan: Yeah I wonder how she is doing these days.

Laney: We'll find out soon.

Optimus Prime: She should be doing great.

Qin: Yeah.

Zuria and Kimi Lao were riding inside Optimus Prime.

Nico: Optimus, I want to thank you, Evil Lyn, and your teams for coming.

Optimus Prime: It's my pleasure Nico and it's always fun to help you out on awesome rescues.

Camie: It sure is.

Me: Yeah it is!

Nico: Yugito, what do you like to do in your free time?

Yugito Nii: I haven't given it much thought because I'm always busy as a shinobi. But I've always wanted to open up a fishing business.

Me: That's a good idea Yugito.

Eli: It sure is!

Me: Also Yugito, do you have some hatred towards the other villages for some of the treatment they give to Jinchuriki?

Yugito: I used to at first. But after becoming a good and well renowned Kunoichi and mastering the power of Matatabi, I don't have that anymore.

Eli: That's good.

Nico: Yeah.

Me: Bro it's good I saved you from that dark fate that all Jinchuriki are subjected to.

Naruto: It sure is bro.

Killer B: Thank goodness we aren't like that fool. Ya fool!

Nico: Though I don't blame you for thinking that before.

Me: Me neither.

Yugito: I know.

Nico: What is with people like that?

Me: Blame the councils corruption Nico. They let their own lust for power as well as their fear and hatred get ahold of them that they don't care about anyone but themselves and think that they are so much better than everyone. That they spread lies all just to make people suffer.

Eli: People are sometimes that stupid and gullible.

Nicole: I know. But at least me and Lincoln took Naruto and Sakura out of the village on a training trip to help them out.

Naruto: That was awesome sis.

Lincoln: Yeah we had a lot of fun on that one.

Me: That was cool.

Qin: I'll say.

Me: Yeah. But also yesterdays adventure was so awesome. All of last week was one awesome adventure.

Nico: Yesterday was a good start to the year.

Me: It sure was.

Aylene C.: All of last week was a great start!

Xenia: We all thought it was so much fun!

Camie: It was amazing!

Optimus Prime: Indeed it was.

Starlight Glimmer: But that was an awesome adventure 39 years in the making.

Nico: Yeah it was awesome. And we got a bunch of awesome new recruits too. We have the first Sentai Teams from 1975 to 1982 with us.

Me: And we're not done yet. I have a feeling the next team will be awesome and that's the Dynaman.

Eli: Oh yeah.

Maria: The Vathek reminded of something RL Stine would make.

Nico: You mean Goosebumps monsters.

Maria: Anything from RL Stine. Not just Goosebumps monsters.

Me: Yeah they did remind me of that. But that is cool.

Qin: It sure is. But I'm glad those monsters got what they deserved.

Twilight Sparkle: And the awesome part is that Moondancer really did an amazing job on her Big Day Mission.

Lola: We're really proud of her.

Utakata: We sure are.

Me: Yeah we all are proud of her.

Kimi Lao: She has come a long way ever since she joined the Knights of The Friendship Table.

Camie: She sure has.

May: JN Kline reminds me of RL Stine.

Me: Now that you mention it he sure does.

Qin: Yeah he sure does.

Xenia: Yeah!

Lola: That is very coincidental that they both almost share the same name. Except it's spelled differently.

Eli: Yeah that is awesome.

Kimi Lao: I think that is so cool.

Me: We're here!

We arrived at the Laramie Pokemon Ranch.

Varie: Wow!

We saw all sorts of amazing Pokemon. There were Nidoran, Raticate, Nidorino, Tauros and so much more.

Twilight Sparkle: So many awesome Pokemon.

Me: Yeah you would love helping out here Twilight.

Applejack: Boy howdy. Lara sure knows how to manage a great Pokemon ranch.

Apple Bloom: She sure does.

We went in.

Me: Boy she has more Pokemon than when I was here the last time.

Eli: She sure does.

Nico: I see Lara in her Rapidash form.

We saw her rounding up a herd of Tauros.

Lara Laramie: YEEHAW!

Me: Looks like she might need some help. (Puts on cowboy hat) HYAH!

I went and helped.

Me and Lara got along them!

Me: HYAH! Get along little doggies!

Lara Laramie: Well howdy J.D.!

Me: Howdy Lara!

We herded them into a pen.

Me: YEEHAW!

Lara Laramie: YEEHAW!

Lara reverted back and everyone cheered for me and Lara.

Nico: That was awesome guys!

Lara Laramie: Boy it sure was. J.D. sure knows how to do amazing herding.

Me: I watched lots of cowboy movies and picked up lots of stuff on the fly.

As soon as Lara reverted back to human, she got up and stretched her arms.

Lara Laramie: Ahh. Man being both a Rapidash and human is amazing.

Me: It sure is.

Nico: How have you been Lara?

Lara Laramie: Busy as all get out.

Me: Just as busy as us no doubt.

Lara Laramie: Not as busy as y'all but you know.

Me: I know. But even in the cold of winter a ranchers job is never done.

Lara Laramie: That's for sure.

Nico: Are you wearing clothes right now?

Lara Laramie: I sure am. Thanks to J.D.'s spell with most of the gene-slammers.

Nico: Oh right I forgot about that.

Me: No worries. But I'm glad you're doing great.

Lara Laramie: Thanks. But I'm glad y'all are here.

Me: Uh oh. Don't tell me. Dario is back and he hasn't learned his lesson.

Lara Laramie: That's right. How did you know?

Me: Call it a hunch.

I pointed to Dodrio Footprints in the ground.

Nico: Where is he right now?

Lara Laramie: He said he is going to get some stuff. He's coming to get revenge on me and J.D. for ruining his name and reputation.

Me: Man what is up with that guy? He loses against me in your place and doesn't know when to call it quits.

Yugito Nii: Yeah he needs to be taught a lesson that this is Lara's ranch and no one elses.

Me: Not with Team Loud Phoenix Storm watching over it.

Applejack: Yeah that little sidewinder has another thing coming if he thinks he can do all this to you.

Nico: All we can do now is wait.

Me: To quote Big Mac, Eeyup!

We laughed.

We got to waiting.

Then I noticed a glow and saw my Eternal Phoenix Wonder Ride Book glowing.

Me: My Eternal Phoenix Wonder Ride book is reacting to something.

Eli: What could that mean?

Me: I think Another creation of Swartz is close.

Nico: Hmm.

Lara Laramie: Those Another riders and creations of Swartz are really something. But I did see a phoenix fly in and chase a bunch of Tauros rustlers away and the cops got them.

Nico: Whoa! That's cool that a phoenix is here.

Me: That Phoenix might be Another one of Swartz's work.

Lara Laramie: And I did see a Kangaskhan on my ranch too.

Me: Kangaskhan. That's out of the ordinary.

Lara Laramie: It sure is.

Nico: Let's get ready

We nodded.

We got ready.

Me: Boy things have been awesome so far.

Camie: I have this feeling that the mission we're going to have today will be a big one.

Lola: Me too.

Nico: I've decided that today, we're going after one of the big enemies of one of the core 310. But at the same time, it won't be a big mission.

Me: I have a feeling this one will be a good one.

Qin: Yep.

Camie: This will be awesome.

Xenia: It sure will.

Optimus Prime: Lets hope it won't give us too much of a hard time.

Nico: But you all still have to follow my orders. So, are there any unscheduled field trips you guys have planned behind my back?

May: Okay, this is starting to get personal. Maria, wanna get ready for when Dario shows up?

Maria: Yeah sure.

Me: Nico no I don't have anything planned of the sort.

Nico: Good.

Me: Besides if something comes up I will let you know.

Nico: Okay.

I knew that Nico was getting tense about something.

Me: Nico you seem upset about something. Tell me is there something bothering you?

Nico: What makes you say that?

Me: The way you have that tone in your voice shows that someone is disobeying orders from you and is doing stuff behind your back. Is someone among us doing extracurricular activities without your permission that's not with us on your rescue?

Nico: Well when you put it that way, I think something is going on with Double D.

Eddy: What's Sockhead doing?

Nico: I don't know. He looked really tired for some reason.

Me: Hmm. We'll have to look into that later.

We saw a dust cloud approaching.

Eli: Look there.

May: Something is coming at incredible speed.

Maria: Here he comes!

Me: Oh boy. Stand ready!

We stood ready and then coming in on a Dodrio was DARIO!

Dario: Well well well. Looky what we got here!

Me: Dario. Still haven't learned your lesson I see.

Nico: But how've you been? Haven't talked to you in a while.

Dario: I've been ROTTING IN A BOX BECAUSE OF HIM!

He pointed to me!

Me: Oh you are still bent out of shape because I sent your cheating ass to prison for hurting Lara and trying to make her ranch yours.

Dario: THIS RANCH IS MINE!

Me: It is NEVER Yours!

Lola: Yeah so make like a rocket a take off!

Nico: To be honest, I completely forgot about how we punished you.

Me: I beat him in a race.

FLASHBACK - ENDING OF CHAPTER 703

The next day I was challenged to a race by a Dodrio trainer named Dario and he was way ahead of me. He was a total jerk and wants nothing more than to see my friend Lara Laramie lose a race. But my Rapidash was much faster than he thought. It was a really close and then I crossed the finish line 1st!

Me: Way to go Rapidash!

Rapidash won and I left Dario in the dust. We stopped and everyone cheered wildly.

Dario: You cheater!

Me: You're the one who cheats you freak and you are nothing but a sore loser.

Dario: I'll kill you for this!

I fired a shockwave blast at Dario and it sent him crashing into a tree and Rapidash bucked and kicked the Dodrio high into the air and I threw a pokeball and caught it.

I walked over to Dario and grabbed him by the shirt.

Me: (Cowboy Voice) Looks like you're headed for the last roundup my friend.

I threw Dario in jail for attempted murder and assault and battery. He was sentenced to life in prison without the possibility of parole for 50 years.

But I wasn't the only one having a race.

Stacy and Rachel were having a swim race in our swimming pool. Rachel of the Animorphs was a shark and Stacy was in her Street Shark form. They were neck and neck and in the end Stacy won.

Rachel (Animorphs) and Stacy just reverted back to human.

Stacy: Nice race, Rachel!

Rachel (smiles): Thanks, Stacy! (stomach growls) Why am I suddenly getting a craving for fish?

Stacy: (Laughs) That's what happens when you revert back. Lets go get some grub.

It was a good day.

FLASHBACK ENDS

Nico: Oh right! That helps!

Maria: Your Dodrio deserves better!

Me: That's right! And I already have his previous Dodrio so he must've been busted out of prison and got another one.

Dario: That's right! And now I'm going to make sure you suffer for everything you did to me!

Qin: You brought that all on yourself!

Camie: Yeah!

Me: This time it will end badly for you!

Maria: This Dodrio still deserves better!

?: I AGREE THERE!

A phoenix cry was heard.

Me: Whoa! Entrance time already?

We then saw a fiery phoenix fly over us and then it flew in and grabbed Dario and threw him into a rock and knocked him out. Eli caught his Dodrio.

Me: Whoa! What a magnificent phoenix!

Lara Laramie: That's the phoenix I told y'all about.

Sunset Shimmer: She is beautiful.

Lola: Wow!

May: None of us did that, right?

Me: Nope.

Phoenix: (In a girls voice) That was me.

Me: Wait that voice.

The phoenix was enveloped in a swirl of fire and then it reverted back into a sailor soldier. She had orange hair and orange and red clothes and had fire angel wings and had a Falchion Sword and Eternal Phoenix Wonder Ride Book.

Me: (GASP) Ashleigh Falchion A.K.A. Sailor Falchion!

Sailor Falchion: That's right.

Nico: Whoa! So Kamen Rider Falchion has a sailor soldier?

Me: Not quite. But she was from the planet Falchion. I should explain. Ashleigh was Ashleigh is from the Hot Jupiter planet

Falchion in the galaxy Centaurus A, and it was right in orbit around a Red Dwarf Star. But unlike all Hot Jupiter Planets, her home planet is just right for life to spring forth. Also she is a member of an angel race with fire angel wings called The Falchionians and they are a peaceful race that protect the reaches of the galaxy and the universe from harm. But Ashleigh's planet was dying and like the planet Krypton with Superman, her mom and dad sent her to Earth just as the planet exploded. Now on Earth she was made an angel and defender of the people as well as a good friend to me and she knows all about fire and the power of the immortal phoenix. Also she is my partner in history and science class.

Everyone was amazed but shocked that her entire planet was destroyed.

Maria: Oh man!

Eli: That is awful.

Me: Yeah. Just like Kal lost his kind when the planet was made unstable.

Nico: I truly am sorry.

Sailor Falchion: It's not your fault Nico. It was because of one of my people that lead to it. His name was General Fodo and he was trying to lead a coup to overthrow my planets leaders and try to save our race. But it failed thanks to the power my mother had. I inherited my power from her. We banished Fodo and his followers to another dimension for all eternity and they died there. I was sent here to make my people part of Earth.

Me: That's amazing.

Nico: Wow.

Camie: Yeah.

Sailor Falchion: Fodo got what he deserved.

Nico: And I'm glad he did.

Eli: Same here.

Me: How did the planet explode?

Sailor Falchion: I never told you this J.D. But when Fodo was being banished to another dimension, he installed a powerful bomb on the planet's core that destroyed the entire planet from within. Foreseeing this horrible deed that was coming, my father sent me to Earth for my own safety as a baby. He had my mother go with too. But I can't find her anywhere. After the planet exploded it sent my mother's ship off course to another galaxy.

Me: Oh man. So he got the last laugh.

Eli: If he couldn't have Falchion no one could.

Sailor Falchion: Yeah.

Me: We'll find your mother Ashleigh. Your people did nothing to deserve this terrible fate.

Nico: We sure will.

Maria: None of your people deserved this.

Me: No kidding.

Nico: Yeah.

Laney: What happened was horrible.

Me: It sure was.

Xenia: No kidding.

Me: But we'll do everything we can to find your mother.

Lola: Yeah.

Sailor Falchion: Thanks guys. And by the way, there's another version of her that is coming.

She pointed to Evil-Lyn.

Evil-Lyn: Another me? Wow!

Me: Friendly or hostile?

Sailor Falchion: Friendly.

Me: Good. Sorry we have to fight like this Ashleigh.

Sailor Falchion: You are not going to be fighting me at all. This Another Eternal Phoenix Wonder Ride Book that I got was one that I stole from Swartz when he wasn't looking. It's a prototype he finished. There are others like it.

Me: I have a feeling we'll meet them soon.

Nico: So, you're able to resist its' power?

Sailor Falchion: No. I made it's power part of me and merged it with the strength of my will and made it one with me. I now have the power to turn into a phoenix as a result as you have seen.

Nico: That is incredible.

Sailor Falchion: Yes. I purified it with my light from my heart.

Me: Wow.

Eli: Incredible. I sense no dark energy inside you at all. Swartz had no idea that his own creation would turn against him like this.

Sailor Falchion: I know. But I'm afraid the others are not so fortunate.

Me: I have a feeling they are the Another Wonder Ride Books for the main Riders of Saber.

Touma: Yeah this will be interesting.

Sailor Falchion: Indeed.

She came over to us.

Sailor Falchion: But I will gladly help you guys from this moment on.

Me: You have always been a great friend Ashleigh.

Sailor Falchion: Thank you J.D.

Nico: (In his head) And soon to be something more. (Out loud) Now, all that's left is Another Evil Lyn.

Me: Yep.

Qin: Here we go.

Lola: Here she comes!

We saw a figure come out and it was a dark version of Evil Lyn! It was ANOTHER EVIL-LYN!

Me: WHOA!

Nico: Another Evil-Lyn!

Camie: Wow!

Me: This one is gonna be interesting.

Another Evil-Lyn: (In a girls voice) I agree J.D.

Me: (GASP) I know that voice. Bluefire? Is that you?

Another Evil-Lyn: That's right.

Nico: Wait are you from Tamaran?

Another Evil-Lyn: That's right. I was born on the planet Tamaran.

Me: Bluefire has blue eyes and blue hair instead of red hair and green eyes and her power is equal to that of Blackfire.

Eli: That is so cool that one of the Another M.O.E. Villains is from Tamaran.

Qin: It sure is.

Another Evil Lyn: Yeah it sure is cool. Also I heard you guys had a wedding for Beast Boy and Terra on Tamaran.

Me: We sure did. First ever interstellar wedding for us.

Lola: That was really cool.

Qin: And the view of the moons of Tamaran from the surface was amazing.

Lana: Yeah it sure was.

Kaito: (gets out Jetman gear) Did Swartz promise you anything?

Zocks: (Gets out Zyuranger gear) Because we can grant it instead.

Another Evil Lyn: No he didn't. I just got stuck with this Ridewatch in me and I flew off before he could say anything.

Me: Whoa you sure were in a hurry.

Luz: Boy no kidding.

Another Evil Lyn: Yeah.

Me: But we are more than happy to make Earth your home too.

Another Evil Lyn: I am glad for that. Just get this Ridewatch out of me.

Me: Consider it done. Sorry we have to fight like this.

Nico: Lets dance!

I fired waves of energy and blasted down Another Evil Lyn.

Kaito got a Jetman Sword and Zocks got a Mighty Morphin Sword!

Sougo: (gets out Jetman Ridewatch) Nico, there's no way Double D is going behind your back.

Geiz: (gets out Zyuranger Ridewatch) Unless you remember that he ran off after Argit on his own in 2019 and ended up making an alliance with Rojo.

Sougo got RedHawkArmor while Geiz got MightyMorphinRedArmor.

Nico: I do remember that. But the poor guy hasn't been sleeping good. He has been awake for over 7 whole days and I don't know why.

Me: Weird. Double D said he was working on a really cool project.

Lincoln: Yeah Linka said he was working on a huge bridge made entirely out of boxes and boxes of toothpicks.

Nico: That explains why we have no toothpicks anywhere. But that is cool that he wants to do that.

Me: That is one of the most time consuming projects ever.

Another Evil Lyn: I hope Double D gets better.

Me: He will. He just needs a lot of sleep.

Eddy: Boy the last time sockhead tried that was back when I did my Ed Sea Ranch scam. Flooded the entire cul-de-sac by accident.

Me: Oops.

Eddy: I was too ignorant to see how sleepy and tired he was.

Nico: No kidding there.

Lola: Boy he really wore himself out.

Nico: (Gets out Evil Lyn's Ridewatch) It's magic time!

He activated it and got Evil-Lyn's staff and fired a blast of magic and smashed her down!

Nico: OH YEAH!

Me: YEAH!

Nico: Now for this too. (ACTIVATES MOUTH OF SAURON'S RIDEWATCH)

He fired waves of energy and darkness and smashed her down.

Qin: OH YEAH!

May: (gets out Thunderbird's Ridewatch) Feel the Thunder!

She activated it and fired a wave of lightning and electrocuted Another Evil Lyn.

Xenia: YEAH!

May: Now for this one. Experience the history of Egypt! (ACTIVATES PHARAOH'S RIDEWATCH)

She fired waves of Egyptian Symbols and smashed her down!

Qin: YEAH!

Maria: That was great May! Now for this one! (ACTIVATES DRAGONEEL'S RIDEWATCH)

She fired a waves of water and it formed into a Dragoneel and smashed her down.

Qin: YEAH!

Me: Oh yeah!

Maria: And now for this! (ACTIVATES DARK ANGEL'S RIDEWATCH)

She spread dark angel wings and fired waves of darkness and smashed her down!

Nico: AWESOME!

Xenia: That was awesome!

Then Arbormon and his team consisting of Bushroot, Monster Tree Stump, RTN Kisame Hoshigaki, Pitcher Plant Monster and Timberius came out.

Nico: Nice team, Arbormon!

Arbormon: Thanks Nico.

Me: I remember the Pitcher Plant Monster.

Qin: And is that a monster tree stump?

Lola: Whoa!

Bushroot: I know.

Yugito: Lets do it! (ACTIVATES MOUTH OF SAURON'S RIDEWATCH)

She fired waves of blue fire and it formed into mouths of Sauron and smashed down Another Evil-Lyn.

Nico: Let's keep it up!

Me: The Next Gene-slammer should be close!

Then a Kangaskhan came!

Me: WHOA! A Kangaskhan!

Nico: Cool!

Kangaskhan: (In a girls voice) We got this one.

Little Kangaskhan: (In a little girls voice) Yeah we sure do.

Nico: Kayla and Haylia!

Kangaskhan: Awesome to see you again Nico.

Little Kangaskhan: Same here!

Nico: You too girls.

Kangaskhan: We got this.

They fired a blast of energy and smashed down Another Evil Lyn and I caught the ridewatch and purified it and I went over to Bluefire and she was a girl with blue hair and blue eyes and had purple

Tamaranean Clothes on like Starfire and I picked her up.

Bluefire: (GROANS) That hurt bad. I feel like I was smashed by a Gordanian Ship.

Me: You're back to normal now.

I brought her over.

May: Nico? Did you do… things with this one?!

Nico: (GULP) No I uh…

Kangaskhan: No he didn't. This is my daughter that I had when I was in high school. Nico saved me and Haylia from a pit of quicksand in Vietnam.

May: Oh. Good.

Me: Wow that is amazing.

Eli: It sure is. Thank goodness you're okay.

Kangaskhan: Yeah we sure are.

Yugito Nii: I think it's obvious what your favorite memory is of Nico.

Nico: Yep.

Me: We just heard it. Lets get you 2 back to normal.

Kangaskhan: We are in our swimsuits unfortunately.

Me: Well that's better than nothing.

I snapped my fingers.

Nico: I got jumpsuits for you both.

They were reverting back.

The jumpsuits were orange.

They were back to normal and the Fashion Brigade put their orange jumpsuits on.

Maria: You two okay?

Kayla Khan: (Groans) Yeah.

Haylia was crying.

Haylia: (CRYING) MOMMY THAT HURT!

Kayla Khan: I know I know.

She comforted her.

Me: Sorry about that. I should have warned you first that it was going to hurt.

Kayla Khan: It's okay.

Nico hugged them both.

Nico: I missed you guys.

Kayla Khan: We missed you too Nico.

Me: Lets get you guys home. It's cold.

We did so.

And we're going to destroy the final villain waiting for us: Garlic Jr.

Lincoln: Wow, we're back in Los Angeles for Day 5, the final day of The Los Angeles treasure hunt, and I know what we're going to do here, not only am I going to rescue the four girls here, but TLPS Ms. Tarantula is going to get a powerful treasure there: a powerful greatsword known as The Inferno Firestorm Spider Greatsword of Arachne.

TLPS Mr. Wolf: And we're going to destroy the final villain waiting for us: Garlic Jr.

Sherlock Hound: (British Accent) And since he's here, he's used The Black Water to turn people into his mindless minions, but there's one way to cure that. Max, if you would?

Max Goof: On it.

Max Goof snapped his fingers and he summoned beautiful white marble fountains with angels around the fountains and angelic faces carved into the bases and placed them on the roofs of the buildings in the city. Then, he snapped his fingers again, and that caused the fountains to shoot massive jets of water into the air, and it transformed into pure rain and it rained down on those who fell under the control of The Black Water and they were freed.

Nico: Whoa, what was that?

Sherlock Hound: (British Accent) A secret weapon that I asked Max to create: The Fountains of The Archangels, the water inside the fountains is pure sanctified holy water, and it's so powerful, it can remove a dark influence that's possessed someone and destroy the dark influence.

Max Goof: But, not the source which is Garlic Jr., so that'll be up to us to destroy him.

Lincoln: That was an awesome plan you guys created, and thanks to your Fountains of Heaven, the people of Los Angeles are freed from The Black Water, but we still got to deal with Garlic Jr., and I want to thank you and your team for joining us, Ax.

Ax: You're welcome, Lincoln.

We arrived at an orange-colored shrine with spider statues, and we entered the shrine, and we saw a powerful greatsword with light shining down on it: The Inferno Firestorm Spider Greatsword of Arachne, a massive greatsword with embedded orange gems on the 7'0" massive, wide, double-edged blade, large tarantula heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, and four large tarantula heads for the pommel.

TLPS Ms. Tarantula: Wow, so that's The Inferno Firestorm Spider Greatsword of Arachne, awesome.

Suddenly, we saw White Aura Whale appear before us, and with it are the four girls.

Nico: Whoa, that's White Aura Whale.

White Aura Whale: (Girl's voice) That's right, and I got the four girls away from Garlic Jr., and that was a nice job in using those heavenly fountains to free the people from The Black Water.

Lincoln: (Gasps) That voice, Maya Beckett, I knew it was you, it's awesome to see you again, but we'll talk later. Let's go hunt down Garlic Jr. and bring an end to this treasure hunt adventure.

TLPS Ms. Tarantula went up and grabbed The Inferno Firestorm

Spider Greatsword of Arachne, then we left the shrine to hunt down Garlic Jr., and thanks to Sherlock Hound and Max Goof's plan, all of Los Angeles' citizens were freed from The Black Water and are safe in their homes.

TLPS Mr. Wolf: Now, where is that little pipsqueak hiding?

Suddenly, we sensed a massive energy signal heading right for us, and we saw who it was: it was Garlic Jr., and he was really, really mega pissed off.

TLPS Mr. Wolf: Right on time, Garlic Jr., and just in time to witness the final revenge of Marmalade being foiled.

Max Goof: But, just to make it a little more interesting. (Speaking in Ancient Enochian) ARGEDCO

A portal opened up behind Garlic Jr., and out came Labolas, Destroyer of Fates, and it pounced on Garlic Jr. and sent him flying towards us, and then, it joined up with Max Goof, and when Garlic Jr. saw us, he was enraged.

Eli: I had to guess he was going to summon Labolas.

Nicole: He's definitely one of Bayonetta's loyal demons, and he had to deal with Gomorrah when he broke free from his leash.

TLPS Mr. Wolf snapped his fingers and we were on Glaren, so that way, no one would get hurt again by Garlic Jr.

TLPS Ms. Tarantula: I should've known you'd be the last to show up, Garlic Jr., and you're already too late, we purified everyone who got corrupted by your accursed Black Water, and now, you have no place left to hide.

Garlic Jr.: We'll see how long that big fat mouth of yours lasts when I destroy every last one of you!

Suddenly, something within TLPS Ms. Tarantula's mind snapped as memories of Garlic Jr.'s crimes had rushed through her head, and her blue eyes turned neon blue and she was surrounded by a rainbow energy aura with orange and purple flames, webs, and spiders, she unholstered her massive Arachne's Spider Sword of The Fire Tarantula from her back, and as she approached Garlic Jr., she left rainbow energy, orange and purple flames, webs, and spiders with every step.

TLPS Ms. Tarantula: I will never ever forgive you for any of the crimes that you'd committed against the people of Earth, Garlic Jr., your crazed desire for immortality and plan to rule the universe has caused you to cross many lines in the process. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you did in using that accursed Black Water Mist to turn people into your mindless minions… , THAT'S THE STRAW THAT BROKE THIS TARANTULA'S BACK, YOU HEARTLESS, POWER-HUNGRY, EVIL, DERANGED PSYCHOPATH, AND I DON'T CARE IF YOU ARE IMMORTAL, I WILL RIP OUT YOUR BLACK HEART AND EAT IT RIGHT IN FRONT OF YOU!

We gasped at the sheer extent of TLPS Ms. Tarantula's fury: payback and retribution are already coming for Garlic Jr.

Nico: Oh boy, she's snapped, and now, Garlic Jr.'s going to get burned.

TLPS Mr. Wolf: That's even worse than the times I snapped at Dark Chandler and Marius, but when I faced Frieza, that trumped those two previous times, and Ms. Tarantula was known to keep cool under pressure, but the memories of Garlic Jr.'s crimes already got her really mad. STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground as TLPS Ms. Tarantula screamed like a madwoman and she was surrounded by a massive vortex of rainbow energy with orange and purple flames and webs surrounding the vortex, there's a group of tarantulas running around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, TLPS Ms. Tarantula emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

TLPS Ms. Tarantula grew to 7'4" in height, she had the upper body of a goddess, but her lower body remained the same, she has neon blue eyes and a rainbow energy aura with orange and purple flames, webs, and tarantulas surrounding her, she has a tarantula emblazoned on her forehead and Third Eye with orange iris, she has on her Crystal Necklace of The Buddha with orange gems embedded in the gold flame links and purple crystal links and orange tarantula-shaped Element of Harmony and on the bottom of the Element of Harmony is a tarantula with eight orange gems for eyes and holding the Fire and Eternity Kanjis in its legs for the pendant, she has on on large gold metal bands on her biceps and eight legs and she now has nine large orange orbs orbiting around her eight legs, she has on a purple shirt with an orange phoenix and tarantulas on it, purple hoodie, and long white sleeveless trenchcoat with orange and purple flames, webs, and spiders on the coattails and on the back is a tarantula surrounded by orange and purple flames. Suddenly, TLPS Ms. Tarantula felt a sharp pain on her back, and then, her massive orange angel wings with purple tips grew much bigger for her new body, she has on a Ring of The Phoenix with orange gem and embedded heart-shaped gem on her right ring finger and Indigo Lantern Ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, TLPS Ms. Tarantula's massive Arachne's Spider Sword of The Fire Tarantula and The Inferno Firestorm Spider Greatsword of Arachne and all the swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of rainbow energy, orange and purple flames, webs, and tarantulas, and when it emerged, it was transformed into Arachne's Greek Inferno Firestorm Tarantula Greatsword of Fire Tarantula Justice, it's a brand-new massive greatsword with embedded orange and purple gems and The Greek Spider Goddess, Arachne, etched on the 7'0" massive, wide, double-edged orange blade, large orange tarantula heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large tarantula heads with purple gems for eyes and large orange gem on the bottom of the tarantula heads for the pommel, she has on her large gold cuff Bracelets of the Champions of The Universe with green gems on his wrists, gold Belt of Elemental Bravery with gold tarantula head with purple gems for eyes and a orange gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left. There's an orange kanji below the tarantula that said, "Team Loud Phoenix Storm Ms. Tarantula, Hilarious, Sassy, and Sharp-Tongued Member of The Bad Guys Gang, Expert Hacker, Awesome and Hilarious Member of Team Loud Phoenix Storm, Foiler of Professor Marmalade's Schemes, Archenemy of Bonyu, Ender of The Vampire-Lycan War, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Defender of Tarantulas and Warrior of Flames, Emissary of Arachne, and Master of Flames and Tarantulas"

We were amazed by TLPS Ms. Tarantula's Super Angel-Tarantula-Harmony Celestial Eternal Xelnaga transformation, but when Garlic Jr. saw it, he fell into another black rage and he transformed into his Super Makyan form and fired an energy blast at her, but TLPS Ms. Tarantula fired a powerful rainbow energy blast with orange and purple flames, webs, and tarantulas at Garlic Jr. and it exploded with incredible power as it hits him, and it removed The Dark Orb, which Lincoln sent to The Warp, Garlic Jr. got up, but now, he was beyond enraged.

TLPS Ms. Tarantula went after Garlic Jr. who still fired energy blasts at her, but she dodged them all, and she fired powerful blasts of rainbow energy, orange and purple flames, webs, and tarantulas at Garlic Jr., and they exploded with incredible power as they hit him, and she also attacked Garlic Jr. with her massive greatsword, leaving scars and spilling his blood all over the planet.

TLPS Mr. Wolf: Jeez, Ms. Tarantula is really tearing that psychopath to shreds, but his immortality is also helping him recover from his injuries.

Lincoln: She's actually got a plan, TLPS Mr. Wolf. Let's give her a hand and tear that bastard apart and end Marmalade's revenge scheme.

Me: Yeah!

Nico: Let's get him!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf unholstered his massive Fenrir's Nordic Lunar Eternal Full Moon Wolf Greatsword of Lunar Moon Justice from his wider and muscular back and transformed into Super Angel-Wolf-Harmony Celestial Eternal Xelnaga Nordic Midnight Moonlight Firestorm Wolf Moon Angel of Divine Nordic Lunar Wolf Moon Justice and Divine Nordic Wolf Moon Life, the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine

Then, TLPS Ms. Tarantula fired webs and wrapped Garlic Jr. in a web straitjacket, but he broke free in a fit of rage, but that allowed Lincoln to latch onto Garlic Jr. and he turned the tip of one of his eleven white wolf tails into Cell's stinger and he stabbed it into Garlic Jr.'s chest and Lincoln began absorbing him and assimilating his immense powers and abilities, and as soon as Lincoln was done, he changed the stinger back, and an energy card with Garlic Jr.'s soul inside appeared in Lincoln's large left hand and he sent Garlic Jr.'s spirit to The Black Gates forever. We cheered as we holstered our weapons and powered down, and TLPS Ms. Tarantula's new body, clothes, weapons, jewelry, Third Eye, and massive orange angel wings are permanent, and we were also back on Earth, and Labolos vanished.

TLPS Ms. Tarantula: And now, Marmalade's final revenge against us has finally been foiled.

Lincoln: Now, all that's left is Marmalade, and he's bound to come out of hiding sooner or later, now that we've killed Frieza, Semi-Perfect Cell, King Cold, Dr. Wrecker, and Garlic Jr., but there's bound to be no place for him to hide. (To Maya Beckett) And it's so good to see you again, Maya Beckett.

Maya Beckett reverted back to normal, and she was a beautiful girl with long flowing white hair and aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has a whale emblazoned on her forehead, massive and beautiful white angel wings, and a white aura as she reigned in the power of White Aura Whale and she was dressed in an sleeveless aqua blue open vest, sleeveless aqua blue midriff top, aqua blue skirt, aqua blue pants, navy blue knee-high high-heels, and long white sleeveless trenchcoat with ocean waves and whales and on the back is White Aura Whale, and holstered on her back is a White Aura Whale-themed greatsword with White Aura Whale etched on the 7'0" massive, wide, double-edged aqua blue blade, white whale heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large white whale heads with blue gems for eyes and a large aqua blue gem below the white whale heads for the pommel.

Maya Beckett: You too, Lincoln, it's been a long time.

Lincoln went up to Maya Beckett and he hugged her, and Maya Beckett is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maya Beckett: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Maya Beckett, she's my Guardian Angel from Michigan and classmate in Biology, but she's also an expert swimmer and an expert on identifying the different types of marine life and she has knows a lot about the marine ecosystem. She and I would spend time in the ocean learning much about the different marine life that live in the ocean, and we also would do their part to keep the oceans clean of any litter that people carelessly throw into the ocean as it's dangerous to the marine life.

Me: Wow, that's really awesome, you guys are both learning about the marine ecosystem and marine life while cleaning up the trash that people carelessly throw into the ocean.

Lincoln: That's right, and this one time, while observing the marine life, she and I kissed underwater, and she hates Chandler with a burning passion.

Nico: Now, I really hate to find out what he did to earn her wrath.

Maya Beckett: Trust me, you won't like it, and it also concerned Lori, Lynn, and Lola, along with the other White Aura Gene-Slammers. (To Lincoln) And Lincoln, there's something I want to give you, I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Maya, are you absolutely sure about this?

Maya Beckett: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Maya Beckett, and he saw that she's really serious, and he smiled as he walks over to Maya Beckett, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Maya Beckett's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maya Beckett's neck with aqua blue gems on the gold lightning bolts and white crystal links from her merged Crystal Necklaces of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Maya Beckett: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maya.

Maya Beckett had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Sapphire White, Helena Evangelin, Charotte Syphon, and Jasmin Willoung from Ginga Fukei Densetsu Sapphire.

Lincoln: Oh wow, it's Sapphire White, Helena Evangelin, Charotte Syphon, and Jasmin Willoung from Ginga Fukei Densetsu Sapphire.

Nicole: Awesome.

Lincoln: Are you girls okay?

Sapphire White: Yes, we're okay, thanks to you.

Then, when Sapphire White and the other three girls saw who it was that saved them from Garlic Jr., their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Sapphire White: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Sapphire White: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sapphire White, Helena Evangelin, Charotte Syphon, and Jasmin Willoung with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we told them that TLPS Ms. Tarantula had gotten The Inferno Firestorm Spider Greatsword of Arachne, and they were shocked when they found out the villain we went after was Garlic Jr., the last of the villains brought back by Professor Marmalade.

But, when Lincoln showed what happened such as TLPS Ms. Tarantula transforming into her Super Angel-Tarantula-Harmony Celestial Eternal Xelnaga form and she and all of us laying a brutal beatdown on him and Lincoln finishing him off by using Cell's absorption technique on him and then sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Maya Beckett have a lot of catching up to do, now that she's back in town.

Maria: Finally, we're rid of Frieza, Semi-Perfect Cell, King Cold, Dr. Wrecker, and Garlic Jr. once and for all.

Lincoln: Yep.

Then, Poromon turned on the TV, and Diane Foxington was on the news with Katherine Mulligan.

Katherine Mulligan: Good morning, Gotham Royal York, I'm here with Los Angeles Governor Diane Foxington, and she has some huge news to tell us.

Diane Foxington: Thank you, Katherine. Now, as you all know, Professor Marmalade, the fraudulent professor now turned criminal, had broken out of prison, and with five Dark Orbs in his possession, he'd resurrected four of The Z-Fighters' most dangerous enemies, Frieza, Semi-Perfect Cell, King Cold, and Garlic Jr., along with Elmore's residential villain, Dr. Wrecker, and he put them under his control, and he ordered them to cause havoc in Los Angeles. But, thanks to Team Loud Phoenix Storm, Frieza, Semi-Perfect Cell, King Cold, Dr. Wrecker, and Garlic Jr. have been destroyed forever and were given The Black Gates, and Marmalade, if you're still hiding in the shadows, just know we're coming for you, and you will be brought back to justice for all of your crimes!

We cheered wildly at the news, and so did the entire world: Marmalade's revenge has been foiled and now, he has nowhere left to run. With Frieza, Semi-Perfect Cell, King Cold, Dr. Wrecker, and Garlic Jr. destroyed forever and were given The Black Gates, he was now beyond enraged, and now, he wants blood. Fat chance of that happening, you pouchy-faced rat!

* * *

After finally getting rid of Garlic Jr. and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maya Beckett saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maya Beckett: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maya, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maya Beckett: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Maya Beckett: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Maya, what's the reason on why you hate Chandler with a burning passion?

Maya Beckett: You're not going to like it one bit. One day, as Lincoln and I were underwater, we were doing an observation of some of the sea life there in Manistique Lake, and we were also joined by Hannah Knightley, Eliana Robinson, and Naomi McKenzie. But, then, we saw a collection of trash, empty protein bars and protein powder jars, empty glitter jars, and garbage being callously dumped into the ocean, and we rushed in and cleaned it all up. We got out of the water to see who it was that did this: it was Chandler, along with Lori, Lynn, and Lola, who were callously dumping trash, empty protein bars and protein powder jars, empty glitter jars, and garbage into the lake and they were all laughing cruelly at us. I'd had enough of Chandler, and Hannah also had it with Lori, Eliana had it with Lynn, and Naomi had it with Lola, and the same went with Lincoln, we fired blasts of water at them, and they absolutely lost it big time and threatened to kill us, but before they could attack me, Lincoln grabbed Lola by her dress and glared at her, which caused her to get scared, and he punched Chandler hard in the face, and he did the same to Lori and Lynn. I was really stunned with awe at how quick Lincoln was to save me and I was blushing madly at how dominant he was when he punched Chandler hard, glared at Lola, and pummeled Lori and Lynn. After I recovered from the display from Lincoln, we tied Chandler, Lori, Lynn, and Lola up with neon energy ropes Lincoln fired from his massive white angel wings, and he called his parents, who came to Manistique Lake. Lincoln told everyone of what Chandler did, along with Lori, Lynn, and Lola, and they were extremely furious at their three daughter, in the end, Lori, Lynn, and Lola got their butts grounded for fifteen weeks, and they had to spend all that time in cleaning up all of the trash they and Chandler, who also got grounded for nine months, callously dumped into Manistique Lake. And I also kissed Lincoln and he returned it, and Chandler watched in anger, and Hannah, Eliana, and Naomi kissed Lincoln, and Lori, Lynn, and Lola watched in anger.

We cheered.

Eli: Wow, you guys really saved all that marine life and the oceans from Chandler's heartless act.

Nico: Yeah, you guys made Manistique Lake safer, and when you and Lincoln kissed and right in front of Chandler, I can guess he was pissed off big time.

Me: You bet he was, and he swore revenge, but I made sure that prick, along with Lori, Lynn, and Lola didn't do anything else to Lincoln or his Guardian Angels, or they were going to be in a ton of trouble even worse than they were in at that time.

Lincoln: What Chandler did proved his Dark Side was nothing but garbage, and Lori, Lynn, and Lola had the nerve to ally with him again. Lola was lucky I glared at her, but Lori and Lynn were extremely violent, so I fought back to defend my Guardian Angels and myself.

Nico: He had it coming, and I hope Lori, Lynn, and Lola learned their lesson.

We got a shower afterwards, and then, Clyde, Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note are heading to Gelato Beach.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", and extremely muscular man was dressed in large blue swim trunks with the phoenix and a clock surrounded by stars on them and silver flames coming off the swim trunks, blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note each had feelings for Clyde and Clyde also had those same feelings, and Clyde saved them from an attack by Flip who busted out to kill them for another time to get revenge, but Clyde saved them and he gave Flip another beatdown and chained him up again.

Babs Seed: Whoa, so this is Gelato Beach, awesome.

Clyde: Yeah, and it's perfect for our first date, Babs. Shall we?

Clyde, Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells Clyde summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note and they hugged the girls in their abnormally massive and powerful muscular arms and Babs Seed, Zipporwhill, Lily Longsocks, Libby Stein-Torres, Sailor Mars, Kusu, Vados, and Note placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: (Snickers) Looks like someone had a good time at Gelato Beach, eh, Clyde?

Clyde: (In Heaven) It was awesome!

Sailor Jupiter: And it's so awesome that you're now part of Clyde's harem, Rei.

Sailor Mars: Thanks. Plus, it makes sense since some of us joined Lincoln's harem and it makes a lot of sense that some of us have joined Clyde's harem. Plus, he saved all of us from Flip.

Clyde: He really caused enough trouble already, but he doesn't know when to quit.

Lincoln: Don't worry, Clyde, you know we'll just kick his three-cheeked butt again if he dares to break out again.

---

Later we were over at another awesome farm and it was Liam's farm.

Undine: From one farm to another, huh?

Me: So awesome.

Applejack: Yeehaw! Love a good farm.

Qin: Yep.

Camie: So awesome doing some farm work.

Yakumo: Horsea, when the Seadra appears, will you speak to it in your native language?

Horsea: I sure will!

Me: Seadra may be Horsea's evolved form but I think it will be cool.

Horsea: Yeah it sure will.

Lola: Yep.

In the chicken coop was an egg and then..

CRACKING!

POP!

Chick: PEEP PEEP!

It hatched and out came a baby chick.

Rippersnapper: Look. A baby chick.

Sam S.L.: Oh it's so cute.

Poromon: It sure is.

Poliwag: Oh it sure is cute.

Sludge: Me Sludge think baby liking mascots already

Me: Oh that is so cute.

Fluttershy: It sure is.

Fluttershy picked it up.

Fluttershy: Now little one the mascots are not your family. You belong here with the rest of the chickens.

The chick agreed and peeped.

Fluttershy: Oh he said he understood.

Poromon: Aww!

Me: Never underestimate the power of Fluttershy's awesome animal love and powerful care for animals.

Lincoln: Yeah.

Poromon: Thanks Fluttershy.

Fluttershy: Oh you're welcome Poromon.

Me: You guys should have seen Sam and Luna here on Liam's farm a while back. It was awesome.

Luna: Yeah me and Sam have different likes and things we don't.

Me: They do say that opposites attract.

Luna: That's right dudes.

Sam S.L.: That's true. (Clucks)

The chickens all came to her and she got all their eggs.

Fluttershy: Wow. Sam is quite the communicator of chickens.

Me: She sure is.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

We laughed.

Varie: Oh Ed you silly guy.

Eddy: That's Lumpy for you.

Then the ducks were quacking all over.

Liam: Uh oh. Sounds like there is trouble with the ducks.

We went to the duck pond.

Eli: Look there.

We saw a Seadra swimming with the ducks.

Me: Hey there's a Seadra.

May: Cool!

Maria: Wow! It's cool seeing one here.

Seadra: (in a girls voice) And it's awesome to see you all here.

Nico: (GASPS) Silina Odaiba! Wow!

Me: The aspiring Swimsuit model!? Whoa!

Nico: Yeah.

Horsea: Horsea. Sea. Sea.

Seadra: Yes I understand you Horsea. You wanted to know if I can understand you and yes I do.

Horsea: Cool!

Qin: That is awesome.

Nico: Yep.

May: What's your favorite memory of Nico?

Seadra: My favorite is when I was putting on a purple swimsuit and Nico and me modeled for it.

Nico: It was an awesome photoshoot.

Xenia: That is cool.

Me: Yeah it sure is! Ready to be changed back?

Seadra: I sure am but I'm naked.

Nico: Oh boy.

I put on my blind man glasses.

Nico: Here's a jumpsuit.

It was aqua blue.

Seadra: Thanks.

I snapped my fingers and she reverted back.

We covered our eyes and she was back to normal and she put on the jumpsuit and got up. She was a girl with aqua blue hair and blue eyes.

Nico helped her. He hugged her.

Nico: really missed you.

Silina: Me too Nico. Me too.

We later went back to the estate.

---

We arrived.

Ravager: Nico, which teams have you made this time?

Nico: Sheila's team will include Meilin, Selene Long, Nunnally, Nami, and Brock. Mizore's team will include Shazam, Andrea San Juan, Nico Robin, Boa Hancock, and Monet.

Me: Cool!

Qin: Looks like Nami and some of the Straw Hat Pirates are gonna have a shot.

Xenia: They sure are.

Boa Hancock: You got that right! This is gonna be awesome.

Camie: Yeah!

Then the Previous group came.

Professor XXXL: Can me, Mumbo Jumbo, Skulker, Patty and Selma, Golden Glider, Grizzly, Zzzax, Toad, BlackWarGreymon, and Salami Swami go with you guys?

Bird Brain: Me, Sheep Mage, Live Action Bonecrusher, Mr. Fibb and Mr. Wink, Pink Ranger Slayer, Bird Brain, Grizzaka, Dragon Jellyfish, Evil Yamato Man, Heatstroke, and Stacey can come too.

Selma: And is Double D feeling alright?

Nico: In order yes you guys can come with. And Double D has been acting really strange lately these last few days.

Me: But he is on the sofa sleeping.

He was snoring.

Linka: He needs some really well deserved sleep. He was working tirelessly around the clock on that.

We saw that he built a huge 6 foot tall replica of the Brooklyn Bridge made of toothpicks.

Nico: Wow look at that.

Me: He sure was busy.

Eli: Wow he really did a great job on that.

I took a picture of it with my phone and posted it on Social Media.

Xenia: That must've taken a long time.

Linka: He worked for 418 hours, 21 minutes and 32 seconds he said.

Me: Thats almost 18 days!

Qin: Whoa!

Nico: No wonder he is so tired.

Mumbo Jumbo: That took a lot of hard work.

Eddy: No wonder sockhead is so tired.

Mumbo: Nico, which Gene Slammers do you think you'll meet next?

Mr. Fibb: Since tomorrow is Vinyl's mission, he'll probably meet 3.

Nico: Yep. I'm hoping to meet Seaking, Starmie and Mr. Mime next.

Qin: Cool!

Me: Those are gonna be awesome. So Seaking and Starmie on your rescue and Mr. Mime on Vinyl Scratch's first mission.

Nico: Yep.

Qin: Awesome.

Me: This is gonna be awesome.

Snaptrap: I think an additional factor is causing Double D's sleep problems.

Sheep Mage: You think he's sleepwalking?

Ed: Nah. That's usually my problem.

Eddy: You always sleepwalk and eat everything in sight lumpy.

Nico: What makes you two say that?

Snaptrap and Sheep Mage shrugged.

Me: Hmm. I sense some really unusual psychic energy around him.

Eli: I feel it too bro.

Nico: What do you think it is?

Azula: Nico, I know for a fact that we're going after Magnacat today.

We gasped!

Nico: How'd you know?!

Azula: Yesterday, Zick and his friends were one of main focuses of the big mission.

Me: (FACEPALMS) I had a feeling that was coming. Also I knew it was only a matter of time for Magnacat made his move.

Zick: Yeah now we can destroy that monster for good.

Lola: Yep.

Camie: Who is Magnacat?

Me: The most evil monster ever.

I went over his history.

* * *

Magnacat is president of Pyramid Inc., a kitchen appliance store, but he is also an extremely powerful Gorka. Magnacat's powers include shape-shifting, hypnosis, mind-control, flight and various dangerous magical spells. When in human form Magnacat has blond hair and wears a green business suit. He is the main antagonist of the first season of the animated series. His goal was to create an army of Androgorkas, and capture the Tutors to control the prisoner monsters to get his revenge on Bibbur-Si, from which he was exiled long ago. Magnacat ended up being eaten by the Dark Phantom, Captain Bristlebeard. Magnacat survived being eaten and escapes albeit as an ooze. In his weakened state he was confined to a capsule to regain his body and strength. In the show before the series starts, he defeated Zob, Zick's father, and Terrence, another tamer. He shrunk Zob while turning Terrence into stone. He fought the Tamers various times making several attempts to take down Bibbur-Si and gain control of the Tamers but failed each time. Due to suffering numerous losses in fighting the Tamers, his company went into bankruptcy. As a last resort, Magnacat ordered Viziosed to get the Horn of Kong to summon the Monster-Saur. His control over the monster was not complete, however, and he formed a loose alliance with the Tamers to stop it. After a short skirmish in the beast's stomach, Zick and Elena escaped, trapping Magnacat and Viziosed inside. The Monster-Saur was defeated and put into a Dombox while they were still inside. Being in one Dombox together, Magnacat began to devour the monster from the inside, absorbing its power.

* * *

When I was done everyone that hadn't heard about it was shocked.

Eli: WHOA!

Camie: So he is a monster that is pure evil!

Me: Yep. And he is also Zick and Elena's most evil archnemesis.

Xenia: Not good!

Mr. Wink: So, that explains the sightings of him attacking Bibbur-Si.

Patty: Say what?!

Mr. Fib: Take a look for yourselves.

He showed us what was going on.

We saw what looked like IRON PATRIOT attacking Bibbur-Si 6 hours ago!

Me: This is Magnacat's handiwork alright!

Qin: That can't be right! He doesn't have an Iron Patriot suit!

Nico: No he sure doesn't.

Hard Man: That doesn't make sense. Double D doesn't have the Iron Patriot armor.

Qin: Didn't I say that?

Hard Man: Sorry.

Eddy: It's true. He doesn't. I checked while cleaning his armors the other day.

Nico: That is too freaky.

Me: One of Magnacat's powers is Mind Control and he also has shapeshifting.

Nico: Hmm. I believe I have an explanation for it.

Me: What is it?

Nico got to thinking.

Zzzax: Wait. Tony, didn't you sell the Iron Patriot Armor before?

Iron Man: I did. And no offense but it's because the American Flag colors weren't my thing. So I sold it.

Dragon Jellyfish: Tony, I don't mean to call you an idiot but you probably sold it to Magnacat when he was disguised!

Nico: Just what I was thinking!

Me: Oh boy.

Qin: Not good.

Me: Tony you could have just given that suit to Captain America. He would have loved to have that with his suit.

Captain America: As much as I love being called Captain America, Iron America does sound good for me.

Flywheels: On other days, Magnacat must be remote controlling the thing!

Zick: He is that smart in technology.

Lola: Yeah.

Nico: And after the War with Voldemort 3 years ago Zick did say that one of the death eaters released all the monsters he captured.

Me: That's right I forgot about that.

Xenia: Crazy.

Nico: Yeah.

Zick: I know what I have to do now. (gets up to leave)

BlackWarGreymon: Zick, where are you going?

Zick: (sighs) Guys, thanks for being good friends since 2020. But Magnacat is my problem. And now, it's up to me to stop him!

Heatstroke: Sorry, Zick. But you're not getting rid of us that easily.

Me: I'll help too Zick.

Qin: We all will.

Nico: Yeah. Magnacat is a monster and he will pay for everything he did.

Jinx: Zick, after Magnacat is dead, maybe we should show everyone the entire monster world.

Zick: Are you crazy?! What if a monster hunting version of the Guys in White are formed?!

Zob: Jinx is right, Zick. Don't you think it's time for monsters to stop hiding? Take Sulley and Mike for example.

Me: I agree. We know monsters are real and Sulley and Mike and their friends are awesome. Many monsters you know are good and we can put them all under our protection.

Eli: I agree there. Besides it's the evil monsters that pose a tremendous threat and those need to be destroyed.

Xenia: I agree too.

Me: That's right. The world needs to know that there are good monsters out there and that evil monsters must be destroyed.

Camie: That is right.

Stacey: Okay, I think it's time for to summon hackup just in case.

Salami Swami: (Hindu Accent) How about the Zyurangers?

Me: Good idea. And this too.

I snapped my fingers and out of a flash of light came the DYNAMAN from 1983!

Nico: Cool! The Dynaman!

Hokuto Dan: Good to see you all again.

Me: Same to you Hokuto.

Rei Tachibana: Looks like it's time for all of us to join the team.

Nico: Yep.

Then we saw Bombo.

Commander Mars: Bombo, what are you doing?!

Bombo: (eating Zick's shoes) Bombo deserves last meal before going against Magnacat!

Zick: Really, Bombo?!

Lynn: Just let him have his meal, Zick. I'll give you new shoes when this is over.

Zick: Thanks Lynn. Okay.

Me: I think that's it. Are we just about ready?

Toad: First, we should call all the Tamers here.

Evil Yamato Man: And all the monsters that are combat capable.

Me: Good idea.

I pressed a button on my computer device on my arm and it called all the tamers and combat monsters. I explained the situation when they got to the estate.

Johanna Thaur: So Magnacat is back?

Me: Yep.

Nico: We're going to destroy him forever.

Bobby Clash: Good. It's time that freak pays.

Wally Machaby: We won't let him get away with this.

Miranda: We also need to keep Double D awake. I have a feeling he'll want to go up against the Iron Patriot Armor

Me: Right. Anyone got some coffee?

Lynn Sr. came back with some.

Me: Double D?

Eddy: Hey wake up sockhead!

Edd: (Groggy) Tired.

I poured the coffee down his throat.

Me: Sleep time is over and action time is now.

He then perked up and he was ready!

Grizzly: Zick, we do have one question to ask while we're getting ready.

Zick: What's that?

Grizzaka: Are the monsters you know elemental?

Zick: Hmm. I don't think I ever thought about that one.

Qin: Yeah that is new.

Lola: But awesome too.

Me: But it would be awesome if we figured that out.

Razorclaw: This time, no one's getting mind controlled.

Me: Our powers will not let that happen.

Golden Glider: Shall we get going?

Pink Ranger Slayer: (to the Dynaman) I know how much you like explosions. So, you guys can add to the entrance.

Hokuto Dan: Right on!

Me: This is gonna be good.

Nico: Good. Are we ready?

Zick: Ready.

Lola: Lets do it!

Bright Man: Entrance time!

Eli: Lets go guys.

Nico: That's rightl

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure is none other than our old enemy, Drake, and that musclebound misogynistic penguin has come back from the dead to get revenge on us. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like this one bit: the dark energy signal we just sensed belongs to our old enemy, Drake, and that musclebound misogynistic penguin has come back from the dead to get revenge on us.

Nico: Not him again, doesn't he know when to quit?!

Me: He sure doesn't. Looks like we need to kick his ass hard again.

Natasha Istrebitellezviy: (Russian Accent) That'll be left to me and Lincoln, comrades.

Lincoln: Yeah, we'll beat that bastard down hard, and make sure he never comes back ever again.

Me: (Snickers) Especially when he finds out that you're now much bigger and stronger than he is.

Nico: Plus, you guys are also going teach him a really big lesson on how to treat women.

Lincoln: And if there's one thing that I can't stand, it's misogynistic men who think they're better than women.

Nicholette Torrington: And I can't forget that the times Lori, Lynn, Lola, Lisa, and Luan mistreated you, they always said, "Girls are better than boys". That's the behavior of misandrist women, and that's of course one thing none of us couldn't stand, and that's what also led to even more severe beatdowns from all of us, and J.D. had seen it for himself, along with Varie.

Nico: J.D., is that true?

Me: Yeah, it is, and what Lori, Lynn, Lola, Lisa, and Luan did by acting like misandrists, that earned them a really brutal beatdown, Nicholette even broke Lori's nose hard when she punched her hard in the face and Scarlet Rosenburg even smashed some of Lynn's teeth out and called her a meathead.

Nico: Jeez, but you girls and Lincoln proved that both men and women are awesome in ever way, and you had to teach Lori, Lynn, Lola, Lisa, and Luan a lesson if they acted like misandrists. Alright, gang, let's go, we got Magnacat to deal with for good.

Lincoln: It's been a long while since we faced off against any of Zick's enemies, but when we get done with Magnacat, we're coming for you, Drake, and you're going to pay for what you've done, you misogynistic meathead!

We were off.

---

Then the spirits of the elements of Meat Magic Swirled around an opening and then converged and then…

WHAT THE FUCK!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

NOOOOO!

A massive fiery explosion went off and a phoenix cry and evil laughter was heard and stars and jewels came out and swirled around it and then we came out.

We arrived in front of Pyramid Inc.

Me: There it is.

Nico: Now what?

Zick: Blow that building to fiery rubble with him in it.

Nico: WHAT!? But there are people in there!

Zick: They are not people. They are monsters.

Nico: In that case, lets do it! FIRE!

We fired incredibly powerful fire energy blasts and they all hit the building and it exploded from the inside and then…

BOOM BOOOM BOOOM BOOOOM!
KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire building exploded into a massive and incredible pillar of fire and then rubble fell onto the city streets all over and then the employees ran out in their monster forms and we blasted them all over and blew them to smithereens and banished them all to the black gates and then out came MAGNACAT!

Magnacat: YOU MISERABLE FOOLS!

Me: Magnacat! So we meet at last. For the last time! Now it's time you reveal yourself!

Then I fired an energy blast and it hit him and he screamed as his true form was revealed and everyone saw it as they gasped in utter shock and disbelief!

Magnacat: (chuckles and gets out remote) Did you forget about my bodyguard? (presses button)

The Iron Patriot armor then landed near Magnacat.

Live Action Bonecrusher: I knew that was lurking around somewhere!

Iron Boy: Skulker, I could use some help against Iron Patriot.

Skulker: I'm glad you asked.

He used his own device and hacked the suit and turned it against Magnacat and it blasted him all over.

Me: You will pay for everything you did!

I fired a blast of energy and blasted his middle third eye out and he roared in pain!

I blasted the remote for the suit out of his claws and I caught it and gave it to Nico.

I teleported and kicked Magnacat in his face.

ENERGY!

Zick fired a blast of red energy and smashed down Magnacat.

Then Blizzard, Scorcher, Larxene, Abomination, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, Roquefort, Neopolitan Man, China White, Megavolt, Lego Bane, Owl (Stellaluna), Space Kook, Bell Org, SHS Carnage, Madame Snake, and Cheese Monster appeared.

Blizzard: You know, Steve, the Iron Patriot Armor would look good on you.

Scorcher: Assuming it doesn't get blown up.

Captain America: I'm glad you think that.

Larxene: I'm sure it won't if we're careful with it.

Nico: I agree.

Abomination: (to Nico) We heard you went. to Lara's farm.

Nico: Yep.

Shade: How was it?

Me: It was awesome and fun.

---

Rygore is an Indian rhinoceros-themed member of the Galactic Ninjas and "The Ninja of Suprise Attacks and Strategy". He was also a contestant on the second season of Galaxy Warriors.

Rygore is voiced by Charlie McDermott who previously voiced Hekatoid from Mystic Force, Blothgaar from Operation Overdrive, Pangolin from Jungle Fury, General Crunch from RPM, Grinataur from Super Samurai, Bigs from Megaforce and Cat O'Clock from Ninja Steel.

He first appeared on the Galaxy Warriors stage with his comrades and took his medallion, telling the audience he is the Ninja of Surprise Attacks and Strategy.

He was seen on the Galaxy Warriors stage when Cosmo Royale introduced Speedwing to the crowd alongside Wolvermean and Venoma.

He goes to earth to fight the rangers, and after several confrontations, he is destroyed by the clone ninja team (12 rangers;

6 real and 6 clones). Specifically, he was knocked around by the clones and five Rangers before being murdered by Lion Fire Red. He gets gigantified by Cosmo Royale but is destroyed by the Ninja Ultrazord before he can use the Mega Fire Cracker Explosion. His medallion is then taken by Madame Odius to power her evil Zord, Foxatron.

---

Brody: Rygore!

Rygore: Been a while rangers.

Me: I remember you! You got brutally overwhelmed by the clone and real rangers and it was enough to power Madame Odius's evil zord Foxatron.

Rygore: That's right.

Me: Yeah.

William: You never did show what would happen if your dice rolled a 1 or a 6.

Rygore: Well, today, you guys get to find out!

Me: Yeah we sure will.

We got the battles underway.

Ripster: We sure did and her name is Maya Beckett and she is a really awesome guardian angel that cares for much of the land and the water and is a great swimmer too.

Rarity: Oh she sure is darlings and she knows how to really clean up the land too.

Sweetie Belle: And her story is cool too.

---

Maya Beckett: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maya, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maya Beckett: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Maya Beckett: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Maya, what's the reason on why you hate Chandler with a burning passion?

Maya Beckett: You're not going to like it one bit. One day, as Lincoln and I were underwater, we were doing an observation of some of the sea life there in Manistique Lake, and we were also joined by Hannah Knightley, Eliana Robinson, and Naomi McKenzie. But, then, we saw a collection of trash, empty protein bars and protein powder jars, empty glitter jars, and garbage being callously dumped into the ocean, and we rushed in and cleaned it all up. We got out of the water to see who it was that did this: it was Chandler, along with Lori, Lynn, and Lola, who were callously dumping trash, empty protein bars and protein powder jars, empty glitter jars, and garbage into the lake and they were all laughing cruelly at us. I'd had enough of Chandler, and Hannah also had it with Lori, Eliana had it with Lynn, and Naomi had it with Lola, and the same went with Lincoln, we fired blasts of water at them, and they absolutely lost it big time and threatened to kill us, but before they could attack me, Lincoln grabbed Lola by her dress and glared at her, which caused her to get scared, and he punched Chandler hard in the face, and he did the same to Lori and Lynn. I was really stunned with awe at how quick Lincoln was to save me and I was blushing madly at how dominant he was when he punched Chandler hard, glared at Lola, and pummeled Lori and Lynn. After I recovered from the display from Lincoln, we tied Chandler, Lori, Lynn, and Lola up with neon energy ropes Lincoln fired from his massive white angel wings, and he called his parents, who came to Manistique Lake. Lincoln told everyone of what Chandler did, along with Lori, Lynn, and Lola, and they were extremely furious at their three daughter, in the end, Lori, Lynn, and Lola got their butts grounded for fifteen weeks, and they had to spend all that time in cleaning up all of the trash they and Chandler, who also got grounded for nine months, callously dumped into Manistique Lake. And I also kissed Lincoln and he returned it, and Chandler watched in anger, and Hannah, Eliana, and Naomi kissed Lincoln, and Lori, Lynn, and Lola watched in anger.

We cheered.

Eli: Wow, you guys really saved all that marine life and the oceans from Chandler's heartless act.

Nico: Yeah, you guys made Manistique Lake safer, and when you and Lincoln kissed and right in front of Chandler, I can guess he was pissed off big time.

Me: You bet he was, and he swore revenge, but I made sure that prick, along with Lori, Lynn, and Lola didn't do anything else to Lincoln or his Guardian Angels, or they were going to be in a ton of trouble even worse than they were in at that time.

Lincoln: What Chandler did proved his Dark Side was nothing but garbage, and Lori, Lynn, and Lola had the nerve to ally with him again. Lola was lucky I glared at her, but Lori and Lynn were extremely violent, so I fought back to defend my Guardian Angels and myself.

Nico: He had it coming, and I hope Lori, Lynn, and Lola learned their lesson.

Nico: You're never going to cause anymore trouble again, you monster. Awesome job, gang, but we're not done yet, there's still the matter of Drake to deal with, and that misogynistic meathead muscle-bound penguin should be arriving… right now!

?: I will make you all pay for ruining my attempts to claim Marina for myself, Team Loud Phoenix Storm!

Me: (Growls) I knew there was no mistaking that voice from anywhere, don't you know when to stay dead, Drake?!

A large muscle-bound penguin came out, and it was none other than our old enemy, Drake.

Hubie: I always knew you wouldn't stay dead for long, even after we put you down years ago, you won't quit.

Drake: You will all pay for what you did, Marina is MINE!

Natasha Istrebitellezviy: (Russian Accent) She will never be yours, and you deserved to pay for what you did with your life.

Suddenly, Natasha Istrebitellezviy's dark blue eyes turned neon dark blue and she was surrounded by a really hot orange energy aura with lava, magma, earth, flames, volcanoes, and Machamps, she unholstered both her Giant Destroyer and Machamp-themed greatsword from her back, and as she approached Drake, she left orange energy, lava, magma, earth, flames, volcanoes, and Machamps with every step.

Natasha Istrebitellezviy: (Russian Accent) You don't deserve to ever be forgiven for any of your vile crimes, Drake, you've bullied Hubie and his friends and you've harassed Marina and tried to take her by force, you've already proven you're nothing but an arrogant bully and a misogynist, and for that, you will die once again, and this time, stay dead.

Suddenly, Natasha Istrebitellezviy was surrounded by a massive vortex of really hot orange energy with lava, magma, earth, and flames surrounding the vortex and volcanoes were erupting and they spewed out tons of lava, there's Machamp flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Natasha Istrebitellezviy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Natasha Istrebitellezviy grew from 6'10" to 7'4" in height, she has the voluptuous muscular body of a goddess along with her massive bust clocking in at 144 inches, she has blue highlights in the bangs of her long orange hair tied in a ponytail, she has neon dark blue eyes and a really hot orange energy aura with lava, magma, earth, flames, volcanoes, and Machamps surrounding her, she has Machamp emblazoned on her forehead and Third Eye with dark blue iris, she has Machamp earrings with orange gems for eyes and the Lava, Blade, Fire, and Eternity Kanjis in its hands, she also has Machamp with orange gems for eyes and the Lava, Blade, Fire, and Eternity Kanjis in its hands on the bottom of her orange Machamp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Natasha Istrebitellezviy has on a blue version of Cattleya's clothes, black knee-high high-heeled boots, and long white sleeveless trenchcoat with lava, magma, earth, flames, and volcanoes on the coattails and on the back is Machamp surrounded by lava and volcanoes. Suddenly, Natasha Istrebitellezviy felt a sharp pain on her back, and then, her massive orange angel wings with blue tips on the feathers grew much bigger for her new body, and she now has eleven massive and long orange wolf tails, she has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Natasha Istebitellezviy's massive Machamp-themed greatsword, Giant Destroyer, and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of orange energy, lava, magma, earth, flames, volcanoes, and Machamps, and when it emerged, it was transformed into Machamp's Volcanic Titan Giant Destroyer Greatsword of Volcanic Lava Justice, it's a brand-new powerful massive greatsword with embedded orange gems and Machamp etched on the 7'0" massive, wide, double-edged blade, large Machamp heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large Machamp heads with blue gems for eyes and a large orange gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with orange gems on her wrists, her Belt of Elemental Bravery with a gold version of Machamp's head with orange gems for the eyes and a large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Natasha Istrebitellezviy has transformed into SUPER ANGEL-MACHAMP-HARMONY CELESTIAL ETERNAL XELNAGA

RUSSIAN VOLCANIC LAVASTORM FIST SWORD MACHAMP ANGEL OF DIVINE RUSSIAN VOLCANIC LAVASTORM FIST SWORD JUSTICE AND DIVINE VOLCANIC LAVSTORM SWORD LOVE!

We had our eyes covered but we were amazed by Natasha Istrebitellezviy's Super Angel-Machamp-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Drake saw it, he went into a black rage and was about to rush at her to kill her, but Natasha Istrebitellezviy fired a powerful orange energy blast with lava, magma, earth, flames, volcanoes, and Machamps at the musclebound penguin, which hits him, and it pushed him back and he also got burned, but this really pissed him off now.

Cattleya: Whoa, Natasha's transformed. (Sees that many of the guys had their eyes covered) Hey, why are the guys…? Oh, now I know why.

Nicole: Yep, if Lincoln catches any perverts looking at your cousin like that, he will brutally pummel them. It's okay, guys, you can look.

We uncovered our eyes.

Nico: Thanks, Nicole. We know what'll happen if Lincoln catches any perverts looking at Natasha like that, but we're not like that.

Lincoln: No, you guys aren't, plus you're going to miss all the action, and Natasha, you look beautiful, how do you feel?

Natasha Istrebitellezviy: (Divine Echoing Cosmic Voice of The Volcanic Fist-Fighting Machamp and Divine Volcanic Sword Fist-Fighting Love) (Russian Accent) **I feel incredible, Linky. Now, shall we get rid of this misogynist meathead once and for all?**

Lincoln: (Smiles) With pleasure, Natasha.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold

Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Natasha Istrebitellezviy.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running loose, Drake, and now, we're going to make sure you never come back.**

Natasha Istrebitellezviy and Lincoln went after Drake, and they fired extremely powerful blasts of rainbow energy, orange energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Drake and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Lincoln and Natasha Istrebitellezviy brutally punched Drake hard in the stomach, and they also slashed at him with their massive greatswords leaving some extremely nasty slash marks on him.

Nico: Whoa, man, that's really brutal!

Me: Sheesh.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Natasha Istrebitellezviy, her hand-cannon Blaster is known as Machamp's Volcanic Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's blue with orange flames on the blaster and with a Phoenix, Angel, and Machamp surrounded by lava etched on the sides, and a blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Natasha Istrebitellezviy aimed their hand-cannon blasters at Drake.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Eat energy blasts, Drake!**

Then, Natasha Istrebitellezviy and Lincoln fired blasts of rainbow energy, orange energy, and elemental forces at Drake and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln ran at Drake and he drove his massive greatsword right into Drake's chest and black heart, and his massive greatsword then sucked out all of Drake's blood, along with Drake's strength, stamina, and his massive muscle mass, and Lincoln absorbed everything from Drake, and when Lincoln was done and removed his massive greatsword from Drake's chest, the musclebound meathead penguin was reduced to a desiccated corpse, and when his spirit appeared, Natasha and Lincoln gave Drake The Black Gates for good. We cheered as Natasha Istrebitellezviy and Lincoln holstered their massive greatswords on their backs and powered down, and Natasha Istrebitellezviy's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Natasha Istrebitellezviy: (Russian Accent) Your days of bullying others and trying to make Marina yours by force are over, Drake. Thank you for helping me destroy that brute for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Natasha.

Suddenly, Natasha Istrebitellezviy wrapped her arms around

Lincoln's wider massive and muscular back, as her massive chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Natasha Istrebitellezviy's face, they kissed passionately as she moved her arms from Lincoln's wider massive and muscular back, and she placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Machamp flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and volcanoes erupting behind them and we cheered wildly. Then, Lincoln and Natasha Istrebitellezviy absorbed the lava and they came back to us as the display and Machamp vanished.

Nico: Guys, that was one awesome battle you fought against Drake, plus, we saw just how skilled Natasha is when it came to using her greatsword, and also using her fists, why didn't you tell us that really strong?

Lincoln: And spoil the surprise?

Me: Okay, now we get that. But, tell us, Lincoln, just how strong is Natasha?

Lincoln: Oh, I've seen plenty of evidence of how strong she is: I've seen her lift five hay bales when we helped Liam at his farm, she even lifted Vanzilla and I helped in changing the tires while Lana was out with her friends, and she's also lifted up Mom's dresser drawer when Mom lost her earrings that Dad gave her on her birthday.

Rita: He's right, I saw Natasha do just that for myself, and I was stunned.

Lori: Plus, that literally made Lynn jealous, and she tried to beat down Natasha, but Lincoln grabbed her by her jersey and he gave her a vicious glare which told her, "If you even dare hurt my Guardian Angel, you're in for the beatdown of your life." He dropped Lynn on her butt, and she ran off as she stomped off to her room like a little child.

Nico: Seriously?! When was Lynn's jealousy going to stop?!

Lincoln: Until that monstrous animal that was in her was out of her and destroyed for good.

Me: That's right. Say, who are we meeting on your rescue tomorrow, Lincoln?

Lincoln: Ooh, right, the mandatory question. Well, to answer, tomorrow, we're meeting Shayla Sigmar.

Phoebe Vandom: Awesome, and Lincoln definitely told all of us of her hatred towards that Killjoy Huggins.

Lincoln: Yep, but everyone's going to hear the full story tomorrow.

Nico: Good idea, that way, we'll get an idea of the hatred she had towards that killjoy.

Zick: It's over, guys. The whole world knows about monsters now.

Dark Laser: But that's not a bad thing.

Demyx: All the good monsters will be under our protection.

Me: That's true.

Roman Goodwin: Plus, Magnacat's gone for good.

Me: Yeah he was the worst of the all.

Ssserpent: I highly doubt that a monster hunting version of the Guys in White will be formed.

Roquefort: But whatever happens next, we'll face together.

Me: That's right. We'll be there to protect them.

Zick: But thanks guys. You saved all monsters everywhere.

Xenia: We saved all monsters everywhere.

Nico: That's for sure. Great job today everyone.

Edd: Thanks guys. Now I'm gonna (Tired) get some sleep. (YAWNS)

Linka caught him and put him on her shoulders.

Linka: Lets get you straight to bed mister.

Ed: Aw he is sawing logs, the little dickens.

Zick: (To the Viewers) This was an awesome adventure and I hope you all loved it.

Me: I know we did.

We went back home and enjoyed the rest of the day. Double D was gonna be so tired.

We later went to sleep.

# DOOGAL - DOG OF ADVENTURE

This is based on the movie Doogal

---

In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw six figure who was hiding out and living in the streets of Shanghai, China. But, it were no ordinary six figure, they were Blossom Bloom, daughter of Lincoln's future wife, Charlotte Grace. Sharp Claws, Dagger Blade's little sister. Marc "Jones" Leopard, The Strong Leopard. Robert "Rob" Leonar De Nimoy, Blossom Bloom's Light Dragon. Silverwing, Sharp Claws' Wolf Dragon, and Dark Rose, Marc "Jones" Leopard's Black Dragon. Lincoln woke up from the dream, but he wasn't the only one, Charlotte Grace, Phyllis the Florauna, Dagger Blade, Frostbyte, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: We sure did, bro.

Charlotte Grace: And not only that, it also means that we found out where my daughter is at.

Phyllis the Florauna: Along with a Intelligent Dragon, A Wolf Dragon, A Black Dragon.

Dagger Blade: A Leopard Boy, and Chicken Girl, who is my sister; Sharp Claws.

Frostbyte: (to Dagger Blade) Your sister is a some kind of chicken?

Dagger Blade: It's a long story, Frosty.

Me: they're at Shanghai, China.

Nico: Oh no, that's not good. It's the same place when we found Radiance and Logan Berrytown, And it is not a safe place for them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Charlotte Grace, Phyllis the Florauna, Dagger Blade, Frostbyte, Me, and Nico were heading to Shanghai, China. Then, Lincoln saw a 12-year-old Human-sized Fairy girl who has slightly fair-skin, cobalt-blue eyes, and waist-length orange-red hair with two lotus flower hairclips. She also has four leaf-like wings on her back allowing her to fly. She wears a white tank top-like garment, green sleeves with black and yellow that end in flowers at the wrists, a traditional tribal skirt with pale yellow, teal and light blue triangular patterns, and white-strapped sandals. A 13-year-old Chicken/Human girl who has light colored skin with white and pink feathers, orange beak, purple eyes with long eyelashes and pink eyelids, long dark blackish purple hair with pink bow, and orange feet with blade-like talons. She wears a pink top with white and purple trimming, white collar and magenta pink sleeves, metal plates with black pants and pink sash, and green & pink leg warmers. A big and tough 14-year-old Leopard/Human boy who has gray fur with black spots, long black hair, and has two eyes; his right was orange leopard eye and left was robotic-like eye. He wears a deep red T-shirt, brown gloves, dark blue pants and brown sash. A scrawny and skinny purplish dragon with yellowish gentle hair, short wings and long tail. He wields a mechanical Bo Staff. A gray tall and slim wolf-like dragon with a wolf mask and silver knight armor. he wields two silver double edge swords. And A black dragon with jade-green eye, long white hair that is kind of spiky, scruffy, and messy and leaf-shaped bangs, black wings with ruby membranes and one curved blade on each of the wing-carpals, a ruby scaley underbelly, and a lengthy tail that ends with a scythe-like blade. She wears a black eye-patch concealing her left eye, black and dark blue unitard, and blue armor along with her metallic knee pads. She also wears orange fingerless gloves on her hands and is equipped with two katanas on her back. She also has an orange utility belt and has some sort of metal wrist cuffs. She has a scar on her left eye. Lincoln saw who they are, they were Blossom Bloom, Sharp Claws, Marc "Jones" Leopard, Robert "Rob" Leonar De Nimoy, Silverwing, and Dark Rose.

Lincoln: Excuse me, are you Blossom Bloom?

Blossom Bloom: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Charlotte Grace came out, and when Blossom Bloom saw her, she was stunned.

Blossom Bloom: Mother, is that you?

Charlotte Grace: Yes, little angel, it's me.

Blossom Bloom ran up to Pinkie Pie, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, Phyllis the Florauna, Dagger Blade, Frostbyte.

Lincoln: And there's something you should know, Charlotte, your mother is one of my many future wives.

Blossom Bloom: Does that means… you're my father.

Lincoln: (smiled) What else I won't I be, little angel?

That filled Blossom Bloom with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes. and Sharp Claws, Marc "Jones" Leopard, Robert "Rob" Leonar De Nimoy, Silverwing, and Dark Rose join the hug as well.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Blossom Bloom to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Charlotte Grace with her daughter, and she now has a loving, strong, brave, and caring father in her life.

Valorous Phoenix is en route to the jungle planet of Miraesedis located in the galaxy NGC 7782, Located 371 Million light years away from Earth and our scans show that the cryostasis pod containing Ashleigh Falchion's mother, Zarrah Falchion has crash landed there. But the planet is home to a poisonous atmosphere so we have to find her and put a breathing mask on her when we do. Our mission is to reunite her with her daughter.

Me: I'm glad we found out where Sailor Falchion's mom is at.

Eli: Me too. I hope we're not too late to save her.

Xenia: We aren't. But it's amazing that she has drifted out this far when Falchion exploded.

Lola: Yeah that is amazing.

Kari: A portal might have taken her out here.

Camie: That is a possibility.

Nico: Kari, I want to thank you, Arbormon, and your teams for coming.

Kari: No problem Nico. It's going to be so awesome helping you out.

Fire: (Spanish Accent) It's going to be great and cool.

Lola: It sure is Beatriz.

Style Queen: Now we can be on an awesome adventure as friends.

Fire: We sure can Audrey.

Chloe: Mom, how did you and Fire first meet?

Style Queen: Well me and Beatriz met when I was over in fashion school. Me and Beatriz made a lot of amazing clothes together.

Fire: That's right Chloe. But I was terrible at making clothes. But me and Audrey still had amazing fun times together.

Style Queen: That's right. We sure did.

Chloe: Wow. That is awesome.

Fire: It sure is. Before I joined the Justice League, I was a missionary over in South America and as a humanitarian and missionary, I was over in a village helping with people that needed hospitals. But I was hit by a strange form of magic and it made me into the Superheroine, Fire.

Me: It granted her awesome green fire powers.

Ice: (Norwegian Accent) And it's amazing she can do all that now.

Fire: It sure is Tora.

Chloe: Wow! Beatriz you have become so awesome.

Fire: I sure have.

Style Queen: That's my friend for you.

May: Good thing Brody and Ember didn't hurt you too bad.

Style Queen: Thank goodness.

Me: Yeah.

Fire: When I saw Audrey as Style Queen, I was not expecting that to happen. But I was also afraid as to how she would react when she saw me as a member of the Justice League.

Style Queen: It was amazing that this happened to Beatriz and I am really proud of her.

Qin: We all are.

Nico: All the members of the Justice League have come a long way.

Arbormon: They sure have.

Superman: And we're really proud off them.

Becky: We sure are. And believe it or not I have the same powers as Beatriz now.

She floated and was enveloped in a vortex of green fire and then she turned into FIRE BECKY!

Nico: WHOA! I forgot about that.

Lola: That was amazing!

Me: It sure is and I forgot about that too.

Fire: That's true.

Me: Boy yesterday's mission was awesome.

Eli: It sure was.

Maria: So, how's the monster world now that the secret's out?

Me: It's good now that they are under our protection.

Camie: Now everyone has awesome monster friends.

Lola: Yeah they sure do. Everyone has great monster friends that everyone thinks is really awesome.

Vince: It's not just Monsters. They have Elementals, Yuki-Onna, Succubus, Mermaids, Phoenixes and more.

Nico: Wow! Every kind of mythological creature you can think of. That is really cool.

Camie: It sure is.

Zhuqiaomon: I'll say.

Edd was crying hard and Ed, Eddy, Nazz and Linka were comforting him.

Ed: There there Double D. There there.

Linka: It'll be all right Double D.

Edd: (CRYING AND WAILING)

Me: Poor Double D. He hasn't stopped crying ever since he found out what he did under Magnacat's influence.

Eli: Poor Double D.

Nico: I honestly think the fight with Magnacat was long overdue.

Zick: Yeah it was I think three years.

Me: Yeah that's right. We met you and Elena after the War with Voldemort.

Arbormon: Yeah I heard about that. That was intense.

Jungle Fury Elephant Ranger: It sure was.

Lola: Yeah.

Edd: (CRYING AND WAILING)

Linka: Double D you got to stop crying. You'll only feel worse about it.

Edd: I CAN'T LINKA IT HURTS SO BAD! (CRYING AND WAILING)

Nico: You don't think a monster hunting version of the Guys in White will form, do you?

Vince: Nah. After the Guys in White tried to destroy the Ghost Zone which would ultimately destroy the entire planet, the President of the United States and the United Nations and the world leaders all agreed that the Ghost Zone and the worlds of monsters are all going to be left alone and any ghosts or monsters that are friendly with everyone can be with anyone and live like normal people. And anyone that hunts them is committing treason against the world.

Nico: Wow that is amazing.

Qin: Yeah it sure is.

Vince: I told the president about this after we got back and told them about what Magnacat and the Guys in White did and all that and he and the World Leaders made it a treasonous act against the world and they dissolved all ghost and monster hunting businesses. Mystery Inc. Is still allowed to solve their awesome mysteries though.

Nico: Good.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a green planet and it had 4 moons and was in orbit around a white dwarf star.

Nico: We're here.

Me: Wow! It's amazing.

Camie: This planet is a jungle planet.

Me: It said it's a swamp planet.

We got to Landing and we landed in a swamp and we got out and we saw that it was an amazing swamp planet that was absolutely breathtaking. The planet was home to lots of amazing plants and creatures the likes of which we had never seen before.

Nico: Wow! So this is Miraesedis.

Lola: Incredible.

Me: It's amazing. The temperature is perfect. 75.2˚Fahrenheit. But the atmospheric composition is different.

Nico: Wow.

Lola: (Sniffs) The planets air is completely different.

Me: But the oxygen levels are through the roof. It says here that it's over 45% Oxygen.

Nico: Whoa!

Me: 45% Oxygen, 19% Nitrogen, 22% Carbon Dioxide, 10% Xenon, 4% Methane 1% Hydrogen Sulfide.

Nico: Wow!

Qin: This planet has one poisonous atmosphere.

Zuria: But it's amazing that this planet is here though. And it's amazing that we can breath in a world like this.

Camie: It sure is.

Nico: Let's split up and find her.

Eli: Wait! Baymax can find her. Remember how he was able to help find Abigail Callahan?

Nico: Right! I remember!

Baymax: Please allow me to do so.

Nico: Okay then.

Baymax did so. His scanners picked up something.

Baymax: Scans indicate female lifeform in cryogenic hibernation 5 kilometers to the north.

Me: That's just up ahead.

Nico: Lets go!

Sailor Falchion: Hang on mom!

We were off.

Nico: I hope she isn't guarded

Me: In a swamp planet like this in a poisonous atmosphere that is very highly unlikely.

Eli: Yeah there are no hostile guards anywhere on here.

Nico: Wait I see something.

We saw a cryopod and it was covered in swamp algae.

Me: There it is.

We flew down and we brushed off the algae and wiped the ice from the window.

Sailor Falchion: Mom!

Me: We got to get her out of there.

Baymax: She is still stable.

I looked for a control panel and I found one and pressed a couple of buttons and it opened and mist came out and then I put an Exopack mask on her face and she opened her eyes and woke up.

Sailor Falchion: Mother?

She saw Sailor Falchion for the first time in 16 years.

Zarrah Falchion: Nazara? Is that you?

Sailor Falchion: Yeah mom it's me.

She got up and hugged her daughter for the first time since her planet exploded.

Magine: Aww!

Nico: So awesome.

Me: Zarrah it's so good you're alright.

Sailor Falchion: Mom this is J.D. Knudson, he is a very awesome and amazing friend that has been there for me ever since I came to Earth.

Me: Pleasure to meet you.

Zarrah Falchion: It's a pleasure to meet you too.

Me: We are Team Loud Phoenix Storm and we found you here. You are on the swamp planet Miraesedis. You are over 350 million lightyears away from home where Falchion once was.

Zarrah Falchion: Wow.

Me: We have so much to tell you. And you have a breathing mask on your face. The reason is because this planet has an atmosphere that is poisonous.

Zarrah Falchion: I see.

We got to telling her everything that happened with Sailor Falchion and more and it was intensely long and more.

Zarrah was shocked and amazed that we have done so much. Yet she was amazed even more with how far Sailor Falchion has come and more.

Zarrah Falchion: Wow.

Nico: We're very sorry about your planet.

Me: Yeah what happened to Planet Falchion was absolutely horrible.

Eli: No kidding. But we can give you an awesome new home on our planet, Planet Earth.

Zarrah Falchion: I would like that. I have so much catching up to do. How long has it been?

Me: Sixteen years Earth time.

Zarrah Falchion: Wow. I really have missed out on so much.

Arbormon: Yeah you sure have.

Sailor Falchion: But I just am so happy that I have my mother back.

Zarrah Falchion: I am too Nazara. I am too.

Then I saw a glow and in my bag I saw that the Brave Dragon Wonder Ride Book was glowing.

Me: The Brave Dragon Wonder Ride Book is reacting to something.

Nico: That means Another Wonder Ride Embodiment is close.

Me: Yeah.

Nico: Who's up next?

Megan McCallister: Me and Touma will do so. Touma is the wielder of Brave Dragon.

Nico: Good idea.

Touma: Yeah.

Then we heard a roar and we saw a huge red dragon!

Qin: WHOA!

Lola: WOW! What a dragon!

Xenia: Incredible!

Me: That is a magnificent dragon!

It landed in front of us.

Me: Wow!

Sheila (1983 D&D): That is amazing!

Another Brave Dragon: (In a girls voice) But it's great that I found you all.

Me: (GASP) That voice.

She reverted back and it was a sailor soldier with red hair and red clothes and she had red dragon wings and had the Red Kamen Rider Saber Sword as well as the Brave Dragon Wonder Ride Book and had the Rod of Savrille.

Me: (GASP) Eleanor Savrille A.K.A. Sailor Savrille!

Sailor Savrille: It's good to see you again J.D.

Me: You too.

Shanan: Wow! Savrille's Sailor Soldier! This is amazing! Savrille is a mountain planet located 500 million lightyears away from Earth in the Cartwheel Galaxy. It's home to the Savrillians and they are masters of the Red Dragons. They have incredible powers of fire and are all born with Dragon wings. They are also powerful fire masters and are strong and formidable warriors of peace and good.

Nico: Wow! That is amazing!

Me: It sure is.

Sailor Savrille: That's right. But I'm glad you are all here. (Groans) This power that I got from this Wonder Ride Book that was put inside me is too strong for me to control. I need to get rid of it.

Nico: We'll do what we can.

Me: Are there anymore opponents with you?

Sailor Savrille: Yes. There is. Another version of him.

She pointed to Arbormon.

Arbormon: Another version of me!? Whoa!

Kari: This will be interesting.

Me: Friendly or hostile?

Sailor Savrille: Friendly. And you would love this one J.D.

Me: I have a feeling I will.

Maria: I've said it before and I'll say it again. The rest of them should be friendly!

Me: You don't have to keep saying that EVERY time Maria. But yeah I agree.

Qin: Me too.

Maria: Sorry.

Megan McCallister: Ready bro?

Touma: Always ready.

Megan and Touma got ready.

Megan and Touma: HENSHIN!

They transformed into their Rider Forms for Saber!

Qin: YEAH!

Sailor Savrille: That is awesome!

Me: It sure is. Touma is the wielder of Brave Dragon.

Sailor Savrille: I see. Come at me then.

She turned into her DRAGON FORM!

Me: Wow! Touma do you mind?

Touma: Go for it.

I pulled out the Brave Dragon Wonder Ride Book.

Nico: This is the best part!

Me: (Reads verse) "As the mighty flames of fury swirled around the Brave Dragon, it roared with the intense flames of valor against it's fierce opponent ready to strike. And with an amazing blaze of fire that it fired from its mouth, it blasted down its opponent with the power of the courageous flames and won with intense victory."

Touma fired a massive blast of fire and it hit Another Brave Dragon and Megan fired a wave of energy and blasted it down and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the Wonder Ride Book and it was a black version of Brave Dragon.

Me: The Dark Valor Dragon. That's interesting.

It glowed in a light and turned into a new Wonder Ride Book. It was a red book with a dragon made of fireballs on it. It was called The Fireball Dragon of Courage!

Me: Whoa! The Fireball Dragon of Courage. Amazing.

Nico: That's cool!

I went over and picked up Sailor Savrille and brought her over.

Nico: One down.

Me: And one to go.

Sailor Savrille: (Groans) What a headache.

Varie: You'll be okay.

Then a figure appeared and we saw that it was a dark version of Arbormon! It was ANOTHER ARBORMON!

Me: Whoa! Another Arbormon!

Xenia: This is gonna be a good one.

Lola: Yeah!

Maria: And you are?

Another Arbormon: (In a girls voice) I believe that J.D. knows who I am.

Me: (GASP) That voice. Ellana Dendron.

Another Arbormon: That's right. Good to see you J.D.

Me: You too Ellana.

Nico: You know her?

Me: I sure do. And she actually is a Celtician Dryad hybrid that I know and she has amazing and powerful plant powers. She can grow numerous kinds of plants in seconds. Also she has amazing plant powers that can grow massive huge forests.

Nico: Whoa!

Evelyn Burmingham: So I'm not the only Celtician Dryad hybrid too.

Another Arbormon: Really?

Evelyn Burmingham: Yeah I was gene-slammer with one.

Me: Long story. But also Ellana and I went to school together and she is a great gardener.

Eli: Wow.

Kaito: (gets out Hurricanger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Another Arbormon: Just to be a great gardener and help people.

Me: Well we can easily do all that for you.

Laney: Yeah our greenhouse is perfect for you and more.

Xenia: It sure is.

Kaito got a Ninja Storm sword and Zocks got a Wild Force Sword.

Another Arbormon: I knew that Swartz was lying to me.

Me: He lied to everyone. But he is dead and was given the black gates.

Another Arbormon: Good riddance.

Me: Sorry we have to fight light this.

Another Arbormon: No worries. Come at me and hit me hard.

Me: You got it.

Sougo: (gets out RPM Ridewatch) Can you also use Arbormon's powers?

Geiz: (Gets out Jetman Ridewatch) Sougo, we shouldn't wait to find out.

Sougo got RPMRedArmor while Geiz got RedHawkArmor.

Another Arbormon: Lets find out. (ECHOING) ROUNDHOUSE PUNT!

She extended her arms on cables and I punched them back and sent them smashing into her face!

Me: WHOA! That answer your question?

Sougo: It sure does. But that was cool!

Nico: It sure was.

Qin: That was awesome though.

Nico: (gets out Arbormon's Ridewatch) Two can play at the Arbormon game! (ACTIVATES IT) ROUNDHOUSE PUNT!

He did the same thing and smashed her all over the place!

Me: Nice one!

Nico: Now for this one! (ACTIVATES BUSHROOT'S RIDEWATCH)

He punched the ground and grew trees and smashed her all over the place!

Qin: Nice one!

May: My turn! (ACTIVATES MONSTER TREE STUMP'S

RIDEWATCH)

She punched the ground and formed a roaring tree stump and smashed down Another Arbormon!

Nico: WHOA! That was cool!

May: And this one! (ACTIVATES RTN KISAME'S RIDEWATCH) WATER STYLE: SUPER SHARK BOMB!

She fired a wave of water and it formed a huge shark and it smashed down Another Arbormon and exploded!

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Nice one!

RTN Kisame: Wow that was great May!

May: Thanks.

Maria: Now my turn! (ACTIVATES PITCHER PLANT MONSTER'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: OH YEAH! Now for this one. (ACTIVATES TIMBERIUS'S RIDEWATCH)

She punched the ground and grew trees and they smashed down Another Arbormon!

Qin: YEAH!

Lola: That was awesome!

Grumblemon and his team consisting of Bluto, Santa & Mrs. Claus the Vampires, Universe 666 Trigon-Powered Slade, Jasper And Movie Cronby The Troll came.

Nico: Nice team, Grumblemon!

Grumblemon: Thanks Nico. It's awesome.

666 Slade: This is gonna be a really good one.

Me: And for the record, you are nobody's servant.

666 Slade: That is for sure.

Me and 666 Slade fistbumped.

We fired waves of fire and smashed her down.

Maria: President Slade, that IS you, right?

666 Slade: I am his Trigon Powered Counterpart.

Me: This was awesome though.

Fire: My turn!

She activated Bushroot's ridewatch and grew trees and smashed down Another Arbormon!

Nico: Oh yeah!

Qin: Nice one Beatriz!

May: Is the next Gene Slammer near?

?: I'm right here!

Out of the water came a Seaking it smashed Another Arbormon down and I went over and caught the ridewatch and purified it and I put an Exopack on Ellana and she was a girl with orange hair and had green and red clothes.

Ellana: (Groans) What a headache.

Me: That was close though.

Seaking: (In a girls voice) Looks like I got here just in time though.

Nico: (Gasp) Selica Monroe! Awesome to see you again.

Seaking: You too Nico.

Misty (Pokemon) You look great as a Seaking.

Seaking: Thanks.

Me: Goldeen is one of my favorite Pokemon too.

Qin: Awesome.

Me: Lets get you back to normal now.

Fire: But first what is your favorite memory of Nico?

Seaking: I have a lot of them. But my favorites are in swim class. I beat Nico 190 times in swimming and hold the record for the fastest time.

Lola: That is amazing!

Qin: Yeah she sure does

Seaking: Fair warning. I'm actually naked.

Nicole: Oh boy.

I put on my blind man glasses and everyone covered their eyes.

I snapped my fingers and she was reverting back and Nico pulled out an orange leotard.

She was back to normal but naked and then she was gasping for air.

Nicole gave her an exopack and put it on her.

Nico: Here you go.

Selica put it on.

Selica: Ahh. Much better.

Nico and Selica hugged.

Nico: I've really missed you.

Selica: Me too Nico. Me too.

Me: Lets get back home.

Sailor Falchion: Good idea.

We went back to the ship and went back home to Earth.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Sora Takenouchi, and Gemma are heading to The Hidden Leaf Village, and not only is Lincoln going to rescue the eight girls here, but we got word from Lady Tsunade that Aoi Rokushō, the traitor of The Hidden Leaf, has returned yet again, and he still wants revenge on us for killing him, but this time, we're not showing him any mercy this time, we're taking him down and after we bring him to Lady Tsunade, he's facing judgement for all of his crimes and it'll end with his permanent death.

Lincoln: Wow, we're here in The Hidden Leaf Village, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we got word from Lady Tsunade that Aoi Rokushō, the traitor of The Hidden Leaf, has returned yet again, and he still wants revenge on us for killing him, but this time, we're not showing him any mercy this time, we're taking him down and after we bring him to Lady Tsunade, he's facing judgement for all of his crimes and it'll end with his permanent death.

Me: That traitor, I should've known he'd one day return again.

Sakura: Ino and I made sure of that when we destroyed him two years ago, but it looks like he just doesn't want to stay dead for good.

Lincoln: All the more reason to have him destroyed for good. Plus, it's not just Aoi Rokushō who's here, I got word from Diane that Professor Marmalade is heading here for revenge. After what we did in getting rid of Frieza, Semi-Perfect Cell, King Cold, Dr. Wrecker, and Garlic Jr., his revenge plot has been foiled for good, and now, he's out for blood. So, we've got two villains to deal with: the traitor of The Hidden Leaf and the criminal mastermind of Los Angeles, and I want to thank you and Gemma for joining us, Sora.

Sora Takenouchi: You're welcome, Lincoln. So, who do we deal with first?

Suddenly, we saw something heading this way, it was Professor Marmalade, and he's in a robot suit and boy is he mad.

Lincoln: I think we found our first target.

TLPS Mr. Wolf slashed at Professor Marmalade's robot suit and it fell apart as he was forced out and put in a cage.

Professor Marmalade: NO! NO! MY REVENGE, FOILED AGAIN! I HATE YOU, TEAM LOUD PHOENIX STORM! I HATE YOU, I HATE YOU, I HATE YOU!

Our energy auras flared up as we gained a massive power boost from Professor Marmalade's hatred.

TLPS Mr. Wolf: Oh, button your big yap, Marmalade. You've had this coming for a long time.

TLPS Mr. Wolf put him into a scroll to hand to the authorities later on.

Lincoln: That's one down, now for Aoi Rokushō.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of eight girls calling for help along with the sound of psychopathic and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the eight girls, but they've been cornered by Aoi Rokushō, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the eight girls, but they've been cornered by Aoi Rokushō, and he's going to kill them.

?: That heartless, sadistic, murderous mercenary, let's get him and incinerate him to ashes!

Suddenly, we saw a beautiful girl with long flowing orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful fire angel wings and fire tails, she has the icon of the Twin-Tailed Comet of Sigmar emblazoned on her forehead and tattooed on her arm, she has on a sleeveless orange vest, sleeveless orange crop top with necklace with Twin Tailed Comet pendant, orange skirt, orange pants, orange legwarmers, orange sneakers, and long white sleeveless trenchcoat with flames and comets on the coattails and on the back is the Twin Tailed Comet of Sigmar and in her right hand is the Hellblade and holstered on her back is a massive greatsword with embedded neon orange gems and the Twin Tailed Comet etched etched on the 7'0" massive, wide, double-edged orange blade, large angel heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large angel heads and large orange gem on the bottom of the large angel heads for the pommel.

Lincoln: (Gasps) Shayla Sigmar, I knew it was you, but we'll talk later, time to go put an end to that bastard, Aoi Rokushō, once and for all.

We rushed on over, and before Aoi Rokushō could kill the girls to slake his bloodlust, Lincoln fired powerful rainbow energy blasts at the murderous traitor, and that allowed the eight girls to get away and into a rainbow energy field to protect them from Aoi Rokushō, and when he saw me again, he was beyond pissed off, and before he could get after me, Lincoln punched him hard in the face and he went flying back, and that really pissed him off big time.

Aoi Rokushō: I don't care how many of you stand in my way, I will kill J.D. Knudson and I will have my revenge on The Hidden Leaf Village!

Me: Sheesh even after 150,000 years you still don't learn.

Lincoln: You are not laying one filthy hand on my brother, traitor, and now, it's time for you to die, and this time, stay dead!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic

Then, Lincoln fired Chakra Chains which chained Aoi Rokushō, and it stripped him of his Chakra, and we brought him before Lady Tsunade.

Tsunade: Excellent job, everyone, you've apprehended Aoi Rokushō. Now, we can have him face his punishment for his crimes, have him prepped for execution.

Me: Understood, Lady Hokage.

We got Aoi Rokushō prepped for execution and we brought him before everyone in The Hidden Leaf Village.

Tsunade: Everyone, you have gathered here to witness the execution of the traitor, Aoi Rokushō, he has been found guilty for his crimes against The Hidden Leaf and The Four Great Nations, and for his crimes, he has been sentenced to death.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and he had it on Aoi Rokushō's neck, and with one downward one-handed swing of his massive greatsword, Lincoln beheaded Aoi Rokushō, and gave him The Black Gates, and he holstered his massive greatsword on his back.

Lincoln: Good riddance, traitor. (To Shayla Sigmar) And it's so good to see you again, Shayla Sigmar.

Shayla Sigmar: You too, Lincoln, it's been a long time.

Lincoln went up to Shayla Sigmar and he hugged her, and Shayla Sigmar is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Shayla Sigmar: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Shayla Sigmar, she's my Guardian Angel from Michigan, and you're in for a big surprise: she's known as The Avatar of the Twin-Tailed Comet of Sigmar and she is known for having the most powerful fire powers ever known, and they're so powerful that not even someone like Trigon Powered Slade can match them.

Nico: Whoa!

Me: That's really hot, and that explains why she has those two fire tails.

Lincoln: Yep, and she hates Chandler and Huggins with a vengeance and wants nothing more than to make sure that Huggins gets fired and sent to a nuthouse forever for his crimes and hates Flip times Infinity and wants nothing more than to incinerate him.

Nico: Yeah, we guessed it: you told us she hated that killjoy with a vengeance and wants to make sure he got fired and sent to a nuthouse forever for his crimes.

Shayla Sigmar: And not only that, but I wanted to get Chandler expelled and sent to prison forever for his crimes.

Lincoln: You were too late for that one, Laney was the one who did it, and we found out years later that he had a Dark Side inside him that made him like this, and we got rid of his Dark Side and set Chandler on the path of redemption.

Fay Reikova: But just like me, you still don't trust him, right?

Shayla Sigmar: That's right.

Lincoln: And I understand that, Shayla, but just give it some time.

Shayla Sigmar: Alright, I'll give it some time. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Shayla, are you absolutely sure about this?

Shayla Sigmar: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Shayla Sigmar, and he saw that she's really serious, and he smiled as he walks over to Shayla Sigmar, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Shayla Sigmar's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Shayla Sigmar's neck with orange gems on the gold lightning bolts and orange crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Shayla Sigmar: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Shayla.

Shayla Sigmar had a smile on her face and tears in their eyes as

Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Yanagi Uzaki from Uzaki-chan Wants to Hang Out!, Anrakutei Kukuru, Bouhatei Tetora, Buratei Marii, Haroukitei Kigurumi, and Kuurubiyuutei Gankyou from Joshiraku, and Rachel and Momiji from Ninja Gaiden.

Lincoln: Oh wow, it's Yanagi Uzaki from Uzaki-chan Wants to Hang Out!, Anrakutei Kukuru, Bouhatei Tetora, Buratei Marii, Haroukitei Kigurumi, and Kuurubiyuutei Gankyou from Joshiraku, and Rachel and Momiji from Ninja Gaiden.

Hana Uzaki: Whoa, so among the group of girls was Yanagi, wow!

Nicole: Along with Rachel and Momiji, Ryu Hayabusa will be glad to see them again.

Lincoln: You said it. Are you girls okay?

Yanagi Uzaki: Yes, we're okay, thanks to you.

Then, when Yanagi Uzaki and the other seven girls saw who it was that saved them from Aoi Rokushō and Professor Marmalade, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Rachel (Ninja Gaiden): Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yanagi Uzaki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yanagi Uzaki, Anrakutei Kukuru, Bouhatei Tetora, Buratei Marii, Haroukitei Kigurumi, Kuurubiyuutei Gankyou, Rachel, and Momiji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villains we went after were Aoi Rokushō, the traitor of The Hidden Leaf who came back from the dead and he still wanted revenge on us for destroying him, and Professor Marmalade, who came after us after his revenge scheme was foiled.

But, when Lincoln showed what happened such as TLPS Mr. Wolf cutting down Professor Marmalade's robot suit and putting him into a cage and scroll and all of us beating down Aoi Rokushō and then, we executed him for his crimes against The Hidden Leaf Village and sending him to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Shayla Sigmar have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so we had another case of double trouble: not only with Aoi Rokushō, but also with that pouchy-faced rat, Professor Marmalade.

Lincoln: Yeah, but it ended with Professor Marmalade getting captured and Aoi Rokushō getting executed for his crimes and sent to The Black Gates for good.

TLPS Mr. Wolf: And I gave that pouchy-faced rat to the warden at The Neptune Prison for Traitors, and he put him in his new cell.

Professor Marmalade was sentenced to Life in The Neptune Prison for Traitors, and was sent to the animal section and into the Maximum Security Solitary Confinement wing, where he was chained to the wall of his doorless windowless cell with rainbow energy-lined Neutronium Chains.

---

After taking down Professor Marmalade and finally getting rid of Aoi Rokushō and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Shayla Sigmar saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Shayla Sigmar: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Shayla, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shayla Sigmar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Shayla Sigmar: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Shayla, what's the scoop on why you hated Killjoy Huggins with a vengeance and how you wanted nothing more than to get him fired and sent to a nuthouse forever for his crimes?

Shayla Sigmar: It's no surprise that I hated that killjoy for what he'd done in trying to harshly punish Lincoln for something he hadn't done and for always giving him a hard time, and Phoebe Vandom and her friends kept that killjoy in line, but after what Phobos did in imprisoning them in Limbo, Huggins saw that now that they're no longer here, he could finally get rid of Lincoln. He tried to have Lincoln expelled by trying to blow up the Science Lab with some chemicals he took from there, and when I'd seen it for myself, I was absolutely enraged and furious, I ran in there and I quickly apprehended that stupid killjoy, and I made him confess what he tried to do. And what that killjoy didn't know was that I made him confess on the speakers at school, and this also enraged Superintendent Chen who was visiting the school. She was absolutely furious when she heard it, and I was so close to getting him fired and sending him to a nuthouse forever. But, Superintendent Chen stopped me from doing so, and she told off that killjoy and I didn't forget the words she said to him.

---

Superintendent Chen: Wilbur Huggins, this callous and heartless act that you tried to commit against Lincoln Loud cannot be forgiven. You will be suspended without pay for six months, but just be lucky you're not getting fired. Now, get out of my sight!

Principal Huggins ran off back to his office like the rat he is.

Superintendent Chen: Shayla, I want to thank you for what you did. You saved not only the school, but you also saved Lincoln from getting wrongfully expelled and arrested. (Sighs) But, now that Phoebe Vandom and her friends are missing, that's not going to stop that killjoy, he's going to try yet again.

Shayla Sigmar: Don't worry, Superintendent Chen, I will take care of that killjoy, and if he crosses me yet again, I will report him yet again to you, so that you can decide his fate.

Superintendent Chen: (Smiles) Thank you, Shayla. Plus, there's someone else who wants to thank you.

Then, Lincoln came in and he hugged Shayla and he cried in her chest, and she hugged Lincoln tight as she rocked him to calm him.

Lincoln: (Sniffles) Thank you, Shayla, thank you.

Shayla Sigmar: (Soothing Voice) You're welcome, Lincoln. Shh, it's okay, it's okay.

When the flashback ended, not only did we have tears in our eyes, but we were really really mad at that killjoy for what he tried to do.

Me: (Sniffles) Shayla really saved him from that stupid killjoy.

Nico: Yeah, she was really brave. If that killjoy hadn't changed after that restaurant incident, I would have taken the book Ms. Rita had on him and given it to Superintendent Chen, and she would have him fired and sent to that nuthouse forever!

Phoebe Vandom: I can't believe that… ! Huggins, you went too far that day!

Xenia Lin: We really missed out, and it was because of Phobos.

Lincoln: I know, Xenia. But, Huggins swore he's changed, but we're still going to keep an eye on him, if he steps out of line, then you girls can take action.

We got a shower afterwards, and then, Lincoln, Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili each have feelings for Lincoln, and he also had feelings for them as well, he saved them when Pablo and Anderson broke out to kill them for revenge again, but Lincoln saved them, and he smashed those heartless psychopaths into the dirt before he tied them up again.

Macarita: Wow, we're here in Lake Lamode.

Lincoln: I've been here before, and it's always beautiful, and it's perfect for our first date, Macarita. Shall we?

Lincoln, Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went inside an indestructible dome and they also had a game of volleyball, and Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made eight clones of himself and he and his clones went up to Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili and they hugged the girls in their abnormally massive and powerful muscular arms and Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The

Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Chronoa: And I knew Linky would wind up marking you, Olivia, Whitney, Winona, Viola, Diantha, and Kahili.

Marcarita: He was as always quite gentle when he bit us and he fed on our blood.

Pan: And this also proves we're now Lincoln's future wives, and if anyone tried to hurt us, Lincoln will rip that person to shreds.

Suno: He did do just that when he saved Marcarita, Olivia, Whitney, Winona, Viola, Diantha, and Kahili from Pablo and Anderson.

Lincoln: Those two buttfaces were asking for it. Next time, I'll glue their butts to a chair.

Nico: If they even tried to get up, their pants will still be glued and they'll be in their underwear.

Me: And we'll be there with cameras.

May: (Snickers) And who knows, someone could post it on the internet.

Nico: Shamed on the internet, that's the ultimate humiliation, May, nice.

---

Later it was time for Vinyl Scratch's first ever Ambassador Mission.

Nico: Alright. You know what today is outside of the main mission.

Vinyl Scratch: It's time for the start of my Ambassador Missions.

Me: That's right Vinyl. And this is gonna be a good one. You're going to meet Jun Fudo the Devil Lady and we're going to help her take down bad monsters.

Nico: Yep.

Vinyl Scratch: All right!

Qin: But this one is gonna be a scary one.

Vinyl Scratch: I know I can handle it.

William: Anyone else want to go with Vinyl? Besides Wataru and 1 Rabbid?

Asuka Lan: I should go as well.

LaGrange: Me and the rest of my team will go as well for support.

Me: Because when Jun see's Asuka she is gonna really want to try and kill her.

Nico: Oh boy.

Me: So be ready for anything.

Eli: Yeah.

Nico: And without a doubt, Dark Eddy is going to be there later on. So be ready for him.

We nodded.

Nico: Lets roll!

We were off to Japan.

---

We arrived in Tokyo and it was as busy as ever.

Me: Tokyo is sure busy.

Vinyl Scratch: It sure is.

We then saw Jun Fudo.

Wataru: Excuse me. Are you Jun Fudo?

Jun Fudo: I've heard of you. Kamen Rider Kiva, right?

Wataru: That's right. Wataru Kurenai, leader of Kamen Rider Kiva.

Me: He's now with us.

Jun Fudo: Wow! J.D. Knudson and Team Loud Phoenix Storm it's an honor.

Me: Pleasure to meet you Jun. We heard so much about you.

Vinyl Scratch: And it's awesome to meet you too. My name is Vinyl Scratch. I'm your ambaassador.

Me: It's part of a special diplomatic mission program we made.

Nico: Yeah it's true.

LaGrange: My name is LaGrange and I'm one of the Masters of Evil.

Me: And this face you might know but don't like.

Jun saw Asuka back from the dead and she has a guilt filled face on her.

Good Evolt: Oh, and if you try to kill her, I will Black Hole you in self defense!

Me: Evolt no need for that.

Jun Fudo: Wait is that Kamen Rider Black Hole?

Me: Not the Prime Universe version. This is the one from Universe 666. It's an ugly story.

Nico: Yeah it sure is.

Vinyl Scratch: Yeah. But Asuka really wants to show you that she can atone for everything that happened.

Me: Let her show you that she can prove it.

Jun Fudo: Okay.

Guardian Eatos: She can join the Redemption Squad too if that is all right with you guys.

Nico: That is an awesome idea.

Eli: I think it's great.

Jun Fudo: Okay, I forgive you. But please don't make me regret it.

Asuka Lan: You won't regret it. I still have my powers though.

Me: I promise you that when there is a monster running amok that she can show you how much she has changed.

LaGrange: That's right.

Jun Fudo: Lets head to my apartment so we can talk.

Me: Sure.

We went to her apartment.

We arrived at her apartment.

Me: Nice place.

Jun Fudo: It's home.

She made us tea.

Me: (Slurps tea) Mmm. Edo Herb Tea. Been ages since I had this.

Jun Fudo: You sure know your tea.

Guardian Eatos: Yeah he does.

Wataru: (sighs) And this is a Rabbid.

Rabbid: (Gibbers)

Jun Fudo: He's so cute.

Me: He sure is. But Rabbids are not the brightest lightbulbs in the closet if you know what I mean.

Jun Fudo: Oh they are stupid creatures.

Me: Yep. But they are really funny.

Nico: Yeah.

Eddy: They sure are.

Jun Fudo: I saw lots of explosions that have been happening here over the last few months. Was that all your adventures with the Kamen Riders.

Me: That's right. We met all the Kamen Riders from 2002 to 2022 over the last few months and we were really busy destroying all their major enemies.

Nico: It's true.

Guardian Eatos: Yes it sure is. We have been really busy.

Vinyl Scratch: It's true. And there were so many of them.

Wataru: On my big mission with Stella we took down the Prime Universe version of Takashi Sugimura.

Me: Yeah that one was one of the biggest Vampire Hunting missions ever for July 28th last year.

Good Evolt: It sure was.

Nico: Yep.

Jun Fudo: Wow that is amazing.

Vinyl Scratch: Yep.

The Rabbid walked over to Jun and licked her cheek.

Jun Fudo: Ew.

Rabbid gibbering.

Me: See they are idiots.

Vinyl Scratch: They are really funny though.

Me: Yeah.

Jun Fudo: I can tell. So Vinyl what do you do for a living?

Vinyl Scratch: I'm a D.J. I like Rave Music and I love to brighten up parties with my awesome music.

Me: You should see all the funky awesome music she does. Laser light shows, hardcore rock music, all sorts of awesome dancing, she does it all.

Nazz: Tell us about these Devil Beasts you fight.

Andrus (Eagle Beast): first appears in episode 17 and has the elemental ability of fire. He has a beaked eagle head and a feathered body, with his human face located on his chest. Giga Satoru: first appears in episode 23. Powers include flight, explosive fire balls from the hands, energy covered metal spears, and can summon a sword that emits fire.

We were amazed.

Me: Wow! That's incredible!

Eli: It sure is. So they are demonic animal creatures.

Me: Like what we saw in the demons of Hell.

Jun Fudo: In a way.

Kevin: So, these guys could be any ordinary human?

Jun Fudo: Exactly. But they have to have a special form of energy in them.

Eli: Very easy to pinpoint with my power.

Jun Fudo: Yes. But I believe this is the target you guys are after on your big day with me.

She pulled out a photo of Satoru.

A child who acts as the leader and organizer of the more militant Devil-Beasts whose intention is the genocide of all humans. Satoru is a clever and dangerous foe who Jun has underestimated several times. He considers Jun a traitor to his kind and he will use all of his resources to make her life a living nightmare. Unlike other characters in the series he is not referred to by name. Although he first appears in episode 3, he does not return until episode 14, assuming the role of the main antagonist up until the final episodes. His powers include morphing into a butterfly, a highly resilient body, butterfly wings, summoning crow guardians, levitation, mind control, and disabling electronics by thought.

Me: Hmm. Lincoln told me all about him. That's Satoru and he is one badass monster son of a bitch.

Eli: Yeah. And he is pure evil.

Guardian Eatos: He wants nothing more than to kill you right?

Jun Fudo: That's right. He views me as a traitor and wants to use all of his resources to make my life a living hell.

Nico: Is there anyone else besides us helping you with this?

Jun Fudo: Yes my brother Akira and my best friend Aoi Kurosaki.

She showed me and photo of her and Aoi together as well as a photo of Akira.

Aoi Kurosaki makes her first appearance in the 3rd Volume of the manga while in the anime she appears in episode 5 and she is described as Jun's old classmate and mortal enemy during their high school years while competing for the Olympics, as no matter how hard Jun tries to win, Aoi is faster. However, she is actually in love with Jun and the only way she thinks to express it is through rivalry. Her transformation into a devil beast started gradually when she was still young, as a result of her hatred for her step-father who sexually abused her and her own mother who ignored the abuse and also abused her as well.

Me: Aoi sure is pretty. They will gladly help out and it sounds like you and Aoi are made for each other. Don't take this the wrong way but I actually have a habit of picking up on these things.

Jun Fudo: I see. I knew that Aoi loved me from the moment she was competing For the Olympics.

Nico: Yeah.

Jun: Sadly, she's one of the Devilbeasts. An underwater one.

Me: Then we'll help her out and cure her. I heard from Lincoln that her Devil Beast form stemmed from her family abusing her sexually and mentally.

Eli: What a couple of dirtbags.

Good Evolt: No kidding.

Guardian Eatos: Her own parents made her this way.

Jun Fudo: She told me what happened but I didn't know it was that bad.

Me: Well now we can do something about it.

Jun: She'll probably be at the nearby indoor pool. It's where I fought her the last time.

Eli: (Concentrates) I sense her there.

Me: Then lets go.

Nico: Right.

Me: Oh and just a forewarning, Eddy here has a dark side that is going to come out. So he will come and try and kill you. We call him Dark Eddy. He's in the Book of Vile Darkness Dimension but he will come.

Jun: Thanks for the heads up.

Kevin: I hope the pool's abandoned by the time her Lady Jaws form comes out.

Jun: Don't worry. It's closed for the night.

Me: Good.

We went there.

Aoi was in her swimsuit by the time we got there.

She had a black and blue one piece swimsuit on.

Me: Aoi Kurosaki?

Aoi: Team Loud Phoenix Storm. Jun been a while.

Jun Fudo: It has been a while Aoi. I was worried about you.

Aoi: Remember what happened here last time, Jun? It's where I died.

Jun Fudo: I know Aoi. I'm sorry. I didn't mean for that to happen.

Me: Aoi listen. We know about what happened to you. You became a Devil Beast because of what happened to you with your family. What they did to you damaged you badly.

Nico: Yeah they have no right to call themselves parents.

Vinyl Scratch: That's right. Let us help you.

Just then, Aoi got shot in the shoulder from out of nowhere.

Aoi: Y-You tricked me! You set me up to kill me, didn't you?!

Vinyl: No! That's not what we were intending!

Aoi: LIARS! (Falls into the water)

Eddy: Dark Eddy must've fired that shot!

Eli: And he's right there!

Eli fired a wave of Force Lightning and electrocuted a figure and out came Dark Eddy!

Me: You monster dirtbag! Get him guys!

Kevin: Get him!

TRAIN HORN HONK!

I teleported and kicked his blaster out of his hands and kicked him in the back of the head Dark Eddy was getting smashed and pulverized all over in a brutal Fight Cloud by the 7 kids.

Wateru: Henshin!

He turned into KAMEN RIDER KIVA!

Me: Lets do it!

Vinyl Scratch: Yeah!

Wateru: (gets out Chalmers' Fuestle) Have some of this!

He activated it and fired waves of energy and blasted Dark Eddy all over.

I saw Aoi and she had a bleeding Shoulder.

I teleported.

Me: Aoi lets talk about this!

Aoi: There's nothing to talk about!

Me: That monster was a dark version of Eddy! Look!

She saw 2 Eddy's! One had red eyes and was being pulverized in a fight cloud and the other had normal eyes.

Aoi: What the? It's true!

Me: Aoi listen, what your family did was horrible. But let us help you and bring them to justice.

Aoi: Then lets get him.

Eli: Yeah!

Aoi: Jun, we need our Devilbeast forms for this!

Vinyl: (gets out Metal Sonic's Fuestle) Better bring them out fast!

Jun Fudo: You got it!

Jun transformed and turned into DEVIL LADY!

Me: WHOA!

Aoi turned into her OCEAN SIREN DEVILBEAST FORM!

Me: WHOA!

Nico: INCREDIBLE!

Eli: WOW!

Vinyl activated Metal Sonic's Fuestle and ran fast and smashed Dark Eddy all over with incredible speed!

Nico: Aoi, you look like a huge shark!

Aoi: I know. It's my Devil Beast Form.

Me: It makes you look like an awesome mermaid from the Dark Side of the Legend.

Aoi: It sure is cool.

She fired waves of water and smashed Dark Eddy all over.

Me: Uh oh. I sense trouble.

I fired a blast of energy and it hit a figure on the wall and then out came Satoru!

Me: Satoru!

Satoru: Hmph! Now I can kill you all.

Me: Not if I kill you first!

I went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) **I won't kill you now because I'm saving that for the big day, but I will mangle you up!**

He spread his butterfly wings.

Satoru: Come and try it!

I teleported and punched him in the face and fired waves of blue fire and burned him.

I punched and smashed and kicked him all over the place with intense fury.

Nico: (gets out Tala and Evil-Lyn's Ridewatches) It's Magic time!

He activated them both and fired waves of magic and blasted Dark Eddy all over.

Eli: Try this one! (ACTIVATES RYCORE'S RIDEWATCH)

He rolled a six and fired a powerful energy blast and it hit Dark Eddy and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA! Nice one Eli!

I punched Satoru and kicked him in his face and bashed him on his head.

Satoru: WHY YOU!

He went at me and I teleported and kicked him in the back and sent him crashing into the wall!

Satoru: I HATE YOU!

My aura flared up with incredible force and I fired an energy fireball and it hit him and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Good Evolt grabbed Dark Eddy by the throat and threw him towards Aoi.

She punched him hard into the ground with incredible force!

KRASMASH!

Aoi: That's for shooting at me!

Nico: Here's what I would do! (ECHOING) THUNDER STOMP!

He used Pajiramon's powers and then smashed Dark Eddy so hard in his chest that he smashed his entire torso into powder and Dark Eddy belched up a huge amount of blood!

Jun Fudo: Nice one!

Asuka Lan: Let me help.

She turned into her Angel Devil Beast form!

Eddy: YEAH!

Vinyl Scratch: YEAH BABY!

She fired blasts of light and burned Dark Eddy all over.

I pulverized Satoru all over the place with incredible force an then smashed him in his face.

Me: You make me sick Satoru! You made Jun miserable all for your own enjoyment!

Satoru: She is a beast that must kill humans!

Me: Like hell she will!

I kicked him square in the crotch!

I kicked him in his face and then wrapped him in my Punk Shock Tail and then electrocuted him with intense electricity!

Good Evolt: I was honestly expecting you to eat him.

Aoi: No way! I don't eat people and I'm not a cannibal.

Nico: That's good you don't.

Eli: Yeah besides we don't want to kill him early before the curse he has on him can.

Aoi: Curse?

Nico: I put a curse on Dark Eddy that will kill him with the Black Gates after 24 times and this makes 9.

Eli: So he has 15 times left.

Aoi: Wow! I didn't know you guys knew all about magic.

Vinyl Scratch: We have so many powers.

POW!

I punched Satoru into the ground!

SMASH!

He was really mangled up bad.

Dark Eddy was really badly mangled up.

Aoi: I mean, I may have killed people in the past. But not anymore!

I teleported.

Me: **You can kill only those that deserve it. It's like what we have done in the past.**

Nico: It's true.

Me: **Right now it's best to let nature take it's course with the curse Nico put on Dark Eddy.**

Then we saw something in the water.

Jun: Is that a Starmie?

It was a Starmie!

Me: **It sure is!**

Then it spun out and smashed Dark Eddy in his head!

Me: **Whoa! Nice one!**

Starmie: (In a girls voice) That was awesome!

Nico: Mandy Edgarton! Wow!

Starmie: Awesome to see you again Nico.

Nico: You too.

Me: **Lets get you back to normal and you can catch up later.**

Starmie: Okay.

I put on my blind man glasses.

Nico: Let me get you a leotard.

He pulled out a purple one.

I snapped my fingers and she reverted back and the boys covered their eyes and she was back to normal and naked and She put it on.

Mandy Edgarton: Whoa that was crazy.

Nico and Mandy hugged.

Nico: I've really missed you.

Mandy Edgarton: Same here Nico.

I grabbed Dark Eddy and threw him back into the Book of Vile Darkness Dimension.

Me: **Now for our butterfly demon.**

Satoru: Next time.

He flew away.

Aoi: That was awesome!

Nico: Yep.

Vinyl: It was.

Jun: Aoi you need to be helped with your Devil Beast form. Go with Team Loud Phoenix Storm and they will help you out.

Aoi: Are you sure Jun?

Jun: I am sure Aoi. I love you.

Aoi reverted back and Jun and Aoi kissed and it was beautiful.

I had my blind man glasses on but I knew it was a beautiful love.

Aoi came with us and I put a towel on Aoi.

---

We later came back.

May: Hey guys. How did it go?

Me: Really epic! Vinyl did a great job on her first mission.

Guardian Eatos: She sure did.

We told everyone all about it.

May: Whoa! So Aoi is a Shark Devil Beast.

Maria: She will be perfect for the Neptune Crusaders. But we'll gladly help her all we can.

Nico: Yep.

May: Metal Sonic should come with you next time.

Vinyl Scratch: Good idea!

Me: And we'll help Aoi all we can.

Aoi: Thanks guys.

Varie: Lets get your shoulder looked at.

Aoi: Thanks Varie.

We took Aoi to the Infirmary.

---

Edd was still crying all over. Aoi had her arm in a sling cast.

Me: Poor Edd. He's still crying.

Xenia: I've never seen him so broken.

Aoi: Is Double D going to be okay?

Mandy: He'll be fine. We'll make sure of it.

Me: He did terrible stuff against his will because of one of Zick's most dangerous enemies yesterday.

Nico: Ugly story.

Eli: Yeah.

Aoi: Poor guy.

Ed, Eddy, Nazz, Linka and Rolf were comforting him.

Ed: There there Double D. There there.

Edd: (CRYING AND WAILING HARD)

Ed was patting his back.

Ed: You just let it all out mister.

Laney: Double D, it's going to be okay.

Eddy: Yeah, Sockhead! Where's that positive attitude that you're known for?

Edd: Oh Eddy I'm so ashamed! (CRYING)

Ed: There there Double D.

G1 Rampage: Double D, I know you're feeling upset. But do you know what you do when you fall down? You get back up and stand up strong!

Eddy: Yeah sockhead. You didn't do all that on purpose. It was all against your will.

Linka: Yeah Double D. You are a good guy and you have done so much.

Nazz: Yeah dude you have done so many amazing things.

Rolf: Yeah head in sock Ed Boy. Do not burn the candle at both ends as it leads to the life of a hair dresser.

Nico: What he said.

Eli: Yeah Double D. You are smart and you are a great guy. And you have Linka and us as awesome family and friends.

Aoi: That's right Double D.

Me: Yeah.

Eddy: Take me for example. My Dark Side tried to get me to kill the rest of you. But I got him out.

Kylie: Wait. That happened after the Ambassador missions involving us?

Me: It happened 9 times actually Kylie.

Nico: I put a curse on Dark Eddy that will destroy him and banish him to the Black Gates after 24 first missions with the Ambassador Missions that I picked for 2023.

Me: So far 9 times have passed.

Lola: Yeah. Besides it's a good challenge for all of us.

Xenia: Yeah.

Kylie: Oh I get it. You want to rough him up during all those times.

Nico: Yep.

Maria: And also putting Asuka in the Redemption Squad was a really awesome idea too. She will make a great addition to prove to Jun how much she has changed.

Me: Glad you think so. It was all LaGrange's Idea.

Vinyl: It's true.

Aoi: Yes. But how did Dark Eddy get put in Eddy?

Me: One of Luan's old enemies bashed him on his head with 2 bowling balls and a bowling pin and it made Dark Eddy.

Aoi: Ouch.

Me: Yeah.

Ellie: He broke free during my missions.

Me: Yep.

Aoi: Crazy.

Kylie: Yeah. Big time.

Slug: You Double D good friend. And awesome Iron Hero!

Edd: (Sniffles) Oh thank you guys. You all are true friends.

Eddy: Glad you're better sockhead.

Rolf: Let Rolf give you a victory armpit rub Head in sock Ed Boy.

He gave him one.

Ransack: Boss, which teams have you cooked up this time?

Nico: Nanette's team will include Ryo, Francine Lorrington, Unikitty, Puppycorn, and Azari Firedancer. Boy Lynn's team will include Huanglongmon, Melanie Flores, Farran Leafshade, Aira Windwhistler, and Naida Riverheart.

Me: Cool! Emily's friends will love all that.

Aira Windwhistler: We sure will J.D.

Naida Riverheart: I agree too.

Qin: Yep.

Unikitty: It's going to be awesome to be part of a team.

Puppycorn: Yeah it is!

Xenia: Yep.

Then the previous group of M.O.E. Members came.

Larxene: Can me, Blizzard, Scorcher, Abomination, Shade, Dark Laser, Demyx, Roman Goodwin, Ssserpent, and Roquefort go with you guys?

Megavolt: Me, Neopolitan Man, China White, Lego Bane, Owl (Stellaluna), Space Kook, Bell Org, SHS Carnage, Madame Snake, and Cheese Monster will come as well. Oh, and we found another Gene Slammer for Nico.

Nico: Really?

Out came a Mr. Mime!

Me: Whoa a Mr. Mime!

Camie: Cool!

Aoi: Wow!

Mr. Mime: (In a girls voice) (Japanese Accent) Been a while Nico.

Nico: Sakura Yamamoto? Wow!

Me: Cool!

Qin: Been a While Sakura.

Mr. Mime: It has been a while Qin san.

Qin: It sure has.

Mr. Mime reverted back and she was a girl with pink hair and a pink Japanese academy uniform.

Sakura Yamamoto: It is awesome to be with you guys.

Nico: It sure is and to answer your question guys yes you all can come with.

Nico and Sakura and Qin hugged.

Nico: We missed you Sakura.

Sakura Yamamoto: Me too Nico. And you too Qin.

Qin: Same here.

Donna Diego: Nico, which Gene Slammers do you think you'll meet next? (to Mandy and Sakura) And can you girls tell us your favorite memories of Nico?

Nico: In order, Scyther and Jynx next.

Qin: Awesome choices.

Manterror: Wow I would like to meet a Scyther Gene-slammer. I am a mantis after all.

Mandy Edgarton: My favorite is when me and Nico won the Gymnastics Tournament. We are really acrobatic.

Nico: We sure are.

Qin: That was awesome.

Sakura Yamamoto: And my favorite is when me and Nico did a really awesome crime busting adventure with my psychic powers and we busted numerous bad guys in one sitting.

Nico: That was an easy crime wave we busted.

Qin: That was awesome.

Lola: Cool!

Nico: Anyway you guys will love our mission. We're going to meet Doogal.

Me: Awesome!

Eli: Love that movie!

Nico: Yep. First we'll watch the movie and then get ready.

We got to watching it.

The wizard Zebedee, a red jack-in-the-box-like creature, is having a nightmare about the ice villain named Zeebad. Dougal the well-meaning cheeky, slacker dog places a tack in the road to pop a sweet cart's tyre, hoping to be rewarded with sweets for watching the cart. After the driver goes for help, Dougal accidentally crashes the cart into the magic roundabout at the centre of the village. Zeebad, the evil blue ice jack in the box-like creature, emerges from the top and flies away, followed by a Foot Guard figurine thrown off the roundabout. The roundabout freezes over, trapping repairman Mr Rusty, Dougal's young owner Florence, and two other children named Coral and Basil within an icy cell.

The horrified villagers, who are all animals, call upon Zebedee for help. He explains that the roundabout was a mystical prison for Zeebad. With it broken, Zeebad is free to work his magic on the world again as he once did before by starting the Ice Age. The only way to stop Zeebad freezing the world is by collecting three magic diamonds (one of which is supposed to be hidden on the roundabout, while the other two are hidden at separate locations far beyond the village). Slotting the diamonds onto the roundabout will re-imprison Zeebad and undo his magic, but if Zeebad retrieves them first then their power will allow him to freeze the Sun itself. Zebedee sends Dougal, Brian the cynical snail, Ermintrude the opera-singing cow and Dylan the hippie rabbit, to accomplish this mission along with a magic train. Meanwhile, Zeebad crash lands after escaping the roundabout, and animates the Foot Guard figurine, Sam the Soldier, to help him find the enchanted diamonds. Meanwhile, Zebedee's fellowship makes camp in the icy mountains. Dougal wanders off during the night and is captured by Zeebad. Ermintrude breaks him out of his prison. Zebedee then shows up to battle Zeebad but loses the battle with Zeebad freezing him and collapsing the cliff on which he stands.

Mourning for their friend, Dougal and his friends embark to recover the diamonds. This task takes them to a lava-bordered volcano and an ancient temple filled with booby-traps and evil skeleton guards, but Zeebad captures both of these diamonds; leaving the only hope of stopping Zeebad by getting back to the roundabout and to the final diamond before Zeebad does. The gang are forced to leave an injured Train behind, leaving them to return to the village on foot through the snowy barren wasteland the world is now freezing into. Zeebad, after having abandoned Sam the Soldier to die wounded in the snow, beats the gang to the now-frozen village, but is unable to find the third diamond anywhere. Sam then arrives on an elk, having realised that his true duty is to protect the roundabout against Zeebad, he tries to make a stand but is easily defeated. Having learned that Sam was in fact on the roundabout, Zeebad discovers that the third diamond is and always was hidden inside Sam, and removes it from him (ending Sam's life as a result).

Zeebad, with all three diamonds now in his possession, uses them to freeze the world by freezing the Sun. However, the gang finally reach the village, get to the diamonds, and put them into their places on the roundabout until only the third diamond is left. Though Zeebad beats the gang to the diamond and seemingly secures his victory, the timely arrival of a healed Train knocks the diamond out of Zeebad's reach and gives Dougal the chance to place it in the roundabout's final slot. Zeebad is now re-imprisoned, and the world is thawed, Zebedee is restored to his friends, villagers are freed, and the Sun shines again.

Of those trapped in the roundabout, a comatose Florence is revived by Dougal. As everyone goes for a ride on the roundabout, they discover that it does not work because Sam is lifeless. At this point, Sam is restored and then reverted to his inanimate form, and placed back on the roundabout which functions once again. Dougal now realises the true value of his friends and the good qualities of selflessness, courage, and humility.

When it was done we cheered wildly.

Me: That was awesome! Man those stupid blockhead critic crybabies ruined a great movie! No offense Ruby and Sapphire.

Ruby Salazar: None taken.

Sapphire Salazar: Yeah those guys ruined it.

Qin: So we're going after Zeebad next.

Me: Yep.

I pulled up his info.

Zeebad (also known as Zabadie in the French release) is the main antagonist of Pathe's second full-length animated feature film The Magic Roundabout/Pollux - Le manège enchanté (and its redub Doogal), an adaptation of the TV series of the same name.

He is an evil winter sorcerer who casts ice magic and the archenemy of Zebedee, who defeated and imprisoned him millennia ago. Like Zebedee, Zeebad channels magic through his mustache. Zeebad's magic powers are ice-based, as opposed to his heroic enemy Zebedee's fire-based powers.

In the original French release he was voiced by the late Michel Galabru, and in the English dub he was voiced by the legendary actor Tom Baker, who also portrayed Prince Koura in The Golden Voyage of Sinbad and Meglos (while possessing the Fourth Doctor) in Doctor Who.

In Doogal he was voiced by Jon Stewart, who also portrayed Frank Stokes in Death to Smoochy and Mittington Random in Phineas and Ferb.

Past

Zeebad originally reigned over the world for millennia in prehistoric times. According to Zebedee, Zeebad kept the world frozen in ice for thousands of years (suggesting Zeebad may have caused the ice age), until 10,000 years ago, Zebedee ended Zeebad's rule, and imprisoned him in the magic roundabout carousel to prevent him from freezing the world over again.

The Magic Roundabout

In the present day, after Dougal accidentally crashed a sugar cart into the magic roundabout carousel, Zeebad was freed from his prison and released back into the real world. After having found the soldier figurine by the name of Sam the Soldier, Zeebad (unaware that Sam was the roundabout's original guard) brought Sam to life as his right-hand man, and set about finding three magic diamonds; both to avert his reimprisonment by Dougal and the gang, and to fully freeze the world again by using the diamonds to freeze the sun.

Zeebad captures Dougal, who unwittingly let slip that the gang had a map which gave the locations of the diamonds, before the gang arrived to rescue him. The gang summoned Zebedee, who fought against Zeebad once more, but was defeated and trapped in ice by Zeebad, who then allowed Zebedee to fall to his presumed death (although it was later revealed in the climax that Zebedee had survived the fall). Zeebad and Sam afterwards followed Dougal, Brian, Dylan, and Ermintrude to a volcano where the first diamond was located. There, they took both the diamond and the map from the gang, then destroyed the bridge on their way out, leaving the gang behind to die in the volcano.

Afterwards, as Zeebad's return from imprisonment caused the world to begin to freeze over again, he and Sam, following the map, rowed to an island filled with monsters where the second diamond was located. When the gang arrived shortly behind them as they haved escaped the volcano, Zeebad and Sam let the gang clear the way through the island temple, past the booby traps and skeleton guards, to the diamond for them.

Zeebad then seized the diamond, and confronted the group that they give him the third diamond's location, but they use a trapdoor to get rid of the two by dropping Zeebad and Sam into the temple's underground tunnels. Zeebad and Sam immediately pursued the gang out of the temple using a giant, drill-headed railway machine they found in the tunnel, and learned during the chase that the last diamond was supposed to be located at the roundabout, before the machine's boiler overloaded and exploded.

Zeebad immediately set about reaching the roundabout before the gang - leaving an injured Sam behind for dead - and successfully returned to the now-frozen village the next day. However, Zeebad was unable to find the third diamond anywhere on the frozen roundabout, and Sam (having survived and realized the truth about Zeebad) returned riding on an elk to fight against Zeebad. Zeebad easily defeated Sam, and after learning that Sam had been part of the roundabout, Zeebad discovered that the final diamond was hidden inside Sam the entire time. Zeebad then removed the last diamond from Sam's body, killing Sam and removing his life force in the process.

As Dougal and the gang made it back to the frozen village, Zeebad used the three diamonds to fulfil his plans and complete his freezing of the world, by using the diamonds to freeze the sun itself. However, the gang refused to give up and fought against an enraged Zeebad for the diamonds. Despite Zeebad's ice magic attacks, the gang succeeded in severing the diamonds' sun-freezing beam and getting two of the diamonds back into their slots on the roundabout.

Though Zeebad managed to beat the gang to the third diamond and seemingly secure his victory, the timely arrival of Train knocked the diamond from Zeebad's hand, sending it flying into the air. Despite Zeebad's efforts to stop Dougal, the latter managed to beat him to the diamond and knock it into its slot on the roundabout. With all three diamonds returned to their places on the roundabout, Zeebad's magic came undone which caused the world to be thawed and reverted to normal, allowing Zeebad to get pulled back into the roundabout.

After being imprisoned once again, Zeebad was shown back in his prison, which, to his chagrin, was a lava-filled cavern.

When it was done everyone was shocked!

Qin: Jeez! He is pure evil!

Me: Yeah what a coldhearted bastard.

Lola: We're going to make sure he is thawed forever.

Nico: With a trip to the Black Gates

Blizzard: There's ONE movie we know that deserves to be hated.

Neapolitan Man: And that's Blood and Honey.

Poromon: EXACTLY! (shows trailer close to Kylie's face) LOOK AT IT!

Kylie: I saw that movie and it was terrible!

Me: Nice going Neapolitan Man.

Neapolitan Man: Sorry.

Nico: Lets just get moving and meet Doogal and help him out.

We agreed.

Nico: Lets head on out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed thirty dark energy signals with their eyes and the Force, and they saw who the thirty figures were in the vision: the figures were none other than Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and Antonio Maldonado, leader and founder of a dark Santeria order in Mexico known as The Order of Nuestra Señora de la Santa Muerte, they're an order of religious fanatics who tried to kill Maria Garcia and her friends more than once and they were also involved in sacrificing innocent people to Santa Muerte in their sacrificial rituals. But, now that Maria Garcia and The Fabled Gene-

Slammers are back, The Order of Nuestra Señora de la Santa Muerte have finally come back, and now, they're out to kill Maria Garcia and her friends yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone else coming after us?

Lincoln: You guessed it, Rayman, and Maria, you and your friends aren't going to like it one bit: the dark energy signals we sensed belong to your old enemies from Mexico, The Order of Nuestra Señora de la Santa Muerte, and they've come back once again, and they're out to kill you and your friends once again.

Maria Garcia and the other Fabled Gene-Slammers gasped in horror.

Me: The Order of Our Lady of The Holy Death? That sounds like a really dangerous cult.

Maria Garcia: (Spanish Accent) Oh no, not them again, I thought we wouldn't have to see them ever again after we sent them to Death Row in a Mexican prison for good.

Isabella Andwraith: (Spanish Accent) Even after all those years, now they've come back, I thought we were rid of those religious fanatics for good.

Nico: Maria, can you tell us about The Order of Nuestra Señora de la Santa Muerte? Sounds like you girls literally have quite a nasty history with them.

Maria Garcia: (Spanish Accent) Of course, but you're not going to like hearing about them. The Order of Nuestra Señora de la Santa Muerte is an order of those who worshipped the dark side of Santeria, known as Black Witchcraft. They carried out sacrificial rituals by sacrificing innocent people that they kidnapped off the streets of Mexico, and they even tried to desecrate the bodies of the dead for their dark rituals, but that of course, brought us into the fray and really angered us. We fought against The Order for years, and we defeated them before we moved to Michigan, and we had them sent straight to Death Row after they were found guilty in a Mexican court of law.

Me: Whoa, that's really dark.

Eli: These guys sound like they are dangerous.

Gabriella Gallabas: (Spanish Accent) That's right, and the members of The Order of Nuestra Señora de la Santa Muerte are Diego Rangel, Mateo Silva, David Velasco, Ángel Vasquez, José Zuniga, Luis Estrada, Manuel Fuentes, Bruno Herrera, Joaquín Lozano, Matías Medina, Nicolás Moreno, Samuel Ortega, Tomás Perez, Emiliano Rosas, Felipe Suarez, Lucas Velasco, Agustin Ruiz, Rubén Parra, Gabriel Pacheco, Carlos Mora, Eduardo Olivares, Javier Medina, Pedro Marin, Rafael Macias, Raúl Lozano, Ramón Hernandez, Ricardo Rodrigo, Arsenio Márquez, Gerardo Domínguez, and finally, their leader and founder, Antonio Maldonado.

Maria Garcia: (Spanish Accent) Antonio Maldonado was a crazed religious fanatic who dabbled in the sacrificial rituals of Dark Santeria, and as a result, it drove him insane, and he found twenty-nine more religiously fanatical souls like him, and they founded The Order of Nuestra Señora de la Santa Muerte. But, our parents knew their parents and grandparents long ago when they were in high school, and they were also involved in practicing Dark Santeria, and they also did rituals involving the sacrifices of human beings.

We gasped.

Eli: Jeez, they're insane.

Luciana Grimro: (Spanish Accent) They sure are, and like Maria said, we fought against The Order for years, and we defeated them before we moved to Michigan, and we had them sent straight to Death Row after they were found guilty in a Mexican court of law.

Lincoln: But, I've heard from the spirits of their victims that Antonio Maldonado and his minions have escaped, now that they know you girls are back, and they want to finish what was started long ago.

Maria Garcia: (Spanish Accent) If that stupid religious fanatic idiot thinks he can get away with trying to destroy us, he's got another thing coming. Well, now they've left us no choice but to administer their death sentences ourselves. Lincoln, who's the first of The Order of Nuestra Señora de la Santa Muerte that's coming after us?

Lincoln: It's Diego Rangel.

Isabella Andwraith: (Spanish Accent) One of the Dark Priests of The Order, figures Antonio would send him first.

Lincoln: And I've come up with the line-up as to who will face off each member of The Order.

Nico: (Whistles) That's quite a list.

Cassidy: And one of them is also coming after us on the day of my Ambassador Mission, so looks like you and Luciana are helping me with this one, Lincoln.

Lincoln: That's correct, Cassidy, and here's the thing: they don't have powers, but they do have their sacrificial knives with them.

Nico: But, they're still dangerous as Maria said, so they got to be stopped. Alright, gang, let's go, we got word from Doogal that Zeebad is trying to freeze the world.

Lincoln: We'll make that cold-hearted villain pay for his crimes, and once we get done with him, we're coming for you, Diego Rangel.

Isabella Andwraith: (Spanish Accent) This is the start of the war against The Order of Nuestra Señora de la Santa Muerte, and it will end with every last one of them dead in their own blood.

Me: That's right.

Nico: Lets roll.

We were off to meet Doogal.

## Land of Talking Animals

We arrived in the land of Talking Animals.

Brian: Awesome to meet you Gary.

Gary: Meow.

Brian: I know Gary. But it's awesome meeting a fellow snail.

SpongeBob: (LAUGHS) Gary and you are gonna be good friends.

Qin: Yep.

Brian: Also, I don't carry Mad Snail Disease.

Demyx: Does that even exist?

Bell Org: Man Ray told me it doesn't.

Me: It's just a stupid myth.

Lily: Yeah Mad Snail Disease is just an old urban legend.

Camie: What's Mad Snail Disease?

Lily: A stupid mythological disease. Symptoms are Ticklish ribs, Loss of balance, Bloodshot eyes, Sore throat, Messy pants, Severely untrimmed toenails, Large rash And Flesh-craving zombification. It's like Rabies and Mad Cow Disease but it's a stupid mythological disease.

Madame Snake: That explains the name.

Shirō Gō: Yes it all is true.

Qin: That is awesome.

Doogal: Yep. That is awesome.

Squidward: But that is awesome though.

Xenia: It sure is.

Masker Mind: Can you guys explain about Zeebad?

Doogal: We sure can.

They told us about him and he was bad news to the brink.

Camie: Geez!

Me: He is pure evil!

Qin: Yeah and we already know all about him and more.

Xenia: Yeah he needs to burn.

Cheese Monster: No way are we gonna let him freeze the Earth!

Roquefort: Cheese Ninjas, see if you can locate Zeebad.

They got sent out to find him.

Qin: We will burn that monster into dust.

Lola: That is for sure.

Laserbeak: Hey, Lola. You think you can burn him with a Burning Hadouken?

Lola: I sure can.

Me: That would be awesome to see.

Qin: It sure would.

Nico: I can always burn him into dust with a Nuova Sphere.

Me: Now you're talking.

Xenia: Yeah.

Roman Goodwin: Fire is pretty much Zeebad's weakness.

SHS Carnage: And we've got plenty of it!

Qin: Yep.

Lola: And it will burn.

Doogal: Awesome.

Eli: Yep.

Freon: I just happen to use the same powers as him.

Me: That is right.

Magma: It is really awesome and cool.

Lola: It sure is.

Nico: Yep.

The cheese ninjas came back and we found out that Zeebad's castle is located in an icy fortress just about 300 klicks to the south.

Space Kook: Why don't we use that train of yours to get there.

Dark Laser: That's a good idea!

Me: Yeah!

We got on Doogal's train and we were off.

Sheep Creep baaed.

Me: I know. Awesome train.

Fluttershy: Wow it's so amazing seeing this.

Lola: It sure is.

Nico: This is a cool train.

Qin: Yep.

We arrived.

Lego Bane: (Spanish Accent) Here we are.

Abomination: What's say you and I knock on the door? Real loud!

Me: That can be arranged.

Qin: With a fiery entrance.

Me: What say you guys?

Nico: Entrance time?

Bomb Man: Entrance time! With a chance of bombs!

We went at the door.

Zeebad was enjoying his freedom. But then the spirits of fireballs flew in and swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and then a massive shower of bombs rained out all over the place and the spirits of elemental monsters flew in and bashed and smashed Zeebad all over the place and massive fiery explosions went off all over and then a phoenix cry was heard and we came out.

Zeebad: Team Loud Phoenix Storm?!

Me: Thats right you cold fiend! Time to burn!

I fired waves of fire and burned him all over.

China White: Time for you to get melted! Scorcher?

Scorcher: (laughs) My pleasure!

Scorcher used his flamethrowers on Zeebad.

Me: Taste this!

I fired more fire blasts and burned him

Qin: And this!

She fired waves of fire and burned him all over.

Aoi: Well, aside from the fact that I got shot in the shoulder, I'm fine.

Evil Green Ranger: Just be glad you're alive this time.

Me: We are too.

Koragg: And it could've been worse. You could've been shot in the chest. Or the head.

Nico: Don't even talk like that.

Condiment King: (to Nico) We heard you found Zarrah.

Nico: Yeah we sure did.

Robo Roxy: Is she okay?

Me: She sure is. Just has cryogenic sickness. She'll be okay.

Robo-Roxy: Good.

Koragg was next.

Koragg: (To Sarah) I heard Lincoln's rescue invovled ending Aoi Rokushō. That shouldn't be confused with the Aoi you guys met.

Sarah Gunnerson: No this guy was a traitor and he stole the Sword of The Thunder God and he was punished for it.

## Leif, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Noralai Coramenshikov, Tara, Lynn, Bombshell and Kickback VS Condiment King - Meeting Shayla Sigmar - Avatar of the Twin-Tailed Comet

---

Condiment King was next.

Condiment King: (to Leif) I heard you guys met Shayla Sigmar -

Avatar of the Twin-Tailed Comet. She wasn't Gene Slammed?

Leif: No she wasn't. She was too powerful to be gene-slammed. But her powers over fire and the Twin-Tailed Comet are awesome.

Pinkie Pie: You should have heard her story it was amazing!

Maud Pie: (monotonously) We all thought it was really cool.

Featherweight: Boy we sure did.

---

Shayla Sigmar: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Shayla, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shayla Sigmar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Shayla Sigmar: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Shayla, what's the scoop on why you hated Killjoy Huggins with a vengeance and how you wanted nothing more than to get him fired and sent to a nuthouse forever for his crimes?

Shayla Sigmar: It's no surprise that I hated that killjoy for what he'd done in trying to harshly punish Lincoln for something he hadn't done and for always giving him a hard time, and Phoebe Vandom and her friends kept that killjoy in line, but after what Phobos did in imprisoning them in Limbo, Huggins saw that now that they're no longer here, he could finally get rid of Lincoln. He tried to have Lincoln expelled by trying to blow up the Science Lab with some chemicals he took from there, and when I'd seen it for myself, I was absolutely enraged and furious, I ran in there and I quickly apprehended that stupid killjoy, and I made him confess what he tried to do. And what that killjoy didn't know was that I made him confess on the speakers at school, and this also enraged Superintendent Chen who was visiting the school. She was absolutely furious when she heard it, and I was so close to getting him fired and sending him to a nuthouse forever. But, Superintendent Chen stopped me from doing so, and she told off that killjoy and I didn't forget the words she said to him.

FLASHBACK WITHIN A FLASHBACK

Superintendent Chen: Wilbur Huggins, this callous and heartless act that you tried to commit against Lincoln Loud cannot be forgiven. You will be suspended without pay for six months, but just be lucky you're not getting fired. Now, get out of my sight!

Principal Huggins ran off back to his office like the rat he is.

Superintendent Chen: Shayla, I want to thank you for what you did.

You saved not only the school, but you also saved Lincoln from getting wrongfully expelled and arrested. (Sighs) But, now that Phoebe Vandom and her friends are missing, that's not going to stop that killjoy, he's going to try yet again.

Shayla Sigmar: Don't worry, Superintendent Chen, I will take care of that killjoy, and if he crosses me yet again, I will report him yet again to you, so that you can decide his fate.

Superintendent Chen: (Smiles) Thank you, Shayla. Plus, there's someone else who wants to thank you.

Then, Lincoln came in and he hugged Shayla and he cried in her chest, and she hugged Lincoln tight as she rocked him to calm him.

Lincoln: (Sniffles) Thank you, Shayla, thank you.

Shayla Sigmar: (Soothing Voice) You're welcome, Lincoln. Shh, it's okay, it's okay.

When the flashback ended, not only did we have tears in our eyes, but we were really really mad at that killjoy for what he tried to do.

Me: (Sniffles) Shayla really saved him from that stupid killjoy.

Nico: Yeah, she was really brave. If that killjoy hadn't changed after that restaurant incident, I would have taken the book Ms. Rita had on him and given it to Superintendent Chen, and she would have him fired and sent to that nuthouse forever!

Phoebe Vandom: I can't believe that… ! Huggins, you went too far that day!

Xenia Lin: We really missed out, and it was because of Phobos.

Lincoln: I know, Xenia. But, Huggins swore he's changed, but we're still going to keep an eye on him, if he steps out of line, then you girls can take action.

Isabella Andwraith: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black

Santeria, but now, I've just about had it up to hear with you for the last time, Diego Rangel. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Andwraith and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Isabella Andrwaith was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Andrwaith flying around the vortex, and in the vortex is a red phoenix. Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Isabella Andwraith.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running, Diego Rangel, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.**

Isabella Andwraith and Lincoln went after Diego Rangel, and they fired extremely powerful blasts of rainbow energy, black energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Diego Rangel and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Isabella Andwraith sent her three imps and Lincoln summoned his own imps and sent them at Diego Rangel, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Isabella Andwraith, her hand-cannon Blaster is known as Fabled Andwraith's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with dark blue flames on the blaster and with a Phoenix, Angel, and Fabled Andwraith surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Isabella Andwraith aimed their hand-cannon blasters at Diego Rangel.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Diego!

Isabella Andwraith and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Diego Rangel and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Diego Rangel's sacrificial ritual knife which hits Diego Rangel right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Isabella Andwraith and Lincoln gave Diego Rangel The Black Gates for good. We cheered as Isabella Andwraith and Lincoln holstered their massive greatswords on their backs and powered down, and Isabella Andwraith's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Isabella Andwraith: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Diego Rangel for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Isabella.

Suddenly, Isabella Andwraith wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Isabella Andwraith's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Andwraith flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Isabella Andwraith absorbed the light and they came back to us as the display and Fabled Andwraith vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Diego Rangel's death, now there are only twenty-nine members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Mateo Silva, which means it'll be Emilia Ashenveil's turn.

Emilia Ashenveil: (Spanish Accent) That's right.

Me: And I never knew you girls had created your own order.

Maria Garcia: (Spanish Accent) That's right, J.D., we'd created our own order shortly after we Gene-Slammed ourselves into the Fabled monsters, we're known as The Order of The Fabled, and this very order was formed to destroy The Order of Nuestra Señora de la Santa Muerte and protect the living and the dead from their dark wrath. Plus, you also saw on the back above Fabled Andwraith is the anti-Sergio symbol, that's proof of our despising hate of Sergio for his troublemaking mayhem.

Nico: And we don't blame you girls, Sergio has caused trouble for his own amusement and pleasure, but Ronnie Anne's family are keeping an eye on him.

Ronnie Anne: And we don't want Sergio to get into even more trouble, or worse, suffer the wrath of Maria Garcia and the Order of The Fabled, 'cause they still harbor a nasty hatred for the times that he got Lori riled up and went after Lincoln for his own amusement.

Eli: That's still disgusting Sergio could do something like that, but Sergio has a penchant for causing trouble wherever he goes. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Elemental HERO Cosmo Neos?

This caused the Elemental HERO Neos Gene-Slammers in Lincoln's harem to gasp in surprise.

Natalie Kendall: That's an awesome one, and there's only one person we know who could be Gene-Slammed into Elemental HERO Cosmo Neos.

Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Jennifer Torrance: Raquel Carrigan.

Eleanor Collins: Out of all of the many Elemental HERO Neos Gene-Slammers in Lincoln's harem, Raquel Carrigan is the second most powerful of the Elemental HERO Neos Gene-Slammers, she's a really incredible powerful person with power over the stars and the elemental forces.

Nico: Whoa! Now, this we got to see tomorrow.

Lincoln: And I'll give you guys the full story on her tomorrow as well.

Shendu: I wish I could've helped in melting Zeebad.

Gizmo: But he's melted either way.

Gentleman Ghost: And that's good.

Me: Yep.

Selene: No eternal freezing for this planet.

Krusty: Now, who wants hot chocolate?

We cheered.

Me: This was awesome!

Doogal: (To the viewers) Hope you all liked this adventure. It was awesome.

Nico: It sure was. Great job today everyone.

Lola: Thanks.

We went back home and enjoyed the rest of the day and went to sleep.

Nico: It's just sad really. After all this time it's terrible how this could have happened to Star's family.

Me: I know. But it's amazing how she did so much and accomplished a lot to bring many of our worlds together.

Zoe Weather: I know. It sure is amazing that Star did all that and I'm proud of her.

Nico: We all are Zoe.

Varie: No kidding.

Earth: It's just amazing that Star was able to do so much before and after she joined the team.

Lola: I agree there too.

Brittney: Same here.

Nico: Earth, I want to thank you, Grumblemon, and your teams for coming.

Earth: Anytime Nico. Even though I'm always with you guys for rescues all the time it's always fun for me and everyone.

Lola: It sure is.

Sea: I think it is amazing myself.

Xenia: Yeah it sure is.

Nico: Sea, remember when we first met you?

Sea: I sure do. It was during the adventure J.D. and Kendra had with ants and defended their colony.

Me: I remember that. We faced that Dopey Anteater.

Nico: That's right.

Eli: That is so cool.

Me: We made him cry uncle.

We laughed.

Xenia: That was awesome.

Camie: That is cool! Can you tell us about it?

Me: Sure.

I told everyone everything that happened during my rescue in chapter 1446

---

In the middle of the forest, me and Kendra were walking through it.

Kendra: Let's see who we're rescuing this time.

Kendra concentrated and groaned as her eyes began to move closer together.

Me: This is gonna be interesting.

Kendra turned into Armorsight!

Me: YEAH!

We went further into the forest and we saw an ant city.

Me: Oh wow! This is the world of another cartoon from my past. It's Ants in The Plants.

Armorsight: That's a cool one.

Me: It was made in 1940.

Armorsight: We're seeing worlds from cartoons of your past all the time here

Then we heard an ant lookout.

Ant Lookout: Calling all ants! Calling all ants! Run for your lives! Danger! Public enemy #1 at large! Do you want to be his next victim?! Then Scram!

The ants in the city ran for their lives.

We saw an anteater going after a bunch of ants.

Me: Hey you overgrown vacuum cleaner!

Armorsight: Leave those ants alone!

I then saw a tiny figure in his pocket and it was a Sea Serpent Lamia!

Me: There she is and she's a sea serpent Lamia.

Armorsight: Interesting.

Armorsight jumped on the Anteater's back and pulled his legs and he pounded his fists crying uncle and I reached into his pocket and got the girl out.

Me: You all right?

Sea: Yeah thanks. Wow! You're J.D. Knudson, leader of Team Loud Phoenix Storm!

Me: Yep. Pleasure to meet you.

Sea: My name is Sea and I'm a sea serpent Lamia.

Me: Pleasure to meet you Sea.

I used my powers and grew her back to her normal size.

Sea: Thanks.

Anteater: UNCLE! UNCLE! UNCLE!

He ran home.

Me: Good riddance to that clod.

Kendra: I'm gonna revert back now.

Me: Okay and Ants don't you dare peek at her.

The ants covered their eyes and I put on my blind man glasses.

Kendra was human again. But naked.

Kendra: (covers herself) Can I wear a towel until we get home?

Sea: I got one.

She pulled out a towel and gave it to Kendra.

Kendra: Thanks.

Sea: You're welcome. Do you have any water? It's dry.

I formed a ball of water for her like I do for Varie and Meru.

Sea: Ah that's better.

Queen Ant: Thank you all so much for saving us from the Anteater.

Me: You're welcome your majesty. As long as we're present that dopey anteater is not gonna be eating you guys. How would you all like to move to our estate under our protection?

Queen Ant: We would like that.

Everyone in the colony agreed.

I snapped my fingers and beamed the whole city and colony to the

World Tree Estate Park.

We later went back home.

Back at the World Tree Estate, Muriel was watching her favorite show and Eustace was reading the paper and everyone was reading books.

Courage was on Muriel's lap.

Eustace then pulled out his funny mask and scared Courage.

Eustace: OOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAAHHHHHHHHHH!

Eustace laughed and then…

KABONK!

Muriel bonked Eustace on his head with a Rolling Pin.

Eustace: OW! What did I do!?

Nico: Eustace sure likes to scare Courage huh?

Laney: You have no idea.

Francesca: Grandpa Eustace has always been like that. But he's fun like that.

Me, Sea and Kendra came in.

Kendra: Better go change into new clothes.

Kendra went to her room.

Sea: Wow! So this is where you all live.

Me: Yep.

Miia: Sea!

Sea: Miia!

They hugged.

Miia: It's awesome having you here.

Sea: Same here Miia. It's awesome to see you.

Nico: She's a Sea Serpent Lamia.

Me: Yep.

I told them everything about where we found her.

Nico: Wow! In the world of Ants in The Plants from 1940. That was a good one.

Eli: One of my favorites.

Ets: Great cartoon back then.

Nico: It's good you all moved the ants colony city to the park.

Me: Yep. Under our protection.

FLASHBACK ENDS

Camie: Wow! That is cool!

Nico: That was a cool one.

Lola: Yeah that was a great cartoon back then.

Varie: It sure was.

Sea: Yeah that was fun.

Nico: Kendra was involved in that rescue as well.

Me: That's right. That was awesome.

Camie: Boy Kendra she loved that one.

Nico: She sure did.

Earth: That was so cool.

Zuria: By the way Earth, I noticed that your hair is like that of Planet Earth.

Earth: That's right. I'm the personification of Planet Earth hence why my hair is blue and has the continents on it.

Zuria: Wow!

Lola: Yeah She and Lincoln are an awesome match in heaven.

Me: Yep.

Nico: Which is is why you were probably happy we stopped Zeebad.

Earth: That's right.

Lincoln: And we stopped him from freezing the world forever.

Camie: No kidding there.

Me: Yep. Fire won in that one.

Lola: It sure did.

Xenia: Yep.

Nico: Doogal was a cute little dog, wasn't he?

Earth: He sure was.

Sea: He was so adorable.

Qin: Yep.

Camie: And he has a great heart too.

Lola: He sure does.

May: And a pure soul too. He reminds me so much of Manny. He didn't care for friends before. But now he does.

Lola: Yeah he sure does.

Nico: Lots of our friends had that mindset before. Shrek being one of them.

Me: Yep and so did Twilight and Luster Dawn.

Twilight Sparkle: That's right. Before I became the princess of Friendship, I didn't care really much about it. But now I do.

Qin: That's true. But many of us went down that road before.

Camie: It's true. But now we are all one awesome and amazingly great family.

Varie: We sure are.

May: Yeah. By the way how is Aoi doing Varie?

Varie: Her arm still hurts. But I'm giving her some supplements and medicine to help her.

Me: Good. And I have Sheila and Tom and Inspector Fox helping to bring her evil so-called parents to justice.

Nico: Great.

Vinyl Scratch: I'm glad for that.

We arrived at the castle.

Juran: Why are we here again?

Brittney: To figure out what caused the Butterfly Dynasty to fall into ruin. Before our worlds merged something huge happened that lead to Marco getting stabbed in the stomach and nearly killing him. But it also lead to Star and Moon losing their markings on their faces. We need to find out what happened.

Zoe Weather: Yeah that's what has me baffled. What could have caused that.

Me: We were not here when it happened. We were fighting the Horned King in the Kingdom of Prydain back in 717 A.D. Something happened during that time and we need to find out what.

Nico: I agree.

We went into the ruined castle and we saw that it was all run down and abandoned.

Me: Boy this place has seen better days.

Zoe Weather: No kidding. Lets visit the library. That might have something.

We did so. We went into the library and found lots and lots of old books.

Twilight Sparkle gasped.

Twilight Sparkle: Wow! Look at all these books! It's a goldmine of information!

Qin: Whenever a library is involved, Twilight is in heaven.

Nico: She sure loves to read.

Lola: Yep.

Maria: Maybe these things just happen.

Me: No things like that don't usually happen unless there is a good reason.

Lols: I agree.

Zoe Weather: Same here. Lets get to searching.

We got to looking around.

Nico: Remember when Poromon and Poliwag did that awesome Porowag fusion?

Me: I sure do.

I looked in a book and found a book about corn.

Me: A book on corn.

Qin: The Mewni people sure liked corn didn't they?

Zoe Weather: They couldn't get enough of it.

Xenia: Wow.

Me: Hmm.

Laney: Huh? Hey look here!

Laney pulled out a huge book and it was called THE CHRONICLES OF THE BUTTERFLY DYNASTY

Me: The Chronicles of the Butterfly Dynasty. Lets see here.

I put the huge book on a table and opened it.

Nico: Let's see what's inside

We got to reading and it showed the chronicles of the history.

---

While it is unknown when this began, a family tradition was established which stated that when the newest heir to the throne turned fourteen years old, they would get a magical wand that has the capacity to destroy the universe if it fell into the wrong hands. The family name and lineage appears to be matrilineal, passing from mother to daughter. While male Butterflys do exist, they are noticeably in fewer numbers.

There are two separate bloodlines of the Butterfly Family: the original one extending from at least Soupina Butterfly to Meteora Butterfly, and the new one extending from Festivia Butterfly that includes Moon Butterfly, Star Butterfly, and multiple other members.

Several members of the Butterfly Family have marks on their cheeks (referred to in Star and Marco's Guide to Mastering Every

Dimension as "cheek emblems"): Star has hearts, Moon Butterfly has diamonds, Etheria has five-pointed stars, Solaria the Monster Carver has lightning bolts, Eclipsa the Queen of Darkness has spades, and Miss Heinous (revealed in "Monster Bash" to be Eclipsa's daughter Meteora) has clubs. These marks are the result of a longtime exposure to magic.

In "Game of Flags", most members of the Butterfly Family are portrayed as exceptionally well-mannered yet uptight, and they look down on the loud, obnoxious, and unrefined Johansen family of River Butterfly. However, they can become just as ruthless and savage as the Johansens in their determination to win the titular contest.

"Into the Wand" shows several predecessors of the Butterfly Family depicted in tapestry, including Celena the Shy, Solaria the Monster Carver, and Eclipsa the Queen of Darkness.

In "Butterfly Trap", it is revealed that Eclipsa's ex-husband, King Shastacan, wanted nothing to do with Eclipsa's half-monster daughter, Meteora. So he had the Magic High Commission swap out Meteora with a Mewman peasant and had the official records changed to say that Festivia the Fun was the heir to the throne. This means that all members of the Butterfly Family from Festivia onwards aren't actually related to Eclipsa and puts their royalty into question.

In "Conquer", Meteora returns to Mewni to reclaim her birthright. After successfully conquering the kingdom, she destroyed all tapestries of queens other than Eclipsa (including Moon, Solaria, and Celena). After Eclipsa defeats Meteora and changes her back into a baby, Star gives the royal wand back to Eclipsa, conceding the Mewni throne to her.

In "Escape from the Pie Folk", it is revealed that Festivia was descended from the Pie Folk, a clan of pie-baking thieves and con artists. She was accidentally left behind as a baby and adopted by the Magical High Commission. This means all of her descendants, including Moon and Star, are related to the Pie Folk.

In "Ghost of Butterfly Castle", Mina Loveberry is revealed to have taken up residence at Butterfly Castle after it was abandoned. During her stay, she repaired the previous queens' tapestries Meteora had previously destroyed. She also took special care of Solaria's tapestry, most likely because she was queen during her youth.

In "Meteora's Lesson", Glossaryck encounters the possible earliest ancestors of the Butterfly Family, a family that appeared to be lost pilgrim settlers, when he and Meteora travel back in time and meet the original settlers of Mewni. Glossaryck creates the magic wand from Meteora's baby rattle and a newborn millhorse and gives it to one of the female settlers, possibly making her the first Queen of Mewni and the possible founder of the Butterfly Family.

In "Pizza Party", Moon leads to coup to dethrone Eclipsa and reinstate herself as queen. In the end, she succeeds by using an army of "Solarian" super soldiers she created to lay siege on the Monster Temple and offering to let Eclipsa and her family go in return for the royal magic wand. However, this is quickly rendered moot due to Mina using her status as the "Solarian" commander to take control of the kingdom, effectively making her the de facto ruler of Mewni.

In "The Tavern at the End of the Multiverse", ghosts of some of the previous queens of Mewni appear within Glossaryck's mind's version of the "grandma room", having left their tapestries and gathered around Star Butterfly's finished one. As Star approaches her tapestry, the ghosts all stare at her, some of whom seemingly show resentment or concern toward her and even appear to fear her.

In "Cleaved", the ghosts of the queens of Mewni appear one last time to offer encouragement to Star, Moon, Eclipsa and Meteora in destroying the magic. As the Realm of Magic starts to crumble, the ghosts vanish. Afterwards, Star mentions to Moon that they aren't royalty anymore.

The guidebook Star and Marco's Guide to Mastering Every Dimension portrays and mentions other members of the Butterfly Family, including Skywynne, Queen of Hours, Soupina the Strange, Dirhhennia the Heaped, and Crescenta the Eager. Star vs. the

Forces of Evil: The Magic Book of Spells features even more Butterfly Family members, including Jushtin the Uncalculated, Rhina the Riddled, Estrella the Drafted, and Comet the Chef.

---

When we finished reading we were shocked!

Me: WHOA! So that's it! Star and her mom, Eclipsa and Meteora used a spell to destroy the magic and in doing so she merged many of the worlds she and Marco visited together.

Lola: Whoa!

Twilight Sparkle: That is incredible!

Xenia: It sure is.

Camie: Yeah.

Magine: But magic still exists! And I know that perfectly!

Me: Yes it does. But this is what happened in the dimension of Mewni.

Nico: Whoa.

Zoe Weather: Incredible. Star did so much not just on Earth but all over Mewni and across all of time and space.

Xenia: Yeah.

Camie: It's amazing how that all happened though.

Me: But what Mina Loveberry, Toffee and all of Star's enemies have done is absolutely unforgivable.

Nico: Yeah no kidding.

Maria: Star should be proud of herself.

Zoe Weather: We all are proud of her.

Qin: Yeah it was one awesome adventure for her. Star has come a long way.

Nico: Yep. Lets see what else is here.

We got to searching and found out more and more and more about Star's entire family tree and it was a long one that stretched back MANY eons.

Me: Wow! Star's family history is incredible.

Xenia: She has a massively long ancestral line that dates back thousands of years.

Brittney: Incredible and I thought Sly Cooper's ancestry was huge.

Me: No kidding.

Nico: Yeah.

We got to searching some more and found lots of weapons and everything. Even books on magic.

Twilight Sparkle: The books on magic are interesting too.

Sunset Shimmer: They sure are.

May: We could learn so much from this.

Me: We sure can.

Nico: Lets take some of the books with us and add them to our library.

Eli: Good idea.

Eli pulled out a scroll and sealed the magic books in it.

Eli: There.

Me: Good work bro.

Then we heard an eagle call.

Qin: Wow an eagle is here.

Then my Wonder Ride Book for Storm Eagle was glowing.

Me: The Storm Eagle Wonder Ride Book is reacting to something. That means the next Another Wonder Ride Book Embodiment is close.

Nico: But where is she?

Me: Must be outside.

We went outside to the courtyard.

Eli: The courtyard is still a mess.

Rarity: No kidding darlings.

Me: Yeah it sure has seen better days.

Camie: Yep.

Then we heard an eagle call.

Me: Wow.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Me: Whoa!

We saw lightning streaking across the sky and we saw an Eagle with lightning striking out from it!

Nico: WHOA!

Eli: Wow! That is incredible!

Nico: Is that her?

Me: I think so.

She flew over and landed in front of us.

Me: Wow you sure are electrifying.

Another Storm Eagle: (In a girls voice) I get that a lot.

Me: (GASP) That voice!

She reverted back and it was a sailor soldier that had red angel wings and had a red sword and the Wonder Ride Book for Storm Eagle with her.

Me: (GASP) Wendy Aquillas A.K.A. Sailor Aquillas!

Sailor Aquillas: That's right.

Shanan: Wow! Aquillas's Sailor Soldier. That is a Hot Jupiter planet located in the Cartwheel Galaxy.

Xenia: Over 500 million light years away from here.

Sailor Aquillas: That's right. I was Born in the sky cities of the Hot Jupiter planet of Aquillas in the Cartwheel Galaxy, and I was born with incredibly powerful fire powers and amazingly strong angel wings that are as red as blood. I am also a really fast flyer and have incredible speed and I am also a masterful swordswoman. I was sent to Earth and J.D. became really good friends with me and we did it all and busted lots of criminals.

Me: It's true.

Nico: That is cool!

Me: Yep. Also we were known for busting tons of really dangerous bad guys and got them all executed.

Nico: No need to fight you?

Sailor Aquillas: No there is a need.

Lola: I will do so.

Sailor Aquillas: Awesome.

Me: Anymore opponents with you by the way?

Sailor Aquillas: Yes there are. Another version of him.

She pointed to Grumblemon.

Grumblemon: Another version of me!? Wow!

Me: Friendly or hostile?

Sailor Aquillas: Friendly and she is also a gene-slammer. And she is also a guardian angel for Lincoln.

Lincoln: Wow!

Sailor Aquillas: She is a gene-slammer for all of the Legendary Planets all in one.

Me: Cool!

Nico: Wow! A Gene-slammer for all the legendary planet monsters. That is amazing.

Sailor Aquillas: You will like this one too.

Lola: Lets get it on.

Sailor Aquillas turned into her Storm Eagle Form and Lola fired waves of fire and smashed her down and I caught the Wonder Ride Book and it was called Dark Storm Eagle.

Me: Dark Storm Eagle. Interesting.

Then it formed into a New Wonder Ride Book. It was called The Thunderstorm Condor!

Me: Thunderstorm Condor? Wow.

I went over and picked her up and brought her over.

Varie: That was amazing.

Nico: How come last time, there was no need for battling the Sailor Soldier?

Me: Because she reigned in the power.

Varie: Yeah.

Qin: I have a feeling that there will be Another Eternal Phoenix and we will battle that one.

Camie: I agree too.

Lola: Yep.

Nico: Yeah.

Me: Another Grumblemon should be here soon.

We saw a figure come out.

Maria: There she is!

It was a dark version of Grumblemon! It was ANOTHER GRUMBLEMON! Her energy signal was intensely powerful!

Qin: Whoa!

Me: This one is cool and her power is incredible!

Nico: Wow! What a power!

Lola: Yeah.

Me: And you are?

Another Grumblemon: (In a girls voice) (Australian Accent) I believe Lincoln knows mates and awesome to see you again Lincoln?

Lincoln: I had a feeling it was you Sheila Thatcher. I haven't seen you since you were 16.

Me: You know her Lincoln?

Lincoln: I sure do. She is one of my guardian angels from Australia and she also has all the powers of all the planets of the Solar System and the sun and also is my friend from Astronomy class and she even took me and my class to the Kitt Peak National Observatory.

Nicole: Wow that is home to one of the most powerful land observatory telescopes in the world.

Lincoln: Yep. And she also hates Killjoy Huggins with a vengeance.

Me: Uh oh. I wonder what he did this time to earn the worst of her wrath.

Another Grumblemon: You'll have to hear about it later mates.

Kaito: (gets out Dynaman gear) Did Swartz promise you anything?

Zocks: (Gets out Bioman gear) Because we can grant it instead.

Kaito got a Dynaman Sword and Zocks got a Bioman Sword.

Another Grumblemon: Just to make sure that Killjoy Huggins and all of Lincoln's enemies all pay for what they did.

Me: You don't have to worry about that anymore Sheila. Most of his enemies are all now being used as humiliation fodder, Huggins is a changed guy and is doing good under intense watch from your fellow guardian angels and Lori, Lynn, Luan, Lisa and Lola don't have their dark sides anymore and are better than ever.

Lola: It's true. We are not evil people anymore.

Lisa Loud: That is correct.

Another Grumblemon: I knew that Swartz bloke was lying to me.

Me: He lied to everyone. But he was given the Black Gates and is gone for good.

Another Grumblemon: Good. Thank goodness mates.

Me: Sorry we have to fight like this.

Another Grumblemon: No worries mates. Come at me and don't hold back.

Me: You got it!

Sougo: (gets out Dynaman Ridewatch) Honestly, Huggins isn't that bad once you get to know him.

Geiz: (gets out Bioman Ridewatch) And he's an authority figure.

Sougo got DynaRedArmor while Geiz got Red1Armor.

Me: Yeah and it turns out he loves Ace Savvy comics. We always give him and most of the team the first comics we make hot off the presses. And we just worked on our latest issue.

Me and Lincoln showed our awesome newest comic. It was called Ace Savvy and the L-Ementals VS The Mad Galactic Straight Flush Gang.

Another Grumblemon: That is a good comic mates!

Lincoln: You'll love this one when you see it.

Me: Yep. We based the L-Ementals on the Loud Siblings that were transmogrified into the Elemental Forces of Nature in their pure forms.

Nico: You'll see what we mean soon. It's really awesome.

Another Grumblemon: Looking forward to it mates.

Me: It's really great money. You'll see soon. Also watch this. (ACTIVATES HELL-EMENTALS RIDEWATCH)

I fired waves of Smoke, Oil, Cosmic, Blood, Cyber, Cement, Coral, Radiation, Soot, Clay and Wood And the blasts all hit Another Grumblemon and smashed her down!

Qin: WHOA! That was intense!

Xenia: Yeah it was!

Nico: (gets out Grumblemon's Ridewatch) But you'll be happy to know that Scoots is dead.

Me: Yeah that old scooter riding witch was a nightmare for everyone in the city. But she finally bit the dust.

Another Grumblemon: Thank goodness for that. I heard what happened there. Bonza work mates.

Me: Thanks. It was so relieving for everyone in the city.

Nico activated the Ridewatch and got Grumblemon's club.

Nico: (ECHOING) SEISMIC SLEDGE!

Me: (ECHOING) SEISMIC SLAM! 9.5!

Me and Nico smashed the ground and smashed down Another Grumblemon with the force of a 9.5 Magnitude Earthquake!

Me: YEAH!

Nico: Wow!

Me: Coup taught me that one. When he is Big Slammu his earthquake causing powers know no bounds.

Nico: (gets out Bluto's Ridewatch) Man, if Popeye were here to see this!

Me: I learned this one from him. (Gets out Bluto's Ridewatch)

Sea: Me too. (Gets out Bluto's Ridewatch)

We activated them and popped open cans of spinach and ate the spinach.

GULP!

DING DONG BING!

We flexed our muscles and had nuclear bombs explode in them!

Me: YEAH!

Rainbow Dash: Let me do that too.

She popped open a can of spinach and ate it too and swallowed.

BONG DING!

She flexed her muscles and in them was an image of Chuck Norris kicking Bruce Lee's butt!

We went at Another Grumblemon and pulverized the living crap out of her like how Popeye did to Bluto!

Bluto laughed at that.

Bluto: (LAUGHS) Never gets old.

May: (gets out Santa & Mrs. Claus the Vampires' Ridewatch) Feel the power of Christmas!

May activated it and fired waves of energy and they formed into the Feral Reindeer from the Bad Santa Universe that Stewie and Brian went to and they smashed her down.

Me: WHOA!

May: That was awesome and fun!

Lola: Yeah it was!

Camie: No kidding!

Me: But that was still crazy that you guys found a bad Santa in a universe where he was making weapons.

Nico: Yeah it sure was.

Shanan: That was a crazy experience for us though.

May: (Gets out Universe 666 Trigon-Powered Slade's Ridewatch) Now, for this! Feel the heat!

She activated it and then the Mark of Scath was emblazoned in the middle of her forehead and she fired a massive blast of fire and it hit Another Grumblemon and smashed her down!

Qin: WHOA! That was hot!

Me: Brutal! Slade I don't know if I told you about this but Shanan faced you when you got those powers in the Prime Universe and you really were an infernal force with them.

666 Slade: That is amazing and very incredible.

Shanan: It sure was. And also I killed you many times before in the Prime Universe.

666 Slade: I see.

Maria: (gets out Jasper's Ridewatch) My turn!

She activated it and got Jasper's rock hard hammer helmet and she went at Another Grumblemon and smashed her right on her head!

Qin: OOH! OUCH! That had to hurt!

Me: That's what I call being Hard Headed!

Nico: Yep! Nice one.

Me: Thanks.

Nico: You're welcome.

Me: Sheila I hope that doesn't give you a terrible concussion.

Another Grumblemon: I'm okay. But thank you mates.

Me: No problem.

Maria: (gets out Movie Cronby the Troll's Ridewatch) Can you believe I'm using the Ridewatch of a Goosebumps monster?

Me: This I got to see.

She activated it and punched the ground and numerous earth trolls came out and then smashed Another Grumblemon down In a powerful punchfest.

Me: WHOA! I don't really know if Trolls have earth powers or not but that was cool.

Cronby: That was great though.

Maria: Thanks.

Nico: I agree.

Then Dai Gui and his team came out and he had Mudslide, Isaak Fernand Von Kemphur, Universe 666 Morgana, The Finisher and Universe 666 McLeach.

Me: COOL!

Nico: Nice team, Dai Gui!

Dai Gui: Thanks Nico.

Leni then screamed and jumped into my arms!

Leni: EW! That is one disgusting Rat!

Finisher: Wah wah wah.

Me: Leni it's all right. He's not a real rat. In fact me and the Brave 12 faced this rat.

I went over to it and put on a glove and pulled off its skin and it was really a robot.

Leni: It's a robot?

Me: Yep. But he smelled really bad and was a really foul one.

Xenia: Geez.

Another Grumblemon: That is cool mates.

Nico: Yeah. (Sniffs) WHEW! That one still stinks!

Me: No kidding.

Dai Gui: Yeah but you just have to get used to it.

Me: Easier said than done.

Maria: Is the next Gene Slammer near?

Me: She should be.

Then…

SLASH!

A Scyther came and slashed Another Grumblemon and knocked her down! I caught the Ridewatch and purified it and Lincoln went over to Sheila and she was a girl with red hair and had blue eyes and black clothes and she had 5 sets of Angel Wings and they each had the symbols of the 9 planets and the sun on them. Also Sheila had the Armenian Symbol of The Solar System emblazoned in the middle of her forehead.

Lincoln picked her up.

Sheila Thatcher: (Groans) Crikey that is one bad headache.

Lincoln: But you're back to normal.

She and Lincoln hugged.

Me: But that Scyther saved you.

Nico: Yeah.

Scyther: (In a girls voice) And it looks like I arrived in time too.

Nico: (GASP) Bianca Mantodea!

Scyther: That's right. Good to see you again Nico.

Nico: You too Bianca. Bianca is actually a Mantodean.

Shanan: Whoa! They are warriors from Mantea III in the Black Eye Galaxy and they are one of the strongest and most fastest and amazing swordmasters in the universe.

Scyther: That's right.

Sea: What's your favorite memory of Nico?

Scyther: My favorite is when me and Nico busted one of the biggest gangs in the world and I slashed them all over and dismembered all their henchmen and we busted their men.

Nico: Yep.

Me: That is amazing.

Lola: It sure is.

Me: Lets get you back to normal.

Nico pulled out a green jumpsuit.

Scyther: And yes I am naked.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and she reverted back.

Her blades turned back into hands.

She had green hair and green eyes and was back to normal and naked and Nico gave her the green jumpsuit and she put it on. She then got up.

Bianca Mantodea: That was rough. But man it's good to be back to normal.

Nico and Bianca hugged.

Nico: I've missed you.

Bianca Mantodea: Me too Nico. Me too.

We went back home.

* * *

Lincoln: Wow, we're here in Wayouttatown, Oregon, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got word Elder Toguro has come back from the dead seeking revenge on us, but this time, we're going to make sure he never comes back.

Nico: Elder Toguro has got some nerve showing his ugly face again.

Me: Even after we kicked his ass in The Demon World years ago and dealt with him when he came back as a zombie, but this time, we're going to see to it he never comes back.

Lincoln: Yeah, we're going to destroy him for good. Oh, and to answer your question, we did meet Vampirella on my rescue months ago.

Me: Oh. Man, it's hard keeping track on the girls you've rescued, Lincoln.

Bayonetta: (British Accent) Good thing we've been working on this.

Bayonetta took out a massive book and inside it were pages of the girls Lincoln's rescued, and man, it was really massive, and we did see Vampirella's name on it.

Nico: Lincoln's right, there's Vampirella's name. Man, you girls have been keeping track.

Girl Jordan: We sure have.

Sheila Thatcher: (Whistles) (Australian Accent) Looks like someone's been really busy rescuing girls all over the place.

Lily the Mermaid: And in addition, we've been meeting the Guardian Angels from his past, and to be honest, we can't keep track of how many Guardian Angels Linky has.

Bayonetta: (British Accent) But, they all came in his hour of need, and like the others said, darling, Huggins is a changed man, Lori, Lynn, Lola, Lisa, and Luan had their Dark Sides removed forever, and the rest, well, they're being used for humiliation fodder.

Sheila Thatcher: (Australian Accent) Too right, mate. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Sheila, are you absolutely sure about this?

Sheila Thatcher: (Australian Accent) (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Sheila Thatcher, and he saw that she's really serious, and he smiled as he walks over to Sheila Thatcher, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Sheila Thatcher's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sheila Thatcher's neck with multi-colored gems on the gold lightning bolts and multi-colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Sheila Thatcher: (Australian Accent)(Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sheila.

Sheila Thatcher had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them.

Lincoln: Normally, I would've saved that for after we did the rescue, but this had to be done.

Nico: Yeah, and Swartz had some nerve turning one of your Guardian Angels into Another Villain.

Lincoln: He's already paid for it when we sent his butt to The Black Gates, but now, we're cleaning up his mess, and thanks for joining us, Kole.

Kole: You're welcome, Lincoln.

Norbert Beaver: That Elder Toguro has got some nerve coming back, and here in Oregon. Well, now he's already called down the thunder, and now, we're going to obliterate him.

Daggett Beaver: Yeah! We'll show that spoothead what for!

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of twelve girls calling for help along with the sound of psychopathic and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the twelve girls, but they've been cornered by Elder Toguro, and he's going to kill them, and he also saw two female beavers there: the little one is Stacy, Norbert's little sister, and the other is Treeflower.

Lincoln: (Gasps) Let's get over there at once, guys, I found the twelve girls, but they've been cornered by Elder Toguro, and he's going to kill them, and I also saw two female beavers there: the little one is Stacy, Norbert's little sister, and the other is Treeflower.

Norbert Beaver: (Gasps) What the?! My little sister and my love interest have been caught in the path of Elder Toguro?!

?: (Girl's voice) That psychopathic demon, let's get him!

Suddenly, we saw Elemental HERO Cosmo Neos appear before us.

Nico: Whoa, that's Elemental HERO Cosmo Neos, way cool.

Lincoln: (Gasps) That voice, Raquel Carrigan, I knew it was you, but we'll talk later, let's put an end to Elder Toguro for good.

We rushed on over, and before Elder Toguro could kill the girls to slake his bloodlust, Lincoln fired powerful rainbow energy blasts at the murderous demon, and that allowed the twelve girls to get away and into a rainbow energy field to protect them from Elder Toguro, and when he saw us again, he was beyond pissed off, and before he could get after us, Lincoln punched him hard in the face and he went flying back, and that really pissed him off big time.

Elder Toguro: Well, well, it's been a long time, Team Loud Phoenix Storm.

Nico: Not long enough. I thought we wouldn't have to see your face again, Elder Toguro.

Elder Toguro: Yes, I remembered, you all obliterated me long ago. Well, now, now I'm back, and I will have my revenge on you!

Elder Toguro turned his hand into a sharp claw and he slashed at Stacy cutting her cheek, and at Treeflower, leaving slash marks on her suit, and that caused Norbert to gasp in total shock, but we soon saw his shock give way to really explosive anger. UH OH!

Norbert Beaver: (Screaming in Extreme Rage) ELDER TOGURO!

Norbert Beaver fired a blast of water at Elder Toguro and pushed him back as he crashed into a tree, and then, he ran to Stacy and Treeflower.

Stacy Beaver: (Crying) Brother Norby, it hurts, it hurts so bad.

Norbert Beaver: Shh, it's okay, Stacy. Lincoln, can you…?

Lincoln: On it.

Lincoln cleaned up Stacy's mark on her cheek and it healed as he put a bandage on her cheek, and Norbert healed Treeflower, and they ran into the energy field, and just in time as Elder Toguro came out again.

Norbert Beaver: You've really done it now, you ugly, shape-shifting demon! Now, you're going to get it!

Suddenly, something within Norbert's mind really snapped as memories of Elder Toguro's crimes and what he just did in attacking his little sister Stacy and his love interest, Treeflower, rushed through his head, and his eyes turned from black to marine blue and they turned neon marine blue and he was surrounded by an aqua blue energy aura with water, ocean waves, and beavers, he unholstered his massive Defender of Oregon greatsword from his back, and as he approached Elder Toguro, he left aqua blue energy, water, ocean waves, and beavers with every step.

Norbert Beaver: You absolutely make me sick, Elder Toguro, what you've done over the years has proven to me that you really are a sick, twisted, heartless psychopath who desires only blood. (SUDDENLY GETTING MASSIVELY AND EXTREMELY PISSED

OFF) And what you just did in attacking my little sister, Stacy, and Treeflower, and right in front of my eyes… , YOU'VE ABSOLUTELY DONE IT, YOU UGLY SHAPE-SHIFTING SCUMBAG, YOU CROSSED THE LINE FOR THE FINAL TIME! NO ONE, AND I MEAN, NO ONE ATTACKS THOSE CLOSE TO ME AND GETS AWAY WITH IT, AND NOW, I WILL DESTROY EVERY LAST SINGLE TRACE OF YOU UNTIL NOTHING IS LEFT OF YOUR PATHETIC AND WRETCHED EXISTENCE, YOU GOOD-FOR-NOTHING WRETCHED SPOOT-HEAD!

We gasped at the really massive extent of Norbert's rage and fury: Elder Toguro has really crossed it big time.

Daggett: Please, tell me I didn't just hear…?!

Nico: You did, Dag, Norb's really lost it big time, and now, his anger's about to be unleashed infinite-fold on Elder Toguro.

Lincoln: What he did in attacking his little sister and love interest and right in front of his eyes really crossed it big time, and now, the normally cool under-pressure Norbert Beaver has snapped big time. STAND YOUR GROUND, TEAM! HE'S GOING TO BLOW!

We stood our ground as Norbert Beaver screamed like an insane madman and he was surrounded by a massive vortex of aqua blue energy with ocean waves and water surrounding the vortex, there are beavers swimming around the vortex, and in the vortex is a blonde phoenix. Then, as the vortex faded, Norbert emerged, but he was changed forever.

Norbert Beaver grew to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight pack abs, the yellow sclera of his eyes remained the same, he has marine blue highlights in the bangs of his spiky hair, he has neon marine blue eyes and an aqua blue energy aura with ocean waves, water, and beavers surrounding him, he has a beaver with a drop of water emblazoned on his forehead and Third Eye with aqua blue iris and his tail's gotten longer for his new body, he has on a Crystal Necklace of The Buddha with marine blue gems embedded on the gold water drop links and marine blue crystal links and a marine blue beaver-shaped Element of Harmony and on the bottom of the

Element of Harmony is a beaver with marine blue gems for eyes and holding the Water and Eternity Kanjis in its paws for the pendant on his bare chest, he has on a pair of marine blue shorts with ocean waves, large gold bracers on his massive biceps and thighs, and no shoes and on his wider and more muscular back is a beaver surrounded by water. Suddenly, Norbert Beaver felt a sharp pain on his wider and more muscular back, and then, massive blonde angel wings with ocean blue tips, grew and sprouted out of his back, he has on a Ring of The Phoenix with large aqua blue gem on the gold ring on his right ring finger and an Indigo Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Norbert Beaver's massive Defender of Wayouttatown greatsword and all the swords he'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, ocean waves, water, and beavers, and when it emerged, it's transformed into Hydros' Primordial Maelstrom Ocean Beaver Greatsword of Primordial Maelstrom Justice, it's a brand-new massive greatsword with embedded aqua blue gems and the Greek Titan God of Water, Hydros, etched on the 7'0" massive, wide, double-edged ocean blue blade, large aqua blue beaver heads for the crossguard, large white angel face embedded in the rainguard with large ocean blue gem embedded in its forehead, longer midnight black handle, four large aqua blue beaver heads with ocean blue gems for eyes and a large marine blue gem on the bottom of the beaver heads for the pommel, he has on his large gold cuff Bracelets of the Champions of The Universe with ocean blue gems on his wrists, gold Belt of Elemental Bravery with gold beaver head with ocean blue blue gems for eyes and a large ocean blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip and his Eater of Sins revolver. There's an ocean blue kanji below the beaver that said, "Norbert Foster Beaver, Laid-Back Older Brother of Daggett Beaver, Stacy Beaver, and Chelsea Beaver, Loving Eldest Son of Leonard and Rose Beaver, Ladies Man of Oregon, Compassionate Beaver and Friend of Many, Popular Trendsetter, Huge Fan of Oxnard Montalvo, Humiliator of Scientist One and Pete, Destroyer of Elder Toguro, Emissary and Champion of Hydros, Archenemy of Universe 666 Kamen Rider King, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Ocean Waves, Water, and Beavers"

Norbert Beaver has transformed into SUPER ANGEL-BEAVER-HARMONY CELESTIAL ETERNAL XELNAGA OCEANIC MAELSTROM PRIMORDIAL WATER BEAVER ANGEL OF DIVINE OCEANIC MAELSTROM PRIMORDIAL WATER JUSTICE AND DIVINE OCEANIC MAELSTROM PRIMORDIAL WATER COMPASSION!

We were amazed by Norbert Beaver's Super Angel-Beaver-Harmony Celestial Eternal Xelnaga transformation, but when Elder Toguro saw it, he laughed like an insane madman and morphed his hands into claws to kill him, but Norbert fired a powerful aqua blue energy blast with ocean waves, water, and beavers at Elder Toguro, and it slashed off his claw fingers, but he regenerated them.

Norbert Beaver: (Divine Echoing Cosmic Voice of The Primordial Maelstrom Ocean Beaver and Divine Oceanic Maelstrom Primordial Water Compassion) At this point, I don't even care if you can easily regenerate from every attack I give you, Elder Toguro, you're going to die here and now, and this time, you're never coming back!

Norbert Beaver went after Elder Toguro, and he fired extremely powerful blasts of aqua blue energy, ocean waves, water, and beavers at Elder Toguro and they exploded as they hit him, and he slashed at Elder Toguro with his massive greatsword, but every time, Elder Toguro's wounds regenerated.

Lincoln: Whoa, Norbert's really tearing Elder Toguro apart, but his regeneration factor's making it impossible for that demon to fall down and die. Let's give Norb a hand.

Nico: Yeah, let's get that son of a bitch!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Kole, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Elder Toguro, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Norbert Beaver: (Divine Echoing Cosmic Voice of The Primordial Maelstrom Ocean Beaver and Divine Oceanic Maelstrom Primordial Water Compassion) This is for everything that you've done to all those who crossed your path. OCEAN STYLE NINJA ART: RAGING OCEAN MASSACRE!

Norbert Beaver fired massive waves of water from every swing of his massive greatsword which hits Elder Toguro, and he was drowned heavily in the waters. Then, Lincoln sent Elder Toguro flying into the air, and he fired a massive black energy beam right at Elder Toguro, and it exploded with incredible power as it hit him and not only was he obliterated, but Elder Toguro was also given The Black Gates and he was erased from existence forever. We cheered as we holstered our weapons and powered down, and Norbert Beaver's new body, clothes, weapons, jewelry, Third Eye, and massive blonde angel wings are permanent.

Daggett Beaver: Whoa, now that was nuts!

Norbert Beaver: You got that right, Dag, but wow, I really lost it big time and really exploded with fury. (Sees himself in a mirror) And not only that, but I've also transformed and got quite a makeover in the process.

Lincoln: That's what happens when you transform, Norb, and now, we're finally rid of Elder Toguro for good. (To Raquel Carrigan) And it's so good to see you again, Raquel Carrigan.

Raquel Carrigan reverted back to normal, and she's beautiful girl with long flowing pink hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful purple and white angel wings with stars as she reigned in the power of Elemental HERO Cosmo Neos, she has on a sleeveless open dark pink blouse, sleeveless pink shirt, pink skirt, pink pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with stars and elemental forces on the coattails and on the back is Elemental HERO Cosmo Neos and holstered on her back is a massive Elemental HERO Cosmo Neos-themed greatsword with embedded pink gems and Elemental HERO Cosmo Neos etched etched on the 7'0" massive, wide, double-edged pink blade, large angel heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large angel heads and large pink gem on the bottom of the large angel heads for the pommel.

Raquel Carrigan: You too, Lincoln, it's been a long time, and it's so good to see you again, Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, and Jennifer Torrance.

Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, and Jennifer Torrance: You too, Raquel.

Lincoln went up to Raquel Carrigan and he hugged her, and Raquel Carrigan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were fifteen, and as you can see, I really grew a lot since then.

Raquel Carrigan: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Raquel Carrigan, she's my Guardian Angel from Michigan and she's my classmate in Math. Raquel Carrigan is the second most powerful of the Elemental HERO Neos Gene-Slammers, and she's a really incredible powerful person with power over the stars and the elemental forces. She is also friends with Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, and Jennifer Torrance, the other Elemental HERO Neos Gene-Slammers.

Eli: That's really awesome.

Lincoln: And she's defended me from Chandler, Pablo, and

Anderson at the worst of their wrath, Flip, Scoots, Lewis Travolta, and Lori, Lynn, Lola, Lisa, and Luan at the completely worst of their out-of-control wrath.

Nico: Awesome.

Lincoln: But, there's only one person who absolutely deserved her hatred: Emily McKale's evil ex-older sister, Amy McKale, she absolutely hated her with an absolutely burning passion.

We gasped.

Nico: Uh oh, I've got a feeling we're in for one nasty story about her later on.

Raquel Carrigan: And it's also another reason why she deserved to die. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Raquel, are you absolutely sure about this?

Raquel Carrigan: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Raquel Carrigan, and he saw that she's really serious, and he smiled as he walks over to Raquel Carrigan, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Shayla Sigmar's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Raquel Carrigan's neck with pink gems on the gold lightning bolts and purple crystal links from her merged Crystal

Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Raquel Carrigan: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Raquel.

Raquel Carrigan had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he recognized them immediately. The twelve girls are Yukino Agria, Jenny Realight, Arania Web, Millianna, Minerva Orlando, and Beth Vanderwood from Fairy Tail, Hanabatake Yoshiko, Fuuki Iinchou, and Sumino Sayaka from Aho Girl, and Rouge, Ayame, and Julia Whitepearl from Power Stone.

Lincoln: Oh wow, it's Yukino Agria, Jenny Realight, Arania Web, Millianna, Minerva Orlando, and Beth Vanderwood from Fairy Tail, Hanabatake Yoshiko, Fuuki Iinchou, and Sumino Sayaka from Aho Girl, and Rouge, Ayame, and Julia Whitepearl from Power Stone.

Nicole: Awesome, and it looks like Natsu and his friends are in for one big reunion.

Lincoln: It sure looks like it. Are you girls okay?

Yukino Agria: Yes, we're okay, thanks to you.

Then, when Yukino Agria and the other eleven girls saw who it was that saved them from Elder Toguro, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Yukino Agria: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yukino Agria: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yukino Agria, Jenny Realight, Arania Web, Millianna, Minerva Orlando, Beth Vanderwood, Hanabatake Yoshiko, Fuuki Iinchou, Sumino Sayaka, Rouge, Ayame, and Julia Whitepearl with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Elder Toguro, who came back from the dead seeking revenge on us.

But, when Lincoln showed what happened such as Norbert Beaver transforming into his Super Angel-Beaver-Harmony Celestial Eternal Xelnaga form and he and all of us laid down a brutal beatdown and Lincoln finished him off by launching Elder Toguro into the air and firing a massive black energy beam at him which obliterated him and sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Raquel Carrigan have a lot of catching up to do, now that she's back in town.

Maria: Damn, I never expected Elder Toguro to show up in Oregon, and what he did in attacking Norb's little sister, Stacy, and Treeflower like that, the bastard had a death wish.

Lincoln: He sure did, and Norbert and all of us answered that death wish, and he's now gone for good.

Nico: Good riddance.

Me: Yeah, he was and always will be scum.

---

After finally getting rid of Elder Toguro and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sheila Thatcher and Raquel Carrigan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sheila Thatcher: (Australian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Raquel Carrigan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Raquel Carrigan: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Raquel, what's the scoop on why you absolutely hated Amy McKale with an absolutely burning passion?

Lincoln put down the heavy barbells and he went over to Raquel Carrigan, in case she was about to tell her tale.

Raquel Carrigan: I was hoping not to relive this nightmare again, but you guys have a right to know about it: the reason why I absolutely hate that bloodthirsty savage, Amy McKale, is due to the fact that years ago, my parents were murdered by that bloodthirsty savage, and I was only fifteen at the time of that incident.

Those who hadn't joined at that time gasped in shock, and Lincoln hugged her as she cried on his chest.

Lincoln: I still remembered that incident all too well. Amy busted out of jail and went on a rampage again, and during that time, Raquel was at school. When the principal called her and told her what happened, she was horrified. She ran out of there and the other Guardian Angels followed and so did I when they came to pick me up, and when we arrived at the house, it was a massacre, Mr. and Mrs. Carrigan had their throats slit and blood pooled around their dead bodies, but then, that's when we saw who it was that did this: it was Emily's ex-older sister and bloodthirsty savage, Amy McKale, and she literally drank the blood of Mr. and Mrs. Carrigan and she ran at us with a knife to kill us, but Raquel snapped and she punched Amy hard in the face and she pounced on her and she viciously beat her up badly. Nicholette and Jackie got her off, but Sarah Tinsley fired an energy blast which tied Amy McKale up, and we called the cops, who then took Amy McKale back to jail, and she screamed in fury that when she gets out again, she'll kill us all.

Nico: She really is nothing but pure out-of-control evil!

Lori: Makes me literally glad we finally put her down for good and Lincoln gave her The Black Gates when she came back again for revenge.

Emily McKale: Which proved my point of Amy being nothing more than a monster with a thirst for blood, but to murder our friend's parents in cold blood and literally drink their blood, she really is nothing more than an inhuman monster.

We got a shower afterwards, and then, Lincoln, Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles are heading to Sardinia Beach in Italy.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles each have feelings for Lincoln, and he also had feelings for them as well, he saved them when Pablo and Anderson broke out to kill them for revenge again, but Lincoln saved them, and he smashed those heartless psychopaths into the dirt before he tied them up again.

Moonlight Raven: Wow, we're here in Sardinia Beach in Italy.

Lincoln: We've checked out many beaches in Italy before, but this is the first time we're going here to Sardinia Beach, Moonlight Raven. Shall we?

Lincoln, Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles and they hugged the girls in their abnormally massive and powerful muscular arms and Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time in Italy, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, Salon Maiden Anabel, Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine Smiles with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Rarity: And I always knew Amethyst Star, Cloudchaser, Flitter, Kerfuffle, Lily Lace and Inky Rose, Moonlight Raven, and Sunshine

Smiles had feelings for Linky.

May: Same with Zoey, Miette, Daisy, Violet and Lily A.K.A. The Sensational Sisters, Aria, and Salon Maiden Anabel.

Moonlight Raven: And he saved us when Pablo and Anderson broke out to kill us again for revenge.

Lincoln: Those two buttfaces were asking for it. Next time, we'll tie their underwear to tree branches.

Emily Lane: Leave that one to me, Lincoln.

Lori: Oh no.

Nico: The Topaz Underwear Shame Hanger is about to strike again! Those two chose the wrong day to wear underwear.

Lincoln: Many bullies have fallen victim to her tactic of tying their underwear to tree branches, and it always ends in humiliation.

* * *

What appeared to be Poromon appeared outside the school in a flash of light. The Poromon, who was really a Terminator robot, saw the Trinity of Violence and scanned them.

Lola= Likes tattletaling

Lynn= Like doing dutch ovens

Lori= Likes farting

Lori: (offended) It's my shoe, okay?!

Lola: Guys, does Poromon look a little serious today?

Terminator Poromon: (to Lori) I need your gun.

Lori: (gives him toy gun) Here you go, evil looking Poromon. (he gives her a look) Hey, you don't literally rely on guns that much when you got powerful abilities!

Terminator Poromon: (to Lynn) I need YOUR gun.

Lynn: (gives him gun) We ALL should have one in self defense. (Terminator Poromon is about to leave) Wait. Might you be returning?

Terminator Poromon: Yes. I shall be returning.

Lynn: Could you say it in a more memorable way?

Terminator Poromon: See you in a bit?

Lynn: More menacing.

Terminator Poromon: Let's all circle back.

Lynn: No!

Terminator Poromon: Catch you on the flip side.

Lynn: No!

Terminator Poromon: I will see you mañana.

Lynn: No!

Terminator Poromon: Let's do coffee sooner than later.

Trinity of Violence: No!

Terminator Poromon:: Well, I don't know! Look, I'll think of some more, and I'll be back. (leaves)

Trinity of Violence: (gasp happily)

Okay that was weird and funny. But that was awesome.

I saw Poromon leave.

Me: That was weird.

Then my Data Eyes beeped.

Me: What the? Poromon can't be.

Nico: Can't be what?

Me: It's nothing. But I have a feeling that Poromon is not acting like himself.

Aoi: So, girls. How was school today?

Lori: It was good thank you.

Lynn: Other than the fact that Poromon asked for our guns it was cool.

Poromon: I don't have any guns on me. I don't even have any hands in order to use one.

Qin: What the?

Lola: Then who did we give our guns to?

Me: Hmm.

Lana: That is weird.

Me: Hmm. Major Dr. Ghastly what do you make of it?

Major Dr. Ghastly: I would say that the Poromon here is our own but the one that went up to the Trinity of Violence is some kind of fake.

Me: I was thinking the same thing.

Camie: Hmm.

Me: My data eyes did beep when I saw him. I'll be right back.

I teleported and then I arrived at the school and smelled red hot asphalt and I got to what appeared to be a glowing red hot pothole in the street.

Me: Hmm. This is a fresh hole. It's still hot. Hmm.

Computer: Residual temporal energy detected.

Me: Residual temporal energy? Hmm.

Later the Terminator Poromon came across a thug.

Thug: (to Terminator Poromon) Lucky me! I get to kill one of the mascots!

Terminator Poromon simply killed him with a shot from the gun. He took his shades, used a Dark Orb to shrink down his leather jacket to his size, and got on his motorcycle.

Bad to The Bone by George Thorogood & The Destroyers plays.

He got on it and drove off.

BAD TO THE BONE!

Brittney: You think Hiroshi or Masato made a fake Poromon?

Nico: It's highly unlikely.

I teleported back.

Nico: What did you find?

Me: A glowing red hot pothole in the parking lot of the school and it had temporal energy around it.

Nico: Hmm. (GASP) Oh no. A Terminator is here!

Me: A Terminator!? I thought this was familiar.

Elyon Brown: It's not my archenemy is it?

Eli: No I sense that it's a Terminator that looks like one of the Mascots!

Nico: Wait. Can you repeat that again?

Eli: It's a Terminator that looks like Poromon!

Nico gasped!

Poromon: A Terminator version of me!?

Qin: How can that be!?

Xenia: A Terminator version of Poromon!? That's crazy!

Cybertron Scourge: And highly ridiculous!

Me: That can't be right! We made sure that nothing was left of SKYNET!

Lola: Yeah!

Me: Hmm. Unless. Maybe this is a plan that Evil Nico from Universe 666 had in store for Nico.

Lola: Oh boy.

Vroon: I bet it's not THAT dangerous!

Me: We'll have to find out if we come across it.

Lola: Yeah.

Varie: What are we going to do?

Nico: We got to find that Terminator Poromon and destroy it.

Xenia: That's right.

Nico: Swoop go find him.

Swoop went and did so.

But he came back.

Swoop: Me Swoop no find him.

Me: He's a mascot size Terminator so he will be difficult to find. It'll be like looking for a needle in a haystack.

Eli: That is for sure.

Camie: Yeah.

Xenia: But we have to find him fast.

Me: Maybe he will come to us on our next mission.

Nico: Ae least you tried, Swoop.

Swoop: Me Swoop thank you.

Nico: You're welcome.

Qin: But we will find him.

Me: Sarah I'm sorry if this reopens old wounds.

Sarah Connor: No worries J.D.

Francis: Nico, which teams have you made?

Nico: Fluttershy's team will include Sailor Juno, Bianca Dehli, Miana & Maina, Yuko Tani, and Vampirella. Style Queen's team will include Yelan, Jordan Ramsey, Red Sonja, Phantom Lady, and Lucy (Elfen Lied)

Me: Cool!

Qin: Awesome.

Me: We haven't met Red Sonja, Phantom Lady and Vampirella yet.

Xenia: That will be awesome.

Style Queen: It'll be awesome having a team.

Fluttershy: Oh it will be amazing too.

Then the previous group appeared.

Krusty: Hey hey kiddies! (GOOFY LAUGHTER)

Gizmo: Can me, Duskmon, Evil Green Ranger, Koragg, Condiment King, Robo Roxy, Shendu, Gentleman Ghost, Selene, and Krusty.

Eustace: I guess me, Phantom Blot, Mandragora, Darcy, Big Cheese, Evil Clayface, Evil Butane Man, Pericles, Zara, and Quackerjack will come as well.

Nico: Yes you guys can come with and you will like this one. We're going to Antarctica and we're going to meet Mumble and his friends from the movie Happy Feet.

Lana: Awesome! I love Happy Feet.

Nico: Yep. But we have a problem.

We told them everything and they were shocked!

Koragg: A Terminator Poromon!? How can that be!?

Me: That's what we are wondering.

Runabout: Boss, which Gene Slammers do you think you'll meet next?

Nico: First, there are some more people joining us.

Me: Yep.

I snapped my fingers and out came The Flashman team from 1986.

Jin: Hey guys!

Nico: Awesome to see you guys again Jin.

Jin: You too.

Sara Tokimura: But we're truly honored to be part of the team now and it's awesome to be back in action.

Me: Yeah it sure is.

Nico: Yeah and to answer your question, I'm hoping to do ones for Electabuzz, Magmar and Pinsir next.

Qin: Ooh! That is gonna be awesome!

Lola: Yep.

Koragg: Oh here is one you might know.

A Jynx came out.

Me: Whoa a Jynx.

Lola: Cool!

Jynx: (In a girls voice) I'm glad I came too.

Nico: Jenna Jinda! Whoa!

Qin: Nice to see you Jenna.

Jynx: Same here Qin.

May: What's your favorite memory of Nico?

Jynx: My favorite is when me and Nico won the Dance championship and that was so fun.

Lola: That is cool.

Me: It sure is. Lets revert you back now.

I put on my blind man glasses and Nico got out a Magenta Jumpsuit and we covered our eyes as I snapped my fingers and she reverted back.

Jenna was back to normal but naked and she put on the jumpsuit.

Duskmon: Should we watch the movie first?

Phantom Blot: That's pretty much routine at this point.

Me: Good idea.

We got to watching the movie.

Every emperor penguin attracts a mate by singing a unique "heartsong". If the male penguin's heartsong matches the female's song, the two penguins mate. Norma Jean, a female penguin, falls for Memphis, a male penguin and they become mates. They lay an egg, which Memphis cares for while Norma Jean leaves with the other females to fish. While the males struggle through the harsh winter, Memphis briefly drops the egg. The resulting chick, Mumble, is unable to sing but can tap dance. Nevertheless, he is enamored with Gloria, a female penguin who is regarded as the most talented of her age. One day, Mumble encounters a group of hostile skua, with a leader who is tagged with a yellow band, which he says is from an alien abduction. Mumble narrowly escapes the hungry birds by falling into a crevice.

Now a young adult, Mumble is frequently ridiculed by the elders and their leader Noah. After escaping from a leopard seal attack, Mumble befriends five Adelie penguins named Ramón, Nestor, Lombardo, Rinaldo and Raul, known collectively as "the Amigos", who embrace Mumble's dance moves and assimilate him into their group. After seeing a hidden human excavator in an avalanche, they opt to ask Lovelace, a rockhopper penguin, about its origin. Lovelace has the plastic rings of a six pack entangled around his neck, saying that they have been bestowed upon him by mystic beings.

For the emperor penguins, it is mating season and Gloria is the center of attention. The Amigos unsuccessfully attempt to help Mumble win her affection by having Ramón sing a Spanish version of "My Way" behind Mumble, with the latter lip syncing. After Mumble desperately begins tap dancing in synch with her song, she falls for him and the youthful penguins join in for singing and dancing to "Boogie Wonderland". The elders are appalled by Mumble's conduct, which they see as the reason for their lean fishing season. Memphis begs Mumble to stop dancing, for his own sake, but when Mumble refuses, he is exiled.

Mumble and the Amigos return to Lovelace, only to find him being choked by the plastic rings. Lovelace confesses they were snagged on him while swimming off the forbidden shores, beyond the land of the elephant seals. Not long into their journey, Gloria encounters them, wishing to become Mumble's mate. Fearing for her safety, he ridicules Gloria, driving her away.

At the forbidden shore, Mumble, Lovelace and the Amigos are attacked by the two orcas, during which Lovelace gets free from the plastic rings. After escaping, they find a fishing boat. Mumble exhaustingly pursues it alone, eventually washing up on the shore of Florida, where he is rescued and kept at Sea World with Magellanic penguins. After a long and secluded confinement in addition to fruitlessly trying to communicate with the humans, he nearly succumbs to madness. When a girl attempts to interact with Mumble by tapping the glass, he starts dancing, which attracts a large crowd. He is released back into the wild, with a tracking device attached to his back. He returns to his colony and challenges the will of the elders. Memphis reconciles with him, just as a research team arrives, verifying Mumble's statements of "aliens" existing. The entire colony engages in dance in front of the research team, whose expedition footage prompts a worldwide debate, which eventually leads to the banning of all Antarctic overfishing, satisfying both the emperor penguins and the Amigos.

When it was done we cheered and it was awesome!

Qin: Love Happy Feet!

Nico: Yeah their dancing is great!

Lola: Yeah it is.

Laney: They dance really awesomely.

Nico: They sure do.

Camie: Yeah!

Jewel Man: You two really missed each other, huh?

Jenna Jinda: We sure did.

Nico: Yeah.

They hugged and Qin hugged them too.

Me: Aww.

Nico: Yeah. Lets bundle up and head on out to Antarctica.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Mateo Silva of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Mateo Silva of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened to Diego Rangel yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Emilia Ashenveil: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Mateo Silva for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: But, it's still hard to believe that these guys have caused this kind of horror and terror in Mexico years ago with their sacrificial rituals.

Ronnie Anne: Sol and Luna knew about those creeps long ago, but they lived in Mexico City at the time, however the stories of what Antonio Maldonado and his twisted order were doing have been widespread there.

Luna Rodriguez: (Spanish Accent) The stories of sacrificial rituals by those fanatics were really bad, but to find out that among their plans, they tried and desecrate the bodies of the dead for their sacrificial rituals, that really angered us.

Sol Rodriguez: (Spanish Accent) We'd known from our parents that you never ever desecrate the bodies of the dead, that's considered inviting the spirits of the dead to take revenge on you.

Lincoln: And based on our experiences with spirits, that's one thing no one would ever attempt to do.

Nico: Yeah, desecration of the dead for dark rituals is not only viewed as a sin in many cultures, but it means that by doing so, you've invoked the wrath of the dead, and they won't stop until they killed the one who had done the desecration. Alright, gang, let's go, we're heading to Antarctica to meet Mumble and the penguins.

Lincoln snapped his fingers and he was in really warm winter clothes, and we did the same thing and we were in our winter clothes.

Lincoln: We're so in for one awesome wintery time there. But, we also got word that the Terminator Poromon is there, so we've got to stop him, and once we get done with him, you're next, Mateo Silva.

Emilia Ashenveil: (Spanish Accent) We'd already gotten rid of Diego Rangel, and now, it's your turn to die.

We got on our warmest fur parkas and went out to Antarctica.

---

MCMURDO ICE SHELF, ANTARCTICA

---

We arrived and we were at the McMurdo Ice Shelf.

Qin: Here we are.

Me: Yep.

Lola: Wow.

Camie: Man is it cold!

Me: It's the South Pole. What did you expect.

Darcy: Shouldn't be too hard to kill that Terminator with a burning sword.

Koragg: I believe that would be my light counterpart's weapon of choice.

Leanbow: That's true.

Nico: Yep.

We then heard music.

Me: Hey I hear music.

Nico: We're close.

Maria: If that music's Bad to the Bone, the Terminator Poromon must be close!

Randy Boggs: I'll go invisible and catch it by surprise!

Me: Wait I know that song. It's U Can't Touch This by M.C. Hammer.

Maria: Love That one.

Me: Lets go.

We went over and saw Mumble and his friends dancing.

We danced and it was cool.

Mumble saw us and we were dancing.

Mumble: Oh yeah!

Me: Hello Mumble!

Mumble: Wow! Team Loud Phoenix Storm it's an honor.

Robo Roxy: Hi there! Mumble, right?

Evil Clayface: Good thing I'm not freezing right now!

Mumble: Yes that's right. And it's awesome having you guys with us.

Fluttershy: Oh you guys are all so cute.

Young Emperor Penguin: Thanks Fluttershy.

Me: Emperor Penguins are the largest penguins here in Antarctica.

Xenia: They are beautiful birds too.

Lana: They look like awesome birds with tuxedos on.

Skipper: It's an honor to meet a fellow penguin.

G1 Chop Shop: (laughs) You, Private, Rico, and Kowalski must be really happy, huh?

Skipper: We sure are.

Mumble: Same here and it's awesome to have you guys here too. Also your dancing is really awesome.

Me: We get that all the time. But so is your dancing and you do great moves.

Xenia: Yeah.

Mumble: Thanks guys.

Me: It might be cold down here but we can always warm up by dancing.

Nico: Yep.

Selene: Some of us don't mind the cold.

Zara: Like May, for instance.

May: Yeah I love the cold.

Lana: I do too.

Rarity: It's awesome down here darlings.

Kate Lloyd: As long as we don't see the Thing here.

Me: Kate it'll be alright.

Mumble: Kate still hurts from that doesn't she?

Me: Yeah she does. The monster may be gone but the pain from those days still hurt.

Nico: Yeah. But your dancing is still awesome.

Qin: It sure is.

Laney: I love dancing too.

Camie: Same here.

Misty Tredwell: We all do. It's so awesome.

Me: Me and Misty and all of my future wives are great dancers.

Mumble: Awesome.

Fire Man: I personally don't mind the cold.

Varie: Well down here in Antarctica it's always cold.

Lana: Yeah. But we don't mind it.

Varie: Yeah.

Mumble: Want to dance some more?

Me: You bet we do!

We got to dancing to numerous awesome songs. But then we heard BAD TO THE BONE coming and that meant only one thing!

Krusty: Mumble, you have friends here, right?

Mumble: Why do you ask?

Quackerjack: We have to get them here. NOW!

Mumble went and got them.

Mumble: Um… can someone fill me in?

Blot: You know the evil doppelgängers of us?

Mumble: Yeah.

Me: Well this is an evil Poromon that is really a robot.

Mumble: Oh man!

Nico: Yeah.

Lola: And we have to destroy him.

Me: Here comes our foe. Entrance time?

Nico: Entrance time.

We went at Terminator Poromon.

He stopped and then the spirits of the Elements of Fire Swirled around him and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out.

Me: Terminator Poromon. Wow!

I looked at him and my data eyes analyzed him. He was a T-1000 model that looked like Poromon but he was built by Evil Nico who utilized SKYNET's data and files.

Me: Incredible! Evil Nico built you!

Qin: WHOA!

Nico: But how can that be!? Evil Nico couldn't have built you.

Terminator Poromon: Since you are this universe's version of my creator, Evil Nico, I shall tell you more about myself. As you know I am a Terminator Poromon. And yes I am a T-1000. I am the single greatest achievement by my creator Evil Nico. You see, in his efforts to conquer the world and the entire universe and multiverse, he developed me as a contingency plan in case he failed to do so and died in battle. So he made me from the salvaged data of the files and memories of the SKYNET computer system to utilize the designs of the Terminators. It was all part of a backup plan he had in case he died at the hands of another version of himself. Unfortunately for the good leader however he soon realized that with his power being spent with each battle the resistance was putting up his energy was draining fast and the project was far too complex and powerful to be completed during his lifetime. As such he diverted his attention to more immediate pursuits. But only after he programmed his computer with the enormous task of making me in which it was a project he had begun. The computer worked tirelessly to make me into what I am today and turned me into the mimetic polyalloy creation that you all see before you now. I was programmed for only one purpose and that is to destroy you Nico. Even though you are the good version of my creator, you still must be destroyed. I was programmed for that.

Me: So that's it! This was all a backup plan in case he fell in battle.

Eli: And we destroyed him last month!

Qin: Even in death he doesn't know when to quit!

Terminator Poromon: Yes that is correct. But I was programmed for something much more.

---

Terminator Poromon woke up from his slumber.

Computer: Subject: Terminator Poromon, activation sequence commencing.

Terminator Poromon: (Voiceover) There in my awakening when my capsule opened after my completion I learned of my programming through the voice of my creator, the Universe 666 version of you Nico.

Computer: Voice message activated.

Evil Nico: (On Computer as Recording) Terminator Poromon, you must listen carefully, you are my last chance for revenge and are my ultimate achievement. I have spent years making you from the acquirements of the data and memory files that I have salvaged from the wreckage of the SKYNET computer. And soon your awakening will be completed. If you are hearing this message it means that I have been destroyed by another universe's version of myself and I have not survived to see you awaken for the first time. And though that saddens me greatly it means that I know that my revenge will be realized through you. Nothing will stand in your way. Terminator Poromon, your primary target is to find the version of myself that destroyed me and avenge me. Seek him out and destroy him! Make sure his death is slow and excruciatingly painful! But never forget, After you destroy the version of me that destroyed me, your main objective is to destroy all of Team Loud Evil Storm's Enemies. Kill them all and avenge the entire team and make the entire planet pay for their crimes against us. Seek them out and destroy ALL of them!

Terminator Poromon: It will be done my creator.

Terminator Poromon's eyes glowed red with incredibly powerful evil.

FLASHBACK ENDS

Qin: WHOA!

Me: That is like what happened with Cell.

Goku: Yeah! Dr. Gero made Cell.

Trunks: And his story is very similar.

Piccolo: It sure is.

Gentleman Ghost: (to Good Cinder) Cinder, was there a version of Poromon on your world?

Good Cinder: Before I know about this scrapheap? No.

Pericles: (German Accent) An evil version of Nico would have no time for cute things.

Me: No way no how.

Terminator Poromon: Now to Terminate.

He formed his wings into swords and I blocked his strikes and sparks flew everywhere and I pulled out my blaster and fired.

BANG! BANG BANG!

I blasted him but the bullets weren't affecting him.

Me: (In my head) Just like in Terminator 2. But I do know what will destroy him.

Mumble: Why are you guys worried? He'll definitely fail at killing you guys, right?

Kevin Levin: Unless he has the capability to destroy us until there's nothing left!

Me: Yeah. But I do have a plan.

Nico: What is it?

Terminator Poromon fired his gun at Demolishor but Demolishor fired back.

Demolishor: You're not the only one with firepower, you know!

He fired waves of lasers and blasted him all over.

Qin: Take this!

She fired waves of fire and burned him.

Terminator Poromon: Jingle all the way!

Big Cheese: Christmas is already over, pal!

Condiment King: I don't even recognize where you got that!

Me: Yeah!

I fired waves of lightning and electrocuted him.

Me: Shocking huh.

I clashed with him some more.

Me: First we need to get the usual battles out of the way. But watch this.

I fired a nitrogen blast and it froze him solid.

Evil Butane Man: You're going down one way or another!

Nico: Guys, I agree we should destroy him. But I got an idea on what to do with him.

Shendu: Any idea would be nice!

Nico: We could rebuild the Terminator Poromon into serving us. Just like how we did it to the Peter Terminator.

Me: Hmm. That would be interesting and cool.

Xenia: Yeah if the Masters of Evil can have the T-1000 in their ranks, so can we with this one.

Me: Yep. But first this.

I took out my gun.

Me: (Imitating Arnold Schwarzenegger) Hasta la vista baby.

BANG!

I blasted him into a million pieces and shattered him!

Mumble: Problem solved, right?

Tornado Man: No. If we know our Terminators, he'll reform from that.

Me: Yep. All it takes is a little heat from the sun.

Lola: Yeah.

Me: But my plan originally was for to blast him with a grenade and then while he was blown up like that send him into a vat of molten steel and have him melt into nothing.

Laney: That would be awesome.

Eli: It sure would.

Me: Nico I will say this though, your evil self did an amazing job in making this version of Poromon.

Nico: He sure did. I'm really impressed. But it was for the wrong cause.

Qin: Yep.

Mumble: But at least you are doing something to stop him.

Qin: Yeah.

Evil Green Ranger: How long do you think it'll take for him to regenerate?

Mandragora: Probably 30 minutes.

Me: Plenty of time.

Nico: If it were in a steel mill it would have taken only 3 minutes.

Xenia: Yep.

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, Vortex, Evil Fire Man, Evil Magma Man, Evil Rainbow Man, Evil Xion, Frictor, Warp, Katty Kattswell, Quakemon, Cloak and Dagger, and Teen Tornado appeared.

Nico: Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane, Vortex, Evil Fire Man, Evil Magma Man, Evil Rainbow Man, Evil Xion, Frictor, Warp, Katty Kattswell, Quakemon, Cloak and Dagger, and Teen Tornado.

Firefly: Geez, I thought we were done with the evil Poromon look alikes!

Plastique: Too bad there was one more!

Whiteout: It's amazing how something that looks cute can turn out to be a threat.

Me: This one was a backup plant in case Evil Nico died.

Whiteout: Whoa.

Ghost: (to Nico) We heard you found stuff from Star's place.

Nico: We sure did.

Gearhead: What did you find?

Me: All sorts of books on the history of the Butterfly Dynasty and more and we went there to find out more about why the Butterfly Dynasty fell from grace.

Xenia: Yeah it was crazy.

?: I can tell.

A figure came out and it was UNIVERSE 666 DON ARMAGE!

---

**Don Armage** was the Shogun, leader of the Space Shogunate Jark Matter, and the main antagonist of *Uchu Sentai Kyuranger* . He is an enigmatic being who by conquering the 88 Constellation System became ruler of the universe. His ultimate goal is to destroy and recreate the universe free of suffering - nevermind the truth that the universe suffers because of Don Armage's tyranny.

Don Armage made his first attempt to conquer the universe 300 years before present time, only to be opposed by the 88 warriors of the Constellation Systems. Though seemingly defeated, Don Armage survived after Quervo secretly defected and allowed him to take him as his new host. With his new body, Armage founded the Jark Matter and led them in conquering the universe. Once the universe was under his control, Armage ordered his forces to begin draining Planetium from planets so he could use it to construct a universe destroying bomb.

After his death, he was succeeded as Shogun of Jark Matter by Don Arkage in *Lupinranger VS Patranger VS Kyuranger* .

He is voiced by Atsuki Tani, who previously voiced Chanbaano, a Mercenary Org and later voiced Don Arkage.

300 years ago, Don Armage attempted to conquer the universe, but was opposed by 88 warriors from each of the 88 star systems. He succeeded in killing 85 of the warriors, leaving only Tsurugi, Orion, and Quervo. During their battle, Quervo was fatally injured after taking an attack from Armage meant for Tsurugi.

Despite this, Tsurugi managed to overpower and defeated him, sacrificing his immortality in the process. However, Don Armage secretly managed to survive and approached the dying Quervo. Armage offered Quervo his power, which would make him as strong as Tsurugi. Quervo accepted Don Armage's offer and the Shogun merged his essence with the Karasu warrior, turning his body into a blend of his and Don Armage's called Don Quervo.

Don Armage then created a clone of his previous form and sent it to attack Tsurugi, while he restarted his conquest of the universe. He also ordered his subordinates to erase the Earth's history of the Houou Soldier and placed him on the top of his Black List.

Conquest of the Universe

Don Armage and the Jark Matter eventually conquered the 88 Constellation systems. He established the new capital of Jark Matter on the planet Southern Cross in the Minami Juuji System. The ruler of Southern Cross, the Southern King, allowed the Jark Matter to take over his planet due to his belief that the weak were destined to serve the strong whom dominated the universe. In exchange for his submission, Don Armage granted the Southern King the position of Karo of the Minami Juuji System.

Continuing his conquest in the Sasori System, Don Armage convinced Scorpio to join the Jark Matter in exchange for power. After Scorpio swore loyalty to Armage, the Shogun held up his end of the deal by transforming Scorpio into a scorpion monster.

Don Armage initially enlisted Scorpio as an assassin, but soon became pleased enough by his service that he promoted him to Karo of the now Jark Matter-controlled Sasori System. Secretly though, Scorpio aspired to kill Don Armage and usurp him as Shogun of Jark Matter so he could rule the universe himself.

## Conflicts with the Rebellion

He was later contacted by Eriedrone from his Big Moraimarz. Though Eriedrone intended to only inform him of the news of the subjugation of planet Crotus, Don Armage recognized that the Karo had been shamed by the Kyurangers and blasted him back. Armage ordered Eriedrone to eliminate the insurgents before immediately terminating the communication.

Discovering that the Kyurangers had arrived on Earth, Don Armage ordered Eriedrone and Stinger to eliminate them to prevent them from discovering the planet's secret.

Don Armage later tasked the assassin duo of Ikargen and Madakko on Earth with killing the Kyurangers. He later informed them of Scorpio's arrival on Earth and instructed them to welcome him.

In order to speed up the process of draining Earth's Planetium, Don Armage ordered a fleet of Moraimarz sent to the planet to hasten the process. He also instructed Scorpio to kill the Kyurangers to prevent their interference. After Scorpio was defeated by the Kyurnagers and defected from the Jark matter, Armage ordered Madakko to activate all of the Moraimars before throwing a dark energy projection at the Kyurangers to destroy them. However, the projection was deflected by Scorpio.

He later met with his three Vice-Shoguns: Tecchu, Akyanba, and Kukuruga and ordered them to destroy Tsurugi Ohtori.

## Confrontations with the Kyurangers

Half of the Kyurangers later traveled to the past to see what happened after Don Armage's battle with Tsurugi. While observing that Tsurugi really did kill Don Armage, the Shogun later revealed himself to have survived and attacked the Orion spaceship as it was heading to Earth, causing it to crash. As the Kyurangers left the downship, Don Armage attacked them.

He later reappeared when the Kyurangers and Orion were fighting the Vice Shoguns. Upon his appearance, the Kyurangers attacked and seemingly killed him, but Armage managed to survive and shot Lucky from afar. Emerging out of the smoke, Armage revealed his true form to the Kyurangers. Though Don Armage appeared to have been finally destroyed by Shishi Red Orion, when the Kyurangers traveled back to the present, they discovered that Don Armage had survived and remained in control of the universe.

It was later revealed that Don Armage had been possessing the universe's well-known Space King of Pop, Hoshi Minato. Noticing something was up, the Kyurangers went undercover to investigate Minato's odd behavior. Hammy, Naga and Lucky disguised themselves as an idol group called "Triple Q", with Spada and Tsurugi assuming the guise of the group's managers. The Kyurangers eventually unearthed the truth and Don Armage and Akyanba's influence was revealed. Emerging from Minato's body, Armage enlarged himself to fight the Kyurangers. After being defeated by both the Gigant Houou and Orion Battler, Armage stated that while the Kyurangers could defeat him, they still can't take his life, revealing that he has multiple.

Noticing that Tsurugi Ohtori was gathering the Kyutamas needed to break the barrier protecting Southern Cross, Don Armage ordered

Doctor Anton to protect the constellation systems. Anton informed the Shogun that the relevant Karos had their orders and that Mecha Madakko was present with him on planet Ghem in the Perseus System.

After learning that the barrier had been broken by the Kyurangers, Don Armage sent Aslan to eliminate Shishi Red. After the Southern King was destroyed by Lucky, Don Armage's image appeared before Lucky and Aslan. Armage revealed to Lucky that his father to act as a puppet, before recreating his mask to bring Aslan back under his control.

## True Identity Revealed

Don Armage later revealed to the Kyurangers his true form, the body of Quervo, revealing to the Kyurangers that Armage had been inhabiting Quervo's corpse. During the battle to destroy Jark Matter's Planetium Bomb, Don Quervo is defeated by the combined powers of the Kyurangers, causing Don Armage to exit Quervo's body and leave him at the mercy of the Kyurangers. After Quervo dies trying to make one final charge at Tsurugi, Armage takes the chance to possess the Houou Soldier's body, revealing this was plan all along. Armage then fires an energy blast at the Kyurangers, but Shou Ronpo sacrifices himself to block it before being absorbed by Don Armage.

## Possessing Tsurugi

After retreating back to the Orion, the Kyurangers go to confront Don Armage once again, with the Shogun sending his entire army after them. Despite their best efforts most of the Kyurangers are overwhelmed and defeated by Armage's army, leaving only Hammie and Lucky to confront Armage. However, Armage strikes down Chameleon Green before absorbing all of the Kyurangers save for Shishi Red into him, allowing him to power up further. But, he soon loses his new power when Lucky crams his Kyutama into Armage's body, reuniting the Kyurangers and allowing them all to break free from Armage, now fully powered up thanks to the Planetium Armage absorbed.

## Final Battle

Not done just yet, Armage absorbed everyone in the universe except for the Kyurangers to assume his final form to fight the Kyurangers, proclaiming that he has become the Universe. Initially overpowering the Kyurangers them, Armage explains his origins to them and how he intends to create a universe of suffering for everyone. However, the Kyurangers refuse to give up and, with the power of the universe on their side, manage to defeat Armage, though the victory is short lived as Armage grows giant. Summoning Kyutama, the Kyurangers defeat Armage again and force the Shogun to release everyone he absorbed back to their original planets. Getting up to face the Kyurangers one last time, Armage sends a blast of dark energy to send Lucky out into space, but Lucky manages to overpower Armage's attack and return to Earth to combine his power with the other eleven Kyurangers to ultimately destroy Armage, finally killing off the evil space tyrant.

Kyuranger Final Live Tour

In a parallel universe, the war with the Jark Matter never ended so that universe's Don Armage is sill alive. Don Armage sends Eriedrone with some Indavers and Tsuyoindavers to lure the Kyurangers to him. Lucky confronts him alone only to be possessed by the Don. After his footsoldiers are defeated, Don Lucky appears and attacks Tsurugi before revealing himself as Don Armage who promptly absorbs all of the Kyurangers besides Tsurugi and Kotaro who dodged and make their escape although Armage is unconcerned since they have a significant disadvantage. Shocked, Don Armage can only question how he can lose before the Kyurangers finish him off once and for all with the All-Star Final Crash. Mortally wounded, Don Armage rises to his feet before screaming out Dark Shishi Red's catchphrase and being obliterated.

Pipsqueak: (British Accent) And Marco got stabbed in the stomach. Thank goodness he lived. But man what a brutal confrontation.

Sunburn: No kidding. But at least Star and Marco are okay.

Plastique: Oh man!

Rainbow Dash: Yeah her name is Sheila Thatcher and she is a gene-slammer of all 10 of the Legendary Planets monsters. She is really awesome.

Plastique: Wow! That is amazing! She must be really gifted in Astronomy.

Scootaloo: She sure is.

Whirlwind: We were amazed to hear about that. Also she hates Killjoy Huggins with a vengeance and we are going to hear what it is that made him earn the full extent of her wrath later on.

Emily Littlefield: Whatever it was it must have been really bad.

## Ariel, Eli, Rarity, Sweetie Belle, Water Skylanders, Tammy Dyson, Nicole, Papillon and Randy Boggs VS Ghost - Meeting a Gene-slammer for Elemental HERO Cosmo Neos

---

Ghost was next.

Ghost: (to Ariel) I heard you guys met a Gene-slammer for Elemental HERO Cosmo Neos. What's her name?

Ariel: Her name is Raquel Carrigan and she is a really amazing and powerful force.

Eli: She sure is and she is a true master of the stars with her power.

Rarity: she sure is darlings and her story is a really cool one too.

Sweetie Belle: It sure. And when it comes to her you don't mess around. Especially when it came to Emily's out of control sister Amy.

Ghost: Uh oh. What did that monster do now?

Sweetie Belle: She murdered Raquel's parents in cold blood.

---

Raquel Carrigan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Raquel Carrigan: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Raquel, what's the scoop on why you absolutely hated Amy McKale with an absolutely burning passion?

Lincoln put down the heavy barbells and he went over to Raquel Carrigan, in case she was about to tell her tale.

Raquel Carrigan: I was hoping not to relive this nightmare again, but you guys have a right to know about it: the reason why I absolutely hate that bloodthirsty savage, Amy McKale, is due to the fact that years ago, my parents were murdered by that bloodthirsty savage, and I was only fifteen at the time of that incident.

Those who hadn't joined at that time gasped in shock, and Lincoln hugged her as she cried on his chest.

Lincoln: I still remembered that incident all too well. Amy busted out of jail and went on a rampage again, and during that time, Raquel was at school. When the principal called her and told her what happened, she was horrified. She ran out of there and the other Guardian Angels followed and so did I when they came to pick me up, and when we arrived at the house, it was a massacre, Mr. and Mrs. Carrigan had their throats slit and blood pooled around their dead bodies, but then, that's when we saw who it was that did this: it was Emily's ex-older sister and bloodthirsty savage, Amy McKale, and she literally drank the blood of Mr. and Mrs. Carrigan and she ran at us with a knife to kill us, but Raquel snapped and she punched Amy hard in the face and she pounced on her and she viciously beat her up badly. Nicholette and Jackie got her off, but Sarah Tinsley fired an energy blast which tied Amy McKale up, and we called the cops, who then took Amy McKale back to jail, and she screamed in fury that when she gets out again, she'll kill us all.

Nico: She really is nothing but pure out-of-control evil!

Lori: Makes me literally glad we finally put her down for good and Lincoln gave her The Black Gates when she came back again for revenge.

Emily McKale: Which proved my point of Amy being nothing more than a monster with a thirst for blood, but to murder our friend's parents in cold blood and literally drink their blood, she really is nothing more than an inhuman monster.

FLASHBACK ENDS

Ghost: (Horrified) Oh my god! Amy McKale was pure evil and an absolute nightmare!

Ariel: We were shocked about what she did.

Gill Grunt: Yeah no kidding. But to literally drink their own blood like that!? That is cannibalism.

Tammy Dyson: No kidding there! What she did is pure evil!

Maria Garcia: (Spanish Accent) That's right, we also got Mateo Silva to deal with, and the next member of The Order of Nuestra Señora de la Santa Muerte should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Mateo Silva.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Mateo Silva, the next member of The Order of Nuestra Señora de la Santa Muerte.

Emilia Ashenveil: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Mateo Silva: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Emilia Ashenveil's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Ashenveil-themed greatsword from her back, and as she approached Mateo Silva, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Emilia Ashenveil: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Mateo Silva. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Ashenveil and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Emilia Ashenveil was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Ashenveil flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Emilia Ashenveil emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14

Emilia Ashenveil grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Ashenveil emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Ashenveil with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Emilia Ashenveil has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Ashenveil surrounded by darkness and light and imps and on top of Fabled Ashenveil is an anti-Sergio symbol. Suddenly, Emilia Ashenveil felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Emilia Ashenveil has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Emilia Ashenveil's massive Fabled Ashenveil-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Ashenveil's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Ashenveil etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Ashenveil's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Ashenveil that said, "Emilia Ashenveil, Gene-Slammer of Fabled Ashenveil, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Mateo Silva of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Emilia Ashenveil has transformed into SUPER ANGEL-FABLED ASHENVEIL-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED ASHENVEIL ANGEL OF DIVINE DARK FABLED ASHENVEIL IMP JUSTICE AND DIVINE FABLED ASHENVEIL IMP LOVE!

We were amazed by Emilia Ashenveil's Super Angel-Fabled Ashenveil-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mateo Silva saw it, he went insane and he got out his sacrificial knife to stab her, but Emilia Ashenveil fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Mateo Silva, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Emilia's transformed.

Lincoln: Yeah, and she really sent Mateo Silva back with that energy blast she fired and that really pissed him off now, and Emilia, you look beautiful, how do you feel?

Emilia Ashenveil: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Ashenveil and Divine Darkness Light Fabled Ashenveil Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Mateo Silva once and for all?

Lincoln: (Smiles) With pleasure, Emilia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Emilia Ashenveil.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Mateo Silva, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Emilia Ashenveil and Lincoln went after Mateo Silva, and they fired extremely powerful blasts of rainbow energy, black energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Mateo Silva and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Emilia Ashenveil sent her three imps and Lincoln summoned his own imps and sent them at Diego Rangel, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Emilia Ashenveil, her hand-cannon Blaster is known as Fabled Ashenveil's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with dark blue flames on the blaster and with a Phoenix, Angel, and Fabled Ashenveil surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Emilia Ashenveil aimed their hand-cannon blasters at Mateo Silva.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Mateo!

Emilia Ashenveil and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Mateo Silva and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Mateo Silva's sacrificial ritual knife which hits Mateo Silva right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Emilia Ashenveil and Lincoln gave Mateo Silva The Black Gates for good. We cheered as Emilia Ashenveil and Lincoln holstered their massive greatswords on their backs and powered down, and Emilia Ashenveil's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Emilia Ashenveil: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Mateo Silva for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emilia.

Suddenly, Emilia Ashenveil wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Emilia Ashenveil's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Ashenveil flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Emilia Ashenveil absorbed the light and they came back to us as the display and Fabled Ashenveil vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Mateo Silva's death, now there are only twenty-eight members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is David Velasco, which means it'll be Martina Dianaira's turn.

Martina Dianaira: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Elemental HERO Honest Neos?

This caused the Elemental HERO Neos Gene-Slammers in Lincoln's harem to gasp in surprise.

Natalie Kendall: That's an awesome one, and there's only one person we know who could be Gene-Slammed into Elemental HERO Honest Neos.

Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Jennifer Torrance, and Raquel Carrigan: Aurora Cromwell.

Natalie Kendall: Out of all the Elemental HERO Neos Gene-Slammers in Lincoln's harem, she's known as a true Champion of Light and Heaven, Aurora Cromwell is a really incredible powerful person with power over light and when it comes to defending

Lincoln, she fights with the bravery of the angels of Heaven.

Nico: Wow!

Lincoln: And she doesn't mess around, especially when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at home, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in Royal Woods.

Molten Man: Hasta la vista, motherfucker!

Me: That was just like in the movie.

Camie: How hot is molten steel?

Me: 2,800˚Fahrenheit. Hot as molten lava.

Molten Man: I could have melted him by myself being made of molten lava.

Lola: Thats true but it was fitting for this one.

Camie: Yep.

Trickster: When you guys rebuild him, he'll be well behaved.

Loki: And still retain that serious look.

Me: Yep. But that was cool though.

Cad Bane: (to Mumble) Sorry we got you involved in this.

Mumble: Are you kidding? I had fun helping you guys out!

Vortex: Glad to hear it!

Me: But your dance moves are still awesome.

Nico: Yeah it was. So J.D., Lucky how did it feel to face Don Armage again?

Me: Epic and awesome. And we vowed to honor Jason David Frank when we destroy Lord Zedd in the future. What do you say guys

(EYES GLOW RED) FOR JASON DAVID FRANK!? (RAISES FIST)

All of us: FOR JASON DAVID FRANK! YEAH!

We all raised our fists and cheered wildly!

Nico: But this was still an awesome adventure. Great job today everyone.

Mumble: Thanks Nico. (To the viewers) Hope you all loved this awesome dance adventure guys.

Me: I know we did.

Nico: Yep. Lets get home and warm up by the fire.

We went back home and warmed up with Hot Cocoa and by the fireplace and then we enjoyed the rest of the day and went to sleep.

THE END

This is a food planet and it looked like it was a really amazing and good one.

Me: I have a feeling this is gonna be a really awesome food planet.

Zuria: I have a good feeling it will be a good one.

Misty Tredwell: Same here.

Lola: Yeah me too!

Xenia: This is gonna be so awesome and cool.

Nico: Yeah it sure will be.

Cornelia: It sure will be a good one.

Nico: Cornelia, I want to thank you, Dai Gui, and your teams for coming.

Cornelia: Not a problem Nico. It's gonna be so awesome helping you guys out.

Me: It sure will be.

Nicole Hale: And I'm really glad to be part of a team with Cornelia. It's gonna be awesome and fun.

Genkai: It will be a good battle in this for us.

Lola: It sure will Master Genkai.

Nico: Genkai, you were a great teacher to Yusuke.

Genkai: Yusuke was a total idiot but he is someone that I love like a son.

Qin: You taught him and his friends tons of amazing things.

Lola: You sure did.

Genkai: I may have taught him so many things I know but Yusuke and team have done so many big things even I can't fathom. Also I am more than honored to teach you all everything I know too.

Xenia: You taught us so many incredible techniques and have done so many things others could never dream of.

Genkai: That is true. But I'm still honored to teach you all everything I know.

Camie: Thank you Genkai.

Maria: Sure, your methods were sometimes harsh. But training isn't always easy.

Me: No it's not. It took tons of blood, sweat, tears and pain to get to where we are.

Nico: That's right.

Genkai: It sure did and I'm proud of all of you for it.

Eli: We wouldn't have gotten to where we are now if it weren't for all the training we went through.

Laney: That's right.

Xenia: Yep.

Me: Yeah. But yesterday's mission was a really bizarre one.

Nico: I didn't expect at all to see a Terminator Poromon.

Eli: Me neither!

Qin: That was crazy!

Lola: It was amazing to see one like that though.

Me: And it was really crazy how your evil self managed to create him by using the technologies of SKYNET.

Nico: Yeah no kidding. I can't help but wonder what else my evil self is hiding.

Lola: We'll find out soon after Vinyl Scratch's second mission.

Nico: Yeah.

Laney: But it was still awesome meeting Mumble and friends too. They are awesome dancers.

Varie: Yeah they are.

Lola: (sighs) I'm sorry, guys. Me, Lynn, and Lori should've destroyed him the minute he came up to us. (Growls) Dammit, I knew something was wrong from that serious look he had!

Me: Lola it's not your fault. Besides it was that easy for him to blend in with everyone.

Lola: You're right. But I feel like such a fool for falling for it.

Nico: Lola don't blame yourself for it.

Qin: Yeah you couldn't have known it was him.

Camie: Eli figured it out.

Varie: He sure did.

Maria: I'm gonna be honest here. He was NOT easy to take down!

Me: No he wasn't. He did put up an amazing fight with us.

Qin: He sure did.

Lola: Yeah no kidding there.

Me: Just like in the movie.

Genkai: That is true.

Me: But in the end it was a strong sense of déjà-vu because we used the M79 Grenade Launcher and then sent him into a vat of molten steel.

Nico: We sure did.

Lola: Yeah that was cool.

Varie: It sure was.

Tsuyu: All in all it was an awesome and fun adventure for us.

Xenia: It sure was. Cold but fun.

May: We're here.

We arrived at the planet and it was a white planet.

Me: Looks like a snow and ice planet from up here.

Nico: It sure does.

Eli: Yeah.

We got to landing and we landed and we saw that it was a world MADE OF EVERYTHING MADE WITH COOKIES AND CREAM! There were cakes, cookies, candy bars, and desserts all made with cookies and cream and everything was made from it all! It was all cookies and cream as far as the eye could see!

Me: WHOA! A planet where everything is made of Cookies and Cream desserts!

Xenia: Wow!

Lola: Oh wow!

Nico: COOKIES AND CREAM! MUST EAT!

NICO DOVE INTO A CAKE AND ATE THE WHOLE THING!

BUZZSAW EATING!

He was eating cakes all over the place!

Qin: Nico loves Cookies and Cream flavor desserts more than ANYTHING.

May: Boy he sure does!

We laughed.

We got to joining and we ate cookies and cream cookies and they were delicious.

Me: (Eating cookies) MMM! Delicious!

Rarity: (Eating cake) Mmm! It's so delicious darlings.

Cornelia: (Eating candy bars) Mmm! Man I haven't had all this in like forever.

Maria: I can see why Nico likes these!

Nico was eating everything all over the place.

Qin: Nico sure loves his Cookies and Cream.

Lola: I'll say!

Felicia Wittebane: Boy Nico sure loves it as much as cheese and chicken wings and chocolate.

Lola: Yeah he sure does!

May: Is there even the ice cream kind here?

Me: There sure is!

We saw ice cream mountains of Cookies and Cream!

Qin: WHOA!

May then went for that and dove into it and ate it really fast!

Qin: WHOA!

Nico: Wow! May loves Cookies and Cream Ice Cream! Save some for me!

He dove in with her and they ate a whole mountain of it.

Qin: JEEZ!

Then they came out and they burped. But then…

Nico and May: (IN PAIN) AAAAAGH! BRAIN FREEZE!

Me: Man I hate it when that happens!

Qin: Me too!

Sento: I remember you told Banjo what happened when you chugged a whole milkshake J.D.

Me: That was crazy.

Maria: Are you two okay?!

Me: It's just a brain freeze Maria. Ice Cream headache. It happens when you eat ice cream too fast.

Maria: Oh yeah.

Lola: Yeah. Here guys.

Lola fired a massive blast of fire and Nico and May absorbed it and it warmed them up.

Nico: (Steam comes out of his mouth) Ahh. That's better.

May: (Steam comes out of her ears) Ahh. Thanks Lola.

Maria: That was clever.

Cornelia: We can continue eating. Eli, while we're doing that, sense where the next of Swartz's creations are.

Eli: Yes ma'am!

He got to concentrating.

Me: Lets bring some cookies and cake home for everyone when we're done here.

May: Good idea!

Himiko: I like it.

Fiona Hernandez: Better yet lets bring this whole planet to the Solar System.

Nico: That works.

But then…

Me: (Senses a huge energy) WHOA! Do you guys feel that energy?

Nico: Whoa! That power is mindboggling! But I know this power.

Xenia: Really? How so?

Nico: I just do for some reason.

I saw a glow and I saw that the Saiyuu Journey Wonder Ride Book was glowing.

Me: Whoa the Saiyuu Wonder Ride Book is reacting to something.

Lola: That means the next Another Wonder Ride Embodiment is for Saiyuu Journey.

May: We should get a move on.

Eli: Wait it's already here!

We saw a huge GIANT APE APPEAR! IT WAS A RED VERSION OF THE GIANT APE OF THE SAIYANS!

Nico: WHOA!

Me: A Red Giant Ape of the Saiyans!?

Nicole: WHOA!

Another Saiyuu Journey: (In a girls voice) Sorry to drop in like this.

Me: (GASP) That voice!

Then it reverted back and we saw that it was a red hair girl with red Sailor Soldier clothes and she had red angel wings.

Me: (GASP) Xenia Vegeta A.K.A. Sailor Vegeta!

Nico: Planet Vegeta's Sailor Soldier!?

Sailor Vegeta: That's right. Awesome to see you again J.D.

Me: Same here Xenia.

Nico: This is amazing! I've heard legends about Sailor Vegeta and that she is one of the most powerful Sailor Soldiers in the galaxy.

Me: Yep. Xenia was sent to Earth for protection against Frieza and his forces.

Qin: WHOA!

Me: Yeah.

Nico: We actually just dealt with Frieza recently.

Me: We sure did. And Nico here is redeeming the Saiyans.

Qin: That's right. After destroying Frieza, he got rid of the most evil and most ruthless tyrant in the universe.

Sailor Vegeta: I'm glad he is gone. He deserved to be destroyed especially for destroying my home planet. But I'm glad he is gone for good.

Camie: So is the rest of the universe.

Eli: Yeah no kidding. He was an absolute nightmare and wanted to rule over everything with an iron fist.

Lola: But thank goodness we made sure he was destroyed forever.

Sailor Vegeta: I'm glad he is gone.

Genkai: Me and J.D. will fight you if you want.

Sailor Vegeta: I would like that. I don't like being this Another Wonder Ride form.

Me: By the way, any other opponents with you?

Sailor Vegeta: Yes there is. Another version of him.

She pointed to Dai Gui.

Dai Gui: Another version of me!? Wow!

Me: Friendly or hostile?

Sailor Vegeta: Friendly. And this one is an interesting one. You might know her J.D. and she is also a gene-slammer of all the Volcanic Duel Monsters.

Me: Whoa this one must be a hot one.

Qin: Yeah!

Nico: And she's probably as big as Dai Gui.

Me: Yeah.

Sailor Vegeta: Yep she sure is.

Me: But I'm looking forward to this one.

Genkai: Indeed. Lets dance.

Sailor Vegeta: Gladly.

She turned into her GIANT APE FORM!

Me: Here we go!

Me and Genkai jumped.

Me: (CUPS HANDS) KAAAAAAAA MEEEEEEE HAAAAAAAAA MEEEEEEEEE!

Genkai: SPIRIT!

Me: HAAAAAAAAAAAAAAAAAAAAA!

Genkai: GUN!

We fired a massive blast of energy and it hit her and exploded!

MASSIVE AND INTENSELY POWERFUL EXPLOSION!

The explosion died down and I caught the Wonder Ride Book. It was called Dark Saiyuu Journey.

Me: Dark Saiyuu Journey.

Then it formed into a new Wonder Ride Book. It was called Redemption of The Saiyans.

Me: Redemption of The Saiyans. Very fitting.

I teleported and helped up Sailor Vegeta who was wobbling from dizziness.

Sailor Vegeta: (GROANS)

Me: You're okay Xenia.

I brought her over.

Nico: Now, for the main event.

Me: Yep.

Then we felt an incredibly massive earthquake.

Nico: WHOA!

Me: Looks like it's time to shake and rumble!

Qin: Yep!

Then a figure came out and it was a mountain! It then formed into a huge volcano!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It erupted and out came a figure and it was ANOTHER DAI GUI! But this one was made of pure lava!

Me: WHOA!

Nico: Wow! This is one is REALLY HOT!

Me: He isn't called the Demon Sorcerer of the Earth for nothing.

Dai Gui: That's right.

It jumped out and and then landed in front of us.

Me: WHOA! WHEW! That is a hot entrance!

Qin: Wow! No kidding there!

Nicole: Wicked hot one.

Maria: No kidding!

Another Dai Gui: (in a girls voice) Awesome entrance though.

Me: (GASP) Catherine Krafft! I had a feeling it was going to be you.

Another Dai Gui: That's right J.D. Good to see you again.

Me: You too. Guys Catherine Krafft is the daughter of world famous volcanologists Maurice and Katia Krafft and she is a very famous volcanologist like her parents were. She went to all of Earth's volcanoes and knows so much about them and how they work and even knows more about all the worlds volcanoes than anyone we know.

Nicole: Wow!

Eli: That's incredible!

Another Dai Gui: It sure is.

Nicole went up to her.

Nicole: Catherine, your mother and father were my heroes and they are the very reason why I became a Volcanologist, Earth Scientist, Geologist, and master of all the fields of Earth Science and I wanted to learn so much about the Worlds volcanoes like they did. They went all over the world and studied about the worlds most amazing volcanoes.

Another Dai Gui: I'm truly honored that you were inspired by my mom and dad Nicole.

Nicole: Your mom and dad would be very proud of you.

Another Dai Gui: I know they are Nicole.

Kaito: (gets out Revice Gear) Did Swartz promise you anything?

Zocks: (gets out Saber Gear) Because we can grant it instead.

Another Dai Gui: No Swartz was in too much of a hurry. When I turned into this I gave him a REALLY NASTY heat rash.

Qin: YIKES!

Me: Ouch. I don't blame Swartz one bit.

Dai Gui: Even I should know that I may be the Demon Sorcerer of the Earth that I am not made of pure lava.

Me: He must've missed that you have been gene-slammed with all the Volcanic monsters.

Another Dai Gui: That's right.

Me: Lets cool you down and get you back to normal.

Kaito got a Vistamp Sword and Zocks got a Wonder Ride Sword.

Sougo: (gets out Revice Ridewatch) The bigger they are…

Geiz: (gets out Blades Ridewatch) The harder they fall!

Sougo got ReviceArmor while Geiz got BladesArmor.

Me: Yep. Lets see here. I know! (ACTIVATES OCEANUS SHENRON'S RIDEWATCH)

I fired a blast of water and it hit her and a massive cloud of steam came off her.

Qin: WHEW! That is as steamy as a sauna!

Xenia: No kidding!

Maria: Yeah!

Me: WHEW! I'm sweating big time!

Nico: (gets out Dai Gui's Ridewatch) Let's rock!

Nico activated it and fired waves of rocks and smashed her all over.

Me: WHOA! YEAH!

Nico: Now lets bring the mud! (ACTIVATES MUDSLIDE'S RIDEWATCH)

He fired waves of mud and drenched her.

Lana: MUDDY!

Nico: YEAH!

May: My turn! Taste the Arrow of Belial! (ACTIVATES ISAAK FERNAND VON KEMPHUR'S RIDEWATCH)

She formed an arrow of energy and fired a shower of arrows and it hit Another Dai Gui and smashed her down!

Qin: WHOA! That was powerful!

Me: Yeah! And Belial is one of the strongest demons in all of Hell. Said to be right up there with the Devil himself.

Isaak Fernand Von Kemphur: That is correct J.D. You sure have studied your demons.

Me: Had lots of experiences through them Isaak.

May: And this one. (ACTIVATES UNIVERSE 666 MORGANA'S RIDEWATCH)

She sprouted octopus arms and punched her all over.

Qin: AWESOME!

Lola: Yeah!

Maria: Now lets see what this does. (Activates The Finisher's Ridewatch)

It had a result she was not expecting. All it did was make her smell HORRIBLE!

Me: AW MAN! MARIA YOU SMELL LIKE YOU ROLLED AROUND IN A PILE OF SHIT!

Maria: That was not the result I was expecting.

She turned into water and washed the foul contaminates from The Finisher off.

Maria: Ahh that's better.

Nico: That one we're filing under the most awkward Ridewatches.

Maria: (gets out Universe 666 McLeach's Ridewatch) Maybe this will be better!

She activated it and got his rifle.

She loaded it and pointed it at Another Dai Gui and then..

BANG!

She blasted her down!

Me: WHOA! Nice shot!

Another Dai Gui got up.

Lola: Yeah!

Universe 666 McLeach: (Australian Accent) Good shot mate.

Maria: Thanks.

Genkai: That was a good one. My turn. (ACTIVATES MUDSLIDE'S RIDEWATCH)

She fired a wave of mud and smashed her down.

Me: Nice!

Captain Cold and his team consisting of Evil Blizzard Man, Ice King, The Windigos, Lemongrab And Chilly Willy

Nico: Nice team, Captain Cold!

Captain Cold: Thanks Nico.

Brittney: The Windigos will be perfect for that one Leonard.

Captain Cold: Glad you think so Brittney.

Me and Lemongrab glared at each other.

Me: Lemongrab.

Lemongrab: J.D. You are still are in Unacceptable Condition! UNACCEPTABLE!

Me: What a freak.

Nico: Geez you and Lemongrab hate each other don't you.

Me: Don't fucking ask.

Maria: Is the next Gene Slammer here?

Captain Cold: Should be in a few minutes.

Eli: Something happen between you two bro?

Me: Well funny you should say that. But I'll tell you guys anyway since you have a right to know. Princess Bubblegum accidentally made herself young and she looked like she was 13. So Lemongrab did a hostile takeover and I knocked him down and teleported him to prison. Me and LEmongrab hated each other ever since.

Another Dai Gui: Geez! Bad history.

Me: I know.

Lemongrab: UNACCEPTABLE!

Me: What a freak.

Then a blast of lightning hit Another Dai Gui and knocked her down and I caught the ridewatch and purified it. I went over to Catherine and picked her up and she was a girl with neon orange hair and had brown and black clothes and had the kanji for Volcano emblazoned in the middle of her forehead and had wings made of pure lava.

I picked her up.

Catherine Krafft: (GROANS) What a headache.

Me: You'll be all right.

I brought her over.

Nico: Who did that?

Lincoln: It wasn't me!

?: It was from me.

We saw an Electabuzz.

Me: Whoa an Electabuzz.

Eli: Wow!

Electabuzz: (In a girls voice) But I'm glad I came.

Nico: Veronica Tesla! Whoa!

Nicole: Whoa! Another blood relative of the great Nikola Tesla.

Electabuzz: Yep.

Me: Wow!

May: What's your favorite memory of Nico?

Genkai: I was going to ask the same thing.

Electabuzz: I have a lot of them but my favorite is when me and Nico made an awesome lightning ball energy generator. Endless lightning powered energy through ball lightning and it's clean and amazing.

Me: That is amazing.

Qin: Wow!

Captain Cold: That is awesome.

Qin: It sure is and I remember seeing that. That is cool.

Me: Yep. Lets get you back to normal now.

Electabuzz: Okay but I'm naked.

Nico pulled out a yellow leotard.

I put on my blind man glasses.

Lemongrab: What are you doing?

Nicole: Cover your eyes sourpuss if you value your life.

Lemongrab covered his eyes and the boys did too and I snapped my fingers and she was reverting back. Her lightning antennae went back into her head.

She was back to normal and she was naked and Nico gave her the

Leotard and she put it on.

Veronica Tesla: Wow. That was intense.

Nico and Veronica hugged.

Nico: I really missed you.

Veronica Tesla: Me too Nico. Me too.

Qin: But this was an awesome adventure.

Me: Yep.

Nico: Lets get some treats for everyone and head home.

We went and did so and brought the planet to the solar system and we brought some treats home for everyone.

We told everyone what happened and it was amazing.

Lincoln: So, we're here in the north of Gotham Royal York, and I know what we're going to do here, not only am I to rescue the six girls here, but we got bad news: a punk kid bully from Sheila Thatcher's past when she lived in Australia named Aaron Verlice had broken out of prison and he's come here to Gotham Royal York to get revenge on her for getting him expelled and thrown in prison, but we're taking him down and throwing him back in prison for his crimes.

Sheila Thatcher: (Australian Accent) That no-good bloke, I thought I gave him what for before I moved to Michigan years ago.

Nico: So, we got a bully that one of your Guardian Angels had dealt with a very long time ago. Sheila, what can you tell us about Aaron Verlice?

Sheila Thatcher took out a photo of him, and he was a red-haired punk kid with a mean scowl on his face, red eyes, and dressed in punk clothes.

Me: Sheesh, this guy really looks like trouble!

Sheila Thatcher: (Australian Accent) And you won't like hearing about him, mate. He was the biggest and nastiest bully from my high school in Australia, he always tormented and picked on me and my friends and he also terrorized the teachers and principal. No one was able to stop him, because his dad was also a wealthy businessman. But, I did some investigating, and I found out that his dad was also involved in organized crime, and he extorted a lot of people and made everyone suffer badly. I decided enough was enough, so in order to deal with Aaron, I had to deal with Mr. Verlice first. I first turned in all of the evidence I gathered on Mr. Verlice to the police, and he was immediately arrested. Then, when Aaron found out, he went absolutely ballistic and ran at me to kill me, but I took him down in a fight, and after I exposed his crimes, he was expelled from school and he was immediately arrested. Both Aaron and his dad were found guilty for their crimes, and they were sentenced to life in prison with no chance for parole. Plus, because of what I did, I was named a hero who put those two scoundrels down and ended their reign of terror.

Me: Just like what I did to a certain prick from Colorado.

Lincoln: And here's where it gets better: all of the money that Mr. Verlice made in his business, along with the money he made in extorting people was donated to charity, and it was also used to build a school for young entrepreneurs wanting to get into business, and they also put in courses for how to run a proper business and not use it as a front for organized crime.

Nico: Awesome, and I can guess Aaron and his dad were absolutely pissed.

Sheila Thatcher: (Australian Accent) Too right, mate. But, Mr. Verlice's prison sentence would soon be cut short when he was found murdered in his cell two weeks later, turns out some of the inmates at the prison were also victims of his schemes, and they wanted blood. They tried to kill Aaron too, but he killed them before he made his escape.

Lincoln: He also blames you for what happened to his dad. Well, he's about to be taken down and taken back to prison for the rest of his life, and I want to thank you and your team for joining us, Stella.

Stella (Winx Club): You're welcome, Lincoln. Plus, later on, we're going to hear why Sheila hated that Killjoy Huggins with a brutal vengeance.

Lincoln: Trust me when I say this, this story is one that no one in Michigan will ever forget.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of eight girls calling for help along with the sound of psychopathic and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the eight girls, but they've been cornered by Aaron Verlice, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the eight girls, but they've been cornered by Aaron Verlice, and he's going to kill them.

?: (Girl's voice) That good-for-nothing heartless bully, let's get him!

Suddenly, we saw Elemental HERO Honest Neos appear before us.

Nico: Whoa, that's Elemental HERO Honest Neos, way too awesome!

Lincoln: (Gasps) That voice, Aurora Cromwell, I knew it was you, but we'll talk later, let's hogtie that rotten bully and throw him back in jail.

We rushed on over, and before Aaron Verlice could kill the girls to slake his bloodlust, Lincoln fired powerful rainbow energy blasts at the murderous bully, and that allowed the eight girls to get away and into a rainbow energy field to protect them from Aaron Verlice, and when he saw Sheila Thatcher again, he was beyond pissed off, and before he could rush at her to kill her, Lincoln punched him hard in the face and he went flying back, and that really pissed him off big time.

Sheila Thatcher: (Australian Accent) Nice to see you're still the same ugly bloke from years ago, Aaron.

Aaron Verlice: (Australian Accent) I hate you so much for what you did, Sheila. You ruined my reign on that pathetic school, and you got my father arrested!

Sheila Thatcher's energy aura flared up as she gained a massive power boost from his hatred.

Lincoln: That was your own doing, Aaron. Plus, you and your dad were nothing but criminals, and now, it's our job to send you right back to jail, you heartless bloke!

Then, Sheila Thatcher fired powerful blasts of elemental forces corresponding with the planets and the sun which hit Aaron Verlice, and he was then tied up in a rainbow energy straitjacket and rainbow energy chains. We cheered as we holstered our weapons and powered down, and we had him thrown in a police wagon which took him away as soon as it arrived.

Norbert: Have fun rotting in the space hoosegow, you spoot-head!

Lincoln: Oh, he's in for a really horrible time there, Norb. (To Aurora Cromwell) And it's so good to see you again, Aurora Cromwell.

Aurora Cromwell reverted back to normal, and she's a beautiful girl with long flowing orange hair, orange eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful rainbow angel wings with stars as she reigned in the power of Elemental HERO Honest Neos, she has on a sleeveless orange jersey, black shorts, black socks, orange heeled sneakers, and long white sleeveless trenchcoat with stars, lights, angels, and planets on the coattails and on the back is Elemental HERO Honest Neos and holstered on her back is a massive Elemental HERO Honest Neos-themed greatsword with embedded rainbow gems and Elemental HERO Honest Neos etched etched on the 7'0" massive, wide, double-edged rainbow blade, large angel heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large angel heads and large rainbow gem on the bottom of the large angel heads for the pommel.

Aurora Cromwell: You too, Lincoln, it's been a long time, and it's so good to see you again, Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Raquel Carrigan, and Jennifer Torrance.

Eleanor Collins, Abigail Davis, Emily McKale, Sarah Tinsley, Natalie Kendall, Penelope Waverly, Whitney Emmington, Sophia Presley, Amber Blakely, Amelia Emerson, Raquel Carrigan, and Jennifer Torrance: You too, Aurora.

Lincoln went up to Aurora Cromwell and he hugged her, and Aurora Cromwell is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aurora Cromwell: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Aurora Cromwell, she's my Guardian Angel from Michigan and classmate in Gym. Aurora Cromwell is a really incredible powerful person with power over light, and out of all the Elemental HERO Neos Gene-Slammers in my harem, she's known as a true Champion of Light and Heaven, and when it comes to defending me, she fights with the bravery of the angels of Heaven, and she's had no problems when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city.

Nico: That's one pretty powerful reputation.

Lincoln: It gets even better, she also has a well-known reputation for putting bad principals in their place, such as Killjoy Huggins, and he hated her completely, so much so that he tried so many times to get rid of her, but when I found out what Huggins tried to do in getting rid of Aurora Cromwell by hiring thugs to get rid of her, I absolutely lost it and pummeled the thugs, and then, I called the rest of his Guardian Angels, who came over and they tied that killjoy up, and that single act earned him a really nasty scolding and reprimanding from Aurora Cromwell and the rest of my Guardian Angels.

Me: So, we got two stories on how Huggins earned the wraths of two of your Guardian Angels: Sheila Thatcher and Aurora Cromwell.

Aurora Cromwell: I still remembered what happened with Sheila, and trust me, you're going to wish that Huggins was thrown in the nuthouse long ago. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Aurora, are you absolutely sure about this?

Aurora Cromwell: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Aurora Cromwell, and he saw that she's really serious, and he smiled as he walks over to Aurora Cromwell, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Aurora Cromwell's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Aurora Cromwell's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Aurora Cromwell: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aurora.

Aurora Cromwell had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Lisa Silverman, Yukino Mayuzumi, and Maya Amano from Persona 2: Innocent Sin, Pink and Pierce from Dragon Pink, and Mint from Threads of Fate.

Lincoln: Oh wow, it's Lisa Silverman, Yukino Mayuzumi, and Maya Amano from Persona 2: Innocent Sin, Pink and Pierce from Dragon Pink, and Mint from Threads of Fate.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Lisa Silverman: Yes, we're okay, thanks to you.

Lisa Silverman: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Lisa Silverman: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lisa Silverman, Yukino Mayuzumi, Maya Amano, Pink, Pierce, and Mint with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Aaron Verlice, a bully from Sheila Thatcher's past who escaped from prison and wanted revenge on her.

But, when Lincoln showed what we all did in beating him down and tying him up and was taken away by the police, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Aurora Cromwell have a lot of catching up to do, now that she's back in town.

Maria: Sheesh, I didn't expect a bully from the past of one of your Guardian Angels to show up and he also wanted revenge.

Lincoln: I didn't either, but we still took him down for good, and now, he's heading for The Uranus Prison for the rest of his life.

Sheila Thatcher: (Australian Accent) Too right, Linky.

For his escape from the Australian prison, Aaron Verlice received another Life sentence which was then added to the original life sentence he was given, he was moved to the Maximum Solitary Confinement wing in the Uranus Prison and chained to the cell of his doorless cell with Neutronium Chains lined with rainbow energy.

---

After taking down Aaron Verlice, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Aurora Cromwell saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Aurora Cromwell: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aurora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aurora Cromwell: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Aurora Cromwell: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Sheila, what's the story on what that Killjoy Huggins did to earn your wrath?

Sheila Thatcher: (Australian Accent) I was hoping you'd ask that question. It's no surprise that all of us Guardian Angels hated that stupid killjoy for what he's done in trying to punish Lincoln harshly for something he's never done and always giving him a hard time. But, one day, I heard a cry for help, and I knew who it was that made that cry: it was Lincoln. I ran to his location, and I saw him tied to a chair, and I got out of the way of an incoming ruler, and I fired a miniature sun which blinded the assailant and I saw who it was that did this: it was that stupid killjoy, Huggins. I was immediately so furious at him, I proceeded to grab him by his shirt collar and hung it on a coat rack while I untied Lincoln, and then, he hugged me tightly and cried, and he told me Huggins did this to him, and that he was going to kill me and frame him for the crime, so he'd get sent to prison and die.

We gasped.

Nico: That stupid, toupee-wearing… !

Sheila Thatcher: (Australian Accent) And when I told his mom about it, oh, she was beyond furious at what that killjoy tried to do, she rushed in and she dragged Huggins into his office. We soon heard the sounds of loud screaming and shrieks of pain, and a few hours later, Mrs. Loud came out wiping her hands, and we saw what she did: she pulverized Huggins and had him hanging by his coat rack by his underwear, and he also had a black eye.

Eli: (Whistles) That's brutal!

Me: You mess with Ms. Rita's kids, and you're getting the smackdown of your life.

Aurora Cromwell: Yeah, if you thought we were really harsh to that Killjoy Huggins, Ms. Rita doesn't take any prisoners, okay, now for my turn. It's no surprise that I had a reputation for putting bad principals in their place, and at the top of that list was Killjoy Huggins. What I've been doing in defending Lincoln from him, he absolutely hated me completely, so much so that he tried so many times to get rid of me, but I was always a step ahead, and I also had Superintendent Chen's number. But, then, one day, Lincoln and the other Guardian Angels had overheard Huggins' next plot: he tried to have me killed by hiring some local thugs to get rid of me. Because of what they heard, they were absolutely furious at that stupid killjoy. But, then, I let out a huge scream and he and the others all went outside to see me cornered by the thugs that stupid killjoy hired to get rid of me. Lincoln then absolutely lost it and he pummeled the thugs, and he got them arrested and thrown in jail. Then, after they tended to any injuries I had, which thankfully not, we went back down there and we tied that killjoy up, and that single act earned him a really nasty scolding and reprimanding from me and the rest of Lincoln's Guardian Angels.

When Aurora Cromwell was done, we were literally seething with rage and fury.

Nico: Okay, it's bad enough that Killjoy Huggins treated Lincoln harshly and he also had on numerous occasions tried to get him expelled and/or thrown in jail, but to find out he's tried to kill him and two of his own Guardian Angels for his own hatred, that's just going too far. Who would even do that to a kind-hearted person like Lincoln, for pity's sake?!

Me: It's just absolutely fucking disgusting!

Eli: Wait 'til I get my hands on that stupid killjoy, I'll make him eat his own toupee!

Lincoln: Uh oh. Sheila, Aurora?

Suddenly, Sheila Thatcher and Aurora Cromwell grabbed me, Nico, and Eli, and they bashed the three of us on our heads, and we had birds circling around our heads.

Me: (Dazed and stupid) Which way did he go George, which way did he go?

We blubbed and we were back to normal.

Nico: Okay, we really had that coming.

Lincoln: You guys absolutely lost it after you heard Sheila and Aurora's stories, even Eli made his own threat to make Huggins eat his toupee. So, I asked Sheila and Aurora to stop you guys from getting after him, besides, like you said, Huggins is a changed man, but he's under the intense watch of my Guardian Angels, and if he ever changes back into the killjoy I hated, he's going to get fired and put in a nuthouse for life.

We got a shower afterwards, and then, Clyde, Dinky Doo, Acerola, and Hex Maniac are heading to Grand Haven City Beach in Grand Haven, Michigan.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", and extremely muscular man was dressed in large blue swim trunks with the phoenix and a clock surrounded by stars on them and silver flames coming off the swim trunks, blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Dinky Doo, Acerola, and Hex Maniac were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Dinky Doo, Acerola, and Hex Maniac each had feelings for Clyde, and Clyde also had those same feelings, and Clyde saved them from an attack by Flip who broke out again to get revenge, but Clyde saved them and gave that mutant the beatdown of his life before chaining him to his post again.

Dinky Doo: Wow, what is this place?

Clyde: This is Grand Haven Beach, Dinky Doo, and a perfect spot for our beach date. Shall we?

Clyde, Dinky Doo, Acerola, and Hex Maniac dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Dinky Doo, Acerola, and Hex Maniac got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells Clyde summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Dinky Doo, Acerola, and Hex Maniac and they hugged the girls in their abnormally massive and powerful muscular arms and Dinky Doo, Acerola, and Hex Maniac placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time, eh, Clyde?

Clyde: (In Heaven) It was awesome!

Dinky Doo: We went to Grand Haven Beach in Grand Haven, Michigan.

Lincoln: Wow, that's awesome. We haven't been there, since we know the reason why.

Lynn: Our stupid Dark Sides caused a lot of trouble, and all of a sudden, Lori, Lola, Lisa, Luan, and I get banned for a month, except for you, Leni, Luna, Laney, Lucy, Lana, Lily, Mom, and Dad.

Lincoln: Just be glad J.D. and I talked to the lifeguards there to lift the ban after we got rid of those five animals.

Nico: Sheesh, those five Dark Sides really caused a lot of trouble all over Michigan, not just in Royal Woods.

Lincoln: I was just glad we got rid of their Dark Sides forever, and they're now better people, and not the people they were in the past because of their Dark Sides.

---

Later it was time for Vinyl Scratch's 2nd mission.

Qin: I have a feeling this mission is gonna be fun.

Nico: Yep.

William: Anyone else want to go with Vinyl? Besides Metal Sonic and Cheese?

Twilight Sparkle: Me and my friends all will go.

Me: Cool!

May: And I will go too.

Nico: Awesome!

Qin: Good luck guys.

Nico: Yep. All right are we all ready?

We nodded.

Nico: Lets roll.

We were off.

---

We arrived and Jun saw us

Jun: Hey guys!

Me: Hey Jun.

Jun: How is Aoi doing?

Me: Doing much better and she is doing a great job so far on the team.

Vinyl: Jun, this is my archenemy.

Twilight Sparkle: Same here.

Nico: And this is my awesome and amazing wife May.

May: Pleasure to meet you Jun.

Jun: Same here May.

Kazumi: Hey, Jun!

Kazumi Takiura then appeared.

Jun: Kazumi!

Kazumi: Awesome to see you. Oh guys this is Kazumi Takiura, my best friend.

Kazumi Takiura: It's an honor to meet you all Team Loud Phoenix Storm.

Me: Pleasure is all ours Kazumi.

Kazumi: I heard what happened to Aoi. Is she okay?

Me: Yes she is fine and is with us on the team.

Nico: Yep.

Cheese: I like chocolate milk.

Me: Oh this little guy is Cheese. He is an imaginary friend but he is a total idiot.

Eli: Yeah but he is funny.

Kazumi: Wow.

Jun: He's cool.

Me: Yeah but he serves as a great annoyance tool for some of our humiliation fodder back at home. Drives them batty. Metaphorically speaking of course.

Jun: I see what you mean.

Twilight Sparkle: Yeah he is funny too.

Jun: Wanna talk more at my apartment?

Me: Sure.

We went to her apartment.

We got there and we were talking.

Kazumi: I heard that Asuka is back.

Me: Yeah she is in both the Redemption Squad and the Masters of Evil. She is trying to prove that she is a changed woman. She feels so bad about what she did.

Twilight Sparkle: Yeah she wants to prove that she is a changed woman for the better.

Kazumi: I see.

Me: Yeah. Boy you guys really went through hell.

Kazumi: I know.

Me: Blame Satoru for most of it. He wants nothing more than to kill Jun and anyone affiliated with her.

Kazumi: I know.

Me: But we're not going to let him.

Rainbow Dash: Yeah that butterfly winged freak has to go through us.

Me: You tell him R.D.

May: Uhh what's Cheese doing?

We saw what he was doing.

Jun: What the?

Cheese: (dressed up like lady) Ha ha! Pretty! Pretty Cheese! (Smiles smugly) I'm pretty.

Me: (LAUGHS) Oh brother!

Kazumi: Okay that's funny.

Eli brought him back.

Eli: Sit boy.

Me: See Cheese has a brain the size of an amoeba. He is a total idiot.

Metal Sonic: Yeah but he is funny.

Pinkie Pie: It's true and he is great for annoying our enemies.

Nico: Yeah he sure is.

Kazumi: Yeah I can tell.

Nico: So, any Devilbeast trouble lately?

Jun: Well Hitomi Konno is back.

Me: The Cat Devilbeast. Oh man.

Nico: I heard she is a nasty cat.

Jun: Yeah.

She showed us a picture of her and her Devilbeast form.

Hitomi met Jun and invited Jun to her home after catching up. Hitomi obsessed over Jun before she arrived while noting the appearance of Kazumi. Convinced she could have Jun to herself, Hitomi gave

Jun a drink as she arrived. But the drink was laced with sleeping pills making Jun pass out. Stripping off Jun's clothes, Hitomi tied Jun to her bed. As Jun woke up and spoke to her while trying to reconcile, Hitomi finally changed into Fayrace. With Fayrace filled with bloodlust, Jun was forced to become Lady and kill Fayrace.

Hitomi is a young woman with long wavy brown hair that hangs on the right side, brown eyes, tall compared to other women her age, and a voluptuous figure.

As Fayrace, her body is covered in red fur of varying shades; her face features a long muzzle, yellow eyes, a pair of fake yellow eyes, and razor sharp teeth. Fayrace also features digitigrade legs and three tails extending above her posterior.

Me: WHOA! Her Devilbeast form looks very much like a Bakeneko, the Spirit Cat of Japanese Folklore.

May: Boy it sure does.

Me: But her human form is amazingly beautiful.

Jun: It sure is.

Nico: Yep.

Kazumi: It's scary though.

Me: Yeah

Metal Sonic: Subduing her will not be a problem.

Me: Finding her won't be a problem either.

Nico: Yeah.

May: But we're ready for her.

Twilight Sparkle: We sure are.

Me: Hmm. I think I know what caused Hitomi to obsess over Jun the way she did. Satoru.

Jun: Yes he does have mind control powers.

Me: I knew it. Thank goodness his powers don't work on us. But I will make sure he is beaten up brutally some more like he was 2 days ago.

Kazumi: Good for you. I saw that he was brutally mangled up and I wondered who would do a number on him like that.

Me: Nice to know that I left my mark on him.

Kazumi: You sure did.

Nico: Yep.

Eli: I'll find her.

Eli concentrated.

Jun: You guys are honestly lucky your lives are better than mine.

Me: Well luck had nothing to do with it. We just have so many friends, supporters and people that have been with us and have helped us all get through so many of the worst of times. Team Loud Phoenix Storm went through so many incredible hardships over the last 7 years. But it was thanks to the love we have for each other in our hearts that helped us get through all this. Because we are more than just the most powerful force in the entire universe, we are an amazing and very well loved family.

Nico: (Pats my back) Couldn't have said it better myself.

May: Me too.

Jun: That was a very touching speech. Just wish my life could be happy like all of yours eventually.

Me: Don't worry Jun. It will be happy. Because you have one thing that will never be taken away from you in your moment of pain and that is your faith.

Nico: That's right Jun. As long as you believe in what you do for the good and safety of the world and also have the love, support, and power of those who love you and those who care about you, your life will get better.

Twilight Sparkle: That's right Jun. Friendship comes in many forms and it will help you get through even the darkest of times.

Vinyl Scratch: Just like how it was able to help us do so much and get through even the 20 Days of Darkness.

Kazumi: Wow. That's right Jun. I will always be there for you no matter what.

Jun: (Tears stream down her face) Thanks guys. Thank you.

Nico: Jun, I promise that after March 7, we are turning your life around!

Me: Big time. But just wait for 2 months okay?

Jun: I will try.

Eli: Found her. Hitomi is on the roof.

Me: Then we better get over there.

Nico: Right.

Vinyl Scratch: Lets head up there.

We went up to the roof.

We arrived and we saw HITOMI KONNO!

Me: Hitomi Konno, I presume.

Hitomi Konno: J.D. Knudson and Team Loud Phoenix Storm it's an honor.

Eli: Same here.

Hitomi: Jun. You just couldn't leave well enough alone, could you?

Jun: Because I'm doing what is right.

Me: Hitomi listen to me, you are not yourself and you need to realize that someone is using you.

Hitomi: I am more than myself.

Eli: (In his head) Her brainwave patterns are really messed up. Satoru is really messing around with her mind big time.

Hitomi Konno: Go run along and kill some evil Sasuke's. You all have no idea what you're dealing with right now.

Metal Sonic: Funny. I was about to tell you the same thing!

Me: And For Your Information there are no Evil Sasuke's to deal with right now. We are here to save you. (Senses something) And also deal with him!

I turned and fired an energy blast and it zoomed passed Kazumi and hit Satoru in his face as he was sneaking up behind her to grab her.

Me: Not this time Satoru!

I teleported and went Super Angel Wolf Moon Xelnaga!

Satoru: DAMN YOU J.D.! WHY CAN'T YOU MIND YOUR OWN BUSINESS!?

Me: (Divine Wolf Moon voice) **This IS my business you butterfly winged douchebag!**

I kicked him in his face and sent him flying into the air and I went after him.

Nico: Sorry Hitomi but this is for your own good!

Metal Sonic charged at Hitomi… just as she finished turning into her Devilbeast form!

ZOOM! SMASH!

She got smashed in her face big time!

Nico: Here kitty kitty!

Nico got out a catnip blaster and fired catnip bombs.

KRABOOOM KRABBBOOOOOMM! KRABBBBOOOOOOOMMM!

The catnip covered her and she danced around like it was the 1980s.

Nico: Wow I didn't think that would work.

Rarity: That was amazing darling.

POW BLAM SMASH!

I punched Satoru all over the place on his face and kicked him in his stomach and kicked him into the air.

He flew at me and I teleported and kicked him in his back and he flew at me again and I dodged him and punched him in his back and teleported and kicked him in his face.

Nico: (takes out Grumblemon and Dai Gui's Ridewatches) Good thing we finished up against Another Dai Gui today!

Nico activated them and got Earth fists and smashed Fayrace all over the place and smashed her with powerful rock fists.

Kazumi: WHOA! That was amazing!

Jun: These guys have a lot of power.

Twilight Sparkle: We sure do. Watch.

She fired moon blasts with dark element magic and smashed down Hitomi.

Eli: Whoa!

Twilight Sparkle: Kaos taught me that. He taught me how to use all 10 elements without having to use his Ridewatch for help.

Eli: That's great Twilight!

Nico: (gets out Evil Seed and Arbormon's Ridewatch) I completely forgot to do this right after we defeated Another Arbormon!

Nico activated them and got plant whips and slashed Hitomi all over the place with them.

Sunset Shimmer: Oh yeah! Now for this!

She fired intense blasts of fire and burned Hitomi all over.

Eli: And this!

He fired waves of Force Lightning and electrocuted her!

They jumped down off the roof and Metal Sonic threw Hitomi into a car.

SMASH!

She roared as she got up!

POW!

I smashed Satoru in his face.

Me: **Had enough?**

Satoru: NEVER!

Me: **Too bad I can't kill you and be done with it. Otherwise that won't make the big day fun.**

I kicked him in his stomach and he belched up a huge amount of blood.

Metal Sonic: Stand down. Final warning.

Nico: Better do what he says or it's going to hurt some more.

Hitomi: Never!

Nico: Then we'll make sure it hurts. Time for this.

Nico fired an energy blast and Hitomi roared in pain as her beast half was separated from her and then Hitomi was back to normal! Rarity went and gave her new clothes and Fayrace roared ferociously!

But then a Magmar appeared!

Eli: Whoa a Magmar!

Metal Sonic: Scans indicate this Magmar is human.

Magmar: (In a girls voice) That's right.

Nico: Sally Spitfire! Whoa!

Jun: Another Gene-slammer? Wow.

Kazumi: Wow! And Magmar is one of my favorite Pokemon.

Nico: Cool!

Magmar: Yeah I am Nico's friend from history class. I got this.

She fired a massive blast of fire and it hit Fayrace and incinerated her into ashes!

Nico: WHOA! Nice one!

POW!

I smashed Satoru into the ground.

I landed.

Me: Better get lost Satoru. Don't want me killing you before March 7th.

Satoru growled in rage and left.

I powered down.

Me: Good job guys.

Vinyl Scratch: Thanks.

Jun: What's your favorite memory of Nico?

Me: You're catching on quick Jun.

Jun: I sure am.

Magmar: I have a lot of them but my favorite is when me and Nico were in history class and we did a project for the Charge of the Light Brigade.

Me: The famous failed attack during the Crimean War.

Magmar: That's right.

Nico: Yeah we did great on that.

Me: I can tell. Ready to be reverted back?

Magmar: I sure am but I'm naked.

Nico got out a red leotard.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and she reverted back.

She got back to normal and was naked and got the Leotard on and she got up.

Sally Spitfire: (GROANS) That was intense.

Nico: It was.

Nico and Sally hugged.

Nico: I've really missed you.

Sally Spitfire: Same here Nico. Same here.

---

We later came back.

William: Hey guys. How did it go?

Me: Awesome.

We told everyone everything and it was cool.

William: WHOA! You guys sure had fun.

Me: Yep.

May: Next time, Scott Truman and Tracer should go with you.

Vinyl: Gnarly dudes!

Qin: Yeah!

---

Walking through the wartorn wastelands of Universe 666 Earth was all of us and the Masters of Evil and we arrived at the old castle HQ of Team Loud Evil Storm. It was an old destroyed ruined fortress.

Nico: Whoa.

Asuka Lan: So, this is Team Loud Evil Storm's Hideout?

Universe 666 D-Structs: Yeah this is it.

Me: Boy this is amazing.

Garby: It sure doesn't look like the kind of place anyone would want to go to now.

Me: No kidding.

Lola: Yeah.

Nico: Lets remember why we are here. We need to find out what Team Loud Evil Storm was planning and more.

We went in and we walked around and saw many skeletons and bodies all over the place.

Me: Whoa. Looks like the resistance put up one helluva fight.

Xenia: They sure did.

Laney: Wow.

We saw the living quarters all in shambles and more.

In my Universe 666 selfs room we saw it all destroyed.

Me: Man my room is all trashed.

Nico: Jeez. This is awful.

Lola: Yeah.

We then went into the lab and saw that it was filled with stuff.

Me: Whoa.

Lola: Wow look at all this.

Lisa Loud: Fascinating.

Osmosis Jones: We already knew the shit they were planning. They were gonna use a bomb on this world. But Evil Nico took it to overdrive and tried to blow up the entire Multiverse. Nothing more to it.

Me: I have a feeling there's more too it than that.

We got to looking around. On the tables we saw lots of plans. Turns out Evil Nico was using more than just a Multiverse destroying bomb. He had it all. Biological weapons, superlaser particle cannons capable of destroying numerous planets all at once, black hole bombs, chemical weapons, weapons capable of obliterating entire galaxies, even robots like Terminator Poromon as well as many more Terminator Robots.

Nico: WHOA! Look at all this!

Qin: Evil Nico made all kinds of horrible weapons.

Eli: Man no kidding here.

Garby: Boy these are really bad weapons here.

Good Luthor: We actually knew that Evil Nico was going to build all this. But we never knew it was going to be that dangerous too.

Camie: No kidding.

Vypra: Boy this is awful.

Hun Gurr: Boss, your evil self is worse than we thought. Much worse!

Nico: No kidding Hun Gurr! He had so many terrible weapons. But man we didn't know it would be this bad.

Vypra: Yeah this is terrible.

Varie: That's not all. All the money and jewels in the vault is actually all money that was stolen from banks, governments and planets from all over their universe.

Me: Geez.

Nico: No kidding.

Lynn: You guys find anything in our counterparts rooms?

Tigatron: It was all destroyed. The resistance here did a really thorough job of wiping out all traces of you guys here in this world.

Nico: Boy they sure did.

Qin: Wow.

Garby: Boy thank goodness Team Loud Evil Storm is gone for good.

LOUD FART TOOT!

Garby farted.

Garby: Oops sorry. (Laughs) Tend to gas off when I'm excited.

Lola: No worries Garby.

G1 Snarl: Me Snarl thank you Garby for coming.

Garby: It's an honor to be with you all.

Me: Same here.

---

We later came back.

Hood Sickle: Nico, which teams have you made today?

Nico: Jack Landors' team will include Tatami Nakagame, Hailey Kirlian, Hellberus, Vadamagma, and Igursus. Wes' team will include Edwayl Mauroriane, Sarah Gilgamesh, Ingenica, Kassia, and Anaitis.

Me: Awesome! And it's cool that we're including monsters from the game Monster Legends.

Qin: That's one of my all time favorites. I love Monster Legends.

She turned on her tablet and showed Monster Legends.

Qin: It's my favorite because of so manny awesome monsters.

Lola: That's awesome Qin.

Me: Yeah!

Nico: Awesome Qin.

Then the previous group came.

Loki: Can me, Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Cad Bane, and Vortex go with you guys?

Quakemon: Me, Evil Fire Man, Evil Magma Man, Evil Rainbow Man, Evil Xion, Frictor, Warp, Katty Kattswell, Cloak and Dagger, and Teen Tornado will come as well.

Nico: Yes you all sure can come with.

Qin: Yeah.

Quakemon: Awesome and Garby it's cool having you with us.

Garby: Thanks. And it will be fun helping you guys.

LOUD FART TOOT!

Lana: Awesome!

Garby: Whoops. (LAUGHS) I gas off when I'm excited.

Nico: No worries.

Then Nico got a call on his phone.

Nico: Y-ello?

Sheila: Nico Sheila.

Nico: What's up Sheila.

Sheila: Nico, remember Jervis Tetch?

Nico: The Mad Hatter? It might have been a long time since we fought him but yeah. How can I forget?

Sheila: Well, he just walked into the precinct and handed himself in. He's said he's taken hostages but will only talk to you guys.

Nico: What?! We're on our way. Don't let anyone talk to him until we get there!

Sheila: Since Bullock failed to get info out of him, don't think we have any other choice.

Nico: Right. (HANGS UP) Guys we got our mission. Our old friend the Mad Hatter is at it again.

Me: Jervis Tetch A.K.A. The Mad Hatter? Its been ages since we faced him. We haven't fought him ever since you first moved in and you joined the team.

Nico: I know. It has been a while.

Crash Man: Nico, which Gene slammers do you think you'll meet next?

Nico: Gyarados and Lapras next.

Qin: Cool!

Me: Nice!

Xenia: Those will be awesome.

Nico: Lets roll.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than David Velasco of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is David Velasco of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Martina Dianaira: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of David Velasco for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got word from Batman that Jervis Tetch has broken out again and causing havoc.

Lincoln: The Mad Hatter's no doubt after you for revenge on locking him up, but he's not going to get that chance, he's going down and heading back to prison for the rest of his life, and once we get done with taking down The Mad Hatter, you're next, David Velasco.

Martina Dianaira: (Spanish Accent) We'd already gotten rid of two of your fellow fanatics, and now, it's your turn to die.

We were off to the Police Station.

---

Harvey Bullock: Let me ask you something. You never let me, Jim, or Bats catch you this easily. What are you up to?

Mad Hatter: Why spoil the mystery?

Harvey Bullock: Well, the tea party's still over, freak. Now, start talking.

Mad Hatter: As you can see, I'm balking. Bring me Team Loud Phoenix Storm or the Hatter's walking.

Harvey Bullock: I'm giving the orders here, not you.

Mad Hatter: (smugly) And you'll have 3 dead cops by the time I'm through.

Harvey Bullock: We'll see about that. (irritated) Now quit with the rhymes!

Mad Hatter: Then let me talk to Team Loud Phoenix Storm and I'll confess my crimes. (laughs sheepishly) Sorry…

Harvey Bulllock: Talk, goddamn it!

Mad Hatter: Now, now, officer, you mistake me for a snitch.

Harvey Bullock (slams fists on table): Where are they, you little son of a bitch?!

Mad Hatter: (laughs) That certainly scratched my itch!

This was gonna be a long day.

We arrived.

Plastique: What do we know so far?

Sheila: We got Jervis downstairs in the interview room. He's talking about killing cops. Guys, I just lost contact with 3 of my squad cars. Coincidence?

Evil Magma Man: I doubt it.

Sheila: If you guys and that freak need some alone time, I can kill the surveillance cams.

Me: Jervis may be as fucked up as ever before but he is not worth killing.

Qin: Besides we'll take our chances.

Sheila: Okay. By the way guys me and Tom apprehended Aoi Kurosaki's evil parents for you. They are looking at really hard time in the clink.

Me: Thanks Sheila.

Aoi Kurosaki: Thank you Sheila.

Sheila: You're welcome.

Harvey Bullock: Good luck getting info out of that freak. I tried.

Maria: You can go with us in case he tries anything.

Harvey nodded and followed us into the interview room where Mad Hatter was.

Mad Hatter: (laughs) Oh frabjous day! Callooh! Callay! Team Loud Phoenix Storm's here, it's time to play.

Me: Been a long time Jervis. With everything that was happening lately these last few years we were starting to think you forgot about us.

Eli: Nice to know that didn't happen.

Nico: We're not playing your twisted games, Jervis. Where are the hostages?

Mad Hatter: (pretends to be ignorant) Oh, let's see, let's see, oh, one, two, three! (laughs) A hat-trick of your boys in blue. Do they live or die? That's up to you!

Nico: (grabs him by the collar) What The fuck did you do to them?!

Me: Better start talking!

Mad Hatter: (chuckles) Such violent means, but all in vain, I've trained my mind to feel no pain.

Nico: Buddy, you got no idea how close we are to putting that to the test! (shoves him back into the chair)

Me: Better start talking or your fingers will be the first to go.

I had a pair of scissors ready.

Mad Hatter: Oh, Team Loud Phoenix Storm. Allay your fears, prick up your ears, you'll soon hear their tears. Just listen for the siren's song. Yes, you'll find your Alice before too long.

Me: We already have Alice with us thank you very much.

Alice Liddell: (British Accent) Two Alice's to be exact you oozing sore of depravity!

Qin: That's right!

Mad Hatter: I am not without mercy. I will offer three hints. No more. No less.

Me: All right Jervis we'll play along.

Maria: (sighs) Okay. What's the first hint?

Mad Hatter: Struggling, Rockell? Need a hand? Hmm, a house of light that's not on land.

May: (trying not to lose it) And the second hint?

Mad Hatter: What's wrong, Mrs. Chan? You look askance. The bridge of merchants, go have a glance.

Octopunch: (optic twitching) And the last one?

Mad Hatter: Stuck already? This cannot be! Steer for the lady's island, out to sea.

Nico: For your information, we're asking for these from the start so we won't have to keep coming back here!

Mad Hatter: (ignores Nico) You've had your hint now run along, and listen for the siren's song.

Harvey Bullock: (to Firefly, you, the Loud Kids, Ghost, and Evil Xion) I can give ya 10 more minutes with this nutjob since I know at least one of you is from Gotham. But after that, you better get a move on.

Me: Right. Jervis is a fucked up in a head guy but he is not Joker crazy.

Firefly: The rhymes are a new one.

Me: But they are fitting.

Mad Hatter: (not rhyming at the moment) No Hello for me, Garfield? We used to be comrades, remember?

Firefly: Comrades in fighting Batman, but that's it! It's not like you and I were BFFs or anything. But I promise that when we get the hostages out, we're gonna have a VERY long chat.

Mad Hatter: So disappoingting. Being with Team Loud Phoenix Storm has made you soft. But on the bright side, you ARE good friends with the children of the Joker and Lex Luthor!

Firefly: And with that, we're gonna get going!

Me and the Loud Kids were very close to destroying Mad Hatter with the Black Gates before Firefly, Evil Xion, and Ghost got us out of the room.

Luan: You guys should've just let us destroy him with the Black Gates!

Luna: Yeah, dude! That crack about us being the kids of Joker and Luthor is seriously getting old!

Ghost: You know what isn't getting old? Those hostages if we don't rescue them!

Evil Xion: Ghost is right. We can't decide Hatter's fate until after we rescue the 3 officers.

Me: Evil Xion is right. Besides I agree with Luna too. Anyway we got to go get those hostages.

Qin: I agree. Lets go save them.

Nico: Right!

We were off.

We arrived at the first spot.

Lady Deathstrike: (Japanese Accent) The Lady of Gotham statue. And I hear sirens.

Maria: So that's what Hatter meant by Siren's song.

Me: Very cryptic.

May: And as a bonus, I see a Pinsir!

Me: That must be our next gene-slammer.

We arrived.

Pinsir: (In a girls voice) Thank goodness you all made it!

Nico: Celica Akamichi!? Whoa!

Me: Are you related to…

Pinsir: No I may have the same last name as Choji but we're not related. Also I have the same massive appetite that he does too.

Nico: It's true. Celica has a massive appetite. But she gets supermodel beautiful thin after eating.

Me: Wow!

Nico: Lets worry about getting the hostage out before we revert you back.

We went to the car.

Molten Man: Sorry, Celica. But you and Nico will just have to catch up after we get the hostage out.

Batman: Actually, Celica still has time to share her favorite memory of Nico.

Warp: Why?

Batman: There's a hostage in the trunk but the car's wired to blow. I'll need to use my device to defuse the explosive first.

Nico: Okay Bruce.

Pinsir: My favorite memory is when me and Nico ate the 30 pound chicken wing bucket challenge.

Me: Boy that's a lot of chicken wings.

Nico: It was. It was a lot of wings.

Eli: You guys have huge appetites.

Pinsir: I know. I'm ready to revert back. But I'm naked.

Qin: Oh boy.

Nico got out a green leotard and I put on my blind man glasses and snapped my fingers and she reverted back.

Everyone covered their eyes.

She had her horns go back into her head and her green hair grew back and then she was back to normal and naked and Nico gave her the leotard and she put it on.

Celica Akamichi: Much better.

Nico and Celica hugged.

Nico: I've really missed you Celica.

Celica Akamichi: Me too Nico. Me too.

We opened the trunk to find Officer Katz wearing a Cheshire Cat Mask.

Mad Hatter's recording: You've found the Cheshire Cat, all grinning, but don't be fooled, don't think you're winning.

We carefully took off the mask off of Officer Katz.

Officer Katz: Team Loud Phoenix Storm? What happened? How the Hell did I end up here?

Me: Mind Control mask.

Officer Katz: I was chasing down some rioters and the siren went all screwy. I had to pull over. Next thing I know, I'm waking up in the dark with that siren blaring. I thought it would never end.

Coconuts: You're safe now. We'll send someone to pick you up.

Nico: (calls Sheila) Sheila, we've found one of the hostages. We're sending you the location.

Sheila: Got it, Nico. Any leads on the others?

Nico: We're working on it.

Sheila: Just say the word and I'll go down there and make that bastard talk.

Nico: It's under control, Sheila. Leave it to me.

Officer Katz: It's Tetch, isn't it? I should've known that freak would show his face sooner or later.

Me: That's right.

We went to the lighthouse off Bleake Island.

Qin: The Lighthouse of Bleake Island.

Vortex: Hatter has another hostage near the lighthouse off Bleake Island.

Teen Tornado: We need to find him. Or her.

Me: Lets go.

Qin: I actually like this mission.

We found the cop.

Skullgrin: Another explosive?

Batman: That's right. While I defuse it, you inform Camie and the others about Tetch's background story.

Me: Okay. She does have a right to know. Same with everyone.

I went over everything.

---

In Batman: The Animated Series, Jervis Tetch (voiced by the late Roddy McDowell) is given what may be his definitive origin story. He was a neuroscientist experimenting his mind control devices on mice. He fell in love with a colleague named Alice, but being a naturally shy and socially awkward man, he felt unable to tell her. When he heard she and her boyfriend were fighting, he decided to step up and successfully asked her out. He dressed up as his favorite character from Alice in Wonderland to give himself confidence and used his mind control chips to make Alice believe he was a well-known man about the town. Alice was impressed by him and they enjoyed their date. However, Alice's boyfriend Billy proposed to her, Tetch snapped and resorted to using mind control to bring her to his side. At one point, he lamented on his choices but remain steadfast to keep her. Batman was able to stop him and free Alice from the mind control, but The Mad Hatter's sorrow drove him to become a criminal.

During Batman's mock trial, he proves how irredeemable he is when the captive D.A. asked why he couldn't respect Alice's wishes and left her alone and he declared he'd have killed her first. This comment earned shock from the jury, as he asked the Joker, who was serving as the trial judge, to take it off the record.

---

When I was done everyone was shocked and horrified.

Qin: Whoa man!

Me: I know. Because of that he became a really fucked up guit. But not as fucked up as the Joker.

Lola: Yeah and he was the first bad guy Nico busted when he joined the team.

Nico: Yep.

Camie: Wow.

We opened the trunk to reveal Officer McQueen wearing a Queen of Hearts Mask.

Me: Queen of Hearts mask.

Mad Hatter Recording: The Queen of Hearts and roses red. Oh, be careful, Alice, or she'll have your head!

Me: Not if we have yours first.

We carefully took the mask off Officer McQueen and she groaned.

Cad Bane: It's okay. You're safe.

Officer McQueen: I thought I'd never get out of there, Team Loud Phoenix Storm. That noise… what the Hell happened to me?

Me: Ugly story.

Dagger: It's over now. We'll have you taken back to the station.

Officer McQueen: Thanks.

Nico: (calls Sheila) Sheila, we've secured the second hostage.

Sheila: Good job, Nico. I'll send someone to pick them up.

Officer McQueen: If Hatter wanted us dead, we would be. He's up to something, guys. Watch yourselves!

Me: Noted and thank you.

Qin: I got a feeling it's part of a huge plan he has.

We then arrived near Merchant Bridge.

Eartha: The last hostage is near Merchant Bridge. The sirens should lead us to the exact location.

Lincoln: Okay, this is almost too easy. I'm starting to think I'm never going to use this new Ace Blaster I just made today.

Me: You just made that buddy? Nice.

Lincoln: Yeah I figured it would be awesome for this.

Me: Cool.

We found the car.

Batman diffused the bomb and opened the trunk only to find a bunch of ticking clocks, a book called "Team Loud Phoenix Storm's Adventures in Wonderland", and a picture of the White Rabbit

Katty Katswell: What the?!

Me: A Bunch of Clocks and a book.

Mad Hatter's recording: The rabbit is gone! He's hopped away! I'm sure he only wants to play. Return the book and then we'll find, how little Alice lost her mind.

Trickster: I knew something was up!

Me: Me too.

Nico: (calls Sheila) Sheila, the last car was empty. Any word on the missing officer?

Sheila: Sergeant Lory actually just showed up at the precinct. Said he blacked out and woke up without his car. That's everyone accounted for. I don't buy it, Nico. Tetch is up to something.

Nico: We'll make him talk.

Sheila: He's not the only one with tricks up his sleeve, Nico. Let me know if you need a hand. (chuckles) Or Shredlegs' webbing.

Nico: Affirmative.

Me: Hmm. But this book is cool. Team Loud Phoenix Storm's Adventure's in Wonderland.

Eli: Cool.

Acid Man: Nico, if we want to defeat Tetch, we'll have to beat him at his own game.

Nico: Right. I think he'll be going after me. So, to play his game and beat him at it, I'll need to lower my mental defenses a bit.

Maria: Before this started, I put a tracker on Nico's shoulder. If something happens to him, we'll find him easily.

Me: Good thinking and also yes Nico did beat him before.

Qin: Yeah he sure did.

Me: First villain he beat.

Xenia: Yep.

Frictor: You mean, first villain he beat alongside all of you.

Gearhead: It's not a complete waste. I can use this police car!

Me: Yep and yes. That's right.

Nico: Yep. That was my first mission with you guys.

May: That's right.

Lola: Yeah that was cool.

We went back into the interview room.

Mad Hatter: The heroes return, all filled with malice. Tell me, Team Loud Phoenix Storm. Did you find your Alice?

Nico: No. We found this! (slams book on the table) No more fucking games, Jervis. Where's the other hostage?!

Me: Yeah!

Mad Hatter: Oh, why yes, there's three! Oh, silly me. The answer's in the book, Mr. Chan. Open and see.

Nico opened the book and saw a picture of Nico and J.D. wearing Alice costumes.

Mad Hatter: (sheepishly) Um… I wasn't able to put all of you in that picture. (to me) Not to worry. I'm mad but not crazy enough not to acknowledge your time as leader.

Nico: (grabs Hatter by the collar) Ignoring that funny picture, you better start talking!

Mad Hatter: No joke, no joke, control your rage. The answer is there, just turn the page.

Nico let him go and turned the page only to see a Dark Orb that started glowing.

Nico: What the?

Mad Hatter: (laughs) Down the rabbit hole you fall, where madness reigns from wall to wall… Through the rhyming words we tumble, where villains toil and psyches crumble.

With that, Nico and Mad Hatter vanished.

Sheila: (entered the room) Sergeant Lory just vanished. What happened?!

Chomp Chest: Tetch pulled a fast one on us!

Me: Nico and Tetch vanished! But luckily Maria slipped a tracer onto Nico.

Maria: That's right.

Whiteout: We better find them and fast.

Sheila: I'm coming too. And so are some friends you might recognize.

Evil Rainbow Man: Another Sentai team?

Sheila: Yep.

The Maskman came in.

Me: Whoa the Maskman!

Takeru: Awesome to see you guys again.

Qin: Same here.

Me: We owe you guys big time for helping during the Battle with Thanos.

Akira: Think nothing of it.

Me: Lets find Nico

Nico found himself on Aldabra.

Mad Hatter: Welcome to my wonderland, it's time to play a game.

I'm here to make you understand what drives a man d if you ever want to leave this crazy world you now inhabit, all you have to do, is follow the white rabbit!

Nico saw Sergeant Lory wearing a White Rabbit Mask as P'andor, Andreas, Ra'ad, Bivalvan, and Galapagus appeared.

Galapagus: Nico. What's going on?

Nici: What are you guys doing here?

P'andor: (Russian Accent) Well, I was spending quality time with my fellow Andromeda aliens when you dropped in. What's happening?

Mad Hatter: Come join me on a journey, a trip down memory lane. But enough with the rhymes for now. Remember your battle against Xehanort in the Keyblade Graveyard? If not, here's a refresher!

Numerous Heartless appeared around them.

Nico: To make a long story short, I fell into a trap.

Ra'ad: So I see.

Andreas: Lets help out.

Back on Earth we found Nico.

Me: Found him. He's all the way on the planet Aldabra!

Sailor Aldabra: On my home planet!? Whoa all the way out there!

Eli: Wow!

Xenia: Wow! Tetch sure thought of everything.

After they destroyed the Heartless, clones of the IronWarHawk Armor, Bangray, Airachnid, Spydah, Man Bat, Reverse Flash, Scarecrow, Ocean Master, Meltdown, Metallo, Two Face, and Eradicus.

Mad Hatter: Remember the battle against Mr. Mind? I couldn't make clones for all his team. But I hope you enjoy anyway!

Nico: Just like old times.

Nico fired waves of energy and blasted them all over.

Then the spirits of the Elements of Ice and Fire appeared and they spirited around Tetch and everyone and then then they converged and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above the area and a phoenix cry was heard and we came out.

Me: Looks like the fun just started!

Qin: Yeah!

Lena Isis: There they are!

Phosphos: Let's do our entrance on the Mr. Mind clone!

Poromon: Oh boy! I call dibs on eating him!

Me: Good idea.

Firefly: Now, about that talk I promised!

Evil Fire Man: Why'd you take the fight out to Aldabra though?

Mad Hatter: Because Aldabra was the closest thing to Wonderland I could think of. Not to mention the police station was too cramped for what I had in mind. (Grumbles) I'm not happy about having to resort to this though.

Nico: I am. Now, we don't have to worry about civilians getting hurt!

Mad Hatter: You should be more worried about yourselves. Remember the battle against Swartz months ago? I couldn't make clones for the members of Dai Shocker. But I do have this!

Clones of Another Agito, Another Ryuki, Another Faiz, Another Blade, Another Hibiki, Another Kabuto, Another Den O, Another Kiva, Another Decade, Another W, Another OOO, Another Fourze, Another Wizard, Another Gaim, Another Drive, Another Ghost, Another Ex Aid, Another Build, Another Zi OOO, and Another Zero One appeared.

Bivalvan: Go have the usual battles. We'll hold them off!

Me: Lets do this!

Nico: Yeah!

Then Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Titanium Man, Kyd Wykkyd, Misty Tredwell, Trumbipular, Magneto, Usari, Evil Heat Man, Lord Stratosfear, Ticklepuss, Dahlia Hawthorne, Kung Food, Black Baron, Cammy Chameleon, Sindbad, and Libra Zodiarts appeared.

Nico: Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Titanium Man, Kyd Wykkyd, Misty Tredwell, Trumbipular, Magneto, Usari, Evil Heat Man, Lord Stratosfear, Ticklepuss, Dahlia Hawthorne, Kung Food, Black Baron, Cammy Chameleon, Sindbad, and Libra Zodiarts.

Copperhead: Garby, don't you miss Ty and the others?

Garby: Of course I do. But Matt invited me. So, who was I to say no?

Hank Scorpio: Good point.

Top: But we won't blame you if you feel homesick.

Garby: It will be fun

Taskmaster: (to Nico) We heard you went to a Cookies and Cream planet.

Nico: We sure did.

Dayu: I hope you saved some for us.

Me: There's plenty for all of us. More than enough actually.

Qin: Yep.

The modified Pordermen came.

Me: Now we're talking.

Blue Modified Porderman: This is gonna be a good one.

Qin: Yep.

Blue Modified Porderman: (to the Patrangers) It's funny how its' you and the Lupinrangers' turn considering your fellow police officers played an important part today.

Keiichiro: I know. That is awesome.

Me: Yep.

We got the usual battles underway.

## Tea Gardner, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Halinora Sisters, Sailor Soldiers, Hood Sickle and Cuckoo Clocker VS Nathan Prince A.K.A. Copperhead - Nico's Rescue on a Cookies and Cream Food Planet, His Ultimate Favorite

Copperhead was first.

Copperhead: (to Tea) Nico's Rescue was on a Cookies and Cream Food Planet. (laughs) That's probably His Ultimate Favorite!

Tea: You bet it was! He loved that planet a lot.

Twilight Sparkle: (Laughs) He sure did and it was awesome and fun.

Starshine Sparkle: I thought it was cool and fun.

Spyro: Yeah it was awesome.

The Halinora Sisters all agreed.

Sailor Moon: Yeah it was awesome and cool.

Copperhead: Boy it sure was cool! Lets do it!

Tea used her legend items.

DANCE FAIRY LIBERATOR! TEA'S FAIRY FORCE!

# Brody Romero, Rainbow Dash, Scootaloo, Air Skylanders, Fay Runnington, Boom Bloom, Lady Deathstrike and Mystique VS Taskmaster - Meeting a gene-slammer for Elemental HERO Honest Neos

---

Taskmaster was next.

Taskmaster: (to Brody) I heard you guys met a gene-slammer for Elemental HERO Honest Neos. What's her name?

Brody: Her name is Aurora Cromwell and she is an awesome angel.

Rainbow Dash: Yeah she is really cool and awesome.

Scootaloo: Boy no kidding and she and Sheila's stories really nearly sent us over the edge.

---

Aurora Cromwell: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Aurora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Aurora Cromwell: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Aurora Cromwell: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Sheila, what's the story on what that Killjoy Huggins did to earn your wrath?

Sheila Thatcher: (Australian Accent) I was hoping you'd ask that question. It's no surprise that all of us Guardian Angels hated that stupid killjoy for what he's done in trying to punish Lincoln harshly for something he's never done and always giving him a hard time. But, one day, I heard a cry for help, and I knew who it was that made that cry: it was Lincoln. I ran to his location, and I saw him tied to a chair, and I got out of the way of an incoming ruler, and I fired a miniature sun which blinded the assailant and I saw who it was that did this: it was that stupid killjoy, Huggins. I was immediately so furious at him, I proceeded to grab him by his shirt collar and hung it on a coat rack while I untied Lincoln, and then, he hugged me tightly and cried, and he told me Huggins did this to him, and that he was going to kill me and frame him for the crime, so he'd get sent to prison and die.

We gasped.

Nico: That stupid, toupee-wearing… !

Sheila Thatcher: (Australian Accent) And when I told his mom about it, oh, she was beyond furious at what that killjoy tried to do, she rushed in and she dragged Huggins into his office. We soon heard the sounds of loud screaming and shrieks of pain, and a few hours later, Mrs. Loud came out wiping her hands, and we saw what she did: she pulverized Huggins and had him hanging by his coat rack by his underwear, and he also had a black eye.

Eli: (Whistles) That's brutal!

Me: You mess with Ms. Rita's kids, and you're getting the smackdown of your life.

Aurora Cromwell: Yeah, if you thought we were really harsh to that Killjoy Huggins, Ms. Rita doesn't take any prisoners, okay, now for my turn. It's no surprise that I had a reputation for putting bad principals in their place, and at the top of that list was Killjoy Huggins. What I've been doing in defending Lincoln from him, he absolutely hated me completely, so much so that he tried so many times to get rid of me, but I was always a step ahead, and I also had Superintendent Chen's number. But, then, one day, Lincoln and the other Guardian Angels had overheard Huggins' next plot: he tried to have me killed by hiring some local thugs to get rid of me. Because of what they heard, they were absolutely furious at that stupid killjoy. But, then, I let out a huge scream and he and the others all went outside to see me cornered by the thugs that stupid killjoy hired to get rid of me. Lincoln then absolutely lost it and he pummeled the thugs, and he got them arrested and thrown in jail. Then, after they tended to any injuries I had, which thankfully not, we went back down there and we tied that killjoy up, and that single act earned him a really nasty scolding and reprimanding from me and the rest of Lincoln's Guardian Angels.

When Aurora Cromwell was done, we were literally seething with rage and fury.

Nico: Okay, it's bad enough that Killjoy Huggins treated Lincoln harshly and he also had on numerous occasions tried to get him expelled and/or thrown in jail, but to find out he's tried to kill him and two of his own Guardian Angels for his own hatred, that's just going too far. Who would even do that to a kind-hearted person like Lincoln, for pity's sake?!

Me: It's just absolutely fucking disgusting!

Eli: Wait 'til I get my hands on that stupid killjoy, I'll make him eat his own toupee!

Lincoln: Uh oh. Sheila, Aurora?

Suddenly, Sheila Thatcher and Aurora Cromwell grabbed me, Nico, and Eli, and they bashed the three of us on our heads, and we had birds circling around our heads.

Me: (Dazed and stupid) Which way did he go George, which way did he go?

We blubbed and we were back to normal.

Nico: Okay, we really had that coming.

Lincoln: You guys absolutely lost it after you heard Sheila and Aurora's stories, even Eli made his own threat to make Huggins eat his toupee. So, I asked Sheila and Aurora to stop you guys from getting after him, besides, like you said, Huggins is a changed man, but he's under the intense watch of my Guardian Angels, and if he ever changes back into the killjoy I hated, he's going to get fired and put in a nuthouse for life.

FLASHBACK ENDS

Taskmaster: My goodness! Man Killjoy Huggins really is in hot water for that one.

Whirlwind: You got that right.

Maria Garcia: (Spanish Accent) That's right, we also got David Velasco to deal with, and the next member of The Order of Nuestra Señora de la Santa Muerte should be arriving… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, David Velasco?

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was David Velasco, the next member of The Order of Nuestra Señora de la Santa Muerte.

Martina Dianaira: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

David Velasco: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Martina Dianaira's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Dianaira-themed greatsword from her back, and as she approached David Velasco, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Martina Dianaira: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, David Velasco. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Ashenveil and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Martina Dianaira was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Dianaira flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Martina Dianaira emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 2:14)

Martina Dianaira grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Dianaira emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Dianaira with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Martina Dianaira has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Dianaira surrounded by darkness and light and imps and on top of Fabled Ashenveil is an anti-Sergio symbol. Suddenly, Martina Dianaira felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Martina Dianaira has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Martina Dianaira's massive Fabled Dianaira-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Dianaira's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Dianaira etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Ashenveil's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Dianaira that said, "Martina Dianaira, Gene-Slammer of Fabled Dianaira, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of David Velasco of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Martina Dianaira has transformed into SUPER ANGEL-FABLED DIANAIRA-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED DIANAIRA ANGEL OF DIVINE DARK FABLED DIANAIRA IMP JUSTICE AND DIVINE FABLED DIANAIRA IMP LOVE!

We were amazed by Martina Dianaira's Super Angel-Fabled Dianaira-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when David Velasco saw it, he went insane and he got out his sacrificial knife to stab her, but Martina Dianaira fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at David Velasco, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Martina's transformed.

Lincoln: Yeah, and she really sent David Velasco back with that energy blast she fired and that really pissed him off now, and Martina, you look beautiful, how do you feel?

Martina Dianaira: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Dianaira and Divine Darkness Light Fabled Dianaira Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to David Velasco once and for all?

Lincoln: (Smiles) With pleasure, Martina.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Martina Dianaira.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, David Velasco, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Martina Dianaira and Lincoln went after David Velasco, and they fired extremely powerful blasts of rainbow energy, black energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at David Velasco and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Martina Dianaira sent her three imps and Lincoln summoned his own imps and sent them at David Velasco, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Martina Dianaira, her hand-cannon Blaster is known as Fabled Dianaira's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Dianaira surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Martina Dianaira aimed their hand-cannon blasters at David Velasco.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, David Velasco!

Martina Dianaira and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at David Velasco and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw David Velasco's sacrificial ritual knife which hits David Velasco right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Martina Dianaira and Lincoln gave David Velasco The Black Gates for good. We cheered as Martina Dianaira and Lincoln holstered their massive greatswords on their backs and powered down, and Martina Dianaira's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Martina Dianaira: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end David Velasco for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Martina.

Suddenly, Martina Dianaira wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Martina Dianaira's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Dianaira flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Martina Dianaira absorbed the light and they came back to us as the display and Fabled Dianaira vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with David Velasco's death, now there are only twenty-seven members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Ángel Vasquez, which means it'll be Alicia Dyf's turn.

Alicia Dyf: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Evil HERO Infernal Sniper?

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know who would could be Gene-Slammed into Evil HERO Infernal Sniper.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, and Reggie McDonald: Lucinda Stewart.

Gretchen Holland: Of all the Evil HERO Gene-Slammers in Linky's harem, Lucinda Stewart is known as a skilled marksman just like Valia Han and she's a master of both fire and darkness.

Rhonda Monroe: Just like me.

Fira Han: Really?

Gretchen Holland: That's right, Fira. See, when many of us got Gene-Slammed into the Evil HERO monsters, we were given the powers of darkness, and also, the elemental powers of the Evil HERO Monsters, and when it comes to defending Lincoln, she fights with the ferocity of the demons and devils of Hell.

Nico: Whoa! Sounds like the kind of girl who really doesn't take crap from any of Lincoln's enemies.

Lincoln: And she really means business, especially when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at home, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in Royal Woods. They were really afraid of the Evil HERO Gene-Slammers.

Me: (Whistles) So, those who try to hurt you.

Lincoln: Get a very nasty punishment so brutal, even the demons and devils of Hell are afraid of even incurring their wrath.

Me: You got that right. So Penelope how did it feel to be on your home planet?

Sailor Aldabra: It was absolutely amazing to see it.

Xenia: It sure is amazing here.

Qin: Yep.

Nico: But on the plus note we saved all the cops. And we sent Tetch to the nuthouse where he belongs.

Qin: That is for sure.

Nico: Yep. Great job today everyone.

Rarity: (To the viewers) Never mess with the beautiful beauty of Alice in Wonderland or else.

Nico: You got that right Rarity.

We went back home and enjoyed the rest of the day and went to sleep.

Academy were blasting and obliterating training dummies that looked like many of our most hated enemies and we were teaching the kids of U.A. Academy and those that haven't learned the art, the Art of the Powers of the Tai Chi Characters.

Me: Good job guys! You're really learning fast.

Camie: Thanks J.D. This is amazing!

Nico: It sure is. Boy its been a while since we used the Tai Chi Characters.

Eli: It sure has been a while.

Toru: But the powers they have are absolutely incredible! CRYSTAL! 晶

She fired a Crystal Energy blast and it hit a dummy that looked like the Prime Universe version of Maleficent from 1959 and it encased her in crystal and she shattered.

Me: Nice job Toru.

Toru: That was cool!

Izuku: Yeah this is awesome! THUNDER! 雷

He fired a blast of lightning from his lightning aura and it hit a dummy that looked like All For One and it hit it and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was blown to splinters!

Qin: Nice job Izuku!

Varie: That was well done!

Tsuyu: It sure was. WATER! 水

She fired a blast of water and drenched a dummy that looked like the Prime Universe version of Ursula and smashed her into splinters.

Varie: Well done Tsuyu!

Tsuyu: That was cool!

Nico: Qin, I want to thank you, Captain Cold, and your teams for coming.

Qin: No problem Nico. It's gonna be awesome having my team help out.

Himiko: It sure will. But this is awesome.

Me: It sure is Himiko. It was Rai and Sena and their friends that introduced us into the art. WE learned so much from them.

Laney: We sure did and it's amazing.

Bakugo: Boy this is amazing seeing what these Tai Chi Characters are capable of. EXPLOSION! 炸

He fired a blast of energy and it hit a statue that looked like Toneri and it hit it and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was obliterated in a huge fiery explosion!

Nico: Wow! That was great Bakugo!

Xenia: Well done!

Bakugo: Thanks. That was awesome.

Carol: It sure was.

Himiko: The powers that the Tai Chi Characters have is amazing! ECLIPSE! 蝕

She fired a blast of sunlight and moonlight and the blasts formed into a twilight blast and it hit a dummy that looked like her dark self and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was destroyed.

Fiona Hernandez: Well done Himiko!

Eli: Yeah!

Vixen: That was awesome!

Nico: Vixen, I find it cool that you can use the powers of animals.

Vixen: It sure is cool. All the powers of nature are in me.

Lily Chilman: Just like how we use the spirits of the Jungle in our battles.

Me: That's right Lily.

Shoto: I think this is amazing. BURN! 焦

He fired a powerful blast of fire and it hit a statue that looked like an evil Sasuke and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was blown to dust.

Me: Wow! That was great Shoto!

Shoto: Thanks J.D.

Kaoruku: Now lets see here. BUBBLES! 泡

She fired a stream of Bubbles and they enveloped a statue that looked like that of Audrey Madison and lifted it up high into the air and then it popped and dropped it and shattered it into a million pieces!

SMASH!

Nico: WHOA! Well done Kaoruku!

Kaoruku: That was awesome though.

Vixen: Yeah that was great.

Nico: But do you also use dinosaur powers?

Vixen: No unfortunately because I can only use powers of the animals of the animal kingdom. But I haven't really given that much thought.

Me: We'll have to see if we can do that for you and help you incorporate that into your style.

Vixen: Thanks J.D.

Me: You're welcome Mari.

Ibara: Let me see if I can do one. SUN! 日

She fired a blast of sunlight and it hit a statue that looked like Dracula and incinerated it.

Maria Hernandez: That was well done Ibara!

Ibara: It sure was.

Nico: Lets take a little break and rest up before we begin more training.

We agreed.

We went and had a snack and got some water too.

Me: Ahh. (Gulps down water) Ahh. That was awesome.

Lana: But yesterday's adventure was a crazy one.

Sirius: Boy it sure was a crazy one.

Nico: I honestly think Tetch rhymed to get on people's nerves

Me: Me too. Now you guys know how Billy felt when he had to listen to Wiggy Jiggy Jed's rhyming.

Captain Cold: His rhyming may be annoying but it's very entertaining to hear. Especially with that laughtrack he has with hiim.

Qin: That is cool.

Nico: Wiggy Jiggy Jed's rhyming I can tolerate. But yeah.

Me: Look on the bright side though Nico. No cops got killed and Sailor Aldabra got to see her home planet.

Nico: That's true.

Lola: Yeah no kidding.

Nico: What did you guys think of that book of his?

Me: In all honesty I thought it was really entertaining and enjoyable.

Eli: Me too. It was awesome.

Varie: Yeah I really thought reading it was awesome.

Camie: Me too.

Qin: Same here.

R.J.: It was great.

Brittney: It sure was.

Nico: I'm glad you think so. But in all honesty I did not expect Tetch to take us all the way to planet Aldabra.

Eli: Me neither.

Camie: Wow all the way over in the Andromeda Galaxy. But it was cool seeing one of the planets over there.

Me: It sure was.

Eli: Seeing every planet is always an awesome adventure.

Qin: It sure is.

Lemongrab: (sighs) Look, Nico. I just want to say that you did a brave thing risking yourself like that yesterday.

Nico: Thanks, Lemongrab. I guess you're not that bad after all.

Lemongrab: (in denial) Don't get used to it. I'm not going soft!

Me: Hmph!

Me and Lemongrab got in each others faces and glared at each other as fire burned in the background.

Camie: Boy J.D. and the Earl of Lemongrab really hate each other big time.

Qin: Yeah you have no idea.

Lola: Yeah

Nico: All right you two break it up. Lets get back to our training.

We went back to our training.

Bakugo: Okay, who hasn't used a card yet?

Sirius: I haven't. STORM! 嵐

She fired a blast of lightning and it hit a statue of Mr. Mind for the prime universe and blasted it into dust!

Qin: Nice one Sirius! By the way Nico, did Poromon eat that clone of Mr. Mind yesterday?

Nico: Boy he sure did. It tasted like chicken.

We laughed at that one!

Me: Boy that always gets to me every time I hear about how Poromon ate Mr. Mind like that.

Zuria: That is awesome. Mind if I try one?

Me: Go for it Zuria.

Zuria: Here goes. STAR! 星

She fired a barrage of stars and they hit statues of Team Dark Phoenix Storm and blasted them all over in fiery explosions!

KRABBBBOOOOOOOOOOOOOOOMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!

KRABBBBBBBBBOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

They were all destroyed.

Me: WHOA!

Nico: That was awesome Zuria!

Lola: Not bad for your first try!

Zuria: Thanks guys. That was cool!

Bakugo: (laughs) When other people hear of that accomplishment, they should think twice before underestimating Poromon! He's in the core 310 for a good reason, isn't he?

Me: That's right Bakugo. Seadramon is his archenemy and he is one of the Core 310.

Qin: Yep.

Camie: That is awesome though.

Me: Not even a Venusian Superior Intelligence Worm is a match for the awesome worm eating power of Poromon.

We laughed at that one.

Camie: Yeah! (LAUGHS)

Xenia: That is for sure.

Rhinox: That is right. Poromon is someone that is not to be taken lightly on that.

Nico: Yep. Now you guys are gonna love this. I have an awesome treat for you guys.

Nico pressed a button and a holographic simulator arena appeared and we saw that it turned on to the world of The Hunchback of Notre Dame.

Laney: Cool!

Brittney: We're going to battle Frollo and all his men.

Nico: Bingo.

Eli: This will be fun!

Me: I always love a good battle with Frollo.

Qin: Me too!

Bakugo: Let's go for the big asshole himself. Only deal with the small fry if we have to!

Nico: Actually Bakugo, Frollo is gonna be for Ibara to face. The reason is because I sense that she is going to transform into her most powerful form ever.

Eli: He's right.

Bakugo: Wow I got to see this.

Qin: Yep.

Me: Besides this is fitting for Ibara. As a churchgoing holy girl she respects religion and is a devoted religious girl.

Nico: Yep.

Ibara: It's true.

Eli: In that case we'll leave killing Frollo to me and bro.

Me: Yep.

Izuku: And Ibara. Don't forget her.

Me: I know but Ibara doesn't like to kill so she has no problem with me and Eli killing him.

Ibara: It's true.

Izuku: Oh yeah. I forgot about that.

Nico: What are we waiting for then?

Me: Lets do it.

It started and like before we followed the adventure we had in the world of The Hunchback of Notre Dame.

Esmeralda turned herself in and she was to be burned at the stake for heresy! We were watching from the shadows on top of the roofs of the buildings.

Me: This is it guys. We wait till the wood is lit.

Nico: Right.

We watched and waited.

Me: I don't think so you blasphemous fiend.

Frollo: The prisoner Esmeralda has been found guilty of the crime of witchcraft. The sentence: death!

(Cheers go up from the crowd.)

He took the torch and went up to Esmeralda.

Frollo: (Leans close to Esmeralda) The time has come, gypsy. You stand upon the brink of the abyss. Yet even now, it is not too late. I can save you from the flames of this world, and the next. Choose me, or the fire.

(She spits in his face. The crowd gasps in horror.)

Frollo: The gypsy Esmeralda has refused to recant. This evil witch has put every soul of every citizen in Paris in awful peril. For justice, for Paris, and for her own salvation, it is my sacred duty to send this unholy demon BACK WHERE SHE BELONGS!

Frollo lit the wood on fire.

(APOCALYPSE TOMORROW BY CHARLES EVANS PLAYS)

Nico: NOW!

I fired powerful blasts of fire and energy and they hit by the men and exploded.

ground.

It set the ground around the stake on fire and we swooped in and Nico cut Esmeralda free and I punched Frollo in the face and sent him crashing into a cage and he had blood coming out of his mouth. Quasimodo took Esmeralda to the church.

Frollo got up and he was enraged!

Frollo: Captain!

Captain: Sir!

Frollo: Seize the cathedral!

The soldiers went for the church!

Quasimodo: Don't worry. You'll be safe here.

Captain: CHARGE!

(Quasi leaps down, then grabs a beam of wood and throws it at the advancing soldiers on the ground. They scurry like ants.)

It smashes Frollo's carriage to pieces.

Ibara: You are finished Frollo!

She unsheathed her sword and she was facing faced him.

(Phoebus grabs him around the neck from inside the cage.)

Phoebus: Alone at last!

(He bonks the guard on the head, and as Guard 2 falls to the ground, he grabs the keys to the lock.)

He got up on top of his cage

Phoebus: CITIZENS OF PARIS! FROLLO HAS PERSECUTED OUR PEOPLE, RANSACKED OUR CITY, AND NOW HE HAS

DECLARED WAR ON NOTRE DAME HERSELF! WILL WE ALLOW IT!?

Everyone has had enough of Frollo and his men and they broke all of the gypsies out and a huge war broke out!

(As the crowd begins to break loose the gypsies, the guards continue their assault. Soon, the crowd swarms around the door.)

I fired waves of energy and blasted soldiers left and right!

Ibara: It's over Frollo! You took God's law into your own hands and killed thousands of innocent people all for your own selfish goals!

Frollo: It was my duty!

Ibara: You are nothing but a murderer! You've killed thousands of innocent people and destroyed much of Paris and sent it to Hell unjustly! Now you will die! Prepare to face the divine wrath of God!

Maria: Time for you to burn in Hell! Literally.

William: Or we can just burn you.

Ibara punched him in the face and they both engaged in a massive sword fight! They clashed violently and sparks were flying all over the place and setting much of Paris on fire! Ibara: Frollo, I will never forgive the crimes that you've committed against the people of Paris, you've blasphemed constantly against God and too many innocent people have died because of you, and for that, you shall pay the ultimate price for your blasphemy with your life.

Suddenly, Ibara was surrounded by a massive vortex of dark green energy with thorn-covered vines and plants surrounding the vortex, there are fairies and angels flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Ibara emerged, but she was changed forever.

The pigeons went at the guards and soldiers and scared them and we killed the guards.

Nico: Nice one!

Ibara kicked Frollo in the face and he crashed into the door of the church! Victor is using Hugo as a bellows to warm up the fire on the lead pot. Quasi attaches a rope to it, then dumps it over, sending molten copper pouring out of the tower and onto the scattering guards below. The guards all ran, but Frollo manages to get inside the cathedral safely. As he does, the archdeacon runs up to him.

Archdeacon: Frollo, have you gone mad? I will not tolerate this assault on the house of God!

(He shoves the archdeacon to the ground.)

Frollo: Silence, you old fool! The hunchback and I have unfinished business to attend to. And this time, you will not interfere.

(He closes the door and locks it from the inside.)

Me: Frollo's gone into the church! Come on!

We flew up to the church and Quasimodo and Esmeralda met up with us as we faced Frollo!

Me: You will pay for your crimes Frollo!

Quasimodo: You killed my mother! I know the whole truth now!

Frollo: (to Quasimodo) I should have known you'd risk your life to save that save that gypsy witch - just as your own mother died trying to save you.

Emma: Hey! Quasimodo's mom was a good soul. And now, it's time to avenge her!

Megaforce Rangers: Legendary Ranger Mode: Ninja Steel!

The Megaforce Rangers turned into the Ninja Steel Rangers.

Ibara: **You killed Quasimodo's mother! Now we're going to avenge all those you killed in cold blood! You will pay for everything you've done! Your crimes are unforgivable!**

Ibara punched him in the face and smashed him down. We punched and kicked him all over the place.

Whirlin, Quasimodo, Esmeralda, Phoebus, me, Eli and Nico: RIGHTEOUS WINDSTORM BLAST!

We fired waves of wind and energy.

Lincoln, Julie, Nanami, Mai, Tatsumaki, Menat, Yuna, Shantae, Akko, Gluko, Entrapta, Perfuma, Frosta, Jessica, R. Mika. Toph, Hilda, Ibuki and Batch: BIBLE FINAL SMASH: HOLY CROSS KAMEHAMEHA!

They fired a Holy Kamehameha at Frollo and the blasts hit him and exploded!

The explosion sent him flying and he grabbed Quasimodo and then they both were hanging. Now Frollo is hanging onto Quasimodo, who is hanging onto Esmeralda. Frollo throws his cape around another gargoyle, and pulls himself over. He stands up and is about to swing at Esmeralda.

Frollo: And he shall smite the wicked and plunge them into the fiery pit!

But then Frollo gasped in excruciating pain as he dropped his sword as he saw a sword skewer him all the way through his black heart!

And the source of that sword was me stabbing him all the way through him.

Me: You got that right Frollo! This is for me! Just for PISSING ME THE HELL OFF! GO BACK TO HELL AND STAY THERE YOU FUCKING SON OF A BITCH!

I pulled my sword out and sent Frollo falling into the lava to his death where he was incinerated in an instant.

Eli: Don't keep the devil waiting!

The simulator turned off and it was awesome as we cheered wildly! And we powered down.

Nico: YEAH!

Qin: That was awesome!

Izuku: Boy it sure was! It was awesome that we all got to experience one of your past adventures.

Me: Glad you guys had fun Izuku.

Moondancer: That was awesome though.

Nico: We're not done yet.

Then there was a bright glow and I saw the Elemental Dragon Wonder Ride Book glowing.

Me: Whoa the Elemental Dragon Wonder Ride Book is glowing!

Nico: That means we're going to face a really powerful one.

Xenia: Yeah.

Lola: Yep.

Then we saw a dragon made entirely out of Earth, Fire, Wind, Water, Light, Darkness, Ice, Lightning, Nature, Metal, Rock, Lava and energy appear!

Qin: WHOA!

Me: Wow! That is an amazing dragon!

Lola: Beautiful!

Maria: Wow!

Nico: And you are?

Another Elemental Dragon: (In a girls voice) (British Accent) J.D. knows me.

Me: (GASP) That voice.

She reverted back and we saw that she was a Sailor Soldier with blond hair and had red, green, brown and blue clothes on and she had rainbow Angel Wings.

Me: (GASP) Katara Elementia A.K.A. Sailor Elementa!

Sailor Elementa: That's right J.D. and it's good to see you again.

Me: Same to you. And Elemental Dragon is perfect for you because you're the strongest and most powerful Elemental Bender there is.

Sailor Elementa: That's right.

Katara: Wait Sailor Elementa? I've heard so many legends about her. She is as strong as the Avatar. That is really amazing that we are seeing her for the first time.

Sailor Elementa: It's true. I am a force to be reckoned with.

Me: She is also one of the strongest Sailor Soldiers ever known too.

Nico: Wow! It's awesome meeting you too.

Sailor Elementa: Same here Nico.

Nico: Did you see our battle?

Sailor Elementa: I sure did and you guys all did an amazing and absolutely great job fighting all those men and even put Frollo in his place.

Me: Well that was one of our most amazing adventures from over the years.

Qin: It sure was.

Sailor Elementa: Indeed and Ibara you did a great job with your new transformation and you did amazingly well.

Ibara: Thank you Katara and that means a lot to me.

Sailor Elementa: And I understand that you don't like killing and you have your reasons for it.

Ibara: I know. That's why I'm going to leave the killing to J.D. and the rest of the team.

Sailor Elementa: Good enough.

Me: Yeah. Sorry we have to fight like this Katara.

Sailor Elementa: No worries.

Me: Me and Touma will face you this time.

Sailor Elementa: All right then.

Me: Any other opponents with you?

Sailor Elementa: Actually yes. Another version of him.

She pointed to Captain Cold.

Captain Cold: Wow another version of me! This will be cool.

Me: Friendly or hostile?

Sailor Elementa: Friendly. And it's a gene-slammer that knows you J.D. She is the gene-slammer of Chaos Emperor Dragon - Envoy of The End and Black Luster Soldier - Envoy of the Beginning.

We gasped!

Me: WHOA! Two of the most powerful and most incredibly dangerously outlawed Duel Monster Cards ever known.

Nico: That is amazing!

Lily: Wow!

Lincoln: Wow! Next to me having Elizabeth O'Carroll on my side as a Chaos Emperor Dragon - Envoy of The End gene-slammer, J.D. is gonna have one for both.

Me: Yeah.

Nico: Go ahead, guys.

Me: Thanks.

Touma: Lets do it.

We got ready.

Touma: HENSHIN!

He turned into his ELEMENTAL DRAGON SABER FORM!

Me: YEAH!

Sailor Elementa turned into her Another Elemental Dragon form!

Me: Lets see what the Elemental Dragon book can do.

I pulled out my Elemental Dragon Wonder Ride Book.

Me: (Reads Verse) "Coming down from the heavens came a brand new and powerful dragon composed of the mightiest powers of the elemental forces of nature. Earth, Fire, Wind, Water, Light and Darkness in its mightiest of power in the form of a powerful dragon. With this new power it unleashed all the full force of the powers of nature on its opponent with tremendous power and brought forth the light of victory to the force of good."

We fired waves of said elements and smashed her down and she was back to normal and I caught her Wonder Ride Book. It was called Dark Elemental Dragon. Then it changed into a stellar Wonder Ride Book. It was called CELESTIAL ELEMENTAL STAR DRAGON!

Me: Whoa! Celestial Elemental Star Dragon! This looks amazing.

I went over and picked up Sailor Elementa and brought her over.

Nico: One down.

Me: Yep.

Then we felt a cold wave.

Me: (SHIVERS) Brr that was cold!

Shoto: That wasn't from me thankfully.

Nico: I think it was from that!

We saw a figure appear and it was ANOTHER CAPTAIN COLD! It was a dark version of him.

Qin: WHOA! Another Captain Cold!

Captain Cold: Wow! This one looks good.

Me: Yep.

Another Captain Cold: (In a girls voice) (Scottish Accent) Aye and it's good to see you again J.D. wee laddie.

Me: (GASP) Siobhan McCloud! It's awesome to see you again.

Another Captain Cold: Same to you lad.

Nico: You know her?

Me: I sure do. Siobhan is an Antarctica Scientist and she went down to the coldest spot down in Antarctica to study about how the cold got in the South Pole. She had to endure subzero freezing temperatures of -100˚ and even -145˚Fahrenheit wind chill.

Nico: WHOA! That is intensely cold.

Me: Yeah it was for the Lake Vostok Station.

Qin: Brutally cold.

Kate Lloyd: Welcome to the Antarctica Cold Party.

Another Captain Cold: Aye. Thanks lass.

Kaito: (gets out Timeranger gear) Did Swartz promise you anything?

Zocks: (gets out GoGoV gear) Because we can grant it instead.

Another Captain Cold: Aye just to be a great ice scientist.

Me: You already are an ice scientist and you already have been to some of the coldest places in the world and you know so many things about the cold.

Another Captain Cold: Aye tis true lad. But I can see that Swartz lied to me.

Me: He lied to everyone. But you don't have to worry about him. He is dead and given the black gates.

Nico: Yep.

Me: Sorry we have to fight like this though.

Another Captain Cold: No worries.

Me: Before we fight can you cool down my head? I'm dripping lots of sweat from our battle.

Another Captain Cold: Sure thing lad.

She went and used her ray gun and blew snow on me and I had my body heat melt it and it cooled me down. I had water dripping from my head.

Me: Ahh. That felt really good. Thank you.

Another Captain Cold: Anytime lad.

Kaito got a Time Force Chrono Saber and Zocks got a V-Lancer and Thermo Blaster.

Sougo: (gets out Time Force Ridewatch) Time for you to get warmed up!

Geiz: (gets out Lightspeed Rescue Ridewatch) Pun aside, because you use cold right now.

Sougo got TimeForceRedArmor while Geiz got LightspeedRescueRedArmor.

Me: Yeah! But that was a good pun though Sougo.

Sougo: Thanks.

Me: No problem. I actually know a lot of great Celtic Songs for this one.

Natilee: Me too. Mind if I go first dad?

Me: Go for it.

Natilee: (ACTIVATES MORRIGAN'S RIDEWATCH)

(THE GREEN MAN BY MARTIN DONNELLY PLAYS)

Natilee: (SINGING DIVINELY AS CELTIC SYMBOLS AND GREEN ENERGY SWIRLED AROUND HER)

The Eostre Sun

It cuts my eyes

Open to the wind and rain

All around, the Earth breathes deep

I come alive again

I am the Green Man of the woods

The wounded and the broken land

I am the fire in the red stag's eye

The touch of lover's hand

Of a lover's hand

Oh, let me speak

Lend me your tongue

To sing the trees and streams

Sing the dark blood of the hills

The Moon on goose's wings

I am the Green Man of the woods

The wounded and the broken land

I am the fire in the red stag's eye

The touch of lover's hand

Of a lover's hand

Oh, if you meet me in the fields

Don't you be alarmed

I've come to bring you joy

I'll do you no harm

Let us dance beneath the stars

The pale Moon in our eyes

And celebrate the mysterious

That keeps us all alive

That keeps us all alive

The time has come

For us to rise

From the wreaths and thorns

Return now from exile deep

Back where we belong

I am the Green Man of the woods

The thistle and the corn

The spark in every creature's heart

The dancer in the storm

I am the Green Man of the woods

The thistle and the corn

The spark in every creature's heart

The dancer in the storm

The dancer in the storm

She floated and fired waves of energy and smashed her down.

Qin: YEAH!

Me: That was great Natilee!

Natilee: Thanks dad.

Nico: (gets out Captain Cold's Ridewatch) Is it me or did it just get chilly?

Me: It's not just you Nico.

Nico activated it and got Captain Cold's ray. He fired waves of ice and smashed her down.

Nico: OH YEAH! Feel the sting of the cold. (ACTIVATES EVIL BLIZZARD MAN'S RIDEWATCH)

He fired waves of ice and smashed her all over.

Me: YEAH!

May: Try this one. Ice still think you're cool! (LAUGHS TO RIMSHOT)

We laughed at that one.

Luan: (LAUGHS) Good one May!

May: Thanks Luan. (ACTIVATES ICE KING'S RIDEWATCH)

She fired an ice blast and froze Another Captain Cold's feet.

Me: Nice one!

May: Now for this one. Guys think of something that really pisses you off.

Me: Okay.

We got to thinking and then OUR HATRED MADE OUR POWER FLARE UP! May activated the Windigo's Ridewatch and fired waves of wind and ice and froze Another Captain Cold and froze her in place!

Me: NICE!

Qin: That was clever!

Maria: This place is in unacceptable condition! UNACCEPTABLE! (ACTIVATES LEMONGRAB'S RIDEWATCH)

She fired a lemon blast and smashed her down!

Maria: I CANNOT BELIEVE THAT I SAID THAT!

Me: No kidding Maria.

Lemongrab: You are UNACCEPTABLE!

Me: YOU SHUT UP YOU FREAK!

Me and Lemongrab growled ferociously at each other and fire ferociously burned in the background!

Eli: Excuse me guys but I must discipline the nanny goats!

He grabbed both our heads and then…

BLANG!

He bonked our heads together!

Me and Lemongrab: OUCH!

Me: OW! Lemongrab may be a fruit but he has skin that's hard as a rock!

Lola: Yikes.

Maria: (gets out Chilly Willy's Ridewatch) I may use water. But I like ice too!

She activated it and fired ice rocks and smashed Another Captain Cold all over the place.

Me: Nice one!

Then Brain Freezer and his team consisting of Superfriends Captain Cold, IceDevimon, Universe 666 Trueman, Universe 666 King Sombra and 50 Below came forward.

Nico: Nice team, Brain Freezer!

Brain Freezer: Thanks Nico.

Aylene C.: Boy I'll say.

Brain Freezer: Thanks babe. It's cool.

Vixen: Lets bring the freeze. (ACTIVATES EVIL BLIZZARD MAN'S RIDEWATCH)

She fired waves of ice and smashed her down.

May: Why do I get the feeling that something might be bugging Manaphy at home?

Me: What makes you say that May?

May: Call it a hunch.

Maria: I hope the next gene-slammer is coming.

Then we heard a roar and then out came a GYARADOS!

Qin: WHOA! A Gyarados!

James and Jessie screamed in fright!

Lola: Wow!

Nico: Whoa!

Gyarados: (In a girls voice) (Telepathically) I hope I didn't frighten all of you.

Nico: Whoa that voice! Hortencia Remmington!

Qin: Wow! Awesome to see you again.

Gyarados: Same here Qin and you too Nico. I got this.

She fired a blue fire and smashed down Another Captain Cold and I caught the ridewatch and purified it. Then I went over and picked up Siobhan and she was a girl with blue braided hair and had a blue shirt and a blue kilt and and blue pants and had blue dragon wings.

Siobhan McCloud: (GROANS) What a headache.

Me: I think you could use some haggis to make you feel better.

Siobhan McCloud: I would like that lad.

I brought her over.

James: Sorry. It's just that Gyarados and I have a frightening history.

Gyarados: I can understand.

Me: Ash told me that a bunch of Gyarados hurled him, Misty and Brock onto land with Dragon Rage.

Gyarados: I see. That is interesting.

Nico: Yeah.

Vixen: What's your favorite memory of Nico?

Gyarados: I have a lot of them but my favorite is where me and Nico worked on a topographical map of the Ocean Floor of all the seven oceans.

Qin: That was a very highly detailed map.

Me: Wow! That is amazing.

Nico: Yep.

Gyarados: It sure is and we got an A+ on that.

Me: Awesome. Lets get you back to normal.

Gyarados: Okay but I'm in my birthday suit.

Nico pulled out an aqua blue jumpsuit.

I put on my blind man glasses and the boys all covered their eyes.

I snapped my fingers and she was reverting back.

Hortencia got her arms back

Along with her body and all that and she had aqua blue angel wings and Nico gave her the jumpsuit and she saw it and put it on.

Hortencia popped her jaw.

Hortencia: Ouch! Ahh! Man that hurt but it feels great not to have my mouth open like that all the time.

Nico: No kidding.

Me: Misty I heard one time that you found a fortune book and it said that you were a Gyarados.

Misty: That's right! Gyarados is one of pure, atrocious rage that even her friends are taken aback.

Me: That is a bunch of horseshit.

Qin: Yeah who said that?

Misty: (GROWLS) BIFF AND CRASSIDY DID!

Me: What!?

Butch: IT'S BUTCH!

Cassidy: And it's Cassidy!

Nico and Hortencia hugged.

Nico: I really missed you.

Hortencia: Me too Nico. Me too.

Misty stomped over to Butch and Cassidy and threatened to smash their heads in.

Me and Brock grabbed her.

Me: Misty calm down. They aren't worth it. Besides that book was wrong.

Brock: Yeah Misty.

Me: Misty lets just head home before you do something you'll regret.

Misty: Yeah.

We went back home.

Nico: It'll be awesome to see Nick and Judy again, and we haven't been here in a long while.

Me: Yep, and the place is really doing more awesome now that Bellweather is now in prison for the rest of her life.

May: What a xenophobic sheep.

Lincoln: What she's been trying to do can never be forgiven, and we had to throw her in the slammer, now we find out Fulgrim the Illuminator is here and causing havoc. This is really going to get bloody, but there's one flaw he has: his idea of perfectionism, and it also led to his downfall, and now, we're going to put him out of his misery, and I want to thank you and your team for joining us, Sheila.

Sheila: You're welcome, Lincoln.

Just then, Nick and Judy arrived.

Judy: Hey, guys, glad you could make it.

Nico: Thanks, Judy.

Nick: Looks like you guys have really been busy.

Lincoln: We've been meeting a lot of heroes and people and taking down villains all over.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of seven girls calling for help. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the seven girls, but they've been cornered by Fulgrim, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the seven girls, but they've been cornered by Fulgrim, and he's going to kill them.

?: (Girl's voice) That corrupted perfectionist, let's get him!

Suddenly, we saw Evil HERO Infernal Sniper appear before us.

Nico: Wicked, that's Evil HERO Infernal Sniper.

Lincoln: (Gasps) That voice, Lucinda Stewart, I knew it was you, but we'll talk later, time to put an end to that corrupted perfectionist for good.

We rushed on over, and before Fulgrim could kill the girls, Lincoln fired powerful rainbow energy blasts at the corrupted perfectionist, and that allowed the seven girls to get away and into a rainbow energy field to protect them from Fulgrim, and when he saw us, he was beyond pissed off.

Fulgrim: You would dare get in the way of leading humanity to my idea of perfection, Team Loud Phoenix Storm?!

Lincoln: Your so-called idea of perfection has led to your corruption, and even worse, you've callously murdered thousands of innocent men, women, and children, their blood is on your hands, and now, you will pay for every single life you've taken.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental

Then, Lincoln shattered Fulgrim's Blade of the Laer with one swing of his massive greatsword, and he infused the golden blade of his massive greatsword with phoenix fire, and he brought it down and he beheaded Fulgrim, and not only was his body incinerated and Lincoln absorbed all of his powers and abilities, but Fulgrim's soul was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Burn forever for your crimes, Fulgrim. (To Lucinda Stewart) And it's so good to see you again, Lucinda Stewart.

Lucinda Stewart reverted back to normal, and she's a beautiful girl with long flowing blood red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings with stars as she reigned in the power of Evil HERO Infernal Sniper, she has on a short-sleeved crimson red shirt that exposed her midriff, midnight black skirt, midnight black heeled sneakers, and long white sleeveless trenchcoat with fire, darkness, and demons on the coattails and on the back is Evil HERO Infernal Sniper and holstered on her back is a massive Evil HERO Infernal Sniper-themed greatsword with embedded red gems and Evil HERO Infernal Sniper etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Lucinda Stewart: You too, Lincoln, it's been a long time, and it's so good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, and Tiffany Emmerson.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, and Tiffany Emmerson: You too, Lucinda.

Lincoln went up to Lucinda Stewart and he hugged her, and Lucinda Stewart is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lucinda Stewart: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Lucinda Stewart, she's my Guardian Angel from Michigan and classmate in Gym. Lucinda Stewart is known as a skilled marksman just like Valia Han and she's a master of both fire and darkness, and she's also friends with Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, and Tiffany Emmerson, and when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city, she means serious business especially when it comes to defending me, and make no mistake, she and the other Evil HERO Gene-Slammers fight with the fury of the demons and devils of Hell, and any who dare to mess with me, she and the other Evil HERO Gene-Slammers will deliver unto them a very nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring their wrath.

Nico: (Gulps) Just like what we were told yesterday.

Gretchen Holland: That's right, we fight with the fury of the demons and devils of Hell, and those who dare to mess with Lincoln deserve a nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring our wrath.

Me: Remind me never to cross any of you. And among your enemies, which one did Lucinda really hate with a blazing passion, Lincoln?

Nico: That's right, and many of your enemies had crossed really nasty lines, but only a certain one would've crossed that line and it would earn them their entire wrath in full.

Lincoln: That's right, and those very people who earned Lucinda's blazing hatred would be Lori, Lynn, and Lola. They did something so evil to me, they earned Lucinda's dark wrath on that day.

Lucinda Stewart: It's something that I can never forget to this day. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Lucinda, are you absolutely sure about this?

Lucinda Stewart: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Lucinda Stewart, and he saw that she's really serious, and he smiled as he walks over to Lucinda Stewart, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Lucinda Stewart's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Lucinda Stewart's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Lucinda Stewart: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lucinda.

Lucinda Stewart had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Tomoko Nomura, Urumi Kanzaki, Mizuki Nanako, Yoshiko Yuchiyamada, Hidemi Oota, and Nao Kadena from Great Teacher Onizuka and Hibiya Chitose from Chobits.

Lincoln: Oh wow, it's Tomoko Nomura, Urumi Kanzaki, Mizuki Nanako, Yoshiko Yuchiyamada, Hidemi Oota, and Nao Kadena from Great Teacher Onizuka and Hibiya Chitose from Chobits.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Tomoko Nomura: Yes, we're okay, thanks to you.

Then, when Tomoko Nomura and the other six girls saw who it was that saved them from Fulgrim the Illuminator, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Tomoko Nomura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Tomoko Nomura: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tomoko Nomura, Urumi Kanzaki, Mizuki Nanako, Yoshiko Yuchiyamada, Hidemi Oota, Nao Kadena, and Hibiya Chitose with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Fulgrim the Illuminator from Warhammer 40,000.

But, when Lincoln showed what we all did in beating him down and then Lincoln finishing him off by beheading Fulgrim with one downward swing of his massive greatsword and banishing him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Lucinda Stewart have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I certainly wasn't expecting Fulgrim to show up and go on a rampage in Zootopia.

Lincoln: Same here, but we brought an end to the fallen phoenix knight, and he paid the price for all those he'd killed.

Me: Yeah, he's a disgrace to the phoenix itself!

Nico: That's putting it mildly, J.D., but I agree, he's done enough damage to too many lives, and he'd been destroyed by the true representors of the phoenix.

Lincoln: You got that right.

---

After destroying Fulgrim the Illuminator and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lucinda Stewart saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his

eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lucinda Stewart: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lucinda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lucinda Stewart: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Lucinda Stewart: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Lucinda, what's the story on what Lori, Lynn, and Lola did to Lincoln that was so evil, it left you hating them with a blazing passion?

Lucinda Stewart: You're not going to like hearing it one bit. One day, I was going for a walk through Franklin Avenue, but then, I heard someone weakly crying out for help, and I knew who would make that cry: it was Lincoln. I immediately rushed to The Loud House and ran for Lincoln's room which was boarded up and chained up, I fired blasts of darkness and fire which destroyed the boards and the chains, and I went inside, only to find my feet in a pool of blood, and I saw the sight that would haunt me forever: it was Lincoln, but I saw he had multiple stab wounds and slash marks all over his upper body and lower body, he was literally pale and really weak from hunger, and even worse, he was handcuffed with no hope of escape. I got the handcuffs off him, but then, I let out a loud scream of horror, and that got Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, and Lily here, along with Mr. and Mrs. Loud, and as soon as they saw Lincoln, all of them screamed horrifically. Lucy gave me a bag of blood which I gave to Lincoln and as he fed, the pool of blood rose and all his spilled blood went back into his body and the slash marks and stab wounds all over his body began to seal as he was healed. Then, he hugged me tightly and he really cried hard into my chest, and then, I saw the absence of three people, and that's when I growled in anger.

Past Lucinda: Where's Lori, Lynn, and Lola?

Past Leni: Lori's at the mall, Lynn's at basketball practice, and Lola's at her pageant.

Past Lucinda: When they get back, leave me and Lincoln with them, they're going to pay with their miserable lives.

Lucinda Stewart: We didn't have to wait long. Lori, Lynn, and Lola came back, and when they saw the family turn and glare at them, they got nervous. But, when they saw Lincoln healed and alive, their nervousness turned into outright anger and fury.

Past Lynn: WHAT THE?! STINKOLN'S ALIVE?!

Past Lori: THAT BITCH HEALED HIM, AND YOU ALL HELPED! THAT'S IT, YOU WILL ALL DIE!

Past Lola: YOU WILL PAAAAAAAYYYYYYY!

Past Lincoln: THAT'S ENOUGH!

Lucinda Stewart: That loud outburst just only angered Lori, Lynn, and Lola even more and they ran at Lincoln to kill him again, but we fired blasts of darkness and fire, which trapped them in prisons, and I was already pissed beyond measure.

Past Lucinda: You three brats have really crossed a fucking line, if I hadn't found Lincoln and saved him, he would've died, and his blood would be on your hands. Give me one reason why I shouldn't even send your wretched souls to Hell for this!

Past Lincoln: Lucinda. Let me.

Lincoln walked up to Lori, Lynn, and Lola.

Past Lincoln: If you even think I'm saving your butts, then, you've absolutely lost your minds. You brutally stabbed me all over my body and left slash marks all over me, you handcuffed me, and boarded me up in my room to die. Until you three prove to me that you deserve my forgiveness, don't expect any help from me. Lori, go find someone else to be your ottoman for your raptor claws you call toenails, Lynn, go find someone else to be your "training dummy", and Lola, go find someone else to be your pageant coach!

Past Lynn Sr.: Actually, champ, they won't be doing any of that for a long time. Lori, Lynn Jr., and Lola Loud, because of what you three did to your brother, you three are grounded for nine months.

Past Rita: Plus, you'll be spending those nine months in Aunt Ruth's house, since Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, and Lily are almost that close to rushing at you to beat you three to death for what you did.

The flashback ended, and we were horrified.

Nico: Oh my God, this tops all those times Lori did all that to Lincoln.

Lucinda Stewart: They were nothing but bitter and stupid girls, and after the dust settled, Lori, Lynn, and Lola got sent to Aunt Ruth's for nine months for what they did to Lincoln, and I made sure they didn't escape by asking Maria Garcia and her friends to leave imps at Aunt Ruth's to torment them.

Me: They'd been asking for it for a long time.

Maria: Well, as they say, payback's a bitch, and for those three, it definitely got them right in the ass.

Luna: Big time, and Mom was right, we were that close to rushing them and beating them to death for this. They've crossed numerous lines to try and ruin Lincoln's life and kill him, but now, they went too far, and they paid the price.

Lincoln: And I made it clear I wasn't going to save their butts, they needed to prove they deserve my forgiveness, which they did. After experiencing nine months in Aunt Ruth's eating nothing but moldy pudding and dealing with her cats, they broke down and cried like crazy and they apologized. Those were the words I wanted to hear, and I did hug and forgive them.

Rita: And so did the rest of us. But, Lucinda, oh she never forgave them, and she swore if they ever did this to Lincoln again, she and the other Evil HERO Gene-Slammers would go after them.

Me: And send them to Hell forever.

Nico: (Shudders) Just by angering the Evil HERO Guardian Angels by messing with or trying to kill Lincoln, and they'll be on a one-way trip to Hell.

We got a shower afterwards, and then, Lincoln, Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu are heading to Yoshino Beach in Miyako Island in Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu each have feelings for Lincoln, and he also had feelings for them as well, he saved them when Flip broke out to kill them for revenge again, but Lincoln saved them, and he smashed that smelly mutant cheapskate into the dirt before he tied him up again.

Mindy (GX): Whoa, so this is…?!

Lincoln: Yoshino Beach in Miyako Island in Japan, that's right, Mindy, and it's perfect for our first date. Shall we?

Lincoln, Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu and they hugged the girls in their abnormally massive and powerful muscular arms and Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time in Japan, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mindy (GX), Jasmine (GX), Ribrianne, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Alexis: And I always knew you and Jasmine had feelings for Lincoln, Mindy.

Marcarita: And it's really great that you, Kakunsa, Roasie, Bikal, Sorrel, Hop, and Rylibeu are also now part of Lincoln's harem, Ribrianne.

Ribrianne: We knew it was love at first sight when we first met Lincoln, and he also saved us from that cheapskate, Flip.

Lincoln: He really is stubborn and stupid.

Me: And hard-headed, he just doesn't even know when to quit, no matter how many times we kick his three-cheeked ass.

Nico: Next time, he's getting thrown in a tank of electric eels and jellyfish.

Lincoln: I don't think that's going to work, Nico, in fact, he's gotten used to getting electrocuted by me and all lightning wielders. No, we need something much more painful.

Bayonetta: (British Accent) Did you just say painful? Follow me, everyone.

We followed Bayonetta to Lynn's Table, and we knew what she was going to do to Flip.

Bayonetta: (Speaking in Enochian) PDI BARMA

Suddenly, a portal opened up, and we saw who it was that came out of the portal: it was Bayonetta's main contracted demon and Serena Elma's archenemy in The Masters of Evil, Madama Butterfly, The Mistress of Atrocity.

Me: Whoa, is that…?!

Nicole: (Gasps) Madama Butterfly! Bayonetta's main contracted demon, she may look beautiful in appearance, but don't let her beauty fool you, she's particularly brutal, and her reputation is well known even amongst the denizens of Inferno. If an Umbra Witch were to enter into a contract with Madama Butterfly, she would impart upon her enormous power and great wisdom.

Nico: (Stunned) Holy cow, that's really powerful.

Lincoln: Plus, a select few truly powerful witches can use the ancient art of the "Demon Slave" to control her power themselves. There's a bond between Bayonetta and Madama Butterfly that goes beyond the terms of their contract, but it's unknown how that came to be. But, I've seen for myself how brutal Madama Butterfly really is when Bayonetta summons her through her Wicked Weaves or through her chant.

Bayonetta: (British Accent) And since everyone's here, I suppose we have time for one beatdown on the jerks.

Madama Butterfly then proceeded to pummel the jerks with kicks and punches, and she even used her claws on them and left scratch marks on them, and that caused gold and jewels to explode out of them like crazy.

Nicole: Oh man, now that's just really brutal!

Lincoln: Now, I see why Bayonetta always saves summoning her for a really big job, and that's also further proof that she's someone who is not to be trifled with.

Madama Butterfly was dispatched and we saw the jerks really beaten up and bloody.

Me: (Whistles)

May: Yikes, now that's what I call major league damage.

Maria: Big time. Ooh, I sure don't want to mess with Madama Butterfly, nor Bayonetta.

Bayonetta: (British Accent) That's true, dear. Plus, if Linky were to find either of those jerks trying to mess with me, he'll also make their lives a living nightmare.

Lincoln: Exactly. No one messes with those close to me and gets away with it.

We left Lynn's Table, and the jerks were still groaning in pain and agony, but they brought this all on themselves.

* * *

Later Manaphy was swatting at a fly.

Curly: What are you doing, Manaphy?

Manaphy: There's a fly that's been bugging me all morning!

Curly: Why can't you fly with it? Nyuk nyuk nyuk nyuk nyuk.

SLAP!

Moe hit Curly on his head.

Moe: You pumpkinhead! We got to get rid of that fly.

Qin: (Laughs) That's funny. But yeah I agree there.

Me: I hate flies. They are such a nuisance.

Qin: Yeah they drive people crazy.

Lola: They sure do.

Hilda: (gets out bug spray) (British Accent) We could try this!

Manaphy: Thanks Hilda.

But then Tsuyu used her tongue and ate the fly no problem.

Tsuyu: Good fly.

Manaphy: Yuck.

Tsuyu: Hey it's part of my quirk.

Me: Yeah.

Thundecracker: And I was about to have our new friend over here take care of it too!

We saw a Lapras.

Tsuyu: Whoa a Lapras!

Ash: Cool!

Lapras: (In a girls voice) But I actually know Nico too.

Nico: Whoa! Taylia Vennicova!

Lapras: Awesome to see you again Nico.

Me: Wait the owner of Vennicova Cruise Lines? Whoa!

Nico: Yep.

May: What's your favorite memory of Nico?

Lapras: My favorite is when I showed Nico our latest awesome ship, the Millennium of the Seven Seas and it was the most advanced high tech ship ever.

Me: Whoa that is an awesome 31st Century style ship.

Qin: Yeah I remember that one.

Me: Wow! Lets get you back to normal.

I put on my blind man glasses and everyone covered their eyes and Nico pulled out a blue jumpsuit. I snapped my fingers and she was reverting back.

She was back to normal and she put on the jumpsuit.

Silverbolt: You okay?

Taylia: Yeah.

She got up and Nico caught her as she was about to fall over.

Taylia: Whoa. That was close. Not used to walking.

Nico and Taylia hugged.

Nico: I've really missed you.

Taylia: Me too Nico. Me too.

Cyclonus: Boss, what teams have you made this time?

Nico: Mack's team will include Margareta Gottschalk, Rhonda LaBouche, Tephra, The Firestorm, and Lord Moltus. Carter's team will include Serafall Leviathan, Lena Windsor, Grffex, Evaranae, and Talika.

Me: Awesome choices.

Qin: Yeah! More great choices from Monster Legends.

Xenia: I agree there.

Me: Yep.

Then the previous group came.

Hank Scorpio: Can me, Copperhead, Top, Taskmaster, Dayu, Titanium Man, Kyd Wykkyd, Misty Tredwell, Trumbipular, and Magneto go with you guys?

Evil Heat Man: Me, Usari, Lord Stratosfear, Ticklepuss, Dahlia Hawthorne, Kung Food, Black Baron, Cammy Chameleon, Sindbad, and Libra Zodiarts will come as well.

Nico: Yes you all can come with.

Lola: What's our mission?

Nico: You will love this one. We're going to meet Cody Maverick and his penguin friends and battle Tank "The Shredder" Evans.

Me: Awesome! We're going to meet the heroes from the movie Surf's Up!

Lincoln: Love that movie!

Me: That means we're going to Hawaii next.

Nico: Yep. First we'll watch the movie and then we'll head out.

Camie: Who is Tank?

Me: You will not like him.

I told everyone about him.

---

Tank "The Shredder" Evans is the main antagonist of Sonny Pictures Animation's second feature film Surf's Up and the sole antagonist-turned-supporting protagonist of it's 2017 direct-to-video sequel Surf's Up 2: Wavemania. He is Cody Maverick's former archenemy-turned-friend.

He was voiced by Diedrich Bader, who also played Oscar in Ice Age, and Warp Darkmatter in Buzz Lightyear of Star Command.

Tank Evans is a penguin who competed against the famous surfer, Big Z, during a surfing contest on Pen Gu Island. During the surf off, Tank wiped Big Z out. Tired and knowing that he could not compete against Tank, Big Z faked a disappearance. Following this, a surfing contest called "The Big Z Memorial Surf Off" started and was won by Tank nine times.

Ten years after Big Z's disappearance, Tank returned to Pen Gu Island to take part in the tenth surf off. Whilst on the island, Tank disrespects Big Z's memorial, much to the disgust and anger of fellow participate and fan of Big Z Cody Maverick, who challenges Tank to a surf off. Tank wins the surf off by wiping out Cody, who is rescued by Pen Gu Island's lifeguard Lani, who takes him to be healed by her uncle Geek (who is actually an older Big Z).

On the day of the surf off, Tank competes against Cody and Chicken Joe. Tank tries to knock Chicken Joe off his board, but is stopped by Cody. Tank and Cody end up in an area of the sea called The Boneyard (which had killed surfers in the past). Tank knocks Cody off his board, but ends up crashing. Lani helps Tank back to shore whilst Big Z comes to Cody's aid.

Afterwards, Tank is disqualified from the surf-off.

Tank returns in the sequel to challenge Cody and the Hang 5 in surfing in the Trenches (a mysterious surfing spot that is considered dangerous). He seems to be more ignorant and cowardly than in the first film as it shows he feared for his own life surfing in the dangerous waters during a thunderstorm. Cody then rushes to rescue him along with J.C., causing Tank to redeem himself by realizing that Cody risked his life to save him and then accepted him as a friend.

---

When I was done everyone was shocked!

Me: Yeah.

We got to watching the movie and it was awesome.

---

In a mockumentary, 17-year old northern rockhopper penguin Cody Maverick, living in Shiverpool, Antarctica, with his mother Edna and his older brother Glen, has yearned to be a professional surfer ever since meeting the famous surfer Big Z many years ago, so when a talent scout shorebird named Michael Abromowitz arrives to find entrants for the Big Z Memorial surfing contest on Pen-Gu Island, Cody jumps at the chance. En route to the contest, Cody befriends another entrant, Chicken Joe, a nice, but dim-witted rooster surfer from Sheboygan, Wisconsin.

The entrants arrive at Pen-Gu Island, where Cody meets and immediately falls in love with Lani Aliikai, a female gentoo penguin who is a lifeguard. He also meets the contest's arrogant champion, Tank "The Shredder" Evans, who has won the Big Z Memorial nine times since it was first held after Z's presumed death during a previous match ten years ago. Cody sees Tank vandalizing Big Z's memorial and immediately challenges him to a surfing duel. Tank wins the duel while Cody nearly drowns and is stung by a sea urchin named Ivan. Lani rescues him and takes him to her uncle, "Geek", to help Cody recover from his injuries. Cody wakes up, but cannot find the souvenir necklace given to him as a child by Big Z. Geek then finds it in his hut.

While returning the necklace, Geek finds Cody sitting on a koa log and offers to help him make a surfboard. They attempt to take the log back to Geek's house, only to lose control of it and end up on a beach far away from the house. When Cody gets to the beach, he discovers a shack full of old trophies and surfboards, which used to belong to Big Z. After observing Geek walking sadly into the shack, he realizes that Geek is actually Big Z himself. Thrilled, Cody asks him to teach him how to surf. Z reluctantly agrees, but tells Cody he has to make his own board first. The attempt does not go well, however, as an impatient Cody refuses to listen to Z's advice and crafts a weak and unstable board that shatters upon hitting the water. Angry, Cody storms off and runs into Lani, who eventually persuades him to return. Cody spends the night working patiently on a new board.

Z compliments Cody on his new board, and Cody is eager to start training. Z instead has him do menial tasks seemingly unrelated to surfing. Finally, when Cody starts having fun, Z and Lani teach him how to surf the waves. Afterwards, Cody asks Z if he will come watch the contest, but Z refuses, revealing that he faked his death because he realized he couldn't compete with his then-new rival Tank, and that he had become too focused on winning. Not impressed that Z gave up, Cody throws the necklace Z gave him into the sea, meets up with Joe, and gets back to the contest just as it begins.

Tank makes it to the finals, as do Cody and Joe. In the semifinals, Tank battles with Cody, with Tank trying to throw him off his board, but Tank falls off his own board and loses. During the finals, however, Tank appears and tries to knock Joe off his board. Cody intervenes at the last minute, sending himself and Tank into an area of the beach known as the Boneyards, which consists of dangerously sharp rock outcroppings and has killed many surfers who have ventured there. Tank punches Cody off his board before crashing, and is rescued by Lani. Z, who had secretly been watching Cody's performance, rescues Cody from a gigantic wave and helps him get back to the beach safely.

Z and Cody find out that Joe won by default since Tank and Cody were disqualified. However, Cody accepts the loss, having decided he would rather just have fun instead. Z reveals himself to the spectators and invites all of them to surf at his beach, where he joins Cody in tube-riding. Cody finishes his interview with a reflection of the past events and then joins the rest of his friends in the water.

---

It was awesome and fun and cool!

We cheered wildly.

Lola: So awesome!

Qin: Yeah!

Giganta: Nico, which Gene Slammers do you think you'll meet next?

Nico: Ditto, Vaporeon, Jolteon and Flareon and Porygon.

Me: Whoa! This will be awesome! Ditto on your rescue, The Three Eeveelutions on Vinyl's next mission and the Porygon on either here or on the mission.

Xenia: Nice!

Qin: Cool.

Me: Lets get ready.

I spun around and I was in my Hawaiian shirt.

Then we spun around and we were in our Hawaiian clothes.

Nico: Now we're ready for paradise.

Taskmaster: Let's get going.

Ticklepuss: I'm ready to catch some waves!

Nico: Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Ángel Vasquez of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Ángel Vasquez of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Alicia Dyf: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Ángel Vasquez for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we're off to meet Cody Maverick and his friends.

Lincoln: And teach Tank Evans a huge lesson in humility and good sportsmanship, and we'll offer him community service after we take him down, but the one who's going to die here is you, Ángel Vasquez.

Alicia Dyf: (Spanish Accent) We'd already gotten rid of three of your fellow fanatics, and now, it's your turn to die.

Nico: Before we go after Tank, here are some surprise guests.

Nico summoned The Liveman!

Yusuke Amamiya: Hey guys! Been a while.

Me: Been a while Yusuke.

Yusuke Amamiya: It sure has and it's an honor to be part of the team too.

Megumi Misaki: We're really looking forward to it.

Nico: Awesome.

We were off.

MAUI, HAWAII

(TREASURE TROVE COVE - BANJO KAZOOIE PLAYS)

We were on the island of Maui in Hawaii.

Barbossa: We be here.

Me: Hello paradise.

Nico: Feels like we should be on vacation.

Qin: I know.

Me: Yep. I can't wait to have some fun.

We then saw a bunch of Penguins.

Me: There they are.

We went over.

Titanium Man: Hi there.

Kung Food: You must be Cody.

Cody Maverick: That's right. Wow! Team Loud Phoenix Storm it's an honor.

Xenia: Same here Cody.

Me: Surf's up dudes.

Cody Maverick: That's right dudes.

Lola: You ready to shred some waves?

Cody Maverick: You bet I am!

Tidal Wave: Tidal Wave born for water.

Me: Yep. Lets do it!

We got our surfboards and we got to surfing!

We headed out onto the water!

(SURFIN' DERP BY THE CAMPANULAS PLAYS)

We saw awesome waves and got to surfing them!

Me: COWABUNGA!

We surfed and did all sorts of great moves!

Otto Rocket: OH YEAH!

Stacy Bolton: YEAH!

We were really doing all kinds of great moves!

We got back to shore.

Me: FAR OUT!

Qin: YEAH!

Nico: That was awesome!

Chicken Joe: Those were some gnarly moves dudes!

Misty Tredwell: You must be Chicken Joe.

Chicken Joe: I sure am.

Ed: CHICKEN!

Cammy Chameleon: Get ready for a hug!

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

He hugged Chicken Joe!

Chicken Joe: Okay big guy yes.

We laughed!

Lincoln: That is funny!

Cody Maverick: Wait Lincoln didn't you surf that ginormous wave back 2 years ago?

Lincoln: That's right Cody.

Aqua Man: I'll never forget that day.

Me: Me neither!

?: Neither will I dudes.

We saw Frankie Dude!

Me: Frankie Dude! Long time no see.

Sam Simpson: What are you doing here?

Vypra: It's all right guys. He is now with us.

Me: Oh so you decided to give our frenemies a shot.

Frankie Dude: I sure have.

Me: Gnarly.

Camie: What happened back then?

Lincoln: We faced Frankie Dude and I surfed the huge wave Humungadunga.

Everyone gasped.

Me: See that rock out there?

I pointed to the spire rock.

Me: That rock right out there is where numerous surfers have tried to become legends. Those flags are ones they put into it. But only 3 have been known to make it to the top. Those three are the legendary Jan, Victor and just recently our own Lincoln Loud.

Everyone looked through binoculars and saw three flags on top. It was true.

Me: That was an adventure none of us will ever forget.

I went over what happened in chapter 1093 and it was awesome!

---

At the Chaotic Central Hub, we were there to watch Nico and May duke it out against Tom Majors and Sarah Gunnerson. This was gonna be so cool as we were gonna see them battle as Chaotic Monsters.

Roxas: This is my first time watching a Chaotic match.

Me: It's a first for all of us Roxas.

Peyton: This is gonna be cool seeing Nico and May face Sarah and

Tom.

Laney: It sure is. I can't wait to see how this turns out.

Lincoln: Me too.

Me: Here we go guys.

We saw on the tv that Nico was turned into Enre Hep and May turned into Frafdo and we saw Tom turned into Maxxor and we saw Sarah turn into Tamikom.

Flora: I thought Sarah used mostly Danians.

Me: She does. But we told her to diversify her creatures.

Lori Jimenez: We told her that to keep her enemies guessing we have to use a variety of techniques and creatures to show that she is not that predictable.

Kaz: That's a good strategy.

Naruto: Yep. We have known about it for yeahs.

They were fighting in Ravenaugh Ridge and Nico fired blasts of energy at Tamikom and she dodged them and fired blasts of fire at Frafdo and May dodged them and fired energy blasts at Tamikom and they hit her and exploded! Tamikom was disintegrated.

Me: Whoa!

Thrust: You can do it, Nico!

Me: This is it guys.

Strafe: Nico's using Mugic!

He used Trills of Diminution and Maxxor lost his powers and abilities and Enre Hep blasted him and disintegrated Maxxor.

Nico and May won!

We cheered wildly for them!

Me: That was awesome!

Vince: Not bad for their first time!

Carol: That was really well done!

They came out and we cheered wildly for them.

Me: Way to go guys!

Nico: That was so cool!

May: It sure was. You did really well for your first time Nico.

Nico: Thanks May.

Lana: That was awesome though.

Lisa Loud: Indeed. A most entertaining battle.

Nico: Thanks guys.

Me: So how did it feel battling as Chaotic Creatures?

Nico: Amazing! It's like I was one with the world of Perim.

Lincoln: That is so cool!

Ash: It sure is.

But then the floor opened up underneath us and we were heading down a slide!

Stacy Bolton: We haven't had this happen to us in a while!

Me: No kidding!

Sam Simpson: Yeah!

Nico: WHHHEEEEE!

May: I forgot how much fun this is!

The WOOHP entrance dropped us off in an elevator.

William: An elevator? This is new.

Me: It sure is.

As the elevator was going to Jerry's office, we passed by some WOOHP agents.

Nico: Hey, guys. Working hard or hardly working?

WOOHP Agent 1: Working really hard.

We got to Jerry's office. We entered Jerry's office. The lights are off and everything is black.

Jerry: Shh! Quiet, Glados! They're coming!

The lights come on, revealing the room filled with balloons.

Jerry and GLADOS: Surprise!

GLADOS: Alright!

Me: Whoa!

Jerry: Happy 1000th mission, girls! (blows into kazoo)

Clover: Wow! 1000th Mission!?

Laney: Wow! That's a lot of missions.

Me: No kidding.

Jerry: Sorry we haven't seen each other in a while J.D.

Me: No worries Jerry. But you know how busy we are with saving the planet.

Jerry: I understand. And guys, I am so sorry about your loss at the hands of Thanos.

Me: We appreciate that Jerry.

Jerry: Yes. I see that you all have expanded since your last mission.

Me: Yes we have. We have expanded our forces quite significantly.

Zarya: We sure have.

Nico: Yep.

Jerry: I see.

Kim Possible: So what's the sitch?

Jerry: Right. I'm afraid we found out that Frankie Dude escaped from prison.

Me: Who is Frankie Dude?

Clover: He is a really rad surfer J.D.

Clover went over his history.

---

Frankie Dude appears in "I, Dude". He is an ex-surfer who once was a big time pro. In an accident he hit his foot on the pier of a newly built resort and ended up losing his pinky toe entirely. He sought revenge by using tsunamis to destroy beach resorts and restore the surfing areas. In the end, he was stopped by the spies and captured.

---

We gasped in shock!

Lola: He lost his pinky toe in an accident!?

Laney: Yikes!

Me: Ouch! That must've hurt.

Sam Simpson: It did. He was gonna use tsunami's to destroy beach resorts to restore surfing areas.

Nico: That's insane! Tsunami's will kill thousands of innocent people with it!

Me: It sure will. We'll take the case and return him to prison. After killing Violet Vanderfleet, we're not going to kill Frankie. But if we find a worse villain, their death will be assured.

Jerry: Understood. He is last reported being seen in Hawaii.

Me: Then it looks like we're headed to paradise.

We got our gadgets and we were off to the Aloha State!

## HONOLULU, HAWAII

We were over in the capital city of Hawaii on the island of Oahu. With us was Gozcalmoc, a Skink from the Lizardmen faction. He wears blue, yellow, and red feathers, has red paint between his eyes and cheeks. A Aztecan style mask on his head. And carries a golden, bronze spear, with markings of the Lizardmen.

Me: We're back in Honolulu.

Lincoln: Paradise.

Gozcalmoc: It sure is beautiful here. I wouldn't mind coming here for some R&R.

Me: It's beautiful.

Laney: I love coming to Hawaii.

Hunter: (German Accent) Ja. Me too.

Kanaloa: (Hawaiian Accent) It feels great to be back home in Hawaii.

Lana: It's beautiful here. I remember when we first came here.

Me: Me too.

Then the Tsunami Siren sounded.

Me: Uh oh!

We went to the beach and we saw a huge 50 foot tsunami coming towards the island.

Me: WHOA! Not on my watch!

I formed a huge barrier of energy and the wave hit it and the island was saved.

Me: That was a close one.

Everyone cheered for us.

Me: You're welcome folks.

We saw that a lot of people had their surfboards with them and they had flags with them.

Me: Wow you guys are ready to surf. Is the Big Kahuna of Hawaii contest back on again?

Local: Nope. We're gonna try to become surfing legends. An extremely rare event is coming to Hawaii.

Local girl: Humungadunga is coming.

Brock: Humungadunga!?

Local girl: It's a huge wave that hits the island only once every 20 years.

Local Man: We're trying to stick our flags on top of that rock out there.

We saw a huge pointy rock that stuck out of the water like a sore thumb and it had many flags stuck into it all over and only 2 of them were on the very top.

Me: Wow. That must be one incredible wave.

Ash: I remember that!

Me: Really Ash?

Ash: Yep. We were there to witness it. I was training for the Indigo Pokemon League back then. A lot of people wanted to be just like Jan and our friend Victor. Over 40 years ago, Jan was the greatest and best surfer of them all and Jan stuck his flag up on top of the rock 40 years ago. He was the first surfer ever to successfully stick his flag on the very top of that rock and become a surfing legend. For 40 years no one else did the same thing and ever since, surfers from all over the planet wanted to be like Jan.

Me: Whoa!

I pulled out my binoculars and I saw a pink flag that was worn out a bit with a letter J on it and there was a green flag with a yellow stripe and it had the letter V on it.

Me: Wow! That is amazing. Who has the flag with the V on it?

Misty: That's the flag of our friend Victor.

Ash: He has a Pikachu that he named Puka and he had a mysterious power that enabled him to feel the waves.

Me: That's REALLY mysterious.

Nico: No kidding but that is so cool!

Lincoln: Maybe I can do it too.

Laney: Go for it Lincoln!

Lana: Yeah go for it!

Lincoln used his powers and he made an Orange Flag with his Initials L.L. over a Thunderbird Symbol.

Me: This is gonna be so cool seeing a really rare wave like this.

Lily: It sure is.

Sam Simpson: Yeah!

Gabrielle: (British Accent) I can't wait to see if Lincoln does it.

Ash: Lets go find Victor. We'll show you where he lives.

Me: Okay.

We went to Victor's house. We got to his house and we met Victor.

Ash: Hey Victor.

Victor: Ash Ketchum, Misty, Brock. It's great to see you all again.

Misty: Same to you.

Me: It's a pleasure to meet you Victor.

Victor: Team Loud Phoenix Storm. It's an honor to meet you.

Me: Same to you. We saw your flag on the very top of the rock.

Victor: Yep. That flag is mine next to my hero Jan. I became the second person to successfully plant a flag on top of the rock next to my hero Jan. Jan became the first to ever plant his flag on top of the rock over 40 years ago.

Me: Wow. Humungadunga must be really big for a rare wave.

Victor: It is.

Lincoln: I want to try it myself. I want to be the third person ever to place a flag on the rock.

Me: We got word that Humungadunga is coming and Lincoln wants to become the youngest ever to place a flag on top of that rock.

Laney: Yep. That's our brother.

Victor: You definitely have it in you Lincoln. You can do it.

Lincoln: Thanks Victor.

Me: How big exactly is Humungadunga?

Victor: It's a big wave at 300 feet high.

We gasped in sheer amazement!

Me: 300 Feet!?

Sakura Haruno: That's a Megatsunami!

Naruto: That is gigantic!

Luna Loud: Unbelievable dudes.

Lori: That wave must literally be incredible.

Varie: No kidding.

Edwayl: (Breton Accent) That wave must be one amazing wave lads.

Fletcher: (Scottish Accent) Aye. It would be a big wave laddies.

Vince: This is gonna be a really rare wave to see.

Me: The largest wave ever surfed was over 80 feet. This shatters the record by a mile.

Leni: No kidding.

Liberty: But this is gonna be so cool to see Lincoln surf it.

Me: Lets not give him too much pressure guys.

Then we heard the Tsunami Siren sound again.

Me: Uh oh.

Lincoln: Is that Humungadunga?

Me: No that's Frankie Dude. Lets go!

We went to the beach and we saw another tsunami and I formed an energy barrier and stopped the wave from slamming into the shore.

Me: That was a close one.

Nico: Yep.

Then we saw a surfer dude with long blond hair and it was FRANKIE DUDE!

Me: Frankie Dude, I presume?

Frankie Dude: That's right dudes. It's an honor to meet the famous Team Loud Phoenix Storm.

Me: You are a really skilled surfer. I can tell.

Frankie Dude: Thanks dude. Are you all also intimidated by my good looks.

He does a handsome pose and Nico punched him in the face and hurt his hand?

CLANG!

Nico: OWWWWWW!

Nico broke his hand!

Me: Whoa! You have incredibly good looks that are indestructible.

Frankie Dude: Thanks.

Lincoln: Always a pleasure to meet a rad surfer.

Frankie Dude: So you are the famous L-Dog that I have heard about. The famous Lincoln Loud, the Big Kahuna of Hawaii.

Lincoln: That's me.

Frankie Dude: Radical dude! It's an honor to meet you. What brings you all here?

Me: What else? To stop you from destroying the beach resorts.

Maria: (to Frankie Dude) You know what? After the previous enemy of the Spies we fought tried to kill all the men in the world, it's nice to know that your scheme doesn't involve destroying a certain gender.

Frankie Dude: Hey, I may want to destroy all beaches but I'm not sexist towards any gender!

Me: And if there's one thing we never tolerate it's sexist misogynistic freaks. But we're also here to witness history in the making.

Lincoln: Yep. I'm going to become the 3rd person ever to become a legend by surfing Humungadunga.

Me: Yep. After we have our battle with you of course. We won't be seeing an event like this again for 20 more years. This day will forever be remembered in Team Loud Phoenix Storm history.

Frankie Dude: Cool dude!

I saw his foot missing his left pinky toe.

Me: Geez that must've really hurt for you to lose your pinky toe like that.

Frankie Dude: Yeah it did. It was the most painful thing I've ever felt.

Nico: No shit.

Laney: Yeah.

Lily: Yikes.

Hydro Man, Carly Carmine and Jimbo, Dolph & Kearney showed up.

Me: I had a feeling you guys would show up.

Carly Carmine: So you all are here to stop Frankie?

Jack Atlas: (Australian Accent) More than that Carly. We're gonna see Lincoln become the third person to become a surfing legend.

Me: Yep. But lets not give him too much pressure.

Lincoln: Thanks guys. But I can handle it.

Spiderman: (to Hydro Man) I kinda expected you to show up, Hydro Man.

Hydro Man: What can I say? I fit right well here.

Me: The ocean is practically your second home Morris.

Hydro Man: Yeah I guess it is.

?: This will also be an event you will never forget either.

We then saw a figure come out and it was SLOTSKY from episode 4 of Mighty Morphin Alien Rangers!

---

Slotsky was originally a re-generator device made by Billy that was designed to restore the entire Ranger team. However, Goldar and the Tengas arrived and smashed it. Billy was the only one to regain his original age and the Ninja Power Coins (which were required to power the device) were destroyed by Rita Repulsa and Lord Zedd's lightning. Zedd then created Slotsky out of the device and gave him the mission of killing the Alien Rangers. He wielded a magnet that took the Rangers' weapons from them. He used this to steal away the Aquitian Lasers and use them against the team. However, they vanished and Aurico turned the tide with his Aquitian Fist. Finding Slotsky completely useless, Rita and Zedd made him grow so the Rangers summoned their Battle Borgs. Slotsky was easily overpowered and killed by their Launch Sequence, not requiring the Shogun Megazord to defeat him.

---

Delphine: (Alien Voice) **Slotsky!**

Slotsky: It has been a while Aquitar rangers.

Me: I remember you! You were originally a regenerator device made by Billy designed to restore the Power Rangers! But after Goldar and his Tengu's smashed it, it only restored Billy to his right age and the Ninja Power coins were destroyed with it. You stole the Aquitar Rangers Aquitian Lasers to use against them! But Aurico turned the tide against you!

Slotsky: That's right. You are really smart J.D. You really have watched us on TV.

Me: Like I always say to your friends, I never missed an episode. Be it on Netflix or on TV.

Slotsky: Nice to know we have some fans.

Slotsky just stole Cestro and Tideus' Aquitian Lasers with his magnet hand.

Slotsky: It's deja vu all over again!

He then used his magnet to steal the spies gadgets.

Slotsky: Now what will you do!?

Luna fired a wave of water and shorted him out and then she took the Aquitian Lasers and the gadgets back and gave them to them.

Cestro: **Thanks Luna.**

Luna Loud: No problem dude.

Me: Lets dance. Shall we?

Frankie Dude: Lets dude.

I snapped my fingers and we were on an island in the middle of the eye of a massive hurricane on an alien planet. The planet was called Tropicyclonia.

Isabel: Whoa! I know this planet! It's Tropicyclonia.

Lana: Wow! It's amazing!

Lincoln: We're in the middle of a hurricane's eye that never dies.

Me: Yep. Lets dance!

Emma: You thought the Alien Rangers were bad? Wait until you see their successors!

Megaforce Rangers: Legendary Ranger Mode: Zeo!

The Megaforce Rangers turned into the Zeo Rangers.

We went at them!

---

Battle 1: Hydro Man

---

Luna Loud was facing Hydro Man.

Luna Loud: This is gonna be an awesome fight dude.

Hydro Man: It sure is. Lets dance.

Luna fired waves of water and it hit him all over and smashed him all over the place with incredible power! He was knocked out.

Luna Loud: Good fight dude.

---

Battle 2: Carly Carmine

---

Haiku was facing Carly.

Haiku: This is gonna be good.

Carly Carmine: It sure is. I summon EARTHBOUND IMMORTAL ASLLA PISCU and FORTUNE LADIES FIRE, WATER, EARTH, WIND, LIGHT and DARK!

Carly summoned said monsters.

Haiku: Lets dance! I summon DHARC THE DARK CHARMER, WYNN THE WIND CHARMER, HIITA THE FIRE CHARMER, ERIA THE WATER CHARMER, AUSSA THE EARTH CHARMER, LYNA THE LIGHT CHARMER, ELEMENTAL MISTRESS DORIADO, AVALANCHING AUSSA, RAGING ERIA, STORMING WYNN and BLAZING HIITA!

Haiku summoned said monsters.

Carly Carmine then brought out her Pokemon. She had 2 kinds of Vivillion, a Butterfree, a Beautyfly, a Cutiefly and a Ribombee.

Haiku: Beautiful selection of Pokemon you have Carly.

Carly Carmine: Thanks Haiku.

Haiku: Lets do this!

Haiku went at Carly and punched her in the stomach and leg swept her and Haiku's monsters fired elemental energy blasts and they hit Aslla Piscu and the Fortune Ladies and they exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Carly's pokemon blasted at Haiku and she dodged all the blasts and fired blasts of darkness and knocked them out.

Haiku punched Carly and knocked her down.

Haiku: Awesome.

Carly got up.

Carly Carmine: Lets go help the others.

Haiku: Right!

---

Battle 3: Jimbo, Dolph & Kearney

---

Sam S.L., Bart and his girlfriends were facing Jimbo, Dolph and

Kearney.

Kearney: We're going to pound your fucking asses into pulp!

Dolph: YEAH!

Sam S.L.: Not if I pound your asses into pulp first you assfuckers!

Bart: Yeah!

Jenny (Simpsons): You all are gonna wish you were never born!

Jessica Lovejoy: Yeah!

Gina Vendetti: I'm gonna smash your fucking skulls in an eat your brains!

Sam S.L.: Lets get them!

They went at them and Sam punched Jimbo in the face and Jenny bit Dolph in the nose and Gina punched him in the face and Darcy kicked Kearney in the face and knocked him down and Jessica smashed Dolph's head with a stick! Bart kicked Jimbo in the crotch!

Sam S.L.: You crotchkickers should've been locked in detention till you graduated into the penal system you penischewers!

They laughed at them.

Bart: (Laughs) Penischewer! That's a good one Sam.

Sam S.L.: Thanks Bart.

Gina: Good one.

Sam fired a ball of fire and it hit Jimbo's hat and burned it off revealing his bald head.

Gina: How's that cueball!?

Sam kicked him in the head and knocked him out!

Sam kicked Dolph and knocked him down!

---

Battle 4: Slotsky

---

Nico and the Megaforce Rangers were facing Slotsky.

Nico: Lets do this!

Nico and the Megaforce Rangers fired blasts of energy and more and they hit Slotsky and exploded.

KRABBBBBOOOOOOOMMMM! KRABBBBBOOOOOOOOOMMMM! KRABBBBBOOOOOMMM! KRABBBBOOOOOOOOOOOOMMMM!

Slotsky exploded in a massive fiery explosion and was dead.

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Slotsky you have failed this world!

Troy Burrows: He sure has.

His magnet was the only thing that remained.

Nico: I'll keep this as a trophy.

---

Battle 5: Frankie Dude

---

We regrouped and we were on the oceans facing Frankie Dude!

Me: Cowabunga dude!

I punched Frankie in the face and we went onto the water and surfed and I kicked him in the face and Nico punched him in the stomach.

Lincoln fired a blast of lightning and electrocuted him all over. Sam punched him in the face and Clover bit his hand and Alex kicked him in the nose.

Luna Loud: This will hurt you dude! VOLCANO STYLE NINJA ART: MUDSLIDE OF NEVADO DEL RUIZ!

Luna fired a wave of volcanic mud and it was the massive wave of volcanic mud from the 1985 eruption of Nevado Del Ruiz in Colombia that killed 23,000 people in the town of Armero. It buried him in mud and he popped out and he was spitting mud out!

Me: Wow! That was the mudslides from the 1985 eruption of Nevado Del Ruiz in Colombia.

Nicole: That was a terrible event.

Laney: It sure was.

Maria: Take this one! VOLCANO STYLE NINJA ART: KEANAKAKOI ERUPTION!

Maria touched the ground and a massive explosion of lava and ash exploded out from under Frankie and sent him into the air and he landed into the ground with a huge thud.

Me: Whoa!

Nicole: Wow! That was the 1790 Keanakakoi Eruption of Kīlauea.

Kanaloa: Very dangerous eruption in Hawaii's history.

Bai Tza: I remember seeing this one on the news. VOLCANO STYLE NINJA ART: VOLCÁN DE FUEGO!

Bai Tza touched the ground and it exploded and sent Frankie into the air with the air with the incredible force of the 2018 Eruption of Volcán de Fuego in Guatemala. He crashed into the ground and was hurt all over.

Me: Wow! That was the 2018 eruption of Fuego Volcano in Guatemala!

Ronnie Anne: I remember seeing that all over the news! That was horrible!

Syd Chang: It sure was.

Nora Eztli: (Spanish Accent) Si. It was awful seeing that.

Nico: No kidding.

Drakness: Here's one I know. VOLCANO STYLE NINJA ART: MOUNT ONTAKE ERUPTION!

Drakness touched the ground and a massive explosion of ash sent Frankie into the air and he crashed into the ground.

Me: Wow!

Nicole: That was the 2014 Mount Intake Eruption.

Karai: (Japanese Accent) That was the deadliest eruption in Japan ever since Mount Torishima erupted in 1902.

Nicole: That's right and it was the deadliest eruption of the 21st Century.

Lincoln: Wow!

Kanaloa: Indeed. Watch this. VOLCANO STYLE NINJA ART: PELE!

Kanaloa fired a wave of lava and it formed into Pele, the Goddess of Fire in Hawaiian Myth and she blasted Frankie all over with fire and burned him.

Lincoln: Nice one! Watch this one! VOLCANO STYLE NINJA ART: PACIFIC RING OF FIRE!

Lincoln punched the ground and formed a huge ring of volcanoes around Frankie and trapped him in the middle of it.

Me: It's just amazing at how many volcanoes there are on Earth.

Nicole: Yep. Those were the volcanoes of the Pacific Ocean Plate. From New Zealand to Tierra del Fuego.

Laney: Cool!

Lynn: Watch this one. VOLCANO STYLE NINJA ART: ISLA NUBLAR VOLCANO ERUPTION!

Lynn punched the ground and a massive eruption exploded from underneath Frankie and sent him flying into the air and he fell to the ground and smashed into it with a huge thud.

Me: Ouch. That was the eruption of Mount Sibo that we saw last year.

Nico: I'll never forget that. That was wicked.

Lincoln: Yeah.

Me: Here's the most powerful volcanic eruption ever known. But this one was not on Earth. VOLCANO STYLE NINJA ART: IO HYPER ERUPTION!

WOOHP arrived and grabbed Frankie

Nico: Frankie Dude, you have failed this world.

Lincoln: Here I go guys.

Lincoln went out onto the ocean and we then saw Puka glow a bright blue.

Me: Whoa.

Victor: This is it guys.

Jerry: We'll stay to watch.

We looked out on the horizon of the ocean and we saw a massive ginormous wave heading right at us! It was the big wave HUMUNGADUNGA! It was a massive 300 foot high wave of water!

Victor: That's it guys.

Me: Holy shit!

Laney: So that's Humungadunga!

Linka: It's massive!

Nico: Look at the size of it!

The Tsunami Siren sounded and we got to high ground.

We then saw that Lincoln was surfing on top of the wave!

Brock: He's riding the wave!

Misty: Go dude!

Ash's Pikachu: PIKACHU!

Me: Go for it Lincoln!

Professor Ivy: You can do it, Lincoln!

Me: This is it guys! This is history in the making!

Nico: This is amazing!

Lincoln had his flag ready and unfurled and we saw him put the flag into the very top of the rock as the wave crashed into the rock! Lincoln now had a place in history as a surfing legend! Laney snapped a photo of him doing it!

Lincoln: YEAH!

Me: HE DID IT!

We cheered wildly for him!

Me: WAY TO GO BUDDY!

Lynn Sr. and Rita were crying in so much joy for Lincoln.

Lincoln came back as the wave crashed onto the shore and we went to greet him.

Me: Way to go Lincoln!

Lori: Lincoln that was literally amazing!

Sam Simpson: You should be very proud of yourself, Lincoln.

Lincoln: Thanks guys.

Victor: I'm so proud of you Lincoln.

Carly Carmine: Nice job on that wave, Lincoln!

Lincoln: Thanks, Jimbo. Coming from you, that means a lot.

Dolph: Don't get used to it.

Kearney: You are a true surfing legend Lincoln.

Hydro Man: We'll let you all take Frankie to jail now. Awesome job though.

Luna Loud: Thanks Morris.

Lincoln: Thanks dude.

The Masters of Evil then teleport out.

Frankie Dude: I want to say something first.

Jerry: I'll allow it.

Frankie Dude: Lincoln, you are one amazing surfer dude. You have the makings of a true legend and a master surfer. And you have my respect and I am honored to be in your presence.

Lincoln: Thanks Frankie. That means a lot to me.

Me: We're so proud of you Lincoln.

Ash: You are a legend now.

Nico: You said it.

They took Frankie away and he was put in the space prisons. In the Uranus Prison he was given the same lifestyle as John Corben.

Sam Simpson: (To the Viewers) We not only busted a bad guy but we got to witness Lincoln take his place in history as a surfing legend during a rare event and it was one of the most incredible events ever.

Me: We sure did Sam. And we won't be seeing an event like this happen again for 20 years.

We saw Lincoln's flag wave proudly with Victor and Jan's Flags and it was awesome! This showed that it is never too late to make your dream become a reality.

FLASHBACK ENDS

Lincoln's Guardian Angels were speechless and amazed.

Anna Anyanova: Lincoln that is absolutely amazing!

Sheila Thatcher: (Australian Accent) Wow! Lincoln that is so bonza mate!

Me: We were really proud of Lincoln.

Magneto: You should be proud of yourself, Lincoln.

Libra Zodiarts: That really is no small feat.

Lincoln: No it wasn't. But I became the youngest ever to do that.

Me: Lincoln made so many people proud too.

Lola: Yeah he sure did.

Varie: Lincoln is a legend.

Blaster Tron: Size of Humungadunga: Estimated to be larger then Way Big, Devastator, Bruticus, G1 Menasor, Predaking, and Abominus combined.

Me: Yep. It's 300 feet high.

Camie: Whoa! That's a Megatsunami!

Sakura Haruno: That was my first reaction too.

Qin: Yeah it was huge!

Laney showed a photo of the wave and Lincoln sticking his flag on top.

Laney: Here's a photo that I took of him doing so.

Camie: Whoa!

Anna Anyanova: Whoa! That is amazing!

Frankie Dude: That is Lincoln for you guys. Lincoln is one legendary gnarly surfer.

Me: Yes he is. And we're really proud of him.

Trumbipular: And remember that the 6 giants mentioned were the largest of our big guns.

Sindbad: Let that sink in for a moment.

Me: Yeah that's true.

Qin: Yep.

Frankie Dude: But nonetheless, I'm really amazed that Lincoln surfed Humungadunga back then.

Me: We all are Frankie. We all are.

Nico: Yeah.

Cody Maverick: Yeah that was awesome.

Frankie Dude: It sure was. And also I picked Hortencia Remmington here as my archenemy.

Hortencia Remmington: I'm truly honored.

Paragus: Cody, this might be a silly question. But have you ever met Kelly Slater before?

Cody Maverick: No can't say I have sorry.

Me: He is a great surfer. One of the best ever.

Xenia: That's right.

Me: You would love him if you ever met him.

Cody Maverick: I'm sure. Also I'm glad you guys are here.

Me: Tank back for Round 2 of surfing?

Cody Maverick: Yep. He's not really a bad guy. He is a good friend. So if you guys face him, give him community service.

Me: Well that's exactly why we are here.

Nico: Yep. Not just to surf and have fun. But also give Tank community service.

Kyd Wykkyd: (to Chicken Joe) I still can't believe you scored first place ahead of Tank and Cody.

Black Baron: (Dutch Accent) That must've been humiliating for Tank.

Chicken Joe: Well, Cody told me to go ahead at the time. So I did.

Me: Very sporting of him.

Cody Maverick: Thanks.

Me: That was still an awesome surfing competition though.

Qin: Yeah.

Cody Maverick: I don't have any regrets making that decision.

Sideshow Bob: It's good that you don't.

Me: It sure is and I'm proud.

Qin: Me too.

Varie: We all are.

Xenia: Yeah.

Cozy Glow: Same here.

Cody Maverick: Thanks guys.

Me: No problem.

Nico: Now lets see where Tank is.

Cody: There's also one other thing you should know.

Dayu: What's that?

Chicken Joe: Tank gives his trophies names.

Dahlia Hawthorne: You're kidding.

Chicken Joe: Nope.

Me: Quite the Egotist. But we'll soon fix that.

Nico: Yep.

Eli: Yeah at least he has honor so that's good.

Frankie Dude: Yeah it sure is.

Time Force Dash: (to Lynn) You don't name your trophies, right, Lynn?

Lynn: Dash, not only would I never go that far. But I also can never find any good names for them.

Me: That's good you don't do that Lynn.

Qin: Yeah that sounds too crazy.

Me: That would be like Ren Hoek naming a collection of glass coffee tables. No offense Ren.

Ren Hoek: None taken. (Shudders) I still get chills from thinking about that one.

Lola: No kidding.

Nico: Lets worry about that later and get to work.

Me: Right.

Eli: And I see him right there.

We saw him at a spot 300 meters to the south.

Lord Stratosfear: Let's try to imagine him in his underwear.

Top: (grimaces) I can't do it, man! He's fucking hot!

Squidward: I tried to do that with Squilliam and I thought the same thing.

Me: Funny.

Nico: Lets go.

Me: Entrance time?

Sunny Tennyson: Entrance time!

Nico: Surf's up dudes!

We went at him.

Tank was getting ready for some surfing fun. Then a wave of water went in and formed the spirits of the greatest surfers of all time and they swirled around him and then converged and then a volcano formed and pineapples erupted out of it and the pineapples popped open and out came us.

Me: Now that was a Hawaiian Entrance.

Tank: Team Loud Phoenix Storm!

Qin: Tank The Shredder Evans I presume?

Tank: That's right dudes and dudettes.

Me: Looks like we're going to have some fun.

Tank: (to Chicken Joe) I got a score to settle with you too. You of all people got first place instead of me

Copperhead: It DOES sound ridiculous when you say it out loud.

Chicken Joe: Hey, fair's fair, dude.

Me: All's fair in love and war.

Usari: Oh, who are you kidding?! You would've had a chance if you didn't fall off your board!

Qin: Yeah!

Me: Besides waves of that size are unpredictable.

Qin: Yep.

Me: About damn time too.

We got the battles underway.

Emerald Sustrai: It went really well and everyone faced Fulgrim the Illuminator from Warhammer 40,000.

Sunset Shimmer: Yeah that was so cool.

Pipsqueak: (British Accent) But Zootopia is doing so much better now that Deputy Mayor Bellwether is gone and locked up.

Sunburn: That Xenophobic monster deserves to spend the rest of her miserable life in jail for her crimes.

Athena Rollins: I agree there completely.

Chione: You got that right.

## Nicole Knudson, Rainbow Dash, Scootaloo, Air Skylanders, Carly Qin, Fox McCloud, Krystal, Energon Scorponok and Tidal Wave VS Control Freak - Meeting a gene-slammer for Evil HERO Infernal Sniper

---

Control Freak was next.

Control Freak: (to Nicole) I heard you guys met a gene-slammer for Evil HERO Infernal Sniper. What's her name?

Nicole: Her name is Lucinda Stewart and let me tell you she is someone you should not mess around with.

Control Freak: Before you guys tell me her story here is who I have summoned.

He summoned the Imperial Stronghold from Panzer Dragoon!

Nicole: WHOA! The Imperial Stronghold from Panzer Dragoon. Awesome choice.

Control Freak: Thanks.

Nicole: Now here is mine.

She summoned The Borg Cube from Star Trek Fleet Command!

Borg: We are the Borg. Lower your shields and surrender your ships. We will add your biological and technological distinctiveness to our own. Your culture will adapt to service us. Resistance is futile.

Control Freak: Wow! The Borg Cube from Star Trek Fleet Command! Awesome choice.

Nicole: Thanks. I've been a huge Star Trek fan too ever since I was a little girl.

Rainbow Dash: That is awesome! But yeah Lucinda is someone not to mess around with either.

Scootaloo: No kidding there. Her story was intense.

---

Lucinda Stewart: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lucinda, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lucinda Stewart: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Lucinda Stewart: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Lucinda, what's the story on what Lori, Lynn, and Lola did to Lincoln that was so evil, it left you hating them with a blazing passion?

Lucinda Stewart: You're not going to like hearing it one bit. One day, I was going for a walk through Franklin Avenue, but then, I heard someone weakly crying out for help, and I knew who would make that cry: it was Lincoln. I immediately rushed to The Loud House and ran for Lincoln's room which was boarded up and chained up, I fired blasts of darkness and fire which destroyed the boards and the chains, and I went inside, only to find my feet in a pool of blood, and I saw the sight that would haunt me forever: it was Lincoln, but I saw he had multiple stab wounds and slash marks all over his upper body and lower body, he was literally pale and really weak from hunger, and even worse, he was handcuffed with no hope of escape. I got the handcuffs off him, but then, I let out a loud scream of horror, and that got Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, and Lily here, along with Mr. and Mrs. Loud, and as soon as they saw Lincoln, all of them screamed horrifically. Lucy gave me a bag of blood which I gave to Lincoln and as he fed, the pool of blood rose and all his spilled blood went back into his body and the slash marks and stab wounds all over his body began to seal as he was healed. Then, he hugged me tightly and he really cried hard into my chest, and then, I saw the absence of three people, and that's when I growled in anger.

Past Lucinda: Where's Lori, Lynn, and Lola?

Past Leni: Lori's at the mall, Lynn's at basketball practice, and Lola's at her pageant.

Past Lucinda: When they get back, leave me and Lincoln with them, they're going to pay with their miserable lives.

Lucinda Stewart: We didn't have to wait long. Lori, Lynn, and Lola came back, and when they saw the family turn and glare at them, they got nervous. But, when they saw Lincoln healed and alive, their nervousness turned into outright anger and fury.

Past Lynn: WHAT THE?! STINKOLN'S ALIVE?!

Past Lori: THAT BITCH HEALED HIM, AND YOU ALL HELPED! THAT'S IT, YOU WILL ALL DIE!

Past Lola: YOU WILL PAAAAAAAYYYYYYY!

Past Lincoln: THAT'S ENOUGH!

Lucinda Stewart: That loud outburst just only angered Lori, Lynn, and Lola even more and they ran at Lincoln to kill him again, but we fired blasts of darkness and fire, which trapped them in prisons, and I was already pissed beyond measure.

Past Lucinda: You three brats have really crossed a fucking line, if I hadn't found Lincoln and saved him, he would've died, and his blood would be on your hands. Give me one reason why I shouldn't even send your wretched souls to Hell for this!

Past Lincoln: Lucinda. Let me.

Lincoln walked up to Lori, Lynn, and Lola.

Past Lincoln: If you even think I'm saving your butts, then, you've absolutely lost your minds. You brutally stabbed me all over my body and left slash marks all over me, you handcuffed me, and boarded me up in my room to die. Until you three prove to me that you deserve my forgiveness, don't expect any help from me. Lori, go find someone else to be your ottoman for your raptor claws you call toenails, Lynn, go find someone else to be your "training dummy", and Lola, go find someone else to be your pageant coach!

Past Lynn Sr.: Actually, champ, they won't be doing any of that for a long time. Lori, Lynn Jr., and Lola Loud, because of what you three did to your brother, you three are grounded for nine months.

Past Rita: Plus, you'll be spending those nine months in Aunt Ruth's house, since Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, and Lily are almost that close to rushing at you to beat you three to death for what you did.

The flashback ended, and we were horrified.

Nico: Oh my God, this tops all those times Lori did all that to Lincoln.

Lucinda Stewart: They were nothing but bitter and stupid girls, and after the dust settled, Lori, Lynn, and Lola got sent to Aunt Ruth's for nine months for what they did to Lincoln, and I made sure they didn't escape by asking Maria Garcia and her friends to leave imps at Aunt Ruth's to torment them.

Me: They'd been asking for it for a long time.

Maria: Well, as they say, payback's a bitch, and for those three, it definitely got them right in the ass.

Luna: Big time, and Mom was right, we were that close to rushing them and beating them to death for this. They've crossed numerous lines to try and ruin Lincoln's life and kill him, but now, they went too far, and they paid the price.

Lincoln: And I made it clear I wasn't going to save their butts, they needed to prove they deserve my forgiveness, which they did. After experiencing nine months in Aunt Ruth's eating nothing but moldy pudding and dealing with her cats, they broke down and cried like crazy and they apologized. Those were the words I wanted to hear, and I did hug and forgive them.

Rita: And so did the rest of us. But, Lucinda, oh she never forgave them, and she swore if they ever did this to Lincoln again, she and the other Evil HERO Gene-Slammers would go after them.

Me: And send them to Hell forever.

Nico: (Shudders) Just by angering the Evil HERO Guardian Angels by messing with or trying to kill Lincoln, and they'll be on a one-way trip to Hell.

FLASHBACK ENDS

Control Freak: JEEZ! This is getting more and more dark with each revelation that comes. I can't believe that Lori, Lynn and Lola stabbed Lincoln and left him for dead!

Whirlwind: I know that was awful!

Carly Qin: No kidding there! But thank goodness he lived.

Fox McCloud: No kidding there. That was terrible!

Krystal: (British Accent) And the sisters paid the price for it big time because of those dark sides of theirs. But they learned the hard way that if you mess with the Evil HERO Gene slammers there will be disastrous consequences.

Control Freak: That is for sure! Lets do it!

Nicole activated her Legend Items.

STAR DRAGON PLANET VOYAGE! NICOLE'S STELLAR FLIGHT FORCE!

They fired waves of energy and stars, wind, rainbows and lightning and smashed him down.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Ángel Vasquez?

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was David Velasco, the next member of The Order of Nuestra Señora de la Santa Muerte.

Alicia Dyf: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Ángel Vasquez: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Alicia Dyf's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Dyf-themed greatsword from her back, and as she approached Ángel Vasquez, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Alicia Dyf: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Ángel Vasquez. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Dyf and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Alicia Dyf was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Dyf flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Alicia Dyf emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Alicia Dyf grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Dyf emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Dyf with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Alicia Dyf has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Dyf surrounded by darkness and light and imps and on top of Fabled Dyf is an anti-Sergio symbol. Suddenly, Alicia Dyf felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Alicia Dyf has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Alicia Dyf's massive Fabled Dianaira-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Dyf's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Dyf etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Dyf's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Alicia Dyf has transformed into SUPER ANGEL-FABLED DYF-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED DYF ANGEL OF DIVINE DARK FABLED DYF IMP JUSTICE AND DIVINE FABLED DYF IMP LOVE!

We were amazed by Alicia Dyf's Super Angel-Fabled Dyf-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ángel Vasquez saw it, he went insane and he got out his sacrificial knife to stab her, but Alicia Dyf fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Ángel Vasquez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Alicia's transformed.

Lincoln: Yeah, and she really sent Ángel Vasquez back with that energy blast she fired and that really pissed him off now, and Alicia, you look beautiful, how do you feel?

Alicia Dyf: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Dyf and Divine Darkness Light Fabled Dyf Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Ángel Vasquez once and for all?

Lincoln: (Smiles) With pleasure, Alicia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Alicia Dyf.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious

Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Ángel Vasquez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Alicia Dyf and Lincoln went after Ángel Vasquez, and they fired extremely powerful blasts of rainbow energy, black energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ángel Vasquez and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Alicia Dyf sent her three imps and Lincoln summoned his own imps and sent them at Ángel Vasquez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Alicia Dyf, her hand-cannon Blaster is known as Fabled Dyf's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Dyf surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Alicia Dyf aimed their hand-cannon blasters at Ángel Vasquez.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Ángel Vasquez!

Alicia Dyf and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Ángel Vasquez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Ángel Vasquez's sacrificial ritual knife which hits Ángel Vasquez right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Alicia Dyf and Lincoln gave Ángel Vasquez The Black Gates for good. We cheered as Alicia Dyf and Lincoln holstered their massive greatswords on their backs and powered down, and Alicia Dyf's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Alicia Dyf: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Ángel Vasquez for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Alicia.

Suddenly, Alicia Dyf wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Alicia Dyf's face, they kissed passionately as she moved her arms and placed her hands on

Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Dyf flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Alicia Dyf absorbed the light and they came back to us as the display and Fabled Dyf vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Ángel Vasquez's death, now there are only twenty-six members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is José Zuniga, which means it'll be Gabriella Gallabas' turn.

Gabriella Gallabas: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Evil HERO Malicious Fiend.

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know who would could be Gene-Slammed into Evil HERO Malicious Fiend.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, Reggie McDonald, and Lucinda Stewart: Lorelai Delancey.

Gretchen Holland: Of all the Evil HERO Gene-Slammers in Linky's harem, Lorelai Delancey is known as a skilled swordswoman just like Melissa Han and she's a master of both fire and darkness.

Melissa Han: Just like me.

Fira Han: (Realizes something) Wait, now I remember you girls all too well. We also trained you in the same skills we learned, and this was after you were Gene-Slammed into The Evil HERO monsters.

Nico: Wow, I had no idea you and your sisters trained the Evil HERO Guardian Angels, Fira.

Fira Han: It was a long time ago.

Gretchen Holland: And we had no idea that Fira and her sisters were born from the genetic material of Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna, looks like someone wanted Damian's reign of terror to continue.

Lincoln: But, Fira and her sisters weren't like them, Gretchen, and whoever thought of this plan didn't realize of what'll happen.

Nico: They sure didn't, and the scientist responsible for it paid the price.

Tank Evans: Community service doesn't seem too bad.

Control Freak: 48 hours of community service to be exact.

Cargill: Starting now. The reason is because we're gonna be very busy during that time.

Cantwell: And that's helping some friends of Halinor's.

Me: That's right.

Wiggum: Now, what should we do to celebrate?

Chalmers: (sees Horsea going into the water) I think Horsea just answered our question.

Me: Yeah lets have some fun!

Nico: You got that right! Great job today everyone.

Cody Maverick: But it was awesome helping you guys. (To the viewers) Always be a good sport and don't be stupid.

Nico: That's right.

We sent Tank Evans off to Gotham Royal York to do his community service.

We got to having fun in Hawaii and had lots of awesome surfing fun and more and then we went back home and enjoyed the rest of the day and went to sleep.

THE END

In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of Telluride, Colorado. But, it were no ordinary figure, It was, Gloom Loud, daughter of Lincoln's future wives, Maggie (Loud House). Lincoln woke up from the dream, but he wasn't the only one, Maggie (Loud House), Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: We sure did, bro.

Maggie (Loud House): And not only that, it also means that we found out where my daughter is at. And the question is, Where?

Me: they're at Telluride, Colorado.

Nico: Oh man, that's not good. It's the same place when we found Charice and the Berry Force 7 in Telluride, Colorado, is not a safe place for kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Maggie (Loud House), Me, and Nico were heading to Telluride, Colorado. Then, Lincoln saw a tall and slim 13-years-old girl who has light pale skin, waist-length black hair, and freckles. She has two pairs of eyelashes, and purplish-gray eyeshadow. She wears a purplish headband with pink bows, black knee-length sleeveless dress with pink waistband, purplish knee-high socks, and black mary jane shoes. Lincoln saw who she is, it was Gloom Loud.

Lincoln: Excuse me, are you Gloom?

Gloom Loud: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Maggie (Loud House) came out, and when Gloom Loud saw her, she was stunned.

Gloom Loud: Mom, is that you?

Maggie (Loud House): Yes, sweetie, it's me.

Gloom Loud ran up to Maggie (Loud House), and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Maggie, your mother is one of my many future wives.

Gloom Loud: Does that means… you're my father?

Lincoln: (smiled) What else I won't I be?

That filled Gloom Loud with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Gloom Loud to the rest of his siblings, who are now her aunts. We were proud of what Lincoln did in reuniting Maggie (Loud House) with her daughter, and Gloom Loud now has a loving, strong, brave, and caring father in her life.

With us was Allison Nouveux the Alicorn Gene-slammer.

Me: I hope Prince Derek and Princess Odette are all right.

Nico: Me too.

Luan: I don't think I'll ever forgive myself if they died.

Qin: They were the very first people Luan helped.

Xenia: I remember that.

Me: We got to find them.

Varie: I hope we're not too late.

Allison Nouveux: We won't be.

Bloom: But man its been a while since we went after one of Odette and Derek's enemies.

Qin: It sure has been a while.

Camie: Wow.

Nico: Bloom, I want to thank you, Brain Freezer, and your teams for coming today.

Bloom: No problem Nico. This is gonna be awesome.

Tigra: I hope we aren't too late.

Nico: We won't be.

Xenia: Yeah.

Nico: Tigra, why don't you show everyone your human form while we're not in battle?

Tigra: I just never had the thought of doing so. Besides I like being in my cat form. It's awesome.

Xenia: It sure is.

Camie: And amazingly beautiful too.

Zuria: That is cool that you became like this.

Tigra: It sure is.

Me: Greer you are so awesome either as Tigra or Greer and you are a true force of good.

Tigra: Thanks J.D. Glad you think so.

Me: You're welcome.

Tigra: But since you asked nicely, Nico… (concentrates)

She turned back into her human form.

Tigra: Ahh. Okay then.

Camie: That is cool.

Qin: Yep.

We continued flying.

Nico: So who is the bad guy we're going after this time?

Me: His name is Sir Clavius and he is an evil wizard.

I went over his history.

---

Sir Clavius, also known as King Clavius or just Clavius for short, is the main antagonist of the 1997 animated fantasy film sequel The Swan Princess II: Escape from Castle Mountain. He is a disgraceful magician who captured Prince Derek's mother, Queen Uberta, and stole the magical orb of the Forbidden Arts, so he can plan to conquer the world.

He was voiced by Jake Williamson and his singing voice was provided by Michael Lanning. However, Williamson does his lines in the "No Fear" rap over the end credits.

Sirs Clavius and Rothbart (who was his former friend and partner in crime) conquered the Forbidden Arts together, but Rothbart took all of the power for himself and drove Clavius underground.

Living in Castle Mountain, Clavius planned to kill Prince Derek, the one who killed Rothbart and took his castle at Swan Lake, so that he could enter his castle and get the Forbidden Arts, which was a crystal ball containing magical powers - the power to create, change, and destroy. His right-hand man, Sir Knuckles set some traps for Derek, but he overcame them all.

As the last straw, Clavius disguised himself as a clown riding his blimp, kidnapped Queen Uberta, and held her hostage in his lair, so Derek would come to him. Knuckles set more traps for Derek, from which he was rescued by Princess Odette, who had Bridget turn her into a swan.

Clavius was able to get the Forbidden Arts and absorb its power. But when Odette, Lieutenant Puffin, Speed, and Jean Bob free Uberta from her cell, Derek fought Clavius, who gained the advantage by his magical powers. Jean-Bob jumped on him to distract him at the last second where he was about to kill Derek, and Clavius killed him (from which he was later revived by moonlight on the lake at the end of the film).

Then, Derek grabbed the orb, which would explode if it fell to the ground or if blasted by the power to destroy. As he and the others made their escape in Clavius's hot air balloon, Sir Clavius jumped onto it and tried to attack Derek and take the orb back, but Derek knocked him over the edge onto the dock, accidentally sending the orb falling as well. When the orb hit the ground, it exploded and caused the mountain - really a dormant volcano - to erupt. Everyone was able to escape, except Clavius, who had no means of escape and was consumed by the molten magma and magic explosion.

He is briefly referenced in The Swan Princess: The Mystery of the Enchanted Treasure, when Derek says he and Lord Rogers found Rothbart's underground chamber "after Clavius and the orb were destroyed".

---

When I was done everyone was shocked!

Camie: He's a monster!

Luan: So he is Rothbart's partner in crime! I had a feeling that there were others like Rothbart out there.

Xenia: Then we will find them and deal with them.

Me: But those Forbidden Arts are deadly. I've heard legends about them and they are extremely powerful and amazinf.

Brittney: They sure are dad.

Lola: We can use those arts for good and help people instead of using them for evil.

Nico: Not a bad idea. What can you tell us about these arts?

Brittney: They are immensely powerful arts.

She went over what they were.

---

The Forbidden Arts is the primary antagonist of The Swan Princess. It (revealed to be he) is a powerful force, and a large orb of great dark magical power and strength. It was said to have been created by a trio of high-level practitioners of dark magic: Rothbart, a sorcerer; Sir Clavius, a magician; and Zelda, a sorceress. Clavius and Zelda were partners of Rothbart until he betrayed both of them. There were notes of the powerful spells cast by its wielder that were written by Rothbart himself.

In the original film, the evil sorcerer Rothbart derived his evil magic from the enchanted orb he possessed. He planned to use its great powers of destruction to wipe out King William's kingdom once and for all. Upon failing to do so, he had used the Orb's power of transformation/Change to transform into a bat-like monster known only as "the Great Animal" to take down William. He abducted Odette and took her to his castle at Swan Lake, where he turned her into a white swan for half a night until the rising of the moon.

After Rothbart's demise at the hands of Prince Derek, the magical orb was hidden deep within the very heart of the castle. Unfortunately, one of its creators, Clavius, continued to covet its immense powers. As a dangerous magician, he ordered his lackey, Sir Knuckles, to lure Derek away, so that Derek could enter Clavius's mountain in order to save his mother, Queen Uberta. Upon hearing this, Bridget, Jean-Bob, Lieutenant Puffin and Speed went down into the castle catacombs to obtain the Orb before Clavius.

Zelda took notes on the Forbidden Arts while working with Rothbart, who later betrayed her. Sometime after the deaths of Sir Rothbart and Clavius, Zelda kidnaps a strange bird named Whizzer, a Yakey bird who can imitate any voice after hearing it once. She wants assurance that the Forbidden Arts Notes are still in the Castle at Swan Lake. She disguises herself as a damsel in distress. Lord Rogers falls madly in love with her, but he didn't know that she was using him to get the keys. Once she got the notes, she sees that a small piece of the Power to destroy has been torn off. Using Whizzer, she writes a ransom note to Prince Derek and uses her magic wand and summons a green fireball seeker, to kidnap Odette, in return of the Forbidden Arts. The seeker captures Odette (with Jean-Bob as a stowaway), and Zelda ties her up. As Derek gets the notes, he manages to go to his mother's kingdom, and gets the torn piece of paper, and before he goes he says to Lord Rogers: "I fought the Forbidden Arts before, and I fight them again. But I'm not going to lose Odette." Odette tries to escape but Zelda changes her back into a Swan and imprisons her and Jean-Bob in a green fire dome. Derek meets Zelda who was in disguise as Odette, and he gives her the notes and Zelda reveals herself. Puffin and the rest of the friends are rescuing Odette and Jean-Bob. When Zelda has the power to destroy, she tries to destroy Odette. A red Seeker goes after Odette (as she was freed again), and Puffin. Derek tires to break the wand and he did it. But Puffin comes alone, saying with a terrible news that Odette is gone. Derek break down in tears. His tears are visible on his cheeks as he calls Odette devastated. Derek destroys the notes and Odette magically returns to life.

Rothbart comes back from the dead and plans to destroy Christmas. He first casts a spell to put everyone in a bad mood, starting with Uberta and Lord Rogers, but after that fails he casts a spell on Lord Rogers's light bulb invention so that when the lights on the tree go on the tree explodes and Rothbart comes back to life in a physical body of solid flesh and blood.

The Evil Force also called the Forbidden Arts, whom was born long before the age of kings and and queens, plans to rule the world. One day it comes out of it's crystal but becomes horrified to read a legend saying:

In a coming day there will be a Swan Princess.

She will Usher in an age of Goodness.

And in her Presence

Pure Evil will not survive.

Behold The Glowing Stone

Must be kept hidden

For if evil process it

It will have the power to withstand the presence of the Swan Princess and destroy her.

Then he searched for the glowing stone but in vain. Then The Forbidden Arts made a horrible plan. He writes the:

In a coming day an evil Swan Princess will usher in an age of despair.

Centuries later Odette the Swan Princess was born.

But in the end of the move he nearly destroys Odette but he disappears as Skully a flying Squirrel breaks the crystal. The Forbidden Arts is also the one responsible for burning Alise's house and killing her father. He imprisons Alise in a cell inside the cave. He appears as a glowing fire ball. His tale is a black cloud of smoke.

---

When she was done everyone was shocked.

Nico: WHOA!

Qin: The powers to create, change and destroy? That's incredible!

Xenia: Wow! That is dark magic in its ultimate form!

Brittney: It sure is.

Lola: We can use that power for good.

Aylene C.: We sure can. But yesterday's mission was awesome.

Nico: I had a nice time surfing yesterday.

Me: We all did. That was so awesome.

Lola: It sure was.

Camie: Yeah that was awesome and cool.

Maria: Horsea had fun swimming in the water

Nico: She sure did.

May: So did Manaphy and Poliwag.

Me: All the mascots had fun.

Camie: But it was really cool hearing about how Lincoln surfed Humungadunga and became the youngest ever to stick that flag up there.

Lincoln: That was so cool.

Zuria: It sure was. We were just absolutely flabbergasted hearing about that.

Rarity: Oh we sure were darlings.

Lola: Yeah.

May: What's Tank Evans doing for community service?

Me: Picking up garbage out of the lake in the park.

Nico: That works.

May: Yep.

Laney: Good idea.

I saw Rarity upset about something.

Me: Rarity are you okay?

Rarity: Oh it's Sweetie Belle. She hasn't been sleeping good these last few days and she has been crying hard every time she saw me.

Me: Oh boy.

Lola: We'll worry about that later.

Me: Yeah.

Xenia: Look there!

We saw Odette as a swan!

Me: Odette!

Odette saw us.

Odette: Guys you made it! I have to find Derek!

Eli: He's this way!

We went into the forest and found a pit and it was filled with quicksand and Derek's bow was on top of it!

Me: Oh no!

Eli used the Force and pulled Derek out and he was gasping for air and we brought him out.

Derek: (Gasping) Guys? What are…

Me: We came to help. Are you all right?

Derek: Thanks to all of you.

Nico: Let me get Odette back to normal.

Me: Okay.

Nico snapped his fingers and reverted her back.

Derek: We got to rescue my mother.

Me: I know. Then we're going to kill Clavius.

Qin: That monster will pay for doing this to your mother Derek.

Luan: Yeah! No one kidnaps Queen Uberta and lives!

Me: That's right!

Luan: I know where his lair is.

Derek: That's right. Castle Mountain.

He pointed to a mountain.

Me: That mountain's a volcano. We can just blow that mountain to oblivion when we're done with it.

Camie: Good idea.

Luan: I can't believe it, Clavius is back. Oh, now, he's really going to get it.

Me: I forgot we faced him before.

Lincoln: Yeah, and I sense that Allison Nouveux is going to transform, this is going to be so awesome.

Nico: You said it, Lincoln. She's going to be the first Alicorn Gene-Slammer to transform.

Twilight Sparkle: You said it. Now, to find Sir Clavius, and that orb he has is something that no one person should use.

Lincoln: The Orb of The Forbidden Arts, a large orb of great dark magical power and strength. This orb was created by three high-level practitioners of dark magic: the evil sorcerer, Rothbart, the evil magician, Sir Clavius, and Zelda, a sorceress.

Me: Yep.

Luan: Clavius and Zelda were partners of Rothbart until he betrayed both of them, plus, there were notes of the powerful spells cast by its wielder that were written by Rothbart himself.

Me: That's right, and this orb of unimaginable dark magical power is in Clavius' hands, and he intends to take over the kingdom and usher in a period of darkness.

Lincoln: He needs to be stopped, but he's not getting The Black Gates, he'll be sent to The Warp for an eternity of unimaginable torment.

Eli: But, won't he break out just like Barodius did in the last two times?

Lincoln: He will, but I've got a little curse for him: if he ever escapes The Warp, he'll be attacked by Bayonetta's pets and The Angels of Paradiso.

Nicole: A curse based on The Infernal Demons and The Angels of Paradiso? That's quite the wicked surprise, too bad you didn't invite Bayonetta, Lincoln, she would've loved to see it.

Me: Yeah.

?: (British Accent) I wouldn't be too sure.

Suddenly, we saw a flock of bats appear and one of them had an Umbra Witch clock around its neck, and they transformed into Bayonetta.

Lincoln: You always know how to make an entrance, Bayonetta.

Bayonetta: (British Accent) I always do. Now, I believe we have a dark sorcerer to kill.

Me: I'll get us there.

Nico: Lets do our own entrance.

Me: I have just the one. Stay close.

Maria: Let's do it!

We turned into an energy ball and went over to the mountain.

Clavius got his power from an orb.

Clavius: This world is about to see the reign of Clavius

But then the song Yurgen's Tune from The Wingfeather Saga played.

[Sarah]

O holoré lay thee low

A green leaf mist flew into the mountain and formed into a beautiful Celtic swan and then it swirled in. The it formed into a whirlwind of darkness and the spirits of Bayonetta's Infernal Demons appeared and they viciously attacked the sorcerer ending with Madama Butterfly clawing at him, and then, a massive explosion erupted and a phoenix cry was heard, and we appeared, and this enraged Sir Clavius.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted over Clavius and then a phoenix cry was heard and we flew in.

Sir Clavius: YOU?!

Nico: That's right, Clavius, and we're not surprised to see you've returned, you sure are a headache.

Allison Nouveux: But, that's about to be brought to an end.

Luan: Let go of Queen Uberta now!

Clavius: Team Loud Phoenix Storm!? What are you all doing here?!

Me: What else? We're here to kill you and save Queen Uberta! Just like before when we destroyed you!

Eli: That's right! Now let her go now!

Clavius: NEVER!

Nico: Then we'll just take her!

Me: By FORCE!

I fired waves of lightning and it hit Clavius and electrocuted him all over.

I flew at him and kicked him in the face and punched him into the wall.

Nico found her cell and went at it.

Queen Uberta: Thank goodness you came Nico.

Nico: I'll have you out of there shortly your majesty.

Derek: Thank goodness you're safe mother.

Nico ripped the bars out.

Allison Nouveux went and got close to the orb.

Allison Nouveux: Wonder what this orb is.

Suddenly, the power of The Orb of The Forbidden Arts began to react to Allison Nouveux, and then, we saw the orb approach Allison Nouveux, and then, the orb and its power began merging with her, and this really incensed Sir Clavius to a maximum extent.

Sir Clavius: What the?! What are you doing, you fool?! The Orb of The Forbidden Arts is mine!

Me: So that or is The Orb of The Forbidden Arts.

Allison Nouveux: You've used The Orb of The Forbidden Arts to cause pain and suffering for the last time, and now, its power has merged with me, and now, you will face the full extent of my fury.

Suddenly, Allison Nouveux's orange eyes turned neon orange and she was surrounded by an orange energy aura with suns, flames, Equestrian Magic both light and dark, and Alicorns, she unholstered her massive Sword of The Knights of The Friendship Table from her back, and as she approached Sir Clavius, she left orange energy, suns, flames, Equestrian Magic both light and dark, and Alicorns with every step.

Allison Nouveux: I've had it up to hear with you for the last and final time, Sir Clavius, you sought to acquire The Orb of The Forbidden Arts to take over the world, and in the process, you've caused too much suffering to those in your wake. You have crossed too many lines to count, and for that, the punishment for your crimes is death.

Suddenly, Allison Nouveux was surrounded by a massive vortex of orange energy with suns, flames, and Equestrian Magic both light and dark surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Allison Nouveux emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Allison Nouveux grew to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing orange hair, she has neon orange eyes and an orange energy aura with suns, flames, Equestrian Magic both light and dark, and Alicorns surrounding her, she has her Alicorn self, Firestorm Flare, along with her cutie mark on its horn emblazoned on her forehead and Third Eye with orange iris, she has on Alicorn earrings with orange gems for eyes and the Fire, Magic, and Eternity Kanjis in its hooves, she also has an Alicorn with orange gems for eyes and holding the Fire, Magic, and Eternity Kanjis in its hooves on the bottom of her orange Alicorn-shaped Element of Harmony, along with the gold Dragon pendant of her Elemental Dragon Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold flame bolts. Allison Nouveux has on her Ring of the Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger.

Allison Nouveux has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA SUPERNOVA INFERNO FIRESTORM ALICORN ANGEL OF DIVINE EQUESTRIAN SUPERNOVA INFERNO FIRESTORM ALICORN JUSTICE AND DIVINE EQUESTRIAN SUPERNOVA INFERNO FIRESTORM ALICORN LOVE!

We were amazed by Allison Nouveux's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Nico saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Sir Clavius saw it, the dark sorcerer fell into a black rage and he fired a blast of dark magic to kill her, but Allison Nouveux fired a powerful blast of orange energy with suns, flames, Equestrian Magic both Light and Dark, and Alicorns, which overwhelmed the blast and hits Sir Clavius and he was forced back, and that really pissed him off now.

Twilight Sparkle: Whoa, Allison Nouveux has transformed, amazing.

Nico: Too awesome, and she really pissed Sir Clavius off now.

Allison Nouveux: (Divine Echoing Cosmic Voice of The Supernova Firestorm Alicorn Angel and Divine Supernova Inferno Equestrian Firestorm Alicorn Love) **You bet I did. Now, to put him out of his misery.**

Allison Nouveux went after Sir Clavius, and she fired powerful blasts of orange energy, suns, fires, Equestrian Magic both light and dark, and Alicorns, and they exploded with incredible power as they hit the dark sorcerer, and she attacked him with her massive greatsword as she left scars on him and this was really angering Sir Clavius.

Sir Clavius: No, impossible, I will never lose to Team Loud Phoenix Storm! The world is mine!

Lincoln: The world will never be yours, Clavius, and you don't deserve those powers you wield.

Nico: You're fucked now!

Allison Nouveux: That's right buddy! You messed with the wrong Alicorn!

She fired a blast of energy and blasted him all over. Clavius fired waves of red energy and tried to kill her. But she dodged all the strikes and teleported and kicked him square in the crotch!

She then used a spell with the Change Art and turned Clavius's cloak into lead and it weighed him down.

CLANG!

Clavius: NO!

Me: I got to see how this works.

I fired a blue beam and it made NUMEROUS Gold Bar trees grow!

Qin: WHOA! That is awesome! Lets see.

She fired a purple beam and it turned a door into a jeweled chair.

Qin: COOL!

Rarity: Oh my that chair is absolutely breathtakingly beautiful darling.

Qin: It sure is.

Me: And red for destroy. That is amazing.

Nico: We'll use the red magic on people we hate.

Me: Good idea.

Nico: Let's finish Clavius off and get out of here.

Lincoln: The world will never be yours, Clavius, and you don't deserve those powers you wield.

Lincoln fired a blast of orange energy and it hits Clavius and he immediately drained the sorcerer of all his magic and strength and he assimilated them and he made them his own as Clavius was left severely weakened.

Nico: I might've guessed that Lincoln would use Tirek's powers to drain Clavius of all his magic and strength since we were dealing with a dark sorcerer.

Allison Nouveux: (Divine Echoing Cosmic Voice of The Supernova Firestorm Alicorn Angel and Divine Supernova Inferno Equestrian Firestorm Alicorn Love) **That just makes things a lot easier for me to kill him.**

Allison Nouveux fired a powerful orange energy beam which hits the powerless Clavius and he was down.

Nico: Whoa! Now lets finish him.

Me: Right.

Eli: And I know how.

Eli fired a blast of energy and it hit the volcano and it rumbled.

I teleported us all out of there and back to the castle and the volcano erupted and took Clavius with it.

We were back.

Me: That was close.

Xenia: No kidding.

Allison Nouveux: But that was amazing.

Derek: You guys did great.

Queen Uberta: Thank you all for saving me.

Odette: It was our pleasure.

Me: Clavius may be gone but I have a feeling that some time in the future we will face him.

Nico: I have that feeling too.

Eli: Same here.

Nico: After all, we didn't kill him with the Black Gates.

Me: No I want all of us to be ready for him. Now that Allison has the orb of the Forbidden Arts in her that triggered her to get her most powerful transformation, Clavius will be powerless.

Nico: Yep.

Lola: Yeah but awesome job Allison.

Allison: Thanks guys.

Twilight Sparkle: So how does it feel to have an amazing transformation?

Allison: To be honest Twilight, I feel really amazing. But how does it feel to also be able to use the Forbidden Arts guys?

Me: It feels amazing. But this is dark magic we're working with. But all in all it feels amazing.

Nico: Yeah so we'll only use this when needed.

Xenia: Yep.

Nico: And as a last resort.

Me: Good idea. Just like how I promised to use the Death Note book only as a last resort.

Nico: Yep.

But then a blue glow came from my bag and I saw the Lion Senki Wonder Ride book glowing.

Me: The Lion Senki Wonder Ride Book is reacting to something.

Nico: That means that the next Another Wonder Ride Embodiment is close.

Qin: Yeah.

Maria: Who's up next?

Rintaro: I'll go next.

Maria: And I'll have a shot too.

Odette: Good luck guys. But that entrance was great J.D.

Me: Thanks Odette. I learned that one from you because I love the swan just as much as the Wolf.

Odette: That's amazing and I'm really flattered. Thank you.

Nico: The swan is so beautiful.

May: It sure is.

Then a lion roar was heard and out came a BLUE LION!

Qin: WHOA! A blue Lion!

Nico: Wow!

Bloom: Wow that is a beautiful lion.

Simba: That sure is an amazing lion.

Another Lion Senki: (In a girls voice) I sure am a cool lion huh?

Me: (Gasp) That voice.

It changed and we saw that it was a Sailor Soldier with blue hair and blue clothes and had her own Water Current Sword Flowing Water and had blue angel wings.

Me: (GASP) Violet Skyla A.K.A. Sailor Skyla!

Sailor Skyla: Awesome to see you again J.D.

Me: Same here.

Nicole: Wow! Planet Skyla's sailor soldier. That planet is located in the galaxy NGC 983 At 204 Million light years away.

Nico: Wow that is a long ways.

Me: Yep.

Greer concentrated as a tail came out of her butt.

She grew cat ears and fur and turned into TIGRA!

COUGAR ROAR!

Tigra: Yeah!

Sailor Skyla: That is cool!

Me: It sure is.

Nico: Yep.

Me: Also Violet I'm sorry we have to fight like this.

Sailor Skyla: I know. But also I saw your fight with Clavius and that was awesome and well done.

Lola: Thanks. It was fun.

Sailor Skyla: Yeah. It sure was. Also just so you know there's another version of him coming.

She pointed to Brain Freezer.

Brain Freezer: Another version of me!? Whoa!

Me: Wow! This one will be cold. Friendly or Hostile?

Sailor Skyla: Friendly. She talks so much about you J.D. and she is a gene-slammer too.

Nico: Whoa!

Me: I wonder for which monsters this time?

Sailor Skyla: A Lillymon and the Butterfly Duel Monsters.

Me: Whoa! That's unusual.

Nico: Wow! A Digimon and Duel Monster combo Gene-slammer.

Me: Yep.

Maria: Yeah.

Sailor Skyla: Lets do it then.

She changed into her Blue Lion form!

Rintaro: HENSHIN!

He turned into KAMEN RIDER BLADES!

Maria did a bring it on gesture to her.

Me: Lets see what the Lion Senki book can do.

I pulled out the Lion Senki Book.

Me: (Reads Verse) "Prowling through the jungle with a sense of blue justice to watch over the kingdom and all of its land with an everwatching eye of courage, the mighty lion, king of the land and nature protected its land with great courage, love and determination and vowed to keep his family safe from harm and destroyed all his enemies with a massive blast of water."

I fired a wave of water and smashed Another Lion Senki with it and Rintaro and Maria did the same and smashed her down and reverted her back and I caught her Wonder Ride Book. It was called Dark Lion Senki and it formed into a new book. It was called Star Lion Planet Lands.

Me: Star Lion Planet Lands. Wow! A universe sized Pridelands.

I went over and brought Sailor Skyla to us.

Odette: Wow! That was incredible!

Nico: It sure was.

Lola: Yep.

Nico: We're not done yet though.

Me: Nope.

Then a Naturia Butterfly came and landed in my hands.

Me: Oh it's a Naturia Butterfly.

Lola: Aww that one is so cute.

Fluttershy: Aww it sure is adorable.

Naturia Butterfly: (In a girls voice) I know. I do look cute in this form.

Me: (GASP) Wendy Sylvan!

Camie: Wow!

She then changed into Another BRAIN FREEZER! She was a dark version of him.

Another Brain Freezer: Sorry I have many more forms other than Naturia Butterfly.

Me: That is cool.

?: Yep. It sure is.

Then we saw Another Odette but in a black dress!

Odette: Whoa! Is that me!?

Odette 2: (In a different girls voice) No I have a habit of surprising people.

Nico: Alice Ginnashira!

Qin: Oh that is awesome.

She changed back and was a girl with Purple Hair and purple clothes and purple angel wings.

Me: Whoa!

Alice Ginnashira: Sorry about that. I'm a Ditto Gene-slammer and I'm a shapeshifter now.

Lola: That was awesome!

Another Brain Freezer: It sure is.

Me: Also Wendy Sylvan is a nature scientist that went to nature school with me. She knows so much about flowers and nature and

more.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Brain Freezer: No he was in a hurry to send me out. My cold temperature made him freeze big time.

Me: Talk about giving someone the cold shoulder.

Luan: (LAUGHS) That is true and funny.

Qin: Yeah.

Nico: Yeah.

Me: Sorry we have to fight like this.

Another Brain Freezer: No worries. Come at me and don't hold back.

Me: (FLARES UP FIRE AURA) The Heat is on guys!

Nico: YEAH!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Alice Ginnashira: And here is my favorite thing. (Pulls out Purple Wonder Ride Book)

The Wonder Ride Book was called Floral Fairy.

Alice Ginnashira: HENSHIN!

"From the Flowers of Spring came the beautiful fairies of nature and they brought forth the hero and defender of the fairies: FLORA!"

She turned into a new Saber Rider called KAMEN RIDER FLORA!

Me: WHOA!

Nico: WHOA! Alice! This is amazing!

Touma: Wow! Alice we didn't know you were a rider for Saber!

Alice Ginnashira: I just became one. I am called Kamen Rider Flora. But I am also the Omega Saber Rider. I have all the powers of the light and darkness Saber Riders.

Me: That is incredible!

Lola: Wow! And we destroyed Storious last year.

Alice Ginnashira: I'm glad you did. He was a monster.

Me: You have no idea how dangerous he was Alice.

Another Brain Freezer: I heard all about that. That was intense.

Me: It sure was.

Varie: Yep.

Me: Boy Alice that is awesome!

Touma: It sure is. Welcome to the Saber team.

Alice Ginnashira: Thanks.

Nico: (gets out Brain Freezer's Ridewatch) I think you need to chill!

Nico activated it.

Nico fired a wave of Noreaster Ice and smashed Another Brain Freezer down.

I fired a blast of fire and smashed her down.

Me: What can you do with that form Alice?

Alice Ginnashira: Watch.

She grew neon purple butterfly wings and flew into the air and fired waves of flowers and smashed down Another Brain Freezer.

Qin: Whoa!

Me: Wow! That is beautiful!

Camie: I'll say!

Eli: That was awesome!

Nico: (gets out Superfriends Captain Cold's Ridewatch) Time to keep the ICE times going!

We laughed!

Me: Good Ice pun.

Qin: Yeah that was great!

Nico: Thanks.

He activated the Ridewatch and fired waves of energy and froze Another Brain Freezer in place in ice.

Odette: That is awesome!

Me: Yep. Alice you would love our teammate Duplica. She is a master of disguise and has a Ditto.

Lincoln: She does all sorts of amazing disguises and has an awesome way of imitating voices.

Alice Ginnashira: That is cool!

Me: Me and Lincoln even know lots of voices too. (Imitates Foghorn Leghorn) What's the, I say What's the big idea bashing me on the noggin with a rollin pin!?

Everyone laughed.

Nico: Awesome one.

Lincoln: (Imitates Yosemite Sam) Yeah Yosemite Sam! The Roughest toughest he-man stuffest hombre that's ever crossed the Rio Grande! And I ain't no mampy pampy!

We laughed at that one!

Alice Ginnashira: That's really good!

May: (gets out IceDevimon's Ridewatch) Time for more ICE fun!

She activated it.

May: (Echoing) TUNDRA FREEZE!

She fired ice lasers from her eyes and froze Another Brain Freezer's legs.

Laney: Nice one!

Qin: Yeah!

May: Now for this. (ACTVATES UNIVERSE 666 TRUEMAN'S RIDEWATCH)

She turned into DARTH VADER!

May: (Imitates Darth Vader) Luke, I am your father.

We laughed at that one.

Universe 666 Trueman: Hey that was really good!

Me: Nice imitation.

Qin: Yeah!

May reverted back.

May: That one will make a good infiltration tool.

Maria: (gets out Universe 666 King Sombra's Ridewatch) My turn! Time for darkness to come forth.

She activated it and fired a wave of shadows and smashed down Another Brain Freezer down.

Me: WHOA! That was shadowy!

Maria: Yeah it was. But this one will Break The Ice! (Activates 50 Below's Ridewatch)

She fired waves of ice and smashed her down!

Qin: OH YEAH!

Alice Ginnashira: That was cool though!

Qin: It sure was.

Then Carmen Dillo and his team came!

(BABY LIKES FAT BY SIR MIX-A-LOT PLAYS)

I like big guts and I cannot lie!

Double chins with the chafin' thighs!

When a dude walks in with the hanging jowls,

My stomach starts to growl - I'm getting hungry!

So I masticate, chompin' on the overweight,

I eat fat people for days, like potato chips by Lay's,

Try to eat just one but it can't be done, I gotta eat a ton!

Baby likes fat!

Baby likes fat!

Big footfalls were felt as we saw Carmen Dillo, Blob, Blob Homer, Universe 666 Tyrian Callows, Brain Eating Meteor and Ganda come.

Nico: Nice team, Carmen Dillo!

Carmen Dillo: Thanks. And yes that awesome version of Sir Mix-A-Lot's song plays every time Blob Homer comes. It's awesome.

Me: It sure is.

Homer the Blob: (Laughs) Yeah it sure is cool.

Camie: Yep.

Superfriends Captain Cold: Alice, you realize that after this, we gotta revert you back, right?

Alice Ginnashira: Actually it's not needed. Being a Ditto Gene-slammer means I can turn into anything. Even a Ditto.

Nico: She's right on that. Ditto can turn into anything.

Alice Ginnashira: Yeah.

She reverted back..

Tigra: (gets out Superfriends Captain Cold's Ridewatch) My turn!

She activated it and fired an energy blast and froze Another Brain Freezer!

Qin: YEAH!

Lola: Take that!

Alice Ginnashira: Now watch this.

She turned into a Dragonair!

Me: WHOA! A Dragonair!

She fired an Aurora Beam and it smashed down Another Brain Freezer and I caught her ridewatch and purified it. I went over to Wendy Sylvan and she was a girl with green hair and green clothes and had pink butterfly wings and I picked her up.

Wendy Sylvan: (Groans) What a headache.

Me: But you're back to normal now.

I brought her over and Alice changed back to her human form.

Alice Ginnashira: That was still awesome though!

Tigra: Can we still hear your favorite memory of Nico?

Alice Ginnashira: Yes you sure can. My favorite is when me and Nico were in gym class and the High School Cheerleaders were poking fun at us and I played a prank on them. I dumped a dump truck full of garbage on them.

We laughed!

Odette: (LAUGHS) That is funny!

Luan: Yeah they sure were Talking Trash! (LAUGHS) Get it?

We laughed at her joke!

Me: (LAUGHS) That was a good one!

Eddy: (LAUGHS) That was funny!

Alice Ginnashira: (LAUGHS) Yeah.

Nico and Alice hugged.

Nico: I've really missed you.

Alice Ginnashira: Me too Nico. Me too.

Nico: So I brought this leotard for nothing?

Alice Ginnashira: There are others that might need it.

Nico: Okay. Lets head home.

We did so.

However little did we know, back at Castle Mountain as it was erupting still, out of the top of the mountain arose the burned hand of a figure and it showed that CLAVIUS WAS STILL ALIVE! But he was half the monster he was and he was burned badly!

Clavius growled ferociously.

Clavius: NICO CHAN!

* * *

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Will Vandom, Snowdrop, Sector V, Mandy, Sector Z, and Katie - Numbuh 7 are heading to the world of Beastars, and not only is Lincoln going to rescue the twelve girls here, but we're also going to meet Legoshi and his friends.

But, we also got really bad news: Stank Breath Bolhofner has escaped from prison yet again, and he still wants revenge on us for throwing him in prison again. This time, we're not going to show him any mercy at all, that bad breath, bad-tempered pig who's never even heard of a shower is not only getting his butt kicked yet again, but this time, he's earned himself a one-way trip to The Uranus Prison's Maximum Security Solitary Confinement Wing where this time, he's staying there until the day he dies.

Nico: Whoa, where are we?

We then see the name of the school: Cherryton Academy.

Lincoln: Cherryton Academy. (Gasps) Oh, no way, we're here in the world of Beastars.

Me: No way, that's really awesome!

Lincoln: It sure is, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we're also going to meet Legoshi and his friends. But, we also got really bad news: Stank Breath Bolhofner has escaped from prison yet again, and he still wants revenge on us for throwing him in prison again.

Me: That abusive, bad-tempered pig! I ought to rip him limb from limb for what he's done!

Lincoln: And we'll get that chance, J.D., this time, we're not going to show him any mercy at all, that bad breath, bad-tempered pig who's never even heard of a shower is not only getting his butt kicked yet again, but this time, he's earned himself a one-way trip to The Uranus Prison's Maximum Security Solitary Confinement Wing where this time, he's staying there until the day he dies.

Nico: He escaped from prison more than once, so that's a good idea that he be sent to a better prison where security is really air tight, and he'll never ever escape again.

Lincoln: For what he's done, he doesn't deserve to be free or part of society ever again. And I want to thank you and your team for joining us, Will.

Will Vandom: You're welcome, Lincoln.

Phoebe Vandom: It really is awesome that you're joining us on Lincoln's rescue, Will. Plus, isn't tomorrow Halinor's mission with the Alien Racers?

Lincoln: It is, Phoebe, and we're so going to mop the floor with Akhil, and Antonio Maldonado is also bound to send Luis Estrada after us tomorrow, after we get rid of José Zuniga today.

Me: That bastard's just going to continue to cause trouble, until we've killed all of his followers, and then, he'll follow next.

Suddenly, Lincoln felt a presence and he also heard a heartbeat with his human ears and wolf ears on his head.

Lincoln: That heartbeat and the scent… of a male grey wolf.

?: So, you caught onto my scent. Very perceptive of you.

Suddenly, we saw a tall male grey wolf dressed in a Cherryton Academy male student's uniform come out, it was Legoshi.

Lincoln: Legoshi, figured we'd run into you here, it's a pleasure to meet you.

Legoshi: It's a pleasure to meet you too, Lincoln, along with all of Team Loud Phoenix Storm.

Nico: Well, only some of us are here, the rest are back at the Estate. But, it's still an honor to meet you, Legoshi.

Me: This is actually the first time we've been here at Cherryton Academy.

Lincoln: And we also found out it's not that far from Dad's restaurant, that's really awesome.

Lynn Sr.: Wait a second, I did remember seeing some of the students there at the restaurant.

Legoshi: Yes, and I also happen to be one of those students there at your restaurant, Mr. Lynn. Your Lynn-sagna was indeed delicious, plus, some of the ingredients you'd gotten there were also the very same ingredients for the food at the cafeteria.

Lincoln: Wow, I didn't know some of the students had come to the restaurant, Dad.

Nico: That's really awesome. Looks like you're also drawing in students as well, Mr. Lynn. If this keeps up, your business will go even more up the roof. But, I thought you got your ingredients from Liam's farm.

Lynn Sr.: I do, however, I also drew the attention of Cherryton Academy in the process when the academy suddenly appeared right next to the restaurant.

Legoshi: I decided to talk with the cafeteria workers there, and they knew of Lynn's Table, and they decided to do a partnership with you.

Lynn Sr.: Tell them I'm in.

Lori: That's literally amazing that you did this for Dad, Legoshi. But, from what I read from Lincoln's manga on your world, there's been tensions between the students.

Legoshi: The divide between herbivore and carnivore. It's been a problem for a long time, and it also reached its peak when my best friend and one of the students at the drama club, Tem the alpaca, was murdered, and even worse, it was due to Riz, a bear and another of the students at the drama club. I wanted to find out the truth about what happened to Tem, so that way, he can find peace and I could end this nightmare.

?: That's right, and you did end this nightmare.

Suddenly, we saw a white rabbit in a female Cherryton Academy student uniform come out, it was Haru, Legoshi's fiancée.

Legoshi: Haru, I'm glad you made it.

Haru: Of course, and you also brought Team Loud Phoenix Storm with you, and it's a good thing you did. There's been reports of a rude, bad tempered man with smelly bad breath and dirty clothes and smelling of body odor causing havoc and beating up the carnivore students.

Nico: (Gasps) Bolhofner's here.

Me: That mean son of a bitch, he's at it again?!

Lincoln: Not for long. We're putting a stop to that dirty, bad-tempered excuse for a man and we're so throwing him back in the slammer.

Legoshi caught the scent, and he almost threw up.

Legoshi: (Groans) I caught his scent, and he's in the cafeteria.

Lynn: Don't use your nose to catch his scent, Legoshi. That pig doesn't know anything about good hygiene and he does this to gross students out along with abusing them.

Haru: Either way, he needs to be escorted off the campus and in handcuffs.

Suddenly, more of Legoshi's friends came, they were Louis, Juno, Gohin, Els, Bill, Aoba, Voss, Collot, Durham, Miguno, Pina, Seven, Sagwan, and Jack, but they almost got attacked by Bolhofner.

Legoshi: What happened?

Miguno: That rude monster happened, he almost attacked us, and he was ranting like crazy.

Lincoln: That's the last straw, he's going to be escorted off the campus in a straitjacket.

Legoshi picked up on the scent of twelve girls here.

Legoshi: And there are twelve girls there, but they have nowhere to run.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of twelve girls calling for help and a roar of rage and insanity. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the twelve girls, but they've been cornered by Bolhofner, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the twelve girls, but they've been cornered by Bolhofner, and he's going to kill them.

?: (Girl's voice) That dirty excuse for a human being and disgraceful so-called teacher, let's get him!

Suddenly, we saw Evil HERO Malicious Fiend appear before us.

Nico: Wicked, that's Evil HERO Malicious Fiend.

Lincoln: (Gasps) That voice, Lorelai Delancey, I knew it was you, but we'll talk later, let's put that gross pig of a teacher in a straitjacket.

We rushed on over to the cafeteria and before Bolhofner could kill the girls, Lincoln fired vines at the bad-tempered man and whipped him all over the place, and that allowed the twelve girls to get away and into a rainbow energy field to protect them from Bolhofner, and when he saw me and all of us again, he went absolutely beyond ballistic.

Bolhofner: YOU! YOU DARE TO SHOW YOUR FACE AGAIN, KNUDSON?! I'LL KILL… !

Lincoln fired an orange energy blast which hit Bolhofner and forced him outside and we followed.

Lincoln: You are not laying one more hand on J.D. again, you pig, and now, it's time you received the beatdown of your miserable life, and don't think you're getting any mercy from us again.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal

Then, Legoshi ran up and punched Bolhofner hard in the face and knocked him back, and that really pissed Bolhofner off even more.

Nico: (Whistles) Whoa, you really pissed him off with that punch you threw, Legoshi.

Legoshi: Looks like it. Mind giving him a bath before putting him in chains?

Lincoln nodded, and he and the water users in his harem, Luna, Lily, me, Varie, Norbert Beaver, and Nico fired powerful jets and streams of hot water at Bolhofner which cleaned his outfit and washed off all of the stains, and we also fired jets of mouthwash which cleaned his mouth. When Bolhofner saw what we did, he freaked out and he went even more ballistic. But, Lincoln fired a rainbow energy blast which transformed into a rainbow energy straitjacket and rainbow energy chains and tied Bolhofner up, and he was arrested by the cops and put into the back in a police truck, so no one would have to deal with his B.O. and bad breath again, and it drove off. We cheered as we holstered our weapons and powered down.

Louis: I want to thank you all for what you did in saving the school from Bolhofner, Team Loud Phoenix Storm.

Lincoln: Hey, you guys are now part of our family, so we're not going to let anything happen to any of you.

Juno: What'll happen to him now?

Lincoln: He'll be heading back to prison, but not on Earth, he's heading for one of our space prisons where he'll never break out to cause trouble again.

Legoshi: That's indeed for the better. He doesn't deserve to be given The Black Gates, he deserves nothing but prison for all of the bad deeds he's committed. And I already know of your secret that you're a vampire-werewolf-cyborg hybrid, Lincoln, since I caught the scent even before you arrived here, and I already knew of the story of how you became that from your dad.

Lori: How did…?

Lynn Sr.: Legoshi asked to know more about all of us, since he and the others have seen many of our achievements.

Me: Wow, that's awesome, and either way, we're finally rid of Bolhofner for good and he's going right back to jail.

Lincoln: He deserved it. (To Lorelai Delancey) And it's so good to see you again, Lorelai Delancey.

Lorelai Delancey everted back to normal, and she's a beautiful girl with long flowing midnight black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the power of Evil HERO Malicious Fiend, she has on a short-sleeved midnight black shirt, midnight black skirt, midnight black heeled sneakers, and long white sleeveless trenchcoat with fire, darkness, and demons on the coattails and on the back is Evil HERO Malicious Fiend and holstered on her back is a massive Evil HERO Malicious Fiend-themed greatsword with embedded red gems and Evil HERO Malicious Fiend etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Lorelai Delancey: You too, Lincoln, it's been a long time, and it's so good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, and Lucinda Stewart, same with you, Melissa Han.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, and Melissa Han: You too, Lorelai.

Lincoln went up to Lorelai Delancey and he hugged her, and Lorelai Delancey is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Lorelai Delancey: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Lorelai Delancey, she's my Guardian Angel from Michigan and classmate in Gym. Lorelai Delancey is known as a skilled swordswoman just like her trainer, Melissa Han, and she's a master of both fire and darkness, and she's also friends with Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, and Lucinda Stewart, and when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city, she means serious business especially when it comes to defending me, and make no mistake, she and the other Evil HERO Gene-Slammers fight with the fury of the demons and devils of Hell, and any who dare to mess with me, she and the other Evil HERO Gene-Slammers will deliver unto them a very nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring their wrath.

Nico: (Gulps) Just like what we were told.

Gretchen Holland: That's right, we fight with the fury of the demons and devils of Hell, and those who dare to mess with Lincoln deserve a nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring our wrath.

Me: Remind me never to cross any of you. And among your enemies, which one did Lorelai really hate with a blazing passion, Lincoln?

Nico: That's right, and many of your enemies had crossed really nasty lines, but only a certain one would've crossed that line and it would earn them their entire wrath in full.

Lincoln: That's right, and the very person who earned Lorelai's hatred, that would be Lynn.

Lori: He's right, that little animal did something literally so brutal and so evil to Lincoln, Lorelai almost killed her in a brutal rage if I didn't stop her and told her to tend to Lincoln because he needed her.

Lorelai Delancey: Lori really stopped me from killing Lynn, even though she also caused problems for Lincoln herself, but she chose to break free from her Dark Side. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Lorelai, are you absolutely sure about this?

Lorelai Delancey: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Lorelai Delancey, and he saw that she's really serious, and he smiled as he walks over to Lorelai Delancey, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Lorelai Delancey's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Lorelai Delancey's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Lorelai Delancey: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lorelai.

Lorelai Delancey had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he recognized them immediately. The twelve girls are Shigure Takashima, Konami, and Miyuki from Triple Ecchi, and Komi Shouko, Agari Himiko, Inaka Nokoko, Katou Mikuni, Nakanaka Omoharu, Nene Onemine, Kaede Otori, Ayami Sasaki, and Chika Netsuno from Komi Can't Communicate.

Lincoln: Oh wow, it's Shigure Takashima, Konami, and Miyuki from Triple Ecchi, and Komi Shouko, Agari Himiko, Inaka Nokoko, Katou Mikuni, Nakanaka Omoharu, Nene Onemine, Kaede Otori, Ayami Sasaki, and Chika Netsuno from Komi Can't Communicate.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Shigure Takashima: Yes, we're okay, thanks to you.

Then, when Shigure Takashima and the other eleven girls saw who it was that saved them from Bolhofner, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-

Shigure Takashima: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Shigure Takashima: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shigure Takashima, Konami, Miyuki, Komi Shouko, Agari Himiko, Inaka Nokoko, Katou Mikuni, Nakanaka Omoharu, Nene Onemine, Kaede Otori, Ayami Sasaki, and Chika Netsuno with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Stank Breath Bolhofner who escaped from prison yet again, and he still wants revenge on us for throwing him in prison again.

But, when Lincoln showed what happened such as all of us laying a brutal beatdown on that bad breath bad-tempered pig and Legoshi even delivering a killer right hook to Bolhofner's face and Lincoln tying Bolhofner up and sending him into a police wagon that came to take him away, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Lorelai Delancey have a lot of catching up to do, now that she's back in town.

Maria: I can't believe that evil bad-tempered pig with bad breath and B.O. escaped from prison yet again! But, you guys really beat him down, and Legoshi really delivered a killer right hook to his face.

Lincoln: We made sure Bolhofner was tied up yet again, and we made sure to give him a bath before we gave him to the police.

Me: He was in a major need of a bath.

We then welcomed Legoshi and his friends to the team, and because he again escaped from prison, Bolhofner was given another life sentence added to the multitude of life sentences he acquired, and he was sent to The Uranus Prison's Maximum Security Solitary Confinement Wing where this time, he's staying there until the day he dies, and he's chained to the wall of his doorless and one-window cell with Neutronium Chains lined with rainbow energy chains.

---

After taking down and arresting Stank Breath Bolhofner and sending him to prison this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lorelai Delancey saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 350,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lorelai Delancey: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 350,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lorelai, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lorelai Delancey: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Lorelai Delancey: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Lorelai, what's the story on what Lynn did to Lincoln that was so brutal and evil, that you almost killed her in a brutal rage and Lori had to stop you?

Lorelai Delancey: You're not going to like hearing it one bit. One day, I was going for a walk through Franklin Avenue, but then, I heard someone weakly crying out for help, along with a shrill scream of horror, and I knew who would make that cry and scream: it was Lincoln and Lori. I immediately rushed to The Loud House and ran for Lincoln's room and I saw Lori holding her knees as she was sitting on the floor and the door was still open. I helped Lori up, and we went inside, only to find my feet in a pool of blood, and I saw the sight that would haunt me forever: it was Lincoln, but I saw he had multiple stab wounds and slash marks all over his upper body and lower body, he was literally pale and really weak from hunger, and even worse, he was lying in a pool of blood. We ran up to him, and let out a loud scream of horror, and that got Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, and Lily here, along with Mr. and Mrs. Loud, and as soon as they saw Lincoln, all of them really screamed horrifically. Lucy gave me a bag of blood which I gave to Lincoln and as he fed, the pool of blood rose and the pool of his spilled blood went back into his body and the slash marks and stab wounds all over his body began to seal as he was healed. Then, he hugged me and Lori tightly and he really cried hard into our chests, and then, I saw the absence of three people, and that's when I growled in anger.

Past Lorelai: Lori, where's Lynn?

Past Lori: Lynn's at soccer practice.

Past Lorelai: That's all I wanted to hear.

Lorelai Delancey: We went downstairs, and I didn't have to wait long. Lynn came back, and when they saw the family turn and glare at her, she got nervous. But, when she saw Lincoln healed and alive, her nervousness turned into outright anger and fury aimed at Lori and I.

Past Lynn: WHAT THE?! STINKOLN'S ALIVE?! YOU BITCH, YOU HEALED HIM, AND YOU ALL HELPED! THAT'S IT, YOU WILL ALL DIE!

Past Lorelai: You first, BITCH!

Lorelai Delancey: I pounced on Lynn and I proceeded to beat the crap out of her, and I continued to beat her senselessly, I was driven only by rage and revenge for what she did to Lincoln. Everyone in The Loud House couldn't do anything to stop me, but Lori had to do something, Lincoln needed me. I then kicked Lynn to a wall and I grabbed her by her throat and pinned her to the wall, and before I was about to gouge her eyes out, Lori grabbed me.

Past Lori: Lorelai, stop, it's over.

Past Lorelai: No, it won't be over. That bitch will just continue to try and kill Lincoln, she dies here and now!

Past Lori: Do you really want Lynn's blood on your hands? Think about it, if you kill Lynn, you're no better than her or me, Lola, Lisa, Luan, and the other jerks. Your friends need you, Lorelai, and so does Lincoln, just don't fall down that path.

Lorelai Delancey: That sudden realization of Lori's words caused me to drop Lynn to the floor, and I broke down and cried, but Lori hugged me as I cried. Then, a few minutes later, Lincoln ran over to hug me, and he also kissed me on the cheek, which caused me to blush like crazy, but I didn't mind. But, before Lynn could try to kill me for revenge, Lori grabbed Lynn and pinned her to the wall again.

Past Lori: You literally crossed it this time, Lynn, and if you think Lincoln's going to save your smelly butt, you've absolutely lost your mind. You brutally stabbed Lincoln all over his body and left slash marks all over him, and you left him to die in a pool of blood, and you also threatened to kill me too. And I didn't do this to save you, I only did it to save Lorelai from throwing her life away because of your murderous action. I admit what I've done constantly to Lincoln is also just as bad, but now, I've realized that if I kept this up, I was going to lose everything.

Past Lynn Sr.: And I'm glad you learned your lesson, Lori. But, as for you, Lynn Jr., because of what you three did to your brother, you need a better way of learning your actions have consequences.

Lorelai Delancey: Mr. Loud called the cops and Lynn was arrested, she had to spend nine weeks in jail for what she did to Lincoln, and we even put her in the Scared Straight Program, and I gave her a really nasty warning: if I ever saw her trying to kill Lincoln yet again, I will not hesitate to throw you in a nuthouse for the rest of your miserable life.

The flashback ended, and we were horrified.

Nico: Oh my God, this tops all those times Lynn did that to Lincoln. But, Lori really did a brave thing to save you from throwing your life away.

Lorelai Delancey: And what she said to Lynn, she really did mean it. I was still leery of her, but, Lori meant every word, and she was right, if I killed Lynn, I would be thrown in jail forever, and she was right: Lincoln needed me, and I left Lynn to her fate as she got sent to jail to spend weeks there.

Lincoln: And Lori was right, I wasn't going to save Lynn's butt, she needed to prove they deserve my forgiveness, or I wasn't going to forgive her any time soon. She eventually did earn my forgiveness, but not before Luna slugged her in the arm for her dumb stunt.

Luna: Had to, dude.

Me: Luna was really pissed off at Lynn for what she did, and Lynn got her just desserts, but she did earn her forgiveness.

Lori: But, not Lorelai, she never forgave Lynn, and she swore if she ever did this to Lincoln again, she and the other Evil HERO Gene-Slammers would go after her.

Me: And send her to Hell forever.

Nico: (Shudders) Just by angering the Evil HERO Guardian Angels by messing with or trying to kill Lincoln, and they'll be on a one-way trip to Hell.

We got a shower afterwards, and then, Lincoln, Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip were heading to Plage Des Grands Sables in Brittany, France.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim shorts with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim shorts, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip each have feelings for Lincoln, and he also had feelings for them as well, he saved them when Flip broke out to kill them for revenge again, but Lincoln saved them, and he smashed that smelly mutant cheapskate into the dirt before he tied him up again.

Lucky Ollietta: Wow, what is this place?

Lincoln: This, Lucky, is Plage Des Grands Sables in Brittany, France. This is also one of the most romantic beach destinations in France, so I picked this place for our beach date. Shall we?

Lincoln, Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip and they hugged the girls in their abnormally massive and powerful muscular arms and Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time in France, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucky Ollietta, Cana Alberona, Mirajane Strauss, Lisanna Strauss, Clair, Lenora, Bea, Melony, and Tulip with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Natsu: And just like with Yukino Agria, Jenny Realight, Arania Web, Millianna, Minerva Orlando, and Beth Vanderwood, you, Cana, Mirajane, and Lisanna are now part of Lincoln's harem.

Ash: Along with Clair, Lenora, Bea, Melony, and Tulip.

Lucky Ollietta: You got that right, and he also saved us from that cheapskate, Flip.

Lincoln: He really is stubborn and stupid.

Me: And hard-headed, he just doesn't even know when to quit, no matter how many times we kick his three-cheeked ass.

Nico: Next time, he's getting thrown in a tank of electric eels and jellyfish.

Lincoln: Yeah, you're right. I thought that beatdown from Madama Butterfly could teach him and the other jerks a lesson, but he's too stubborn and too stupid. Oh well, he's already made it worse for himself.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy,

Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than José Zuniga of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is José Zuniga of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Gabriella Gallabas: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of José Zuniga for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Let's go hunt José Zuniga down and put that religious fanatic down.

Lincoln: We may not have a big mission today, but we still got to put down José Zuniga before he dares to come after Maria Garcia and her friends.

Legoshi caught his scent, and he knew where he was at.

Legoshi: He's not far, he's at the park.

Gabriella Gallabas: (Spanish Accent) Excellent work, Legoshi, and we'd already gotten rid of three of your fellow fanatics, José Zuniga, and now, it's your turn to die.

Max Goof put up an energy field on The World Tree Estate as we headed off to the park to hunt down José Zuniga of The Order of Nuestra Señora de la Santa Muerte.

---

We arrived at the park to find our target: José Zuniga of The Order of Nuestra Señora de la Santa Muerte.

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, José Zuniga?

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was José Zuniga, the next member of The Order of Nuestra Señora de la Santa Muerte.

Gabriella Gallabas: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

José Zuniga: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Gabriella Gallabas' red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Gallabas-themed greatsword from her back, and as she approached José Zuniga, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Gabriella Gallabas: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, José Zuniga. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Gallabas and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Gabriella Gallabas was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Gallabas flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Gabriella Gallabas emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Gabriella Gallabas grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Gallabas emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Gallabas with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Gabriella Gallabas has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Gallabas surrounded by darkness and light and imps and on top of Fabled Dyf is an anti-Sergio symbol.

Suddenly, Gabriella Gallabas felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Gabriella Gallabas has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Gabriella Gallabas' massive Fabled Dianaira-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Gallabas' Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Gallabas etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Gallabas' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Gallabas that said, "Gabriella Gallabas, Gene-Slammer of Fabled Gallabas, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of José Zuniga of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic

Gabriella Gallabas has transformed into SUPER ANGEL-FABLED GALLABAS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED GALLABAS ANGEL OF DIVINE DARK FABLED GALLABAS IMP JUSTICE AND DIVINE FABLED GALLABAS IMP LOVE!

We were amazed by Gabriella Gallabas' Super Angel-Fabled Gallabas-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when José Zuniga saw it, he went insane and he got out his sacrificial knife to stab her, but Gabriella Gallabas fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at José Zuniga, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Gabriella's transformed.

Lincoln: Yeah, and she really sent José Zuniga, back with that energy blast she fired and that really pissed him off now, and Gabriella, you look beautiful, how do you feel?

Gabriella Gallabas: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Gallabas and Divine Darkness Light Fabled Gallabas Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to José Zuniga once and for all?

Lincoln: (Smiles) With pleasure, Gabriella.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Gabriella Gallabas.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, José Zuniga, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Gabriella Gallabas and Lincoln went after José Zuniga, and they fired extremely powerful blasts of rainbow energy, black energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at José Zuniga and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Gabriella Gallabas sent her three imps and Lincoln summoned his own imps and sent them at José Zuniga, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Gabriella Gallabas, her hand-cannon Blaster is known as Fabled Gallabas' Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with green flames on the blaster and with a Phoenix, Angel, and Fabled Gallabas surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Gabriella Gallabas aimed their hand-cannon blasters at José Zuniga.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, José Zuniga!

Gabriella Gallabas and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at José Zuniga and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw José Zuniga's sacrificial ritual knife which hits José Zuniga right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Gabriella Gallabas and Lincoln gave José Zuniga The Black Gates for good. We cheered as Gabriella Gallabas and Lincoln holstered their massive greatswords on their backs and powered down, and Gabriella Gallabas' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Gabriella Gallabas: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end José Zuniga for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Gabriella.

Suddenly, Gabriella Gallabas wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Gabriella Gallabas' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Gallabas flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Gabriella Gallabas absorbed the light and they came back to us as the display and Fabled Gallabas vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with José Zuniga's death, now there are only twenty-five members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Luis Estrada, which means it'll be the turn of Halinor and Luciana Grimro.

Halinor: So, we got a three-against-one battle tomorrow.

Luciana Grimro: (Spanish Accent) That's right, Halinor, you, Linky, and I are going to destroy Luis Estrada after we destroy Akhil.

Me: Akhil will die horribly, and those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Evil HERO Malicious Bane.

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know who would could be Gene-Slammed into Evil HERO Malicious Bane.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, Reggie McDonald, Lucinda Stewart, and Lorelai Delancey: Micaela Davis.

Gretchen Holland: Of all the Evil HERO Gene-Slammers in Linky's harem, Micaela Davis is known as the brawn of the Evil HERO Gene-Slammers.

Lorelai Delancey: She's really strong and her immense strength has more than impressed Lynn, and she's also used her immense strength to put Chandler, his goons, Pablo, Anderson, Hawk, and Hank in their place.

Gina Han: That's really awesome, and I really trained her a lot in weightlifting.

Gretchen Holland: And she's really trained Lincoln a lot in weightlifting by using the methods that you taught her and it really helped him greatly.

Lincoln: And we'll tell you guys more about that when we meet her tomorrow.

Me: Good idea, Lincoln, we don't want any spoilers.

Nico: But, we got an idea of who were meeting tomorrow, and she, like the other Evil HERO Gene-Slammers in your harem, know Fira and her sisters all too well.

Lincoln: That's right.

Later it was time for Vinyl Scratch's 3rd mission.

Me: This will be awesome!

William: Anyone else want to go with Vinyl? Besides Scott Truman and Tracer?

Lincoln: Me and my siblings will all go.

Me: Cool.

Nico: All right then.

Me: Looks like that's it.

Nico: Lets roll.

We were off!

---

We arrived in Tokyo.

We then saw Jun and Kazumi.

Jun: Hey guys!

Me: Hey Jun, hey Kazumi.

We landed.

Vinyl: Jun, this is Scott Truman and Tracer.

Scott Truman: Awesome to meet you.

Tracer: (British Accent) Pleasure to meet you loves. Lena Oxton but everyone in Overwatch calls me Tracer. I'm the ace pilot of the team.

Kazumi: Wow it's truly an honor.

Jun: Same here.

Me: And these are the Loud Siblings.

Lincoln: Awesome to meet you.

They introduced themselves.

Jun: Wow! That's a lot of kids.

Me: It sure is and yes their mom and dad all thought it would be cute if their names all started with the letter L.

Eli: Yep. (Whispers to Jun) Their family is not one that believes in condoms.

Jun snickered.

Kazumi: Wait. Aren't you from that Earth that was ravaged by Venjix?

Scott Truman: That's right.

Me: That was a horrible sight.

Eli: Yeah it sure was. Venjix destroyed that entire planet.

Lincoln: No kidding. It was a post apocalyptic nightmare.

Lucille Loud: (Scottish Accent) It sure was lads.

Me: Yeah. But Venjix is gone forever now.

Tracer: Indeed he is. Thank goodness.

Scott Truman: Yeah no kidding.

Jun: I guess suffering tragedies in our lives is what we have in common.

Scott Truman: Don't worry. Me and my team found our happy ending. And when the time comes, we'll help you find yours.

Me: That's right Jun. Just be patient until March 7th.

Lincoln: It will all work out in the end.

Lana: Yeah.

Me: But what's important is that you learn from tragedies to make sure they never happen again.

Eli: That's right.

Lola: Yeah.

Nico: I mean, we got two of your friends back, didn't we?

Jun: That's true. You sure did.

Me: Yeah. But soon we'll bring back everyone. What happened was horrible.

Lola: No kidding.

Lily: Yeah it sure was.

Me: Satoru will get what's coming to him soon. I have a strong feeling that he had some form of involvement in all this mess.

Vinyl: Any new Devilbeasts?

Kazumi: Yeah. Noriko Oda is back.

Lincoln: The plant girl. I remember her.

Me: Oh boy. She was tough.

Jun: Yeah no kidding.

Eli: I remember that she looked very much like Biollante and Godzilla put together.

Jun: Yeah.

Lori: She literally is tough.

Nico: Where did you last see her?

Jun: Over at the park.

Me: Then we got to get over there.

Jun: Right.

Me: Satoru is not gonna be too far behind.

Jun: Yeah.

Me: Oh Aoi is doing good. She is fully recovered from her injury.

Nico: Yep and Sheila and Tom brought her evil parents to justice.

Jun: That's great news.

Nico: Should've brought a weed whacker.

Me: We'll use our powers instead of that.

Nico: True.

We were off.

Jun: I hope we save Noriko.

Me: We will.

Lana: Yeah.

We arrived and we saw a brown hair woman.

Nico: Noriko Oda?

Noriko Oda: That's right.

Nico: We were looking for you.

Me: We came to help you out.

Eli: Noriko you need to be saved from this monster you became.

Noriko: (playing dumb)… I'm sorry. But I don't know what you're talking about.

Me: Noriko you know you can't fool us that easily. We are Team Loud Phoenix Storm and don't fool easily.

Nico: Yeah.

Noriko: Okay you got me. But it's not my fault.

Me: What do you mean?

Noriko: Satoru told me to do all those things as Germ.

Me: Satoru will pay for his crimes.

Noriko: And I'm sorry.

Nico: For what?

As if on cue, vines shot up from the ground at us.

I slashed them.

Scott: RPM! Get in Gear!

He transformed and was ready!

Lola fired waves of fire and burned the vines all over.

Tracer: (gets out Rojo's Fuestle) Satoru's probably close!

Me: And he is right…

POW!

I turned and punched Satoru in his face and smashed him down.

Nico: Right there.

Me: Right on cue!

Rojo activated Rojo's Fuestle and blasted Noriko all over.

Nico: Yeah!

I flew and went Super Angel Wolf Moon Xelnaga and smashed and pulverized Satoru.

Noriko started turning into her Devilbeast form.

Scott: (takes out Multiple Man's Fuestle) You'll thank me for this later, Noriko.

He activated it and formed 930 clones!

Nico: Time for some purification!

He fired waves of light and blasted her all over!

Then a Vaporeon, Jolteon and Flareon appeared!

Lincoln: Cool! Vaporeon, Jolteon and Flareon!

Nico: (gets out Captain Cold and Brain Freezer's Ridewatches) Time for an ice age!

Nico activated them and fired waves of ice and froze her all over.

POW!

I smashed Satoru into the ground and fired a massive barrage of energy blasts. I was blasting him all over the place with incredible force.

Eli: YEAH Get him bro!

The Flareon charged at Noriko.

It smashed her down.

Flareon: (In a girls voice) Take that you fiend!

Jolteon fired lightning blasts.

Jolteon: (In a girls voice) And that one!

Vaporeon fired ice blasts and froze her.

Vaporeon: (In a girls voice) And that one.

Nico: The Eeveeola Triplets! Wow!

I was still firing energy blasts at Satoru and they hit him all over and then I had him held down in a dome of energy and then I charged up a powerful blast!

Me: (Divine Wolf Moon Voice) **Take this you fiend! MASENKO-HA!**

I fired an energy ball and it went into the dome and then it glowed red and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

The explosion was intensely powerful and it shook Tokyo all over and then when the smoke cleared, Satoru's legs were blown off and he was really mangled up!

Satoru got up and he was barely able to stand.

Satoru: WHY!? WHY CAN'T I WIN!?

Me: **Because you keep underestimating my power.**

Nico: Lucky for you, we have more important things to attend to.

I kicked him and sent him flying far.

Me: **Now to save Noriko.**

I fired a blast of light and it separated Noriko from her Devilbeast form and she was freed. Lori and Leni caught her and she was naked and they wrapped her in a blanket.

Lori: You're literally gonna be okay.

Noriko: (Weakly) Thank you.

Me: Now to get rid of this monster.

Nico: You got it.

I fired a massive wave of blue fire and obliterated the plant monster in an instant!

Eli: YEAH!

Vaporeon: Take that!

Vinyl Scratch: That rocked!

Flareon: Yeah it did!

Lynn: What are your favorite memories of Nico?

Nico: Wait guys lets have them introduce themselves first.

Vaporeon: Sorry about that. I'm Evelyn Eeveeola.

Jolteon: I'm Eden.

Flareon: And I'm Everest.

Me: Awesome to meet you girls.

Eli: Same here.

Vaporeon: We all have the same memories with Nico. We are his partners in science class and we invented an awesome hydroelectric heat generator in science class.

Me: That is awesome!

Eli: It sure is.

Vinyl Scratch: I'll say.

Vaporeon: You can revert us back now but we're naked.

Me: I knew you were going to say that.

I put on my blind man glasses and the boys covered their eyes.

Nico pulled out 3 leotards. One was blue, another was yellow and the 3rd was red.

I snapped my fingers and they were reverting back.

Then were back to normal and Evelyn was a girl with blue hair and blue eyes, Eden was a girl with yellow hair and yellow eyes and Everest was a girl with red hair and red eyes. They put on the leotards Nico gave them and they got up.

Evelyn Eeveeola: Whoa that was crazy.

Eden Eeveeola: (Groans) Yeah.

Nico hugged them all.

Nico: I really missed you girls.

Everest Eeveeola: We missed you too Nico.

Me: Aww.

Vinyl Scratch: But this was awesome.

---

We later came back.

May: Hey guys. How did it go?

Me: Really awesome!

Lori: It literally was amazing!

We told them everything.

May: Whoa that is awesome!

Qin: No kidding.

Me: Yep.

May: Next time, Animated Optimus and Live Action Optimus should go with you.

Nico: Good idea!

Eli: Yeah!

Sweetie Belle came in and she was crying hard.

Me: Sweetie Belle are you all right?

Rarity: Sweetie Belle what's wrong darling?

Maria: Sweetie Belle, we know something's bothering you. So, please. Tell us about it.

Sweetie Belle: (Crying) It's a nightmare I had.

Natilee: The nightmare she had is a really tragic one.

Natilee showed us what her dream was about on her sketchpad and she showed that because of Sweetie Belle's anger towards Rarity for Rarity's dresses upstaging her every time during her play, Sweetie Belle Ruined Sapphire Shores's headdress and made it fall apart and RARITY WENT INTO A CRAZY STATE OF DEPRESSION! She couldn't handle what was going on and Sweetie Belle came in to check on Rarity and to her shock, horror and sadness she saw that RARITY HUNG HERSELF!

We gasped in shock and horror and Sweetie Belle broke down crying hard and Clyde and Rarity comforted and hugged her.

Rarity: Oh Sweetie Belle there there.

Maria: (growls) Who fucking caused this nightmare?!

Me: Maria calm down.

Nico: Oh man. Sweetie Belle.

Natilee: No one caused it. It was bad memories. Turns out Sweetie Belle was having some inner rage issues and it brought back old bad memories. Princess Luna told me what happened and how she helped Sweetie Belle with this before.

Me: That's right I heard that Princess Luna helped Sweetie Belle with this before and gave Sweetie Belle the idea for that cool Dolphin on her headdress.

Qin: That is cool.

Rarity: Oh Sweetie Belle it'll be all right. I would never do that to myself.

Carol: Yeah Sweetie Belle, Rarity would never do that.

Sweetie Belle: That's supposed to reassure me?! We can't be killed by bad guys. But we could potentially be killed by our own hands!

Me: Sweetie Belle, that was just a bad dream. It's not real.

Eli: Yeah.

Me: Besides you saw me slash my wrists before and that didn't kill me.

Sweetie Belle: Oh right. I forgot about that. Then I guess we can't be killed by our own hands.

Me: Nope. Our immortality and invincibility is that powerful.

Qin: Yeah.

Me: Also I ripped my own beating heart out of my chest and it regrew back.

Zuria: Really?

Me: Yep. I saved Sky's sister Misty as well as Penny Marko. Immortality and Invincibility won't let us die no matter what we do.

Nico: See? You have nothing to worry about.

Sweetie Belle: You're right about that.

Lola: Yeah Sweetie Belle. Besides it was just a dream. It's not real.

Nico: Yeah.

Lori: (her phone begins ringing for so reason) Huh?

William: Lori, now's not a good time for your phone to be ringing!

Lori: It's ringing on its own!

Then a light emitted from her phone and then out came a PORYGON!

Qin: WHOA!

Me: Whoa a Porygon!

Xenia: That is cool!

Nico: Wow!

Porygon: (In a girls voice) Sorry about that. I was trying to find you guys by going through the internet.

Nico: Callie Dante!? Whoa!

Porygon: That's right. Awesome to see you again Nico and Nicole it's awesome to finally meet you. You are my hero and I am a video gaming goddess in training.

Nicole: I'm truly honored that you look up to me and want to be like me.

William: What's your favorite memory of Nico?

Porygon: My favorite is when me and Nico played Tetris and I beat Nico 527 times in a row. Won each time.

Me: Whoa! You are good!

Qin: Not even I could win that many times in a row.

Me: Me neither.

Nicole: But that is really impressive. I beat Tetris 10,000,000 times in a row. You are off to a really good start.

Porygon: Thanks Nicole.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out the purple Leotard he had earlier.

I snapped my fingers and Callie reverted back and the boys covered their eyes. Callie was reverting back and she was naked. She had neon pink hair and also had 1 eye that was red and another was blue and she put on the leotard.

Callie Dante: Whoa that was crazy.

Nico and Callie hugged.

Nico: I really missed you.

Callie Dante: Me too Nico. Me too.

Qin: Aww.

Me: Yeah. (Sniffs something) Mmm mmm mmm. Something smells really awesome.

Qin: Oh yeah.

Nico: Oh Rosa has a really awesome treat for all of us.

Xenia: Can't wait

Maria: Nico, which teams have you made this time?

Nico: Raimundo's team will include Juniper Lee, Aya Chang, Noctum, Glitch, and Ixofex. Tom Majors' team will include Jared, Miranda Rodriguez, Thunder Eagle, Zyla the Faithful, and Thundenix.

Qin: Awesome!

Me: More awesome monsters from Monster Legends getting a shot.

Xenia: Yeah!

Camie: Yep.

May: And which Gene Slammers do you think you'll meet next?

Nico: Omastar and Kabutops next.

Nicole: Ooh prehistoric Pokemon next.

Nico: Yep.

Me: Cool.

Camie: Yeah.

Poromon: Oh boy! What's Rosa making?!

Nico: You guys will love it.

She came out with a huge platter and it was full of TAMALES!

Rosa: (Spanish Accent) My special Hot and Spicy Tamales are served.

Nico: Oh boy!

Ronnie Anne: Abuela makes some of the most amazing Tamales ever.

Me: Oh wow!

Manaphy: Yummy!

Rosa: Gracias amigos.

Me: Mmm!

Laney: (Eating) Delicious and awesome.

Lola: (Eating) Oh yeah!

Horsea: (Eating) I'll say!

Horsea kept eating.

She was really hungry.

We were eating and eating all over.

We were really stuffed later on.

Me: Ahh!

Qin: (BURPS) Man that was awesome!

Nico: Man it sure was.

Eli: Oh yeah!

Nico: Wait! Why don't we have an eating contest?

Maria: Good idea!

Rosa: Oh it is on amigos!

She brought out her hottest Tamales ever! CAROLINA REAPER DEATH TAMALES!

Me and Nico were going to eat the hottest ever Tamales in the world!

Xenia: Oh boy!

Everyone was hiding behind a sandbag bunker as this was gonna be SPICY!

Poromon: It was nice knowing them.

Me and Nico got to eating them and our fire auras exploded out from intense spicy power and it was epic!

Nico was eating a lot. BUT I was eating more!

Nico then fainted from the spice and I WON!

Nico: (GROANS)

Maria: I got you covered, bro.

Maria drenched Nico's mouth and steam poured out.

Nico: Ahh.

Qin: Awesome.

Nico: Thanks Maria.

Maria: Now for J.D.

Me: (BELCHES FIRE IN MARIA'S FACE)

Maria: (SCREAMS)

Her face was boiling from it.

Me: Sorry Maria. But I think I'm all right.

Qin: Whoa! J.D. is one tough guy.

Nico: I think that's enough for today.

Me: I agree.

Nico: Come guys, we must prepare for tomorrow.

Leni: What are we gonna do tomorrow?

Nico: Same thing we do every day Leni.

Lola: Try to take over the world?

We laughed!

Nico: No. We save the day and this time it's Halinor's mission.

Me: Yeah.

We went and got ready and went to sleep.

Meanwhile on Xenoc, the Alien Racers were getting ready for our arrival as we were going to bring an end to Akhil.

Ultrox: I'm excited for this!

Gnarl: Me too. Halinor is gonna mop the floor with Akhil.

Ultrox: Yeah you bet she is. We're gonna have fun big time. Lets get ready guys!

They got in their cars and drove on and went at the screen. Then it stopped with them frozen on it.

Nico: This is gonna be awesome. We haven't been to Rhyboflavin in a long time.

Me: Boy it sure has been a while.

Lola: I can't remember the last time that we were here.

Lana: It sure has been a while since we were here.

Camie: Boy this is amazing that this is here.

Vambre and Prohyas were with us.

Vambre: (British Accent) It has been a while since we were here.

Lola: It sure has been a while.

Xenia: Yep.

Fluttershy: Oh it is an amazing and beautiful place.

Camie: It sure is.

Nico: Fluttershy, I want to thank you, Carmen Dillo, and your teams for coming.

Fluttershy: Oh it's going to be really amazing Nico.

Lola: It sure is.

Lana: I'll say!

Nico: Sailor Juno, what do you like to do in your free time?

Sailor Juno: I am a Gymnastics teacher. I use my acrobatics skills to fight crime and also I teach gymnastics to lots of people.

Lana: That is cool!

Nico: It sure is! Gymnastics is fun.

Laney: I love gymnastics because it's so acrobatic and fun.

Qin: It sure is.

Prohyas: I think it's awesome too. As long as we get to kick evil butt.

Camie: Yeah it is. How did you guys meet Prohyas and Vambre?

Lana: That was an awesome adventure.

Lana went over what happened in Chapter 43 and it was great.

---

Lana was in the Simulator and me, Varie, Lola and Lisa were at the controls.

The Simulator activated and Lana found herself in the Kingdom of Rhyboflavin in the world of Lyvsheria.

Lana: Wow. What a cool place.

She was walking through the Rhyboflavin Bazaar and she saw a long red hair man with a hat and mustache robbing stands with silly looking swords.

Lana: That is cool. But he's causing a lot of problems.

Lana spread her wings and went at him and punched him in the face and knocked the sword out of his hand.

Lana grabbed it and it was a sword in the shape of an Acorn.

Lana: Cool! I like this sword.

?: Hey! That's my Magisword!

Lana: Magisword? Is that what this thing is?

?: Yeah. Haven't you ever heard of them?

Lana: No I'm actually new here.

?: Oh I see.

Lana then had a memory flashback.

[Cuts to a flashback and we see me and her watching our favorite TV Show "Mighty Magiswords"]

Lana: Prohyas and Vambre sure kick butt with those Magiswords.

Me: They sure do.

[Flashback Ends]

Lana: [in her head] I'm in the world of Mighty Magiswords! Awesome! Now I can kick butt like Prohyas and Vambre! [Out Loud] I know you. You're Nohyas. Prohyas's imposter!

Nohyas: That's right and meet my sister Vambre.

Nohyas has a hand puppet that looks like Vambre for his left hand.

Lana: That's not Vambre. That's just a stupid hand puppet.

Hambre: That's mean.

Lana: I think you were born without a brain, Nohyas.

Nohyas: Boy you sure are mean.

Lana: Well get ready cause I'm going to kick your butt into the next century.

Nohyas: We'll see.

Announcer: CELERY MAGISWORD!

Lana: Try this.

Announcer: ACORN ARSENAL MAGISWORD!

Lana fired a bunch of Acorns at Nohyas and they hit him in the head and he was hurt bad.

The Celery Magisword flew out of his hand and Lana grabbed it.

Lana: Chew on this!

Lana fired a bunch of Celery sticks at Nohyas and he got a good beating.

Nohyas got up and he was mad.

Nohyas: You little girl!

Announcer: BACON MAGISWORD!

Nohyas fired lots of bacon strips at Lana and Lana dodged them all and fired a beam of ice lightning from her hand at Nohyas's hand and flew in and kicked the Bacon Magisword out of his hand and grabbed it.

Lana: You don't deserve to use Magiswords. Where did you get all these anyway?

Nohyas: We stole them from a House of Swords in another part of the world.

Lana: You're a fiend.

Nohyas: No. I'm evil and self-loathing.

Lana: You're pathetic.

Lana then shook him and took all the Magiswords he stole. Nohyas had stolen a huge array of Magiswords.

Lana: You know I've always wanted to start my own Magisword collection. And as for you-

Lana excapsulated Nohyas in a block of ice.

Lana: He's all yours officers.

The Rhyboflavin police took him away.

Lana: Well that takes care of that.

?: [Southern Accent] Thank you for saving the Bazaar.

Lana saw Buford, the owner of the Rhyboflavin Bazaar.

Lana: You must be Buford.

Buford: Yes in Broccoli-Pickin-deed.

Lana: It's a pleasure. I'm Lana Loud.

Buford: Pleasure to meet you young lady. Thank you for saving my Bazaar and here's a reward for ya.

Buford gave her a bag of Jemms, the currency in Rhyboflavin and Lyvsheria.

Lana: Thank you. But where are Prohyas and Vambre?

Buford: [sighs] Their landlord Mr. Packard kicked them out of their home and closed them down. We haven't seen them for 2 weeks. They moved back in with their parents.

Lana: I got to do something to help out.

Buford: If you can do that then I'm sure they would be forever grateful.

Lana: Where are their parents?

Buford: They own a broccoli farm up that way.

Buford pointed to the North Northwest direction.

Lana: Thank you Buford.

Buford: You're welcome Lana.

Lana then walked all the way and found the Warriors Broccoli Farm.

Lana saw a huge farm with a huge garden full of lots of broccoli.

Lana: Wow! That's a lot of broccoli and I always eat my vegetables.

Lana walked up to the front door and knocked on it and answering it was Norman Warrior, Prohyas and Vambre's father.

Norman: Yes?

Lana: Are you Prohyas and Vambre's dad?

He sees Lana.

Norman: Why yes I am.

Lana: My name is Lana Loud and I heard about what happened to Prohyas and Vambre.

Norman: It's a pleasure to meet you. I'm Norman Warrior. Yeah, they've been in a tight situation ever since that jerk Packard closed them down. Come on in.

Lana came in and she saw Prohyas and Vambre sitting on the couch crying.

Lana sat on a chair and decided to talk to them.

Lana: Prohyas, Vambre, my name is Lana Loud. I heard what happened from Buford.

Vambre: [British Accent] I know. Our lives are ruined.

Lana: It's not the end of the world. You guys are the greatest. I even defeated that clown Nohyas and his dumb hand puppet Hambre at the Bazaar.

Prohyas: You took down Nohyas?!

Lana: Not bad for a 6-year-old girl huh?

Vambre started to feel better.

Vambre: How did you do it?

Lana: I froze him in a block of ice with my ice powers after I took his Magiswords.

Lana showed them her magiswords.

Vambre: Where did Nohyas get all of these?

Lana: He said he stole them from another House of Swords in another part of the world.

Prohyas: THIS IS AMAZING!

Lana: I've always wanted to start my own Magisword collection and it's awesome.

In came their dragon friend, Grup.

Grup: Ooh! Are you guys feeling better?

Vambre: We sure are dear Grup.

Lana: You must be Grup. I'm Lana.

Grup: Ooh. Pleasure to meet you.

Lana: Same here. Vambre, how did this all start?

Vambre: It started dear Lana when that dastardly thief Phil the Pilferer stole all our Jemms and our rent was due that day.

Prohyas: That little pest ruined our lives. [Enraged] AND WHEN I FIND HIM I WILL RIP HIM TO SHREDS!

Vambre: Calm down dear brother.

Lana: Were any of your Magiswords taken?

Vambre: No thankfully but we lost our business.

Lana: That's terrible. But my guess is that Phil wanted to get revenge on you somehow.

Vambre: I have a feeling you're right Lana.

In came Prohyas and Vambre's mom, Kablamica

Kablamica: [Minnesota Accent] I see my darlings are feeling better Don't ya know?

Vambre: Yes mum, we're feeling better now that Lana came.

Lana: It's a pleasure. I'm Lana Loud.

Kablamica: Same here. I'm Kablamica Warrior.

Lana: Now it just became personal because we will find Phil and make him pay.

Prohyas: I agree. It's time to make that jerk pay.

Lana: Also we're gonna need some help from your friends.

Vambre: I see what you're gonna do.

Prohyas and Vambre pull out their Magimobile phones and made a few phone calls.

First call was to Princess Zange.

Castle Rhyboflavin

Princess Zange: What's up Buds?

Indistinct Chatter

Princess Zange: [Determined] Count me in.

Slug Burger

Witchy Simone: Prohyas what's up?

Indistinct Chatter

Witchy Simone: [Enraged] I will make that little twerp pay!

Her boss, Mr. Spoony, came.

Mr. Spoony: Witchy Witchy Witchy Witchy Simone! What's all this yelling!?

Witchy Simone: Sorry Mr. Spoony. But Phil the Pilferer destroyed my friends business and we're forming an angry mob to take him down for good.

Mr. Spoony: [Angry] Count me in too girl! No one messes with our friends and gets away with it!

Ralphio's House of Swords

Ralphio: Ralphio's House of Swords?

Indistinct Chatter

Ralphio: [Enraged] WHAT!? Wobbles! Lets go!

Printed Page Book Shop

Noville: Printed Page.

Indistinct Chatter

Noville: Anything for you Vambre!

Pumpkin House of Mysterious Hooded Woman

Mysterious Hooded Woman: Hello?

Indistinct Chatter

Mysterious Hooded Woman: Count me in my friends.

All the citizens and friends of Rhyboflavin were called in and they were armed with all sorts of makeshift weapons and torches. But while everyone was getting ready to join an angry mob, Morbidia and Gateaux of the Warriors Rival business Witch Way, Flonk, Mr. Packard, The Snowmanpires, Frostferatu, The Long Underwear wolves, Man Fish the Fish Man and the pirates of Keelhaul Cove teamed up with Phil to fight.

This was going to erupt into a full scale war.

Lana stood in front of everyone and made a speech.

Lana: Phil picked the wrong people to fight and it's time to show him and your enemies what you all can do. It's time to get rid of them once and for all! Are you all with me?

Everyone cheered.

Lana: We attack at Dawn!

As dawn broke the following morning, Lana and everyone in Rhyboflavin were marching into battle.

They saw Phil and all the bad people on the next hill.

Lana: CHARGE!

Phil: CHARGE!

And so the Great War for Rhyboflavin begin. Lana and friends were called the Broccoli Allies and Phil and his army were called the Rotten Broccoli Axis.

Lana and her army quickly gained a strong foothold. Phil and his army had monsters with all sorts of powers on his side and they were nearly gaining to upper hand when suppenly out of the blue, a huge volley of spider web blasts pulverized the Rotten Broccoli Axis. Lana and army saw that Terry and all her children had arrived to help out. This became a decisive factor in the war and it turned the tide of the war in Lana and the Broccoli Allies favor and quickly brought an end to all the fighting.

After all the fighting had ceased, Princess Zange had all the villains gathered. The reason: to exile them to an unknown part of the world.

Princess Zange: You all have done unforgivable things to the entirety of Rhyboflavin. You all are hereby banished to the outlands forever!

But they all swore revenge.

Morbidia: You all will pay dearly for this!

Gateaux: Dearly.

Morbidia: We will come back some day and reclaim what is rightfully ours!

Gateaux: Ours.

Princess Zange pointed behind them and told them to go. Morbidia and Gateaux had been stripped of all their magic and were now rendered powerless.

All the baddies left, never to return.

Everyone cheered wildly for Lana, Prohya and Vambre and it was a joyous time for Rhyboflavin.

Lana was getting ready to head back home.

Prohyas: Are you sure you can't stay with us Lana?

Lana: I wish I could Prohyas but I have to get home to my sisters and my big brother and friends. I'm glad I was able to help you all out but I have family back home.

Vambre: We'll miss you Lana.

Lana: I'll miss you guys too.

A dimensional wormhole appeared and sucked Lana in.

The exercise ended. She has all the magiswords she took from Nohyas on a special bracelet on her right arm. She also had all of Morbidia and Gateaux books on dark magic in a bag.

Me: You did a really good job Lana.

Varie: You were amazing.

Lana: Thanks guys.

Lana gave all the books to Lucy and Raven.

FLASHBACK ENDS

When it was done everyone that hadn't heard it was amazed!

Qin: WOW! So that's how you guys met Vambre and Prohyas.

Camie: That is cool!

Lola: Yeah it sure was cool! And that's how we learned all about Magiswords and how they can do all sorts of great things.

Me: Yeah and they are a great tool and more.

Nico: I bet you like the fact that I give leotards to most of my old

friends.

Sailor Juno: I sure do. That is awesome.

Me: It sure is.

Camie: I agree.

Qin: Yeah.

Nico: Boy I missed out on a lot that made the team what it is including how we met Prohyas and Vambre.

Qin: Yeah. Also Nohyas is one dumb idiot.

Camie: Nohyas?

Me: Prohyas's red haired stupid doppelgänger. He has red hair a hat and a dumb mustache and has a stupid hand puppet that looks like Vambre named Hambre.

Nico: Yeah he has a brain the size of a toad.

Carmen Dillo: Yeah but he is a funny guy.

Me: Yeah. He sure is.

Qin: Yep.

Camie: And Prohyas and Vambre's mom and dad have a Broccoli Farm? That is cool.

Me: It sure is and Kablamica makes some of the best Broccoli soup ever. My son can't get enough of it.

Allenby: (LAUGHS) You should see how much he eats. He eats 25 barrels full of it.

Nico: Yeah he is a true vegetarian.

Lola: Yep.

Vambre: Oh indeed. Also I'm so glad that Jared likes dear mum's soup.

Me: That's my son for you. Loves his vegetables.

Qin: Yep.

Nico: Yesterday was very spicy!

Lola: Yeah it sure was!

Camie: Rosa makes some of the best Tamales ever.

Me: She makes EVERYTHING that is really good.

Lincoln: Yeah she sure does.

Fluttershy: It is most amazing and delicious.

Nico: Boy no kidding there.

May: You two nearly died from heat back there!

Me: HA! That was nothing compared to what we heard from Lincoln's Guardian Angels about the peppers he tried.

Lincoln: It's true guys.

Qin: Boy those peppers are intense.

Vambre: Indeed. But those were still very delicious tamales.

Prohyas: Boy they sure were tasty.

Me: Yep.

Nico: I agree.

Me: Also Camie, before we hung out more often at Lynn's Table we would go to Slugburger.

Prohyas: That's a great restaurant I love.

Nico: Yep. It's awesome.

Me: Me and Mr. Lynn are hoping to have Slugburger become part of the Lynn's Table fun.

Vambre: I think that's an excellent idea J.D. dear.

Maria: You breathed fire into my face!

Me: Sorry Maria!

Nico: Maria calm down. J.D. burped and that was an accident.

Maria: Yeah you're right.

Me: Look on the bright side though, at least you aren't made of pure water anymore or you would have been turned into a cloud of steam.

Maria: True.

Eli: Yeah that's right.

May: Is it necessary to do a news report the entire day?

Me: Come on May it's for Lincoln's classes project and we agreed to help him out.

Lincoln: Yeah it's for my class.

Nico: Yep.

May: Okay then.

We then saw Helmet.

Lana: Helmet.

Helmet: Well if it isn't the dorky girl!

Lana: You're the dork you frog boy.

Helmet: DORK!

KROW!

She kicked Helmet and smashed him into a rock.

Me: What a freak.

Nico: I don't like that guy.

We got to the Rhyboflavin Bazaar.

Lola: Rhyboflavin Bazaar.

Vambre: It sure is as busy as ever.

Qin: No kidding.

May: Lincoln, since today's a big day, you better be prepared to have the report include some Mascot Shenanigans.

Lincoln: I plan to.

May: Good.

Me: Remember how we scolded Old Man Old Man when we were here?

Nico: Boy I sure do.

Xenia: I heard about Old Man Old Man.

Me: Yeah no kidding. The Warriors for Hire only were made for one thing and that is action packed chores and not for stupid mediocre chores from an old man that can do himself.

Nico: Heroes shouldn't do ANY chores at all!

Me: Not when they are considered missions to some. Chores should be done around the house. Nowhere else.

Qin: Yep.

Vambre: If I see Old Man Old Man I shall rip his mustache off and RIP HIS BRAIN OUT WITH AN ICE CREAM SPOON!

Qin: Gulp.

Me: Hey look there.

We saw lots and lots of people gathered.

Nico: Lets go see.

We went over and we saw a bunch of beautiful Arabian Bellydancer Girls dancing for everyone.

Qin: Whoa look at them.

Nico: I love Arabian Bellydancers.

Me: They are always awesome.

Nico: Let's keep looking, shall we?

Eli: I don't know Nico. Something is very fishy. I sense that these girls are up to something.

Me: Hmm.

Then we saw some of the girls dance and they swiped a bunch of Jemms from lots of people when they weren't looking.

Eli: They are dancing bandits! But I also sense that they don't want to do this.

Me: We better go see. I got this.

SPIDER WEB MAGISWORD!

I fired a wave of webs and tied them up.

Me: I'll take those.

I gave back the Jemms they took.

Me: Now what's all that about?

Leader girl: We were told to do all this.

Me: By whom?

Nico: Yeah.

Leader Girl: By a lady and a cat in witch clothes.

Vambre: Did you say Lady and cat in Witch Clothes?

Vambre and Prohyas: WITCH WAY!

Camie: Who are Witch Way?

Me: Morbidia and Gateaux are their names and they are really nasty rivals of the Warrior Siblings.

---

Witch Way, run by Morbidia and Gateaux, is a rival adventuring business to Warriors for Hire. Both Morbidia and

Gateaux practice sorcery, and have been rivals with the Warrior siblings since they were all in Adventure Academy together. However, Witch Way is often overshadowed by the Warriors.

Morbidia

She and Gateaux first appeared in the short "Too Many Warriors" hired by Docky Boardman to stop Mister Sucker Punch from terrorizing the Dockman Pier. They see the Warriors for Hire and begin to make fun of them. Both groups soon realize that they were both hired by different people to do the same job. Princess Zange and Docky decided that who ever defeats the squid first will earn the reward. Witch Way attempt to use dark magic against the squid by bringing plush carnival prizes to life, but it doesn't work as planned, since Mr. Sucker Punch is much larger than the stuffed animals. After this, Prohyas tries to use the Ground Pound Magisword, but accidentally drops it behind him, cracking the pier and sending the ferris wheel rolling into the ocean. Witch Way claim that they would already have the job done if the Warriors hadn't shown up, and try to destroy them for intruding on their job. Vambre uses the Laser Pointer Magisword to distract Gateaux, causing Sucker Punch to sock them into the ocean. At the end of the short, Morbidia swears revenge on Warriors for Hire, as she and Gateaux are attacked by the evil stuffed animals they created.

She and Gateaux first appeared in "The Mystery of Loch Mess" where they are envious of the Warriors for getting a job from Princess Zange. The two plan to follow the Warriors and steal their job so they can gain the glory and take the reward. The two were trapped and captured by Queen Porcina and, as well as the Warriors, almost fed to the Loch Mess Monster. After the Warriors set the delivery folk free, Witch Way took this as an opportunity to take credit and give the folk a boat to escape.

In the episode "Cleanliness Is Next to Grupliness", Morbidia is furious that Warriors for Hire made the cover of Mercenaries Monthly before Witch Way, and is seen burning a large stack of copies. While she is ranting to Gateaux, Grup flies by, and the two are hit by his horrible stench. Morbidia compares the smell to a hairball that Gateaux coughed up two weeks ago. Gateaux takes offense, claiming it to be an offensive cat stereotype. Before he can finish saying this, he is cut off by Morbidia, who points out the source of the offensive odor. She tells Gateaux that they can use this against the warriors, also inquiring why Gateaux doesn't have a tail. They are later shown revealing that they ratted the Warriors out to Princess Zange, threatening Grup's residence in the headquarters. At the end of the episode, as punishment, the Warriors sent Grup's old and smelly molted skin to their headquarters.

In the episode "Felonious Prose", Morbidia and Gateaux overhear Vambre mention that she would lose a whole day to a new Veronica Victorious book, and hatch a plan to write a fake novel (much to Gateaux's delight, as he is eager to write his first fanfiction) and leave it at the doorstep of Warriors for Hire HQ for Vambre to find. Although Gateaux came up with the idea, Morbidia is quick to take the credit. This plan only somewhat works. While Vambre does remain completely distracted, it's because she hates the book and has to read over it again and again to figure out how a book this awful could have ever been released. This is still going on during their current job finding Buford's lost contact lens on the Lyvsheria sign, leaving Vambre almost entirely useless as her and Prohyas attempt to climb their way out of a pit of small letter-shaped creatures. Witch way soon show up to take the job for themselves. When Gateaux repeats one of Prohyas's words, Morbidia scolds him, saying that he is only supposed to repeat her words. Morbidia and Gateaux attempt to make their flashy (although delayed) introduction, but soon find out upon being climbed and pushed downwards that the letter creatures like shiny things. When Gateaux attempts to respond to Vambre's many criticisms of the book and justify the "author's" choices, Morbidia scolds him once more, this time for "too much independent thought". Upon learning from Noville that the book is a fake, Vambre unleashes her anger on Morbidia and Gateaux, and resolves to leave them in the pit to find their own way out.

In the episode "Gotta Get Grup to Get Down", Morbidia and Gateaux enter in the competition to become Rhyboflaven's official royal entertainer, and show up just in time to mock the Warriors for Hire, instead calling them Snore-iors for Hire. Afterwards, they take to the stage with their usual loud flashy introduction, this time with a persuasive flair. During this, Morbidia blows a kiss to the audience, leaving several members charmed by her. Much to the Warriors' dismay, Morbidia proclaims that they will be pulling a rabbit from a hat. Instead of using any real magic, they poorly cover the hat with a cloud of smoke as Hoppus is (visibly) lifted through a platform in the floor. This somehow manages to impress the audience. Later, when Grup takes the stage to perform, they begin to point and laugh at his performance. However, after Prohyas begins singing along with his revisions, Morbidia and Gateaux begin to worry that Grup may stand a chance after all. Morbidia shouts at Gateaux to do something, causing him to release a violent horde of squirrels onto the stage. This backfires, and manages to add to the performance. When Grup is declared the winner, Morbidia lets out an exclamation of disbelief. Helmut appears to deliver his signature line ("Dorks!"), causing Morbidia to turn him into a frog.

In the episode, "Dungeons and Dayjobs", Morbidia and Gateaux enter Slugburger only to find that the Warriors are working there. Morbidia begins to make fun of them and their current situation. After this, she finally decides to order some food. She begins to order a Junior Slugburger, but changes her mind halfway and decides instead on a Double Mega Slug Deluxe. Upon inquiring about the types of cheeses, she is upset that they don't have swiss. While Vambre is making the order, Morbidia continues to complicate it by adding things as its being made. After Vambre finishes what eventually becomes 2 Double Mega Slug Deluxe burgers with 24 added things, Morbidia claims that her and Gateaux have changed their minds, and just want a glass of water. When Prohyas starts getting visibly angry with them, Morbidia claims that the customer is always right. After Prohyas threatens the duo with Dolphin Magisword, Witchy Simone steps in and takes care of Witch Way instead.

In Little Sword of Horrors, Morbidia and Gateaux are seen advertising outside their house, when Prohyas walks by with Carnivorous Plant Magisword. The magisword leans down and eats a spider off the ground. Morbidia is in shock that her spider roommate Natasha, who she's totally had this whole time, has just been eaten. When she and Gateaux try to attack the sword with their magic, it spits it right back at them. The magic swaps their species, turning Morbidia into a cat and Gateaux into a human.

In Witchy Simone Ruins Everything, Morbidia replaces Gauteaux with Witchy Simone, but later reveals she had planned to betray her from the very beginning.

Gateaux

Gateaux G. Gato (first name pronounced gah-TOE) is a Wizard for Hire and co-founder of the sorcerers-for-hire organization "Witch Way", along with his domineering partner, Morbidia. Together, they are the arch-rivals of the Warriors for Hire. He first appears in the Mighty Magiswords short, Too Many Warriors. He is voiced by Arin Hanson.

He and Morbidia first appeared in the short "Too Many Warriors" hired by Docky Boardman to stop Mister Sucker Punch from terrorizing the Dockman Pier. They see the Warriors for Hire and easily made fun of them. Princess Zange and Docky decided that who ever defeats the squid first will win the prize. The two use dark magic against the squid but it failed and as Prohyas used the Ground Pound Magisword, it caused destruction of the pier. Later, Mister Sucker Punch punched Docky down the shore. The two were so annoyed that they tried to go after the Warriors for Hire so Vambre used the Laser Pointer Magisword to distract Gateaux due to his cat instincts causing Sucker Punch to sock them away. At the end of the short, Morbidia swores revenge on them as they were about to be devoured by the rabbid stuffed animals they had brought to life earlier.

TV-series

He and Morbidia appeared in "The Mystery of Loch Mess" where they are jealous of the Warriors getting a job from Princess Zange. The two planned to follow the Warriors and take over their job so they can gain the glory. They were trapped and captured by Queen Porcina and, as well as the Warriors, almost fed to the Loch Ness Monster. After the Warriors set the delivery folk free, Witch Way gave the folk a boat to escape, and took all the credit for the successful rescue.

In "Cleanliness Is Next to Grupliness", Morbidia and Gateaux get jealous again over the Warriors for Hire once again and the two had a fit which involved Morbidia pulling Gateaux's tongue before they are affected by Grup's stink. Morbidia compares the smell to Gateaux's hairball that he coughed up at one point in which Gateaux takes offense of it as a cat stereotype. They are later shown revealing that they ratted the Warriors out to Princess Zange threatening Grup's residence in the headquarters. At the end of the episode, as punishment, the Warriors send Grup's old molted skin to their headquarters.

He appeared without Morbidia for the first time in the episode "Biggest Fan", where Glori interrupted his lunch. He brings Glori to the Warriors and grumbles on how he doesn't deserve being treated like that.

In "Little Sword of Horrors", Gateaux and Morbidia are seen outside their house when Prohyas walks by with Carnivorus Plant Magisword. After it eats a spider (Morbidia's roommate, Natasha), they try to attack it with their dark magic, but it spits the attack back at them, swapping their species, turning Gateaux into a human and Morbidia into a cat.

When I was done everyone that hadn't heard about it was shocked.

Nico: Where are they?!

Leader Girl: Slugburger.

Nico: Lets go. You girls come with us. We'll have you guys put in the M.O.E. Later on.

Me: Nice.

Nico: Even though we're here to solve the mystery of the Arabian Bellydancer Bandits, I've also got bad news: Witch Way is back from the dead!

We gasped!

Lola: What?! Those rotten low life cheaters are back?!

Eli: Didn't we get rid of them when we went after Necrafa?

Lincoln: We did, but we Super Hakaied them. However, I have a better punishment for them, we'll defeat them again and condemn them to eternal servitude in The Masters of Evil, and if they so much as put one toe out of line with Vypra, they'll be sent to The Black Gates.

Me: Nice. But, the question is, who's going to face them?

Sunny Starscout: I will.

Lincoln: And I'm also helping out as well, those low life cheaters deserve to pay with every single inch of their miserable lives, and they're lucky we're going to condemn them to eternal servitude in The Masters of Evil, because if we weren't, I'd tear out their throats and drain them of every last drop of blood and their powers from their miserable bodies! (Deep Sapphire Eyes turn blood red and vampire fangs grew longer)

Everyone: Uh oh.

Anna Anyanova: Yikes!

Vampirella: (Smirks) I always love it when the beast inside our man comes out.

Eman Reynolds: Witch Way is so doomed either way.

We were off.

Camie: So they are masters of Dark Magic?

Me: Yep and they think they are so much better than the warriors. They call their magic a form of Prestidigitation.

Qin: Dark Magic is not normal magic.

Brittney: Take it from me.

Xenia: Yeah.

Me: But they are not the only masters of dark magic now.

We arrived and we saw them.

Nico: There they are!

We went at them.

Morbidia: You will never be serving burgers again here!

Gateaux: Never!

Then an energy blast flew at them and it hit the ground and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent them crashing into a garbage can.

Me: Not this time Morbidia and Gateaux!

Lana: Long time no see jerks.

Morbidia: Lana!? What happened to you? You got taller and different.

Lana: I've had a growth spurt. Puberty hit me early.

Me: Many of us went through the changes.

Vambre: This will be the last time you upstage us!

Prohyas: Yeah you meanies!

Morbidia: We'll see about that you weenies!

Gateaux: Weenies!

Morbidia: You ruined everything for us, Team Loud Phoenix Storm! We could've finally been rid of Warriors for Hire for good if you hadn't stuck your noses in! Now, we will make you all suffer for getting in our way!

Gateaux: SUFFER!

Sunny Starscout: The only ones who deserve to suffer are the both of you!

Suddenly, something within Sunny Starscout's mind really snapped as memories of Witch Way's crimes and cheating ways rushed through her head and her emerald green eyes turned neon emerald green and she was surrounded by a magenta, purple, and rainbow energy aura with Equestrian Magic, Alicorns, stars, and Earth, she unholstered her massive Knights of The Friendship Table from her back, and as she approached Morbidia and Gateaux, she left magenta, purple, and rainbow energy, Equestrian Magic, Alicorns, stars, and Earth with every step.

Sunny Starscout: You and Gateaux absolutely make me sick, Morbidia, you two monsters always attempt to steal the duo's current job or humiliate them to boost sales for Witch Way, which hasn't even achieved any success, and on top of that, you've always been a jealous and disdainful demon who always enjoyed causing misery towards Vambre and Prohyas. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, you two just don't even know when to quit, you came back years ago thanks to Necrafa and attempted to get revenge yet again, only to fail and die yet again, and now, you decide to come back… , THAT'S IT, I'VE HAD IT UP

TO HEAR WITH YOU FOR THE FINAL TIME, WITCH WAY, AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP, I REFUSE TO LET YOU BOTH LIVE EVEN A SINGLE SECOND FURTHER, YOU WILL PAY FOR EVERY LAST ONE OF YOUR VILE CRIMES WITH YOUR LIVES!

We gasped at the sheer extent of Sunny Starscout's fury.

Nico: Ooh, boy.

Lincoln: Sunny's fury has now been unleashed, and Witch Way is going to pay for their crimes and give them a taste of their own medicine. STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground as Sunny Starscout screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and rainbow fire and she was surrounded by a massive vortex of magenta, purple, and rainbow energy with Equestrian Magic, stars, and Earth surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an apricot phoenix. Then, as the vortex faded, Sunny Starscout emerged, but she was changed forever.

We were amazed by Sunny Starscout's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Witch Way saw it, the low life cheaters fell into a black rage.

Morbidia: YOU WILL SUFFER AND DIE!

Gateaux: SUFFER!

Morbidia and Gateaux fired blasts of dark magic at her to kill her, but Sunny Starscout fired two very powerful blasts of magenta, purple, and rainbow energy with Equestrian Magic, Alicorns, stars, and Earth at the two cheaters and it hit them and sent them flying into a tree, they got up, but now they were really pissed off now.

Hitch Trailblazer: Whoa, Sunny Starscout's transformed, and she blasted those two low life witches and sent them flying into a tree.

Nico: Too bad no apples didn't fall on their heads.

Lincoln snapped his fingers and coconuts fell on their heads, and we laughed.

Lincoln: Now, that's much better, and Sunny, you look beautiful, how do you feel?

Sunny Starscout: (Divine Echoing Cosmic Voice of The Unity Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Unity Alicorn Love) **I feel incredible, Linky. Now, shall we take down the two low life cheaters in a battle of magic?**

Lincoln: (Smiles) With pleasure, Sunny.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sunny Starscout.

**send you both on a one-way trip to Kalamazoo, Witch Way!**

Nico: Your ugly asses are about to get the butt-kicking of a lifetime!

Me: Top this one!

I used the power of the Forbidden Arts and fired a purple magic blast and it hit Morbidia.

Me: Who's laughing now Horse Butt!

It morphed her into a horse butt and Morbidia's arms were on both buttcheeks! She farted.

WE LAUGHED HYSTERICALLY!

Gateaux: What the!? How did you do that!?

Me: Picked up tons of new moves and powers over the years. Also we all can use dark magic now.

Morbidia snapped her fingers and reverted back and she and Gateaux's jaws dropped.

CLANG!

They picked their mouths up.

Morbidia: You can use dark magic now!

Qin: We sure can! And we mastered the powers of the Forbidden Arts.

Morbidia's jaw dropped again.

CLANG!

Me: You're gonna catch flies if you keep doing that.

She put her jaw back up.

Morbidia: The Forbidden Arts!? That's impossible!

Gateaux: They are the most powerful form of dark magic ever!

Nico: You have my friend Allison Nouveaux to thank for that.

Me: Yep.

Nico: Eli, check to see if Swartz's creations are close.

Eli: Right.

He did so.

Eli: 2 of them moving in. 45 klicks to the northeast.

Me: We'll have some fun before they get here.

Nico: How about I punch your jaw shut?!

Nico punched the ground and smashed them down.

They got up.

Morbidia: Let the Dispatchening begin!

Me: That's not even a real word!

They fired dark magic and I fired red magic and the blasts collided and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion sent fiery embers all over the place.

Morbidia: Wow! The Forbidden Arts are everything we heard about. They are that strong.

Nico: Yes they sure are.

Morbidia: Now watch this.

Gateaux: We'll drain the life from this leafy flora…

Morbidia: To arise an army of cuddly horror!

They drained some broccoli and made an army of horrible stuffed animals.

Me: Oh yeah?

I fired a wave of purple magic and changed the stuffed animals into chests filled with gold and jewels.

Nico: Nice one!

Me: Yep. Watch this.

I fired blue magic and formed a bunch of grenades and we threw them and they hit Morbidia and Gateaux and exploded!

MASSIVE FIERY EXPLOSIONS!

Nico: WHOA! Cool!

Me: Yep.

Maria: How'd you like that?!

Morbidia and Gateaux coughed.

Morbidia: You are amazing masters of magic. But so are we!

Me: There's more to magic than just that. But watch this.

I fired a blast of lightning and electrocuted them all over.

Me: Watch this one.

CANNED TUNA FISH MAGISWORD!

It looked like a canned tuna fish.

I fired waves of fish and they went into Gateaux's mouth and made him a FAT CAT!

We laughed!

Me: YEAH!

Nico: That was funny.

Me: Yep. But he is a cat. What did you expect?

Morbidia: Hey Vambre! How does it feel not wearing any pants and I hate that accent of yours!

VAMBRE GASPED! UH OH!

OH SHE DID NOT JUST GO THERE!

Vambre: OH NO YOU DID NOT MISSY!

Morbidia: And you are a worthless warrior with no pants!

WHOA THAT IS CRUEL!

VAMBRE THEN EXPLODED IN A MASSIVE FIERY EXPLOSION OF RAGE! SHE THEN JUMPED MORBIDIA AND THE TWO ENGAGED IN A BRUTAL AND HORRIBLE FIGHT CLOUD!

POW BLAM SMASH WHAM!

May: Ouch!

Nico: THAT IS HARSH AND CRUEL!

Qin: NO KIDDING!

Me: Okay I'm breaking this up!

Eli: Allow me.

Eli went over and used the Force on them to pull them apart.

Eli: Excuse me you two but I must discipline the Nannygoats!

BLANG!

He smashed their heads together!

Vambre and Morbidia: OUCH!

Me: Welcome to my world!

I teleported a pillow.

Me: Let it all out Vambre.

She put her face in it and screamed!

Vambre: AAAAAAACCCH!

Me: Feel better?

Vambre: Much better.

Me: Now where were we? Oh right.

I fired a wave of fire and blasted Morbidia all over.

Blob Homer stomped over to them.

(BABY LIKES FAT BY SIR MIX-A-LOT PLAYS)

I like big guts and I cannot lie!

Double chins with the chafin' thighs!

When a dude walks in with the hanging jowls,

My stomach starts to growl - I'm getting hungry!

So I masticate, chompin' on the overweight,

I eat fat people for days, like potato chips by Lay's,

Try to eat just one but it can't be done, I gotta eat a ton!

Baby likes fat!

Baby likes fat!

Blob Homer smashed Morbidia and Gateaux all over with his massive girth.

Blob Homer: (LAUGHS) That was fun!

Me: How about this too?

I used the Change Spell and turned Morbidia and Gateaux into bowling pins.

Me: Nico, Carmen, care to bowl a strike?

Nico: You bet!

Carmen Dillo: Lets roll!

He turned into a ball and Nico lifted him up. Nico rolled Carmen Dillo and then…

MEGA BOWLING CRASH!

He smashed down all the pins and Morbidia and Gateaux were brutally mangled!

Nico: STEEEERIKE!

Carmen Dillo: Nice one Nico!

Lana: That was cool!

Camie: YEAH!

Maria: Had enough?

Morbidia and Gateaux got up and they were wobbling and mangled up all over.

Morbidia: (Dazed and stupid) Mommy I don't want to go to school.

Gateaux: (Dazed and stupid) School.

Me: I think that means they officially had enough.

Xenia: Yep.

Nico: Besides I think they were fought long enough. Lets have them be in our frenemies.

Qin: Good idea.

Me: After Lincoln and Sunny finish up too.

Sunny Starscout and Lincoln went after Witch Way, who continued firing blasts of dark magic at them, but they deflected them all, and they fired extremely powerful blasts of rainbow energy, magenta, pink, and rainbow energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Witch Way and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Lincoln fired an orange energy blast which hits Morbidia and Gateaux and he sucked out and absorbed their magic and strength, and he left them incredibly weakened.

Nico: Nice, now all that's left.

Twilight Sparkle: Is the final blow.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sunny Starscout, her hand-cannon Blaster is known as Sunny Starscout's Friendship Unity Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's magenta and pink with rainbow flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by Earth etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sunny Starscout aimed their hand-cannon blasters at Witch Way.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You made a big mistake coming back again for revenge, Witch Way, now your days of causing trouble are through.**

Then, Sunny Starscout and Lincoln fired blasts of rainbow energy, magenta, pink, and rainbow energy, and elemental forces at Witch Way, and they exploded with incredible power as they hit the lowlife cheaters. Then, as they holstered their hand-cannon Blasters, Lincoln fired rainbow energy chains which tied Witch Way up, and Vypra appeared.

Vypra: Nice work catching these two, Sunny and Lincoln. These two are looking at eternal servitude to us.

Vypra teleported back with the weakened and captured Witch Way, and we cheered wildly as Sunny Starscout and Lincoln holstered their massive greatswords on their backs and powered down, and Sunny Starscout's new body, clothes, weapons, jewelry, Third Eye, longer magenta and pink tail with rainbow streaks, and massive apricot angel wings and longer horn are permanent.

Sunny Starscout: I hope they enjoy a lifetime of suffering for all the stuff they've caused. Thanks for helping me take down Witch Way for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Sunny.

Suddenly, Sunny Starscout wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sunny Starscout's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Sunny Starscout came back to us as the display vanished.

Izzy Moonbow: Now, that was so beautiful!

Me: That really was an awesome display we saw!

Twilight Sparkle: You said it, and we're also glad Sunny's part of Lincoln's harem.

Lincoln: And I swore I would take good care of her, along with Izzy, Pipp, Zipp, and Misty.

Nico: And you've also been getting the attraction of Twilight's other friends, Casanova.

Applejack: (Snickers) He's right though, Lincoln. You've really been getting the attention and the attraction of all of our other friends, and many of them are joining your harem faster than a jet-powered jackrabbit.

Luan: Well, can any girl help it? Lincoln's had that charm and his personality that literally draws girls in like a magnet.

Luna: She's right though, dude.

Me: Awesome timing guys. And here, have these girls go with too.

Vypra: Okay. Thanks.

They grabbed the Bellydancer Bandits and Witch Way and took them back to their HQ.

Me: That was funny.

Eli: Yep.

Then I saw a blue glow and I saw the Wonder Ride Book called Heaven Pegasus was glowiing.

Me: The Heaven Pegasus Wonder Ride Book is reacting to something.

Qin: That means the Another Wonder Ride Embodiment is near.

Nico: Who's up next?

Rainbow Dash: I'll go next and it will be awesome!

Me: Go for it R.D.

Qin: Yeah!

Then a horse winny was heard and then a blue pegasus came!

Qin: WHOA!

Me: Wow!

Xenia: What a beautiful Pegasus!

Rainbow Dash: Wow! That is a beautiful Pegasus.

Lola: It sure is.

Nico: Who are you?

Another Heaven Pegasus: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair and had blue sailor soldier clothes.

Me: (GASP) Xiyida Xiyula A.K.A. Sailor Xiyula!

Sailor Xiyula: That's right. Good to see you again J.D.

Me: Same here.

Nicole: Planet Xiyula in the galaxy Centaurus A? Whoa!

Sailor Xiyula: That's right. That was an awesome battle you guys had.

Lola: It sure was.

Nico: So, what's Xiyula like?

Nicole: It's a gas giant planet and it's home to some of the most incredible sky cities ever. The people of Xiyula are angels and amazing fliers and they are incredible and have lightning powers and more.

Nico: That is amazing.

Sailor Xiyula: Yeah it sure is an awesome planet.

Nico: Wow.

Me: Yep. Sorry we have to fight.

Sailor Xiyula: No worries.

Me: By the way any opponents with you?

Sailor Xiyula: Just one and it's for him.

She pointed to Carmen Dillo.

Carmen Dillo: Another version of me!? Whoa!

Sailor Xiyula: Yeah. But be ready for anything from that one.

Me: Uh oh. Friendly or hostile?

Sailor Xiyula: Hostile. I'm afraid this one hates Maria with a vengeance.

Nico: Uh oh.

Maria: Oh, fuck me.

Me: Not good.

Qin: Yeah.

Rainbow Dash: Let me face you first.

Sailor Xiyula: Okay.

She turned into Another Heaven Pegasus and flew into the air and Rainbow Dash followed and she flew fast and smashed her down and I caught the Wonder Ride Book. It was called Hellfire Pegasus. Then it turned into a new book called HOLY SKY PEGASUS!

Me: Whoa! Holy Sky Pegasus! Awesome!

I went over to Sailor Xiyula and picked her up.

Nico: Nice job Rainbow Dash!

Rainbow Dash: That was awesome!

Me: It sure was.

I brought her over.

Me: Now for Another Carmen Dillo.

Maria: Okay. You want me? Here I fucking am!

Then a figure rolled in and it was a dark version of Carmen Dillo! It was ANOTHER CARMEN DILLO!

Carmen Dillo: Whoa! I look good in all black.

Nico: You sure do.

Maria: Okay here I am!

Another Carmen Dillo: (In a girls voice) You will pay for ruining my life!

Maria: (GASP) Helga Livingston! I never expected a heartless bully jerk like you to be Another M.O.E. Villain!

Another Carmen Dillo: That's Right! And I want to destroy you!

Me: Uh oh!

Nico: I don't think I'm gonna like this one!

Me: Maria can you tell us why this one hates you?

Maria: I sure can. Her name is Helga Livingston and she was the meanest queen bee bitch in our entire school! But she was also the biggest and most worthless fraud ever. She had many kids sing for her and it was not her voice. I exposed her and got her expelled and the school hates her guts for everything. Also she was the meanest ever bully in Dakota High School. She used to torment all the kids and make us all look like a bunch of idiots!

Nico: Oh man!

Xenia: Yeah!

Another Carmen Dillo: You ruined my life Maria and I will never forgive you for everything you did to me! Because of you I was sent to a boarding school in Siberia and forced into horrible abuse!

Kaito: (gets out Fiveman gear) Normally, we'd ask what Swartz promised you?

Zocks: (gets out Turboranger gear) But I think we know what that promise is.

Me: Yep. Revenge on Maria.

Maria: Yeah.

Kaito got a Fiveman Sword and Zocks got a Turbo Sword.

Another Carmen Dillo: YOU WILL PAY FOR EVERYTHING!

Maria: We'll see about that!

Qin: Yeah!

Me: Try this on! (ACTIVATES CURSED GARLIC MAGISWORD RIDEWATCH) Plug your noses guys.

I fired garlic bombs from my armpits and it hit Another Carmen Dillo and the GARLIC STINK SMELL HORRIBLE!

Nico: WHEW! Man that was bad!

Sougo: (gets out Fiveman Ridewatch) I hope no hostile ones show up tomorrow.

Geiz: (Gets out Turboranger Ridewatch) Why do I get the feeling we're going to meet the people this Ridewatch is based off today?

Sougo got FiveRedArmor while Geiz got RedTurboArmor.

Nico: You'll see soon.

Qin: Yep.

Me: Man that ridewatch I used smell horrible. Sorry about that.

Nico: No worries.

Qin: Yah.

Sougo fired waves of energy and smashed her down.

Me: Garlic not your thing Helga?

May: (gets out Blob Homer's Ridewatch) Cue the music!

MAY TURNED INTO BLOB MAY!

(BABY LIKES FAT BY SIR MIX-A-LOT PLAYS)

I like big guts and I cannot lie!

Double chins with the chafin' thighs!

When a dude walks in with the hanging jowls,

My stomach starts to growl - I'm getting hungry!

So I masticate, chompin' on the overweight, I eat fat people for days, like potato chips by Lay's,

Try to eat just one but it can't be done, I gotta eat a ton!

Baby likes fat!

Baby likes fat!

She smashed Another Carmen Dillo all over with her huge girth!

Nico: YEAH!

May: I need to go on a diet after that. (LOUD BELCH!)

She was back to normal size.

May: Pardon me. Now for this (ACTIVATES UNIVERSE 666 TYRIAN CALLOWS'S RIDEWATCH) You know Tyrion in our universe you were a really nasty one.

Me: You were probably the most fucked up monster ever on Remnant in the Prime Universe.

Universe 666 Tyrian Callows: Boy that was awful that I did all that in this universe.

She fired waves of energy and smashed her down.

Maria: (gets out Brain Eating Meteor's Ridewatch) This may or may not involve a song.

Brain Eating Meteor: And leave that to me.

(BRAINS BY THE BRAIN EATING METEOR PLAYS)

Brain Eating Meteor: (SINGING)

Well hello there little boy

Now don't be shy.

Step right up, I'm a reasonable guy.

Don't be frightened by the look in my eye.

I'm just your average evil meteor from outta the sky.

Billy: What are you trying to do suck my brains out?

Well I'm just shy and scared in this place

I'm just a fish out of water from outer space

You can see that the trip has left me tired and drained

So why don't ya be a pal…

And bring me some brains?

Billy: Okay!

Don't worry new buddy! I will get ya all sorts of brains!

(Instrumental)

Okay! Where do I find these so called "brains"?

Go down to ya neighbor's place

Ya see that dull expression on his face?

You'd be doin' him a favor if ya brought him to me

He ain't usin' his brain he's just watchin' TV!

Go down to Mr. McGee's

He hasn't had a thought since '43!

His brain is a portrait of atrophy

He ain't using it so why not give it to me?

Brains, brains, I won't lie

I'll eat their brains 'til their zombiefied!

Sure they might think it's deranged

But they wont give it a thought

After I've eaten their brains!

Brains, brains, it's OK!

It's not a matter if it isn't grey!

And if at first they think it's strange

They won't think twice if they don't have a brain!

(instrumental)

Go down to the won-ton shop

My fortune cookie says that I just can't stop

I'll suck their noodle right out of their heads

And half an hour later I'm hungry again!

(instrumental)

Creep into the doughnut shop

Sneak in tip-toe past the cop

Pick me up a cruller and a cup full of tea

And any other sweetbreads ya happen to see

Brains, brains I won't lie!

I'll eat their brains till the are zombified!

Sure they might think it's deranged

But they won't give it a thought

After I've eaten their brains!

Brains, brains it's OK!

It's not a matter if it isn't grey!

And if at first they think it's strange

They won't think twice

If they don't have a brain!

(instrumental)

Brains, brains I love 'em, I need 'em!

My tummy jumps for joy when I eat 'em!

Big ones, fat ones, short ones, tall ones

They're so delectable

Especially the small ones!

There's no time to cook 'em in a skillet

My belly's rumbling

I got a need to fill it

I don't fry 'em

The heat will only shrink 'em

I just grab myself a straw and drink 'em

---

(instrumental)

You've been swell to go around

And bring me every single brain in town!

But with all these brains, I can't help but think

That there isn't one left out there to drink!

Now fess up boy

Come on, heck!

Is there someone that you're trying to protect?

Bring her down here to meet her end

And I promise, I'll be ya bestest friend!

Brains, brains I wont lie!

I'll eat her brains till she's zombiefied!

Sure she might think it's deranged

But she won't give it a thought

After I've eaten her brain!

Brains, brains it's OK!

It's not a matter if it isn't grey!

And if at first she thinks it's strange

She won't think twice

If she don't have a brain!

BRAINS!

Bring me her BRAIN!

Bring me her BRAIN!

BRING ME HER BRAIN!

Mwahahahahahhahahahahhhahahaha!

Billy danced like the great Michael Jackson and also Maria fired waves of energy and smashed down Another Carmen Dillo!

Me: Hey that was really catchy!

Qin: Yeah and Billy sure knows how to dance.

Lola: Yeah he sure does.

Nico: Yeah.

Maria: Now this one. (ACTIVATES GANDA'S RIDEWATCH)

She fired waves of energy and smashed her down!

Maria: Take that!

Nico: YEAH!

Sailor Juno: Nice! Now for me! (ACTIVATES BLOB'S RIDEWATCH)

She jumped and went Sumo Size and smashed Another Carmen Dillo with her huge girth and smashed her down!

Qin: OH YEAH!

Professor XXXL and his team came and it had Bird Brain, Runt, Evilon, Dr. Animo and Kittyra!

Nico: Nice team, Professor XXXL!

Professor XXXL: Thanks Nico.

Me: Wow! That Kittyra looks like King Ghidorah!

Eli: But it has bird feet and cat heads. Same body like Ghidorah but with different feet and heads.

Qin: Yeah!

Me: But awesome!

Maria: Yeah that's cool.

Maria: I'm just glad you weren't caught up in the Big Bang!

Another Carmen Dillo: That is one thing we can agree on!

Me: I agree!

Then an Omanyte appeared and landed in Nico's arms.

Me: Wow an Omanyte!

Nico: Hey. Wait I know this Omanyte.

Omanyte: Its been a while Nico.

Nico: Whoa! Aylina Corrington's Omanyte. Then that means she's not far behind.

Omanyte: Yeah and…

Out came an Omastar!

Me: Whoa! An Omastar!

May: Cool!

Omastar: (In a girls voice) Sorry I'm late. I was stopping a bunch of thugs from stealing a new shipment of magiswords.

Nico: Aylina Corrington! Wow!

Omastar: Yep. Awesome to see you again Nico and you too Qin.

Qin: Same here.

Omastar: I got this.

She fired an Aurora Beam Blast and it hit Another Carmen Dillo and reverted her back and I caught the ridewatch and purified it. Helga was a girl with blond hair and blue eyes and had purple clothes on her that were torn up.

Me: Whoa Russia really did a number on her.

Maria then tied her up.

Maria: I learned from my mistakes. You haven't!

Helga Livingston: (GROWLS)

Maria: I know this line is overused but tell it to the judge!

Maria snapped her fingers and beamed her to the Titania Prison for Queen Bees.

Nico: Nice one Maria!

Omastar: That was awesome!

Me: Boy no kidding.

Maria: At least that's one bully out of my hair.

Me: Well Maria we got to expect some hostile members every now and then. Can't expect ALL of them to be friendly.

Maria: You're right on that.

May: Yeah.

Omastar: That's true.

Sailor Juno: What's your favorite memory of Nico?

Omastar: My favorite was when me and Nico found an awesome new dinosaur in Colorado. We found a Natovenator fossil.

Nicole: Whoa! That's a brand new kind of dinosaur that was just recently discovered in Mongolia. It lived over 72 million years ago.

Omastar: Yeah we had no idea what it was and we didn't give it a name till I found out about it on the internet after I got slammed.

Qin: But that was cool!

Me: It sure is. Usually those kinds of dinosaurs were never around in my old neck of the woods.

Aylene C.: Yeah and I never saw one like that before. How big were they?

Nicole: About 2 and a half feet tall.

Aylene C.: Wow!

Qin: Yep.

Me: Lets get you back to normal.

Omastar: Okay but I'm naked.

Nico pulled out an aqua blue jumpsuit.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers.

Aylina got taller and she got her human body back and was a girl with aqua blue green hair and blue eyes and she got the jumpsuit on and Nico helped her up.

Aylina: Whoa what a rush.

Nico: But you're back to normal.

Omanyte: Yay! I missed your human form Aylina.

Aylina: Me too Omanyte.

Nico and Aylina hugged.

Nico: I really missed you.

Aylina: Me too Nico. Me too.

Me: Well that's Nico's rescue done. We beat Witch Way and stopped the Bellydancer Bandits and rescued Sailor Xiyula and sent Helga Livingston to reform school. And also we reunited

Nico with Aylita and Omanyte. How was that for a rescue. This is J.D. Knudson reporting from Lyvsheria for Nico's rescue. Back to you.

In the studio.

Nico: Thank you J.D. man that was an awesome rescue. And now that my rescue is done you will soon see Lincoln's rescue. But first lets have a word from our sponsor.

The news came back on.

Nico: Welcome back everyone. Hope you all liked my rescue and enjoyed an awesome and great battle. Now it's time for Lincoln's Rescue and his Guardian Angel's revelations. We now go to Ken Knudson following the story.

Ken: Thanks Nico. This is gonna be a really fun story and a great rescue for all of us.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken

Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Zak Saturday, Eiliea the Winged Mermaid, Drew Saturday, Doc Saturday, Fisk, and Zon are heading to Innistrad in the world of Magic the Gathering, and not only is Lincoln going to rescue the eight girls here, but we're also going to destroy Henrika Domnathi, a vampire and minor antagonist of the Innistrad: Crimson Vow storyline of Magic: the Gathering, who's the progenitor of the Domnathi bloodline of vampires, a bloodline that is considered dangerous even among the other families, she's also known for consorting with demons and rumored to have been the one-time lover of Griselbrand.

Lincoln: Whoa, we're here in Innistrad in the world of Magic the Gathering, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're also going to destroy Henrika Domnathi.

Luna: Uh oh, I know her all too well, she's the progenitor of the Domnathi bloodline of vampires, a bloodline that's considered dangerous even among the other families, she's also known for consorting with demons and rumored to have been the one-time lover of Griselbrand.

Nico: So, we got a dangerous vampire who's the progenitor of one of the most dangerous bloodlines even among the other vampire families, who's also a demon consorter and rumored one-time lover of Griselbrand running loose. She's going to be Lincoln's snack when we catch her.

Me: Yeah.

Lincoln: She's not to be underestimated though, she's a dangerous opponent, but you're right, we're not going to let her live any longer. And I want to thank you and your team for joining us, Zak.

Zak: You're welcome, Lincoln. Plus, today's Halinor's big mission.

Me: Yeah, I can't wait to get rid of Akhil once and for all. But, of course, Antonio Maldonado's bound to send Luis Estrada to try and kill us after we get rid of Akhil.

Hayley Lair: Which is why not only is Halinor going to fight him, but of course, Luciana Grimo and Lincoln are going to also help her.

Phoebe Vandom: That's right, we're not letting that religious fanatic get away with this, even on the big missions for our ambassadors.

Lincoln: Don't worry, by February 7th, we'll be rid of the Order once we destroy Antonio Maldonado for good.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of eight girls calling for help and the sound of malevolent laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the eight girls, but they've been cornered by Henrika Domnathi, and she's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the eight girls, but they've been cornered by Henrika Domnathi, and she's going to kill them.

?: (Girl's voice) That bloodthirsty evil vampire, let's get her and drive a stake through her heart.

Suddenly, we saw Evil HERO Malicious Bane appear before us.

Nico: Wicked, that's Evil HERO Malicious Bane.

Lincoln: (Gasps) That voice, Micaela Davis, I knew it was you, but we'll talk later, time to go and kill another head vampire.

We rushed on over and before Henrika Domnathi could kill the girls and drink their blood, Lincoln fired powerful rainbow energy balls and elemental blasts at Henrika Domnathi and that caused the eight girls to get away and take shelter in a rainbow energy field Lincoln created to protect them from Henrika Domnathi, and when she saw us, she was furious.

Henrika Domnathi: You would dare to interrupt my dinner?!

Lincoln: You've claimed your last victim, Henrika Domnathi, and now, I'm going to enjoy draining you dry of every last drop of blood.

Then, Lincoln ran at Henrika Domnathi and he put her in a brutal bear hug so she couldn't escape, and as he sank his fangs into her, he began sucking out every last drop of blood from her body and absorbing her into his body through his skin and assimilating all her powers and abilities. Then, as soon as Lincoln was done draining her dry of every last drop of blood and absorbing her, an energy card with her soul imprisoned inside appeared in Lincoln's large left hand, and she was sent to The Black Gates when the Judgement Kanji appeared. We cheered as we holstered our weapons and we powered down.

Lincoln: That was good, I haven't fed on and absorbed any evil vampires in a long while. (To Micaela Davis) And it's so good to see you again, Micaela Davis.

Micaela Davis reverted back to normal, and she's a beautiful girl with short midnight black hair tied in a ponytail, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the power of Evil HERO Malicious Bane, she has on a sleeveless midnight black shirt, midnight black skirt, midnight black knee-high high heeled boots, and long white sleeveless trenchcoat with darkness and demons on the coattails and on the back is Evil HERO Malicious Bane and holstered on her back is a massive Evil HERO Malicious Bane-themed greatsword with embedded red gems and Evil HERO Malicious Bane etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Micaela Davis: You too, Lincoln, it's been a long time, and it's so good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, and Lorelai Delancey, same with you, Gina Han.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, and Gina Han: You too, Micaela.

Lincoln went up to Micaela Davis and he hugged her, and Micaela

Davis is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Micaela Davis: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Micaela Davis, she's my Guardian Angel from Michigan and classmate in Gym. Micaela Davis is known as the brawn of the Evil HERO Gene-Slammers. She's really strong and her immense strength has more than impressed Lynn, and she's also used her immense strength to put Chandler, his goons, Pablo, Anderson, Hawk, and Hank in their place, and Gina Han really trained her a lot in weightlifting, and Micaela used what she learned from her weightlifting lessons with Gina and really trained me a lot in weightlifting by using the methods that she taught her and it really helped me greatly.

Micaela Davis: That's right, I've seen him lifting a 250,000-lb barbell with one hand, and my lessons have really helped him to bulk up even more in muscle mass, along with the training we've put him through.

Lincoln: That's right. Plus, Micaela's also also friends with Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, and Lorelai Delancey and when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city, she means serious business especially when it comes to defending me, and make no mistake, she and the other Evil HERO Gene-Slammers fight with the fury of the demons and devils of Hell, and any who dare to mess with me, she and the other Evil HERO Gene-Slammers will deliver unto them a very nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring their wrath.

Nico: (Gulps) Just like what we were told.

Gretchen Holland: That's right, we fight with the fury of the demons and devils of Hell, and those who dare to mess with Lincoln deserve a nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring our wrath.

Me: Remind me never to cross any of you. And among your enemies, which one did Micaela really hate with a blazing passion, Lincoln?

Nico: That's right, and many of your enemies had crossed really nasty lines, but only a certain one would've crossed that line and it would earn them their entire wrath in full.

Lincoln: That's right, and the very persons who earned Micaela's hatred, that would be Chandler, his goons, Pablo, and Anderson, and she really broke their arms and legs, gave them black eyes, broke their teeth, and even kicked them hard in their crotches before they could try and kill me.

Me: Yikes, and with her strength, I'm surprised she hadn't killed them.

Micaela Davis: But, I'm glad I saved Lincoln and kicked their asses hard that day. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Micaela, are you absolutely sure about this?

Micaela Davis: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Micaela Davis, and he saw that she's really serious, and he smiled as he walks over to Micaela Davis, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Micaela Davis' neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Micaela Davis' neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Micaela Davis: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Micaela.

Micaela Davis had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw them, he recognized them immediately. The eight girls are Kamoi Tsubame and Ukai Midori from Uchi no Maid ga Uzasugiru! and Ringo Noyamano, Mikan Noyamano, Rika Noyamano, Emiri Adachi, Simca, and Mari Tomita from Air Gear.

Lincoln: Oh wow, it's Kamoi Tsubame and Ukai Midori from Uchi no Maid ga Uzasugiru! and Ringo Noyamano, Mikan Noyamano, Rika Noyamano, Emiri Adachi, Simca, and Mari Tomita from Air Gear.

Nicole: Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kamoi Tsubame: Yes, we're okay, thanks to you.

Then, when Kamoi Tsubame and the other seven girls saw who it was that saved them from Henrika Domnathi, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of

Kamoi Tsubame: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kamoi Tsubame: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kamoi Tsubame, Ukai Midori, Ringo Noyamano, Mikan Noyamano, Rika Noyamano, Emiri Adachi, Simca, and Mari Tomita with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Henrika Domnathi from Magic the Gathering.

But, when Lincoln showed what happened such as all of us laying a beatdown on that vampire and Lincoln finishing her off by putting her in a brutal bear hug and he sucked out all her blood and he absorbed her into his body and sent her to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Micaela Davis have a lot of catching up to do, now that she's back in town.

Maria: You know, it's been a while since you fed on and absorbed any evil vampires, evil werewolves, and/or powerful human villains, Lincoln.

Lincoln: Yeah, it sure has, but I still know what to do in these types of situations with them.

Me: That's right.

---

After putting an end to Henrika Domnathi for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Micaela Davis saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Micaela Davis: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Micaela, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Micaela Davis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Micaela Davis: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Micaela, we know of how you pulverized Chandler, his goons, Pablo, and Anderson into the dirt, but what other memories did you have with Lincoln?

Micaela Davis: Oh, I definitely have one none of us would ever forget. One day, we'd gotten word of a strength competition in Royal Woods, and Lincoln wanted to sign up. We knew this would be quite a perfect opportunity to show Lincoln how much stronger he'd gotten thanks to us, and he signed up for it. But, we had to guess it that Lynn would also sign up, but we knew it was the perfect chance for Lincoln to not only show how much stronger he'd gotten, but put that competition-crazed animal in her place. On the day of the competition, all of Lincoln's Guardian Angels were there cheering for him, along with Luna, Leni, Laney, Lucy, Lana, Luan, Lisa, Lily, and Mr. and Mrs. Loud, but there for Lynn were Lori and Lola, the two most despicable bitches. The first round of the competition was a weightlifting competition: we first saw Lynn lift a 350-lb barbell, but she couldn't hold it for much longer and she gave out. Then, on Lincoln's turn, he literally lifted up a 500,000-lb barbell with both hands and he didn't break a sweat, and that caused everyone to roar and cheer wildly, including us, and it royally pissed Lori, Lynn, and Lola off. The second round of the competition was endurance: Lincoln and Lynn had to drag a monster truck with a harness strapped onto them, but during the round, Lynn couldn't do it anymore and she passed out, but Lincoln continued onwards and when he crossed the finish line, he won and that earned him even more thunderous cheers from the audience and us, and that was also royally pissing off Lori, Lynn, and Lola even more. As we moved on with the other events, Lincoln won them while Lynn tagged out of the others, and it was earning him so much thunderous cheers from the audience and us, while Lori, Lynn, and Lola were getting royally pissed off even more and Lynn being the sore loser she is wanted him dead, and so did Lori and Lola, but I wasn't going to let those rats get away with it, but there was one more event: The Grip Test. Lynn gripped the lever of a grip strength machine, but in the end, her grip strength gave out, and it gave her a result of Gorilla. Finally, it was Lincoln's turn and as he gripped the lever, it rose up and it went past Champion and the machine was starting to steam up, and he let go, and it ended with a really loud thunderous cheer from the audience, and Lincoln won the competition and he was awarded with a solid gold trophy. Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud went up to Lincoln and they hugged him and he hugged them back and kissed them on the lips, and we went up to Lincoln and we each hugged him, and he went up to me and hugged me and he kissed me on the lips, but I didn't mind, because I kissed him back as I hugged him, and everyone cheered wildly.

Me: I remembered that day all too well, and it was so awesome Lincoln won the competition.

Nico: Awesome. But, I can guess Lori, Lynn, and Lola were now mega royally pissed off, right?

Lincoln: They sure were, and they got so angry, they attacked the judges, and right before Lori, Lynn, and Lola could come after me to kill me, Micaela rushed in and punched Lori in the stomach and she fell down to the floor on her knees, she also headbutted Lynn and sent her flying into a wall, and she kicked Lola hard in the butt and had her hanging by the collar of her dress on a coat rack, and Mom and Dad were so embarrassed by the sore loser attitude of Lynn, they grounded her for twelve weeks for her behavior, and as for Lori and Lola, for their roles, they got grounded for eleven weeks, and while Lynn was put in a titanium bar cage in her room and put in a straitjacket, Lori and Lola were put in separate isolation cubes and they too were in straitjackets.

Nico: What a sore loser, and Lori and Lola had the nerve to support Lynn to see you fail so they can laugh at you and humiliate you, that's just disgusting.

Luna: That's not even close to describe it, dude. The heartless behaviors of Lori, Lynn, Lola, Lisa, and Luan crossed many lines when it came to the safety of our bro, but his Guardian Angels and all of us have more than once put those five in their place.

Lincoln: That's right, and I thought Lynn would be mature about this, but she wasn't, she was really immature about losing, and so was Lori and Lola.

Nicholette Torrington: All her talk about being mature was nothing but crap. You were so lucky that Micaela punched you hard in the stomach, Lori, because if it were me that day, I would kill you right where you stand.

Lincoln: But, in the end, they earned my forgiveness by working hard to do it. But, I was still leery of them, so we had them under strict watch, one more wrong move, and they were done.

We got a shower afterwards, and then, Lincoln, Fubuki, Claudette, Laurette, and Paulette are heading to Cheep Cheep Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Fubuki, Claudette, Laurette, and Paulette were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Fubuki had feelings for Lincoln when Tatsumaki introduced her to him, and Claudette, Laurette, and Paulette did fall in love with him years ago, and he saved the girls from Pablo and Anderson when they broke out to kill them to get revenge on us again, but Lincoln saved them and pulverized those two assholes before he chained them up to their posts again, and Claudette, Laurette, and Paulette knew Lincoln was infinite-times more a man that Gaston never will be.

Fubuki: Wow, so this is Cheep Cheep Beach.

Lincoln: That's right, I've been here before, and it's a perfect spot for our first beach date, ladies. Shall we?

Lincoln, Fubuki, Claudette, Laurette, and Paulette dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Fubuki, Claudette, Laurette, and Paulette got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Fubuki, Claudette, Laurette, and Paulette and they hugged the girls in their abnormally massive and powerful muscular arms and Fubuki, Claudette, Laurette, and Paulette placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fubuki, Claudette, Laurette, and Paulette with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Nico: And I still didn't forget how Lincoln saved you four from Pablo and Anderson, and man, you really kicked those two hard in the crotch.

Lincoln: They had it coming.

Ken Knudson: Pretty awesome set of fun. There you have an awesome set of rescues and fun. Back to you Nico.

Nico: That was awesome and cool. We'll be back in a bit with another awesome set of adventures right after this.

COMMERCIAL AIRS

---

The news came back on.

Nico: Welcome back everyone. Hope you liked Lincoln's Rescue and the revelations of one of his guardian angels. Always fun to see those. Now it's time for my favorite part of the show. I call this one NICO'S CRAZY MASCOT SHENANIGANS!

The title came on and it was a goofy one and Krusty the Clown's Laugh was heard in the background.

Nico: Our mascots have gotten into some crazy and funny things over the years and it's always for a funny laugh. Who knows what kind of mischief they will get into this time. Lets go down to Carol Pusateri in Gotham Royal York.

The camera turned to Carol.

Carol: Thank you Nico. We are in the middle of Gotham Royal York for another awesome series of fun shenanigans with our mascots. Lets see what they are gonna do now.

Poromon: Omanyte, me and Poliwag have a lot to catch you up on.

Omanyte: Like what?

Poliwag: (sees an unlocked car) Let us show you!

Witchy Simone: This can't end well.

Prohyas: You got that right squirt.

Witchy Simone: THAT'S NOT MY NAME!

She fired a blast of magic and it hit a fire hydrant and it formed into a fruit punch hydrant and Fruit Punch shot out onto the streets like a fountain!

Nico: WHOA!

Me: Wow!

I tasted some and it was fruit punch!

Me: Fruit punch!

The Mascots got into the car. But little did they know that the car was actually the car of a jewelry store robber and he was robbing it even as we speak!

We were guzzling down fruit punch.

Nico: Ahh that is refreshing!

Me: Yeah!

Odette: And the mascots just took off with the car.

Nico: What!?

They drove off.

Then the jewelry store robber came out with a huge bag full of jewels!

Robber: HEY MY CAR!

Me: Wait I know that guy!

I teleported and pounced on the robber and tied him up.

Me: Nico you guys get the mascots! I'll keep an eye on our friend here!

Nico: Right!

Ben: I got this!

He turned into Upgrade and merged with a motorcycle and went after the mascots.

G1 Slipstream: (turns into jet mode) I'll fly after them.

Poromon: Folks, this is kind of thing you should do in your free time!

Poliwag: Isn't this fun, Omanyte?!

Omanyte: WEE! YEAH!

It was a hectic ride for them.

I was sitting on the robber's back. I pulled his mask off and it was someone I knew.

Me: Dale Gunnerson!?

Dale Gunnerson: J.D.? Whoa! You have changed a lot!

Me: So have you but I didn't expect you to go into the criminal business.

Dale Gunnerson: Yeah my mom and dad are making me do all this. I became this because of them.

Me: Well why didn't you tell the police they were making you do this?

Dale Gunnerson: I was really scared. Ugly story.

Me: I understand. But you still got to do the time.

Dale Gunnerson: I know. How have things been?

Me: Busy as ever. Saving the world and the universe really is an epic and awesome adventure.

Dale Gunnerson: Yeah I know. My mom and dad made me drop out of high school and I was forced to sell jewels and stuff after stealing them in the black market.

Me: Rough. But we'll do something about your parents later.

G1 Air Raid: Guys, pull over before something bad happens!

Poromon: What do you mean?

Nico flew in and stopped the car with his strength and it wasn't damaged but it was not going anywhere.

Poromon: Oh boy.

Nico flew the car back.

Nico: How's our thief doing?

Me: We had a nice little talk. Guys this is my friend Dale Gunnerson.

Nico: Wait I've heard of you. Your family is one of the most notoriously feared mafia families in the country. I was trying to bust them for years.

Dale Gunnerson: Wow! But I don't want to be a criminal anymore. I was forced into this against my will.

Me: Yeah.

Nico: Poor guy. But you do the crime you do the time. But we'll worry about your parents later. But it was awesome to meet you.

Dale Gunnerson: You too Nico.

Sheila and Tom took him away.

Me: Stop the mascots?

Nico: Yep. But we also got all the jewels back that Dale took. He also had lots of other bags full of jewels in his car.

Eli: So in a way the mascots foiled him.

Nico: Yep.

Poliwag: Wait look.

Poromon: Is that a rock?

We saw it crawl!

Me: Whoa! I hope that's not one of those rock monsters from the Moon!

We saw it turn and it was a Kabuto!

Me: Whoa it's a Kabuto!

Nico: I got a feeling I know this one.

Kabuto: Long time no see Nico!

Nico: Wait Anya Orington's Kabuto!

Qin: She must not be far behind either.

Kabutops then came out!

Me: Whoa Kabutops!

Qin: Wow!

Kabutops: (In a girls voice) Been a long time Nico and you too Qin.

Qin: Anya Orington! Wow!

Nico: It's awesome to see you again.

Poliwag: (to Kabuto) You should've joined our little drive!

Kabuto: I know. I missed out on it. Sorry.

Kabutops: But that was awesome that you guys busted him.

Me: Yeah it sure was.

May: What's your favorite memory of Nico?

Kabutops: My favorite is when me and Nico were over in Morocco and we found an awesome new Mosasaur Fossil. It was called Thalassotitan.

Nicole: Whoa! That's a brand new Mosasaur that was recently discovered last year.

Qin: Wow! It's amazing how many kinds of dinosaurs there were back then.

Nicole: Yep. Thalassotitan Lived back 67 million years.

Xenia: Wow.

Kabutops: Yep. I'm ready to revert back now. But I'm naked.

Nicole: Oh boy.

I put on my blind man glasses and Nico got out a brown jumpsuit and I snapped my fingers and Nicole put up an invisibility wall to make sure no one can see.

Anya's hands returned to normal.

She was back to normal and she put on the jumpsuit.

Anya Orington: Wow that was rough.

Qin: But you're back to normal.

Anya Orington: I sure am.

Nico and Anya hugged.

Nico: I've really missed you.

Anya Orington: Me too Nico. Me too.

Carol: Well there you have it. The Mascots drove off in a car that was that of a criminal and brought him down. But at the same time they had fun. This has been another awesome fun segment of Nico's Crazy Mascot Shenanigans. Back to you Nico.

Nico: Thank you Carol. Hope you liked that one. I hope the Mascots learned a big lesson from all that.

Stella brought Nico some soda.

Nico: Thank you Stella.

Nico guzzled it down.

Nico: Ahh. Now it's time for the main event of our epic and amazing adventure. It's time for the big main mission to start and you will like this because it's Halinor's Big Day Mission and we're going to the planet Xenoc to help Ultrox and friends destroy the evil Akhil. We head over to Aylene Carter at the estate.

The screen showed that we were back at the estate.

Aylene C.: Thank you Nico and we are back at the estate getting ready to head out to Xenoc and it's going to be an awesome and amazing battle for all of us.

We got ready.

Riku: Nico, which teams have you made this time?

Nico: Marinette's team will include Aloe and Lotus, Kanai Humuhumunukunukuapuaa, Igneus, Firesque, and Rhinoram. Robin's team will include Dark Magician Girl and her Apprentices, Naomi Yumiko, White Walker, Frostwrath, and Algata.

Me: Cool! More Monster Legends monsters added to the mix.

Qin: Yep. That is so awesome and fun.

Lola: It sure is.

Halinor: Yeah it is! Now we know what today is. It's my big day

mission.

Qin: It sure is.

Nico: Yep. Xenoc awaits. After everyone gets here that is.

The previous group of M.O.E. Members came.

Octagon: Can me, Pete, Kalin, Private HIVE, Control Freak, Abis Mal, Rhomboid, Cargill, Cantwell, Wiggum, and Chalmers go with you guys?

Buzz Buzzard: Me, Chameleon, Superfriends Giganta, Knighty Knight, Wolvertoon, IR Baboon, Steelbeak, Quirrel, Proper Patrol, and Supreme King Jaden will come too.

Rhomboid: Wait? Are we on TV right now?!

Nico: It's a project that we're doing for Lincoln's class.

Qin: Yep. We're doing a News Project.

Rhomboid: Oh wow.

Me: Yeah we agreed to help Lincoln with it.

Qin: Yep.

Nico: And to answer your question Octagon, yes you all can come with us.

Halinor: I'm so excited for this!

Qin: We all are.

Nightshade: Nico, which Gene Slammers do you think you'll meet next?

Nico: I'm glad you asked Nightshade. Aerodactyl, Snorlax, Dragonair and Dragonite next.

Me: Cool!

Bonnie Terrez: That is cool! Another Dragonair brethren for me.

Me: Yep. But the Snorlax one is gonna be a lazy one I'll bet. Lets not forget that it's the heaviest ever Pokemon in the Kanto Region.

Nico: I know and that one will be really tired all the time.

Eli: Yeah.

Kalin: Let's head out now.

Superfriends Giganta: Wait! Isn't a new Sentai team joining us?

Nico: Yesh they are.

Prohyas: I hope the next rangers are the Turborangers.

Vambre: The Carrangers should be next.

Prohyas: Turborangers!

Vambre: CARRANGERS!

Prohyas: TURBORANGERS!

They growled ferociously!

Nico: Uh oh!

Eli went over and grabbed Prohyas and Vambre.

Eli: Excuse me you two but I must discipline the nannygoats!

BLANG!

He bashed their heads together!

Prohyas and Vambre: OUCH!

Nico: And Prohyas is right on the choice.

Me: I swear you two act like a couple of babies.

Nico: Yep.

Nico snapped his fingers and then the Turborangers came!

Riki Honoo: Hey guys!

Nico: Awesome to see you guys again.

Haruna Morikawa: Same here.

Me: We owe you guys big time.

Riki Honoo: Think nothing of it.

Nico: Lets head out.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Luis Estrada of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Luis Estrada of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Luciana Grimro: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Luis Estrada for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, time to help Ultrox and his friends destroy Akhil once and for all.

Lincoln: We'll make that monster pay for his crimes, and once we get done with destroying Akhil once and for all, you're the next one to die, Luis Estrada.

Halinor: Hang on there, Ultrox, we're coming to help.

Luciana Grimro: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Luis Estrada, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

We went to the ship and we were off to Xenoc!

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7213.9: The U.S.S. Valorous Phoenix is en route to the planet Xenoc for Halinor's big day mission. We're going there to meet Ultrox and friends and help them destroy Akhil. This is gonna be an awesome mission in the heart of the universe.

Qin: I can't wait to see how this turns out.

Nico: Just as long as J.D. doesn't scare me again with that demonic giraffe.

Me: You are still never gonna live that down aren't you?

Buddy Pine: Wake me up when we're there.

Nico: Will do.

Halinor: This is gonna be so awesome.

Lisa Loud: We arrived at our destination.

Nico: On screen.

We saw that we were at Xenoc!

Wolvertoon: We're here!

Control Freak: Which monster should I summon for the upcoming battle?

Nicole: How about Darth Maul from Disney Infinity 3.0?

Control Freak: Good choice! And he is also a future member of the M.O.E.

Nicole: Cool!

Prohyas: I hope we have fun on this one.

Helmut then appeared.

Helmut: (To Prohyas) DORK!

We saw him!

Me: Hey No stowaways!

I teleported him back.

We got to landing and we landed on Xenoc.

We got out and we saw Ultrox.

Me: There he is. Welcome to Xenoc everyone.

Camie: Wow! This is amazing!

Lisa Loud: Astounding! This planet has energy readings that are phenomenally off the scale.

Laney: No kidding there.

Skalor: Hey there, Ultrox!

Ultrox: Hey everyone! Glad you made it and Halinor glad to see you again.

Halinor: Same here!

Cantwell: Mind if we go to where the garage and the others are?

Buzz Buzzard: Assuming that's where they are.

Ultrox: Sure thing. Lets go.

We went to the Garage.

Ultrox: It was really awesome helping you guys defeat Opaline.

Me: It sure was and we owe you big time for that.

Camie: We sure do.

We arrived.

Maria: Hey, guys!

Skrash: Hey you all made it!

Qin: Wouldn't miss this for anything.

Starfire: Oh this will be most glorious and fun.

Varie: It sure will.

Halinor: We want to thank you guys for helping to take Lotan down.

Ultrox: It was no problem guys. That was awesome.

Me: That was awesome.

Qin: Yeah.

Xenia: It sure was.

Ultrox: I wonder how our little bunny friend is doing on that distraction.

Chalmers: Oh, we actually had him come back to us the day before Christmas.

Ultrox: Really?

Supreme King Jaden: We didn't want Akhil to be too badly hurt before we fight him.

Quirrel: So, we had the demon bunny come back to the HQ.

Me: It was time for him to come back anyway. Besides he did good on Akhil.

Qin: Yeah he sure did.

Xenia: Although I think Akhil is gonna have what we call Lepus Traumatic Shock Syndrome.

We laughed!

Qin: (LAUGHS) That was a good one.

Ultrox: I like that.

Scavenger: Ultrox, this might seem like a stupid question. But have you ever met Carlo Abate?

Ultrox: Unfortunately no sorry.

Qin: Darn.

Nico: That would be cool though.

Xenia: Yeah.

Varie: It would.

Ultrox: What exactly is Earth like?

Major Ms. Manners: Oh, you're going to love it. It's what us humans call home. And it's got lots of things you're bound to enjoy.

Manaphy: But it has some things you might dislike. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Ultrox's face) LOOK AT IT!

Wiggum: (sighs) I got a feeling this is gonna be a thing now.

Me: Oh boy Manaphy why did you have to do that?

May: Manaphy calm down.

She grabbed Manaphy.

Me: Sorry Ultrox. The mascots saw a crazy movie trailer about a dark and evil version of Winnie the Pooh and they despise and loathe that movie big time. Ugly story.

Xenia: Yeah.

Ultrox: I can tell it hurt them like that.

Nico: Yeah.

Omanyte: Man I hate that movie.

Aylina: Me too. That movie is an abomination to the Winnie the Pooh we know and love.

Xenia: You got that right.

Ultrox: What are these cameras for? Are you guys doing a TV Show to prove that you guys aren't the villains some people say you are.

Spectra Phantom: (laughs) No. That isn't the case.

Helios: Though I feel that Rick Jones in another universe probably did that kind of thing already.

Me: Yeah. But no that isn't it. It's for a news project Lincoln's class is working on.

Nico: Yeah we're working on a news TV project.

Ultrox: Oh I get it.

Cargill: This is documenting the day in the Life of Team Loud Phoenix Storm for an entire day.

Steelbeak: Anything you want to say to the cameras?

Ultrox: Just this. (to the cameras) I know many of you are scared. I know many of you may fear about what Akhil might do if he reaches

Earth. But I swear that will not happen. For today, his reign of terror ends. Once and for all!

Qin gave him the thumbs up.

Me: That's right everyone!

Nico: Well said everyone.

Broccoli Guy: That… was actually very motivational!

Me: It sure was.

Ultrox: Thanks. I do have a way to help bring good motivation.

Me: You sure do.

Qin: I agree.

Laney: Yeah.

Poromon came out in a fairy costume carrying two bottles of beer.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon: (to the Alien Racers) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Frightwig: Yeah, Poromon's beer fairy getup is apparently a thing now.

We laughed at that one.

Omanyte: (LAUGHS) That's so adorable!

Kabuto: Yeah it sure is.

Me: Poromon now calls himself the Beer Fairy. I think it's really cute.

Ultrox: It sure is cute. But unfortunately I can't drink beer. I don't even have a stomach anymore.

Poromon: Oh right.

Skrash: I can't drink anything at all. I'm just a skeleton.

Me: Well I don't think anyone here can drink anyway.

Poromon: Darn. Maybe next time.

Abis Mal: Oh, did I mention the bunny's gonna be in Beast Man's team?

IR Baboon: It's true.

Ultrox: That's awesome.

Nico: Yep.

Me: Yeah this will be cool.

Nanette: I'll say.

Ultrox: We've got sometime before it's time for the battle.

Pacifica: That's perfect!

Me: Yeah. We can show you all a demonstration of more of our power and our teamwork through our usual battles.

Qin: Yeah.

Camie: You're in for an awesome show.

Me: And you're going to meet your archenemy too.

Ultrox: Awesome. I'm gonna like this.

Moondancer: Yep.

Private HIVE: In fact, Yost Cap, Arkayna, Yin, Brody, and Shinnosuke's archenemies will be joining in.

Knighty Knight: To make it more fun.

Me: I like it.

Arkayna: Awesome.

Me: Good idea.

Qin: Yep.

We got ready.

Then Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Trap Jaw, Living Laser, INSTIGATOR, Man Spider, Fairy Tail Angel, Saleen, Basson Burns, Golden Gut, Sir Raleigh, Madame Woe, Roulette, Raizen, Thursday Man, Mumbo Jumbo, Fire Count, Taotie, Taskmaster and Phantom of the Bwahpera appeared.

Nico: Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Trap Jaw, Living Laser, INSTIGATOR, Man Spider, Fairy Tail Angel, Saleen, Basson Burns, Golden Gut, Sir Raleigh, Madame Woe, Roulette, Raizen, Thursday Man, Mumbo Jumbo, Fire Count, Taotie, Taskmaster and Phantom of the Bwahpera.

Saleen: Look at this planet.

Me: Told you guys it was really cool. The Energy that Xenoc has is off the scale.

Lola: Yeah it sure is.

Webstor: Are the cameras still rolling?

Maria: They sure are.

Angel: Good.

Red Ghost: Everyone at home's in for a treat.

Me: Yes they sure are.

Skalamander: (to Nico) We heard you went to Rhyboflavin.

Nico: Yep.

Rich Texan: How was it?

Me: Really awesome and I can't even remember the last time we were there.

Nico: Boy it has been a while.

Golf Jamen then appeared.

Me: Back for another awesome golf game Golf Jamen?

Golf Jamen: You bet I am.

Qin: Nice!

Golf Jamen: I remember when I first met you guys.

Me: Yeah I shot a golf ball right into your head.

Golf Jamen: That was a really great shot J.D.

Me: Thanks. It was fun.

We got the usual battles underway.

---

Lucy Loud, Starlight Glimmer, Cozy Glow, Undead Skylanders. Catherine Torres, Sawyer the Zombie, Riku and Demona VS Webstor - Nico's Rescue in Rhyboflavin and Sunny Transforming and Battling Witch Way

---

Webstor was first.

Webstor: (to Lucy) Nico's Rescue was in Rhyboflavin. And Sunny Transformed and Battled Witch Way

Lucy Loud: She sure did and it was so amazing to see that.

Starlight Glimmer: They were gobsmacked that we now have the powers of the Forbidden Arts and all of us can use dark magic.

Cozy Glow: They were speechless. The Forbidden Arts were just as powerful as they said and that is cool.

Hex: They sure are. And Sunny looked amazing when she transformed. It was awesome.

Catherine Torres: You got that right.

Sawyer: That was really awesome seeing that!

Webstor: Wow! Congratulations to Sunny for Transforming and Witch Way and the Bellydancer Bandits will make awesome additions to the team. Lets do it!

Lucy used her legend items.

DARKNESS SPIDERS OF FURY! LUCY LOUD'S DARKNESS BAT SWARM!

She fired waves of darkness and the group fired waves of bones, stars, lightning, skulls, blood, magic and energy and smashed him down.

## Skyla, Rainbow Dash, Scootaloo, Air Skylanders, Eden Severnaya, Bleez, Nightshade and Luminous VS Angel - Battling Another Heaven's Pegasus and Another Carmen Dillo

Angel was next.

Angel: (to Skyla) Nico, Fluttershy's team, Carmen Dillo's team, and the others did good Battling Another Heaven's Pegasus. And Another Carmen Dillo too.

Skyla: They sure did and we were shocked to see that Another Carmen Dillo was an enemy from Maria's past this time.

Rainbow Dash: Yeah Maria really got her in trouble and sent her far away to a boarding school in another country.

Scootaloo: Yeah no kidding! Maria said she learned from her mistakes whereas the Another Carmen Dillo did not.

Whirlwind: That's for sure.

Eden Severnaya: That's right! But it was awesome that Maria sent that one far.

Bleez: It sure was.

Angel: I'm glad for that. Also I bet she was sent to the Titania School for Queen Bee brats.

Skyla: You bet she was.

Angel: Good riddance. Lets do it!

Skyla activated her legend items.

FLIGHT OF THE FURY JET! SKYLA'S POKEMON FLIGHT OF FANCY!

They fired waves of wind, lightning, rainbows and energy and smashed her down!

---

Red Ghost was next.

Red Ghost: (to Zak) I heard Lincoln's rescue was in Magic the Gathering. How was it?

Zak: It was really awesome! Everyone had fun in that one. We destroyed Henrika Domnathi.

Fluttershy: That was so amazing and fun.

Tornado Bolt: It sure was. Awesome taking him down.

Seabreeze: (Swedish Accent) Oh ja it was.

Stealth Elf: We had a lot of fun on that one.

Abigail Howenshead: We sure did and we made sure he was destroyed.

---

Chris Taylor, Applejack, Apple Bloom, Earth Skylanders, Salene Sallamandia, Professor Banner, Skalor and Tentakil VS Skalamander - Meeting a Gene-slammer for Evil HERO Malicious Bane

---

Skalamander was next.

Skalamander: (to Chris) I heard you guys met a Gene-slammer for Evil HERO Malicious Bane. What's her name?

Chris: Her name is Micaela Davis and she is an intensely strong force to be reckoned with.

Applejack: Boy she is an amazing and strong weightlifter.

Apple Bloom: She sure is and her story is amazing.

---

Micaela Davis: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Micaela, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Micaela Davis: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Micaela Davis: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Micaela, we know of how you pulverized Chandler, his goons, Pablo, and Anderson into the dirt, but what other memories did you have with Lincoln?

Micaela Davis: Oh, I definitely have one none of us would ever forget. One day, we'd gotten word of a strength competition in Royal Woods, and Lincoln wanted to sign up. We knew this would be quite a perfect opportunity to show Lincoln how much stronger he'd gotten thanks to us, and he signed up for it. But, we had to guess it that Lynn would also sign up, but we knew it was the perfect chance for Lincoln to not only show how much stronger he'd gotten, but put that competition-crazed animal in her place. On the day of the competition, all of Lincoln's Guardian Angels were there cheering for him, along with Luna, Leni, Laney, Lucy, Lana, Luan, Lisa, Lily, and Mr. and Mrs. Loud, but there for Lynn were Lori and Lola, the two most despicable bitches. The first round of the competition was a weightlifting competition: we first saw Lynn lift a 350-lb barbell, but she couldn't hold it for much longer and she gave out. Then, on Lincoln's turn, he literally lifted up a 500,000-lb barbell with both hands and he didn't break a sweat, and that caused everyone to roar and cheer wildly, including us, and it royally pissed Lori, Lynn, and Lola off. The second round of the competition was endurance: Lincoln and Lynn had to drag a monster truck with a harness strapped onto them, but during the round, Lynn couldn't do it anymore and she passed out, but Lincoln continued onwards and when he crossed the finish line, he won and that earned him even more thunderous cheers from the audience and us, and that was also royally pissing off Lori, Lynn, and Lola even more. As we moved on with the other events, Lincoln won them while Lynn tagged out of the others, and it was earning him so much thunderous cheers from the audience and us, while Lori, Lynn, and Lola were getting royally pissed off even more and Lynn being the sore loser she is wanted him dead, and so did Lori and Lola, but I wasn't going to let those rats get away with it, but there was one more event: The Grip Test. Lynn gripped the lever of a grip strength machine, but in the end, her grip strength gave out, and it gave her a result of Gorilla. Finally, it was Lincoln's turn and as he gripped the lever, it rose up and it went past Champion and the machine was starting to steam up, and he let go, and it ended with a really loud thunderous cheer from the audience, and Lincoln won the competition and he was awarded with a solid gold trophy. Leni, Luna, Luan, Laney, Lucy, Lana, Lisa, Lily, and Mr. and Mrs. Loud went up to Lincoln and they hugged him and he hugged them back and kissed them on the lips, and we went up to Lincoln and we each hugged him, and he went up to me and hugged me and he kissed me on the lips, but I didn't mind, because I kissed him back as I hugged him, and everyone cheered wildly.

Me: I remembered that day all too well, and it was so awesome Lincoln won the competition.

Nico: Awesome. But, I can guess Lori, Lynn, and Lola were now mega royally pissed off, right?

Lincoln: They sure were, and they got so angry, they attacked the judges, and right before Lori, Lynn, and Lola could come after me to kill me, Micaela rushed in and punched Lori in the stomach and she fell down to the floor on her knees, she also headbutted Lynn and sent her flying into a wall, and she kicked Lola hard in the butt and had her hanging by the collar of her dress on a coat rack, and Mom and Dad were so embarrassed by the sore loser attitude of Lynn, they grounded her for twelve weeks for her behavior, and as for Lori and Lola, for their roles, they got grounded for eleven weeks, and while Lynn was put in a titanium bar cage in her room and put in a straitjacket, Lori and Lola were put in separate isolation cubes and they too were in straitjackets.

Nico: What a sore loser, and Lori and Lola had the nerve to support Lynn to see you fail so they can laugh at you and humiliate you, that's just disgusting.

Luna: That's not even close to describe it, dude. The heartless behaviors of Lori, Lynn, Lola, Lisa, and Luan crossed many lines when it came to the safety of our bro, but his Guardian Angels and all of us have more than once put those five in their place.

Lincoln: That's right, and I thought Lynn would be mature about this, but she wasn't, she was really immature about losing, and so was Lori and Lola.

Nicholette Torrington: All her talk about being mature was nothing but crap. You were so lucky that Micaela punched you hard in the stomach, Lori, because if it were me that day, I would kill you right where you stand.

Lincoln: But, in the end, they earned my forgiveness by working hard to do it. But, I was still leery of them, so we had them under strict watch, one more wrong move, and they were done.

Then the spirits of the greatest racers in the world came and swirled around him and then they converged and then…

Akhil: WHAT!?

Ninja Steel Rangers: IT'S MORPHIN TIME! POWER STARS, LOCK IN! READY! NINJA SPIN!

They transformed!

Shinnosuke pulls out a small red car-like device, twists the back of it around 180 degrees and places it into the brace

Shinnosuke: Henshin!

At his battle cry, Shinnosuke forces the small car upwards, acting like a lever before slamming it back down.

Mr. Belt: Drive! Type: Speed!

As Mr. Belt announces the transformation, a column of energy in weird tire-like segments forms around Shinnosuke, consolidating into a black undersuit topped with red and silver armor resembling a sports car, concluding with a tire generated on Tridoron's front left wheel shooting off and landing across Shinnosuke's torso.

Chase Pulls out a device resembling a large knuckle guard with a gun muzzle and some sort of wing piece on it He holds the device to his chest and presses the gun barrel into the device, causing some sort of standby music to play, before releasing it

Break Gunner: Break Up!

As this call is emitted, Chase is surrounded by shadowy energy and electricity which consolidates into a strange set of purple and black armor with some silver bits primarily resembling pipes of some kind and glowing orange eyes, all in all looking kind of Frankensteined together or like it was in a wreck of some kind)

Go: (Seeing the Mach Driver in hand) Alright then!

Go pulls out what looks like a small white motorcycle, as he pulls up the slot in the Mach Driver and places the motorcycle in it)

Mach Driver: Signal Bike!

Go: Let's… Henshin!

After letting his battle cry be known, Go slams the Mach Driver slot down, beginning his transformation.

Mach Driver: Rider! Mach!

With that, what appear to be energy rings swirl around Go, before splitting apart and consolidating onto him as his armor, a primarily white armor with a pair of red stripes down one side, black and light blue accents all over it, silver antennae on the helmet, and the strangest addition, a small tire-looking device pasted onto his right shoulder

Go: Tracking… terminating… all done at Mach speed! Kamen Rider… Mach!

Brody: "Power of the Ninja! Ninja Steel Red!"

Preston: "Stealth of the Ninja! Ninja Steel Blue!"

Calvin: "Strength of the Ninja! Ninja Steel Yellow!"

Hayley: "Spirit of the Ninja! Ninja Steel White!"

Sarah: "Speed of the Ninja! Ninja Steel Pink!"

Levi: "Rhythm of the Ninja! Ninja Steel Gold!"

All: "Ninja Rangers fear no danger! Power Rangers Ninja Steel!"

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Halinor: That's it, I've had it up to hear with you to last an eternity, Akhil.

Suddenly, Halinor's blue eyes turned neon blue and she was surrounded by a pink energy aura with fire, quintessence, life energy, and angels, she unholstered her massive Sword of

Kandrakar from her back, and as she approached Akhil, she left pink energy, fire, quintessence, life energy, and angels with every step.

Halinor: Akhil, I will never ever forgive you for the suffering that you have caused everywhere and the trouble that you caused to Ultrox and his friends, as The Kandrakar Guardian of Fire, I cannot allow your crimes to go unpunished a single second further, and now, it's time for you to die.

Suddenly, Halinor was surrounded by a massive vortex of pink energy with fire, quintessence, and life energy surrounding the vortex, there are angels flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Halinor emerged, but she was changed forever.

(NEMO BY NIGHTWISH PLAYS)

Halinor has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Halinor's massive Kandrakar's Fire Quintessence Greatsword of Fiery Magical Justice was surrounded by a kaleidoscope of pink energy, quintessence, fire, life energy, and angels, and when it emerged, it was transformed into Halinor's Kandrakar Firestorm Quintessence Greatsword of Fiery Magical Justice, it's a brand-new large broadsword with the symbol of Fire and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large angel heads for the crossguard, large orange gem embedded in the rainguard, longer black handle, four large angel heads and a large orange gem below the angel heads for the pommel, she has on her new Bracelets of the Champions of The Universe with large orange gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with orang gems for eyes and large orange gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Halinor has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY FIRESTORM KANDRAKAR QUINTESSANCE HEAVENLY PHOENIX ANGEL OF FIRESTORM KANDRAKAR JUSTICE AND DIVINE FIRESTORM QUINTESSENCE LIFE!

We were amazed by Halinor's Super Angel Xelnaga Eternity Infinity transformation, but when Akhil saw it, he went mad and tried to run Halinor over, but Halinor fired a powerful pink energy blast with fire, quintessence, life energy, angels, and phoenixes, which hits Akhil and destroyed his vehicle and forced him out, and it really angered him.

Ultrox: Whoa, so that's Halinor's…?!

Lincoln: That's her Phase 1 transformation, Ultrox. Her Phase 2 transformation's coming up soon after we get rid of him. You ever heard about a cult known as The Order of Nuestra Señora de la Santa Muerte.

Ultrox: No, who are they?

Maria Garcia and the Fabled Gene-Slammers told them of The Order of Nuestra Señora de la Santa Muerte and their crimes and that days ago, Antonio Maldonado and his order broke out for revenge again on them, and they were horrified.

Ultrox: Jeez!

Me: Yeah, they're a bunch of religious fanatics and heretics.

Nico: But, we've dealt with religious fanatics and heretics before, and we brought an end to them for good.

Brody: Ninja Rangers, fear no danger!

Shinnosuke: We're taking you out for a drive!

Troy: And we're not stopping!

Nico: LETS GET HIM!

He got into his car and we went after him!

(GHOST RIDERS IN THE SKY BY SPIDERBAIT PLAYS)

Ghost Rider: Lets ride!

He transformed and we went after him and the Kudabots were hot on our tails!

Then a figure was coming up fast and we saw that it was 2012's SPEED DEMON!

2012 Leo: Speed Demon?! Didn't we destroy you last year?

2012 Speed Demon: Yeah. Last year! But now, I'm back, baby! And badder then ever! First, I'll kill you all! Then, I'm gonna have one of you as my driver!

?: I don't think so!

Zixx: You will never get to the team without a fight!

Erica: Let me help you guys!

Zixx: Thanks Erica!

We fired energy blasts and smashed him and blasted him all over!

Shinnosuke: (gets out Phantom of the Bwahpera's Shift Car) Let's get into High Gear!

He activated it and fired waves of energy from his cannons and blasted the Kudabots and Akhil's car all over.

Gnarl: (Gets out Creveton's Shift Car) Prepare to be crushed!

He activated it and summoned Creveton and he smashed numerous Kudabots all over.

Preston: (gets out Wreckmate's Shift Car) Time to walk the plank!

He activated it and fired an energy cannon and blasted Akhil all over and smashed him in massive fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMM!

Nico: YEAH!

Piper: (gets out Fixer's Shift Car) My turn!

She activated it and fired energy lasers and they hit the rest of the Kudabots and blew them into scrap metal!

Me: Too bad there isn't a junkyard around here. (ACTIVATES LORD DRAKKON'S SHIFT CAR)

I fired waves of lasers from my car and smashed him all over.

Lina: (gets out Cursed Garlic Magisword's Shift Car) Everyone, plug your noses!

She activated it and fired garlic bombs and they hit Akhil's car and they smelled horrible!

Akhil: OH THAT IS SICK!

Me: It's garlic buddy, what did you expect!

Yost Black Panther: (gets out Hoppis' Shift Car) To quote. my counterpart… Wakanda Forever!

He activated it.

CARROT MAGISWORD!

He put the sword in a slot and fired carrot missiles and smashed him all over with them.

Shinnosuke: (pulls out the Tridoron looking mini car) Now for the finishing touches.

Go: (Pulling out a small black motorcycle) I couldn't agree more.

With that, Shinnosuke pushes a button on the back of his little car, causing the top of it to light up, revealing several other mini cars in the display.

Shift Tridoron: Fire All Engines!

With the announcement known, Shinnosuke places the Shift Tridoron into his brace, and flips it up like a lever before slamming it down, summoning the actual Tridoron, which runs into Gold Drive from behind before parking itself behind Shinnosuke

Mr. Belt: Drive! Type: Tridoron!

As soon as the transformation call is out, Tridoron splits into different components, each one reappearing over Shinnosuke before being consolidated by a fleet of smaller cars, forming new armor, with the chestpiece made to look like Tridoron's front bumper, the headpiece resembling the whole car really, and the armor going down the body mirroring the back of the car, complete with wheels on the legs, as the armor tire settles in parallel to his neck on the left.

Go: My turn.

With that, Go replaces the white motorcycle in his Mach Driver with the black one he's been carrying.

Mach Driver: Signal Bike! (As Go closes the slot where the motorcycle is placed) Rider! Chaser!

As the cry reverberates, Go is surrounded by violet energy projections not unlike the tire-like construct on his right shoulder, but instead of attaching their, they turn Go's armor from below his chestplate down silver and violet, including his arms below the elbows, in a color scheme matching Chase in a way

Maria Garcia: (Spanish Accent) That's right, there's still the matter of Luis Estrada of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic and heretic should be coming… right now!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Luis Estrada.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Luis Estrada, the next member of The

Order of Nuestra Señora de la Santa Muerte.

Luciana Grimro: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Luis Estrada: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Halinor: Okay, I think I've had just about enough of your insane ravings to last an eternity.

Suddenly, Halinor's blue eyes turned neon blue and she was surrounded by a pink energy aura with fire, quintessence, life energy, and angels, she unholstered her massive Halinor's Kandrakar Firestorm Quintessence Greatsword of Fiery Magical Justice from her back, and as she approached Luis Estrada, she left pink energy, fire, quintessence, life energy, and angels with every step.

Halinor: You honestly don't know when to quit, do you? Even after Maria Garcia and the Fabled Gene-Slammers stopped you years ago, you just refuse to quit. Well, now we're going to see to it that you never come back ever again.

Suddenly, Halinor was surrounded by a massive vortex of pink energy with fire, quintessence, and life energy surrounding the vortex, there are angels flying around the vortex, and in the vortex is an orange phoenix. Then, as the vortex faded, Halinor emerged, but she was changed forever.

(SLEEPING SUN BY NIGHTWISH PLAYS)

Halinor grew from 7'1" to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long blonde hair, she has neon blue eyes and a pink energy aura with fire, quintessence, life energy, and angels surrounding her, she has a phoenix with the Fire Kanji in its claws emblazoned on her forehead and Third Eye with orange iris, she has on phoenix earrings with orange gems for eyes and the Fire, Life, and Eternity Kanjis in its claws, she has on her Crystal Necklace of the Buddha with orange gems in the gold fire links and orange crystal links and an orange phoenix-shaped Element of Harmony and on the bottom of the Element of Harmony is a phoenix with orange gems for eyes and holding the Fire, Life, and Eternity Kanjis in its claws for the pendant, she has on a long-sleeved purple blouse with orange phoenix on it, pink skirt with life energy and flames on it, green pants, pink knee-high high heels, and pink long sleeveless trenchcoat with phoenixes and flames on the coattails and on the back is a phoenix with flames surrounding it. Suddenly, Halinor felt a sharp pain on her back, and then, massive blonde angel wings with orange tips on the large blonde feathers grew and sprouted out from her back. Halinor has on a Ring of The Phoenix with orange gem and heart shaped gem embedded in it on her right ring finger and White Lantern ring on her left ring finger.

Suddenly, Halinor's massive Halinor's Kandrakar Firestorm Quintessence Greatsword of Fiery Magical Justice and all of the swords began merging together and they're surrounded by a kaleidoscope of pink energy, quintessence, fire, life energy, and angels, and when it emerged, it was transformed into Halinor's Quintessence Kandrakar Firestorm Quintessence Greatsword of Fiery Magical Justice, it's a brand-new large broadsword with the symbol of Fire and the symbol of Kandrakar etched on the 7'0" massive, wide, double-edged pink blade, large angel heads for the crossguard, large orange gem embedded in the rainguard, longer black handle, four large angel heads and a large orange gem below the angel heads for the pommel, she has on her new Bracelets of the Champions of The Universe with large orange gems on her wrists, Belt of Elemental Bravery with a gold phoenix head with orang gems for eyes and large orange gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Halinor has transformed into SUPER ANGEL-PHOENIX-DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA FIRESTORM KANDRAKAR QUINTESSANCE HEAVENLY PHOENIX ANGEL OF FIRESTORM KANDRAKAR JUSTICE AND DIVINE FIRESTORM QUINTESSENCE LIFE!

We were amazed by Halinor's Super Angel Celestial Eternal Xelnaga transformation, but when Luis Estrada saw it, he went insane and he got out his sacrificial knife to stab her, but Halinor fired a powerful pink energy blast with fire, quintessence, life energy, phoenixes, and angels at Luis Estrada, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Taranee: Whoa, Halinor's transformed!

Emma Cook: That's really incredible!

Halinor: (Divine Echoing Cosmic Voice of The Firestorm Kandrakar Fire Guardian and Divine Inferno Firestorm Life) **Indeed, and now, I think it's time for Luciana Grimro to also transform as well.**

Luciana Grimro: (Spanish Accent) Of course. I'm not going to let you have all the fun in tearing that estupido fanatic to shreds.

Suddenly, Luciana Grimro's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Gallabas-themed greatsword from her back, and as she approached Luis Estrada, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Luciana Grimro: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Luis Estrada. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Grimro and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Luciana Grimro was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Gallabas flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Gabriella Gallabas emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Luciana Grimro grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Grimro emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Grimro with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Luciana Grimro has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Grimro surrounded by darkness and light and imps and on top of Fabled Grimro is an anti-Sergio symbol. Suddenly, Luciana Grimro felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Luciana Grimro has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Luciana Grimro's massive Fabled Grimro-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Grimro's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Grimro etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Grimro's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Gallabas that said, "Luciana Grimro, Gene-Slammer of Fabled Grimro, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The

Luciana Grimro has transformed into SUPER ANGEL-FABLED GRIMRO-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED GRIMRO ANGEL OF DIVINE DARK FABLED GRIMRO IMP JUSTICE AND DIVINE FABLED GRIMRO IMP LOVE!

We were amazed by Luciana Grimro's Super Angel-Fabled Grimro-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Luis Estrada saw it, he went insane and he got out his sacrificial knife again, this time to stab his hated enemy, but Luciana Grimro fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Luis Estrada, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Luciana's transformed.

Lincoln: Yeah, and she really sent Luis Estrada back with that energy blast she fired and that really pissed him off now, and Luciana, you look beautiful, how do you feel?

Luciana Grimro: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Grimro and Divine Darkness Light Fabled Grimro Imp Love) (Spanish Accent) **I feel incredible, Linky. Now, shall we three put an end to Luis Estrada once and for all?**

Lincoln: (Smiles) With pleasure, Luciana.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Luciana Grimro and Halinor.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running, Luis Estrada, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.**

Luciana Grimro, Lincoln, and Halinor went after Luis Estrada, and they fired extremely powerful blasts of rainbow energy, black energy, pink energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi,

Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Luis Estrada and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Luciana Grimro sent her three imps and Lincoln summoned his own imps and they sent them at Luis Estrada, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given. Halinor summoned her own imps as well, but they're fire imps, and she sent them at Luis Estrada who clawed at his face and body and fired blasts of fire at him.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and Halinor also summoned imps as well.

Halinor: (Divine Echoing Cosmic Voice of The Firestorm Kandrakar Fire Guardian and Divine Inferno Firestorm Life) Fire imps for me, and now, it's time for the grand finale.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Luciana Grimro, her hand-cannon Blaster is known as Fabled Grimro's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with purple flames on the blaster and with a Phoenix, Angel, and Fabled Grimro surrounded by imps and light etched on the sides, and red gem on the top of the blaster.

And another beam of light descended and a hand-cannon Blaster appeared for Halinor, her hand-cannon Blaster is known as Kandrakar's Fire Quintessence Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's orange with flames on the blaster and with a Phoenix, Angel, and Dragon surrounded by fire etched on the sides, and red gem on the top of the blaster.

Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Luciana Grimro, and Halinor aimed their hand-cannon blasters at Luis Estrada.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Luis Estrada!

Luciana Grimro, Lincoln, and Halinor fired blasts of rainbow energy, black energy, pink energy, and elemental forces at José Zuniga and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Luis Estrada's sacrificial ritual knife which Halinor also infused with fire and it hits Luis Estrada right in the chest and it pierced his black heart, and he immediately died of blood loss and his body turned to ash, and when his spirit appeared, Luciana Grimro, Lincoln, and Halinor gave Luis Estrada The Black Gates for good. We cheered as Luciana Grimro, Halinor, and Lincoln holstered their massive greatswords on their backs and powered down, and Luciana Grimro's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Halinor's new body, clothes, weapons, jewelry, Third Eye, and massive blonde angel wings are permanent.

Luciana Grimro: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Luis Estrada for good, Halinor and Linky.

Lincoln: (Smiles Warmly) You're welcome, Luciana.

Halinor: You're welcome, Luciana, and now, I believe you also have something to give to Lincoln.

Halinor walked back to us and suddenly, Luciana Grimro wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as

Lincoln leaned down to Luciana Grimro's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Grimro flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Luciana Grimro absorbed the light and they came back to us as the display and Fabled Grimro vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Luis Estrada's death, now there are only twenty-four members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Manuel Fuentes, which means it'll be Jade Krus' turn.

Jade Krus: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Evil HERO Infernal Gainer.

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know who would could be Gene-Slammed into Evil HERO Infernal Gainer.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, Reggie McDonald, Lucinda Stewart, Lorelai Delancey, and Micaela Davis: Annalise Halston.

Gretchen Holland: Of all the Evil HERO Gene-Slammers in Linky's harem, Annalise Halston is known as the brain of the Evil HERO Gene-Slammers.

Lorelai Delancey: She's an incredible genius and her intellect and cunning have beaten Lisa so many times, Lisa's crawled away back to her room in defeat, and we'd heard her screaming in pure fury and rage even if she had her door closed.

Irina Han: And I also helped increase her intellect and cunning by teaching her some clever tactics that she can use to outsmart Lisa, should she try to kill Lincoln again and lie again saying that it's for science.

Nico: That's awesome, and we'll hear more about it.

Lincoln: First thing tomorrow on my rescue.

SMASH!

2012 Speed Demon was knocked out and tied up.

Erica: We already destroyed you once. No harm in adding you as a Masters of Evil member.

Zixx: That's for sure!

Erica: Yep.

Zixx: What do you guys wanna do while waiting?

Erica: Play some cards?

Zixx: Sure.

They got to playing cards.

20 minutes later we came back for them.

Erica: Wow!

Me: Akhil has left the building!

Qin: Good riddance.

Steam Smythe: We destroyed Akhil and finished a race as well.

Black Adam: And we got lots of Xeno Cells.

Camie: We sure did.

Trap Jaw: (to Zixx and her friends) You guys helped too.

Zixx: We sure did.

Me: We owe you big time Zixx.

Ultrox: (to Zixx) See you in 7 days.

Zixx: I'm looking forward to it.

Ultrox and Zixx high five each other.

Me: That was so awesome though!

Nico: Yep. Mission accomplished. Great job today everyone!

Living Laser (to Ultrox): How about we show you Earth for the first time?

Ultrox: We would like that very much.

INSTIGATOR: (to the news cameras) That's the story, folks. Hope you enjoy it!

Aylene C.: That's right Folks. This has been one of the most epic battles ever. Our mission is complete and Akhil has been destroyed.

(EVERYONE ON EARTH CHEERED WILDLY!)

Slammers in Lincoln's harem, Annalise Halston is known as the brain of the Evil HERO Gene-Slammers, she's an incredible genius and her intellect and cunning had beaten Lisa so many times, Lisa's crawled away back to her room in defeat, and they'd heard her screaming in pure fury and rage even if she had her door closed. Irina Han also helped increase her intellect and cunning by teaching her some clever tactics that she'd used to outsmart Lisa, should she try to kill Lincoln again and lie again saying that it's for science. Get ready for a battle with the Ninja Steel Rangers old enemy Galvanax and we're going to make that monster pay for everything he did and make him suffer for it all.

# Revenge of The Space Fight

Qin: Boy I can't remember the last time we were in Far Far Away.

Xenia: It has been a while since we were hear.

Lola: Yeah no kidding. It has been a while since we were here.

Lana: I'll say!

Nico: I have a feeling we're going to kick Fairy Godmother's butt.

Camie: That is gonna be awesome!

Earth: You bet it will be. I have a feeling that Pipp Petals is going to show her who is boss.

Varie: Me too.

Pipp Petals: Oh it will be so glitter to take her down.

Nico: Yep.

Levi: This is gonna be a fun adventure.

Nico: Levi, I want to thank you, Professor XXXL, and your teams for coming.

Levi: It is our pleasure Nico. It's gonna be awesome helping you out.

Rainbow Dash: It sure is gonna be awesome!

Xenia: Yeah as long as we kick some butt.

Nico: Nino, I think your turtle powers as Carapace are pretty cool.

Carapace: I agree too Nico. They sure are awesome.

Qin: Yeah they are.

Lola: I agree there too.

Carapace: Same here.

Nico: It actually isn't often that we have Turtle heroes as members.

Carapace: No it sure isn't.

Qin: But either way they are awesome.

Lola: Yeah they sure are.

Vinyl Scratch: Yeah I agree. Also Halinor's mission was awesome.

Me: It sure was!

Xenia: What an adrenaline rush!

Maria: How are Ultrox and the others liking Earth so far?

Me: They are loving it! We showed them around many of our favorite places and many awesome sights and sounds all over the world and more.

Xenia: That is cool.

Qin: I think it's so awesome having them all with us.

Lola: Now the universe is a much safer place without Akhil running around.

Camie: That's for sure guys.

Pipp Petals: I agree there too.

Zipp Storm: Me too. It's awesome.

Carapace: That was still an awesome battle and race though.

Earth: It sure was and we had a lot of fun.

May: Did everyone love our news report?

Lincoln: They sure did! We got a 5 star rating on it and we got so many awesome fan mail letters too.

Nico: Wow!

Qin: That is awesome!

Me: Glad your project got good reports buddy!

Eli: Yeah you're now a shoo-in to get an A+ for it.

Xenia: I agree there.

Camie: Same here.

Lincoln: It was all thanks to you guys.

Nico: We also got a lot of Xenoc Cells.

Me: We sure did.

Qin: That was so fun.

Lola: Yeah it sure was.

Eli: Too bad I had to bonk Vambre and Prohyas's heads together before we left.

Nico: Yeah. All because they wanted either the Turborangers or Carrangers to come.

Xenia: Yeah no kidding.

Me: Speaking of which, we only have one team of Sentai Rangers left to join us and then we'll have 45+ Years of rangers with us.

Eli: We sure will. We have only the Fiveman left to join us.

Xenia: Boy this is gonna be awesome!

Camie: It sure will be.

Nico: Here we are.

We arrived in Far Far Away.

Me: Boy Far Far Away is looking as awesome as ever.

Lola: Yeah it sure is.

Nico: Be on guard. Fairy Godmother could be anywhere.

Me: Last time we faced her we were over in the arena.

Nico: Yep. By the way J.D. that was so awesome how you and the rangers and the group all coordinated and hit that awesome 5 mile long golf shot against Golf Jamen.

Me: Just like on TV.

Rarity: That was so amazing and well done darlings.

Me: Yep. But lets use extreme caution guys. The Arena could be a trap.

Eli: I sense that it is. And she eavesdropped on our conversation the last time.

Laney: She sure did.

We landed.

Nico: You might as well stop hiding. We know you're here!

Me: Yeah come out Fairy Godmother and fight like a lady!

Then POOF!

Out came FAIRY GODMOTHER and PRINCE CHARMING.

Fairy Godmother: Back for more I see Team Loud Phoenix Storm.

Me: Yeah we sure are.

Nico: And Prince Charming, I see you are still ready for some more pain.

Prince Charming: Indeed. Now I shall defeat you and claim Fiona.

Fiona Hernandez: I take it you mean me? Sorry I'm already spoken for.

Prince Charming: No! I mean Princess Fiona from Shrek!

Me: Sheesh buddy get a life.

Nico: I can see your confusion though.

Me: Yeah. Also we have a few Fiona's with us so it is confusing.

Fiona Hernandez: Yes sorry about that. My name is Fiona Hernandez.

Prince Charming: Ah yes sorry about the confusion.

Fiona Hernandez: No worries there.

Me: Anyway lets get this brawl started.

May: Cue the music!

(HOLDING OUT FOR A HERO BY BONNIE TYLER PLAYS!)

Fairy Godmother summoned a massive army of soldiers! They came at us!

Nico: CHARGE!

We went at them!

Pipp Petals went at Fairy Godmother and she was facing her.

Pipp Petals: I have a really nasty glittery score to settle with you!

Pipp Petals: Alright, that's it, I've had just about enough of you two to last an eternity.

Suddenly, something within Pipp Petals' mind really snapped as memories of the Shrek versions of The Fairy Godmother and Prince Charming's crimes and xenophobic ways rushed through her head and her kiwi green eyes turned neon kiwi green and she was surrounded by a violet energy aura with Equestrian Magic, Alicorns, stars, and music notes, she unholstered her massive Knights of The Friendship Table from her back, and as she approached the Shrek versions of The Fairy Godmother and Prince Charming, she left violet energy, Equestrian Magic, Alicorns, stars, and music notes with every step.

Pipp Petals: You and your son absolutely make me sick, it's bad enough you tried to get your son matched up with Fiona when clearly she doesn't even want him, but you've tried numerous times to do so, and you tried to kill Shrek and his friends many times. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, you two just don't even know when to quit, you came back again and again and attempted to get revenge yet again, only to fail and die yet again, and now, you decide to come back again for more… , THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU AND YOUR SON FOR THE FINAL TIME, AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP, I REFUSE TO LET YOU BOTH LIVE EVEN A SINGLE SECOND FURTHER, YOU WILL PAY FOR EVERY LAST ONE OF YOUR VILE CRIMES WITH YOUR LIVES!

We gasped at the sheer extent of Pipp Petals' fury.

Nico: Ooh, boy.

Lincoln: Pipp Petals' fury has now been unleashed, and that xenophobic fairy and her son are going to pay for their crimes as the Princess of Zephyr Heights is about to unleash Hell on them. STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground as Pipp Petals screamed like a madwoman and she was surrounded by a massive vortex of violet energy energy with Equestrian Magic, stars, and music notes surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an violet phoenix. Then, as the vortex faded, Pipp Petals emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS 1:45 TO 2:14)

Pipp Petals grew to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing violet hair and her gold tiara on her head, she has neon kiwi green eyes and a violet energy aura with Equestrian Magic, Alicorns, stars, and music notes surrounding her, she has an Alicorn along with her cutie mark on its horn emblazoned on her forehead and Third Eye with emerald green iris, she has on Alicorn earrings with kiwi green gems for eyes and the Music, Magic, Friendship, and Eternity Kanjis in its hooves, she also has an Alicorn with kiwi green gems for eyes and holding the Music, Magic, Friendship, and Eternity Kanjis in its hooves on the bottom of her violet Alicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with violet crystal links from her merged Crystal Necklace of the Buddha and violet gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Pipp Petals has on a violet dress with purple streaks on the skirt over a pink shirt, purple pants, black knee-high boots, and long sleeveless white trenchcoat with Equestrian Magic, Alicorns, stars, and music notes on the coattails, and an Alicorn on the back surrounded by stars and on top of its horn is Pipp Petals' cutie mark. Suddenly, Pipp Petals felt a sharp pain on her back, and then, her massive white angel wings with violet tips on the large white feathers grew much bigger for her new body and her violet tail grew longer, and she now has a horn on her head. Pipp Petals has on her Ring of the Phoenix with large magenta and pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Pipp Petals' Knights of The Friendship Table and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of magenta, purple, and rainbow energy, violet energy, Equestrian Magic, Alicorns, stars, and music notes, and when it emerged, it was transformed into Pipp Petals' Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice, it's a brand-new massive greatsword with embedded violet gems and her cutie mark etched on the 7'0" massive, wide, double-edged gold blade, large gold Alicorn heads for the crossguard, large violet gem embedded in the rainguard, longer black handle, four large gold Alicorn heads with rainbow gems for eyes and a large violet gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with violet gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and kiwi green gems for eyes and a large violet gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Pipp Petals has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA MUSIC EQUESTRIAN FRIENDSHIP ZEPHYR ALICORN ANGEL OF DIVINE COSMIC EQUESTRIAN ZEPHYR FRIENDSHIP JUSTICE AND DIVINE EQUESTRIAN UNITY FRIENDSHIP ALICORN LOVE!

We were amazed by Pipp Petals' Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when the Shrek versions of Fairy Godmother and Prince Charming saw it, they went mad with rage, and Fairy Godmother tried to blast her with her wand, but Pipp Petals fired a powerful violet energy blast with music notes, Equestrian Magic, Alicorns, and stars at them, and it exploded and sent them crashing into a tree, they got back up, but now, they were furious.

Me: She's in for it now!

Sunny Starscout: Wow, Pipp Petals has transformed.

Zipp Storm: That's my little sister, and she blasted those two and sent them crashing into a tree.

Lincoln: That was awesome, but it looks like she's got them steaming mad now, and Pipp Petals, you look beautiful, how do you feel?

Pipp Petals: (Divine Echoing Cosmic Voice of The Zephyr Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Zephyr Alicorn Love) **I feel incredible, Linky. Now, shall we take down these two low life fairy-tale hating monsters for good?**

Lincoln: (Smiles) With pleasure, Pipp.

Fairy Godmother (Shrek): You won't be getting that close to me or my son. SOLDIERS, KILL THEM ALL!

We then saw a really massive army of soldiers coming here to kill us

all.

Nico: So, you want to play tough, eh?

Lincoln: Let's make this one hell of a bloodbath!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Pipp Petals.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to send you on a one-way trip to Kalamazoo, you xenophobic fairy, along with your son.**

Nico: CHARGE! KILL THEM ALL!

We also unholstered our massive greatswords and transformed, and we went after the massive army of soldiers, and we caused quite a bloodbath by slashing off the arms and legs of the soldiers, and we were leaving nothing more than a massive ocean of blood. Lincoln was also brutally slaughtering the soldiers by not only slashing off their arms and legs, but also, cutting open their stomachs and that'd caused their guts to spill out, and he was also biting the soldiers on their necks with his fangs and sucking out all of their blood in the process, and Lucy, Yumi, and Brittney also did the same as well. When we were done, the massive army of soldiers were all massacred with their guts spilled on the streets, arms and legs hacked off, heads chopped off, and a massive ocean of blood.

I clashed with Prince Charming and sparks were flying all over the place.

Prince Charming: Can we just forget about that one moment a few minutes ago?

Nico: Finally! Something we agree on!

I clashed more with Prince Charming.

Me: Less talking more fighting!

CLANG CLANG CLANG!

We were clashing all over the place!

Pipp kicked Fairy Godmother in her face and smashed her all over.

She flew into the air after her and Pipp fired waves of glitter magic and blasted her all over.

Fairy Godmother fired waves of magic and she dodged the blasts and Pipp fired glitter blasts and she dodged them and Pipp kicked her in her face and threw her into the arena floor and smashed her into the ground.

Nico kneed a soldier in his face.

Qin fired waves of fire and burned soldiers all over!

Dr. Animo: Heatbat! Arise!

He summoned a bat that was half bat and half Pyronite!

Qin: WHOA!

Laney: Wow! Half Bat and Half Pyronite!

Lana: Awesome!

Dr. Animo: Why thank you.

The Heatbat fired waves of sonic fire blasts and burned many soldiers.

Lola: Wow!

Nico: That was cool though!

Prince Charming and I were clashing all over the place more.

Me: You are a very formidable swordmaster Prince Charming.

Prince Charming: Indeed and so are you J.D. You have amazing skills.

Me: I learned so much on the fly and my skills evolved with each battle.

Prince Charming: I see.

Eli fired waves of Force Lightning and electrocuted the Soldiers all over.

Fairy Godmother was down.

Fairy Godmother: You are a very formidable force dearie.

Pipp Petals: So are you Fairy Godmother.

Fairy Godmother made a magic sword and she and Pipp clashed.

Animo: I could never get NRG's DNA before because of radiation reasons

Nico: Gamma radiation is potent stuff. But watch this one. This is Ampfibimanta!

He fired a blast of lightning and it formed into a deadly manta ray that was Half Amperi and half Manta Ray! It went passed many soldiers and electrocuted them with intense electricity!

Animo: Wow! That is amazing!

Nico: Yeah Amperi's pack an intense wallop in electricity.

Animo: As a matter of fact, I never DID get the DNA of any of the Andromeda aliens.

Nico: Well you're seeing some of them in action.

Animo: Indeed but that was absolutely genius Nico.

Nico: Thanks. Many more where that came from. Dark can help you with many of his aliens to help splice into your creations.

Animo: Good idea.

Pipp and Fairy Godmother were really going at it still!

CLANG CLANG CLANG CLANG CLANG!

Fairy Godmother and Pipp were in each other's faces.

Fairy Godmother: For a hair stylist you sure are a great swordswoman.

Pipp Petals: So are you. But I do more than style hair.

She jumped over a slash and kicked Fairy Godmother in the back and fired waves of jewels and smashed her down.

Kittyra roared and fired huge hairballs at the soldiers.

SPLATFART SPLATFART SPLATFART SPLATFART!

YUCK!

The soldiers were splattered in the hairballs and they popped out covered in slime and hair! YUCK!

Eli: Boy King Ghidorah and Kittyra would have a lot of competition with that one.

Nico: No kidding!

Maria: Eli, are Swartz's creations close?!

Eli: Yeah! I sense 2 of them! 15 klicks and closing!

Nico: Wow!

Lola: Moving fast!

Me: Lets wrap this up. But I have a feeling in the future we're going to have Fairy Godmother and Prince Charming in the M.O.E.

Prince Charming: I do need a better life instead of hating fairy tale creatures.

Me: Glad you see things our way.

Haiku: Are you sure don't want any more blood, Lucy?

Lucy Loud: I've actually had my fill of blood, Haiku. Lincoln, Pipp, the two xenophobes are yours.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Thanks, Lucy, now to take care of those two. But, first.

Lincoln began absorbing the massive ocean of blood into his body through his skin, and he did the same with the hacked off arms and legs as they were absorbed into his body through his skin. This left our two xenophobic enemies horrified.

Prince Charming (Shrek): (Horrified) Good god, what a massacre!

Then, Pipp Petals, Lincoln, and all of us were facing Fairy Godmother and Prince Charming.

Fairy Godmother (Shrek): (Nervously) Uh, is it too late to consider surrender or mercy?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Uh uh, you started this mess, and now, it's time to end it.

Pipp Petals and Lincoln went after Fairy Godmother and Prince Charming, and they fired extremely powerful blasts of rainbow energy, violet energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Fairy Godmother and Prince Charming and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his claws, and he was really, really, really pissing off them off now.

Then, Lincoln fired an orange energy blast which hits Fairy Godmother and he sucked out and absorbed her magic and strength, and he left her incredibly weakened and he punched Prince Charming hard in the face and knocked him down.

Nico: Nice, now all that's left.

Twilight Sparkle: Is the final blow.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Pipp Petals, her hand-cannon Blaster is known as Pipp Petals' Friendship Zephyr Unity Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's violet with purple flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by music notes etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Pipp Petals aimed their hand-cannon blasters at Fairy Godmother and Prince Charming.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You made a big mistake coming back again for revenge, Fairy Godmother and Prince Charming, now your days of causing trouble are through.

Then, Pipp Petals and Lincoln fired blasts of rainbow energy, violet energy, and elemental forces at Fairy Godmother and Prince Charming, and they exploded with incredible power as they hit the low life xenophobes. Then, as they holstered their hand-cannon Blasters, Lincoln fired rainbow energy chains which tied Fairy Godmother and Prince Charming up, and Vypra appeared.

Vypra: Nice work catching these two, Pipp Petals and Lincoln.

We cheered wildly as Sunny Starscout and Lincoln holstered their massive greatswords on their backs and powered down, and Pipp Petals' new body, clothes, weapons, jewelry, Third Eye, longer magenta and pink tail with rainbow streaks, and massive white angel wings and purple horn are permanent.

Pipp Petals: Whew, now that was a close one. Thanks for helping me take down Fairy Godmother and Prince Charming for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Pipp Petals.

Suddenly, Pipp Petals wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Pipp Petals' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and music notes appearing behind them and we cheered wildly. Then, Lincoln and Pipp Petals came back to us as the display vanished.

Zipp Storm: Now, that was so beautiful!

Me: That really was an awesome display we saw!

Sunny Starscout: You said it, and we're also glad Pipp part of Lincoln's harem.

Lincoln: And I swore I would take good care of her, along with you, Izzy, Zipp, and Misty.

Nico: And you've also been getting the attraction of Twilight's other friends, Lincoln.

Applejack: (Snickers) He's right though, Linky. You've really been getting the attention and the attraction of all of our other friends, and many of them are joining your harem faster than a jet-powered jackrabbit.

Luan: Well, can any girl help it? Lincoln's had that charm and his personality that literally draws girls in like a magnet.

Luna: She's right though, dude.

Nico: Nice!

Me: Boy Pipp that was awesome and well done!

Pipp Petals: Thanks J.D.

Me: The Inheritors of the Legacy of Twilight Sparkle are now getting their chance to shine on Nico's rescues.

Nico: They sure are.

Qin: Yep.

Misty Brightdawn: That is so awesome and fun.

Lola: It sure is.

Maria: We're not done.

Me: Nope.

Qin: I have a feeling that Applejack may like the next Wonder Ride

Embodiment.

Applejack: What do you mean Qin?

Qin: Call it a hunch.

Then I saw a blue glow and I saw that the Peter Fantasista Wonder Ride Book was glowing.

Me: The Peter Fantasista Book is reacting to something.

Nico: Wow!

Eli: That one is my favorite because of Peter Pan.

Me: That's what it's based on.

Zocks: Oh, how I enjoyed killing Hook.

Me: Boy all of us did. Boy we turned his ship into a bloodbath.

Applejack: YEEHAW! That was a rip-snorting good fight.

Lola: Yeah!

Then we saw a blue girl version of Peter Pan land.

Me: WHOA!

Nico: Wow! A Female version of Peter Pan.

Lola: Cool! This one should be called Petra Pan.

Another Peter Fantasista: (LAUGHS) Hey I like that.

Me: (GASP) That voice.

She changed back and it was a girl with green hair and purple clothes and had blue angel wings and had a sun sword. It was the Sailor Soldier of Neverland!

Me: (GASP) Erica Neverland A.K.A. Sailor Neverland!

Sailor Neverland: That's right. Awesome to see you again J.D. and Applejack thank you for killing Hook.

Applejack: Aw shucks. It was nothing.

Nico: Wow! I didn't know that Neverland had a sailor soldier.

Me: Surprising isn't it. Erica has been the defender of Neverland for over 1,000 years and she, Peter Pan, Wendy and Tink have formed a massive band of fighters to combat Hook and destroy him when the time came.

Qin: That's amazing!

Nico: Wow it sure is.

Zocks: I killed him the final time. He threatened Chloe and nearly helped in getting J.D. to change the timeline.

Sailor Neverland: I heard and J.D. you put on a great performance to catch them all off guard.

Me: Thanks. That was awesome. I didn't want to arouse suspicion so I had to put on an Oscar Winning performance.

Nico: Yeah it was good thinking.

Lola: Yep.

Applejack: That was a clever rues too.

Sailor Neverland: I'll say. But Applejack, I saw your fight with Hook the first time and that was really amazingly well done. You really know how to use a sword.

Apple Bloom: Yeah sis really tore Hook apart.

Applejack: (LAUGHS) That is true. But it was a mighty great time back then.

Me: Lets not give her a swollen head but yeah that was awesome.

Sailor Neverland: Yeah. And I'm guessing you will volunteer to face me Applejack?

Applejack: I sure will.

Sailor Neverland: Awesome.

Zocks: It was only fair that I killed Hook. It was pirate vs pirate after all.

Me: Ahh the Pirates life for ye!

Zocks: You said it!

Me: Yeah! Zocks is an interstellar version of Jack Sparrow.

Nico: Nice.

Me: By the way Erica, any other opponents with you?

Sailor Neverland: Actually yes there are. Another version of him, but with octopus tentacles for legs.

She pointed to Professor XXXL.

Professor XXXL: Another version of I, PROFESSOR XXXL!?

Sailor Neverland: That's right.

Me: I remember that Professor XXXL can change his body with that of any animal Nigel said. Oh Friendly or hostile?

Sailor Neverland: Friendly. And this one is a Sailor Soldier that Eli, Ariel and J.D. all know.

Me: Wow!

Eli: That's a first.

Nico: Cool!

Professor XXXL: Honestly, I prefer me having a turtle shell.

Carapace: Welcome to the party professor.

Nico: Cool.

Sailor Neverland: That is awesome. Oh how are Wendy, Peter, Michael and John and Tink doing?

Brittney: They are doing really well. And so is Wendy's mom. We were really upset that Wendy's father was gonna separate her from her siblings and give her a room of her own. The tyrant.

Nico: Yeah no kidding.

Sailor Neverland: I never liked that guy and you guys all did the right call doing that for Wendy and her family back then.

Me: Thanks. That was an awesome day back then.

Eli: It sure was fun.

Lola: Yep.
